Endorsement of Cavanagh J.:

The Applicant moves for an extension of the stay period to and including July 4, 2024.

I have reviewed the motion materials including the Eighteenth Report of the Monitor and I am satisfied that the requested extension should be made.

Order to issue in form of Order signed by me today.

The Applicant advises that a case conference with me may be needed to address a proposed change to the protocol for the litigation and to the administration charge. I will accommodate the requested case conference which should be arranged through the Commercial List Office.
