- approving the transaction (the "Transaction") detailed in the asset purchase agreement dated March 16, 2017 (the "APA") between the Receiver and Daniel Chai, in trust for a company to be incorporated ("Chai"), as assigned by Chai to AlliedOne Industrial Inc. pursuant to an assignment and assumption agreement to be executed among the Receiver and AlliedOne Industrial Inc. (the "Purchaser"), together with any further amendments thereto deemed necessary by the Receiver in its sole opinion, for the sale of the Property detailed in and listed in Appendix "A" to the APA (the "Purchased Assets");
- (iii) approving the Transaction, ratifying the Receiver's execution of the APA and authorizing the Receiver to execute any additional documents as may be necessary or desirable for the completion of the Transaction;
- (iv) providing that, upon the delivery by the Receiver to the Purchaser of a Receiver's Certificate (as such term is defined in the attached draft Approval and Vesting Order), confirming the satisfaction or waiver of the conditions precedent in the APA, the Debtor's right, title and interest in and to the Purchased Assets shall vest in and to the Purchaser free and clear of all encumbrances;
- (v) authorizing and directing the Receiver, *nunc pro tunc*, to redact from the version of the Receiver's First Report to the Court dated March 23, 2017

- (iii) varying or amending the Appointment Order (as defined herein) so that it authorizes the Receiver to assign the Debtor into bankruptcy;
- (iv) authorizing the Receiver to make a distribution to Elliott-Matsuura Canada
 Inc., a holder of a valid purchase-money security interest, from the
 proceeds of the Transaction;
- (v) approving the Receiver's Interim Statement of Receipts and Disbursements for the period from January 23 to March 17, 2017;
- (vi) approving the professional fees and disbursements of the Receiver set out herein, and authorizing the Receiver to pay all such fees and disbursements from available funds; and
- (c) such further and other relief as counsel may advise and this Court may deem just.

THE GROUNDS FOR THE MOTION ARE:

Background

2. By Order of the Ontario Superior Court of Justice dated January 23, 2017 (the "Appointment Order"), Deloitte was appointed as receiver of all of the assets, undertakings and properties of the Debtor, acquired for, or used in relation to the business carried on by the Debtor, including all proceeds thereof (the "Property");

- The Debtor is an Ontario corporation which manufactured components for the aerospace, industrial and oil and gas industries. The Debtor operated out of leased premises containing office space and a warehouse comprising an area of approximately 35,000 square feet (the "Leased Premises") located at 5261 Bradco Boulevard, Mississauga, Ontario (the "Bradco Property"). The Debtor's principal assets were machinery and equipment used in the manufacturing process, inventory and accounts receivable;
- 4. The Debtor has operated from the Leased Premises since at least 2004. The Bradco Property is owned by the Landlords. The current term of the lease expires on December 31, 2017 (the "Lease Expiry Date");
- 5. The Appointment Order authorizes the Receiver to, among other things, take possession of, and exercise control over the Property and any and all proceeds, receipts and disbursements, arising out of, or from, the Property. In addition, the Receiver was authorized to sell, convey, transfer, lease or assign the Property or any part thereof out of the ordinary course of business with the approval of the Court in respect of any transaction exceeding \$500,000;

The Sales Process

6. On January 23, 2017, the Receiver took possession of the Property. Shortly thereafter, the Receiver established a marketing and sales process which was designed as a request for offers (the "Request for Offers") and targeted strategic parties (competitors, former customers, suppliers, manufacturing participants and private equity) as well as auctioneers/liquidators;

- 7. The Request for Offer package consisted of the Request for Offers, the Terms and Conditions of Sale of Assets, the Confidentiality Agreement and the Offer Form. The Receiver allocated the Property into lots and interested parties seeking to make an offer could submit an *en bloc* offer or an offer for individual lots. *En bloc* or combined lot offerors were directed to allocate their offer price among the lots they wished to purchase;
- 8. On the offer deadline, the Receiver identified the *en bloc* offer from the Purchaser as being the best offer in terms of price and conditions. In addition, the Purchaser has advised the Receiver that he proposes that the Purchaser will hire back certain staff and restart the business;

The APA

- 9. The APA provides for the Purchaser to purchase the Purchased Assets on an "as is, where is" and "without recourse" basis. Essentially, the Purchased Assets comprise all of the inventory and fixed assets at the Leased Premises as of the date Chai submitted the Offer Form. The Purchased Assets do not include accounts receivable, litigation commenced by 2Source against certain former customers, litigation in connection with a damages claim as a result of a paint/chemical spill and various personal property leased assets as detailed in the APA;
- 10. One of the conditions in the APA in favour of the Purchaser is the Landlord's consent with respect to the assignment of the Lease to the Purchaser, or an assignment of the Lease as otherwise authorized by applicable law. Despite numerous discussions with the

Landlord and its counsel, the Receiver has been unable to obtain the Landlord's consent to the assignment of the Lease;

- 11. The APA is subject to this Court issuing an Approval and Vesting Order that approves the APA and the Transaction and vests in and to the Purchaser, all of the Debtor's right, title and interest in and to the Purchased Assets free and clear of all encumbrances (save for those encumbrances that the Purchaser agrees to assume) on and subject to the terms and conditions set out in the APA;
- 12. The APA provides for closing of the Transaction to occur one day after the issuance of the Approval and Vesting Order, or as the Parties otherwise agree. For closing of the Transaction to occur, the Receiver is to deliver to the Purchaser the Receiver's Certificate (in the form attached to the form of Approval and Vesting Order included in the Motion Record) which will certify that all of the conditions in the APA have been satisfied or waived or are to be fulfilled on a post-closing basis and that the balance of the Purchase Price, including any applicable taxes, has been paid in full by the Purchaser;
- 13. The Receiver is of the view that the APA is the best and most reasonable transaction in the circumstances. The Applicant, the first secured creditor of the Debtor, has advised the Receiver that it approves of the Transaction. In addition, Elliott-Matsuura Canada Inc. has advised the Receiver that it approves of the Transaction with respect to the equipment over which it has a purchase-money security interest subject to receiving an immediate distribution of the proceeds in respect of the Transaction allocable to such equipment;

Assignment for General Benefit of the Creditors

14. The Receiver requests authority to assign the Debtor into bankruptcy;

- 15. A condition of the APA is an assignment of the Lease to the Purchaser. The Receiver has held numerous discussions with the Landlord, a real estate investment company, and its counsel, and they have advised the Receiver that the Landlord will not agree to an assignment of the Lease as the Landlord wishes to sell the Bradco Property in a vacant state, in spite of the fact that absent the receivership, the Landlord would not be in a position to obtain vacant possession of the property until the Lease Expiry Date;
- 16. The Receiver is of the view that the APA is the best and most reasonable offer for the Purchased Assets and is in the best interests of all stakeholders in these proceedings. No other offer provided for a continuation of the business, the rehiring of certain of 2Source's employees, and the continued supply of parts that for some customers are critical to their manufacturing process.

Miscellaneous and Administrative

- The fees and disbursements of the Receiver are set out in detail in the fee affidavit of the Receiver filed in support of this motion;
- 2. The unredacted First Report contains commercially sensitive information which, in the Receiver's view, should be sealed pending the closing of the Transaction;
- 3. Rules 2.03, 3.02 and 16 of the Rules of Civil Procedure (Ontario);
- 4. Section 100 of the *Courts of Justice Act* (Ontario);
- 5. Section 49 of the *Bankruptcy and Insolvency Act* (Canada); and
- 6. Such further and other grounds as counsel may advise and this Court permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (a) The First Report;
- (b) Affidavit of Hartley Bricks, sworn March 8, 2017; and
- (c) Such further and other evidence as counsel may advise and this Honourable Court permit.

INTRODUCTION

1. By Order of the Ontario Superior Court of Justice (Commercial List) (the "Court") dated January 23, 2017 (the "Appointment Order"), Deloitte Restructuring Inc. ("Deloitte") was appointed as the receiver (the "Receiver") of all of the assets, undertakings and properties of 2Source Manufacturing Inc. ("2Source" or the "Debtor") acquired for, or used in relation to the business carried on by the Debtor, including all proceeds thereof (the "Property"). At the time of the Appointment Order, Robert Glegg ("Glegg") was the sole officer and director of 2Source. A copy of the Appointment Order is attached hereto as Appendix "A".

