JUDICIAL NOTES:

Conway J. Endorsement

The Receiver's motion for a discharge order is unopposed. It is supported by TD Bank, the secured lender and the stakeholder with the primary economic interest in the debtors' Property. The Receiver has outlined its realization recoveries in its Third Report and explains how they have now been completed.

I am satisfied that the discharge order should be granted. Order to go as signed by me and attached to this endorsement. This order is effective from today's date and is enforceable without the need for entry and filing.
