## **Material Facts**

- 5. The Companies are incorporated in Newfoundland and Labrador.
- 6. The material facts with respect to this application are set out in greater detail in the First and Second Reports of the Proposal Trustee filed herein. A Third Report of the Proposal Trustee is being filed contemporaneously with these Application materials. What follows is a brief summary of the facts.
- 7. Confectionery and Bazaar are the primary operating entities of a group of companies. Confectionery operates a manufacturing facility from leased premises located in St. John's, Newfoundland and Labrador. This facility specializes in the production of specialty paper products; specifically, break-open lottery and promotional products.
- 8. Bazaar is a company wholly owned by Confectionery. Bazaar owns and administers customer contracts for the purchase of break-open lottery and promotional products. To fulfill these contracts, Bazaar purchases tickets directly from Confectionery. Outside of the purchase and sale of tickets from Confectionery, the economic activity within Bazaar is negligible.
- 9. A significant portion of the Companies' revenue is generated from two customers: Atlantic Lottery Corporation ("ALC") and British Columbia Lottery Corporation ("BCLC").
- 10. On October 31, 2018, Confectionery, Bazaar and David Connolly Sr. received a demand for repayment of outstanding amounts owing and a notice of intention to enforce security from the Bank of Montreal ("BMO").

11. On November 5, 2018, Confectionery and Bazaar made the NOI Filings.

12. Over the last four years the Companies' sales performance has demonstrated significant variability. The financial performance during this period was impacted by the following factors:

- (i) Operational and organizational deficiencies –a number of factors have hindered the ability of the Companies to operate efficiently;
- (ii) Development costs – the Companies invested in development costs related to new product offerings, production improvements and barcode technology which have not as yet generated an economic return;
- (iii) 2016 inventory write off –a review of inventory in 2016 which resulted in a write off of approximately \$1.3 million;
- (iv) 2017 ALC product recall – during fiscal 2017, seven ALC games distributed into the market were recalled, and an additional six games in production were withheld, all due to reports that the barcodes on certain tickets were not validating properly;
- (v) Fire at production facility – in December 2017, a fire at the production facility resulted in the destruction of finished goods inventory and equipment;
- (vi) Contract renegotiations with ALC – Effective July 1, 2018, British extended its contract with ALC at a price per ticket approximately 30% lower than the previous contract; and
- (vii) Production delays –Production delays experienced in fiscal 2017 have had residual effects that were still impacting the Company during the initial quarters of fiscal 2018.

13. The Companies undertook a number of restructuring initiatives prior to the NOI filings. These included:

- (i) reorganizing the Companies' ownership structure;

- (ii) partnering with another company so as to increase the Companies' ability to source product and sell to the United States and central Canadian market;
- (iii) hiring of a Chief Financial Officer in March 2018 and a new corporate accountant in October 2018; and
- (iv) focusing on overhead cost reductions.

14. Since the date of the NOI Filing, the Companies' activities have included, but were not limited to:

- (i) working with the Proposal Trustee to complete statutory requirements, including giving notice to creditors and preparing the NOI Cash Flow;
- (ii) meeting in person with both key customers, ALC and BCLC;
- (iii) holding preliminary discussions with potential lenders and equity sources;
- (iv) working with the Proposal Trustee to answer questions of creditors and establish payment arrangements regarding post-filing obligations;
- (v) working with the Proposal Trustee to organize discussions with the significant secured and unsecured creditors including BMO, Atlantic Canada Opportunities Agency and Business Investment Corporation;
- (vi) working with the Proposal Trustee to monitor actual cash flow and reporting on variances to the NOI Cash Flow;
- (vii) working with the Proposal Trustee and legal counsel to satisfy information requests made by ALC;
- (viii) Having discussions with potential lenders, equity sources and the government of Newfoundland and Labrador;

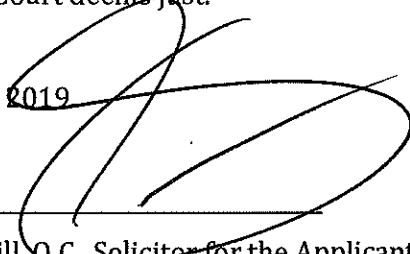

- (ix) Working with the Proposal Trustee to develop a Confidential Information Memorandum ("CIM") in support of the search for alternative financing; and
- (x) Cooperating with the Proposal Trustee in reviewing the expressions of interest received from potential financing sources and parties interested in purchasing the Companies' assets.

**Relief Sought**

15. The Companies therefore apply for orders as stipulated in paragraph 1 hereof:

- a) abridging the notice periods on this Application;
- b) directing that service on the service list set out in Schedule "A" hereto is sufficient for the purposes of this Application;
- c) extending the time to file a Proposal in this proceeding;
- d) sealing the Confidential Addendum to the 3<sup>rd</sup> Report of the Proposal Trustee, such that said Addendum may be filed with the Court on a confidential basis until the completion of the restructuring process
- e) such other and further relief as this Honourable Court deems just.