- 2. The Debtor is an Ontario corporation which manufactured components for the aerospace, industrial and oil & gas industries. The Debtor operated out of leased premises containing office space and a warehouse comprising an area of approximately 35,000 square feet (the "Leased Premises") located at 5261 Bradco Boulevard, Mississauga, Ontario (the "Bradco Property"). The Debtor's principal assets were machinery and equipment used in the manufacturing process, inventory and accounts receivable.
- 3. The Appointment Order authorized the Receiver to, among other things, take possession of, and exercise control over the Property and any and all proceeds, receipts and disbursements, arising out of, or from, the Property. In addition, the Receiver was authorized to sell, convey, transfer, lease or assign the Property or any part thereof out of the ordinary course:

- (a) without the approval of the Court in respect of any transaction in which the purchase price exceeds \$250,000 or the aggregate purchase price for all such transactions exceeds \$500,000; and
- (b) with the approval of the Court in respect of any transaction in which the purchase price or the aggregate purchase price exceeds the applicable amount set out in the preceding clause.
- 4. The Appointment Order, together with related Court documents, the Notice to Creditors and this First Report have been posted on the Receiver's website at www.insolvencies.deloitte.ca/en-ca/2Source.
- 5. The purpose of this first report of the Receiver (the "First Report") is to:
 - (a) update the Court on the Receiver's actions to take possession and secure the Property;
 - (b) seek the Court's approval of the activities of the Receiver as described in the First Report including, without limitation, the steps taken by the Receiver in the collection of accounts receivable, the sale of inventory, dealing with various equipment lessors, discussions with GPM Real Property (10) Ltd. and GPM (10) GP Inc. (collectively, the "Landlords") and the conduct of the marketing and sale process;
 - seek a Court order (the "Approval and Vesting Order") approving the transaction (the "Transaction") detailed in the asset purchase agreement dated March 16, 2017 (the "APA") between the Receiver and Daniel Chai, in trust for a company to be incorporated ("Chai") or to be assigned by Chai to the company that will close the Transaction (the "Purchaser"), together with any further amendments thereto deemed necessary by the Receiver in its sole opinion, for the sale of the Property detailed in and listed in Appendix "A" to the APA (the "Purchased Assets") and vesting the Debtor's right, title and interest, if any, in and to the Purchased Assets in and to the Purchaser upon closing of the Transaction;

- (d) seek the Court's approval to vary the Appointment Order so that it authorizes the Receiver to assign the Debtor into bankruptcy;
- (e) seek the Court's approval to make a distribution in the amount of \$400,000 to Elliott-Matsuura Canada Inc. ("Elliott-Matsuura") from the proceeds of the APA;
- (f) approving the Receiver's Interim Statement of Receipts and Disbursements for the period from January 23 to March 17, 2017;
- (g) approving the professional fees and disbursements of the Receiver set out herein, and authorizing the Receiver to pay all such fees and disbursements from available funds;
- (h) authorizing and directing the Receiver, *nunc pro tunc*, to redact from the version of the First Report served on any other party other than this Court, (i) the commercially sensitive information contained therein: (ii) the Confidential Information Summary dated February 2017 (the "CIS"), attached as Confidential Appendix "A"; (iii) the Receiver's Comparison of Offers (as defined herein), attached as Confidential Appendix "B"; (iv) the unredacted version of the APA, attached as Confidential Appendix "C"; and (v) the UTAS Litigation Arrangement (as defined herein), attached as Confidential Appendix "D";
- (i) sealing the unredacted version of the First Report, including **Confidential Appendices** "A", "B" and "C", filed with this Court from the public record until the closing of the Transaction or further order of this Court; and
- (j) sealing the **Confidential Appendix** "**D**", filed with this Court from the public record pending further order of this Court.

TERMS OF REFERENCE

6. In preparing this First Report, the Receiver has been provided with, and has relied upon unaudited, draft and/or internal financial information, the Debtor's books and records,

discussions with former management of the Debtor, and information from third-party sources (collectively, the "Information"). Except as described in this First Report:

- (a) the Receiver has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("CAS") pursuant to the Chartered Professional Accountants Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and
- (b) the Receiver has prepared this First Report in its capacity as a Court-appointed officer to support the Court's approval of the APA and the other relief being sought. Parties using the First Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
- 7. Unless otherwise stated, all dollar amounts contained in the First Report are expressed in Canadian dollars.
- 8. Unless otherwise provided, all other capitalized terms not otherwise defined in this First Report are as defined in the Appointment Order.
- 9. The Receiver has sought the advice of Dentons Canada LLP ("**Dentons**"), counsel to the Applicant, for general legal matters that have arisen in respect of the receivership to avoid additional legal expense. Where the Receiver has required independent legal advice, the Receiver has sought the counsel of Thornton Grout Finnigan LLP ("**TGF**").

BACKGROUND

10. 2Source was incorporated on October 17, 2002 under the name Wolverhampton Inc., which was subsequently changed to Trilete Corp. on January 12, 2004 and then changed to 2Source on March 11, 2004.

- 11. 2Source has operated from the Premises since it became 2Source. The Landlords are the owners of the Bradco Property. The Receiver has been provided with a Lease Agreement dated March 23, 2012 (the "Original Lease") between 2Source and the Landlords that provided for a lease term of three years and expired on December 31, 2015. By Lease Extension and Amending Agreements dated March 3, 2015 and February 29, 2016 made between the parties (collectively, the "Lease Extensions" and together with the Original Lease, the "Lease"), the term of the Original Lease was extended to its current expiry date of December 31, 2017 (the "Lease Expiry Date"). A copy of the Lease is attached hereto as Appendix "B".
- 12. The Receiver understands that 2Source operated profitably for a number of years. However, since the fall of 2015, 2Source lost two of its largest customers which, taken together, represented approximately 80% of its revenue base. The Debtor was unable to replace the lost revenue leading to cash flow problems and defaults on its loans provided by the Applicant which resulted in the eventual appointment of the Receiver.
- 13. In the period immediately prior to the receivership, the Company employed 71 non-union, full-time and part-time employees. The operations of 2Source in the ordinary course ceased prior to the appointment of the Receiver on January 23, 2017.
- 14. On March 10, 2017, Glegg notified the Receiver that he had resigned as both an officer and director of 2Source, leaving the entity with no remaining officer and director.

TAKING POSSESSION AND SAFEGUARDING ASSETS

- 15. The Receiver has undertaken the following activities in accordance with the terms of the Appointment Order:
 - (a) attended the Premises and took possession of the Property located on site;
 - (b) met with Glegg, the President of 2Source, and the employees on site to advise them of the receivership and that pursuant to paragraph 14 of the Appointment Order, their employment by the Debtor had been terminated;

- (c) established the Receiver's website and issued the Notice and Statement of Receiver pursuant to subsections 245(1) and 246(1) of the *Bankruptcy and Insolvency Act* (Canada) ("**BIA**");
- (d) ensured that the Debtor's bank accounts with HSBC Bank Canada ("HSBC"), the first registered secured creditor of the Debtor, were frozen and that only deposits were to be accepted;
- (e) retained TGF as its independent legal counsel to, among other things, conduct a review of the HSBC Security (as defined in paragraph 32) and the security of the other secured creditors of the Debtor;
- (f) engaged certain former employees on an hourly basis to assist with taking inventory, analysis of work-in-process, assembly of books and records, collection of accounts receivable, and assistance with the marketing and sale process;
- (g) as access to the building was via key card, terminated key card access to all former employees and issued new key cards only to those individuals engaged by the Receiver;
- (h) restricted access of non-authorized external users to 2Source's computer systems and servers;
- (i) arranged for the backing up of computer hard drives;
- (j) provided notice of the Receiver's appointment to Hub International HKMB, the Debtor's insurance broker, who arranged for continued insurance coverage through the Debtor's insurer, Allianz Global Corporate & Specialty Auto, Travellers Aviation and XL Specialty Insurance Company. Additionally, the Receiver was added as a named insured and loss payee on the Debtor's policies;
- (k) arranged for a complete inventory to be made of the Property, including the Debtor's fixed assets;
- (l) compiled invoice data and issued demand letters with respect to the Debtor's accounts receivable and undertook the collection efforts described below;

- (m) prepared cash flow forecasts for the receivership period and arranged to borrow \$70,000 by way of Receiver's Certificate from HSBC to fund the receivership proceedings;
- (n) met with representatives of the Landlord and arranged for payment of occupation rent owing pursuant to the Lease commencing as of the date of the Appointment Order;
- (o) made arrangements with Canada Revenue Agency to conduct a payroll audit and an HST audit;
- (p) coordinated the delivery of Records of Employment and T4 slips to the former employees of the Debtor;
- (q) calculated *Wage Earner Protection Program Act* (Canada) claims for former employees and forwarded the appropriate information to eligible employees and Service Canada;
- (r) conducted a marketing and sale process as described in more detail below, including negotiating the terms of the APA;
- (s) communicated with legal counsel concerning certain litigation in which the Debtor is plaintiff;
- (t) reviewed the Debtor's environmental records;
- (u) sought to monetize the inventory on hand as of the date of the Appointment Order; and
- (v) provided status updates to HSBC on the progress of the receivership.

MARKETING AND SALE PROCESS

16. Given that the Debtor (i) terminated/lost contracts from its two largest customers representing approximately 80% of its business resulting in negative EBITDA over the past two years, and (ii) had essentially ceased production prior to the appointment of the Receiver, the Receiver was of the view that given the significant operating costs associated

with maintaining the facility in its current state, a long-drawn out sale process was not appropriate in the circumstances. The Receiver was of the view that a short, focussed sale process that targeted both strategic parties (competitors, former customers, suppliers, manufacturing participants and private equity) and auctioneers/liquidators would be appropriate to sufficiently market the assets and maximize proceeds in a reasonable timeframe.

