1. TD applies for a receivership over Toolpas. The debtor does not oppose the receivership and has waived its right to a section 244 notice.
2. The amount of the debt is approximately \$18,000,000. TD is a secured creditor. Its security gives it a right to appoint a receiver in the event of default.
3. No one disputes that a default has occurred.
4. In the foregoing circumstances I satisfied that TDs entitled to appoint a receiver. I have attached a signed order to that effect.
