**Remedy claimed or sought:**

1. The Applicant, Deloitte Restructuring Inc. ("**Deloitte**"), in its capacity as court-appointed receiver and manager ("**Receiver**") of the assets, properties, and undertakings of Uwams Supportive Living Ltd. (the "**Debtor**"), respectfully seeks and Order substantially in the form attached hereto as **Schedule "C"**:

- (i) abridging the time for service of this application and deeming service good and sufficient;
  - (ii) approving the Receiver's statement of receipts and disbursements, activities, fees and accounts, and those of its legal counsel;
  - (iii) approving the proposed Assignment Agreement relating to assignment of a possible claim of the Debtor, which the Receiver is not in a position to monetize;
  - (iv) approving the Receiver's proposed distribution to Bank of Montreal on account of its secured claim;
  - (v) releasing the Receiver from all claims, excepting claims arising from fraud, gross negligence or willful misconduct;
  - (vi) discharging the Receiver as receiver and manager of the Debtor, subject only to performance of its final duties; and
- (b) such further and other relief, advice, and directions as counsel may advise and this Honourable Court deems just and appropriate.

**Grounds for making this application:**

**Interim Receivership and Receivership Proceedings**

2. On October 11, 2019, pursuant to an application made by the Bank of Montreal ("**BMO**") in respect of the Debtor, Deloitte was appointed as Interim Receiver of the Debtor by virtue of an order of the Court of Queen's Bench of Alberta (the "**Interim Receivership Order**").
3. On January 23, 2020, pursuant to a consent order (the "**Receivership Order**") Deloitte was appointed as Receiver of the assets, undertakings, and properties of the Debtor.
4. The Receiver's activities are set out in the Receiver's Reports, including its Second Report dated May 31, 2021. Capitalized terms used herein, and not otherwise defined, have the meaning ascribed in the Second Report.
5. The receivership is essentially complete. The Receiver has described its receipts and disbursements, activities and professional fees and legal fees incurred. The Receiver seeks ratification and approval of its actions, including as detailed in the Receiver's Reports.

**Proposed Assignment**

6. The Receiver has been asked by the Uwagas to convey the rights in a potential claim of the Debtor to the Uwagas for further pursuit. The claim would be raised by or on behalf of the Debtor against Alberta Health Services ("**AHS**") (hereafter, the "**Claim**").
7. The Receiver has reviewed the viability of the Receiver pursuing the Claim and determined it is in the best interest of the estate that the rights to the Claim be assigned and pursued by the Uwagas. The Claim is speculative and litigation to pursue the same would be lengthy and expensive. A positive result would not be assured and the estate is not in sufficient funds to warrant the expenditure.

8. The has proposed an Assignment Agreement in the form attached to its Second Report and believes the terms thereof to be commercially reasonable.
9. The Uwagas are positioned to pursue and monetize the Claim and have an existing interest in the Claim as current or former directors, creditors and shareholders of UWAMS.
10. The proposed Assignment Agreement includes a shareback percentage of net proceeds to the estate, should the Claim be successful, which will be distributed by the Receiver to creditors on a priority basis, subject to the Receiver's Charge.
11. The Receiver relies upon the Second Report and this Application as notice to the parties that are affected by the proposed Assignment.

**Distribution and Discharge of the Receiver**

12. Bank of Montreal has proven its secured claim to the satisfaction of the Receiver. The Receiver is prepared to distribute funds on account of that secured obligation. Funds available are less than sufficient to pay the secured claim and will accordingly result in a shortfall.
13. Following distribution, subject only to possible future distributions as a result of the shareback, the Receiver has completed its duties in the administration of this estate.
14. It is the Receiver's respectful view that its fees and the fees of its legal counsel are appropriate and reasonable, and should be approved.
15. The Receiver seeks the standard releases set out in the template discharge order, appropriate for the discharge of the Court's officer after its detailed reporting and notice to all affected parties.
16. The Receiver proposes to file a Discharge Certificate confirming completion of its final duties, at which time the Receiver's discharge would be effective.
17. In connection with its discharge, the Receiver seeks an order directing that the Receiver shall continue to hold any physical books and records of the Debtor for a period of 30 days for any entitled party to claim possession, and thereafter shall be entitled to destroy any of the Debtor's books and records remaining in the Receiver's possession.
18. Apart from the foregoing, and dealing with necessary administrative matters, the Receiver is not aware of any further steps that must be taken in completing the administration of this estate.
19. Such further and other grounds as counsel may advise and this Honourable Court may permit.

**Material or evidence to be relied on:**

20. First Report filed March 17, 2021.
21. Supplement to the First Report filed March 26, 2021.