- 17. The marketing and sale process established by the Receiver was designed as a request for offers ("Request for Offers"). The Request for Offers package consisted of the Request for Offers, the Terms and Conditions of Sale of Assets, the Confidentiality Agreement (the "CA") and the Offer Form. The Receiver allocated the Property into lots and interested parties seeking to make an offer ("Interested Parties") were permitted to submit an *en bloc* offer or an offer for individual lots. *En bloc* or combined lot offerors were directed to allocate their offer price among the lots they wished to purchase. A copy of the Request for Offer Package is attached hereto as Appendix "C".
- 18. In order to properly market the Property, the Receiver, with the assistance of Deloitte Corporate Finance Inc. ("DCF"), prepared a Teaser document and CIS that set out the business, its history and past financial performance and listed the assets available for sale. A copy of the Teaser document is attached hereto as **Appendix "D"**. A copy of the CIS is attached hereto as **Confidential Appendix "A"**.

19. The timing of the marketing and sale process was initially established as follows:

Transaction Process	Timing
Circulation of CIS	Feb. 6, 2017
Review of materials, tour of the facility, management meetings and receive draft of the APA	Feb. 6-17, 2017
Final offers due at 12:00 pm (EST) (the "Initial Offer Deadline")	Feb. 21, 2017
Negotiate and execute the APA	Feb. 22-24, 20
Seek Court approval for the transaction(s)	Mar 7, 2017
Close of transaction(s)	Mar 8, 2017

- 20. Notwithstanding the proposed timing set out above, due to delays in completing the CIS, DCF did not begin contacting potential Interested Parties until February 8, 2017. Those parties contacted were provided with the Teaser document and the CA. In total, 98 parties were contacted and were provided with the Teaser document and the CA. Of those 98 parties, 22 executed the CA and were provided with the CIS and access to the virtual data room. Of those 22 parties, 9 were auctioneer/liquidator firms.
- 21. Due to the later than expected commencement of the sale process and initial feedback from Interested Parties who indicated that the tight time frame for the due diligence period may preclude them from submitting a well-considered offer, on February 15, 2017, the Receiver advised the Interested Parties that the deadline for submission of offers had been extended to 5:00 pm on February 27, 2017 (the "Revised Offer Deadline").
- 22. Prior to the Revised Offer Deadline, DCF informed the Receiver that it had inadvertently advised one Interested Party that the Revised Offer Deadline was 5:00 pm on February 28, 2017 (24 hours after the Revised Offer Deadline). After contacting that party to alert them of the correct Revised Offer Deadline, that party advised DCF that it intended to submit an *en bloc* offer but it had been working towards a submission prior to 5:00 pm on February 28, 2017 and would not be able to submit their offer prior to the Revised Offer Deadline.

- As such, the Receiver further extended the Revised Offer Deadline to 5:00 pm on February 28, 2017 (the "Offer Deadline").
- 23. By the Offer Deadline, the Receiver had received seven offers from Interested Parties. Five (5) of the offers were from auctioneers/liquidators and two were from strategic parties. The Receiver's comparison of the seven offers received in respect of the Assets ("Receiver's Comparison of Offers") pursuant to the Request for Offers process is attached hereto as Confidential Appendix "B".
- 24. The Receiver identified the *en bloc* offer from Chai, in trust for a company to be incorporated (the "Chai Offer"), as being the best offer in terms of price and conditions. In addition, Chai has advised the Receiver that he proposes that the Purchaser will hire back certain staff and restart the business.

CHAI OFFER AND APA

- 25. The APA provides for the Purchaser to purchase the Purchased Assets on an "as is, where is" and "without recourse" basis. A redacted copy of the APA is attached hereto as **Appendix "E"**. An unredacted copy of the APA is attached hereto as **Confidential Appendix "C"**. All other capitalized terms not otherwise defined in this section of the First Report are as defined in the APA.
- 26. Essentially, the Purchased Assets comprise all of the inventory and fixed assets at the Leased Premises as of the date of the Chai Offer. The Purchased Assets do not include accounts receivable, the Excluded Litigation (as defined in paragraph 52 below), and various personal property leased assets with respect to which the Purchaser will either elect to assume the lease or the asset will be returned to the applicable lessor.
- 27. One of the conditions in the APA in favour of the Purchaser is the Landlords' consent with respect to the assignment of the Lease to the Purchaser, or an assignment of the Lease as otherwise authorized by applicable law. Despite numerous discussions with the Landlords and its counsel, the Receiver has been unable to obtain the Landlords' consent to the assignment of the Lease. As a result and as discussed further below, in order to fulfill this

condition under the APA, the Receiver is seeking the Court's approval to vary or amend the Appointment Order to authorize the Receiver to assign the Debtor into bankruptcy in order that a Trustee in Bankruptcy can effect an assignment of the Lease to the Purchaser.

- 28. The APA is subject to the Court issuing an Approval and Vesting Order that approves the APA and vests in and to the Purchaser, all of the Debtor's right, title and interest in and to the Purchased Assets free and clear of all encumbrances (save for those encumbrances that the Purchaser agrees to assume) on and subject to the terms and conditions set out in the APA, in the form to be agreed to between the Parties.
- 29. The APA provides that the Approval and Vesting Order shall have been granted, and the Transaction completed, by March 31, 2017, unless the Parties agree in writing to extend the Closing Date. For closing of the Transaction to occur, the Receiver is to deliver the Receiver's Certificate (in the form attached to the form of Approval and Vesting Order included in the Motion Record accompanying this First Report) to the Purchaser which will certify that all of the conditions in the APA have been satisfied or waived or are to be fulfilled on a post-closing basis and that the balance of the Purchase Price, including applicable taxes, has been paid in full by the Purchaser.
- The Receiver is of the view that the Chai Offer is the best transaction in the circumstances. The Applicant has advised the Receiver that it approves of the Transaction. In addition, Elliott-Matsuura has advised the Receiver that it approves of the Transaction with respect to the equipment over which it has a purchase-money security interest ("PMSI") (as set out in Schedule A Exhibit "5" to the APA, the "EM Equipment"), subject to receiving an immediate distribution of the proceeds in respect of the Transaction relating to the EM Equipment. As such, the Receiver is seeking the Court's approval for issuance of the Approval and Vesting Order and an order authorizing the Receiver to distribute a portion of the sale proceeds to Elliott-Matsuura.

SECURED CREDITORS

A Summary Report of the secured creditor registrations filed pursuant to the *Personal Property Security Act* (Ontario) (the "**PPSA**") having a file currency date of February 26, 2017 (the "**PPSA Report**") is attached hereto as **Appendix "F"**. The following paragraphs discuss the registrations in the PPSA Report and, where applicable, their relative priorities.

HSBC Bank Canada

- 32. HSBC is the first registered secured creditor of the Debtor and is the Applicant in this proceeding. Among other security granted to HSBC, HSBC holds a general security agreement dated June 5, 2006 and a general assignment of book debts dated June 3, 2006 (collectively, the "HSBC Security") securing the indebtedness and obligations of the Debtor to HSBC. A copy of the HSBC Security is attached hereto as Appendix "G".
- 33. As at March 6, 2017, HSBC advised the Receiver that the Debtor's outstanding indebtedness to HSBC totals in excess of \$4.0 million, inclusive of interest and costs incurred to date.
- 34. The Receiver has obtained a security opinion from TGF in respect of the HSBC Security. The opinion confirmed that, subject to the validity of equipment collateral PMSIs including the PMSI in favour of Elliott-Matsuura as detailed below, and the usual and customary assumptions and qualifications, the HSBC Security is in first priority position with respect of the Property in the Province of Ontario.

2006905 Ontario Inc.

35. 2006905 Ontario Inc. ("2006905") registered a PPSA financing statement on June 13, 2008 in respect of the Debtor's collateral classes of inventory, equipment, accounts, and 2006905 also executed a postponement agreement dated July 22, 2014, in favour of HSBC, limited to the amount of \$4,127,786 (the "Postponement Agreement"). A copy of the Postponement Agreement is attached hereto as Appendix "H". The Postponement Agreement specifically provides for 2006905's agreement to postpone the debt owing to it by 2Source in favour of the indebtedness owing by 2Source to HSBC, including, without

limitation, in respect of the fees and expenses of any receiver sought to be appointed by HSBC in connection with the enforcement of its security.

Elliott-Matsuura

- 36. The Debtor executed and delivered to Elliott-Matsuura a Conditional Sales Agreement dated December 1, 2015 ("CSA") for the purchase by the Debtor of the EM Equipment. According to a statement of account dated February 7 2017, Elliott-Matsuura is owed \$446,890 by the Debtor.
- 37. The Receiver has obtained a security opinion from TGF that confirms that, subject to the usual and customary assumptions and qualifications, the CSA constitutes valid and enforceable PMSI security over the EM Equipment ranking in priority to all other secured creditors.
- 38. As set out in Schedule C to the APA, \$400,000 of the purchase price has been allocated to the EM Equipment by the Purchaser. As such, given Elliott-Matsuura's PMSI security over the EM Equipment, the Receiver is seeking an order that upon the closing of the APA and the receipt of the net proceeds, the Receiver is authorized to distribute \$400,000 to Elliott-Matsuura.

Ministry of Economic Development and Innovation

39. Her Majesty the Queen in Right of the Province of Ontario as represented by the Minister of Economic Development and Innovation ("MEDI") registered a PPSA financing statement on December 18, 2008 in respect of the Debtor's collateral classes of equipment and other. The Receiver has obtained a security opinion from TGF that confirms that, subject to the usual and customary assumptions and qualifications and based on the documentation provided to TGF, the security granted to MEDI appears to be subordinate to the HSBC Security.

Honda Canada Finance Inc.

40. Honda Canada Finance Inc. ("**Honda**") registered a PPSA financing statement in respect of the Debtor on April 17, 2013 in respect of a lease of a 2013 Acura MDX ("**Acura**") by

2Source. TGF has reviewed the leasing documentation and PPSA registration and is of the view that, subject to confirmation of the timing of delivery of the Acura, Honda has a valid PMSI with respect to the Acura. The Purchaser has advised the Receiver that it is not seeking to purchase the Acura, and as such, the Acura is listed on the Excluded Asset Schedule of the APA. The Receiver has determined that there is no equity in the Acura lease. As a result, it is the Receiver's intention to make arrangements to return the Acura to Honda.

National Leasing Group Inc.

41. National Leasing Group Inc. registered a PPSA financing statement in respect of the Debtor on January 28, 2014 in respect of certain Microsoft Software and Licences (the "Software") under Lease No. 2654707N (the "National Lease"). The Receiver has been advised that all payments under the National Lease have been made, that the purchase option was executed, and that title to the Software had been transferred to the Debtor. The Software has been included in the Purchased Assets.

Cisco Systems Capital Canada Co.

42. Cisco Systems Capital Canada Co. ("Cisco") registered a PPSA financing statement in respect of the Debtor on January 28, 2014 in respect of certain telecommunications equipment (the "Cisco Equipment") under Lease No. 547623 (the "Cisco Lease"). TGF has reviewed such PPSA registration and the Cisco Lease in respect thereto and has concluded that Cisco appears to have a valid PMSI with respect to the Cisco Equipment. Cisco advised the Receiver that one payment totaling approximately \$1,623 plus HST remained to be paid in respect of the Cisco Lease. The Receiver has made the final payment and Cisco has acknowledged that title to the telecommunications equipment has passed to 2Source. The Cisco Equipment has been included in the Purchased Assets.

Roynat Inc.

43. Roynat Inc. ("Roynat") registered a PPSA financing statement in respect of the Debtor on July 28, 2014 in respect of certain laser marker equipment (the "Laser Equipment") under Lease No. 368468 (the "Roynat Lease"). TGF has reviewed the Roynat Lease and such PPSA registration and has concluded that it appears that Roynat has a valid PMSI with

respect to the Laser Equipment. The Laser Equipment has been listed as an Excluded Asset in Schedule "B" to the APA. The Purchaser has advised the Receiver that it is seeking an assignment of the Roynat Lease.

TRADE ACCOUNTS RECEIVABLE

- 44. Upon its appointment, the Receiver obtained a detailed listing of accounts receivable which indicated that \$712,361 remained owing to 2Source from various customers. The Receiver engaged the former collections staff at 2Source to assist in contacting 2Source customers in order to obtain payment of such accounts receivable. As of March 17, 2017, the Receiver has received payments totalling \$278,111 on account of pre-Appointment Order accounts receivable.
- 45. On February 28, 2017, the Receiver issued demand letters to all 2Source customers with outstanding accounts receivable. The Receiver is continuing with its collection efforts and will assess the need to institute formal collection proceedings in respect of amounts that remain unpaid.

SALE OF INVENTORY

46. The Receiver engaged former 2Source staff to prepare an analysis of the inventory on hand that was subject to current purchase orders, or that could potentially be sold to current customers, previous customers or other parties. As a result of that analysis and their efforts, the Receiver was able to contract for ordinary course sales of inventory generating a total value of \$416,602 on an "as is, where is" basis with no representations or warranties. As a result of not being in a position to provide customers with any representations or warranties on sales, in certain instances, the Receiver has negotiated pricing for less than the book value of the inventory. As of March 17, 2017, the Receiver has collected \$278,807 of its sales with the balance remaining to be collected. Subject to the Court's approval of the Receiver completing the APA, the balance of the inventory will be transferred to the Purchaser; however, the unpaid accounts receivable will remain for the Receiver to collect for the benefit of the stakeholders in these receivership proceedings.

LITIGATION

47. As at the Appointment Date, 2Source is the plaintiff in three separate claims which remain outstanding and which are described briefly below.

Messier-Dowty Inc. ("Messier")

- 48. On October 7, 2015, 2Source issued a Statement of Claim (the "Messier Claim") under Court File No. CV-15-537943 against Messier, et al, claiming damages for breach of contract and misrepresentation in the sum of USD 4,030,000 and punitive damages in the sum of \$500,000.
- 49. On November 20, 2015, Messier filed a Statement of Defence and Counterclaim denying it had breached any contractual obligations and counterclaimed for liquidated damages in the amount of \$96,000 for 2Source's failure to deliver products in accordance with their agreement and damages in the amount of \$1,500,000 for breach of contract.
- 50. The Receiver has reviewed the Messier Claim pleadings and has discussed the progress with Glegg. As of the date of this First Report, the Receiver has not taken any steps to advance the Messier Claim and is continuing to access its options.

Service Star Freightways Inc. ("Service Star")

- On April 5, 2016, 2Source issued a Statement of Claim (the "Service Star Claim") under Court File No. CV-16-550279 against Service Star, Y7E Transport Inc. ("Y7E"), Royal & Sun Alliance Insurance Company of Canada and Hub International HKMB Limited claiming damages in the amount of \$300,000 as a result of costs incurred resulting from and to remediate a paint/chemical spill at 2Source's premises caused by Service Star and/or Y7E.
- 52. On January 24, 2017, the Receiver reviewed the status of the Service Star Claim with 2Source's counsel retained in connection with the Service Star Claim, Ian Kirby of Gilbert Kirby Stringer LLP ("**Kirby**"), who indicated that, with one exception, all examinations had been completed. The Receiver directed Kirby to proceed with the final examination which has since been completed.

53. A mediation of the claim is scheduled for May 1, 2017, which proceeding the Receiver plans to attend. In the meantime, 2Source has completed its undertakings from a previous examination.

United Technologies Corporation ("UTAS")

- 54. On January 10, 2017, 2Source issued a Statement of Claim (the "UTAS Claim", and collectively with the Messier Claim and the Service Star Claim, the "Excluded Litigation") under Court File No. CV-17-567429 against UTAS, et al, claiming damages of at least \$25,000,000 for breach of the Competition Act (Canada), fraudulent misrepresentation, deceit, conspiracy and unlawful interference with economic interests and punitive damages in the amount of \$5,000,000.
- 55. UTAS has not yet filed a statement of defence in respect of the UTAS Claim (the "UTAS Litigation").
- The Receiver has previously reviewed the UTAS Claim and had agreed that the UTAS Claim can be continued with the assistance of Bennett Jones LLP ("BJ LLP"), as counsel of record in respect of the UTAS Claim. Borden Ladner Gervais LLP ("BLG") represents UTAS in the UTAS Litigation. Discussion in respect of the UTAS Claim between BLG, Dentons and BJ LLP have been ongoing. The Receiver and 2Source had agreed to terms upon which the UTAS Litigation may be continued which are marked privileged and confidential (the "UTAS Litigation Arrangement"). As a result of the resignation of Glegg, the Receiver is considering the positions of the parties in respect of a continuation of the UTAS Claim. A copy of the UTAS Litigation Arrangement is attached hereto as Confidential Appendix "D".

ASSIGNMENT FOR THE GENERAL BENEFIT OF THE CREDITORS OF 2SOURCE

57. As discussed in paragraph 27 above, a condition of the APA is an assignment of the Lease to the Purchaser. The Receiver has had numerous discussions with the Landlords who have advised the Receiver that it will not agree to an assignment of the Lease as it wishes to sell the Bradco Property in a vacant state, despite the fact that, absent the receivership

- proceedings, the Landlords would not be in a position to obtain vacant possession of the property until the Lease Expiry Date.
- 58. The Purchaser has advised that the Chai's Offer was predicated on the Purchaser being able to occupy the Premises until the Lease Expiry Date.
- 59. As discussed above, the Receiver is of the view that the Chai Offer is the best and most reasonable offer for the purchase of the Property and is in the best interests of all stakeholders. No other offer provided for a continuation of the business, the rehiring of some of the 2Source employees, and the continued supply of parts that for some customers are critical to their manufacturing process.
- 60. As Glegg has resigned as an officer and director, the most cost effective and efficient manner to assign the Debtor into bankruptcy, for the general benefit of its creditors, is for the Receiver to file an assignment.

INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

- 61. Attached as **Appendix "I"** is the Interim Statement of Receipts and Disbursements for the period January 23 to March 17, 2017 (the "**Interim R&D"**). As at March 17, 2017, the closing cash balance was approximately \$655,490, which includes a deposit with respect to the Chai Offer.
- 62. The Interim R&D includes receipt of \$70,000 from HSBC funded through the issuance of a Receiver's Certificate. These funds were required to ensure that the Receiver had sufficient cash to meet its obligations. The Receiver's Certificate will be repaid to HSBC, plus applicable interest, from the proceeds of the APA.

PROFESSIONAL FEES

63. The Receiver has maintained detailed records of its professional time and costs in this matter. Pursuant to paragraph 21 of the Appointment Order, the Receiver and its legal counsel were directed to pass their accounts from time to time before the Court and were granted a Receiver's Charge over the Property. The Receiver's counsel is not seeking to pass its accounts at this time but will do so at a later date.

- 64. The total fees of the Receiver during the period from January 11 to February 28, 2017 amount to \$258,482.50, together with expenses and disbursements in the sum of \$1,358.42 and harmonized sales tax ("HST") in the amount of \$33,779.32, and total \$293,620.24 (the "Receiver's Fees"). The time spent by the Receiver is more particularly described in the Affidavit of Hartley Bricks sworn March 8, 2017 (the "Bricks Affidavit") in support hereof and attached hereto as Appendix "J".
- 65. The Receiver is of the view that the fees and disbursements set out in the Bricks Affidavit are reasonable in the circumstances.

RECEIVER'S REQUEST TO THE COURT

- 66. The Receiver is respectively seeking an order:
 - i) approving this First Report and the actions and activities of the Receiver for the period up to March 17, 2017;
 - ii) approving the APA and ratifying the Receiver's execution of the APA;
 - iii) approving the Transaction and authorizing and directing the Receiver to carry out the terms of the APA, together with any amendments thereto deemed necessary by the Receiver in its sole discretion;
 - iv) vesting, upon the delivery of the Receiver's Certificate to the Purchaser, the Debtor's right, title and interest in and to the Purchased Assets in and to the Purchaser:
 - v) that, upon the closing of the Transaction and receipt of the Purchase Price, authorizing the Receiver to make a distribution to Elliott-Matsuura in the amount of \$400,000;
 - vi) varying or amending the Appointment Order to authorize the Receiver to file an assignment in bankruptcy on behalf of the Debtor;
 - vii) approving the Interim R&D;

- viii) approving the professional fees and disbursements of the Receiver as set out in the Bricks Affidavit, and authorizing the Receiver to pay all such fees and disbursements from available funds;
- authorizing and directing the Receiver, *nunc pro tunc*, to redact from the version of the First Report served on any other party other than this Court, (i) the commercially sensitive information contained therein; (ii) the CIS, attached as **Confidential Appendix "A"**; (iii) the Receiver's Comparison of Offers, attached as **Confidential Appendix "B"**; and (iv) the unredacted version of the APA, attached as **Confidential Appendix "C"**, and (v) the UTAS Litigation Arrangement, attached as **Confidential Appendix "D"**;
- x) sealing the unredacted version of the First Report, including Confidential Appendices "A", "B", and "C" filed with this Court from the public record, until the closing of the Transaction or further order of this Court; and
- xi) sealing the **Confidential Appendix "D"** filed with the Court from the public record pending further order of this Court.

All of which is respectfully submitted at Toronto, Ontario this 23rd day of March, 2017.

Section 13.01 Access by Landlord: The Landlord and parties authorized by the Landlord shall be permitted at any time and from time to time, upon twenty four (24) hours prior notice to the Tenant, except in the case of a deemed emergency wherein no notice shall be required, to enter and to have their authorized agents, employees and contractors enter the Leased Premises for the purpose of inspection or making repairs, alterations, removals or improvement to the Leased Premises or to have access to utilities and service facilities therein contained, and the Tenant shall provide free and unhampered access for the purpose and shall not be entitled to compensation for any inconvenience, nuisance or discomfort caused thereby, but the Landlord or parties authorized by the Landlord in exercising their rights hereunder shall proceed to the extent reasonably possible so as to minimize interference with the Tenant's use and enjoyment of the Leased Premises. In the event of an emergency, the Landlord may, if the Leased Premises are unattended, enter by way of master key or forcibly, without rendering the Landlord or its agents liable therefore.

Section 13.02 Exhibit: The Tenant will permit the Landlord or its representatives to exhibit the Leased Premises at all reasonable times during the Term to prospective purchasers or mortgagees and all other persons having written authority from the Landlord. The Landlord and agents of the Landlord shall also be permitted to view or conduct tests on the Leased Premises. The Landlord shall be entitled from time to time during the last Six (6) months of the Term to place a notice or sign of reasonable dimensions, reasonably placed so as not to interfere with the Tenant's business, stating that the Leased Premises are for sale or for rent, provided if a renewal or extension of the Tenant's lease is being negotiated by the parties, such right shall ent and any such signs removed by the Landlord.

ARTICLE FOURTEEN

OVERHOLDING

Section 14.01 Tenancy after Expiration: If, at the expiration of the Term or sooner termination hereof, the Tenant shall remain in possession without any further written agreement but with the express or implied consent of the Landlord, and in circumstances where a tenancy would thereby be implied by law, a tenancy from year to year shall not be created by implication of law or otherwise, but the Tenant shall be deemed to be a monthly tenant only at a monthly Basic Rent equal to one-ninth of the Basic Rent payable in the year immediately preceding the termination hereof, and otherwise upon and subject to the same terms and conditions contained in this Lease, excepting provisions for any options or renewal, if any are contained herein, and nothing, including the acceptance of any Rent by the Landlord, shall extend to the contrary except a specific agreement in writing between the Landlord and the Tenant and the Tenant hereby authorizes the Landlord to apply any monies received from the Tenant in payment of Rent.

ARTICLE FIFTEEN

LANDLORD'S RIGHTS AND REMEDIES

Section 15.01 Default: If and whenever:

- (a) the Rent hereby reserved, or any part thereof, is not paid when due, or there is non-payment of any other sum which the Tenant is obligated to pay under any provision of this Lease; or
- (b) the Term or any goods, chattels, equipment or other personal property of the Tenant, shall be taken or be exigible in execution or attachment, or if a writ of execution shall issue against the Tenant; or
- (c) the Tenant shall become insolvent or commit an act of bankruptcy or become bankrupt or take the benefit of any statute that may be in force for bankrupt or insolvent debtors, or become involved in a winding-up proceeding, voluntary or otherwise, or if a receiver shall be appointed for the business, property, affairs or revenues of the Tenant, or if any governmental authority should take possession of the business or property of the Tenant; or
- (d) the Tenant shall fail to commence business actively and diligently from and on the Leased Premises within sixty (60) days after commencement of the Term; or
- the Tenant shall make a bulk sale of its goods or move or commence, attempt or threaten to move
 its goods, chattels and equipment out of the Leased Premises (other than in the routine course of
 business); or
- (f) the Tenant shall vacate or abandon the Leased Premises in whole or in part; or
- (g) the Tenant shall transfer or purport to transfer any portion or all of the Term or the Leased Premises without the written consent of the Landlord, in accordance with the terms of this Lease; or
- (h) the Tenant shall fail to remedy any condition giving rise to cancellation, threatened cancellation, reduction or threatened reduction of coverage under any insurance policy on the Leased Premises or any part thereof within twenty four (24) hours after notice thereof by the Landlord; or
- (i) the Tenant shall not observe, perform and keep any other of the covenants, agreements, provisions, stipulations and conditions herein to be observed, performed and kept by the Tenant and shall persist in such failure for ten (10) days after notice by the Landlord requiring that the Tenant remedy, correct, desist or comply (or in the case of any such breach which reasonably would require more than ten (10) days to rectify unless the Tenant shall commence rectification within the said ten (10) day period and thereafter promptly and diligently and continuously proceed with the rectification of the breach); (each of the foregoing subsections being an "Event of Default")

then and in any of such cases at the option of the Landlord, the full amount of the current month's and the next ensuing three (3) month's Rent shall immediately become due and payable and the Landlord may immediately distrain for the same, together with any arrears then unpaid; and the Landlord may without notice or any form of legal process forthwith take possession of the Leased Premises or any part thereof in the name of the whole and

INTITALS LANDEORD TENANT remove and sell the Tenant's goods, chattels, equipment and any other property therefrom, any rule of law or equity to the contrary notwithstanding; and the Landlord may seize and sell such goods, chattels, equipment and other property of the Tenant as are in the Leased Premises or at any place to which the Tenant or any other person may have removed them in the same manner as if they had remained and been distrained upon the Leased Premises; and such sale may be effected in the discretion of the Landlord either by public auction or by private treaty, and either in bulk or by individual item, or partly by one means and partly by another, all as the Landlord in its entire discretion may decide, and the Tenant waives and renounces the benefit of any present or future Statute or amendments thereto taking away or limiting the Landlord's right of distress.

Section 15.02 Consequences of Default: While any Event of Default under Section 15.01 remains unremedied the Landlord may terminate this Lease and the Term by giving written notice of termination to the Tenant or by posting notice of termination at the Leased Premises, and in such event the Tenant will forthwith vacate and surrender the Leased Premises. Alternatively, the Landlord may from time to time without terminating the Tenant's obligations under this Lease, make alterations and repairs considered by the Landlord necessary to facilitate a sub-letting and sub-let the Leased Premises or any part thereof as agent of the Tenant for such term or terms and at such rent or rents and upon such other terms and conditions as the Landlord in its sole discretion considers advisable. Upon each sub-letting all rent and other monies received by the Landlord from the sub-letting shall be applied first to the payment of indebtedness other than Rent due hereunder from the Tenant to the Landlord, second to the payment of costs and expenses of the sub-letting including brokerage fees and solicitors fees and the cost of alterations and repairs, and third to the payment of Rent due and unpaid hereunder. The residue, if any, shall be held by the Landlord and applied in payment of future Rent as it becomes due and payable. If the Rent received from the sub-letting during a month and any surplus then held by the Landlord to the credit of the Tenant is less than the Rent to be paid during that month by the Tenant, the Tenant will pay the deficiency to the Landlord. The deficiency will be calculated and paid monthly. No taking of possession by the Landlord will be construed as an election on its part to terminate this Lease unless a written notice of that termination is given to the Tenant or posted as aforesaid. Despite a sub-letting without termination, the Landlord may elect at any time to terminate this Lease for a previous breach. If the Landlord so terminates this Lease, the Tenant shall pay to the Landlord on demand therefore:

- Basic Rent and Additional Rent accrued due up to the time of possession or termination, whichever is later, plus accelerated Rent as provided in Section 15.01;
- all costs payable by the Tenant pursuant to the provisions of this Lease up until the date of possession or termination, whichever is later;
- (c) such expenses as the Landlord may incur or has incurred in connection with taking possession or terminating and re-letting, or collecting sums due or payable by the Tenant or realizing upon assets seized including without limitation brokerage expenses, legal fees and disbursements determined as between a solicitor and his own client, and including the expense of keeping the Leased Premises in good order and repairing or maintaining the same or preparing the Leased Premises for re-letting; and
- (d) as liquidated damages for the loss of Rent and other income of the Landlord expected to be derived from this Lease during the period which would have constituted the unexpired portion of the Term had the Lease not been so terminated, the amount, if any, by which the rental value of the Leased Premises for such period established by reference to the terms and provisions of this Lease, exceeds the rental value of the Leased Premises for such period established by reference to the terms and provisions upon which the Landlord re-lets them, if such re-letting is accomplished within a reasonable time after termination of this Lease, and otherwise with reference to all market and other relevant circumstances. Rental value is to be computed in each case by reducing to their present worth, at an assumed interest rate of ten (10%) per cent per annum, all Rent and other amounts to become payable for such period and where the ascertainment of amounts to become payable requires the same, the Landlord may make estimates and assumptions of fact which will govern unless shown to be unreasonable or erroneous;

such obligations of the Tenant to survive the termination of this Lease.

Section 15.03 <u>Alternative Remedies</u>: The Landlord may from time to time resort to any or all of the rights and remedies available to it in the event of any default hereunder by the Tenant, either by any provision of this Lease or by statute or the general law, all of which rights and remedies are intended to be cumulative and not alternative, and the express provisions hereof as to certain rights and remedies are not to be interpreted as excluding any other or additional rights and remedies available to the Landlord by statute or the general law. No waiver by the Landlord of any of its rights with respect to a default by the Tenant shall constitute a waiver of other rights with respect to that default or a waiver of any subsequent breach of that obligation.

Section 15.04 Landlord's Right to Perform: In addition to all other remedies the Landlord may have by this Lease or by law, if the Tenant shall make default in any of its obligations hereunder, the Landlord may, at its option, perform any such obligation after five (5) days' written notice to the Tenant (or without notice in case of an emergency), and in such event the costs of performing such obligation and all Landlord overhead and related

INDITIALS

supervision charges shall be payable by the Tenant to the Landlord on demand, together with interest at the rate of six (6%) per cent per annum in excess of the minimum lending rate to prime commercial borrowers from time to time current at any Canadian bank designated by the Landlord from the date of the performance of such obligation by the Landlord until the date of payment to the Landlord.

Section 15.05 <u>Interest on Arrears of Rent</u>: The Tenant covenants to pay interest computed at the rate specified in Section 15.04 upon all arrears of Rent. Such interest shall be computed from the due date(s) of such Rent until the date of payment to the Landlord.

Fax: 416-601-6690
hbricks@deloitte.ca

The envelope must clearly be marked "Offer – Assets of 2Source Manufacturing Inc.". Offers may also be submitted to the Receiver by email transmission prior to the Offer Deadline to hbricks@deloitte.ca.

- 10. Opening of Offers. All Offers will be opened after 12:00 PM (Toronto Time) on February 21, 2017. Offerors shall not be present at the opening of the Offers.
- 11. Withdrawal of an Offer. All Offers submitted constitute a "firm offer" and cannot be revoked, unless a written notice of withdrawal of the Offer is transmitted to the Receiver prior to the Offer Deadline.
- 12. Qualified Offerors. An Offeror which the Receiver determines has a reasonable prospect of completing a transaction in respect of the purchase of some or all of the Assets (each, a "Transaction"), will be designated a "Qualified Offeror" and will be promptly notified of such designation by the Receiver. As the case may be, the Qualified Offeror must be able to justify its ability to carry out all of the terms and conditions of its Offer within five (5) business days following a request from the Receiver to that effect. The Receiver may seek clarifications with respect to any and all Offers.
- 13. <u>Decision on Offers.</u> The highest or any Offer will not necessarily be accepted and the Receiver reserves the right to reject any or all Offers, to exclude from the solicitation of Offers any or all of the Assets and to dispose of the Assets in any manner it deems appropriate. Upon acceptance of an Offer, each Qualified Offeror shall be notified on or before 5:00 PM on February 22, 2017 by written notice of the Receiver (the "Notice of Acceptance"). In the event any submitted Offer is rejected, each such Offeror will be notified by the Receiver on or before 5:00 PM on February 23, 2017 and any Deposit posted by any such unsuccessful Offeror will be promptly returned.
- 14. No Compensation. Whether an Offer submitted is accepted, refused or withdrawn, there will be no compensation for the Offeror of any type or form for any costs or expenses related to its participation in the Request for Offers.

- 15. Return of Deposit. The Deposit accompanying an Offer will be returned, without interest, to such Offeror in the event that its Offer is not accepted.
- 16. <u>Definitive Agreement.</u> Following receipt of a Notice of Acceptance by a Qualified Offeror, and on or before 5:00 PM (Toronto Time) February 24, 2017, the Marked APA will be negotiated and will represent a definitive agreement (the "Agreement") between the Receiver and the Qualified Offeror for the sale of the applicable Assets on the Closing Date (as this term is defined hereinafter).
- Closing. The closing of the transaction pursuant to the Agreement shall occur on or before 5:00 PM (Toronto Time) on March 10, 2017 (the "Closing" and the "Closing Date") and the transfer of title to the applicable Assets (the "Purchased Assets") to any Qualified Offeror (each a "Purchaser") will be via an approval and vesting order (each, an "Approval and Vesting Order"): (a) approving the Agreement and the Transaction outlined therein, and (b) vesting the Assets subject to the Agreement free and clear of any claims, charges, liens or encumbrances. The Closing occurs upon the delivery by the Receiver to the applicable Purchaser of a Receiver's certificate certifying that all conditions precedent in the Agreement have been satisfied or waived and that the balance of the Purchase Price, including applicable taxes, is paid in full by the Qualified Offeror by irrevocable wire transfer, certified cheque or bank draft.

Any Qualified Offeror shall execute all of the appropriate documentation required in order to particularize and implement its Offer.

18. <u>Liability for Taxes.</u> All duties and taxes in connection with the sale including but not limited to custom duties, federal, provincial or municipal taxes, any sales taxes applicable or payable by reason of the sale of Assets or the transfer of ownership thereof, and land transfer taxes or mutation taxes, if eligible, are to be paid by the Purchaser in addition to the Purchase Price provided for in the applicable Agreement. Each Purchaser will remain liable for all such taxes, which liability and obligation will survive any formal Closing and transfer of title to the applicable Purchaser.

19. Adjustments and Withdrawal of Acceptance:

- (a) Should the Receiver be unable to deliver any of the Assets provided for in any of the Lots or Sub-Lots, or for any other reason it deems appropriate, the Receiver shall be entitled to exclude the Assets in question from the Request from Offers in accordance with Section 13 of those Terms and Conditions. In this latter case, the Purchase Price shall be reduced by an amount to be agreed upon between the Offeror and the Receiver, failing which the Receiver may cancel the acceptance of the Offer, and which acceptance will be deemed to have never occurred.
- (b) Notwithstanding the foregoing, in the event an entire Lot or Sub-Lot cannot be delivered by the Receiver, the amount of the adjustment to the

- applicable Purchase Price shall be equal to the allocation made for this Lot or Sub-Lot by the Offeror as required in paragraph 6 hereof.
- (c) Moreover, notwithstanding the foregoing, the Receiver shall have the right to withdraw any Notice of Acceptance at any time prior to the delivery of the applicable Assets if all or part of the Assets, for any reason whatsoever, cannot be delivered or sold in accordance with these Terms and Conditions. In the event of such withdrawal, the Receiver will refund the Deposit and any other amounts received from the Qualified Offeror on account of the Purchase Price, if any, and the Qualified Offeror will have no further rights or recourse against the Receiver and/or 2Source or its Assets.
- Representation and Warranties. Offers shall be made and accepted on the basis 20. that the Offeror has inspected the Assets described therein and has relied entirely upon its own inspection and investigation of such Assets and title to same, and has agreed that any Offer and any Transaction is on an "as is, where is" basis with respect to the Assets and without any representation, warranty or condition, whether statutory (including under the Sale of Goods Act (Ontario), the International Sale of Goods Contracts Convention Act (Canada) and the International Sale of Goods Act (Ontario) or any international equivalent act which may be applicable to the subject matter pursuant to the provisions of these Terms and Conditions, including the United Nations Convention on Contracts for the International Sale of Goods), express, implied, oral, written, legal, equitable, conventional, collateral or otherwise given by the Receiver as to title, encumbrances, description, fitness for any purpose, merchantability, quality, state, suitability, durability, assignability, marketability, condition (environmental or otherwise), defect (patent or latent), existence, location, value, the validity or enforceability of any rights (including intellectual property rights), any requirement for licences, permits, appraisals, consents for ownership, occupation or use, compliance with any government laws, regulations, bylaws and orders, defects in workmanship and/or materials and/or any item of incomplete construction, the location of structures and any easements, rights-of-way, rights of re-entry, restrictions and/or covenants which run with the land, work orders, orders to comply, deficiency notices, municipal requirements (including building or fire codes) including building and zoning by-laws and regulations, development fees, imposts, lot levies and sewer charges, any order or charge under any environmental legislation or in respect of any other matter or thing whatsoever, and all of which are expressly excluded, except as expressly contained in these Terms and Conditions. For greater certainty, any Transaction will be in respect of the Purchased Assets as the Purchased Assets exist on the Closing Date and no adjustments will be allowed for any change in condition, value, or quality of the Purchased Assets. The descriptions of the Assets and any other information supplied by the Receiver have been prepared solely for the convenience of the Interested Parties, and are not warranted or audited to be complete or accurate as to description, quantity, fitness for purpose, merchantability or otherwise; and do not form part of these Terms and

Conditions. Any Offeror acknowledges that the Receiver is not required to provide any inspection of the Assets or any part thereof and the Offeror shall be deemed, at its own expense, to have relied entirely on its own inspection and investigation. It shall be the Offeror's sole responsibility to obtain, at its own expense, any consents to such transfer of the Assets and any further documents or assurances which are necessary or desirable in the circumstances.

The receipt of an Offer from an Offeror shall be deemed to constitute an irrevocable acknowledgement by the Offeror that the Receiver is not a professional seller.

Possession. Each applicable Purchaser will take possession of the applicable Purchased Assets on an "as is, where is" basis at its own cost, without any liability on the part of the Receiver, at the Closing, the whole subject to Paragraph 22 hereof. If a portion or all of the applicable Purchased Assets are to be removed from the Company's premises located at 5261 Bradco Boulevard, Mississauga, Ontario (the "Premises"), any damages to the Premises during such removal of the Purchased Assets are the responsibility of the Purchaser. In any event, the applicable Purchaser will indemnify the Receiver and hold it harmless against any and all claims in connection with damages to the Premises.

To the extent the applicable Purchaser wishes to maintain the Purchased Assets at the Premises after the Closing Date, the Purchaser shall be responsible for negotiating any lease agreement with the landlord of the Premises and shall be responsible for all lease payments after the Closing Date.

- 22. <u>Title.</u> Title to the applicable Purchased Assets shall not pass to the applicable Purchaser nor shall such Purchaser be entitled to possession of same until Closing, including notably until the Purchase Price and all other payments to be made by the Qualified Offeror have been paid in full.
- 23. Risk of Loss. Prior to Closing, all Assets shall be and remain in the possession of the Receiver. After Closing, the Purchased Assets shall be at the risk of the applicable Purchaser.
- 24. <u>Indemnity.</u> Each Offeror indemnifies and holds the Receiver harmless with respect to:
 - (a) All fees and disbursements of the Offeror, including legal and other professional fees related to the Offeror, any sale and purchase of any of the Assets resulting therefrom, any and all searches, evaluations, consultations or representations which the Offeror may wish to do or have done;
 - (b) All applicable taxes including, any and all mutation taxes, land transfer taxes or other similar charges applicable to the transfer of the applicable Assets; and

(c) All costs and expenses relating to the preparation of the deed of sale, the registration and preparation of authentic copies thereof, as well as all fees related to the preparation or delivery of certificate of location, surveyor's plan and title search.

Each Offeror agrees to assume, at its own cost, complete responsibility for the compliance with all municipal, provincial and federal laws and regulations insofar as same apply to the Assets and the use thereof by the Offeror.

Each Offeror further acknowledges that it has inspected the Assets for the presence of any contaminants, hazardous substances or materials or other environmental issues which may affect in any way the Assets (collectively the "Environmental Issues"), and that it holds the Receiver harmless from and indemnifies it from any liability or any claim (whether accrued, actual, latent or otherwise) including, without limitation, any penalties, fine, debts, suits, judgments, awards, administrative or judicial orders, actions, causes of action, proceedings, obligations, costs, charges, fees and other expenses of whatever kind or nature, relating in any way to the Environmental Issues. Each Offeror acknowledges and agrees that it shall be solely responsible for all expenses, foreseen or unforeseen, relating to any investigation, remediation, restoration, treatment or clean up work concerning the Assets.

With respect to the Assets which may be subject to leases, licenses or other agreements, each Offeror agrees to assume the obligations remaining under such agreements to the complete exoneration and satisfaction of the Offeror or to pay such amount required to the Receiver to enable the Receiver to discharge the remaining obligation under the lease.

25. Default of the Offeror.

- (a) In the event an Offeror fails to comply with any one of its obligations herein, it shall indemnify the Receiver, for any damage incurred by 2Source or its Assets either now or in the future as a result of such default, without prejudice to any other right and recourse of the Receiver and/or 2Source.
- (b) In particular, each Qualified Offeror shall, upon request, reimburse the Receiver for any expenses incurred by the Receiver and/or 2Source following such Qualified Offeror's failure to take possession of the Assets within the prescribed time limit, in addition to the confiscation of the Deposit, as the case may be.
- (c) If following the delivery of a Notice of Acceptance a Qualified Offeror does not complete the Transaction contemplated by the applicable Agreement and/or fails to proceed with Closing (except in circumstances under which it is not obliged to do so hereunder) or breaches in any way these Terms and Conditions including any representation or warranty,

and/or for reasons entirely under the control of the Qualified Offeror, then the Receiver will be entitled to retain the Deposit and any portion of the Purchase Price paid by the Qualified Offeror, and to claim from the Qualified Offeror any and all costs and expenses incurred by the Receiver, including legal costs, for which the Qualified Offeror agrees to indemnify the Receiver, the whole as liquidated damages and not as penalty, without prejudice to any other rights, powers or remedies it may have at law, including for additional damages.

- Assignment of Rights. No Qualified Offeror shall transfer or assign rights under 26. the Agreement to any third party, except with the explicit written consent from the Receiver. In the event that such consent is given by the Receiver, the Qualified Offeror and the designated assignee shall be jointly and severally liable for the obligations of the Qualified Offeror under the Agreement.
- Notice. All communications (including, without limitation, all notices, 27. acceptances, consents and approvals) provided for or permitted hereunder (a "Notice") shall be in writing, sent by personal delivery, courier or sent by facsimile or electronic transmission at:

- APPENDIX 2 -

CONFIDENTIALITY AGREEMENT

BETWEEN:

DELOITTE RESTRUCTURING INC., solely in its capacity as Court-appointed receiver of the assets, undertakings and properties of 2SOURCE MANUFACTURING INC., and not in its personal or corporate capacity

(hereinafter, the "Receiver")

- and -

(hereinafter, the "Recipient")

WHEREAS:

- A. On January 23, 2017, the Ontario Superior Court of Justice (Commercial List) (the "Court") issued an order (the "Receivership Order") appointing Deloitte Restructuring Inc. as the Receiver over all of the assets, undertakings and properties (the "Property") of 2Source Manufacturing Inc. (the "Debtor");
- B. Pursuant to the Receivership Order, the Receiver is empowered and authorized to market any or all of the Property, including advertising and soliciting offers in respect of the Property or any part or parts thereof and negotiating such terms and conditions of sale as the Receiver in its discretion may deem appropriate;
- C. The Receiver has commenced a sale process for the Property, the terms and conditions of which have been or will be provided to the Recipient (the "Request for Offers"); and
- D. The Receiver intends to provide certain Confidential Information (as defined herein) pertaining to the Debtor and the Property to the Recipient for its review and consideration in connection with the Request for Offers and a potential transaction for the all or a portion of the Property (the "Potential Transaction") and the terms and conditions for the treatment of the Confidential Information shall be governed by the terms of this Confidentiality Agreement (the "Agreement").

FOR GOOD AND VALUABLE consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. The Receiver shall furnish to the Recipient certain information pertaining to the Debtor

and the Property that is either non-public, confidential or proprietary in nature, including, but not limited to, property, financial and operating information and an information memorandum. All such information furnished to the Recipient, its directors, officers, employees, partners, affiliates, agents or representatives, including, without limitation, its lawyers, shareholders, accountants, consultants or financial advisors (collectively "Representatives") by the Receiver, and all analyses, compilations, data, studies, derivative works or other documents prepared by the Recipient or its Representatives containing or based upon, in whole or in part, any such furnished information is herein referred to as the "Confidential Information". Confidential Information includes, but is not limited to, information about identifiable individuals ("Personal Information").

- 2. The Confidential Information will be kept strictly confidential by the Recipient and its Representatives and will not, without the prior written consent of the Receiver, be disclosed by the Recipient or any of its Representatives, in any manner whatsoever, in whole or in part, and will not be used by the Recipient or its Representatives, directly or indirectly, for any purpose other than in connection with the Potential Transaction.
- 3. The Confidential Information will not be copied, reproduced in any form or stored in a retrieval system or database by any of the Recipients or their Representatives without the prior written consent of the Receiver.
- 4. The Recipient acknowledges that the Confidential Information is being furnished to the Recipient in accordance with the Request for Offers and no provision of this Agreement shall limit or otherwise affect any of the terms of the Receivership Order or the Request for Offers including, without limitation, the limitations on the Receiver's liability contained therein with respect to marketing and sale of the Property as well as the confidentiality obligations imposed upon the Recipient pursuant thereto. The Recipient acknowledges that the Receiver does not make any express or implied representation or warranty as to the accuracy or completeness of the Confidential Information and agrees that the Receiver shall not have any liability, direct or indirect, to the Recipient or its Representatives relating to or resulting from the Confidential Information or the use by the Recipient thereof, errors therein, or omissions therefrom, except in accordance with any specific representation or warranty made in any definitive agreement entered into in respect of the Potential Transaction. The Recipient acknowledges that it will be conducting its own investigation into the assets and affairs of the Debtor and will not be relying on the information provided by the Receiver in conducting its due diligence in connection with the Potential Transaction.
- 5. The Recipient agrees to furnish the Confidential Information only to those Representatives whose names, titles and relationship to the Recipient are provided to the Receiver in writing, who need to know the Confidential Information for the purpose of evaluating the Potential Transaction and who are informed by the Recipient of the confidential nature of the Confidential Information and who agree in writing to be bound by the terms of this Agreement. The Recipient further agrees to be responsible for any breach of this Agreement by the Recipient or any of its Representatives. The Recipient will make all reasonable, necessary and appropriate efforts to safeguard the Confidential Information from disclosure to anyone other than as permitted hereby.

- 6. Without the prior written consent of the Receiver, the Recipient will not, and will direct its Representatives not to, disclose to any other person that the Confidential Information has been made available, that this Agreement has been entered into, that discussions or negotiations are taking place concerning the Potential Transaction, or any of the terms, conditions or other facts with respect to the Potential Transaction, unless and only to the extent that in the opinion of its counsel disclosure is required to be made under applicable laws or regulations or as required by any competent governmental, judicial or other authority, provided that the Recipient will advise the Receiver in writing so the Receiver may seek a protective order or other appropriate remedy and, where reasonably practical, consult with the Receiver prior to such disclosure concerning the Confidential Information the Recipient proposes to disclose. The Recipient shall co-operate with the Receiver on a reasonable basis to obtain such protective order or other appropriate remedy.
- 7. The Recipient shall keep a record of each location of the Confidential Information and its Representatives to whom the Confidential Information is provided. If the parties determine not to enter into an offer to purchase the Property, or if an offer to purchase the Property is not concluded, the Recipient shall, if requested by the Receiver, promptly (and in any event within two (2) business days) deliver to or shall confirm to the Receiver destruction of all documents furnished or made available to the Recipient or its Representatives constituting the Information, without retaining copies thereof. Without limiting the generality of the foregoing, the Recipient shall not retain for any longer than necessary, and shall destroy or make anonymous, any records pertaining to Personal Information in accordance with applicable law.
- 8. The Recipient shall store the Personal Information properly and securely and ensure that appropriate technical and organizational means are in place to protect the Personal Information against unauthorized or unlawful processing and against accidental loss, destruction or damage, including taking reasonable steps to ensure the compliance of Representatives permitted by the Recipient to have access to the Personal Information.
- 9. Save and except with respect to Personal Information, this Agreement shall be inoperative as to such portions of the Confidential Information which: (a) are or become generally available to the public other than as a result of the disclosure by the Recipient or its Representatives in breach of this Agreement; (b) become available to the Recipient on a non-confidential basis from a source other than the Receiver or its Representatives, provided that such source, so far as the Recipient is aware, is not bound by a confidentiality agreement with the Receiver or otherwise prohibited from transmitting the Confidential Information to the Recipient by a contractual or legal obligation; or (c) were known to the Recipient prior to their disclosure to the Recipient by the Receiver.
- 10. The Recipient's right to receive information hereunder may be terminated by the Receiver at any time upon written notice to the Recipient whereupon the Recipient shall remit and surrender to the Receiver or destroy, without any cost to the Receiver, the Information, which the Recipient or its Representatives may have in their possession at that time.

- 11. The Recipient hereby agrees to indemnify the Receiver against any loss, claim, damage, charge, liability or expense (including legal fees and disbursements) that may be suffered or incurred, whether directly or indirectly, by the Receiver, or its agents and arising from any breach by the Recipient or its Representatives, of its obligations under the terms of this Agreement.
- 12. No failure or delay by either party in exercising any right, power or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise preclude any other or further exercise of any right, power or privilege under this Agreement.
- 13. The Recipient acknowledges that disclosure of the Confidential Information or other breach of this Agreement would cause serious and irreparable damage and harm to the Receiver and that remedies at law would be inadequate to protect against breach of this Agreement, and each agrees in advance to the granting of injunctive relief in favour of the Receiver for any breach of the provisions of this Agreement and to the specific enforcement of the terms of this Agreement, without proof of actual damages, in addition to any other remedy to which the Receiver would be entitled.
- 14. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.
- 15. This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof. This Agreement may not be amended or modified in any respect except by a written instrument signed by all of the parties hereto. There are no representations, warranties, terms, conditions, undertakings or collateral agreements, express, implied or statutory, between the parties other than as expressly set forth in this Agreement. This Agreement may be executed in counterparts and by electronic signatures. Except as otherwise expressly provided herein, all expenses incurred by a party shall be borne by such party.
- 16. In the event that any term or provision of this Agreement is determined by the Court to be invalid or unenforceable for any reason, in whole or in part, the remaining terms and provisions of this Agreement shall be unaffected thereby and shall remain in full force and effect to the fullest extent permitted by applicable law, and such invalid or unenforceable term or provision shall be deemed replaced by a team or provision that is valid and enforceable and that comes closest to expressing the intention of the parties with respect to such invalid or unenforceable term or provision.
- 17. ACQUISITION OPPORTUNITY 2 SOURCE MANUFACTURING INC.

An Aerospace Landing Gear Bushing Manufacturer - Sale of Company Assets under Court Receivership

COMPANY OVERVIEW

2Source Manufacturing Inc. ("2Source" or the "Company") supplied high-precision machined and turned parts for the aerospace, industrial and oil & gas sectors:

- Aerospace: The Company primarily manufactured bushings for commercial aircraft landing gear.
 Its customers included:
 - The major Tier-One landing gear manufacturers that are approved suppliers to Airbus and Boeing as well as some regional and business jet OEMs;
 - Maintenance repair and overhaul ("MRO") service providers of landing gear.

In FY2016, approximately 92.8% of total revenues were derived from aerospace customers; and

 Industrial and Oil & Gas: The Company manufactured undersea-communications related components and measurement-while-drilling related components for the oil & gas industry. In FY2016, approximately 7.2% of total revenues were derived from these customers.

2Source supplied standard bushings (kits or individual parts) to its Tier-One customers. For its MRO customers, it supplied both standard and custom sized bushings as well as oversized blanks that underwent final finishing at MRO shops.

The Company was accredited with a number of certifications including: AS9100 REV.C, ISO 9001:2008 Standard, and numerous supplier-designated quality approval stamps. 2Source's assets are strategically located in Mississauga, Ontario, in close proximity to three major Tier-One landing gear companies, and in the area that is regarded as North America's "Landing Gear Alley".

At December 31, 2016, the Company employed approximately 68 non-union, full-time and part-time employees. The Company was privately owned by its former CEO and a group of minority shareholder members including the Management team.

2Source's business was adversely impacted following the loss of two major Tier-One customers in September 2015 and in December 2016, resulting in its inability to adequately service its working capital and debt obligations. As a result, on January 23, 2017, Deloitte Restructuring Inc. was appointed receiver over the assets, undertakings and properties of 2Source.

The Purchaser will remain liable for all Transfer Taxes, which liability and obligation will survive any formal closing and transfer of title to the Purchaser. To the extent that any Transfer Taxes are required to be paid by or are imposed upon the Receiver in respect of the sale of the Purchased Assets to the Purchaser and in addition to any amount already paid by the Purchaser, the Purchaser will reimburse the Receiver for such Transfer Taxes within five Business Days of payment of such Transfer Taxes by the Receiver. The Purchaser will indemnify and hold the Receiver harmless in respect of any Transfer Taxes, penalties and interest that may be assessed against the Receiver, in its capacity as receiver of the assets, undertakings and properties of 2Source, as a result of the sale of the Purchased Assets to the Purchaser.
