1.3 Obligations Secured.

- (a) The pledges, charges, assignments, hypothecs and security interests granted hereby (the "Security Interest") secure the payment and performance of all debts, liabilities and obligations present or future, direct or indirect, absolute or contingent, matured or unmatured, at any time or from time to time due or

- (b) All expenses, costs and charges incurred by or on behalf of the Security Trustee and the Creditors in connection with this Security Agreement, the Security Interest or the Collateral that the Corporation is obligated to pay pursuant to any Credit Document shall be added to and form a part of the Obligations.

- (b) If the Corporation acquires Collateral consisting of chattel paper, instruments, securities or negotiable documents of title (collectively, "Negotiable Collateral"), the Corporation will, promptly following the request of the Security Trustee, deliver to the Security Trustee the Negotiable Collateral and shall (i) cause the transfer of the Negotiable Collateral to the Security Trustee to be registered wherever, in the opinion of the Security Trustee, such registration may be required or advisable, (ii) duly endorse the same for transfer in blank or as the Security Trustee may direct, and (iii) immediately deliver to the Security Trustee any and all consents or other documents which may be necessary to effect the transfer of the Negotiable Collateral to the Security Trustee or any third party.

1.5 Scope of Security Interest.

- (a) To the extent that the creation of the Security Interest would constitute a breach or permit the acceleration or termination of any agreement, right, licence or permit of the Corporation (each, a "Restricted Asset"), the Security Interest created hereunder will constitute a trust created in favour of the Security Trustee pursuant to which the Corporation shall hold as trustee its interest in all proceeds arising under or in connection with the Restricted Asset in trust for the Security Trustee on the following basis:

- (i) until the Security Interest has become enforceable, the Corporation shall be entitled to receive all such proceeds; and
- (ii) whenever the Security Interest has become enforceable, all rights of the Corporation to receive such proceeds shall cease, the Corporation shall, at the request of the Security Trustee, take all such actions to collect and enforce payment and other rights arising under the Restricted Asset in accordance with the instructions of the Security Trustee and all such proceeds arising under or in connection with the Restricted Asset shall be immediately paid over to the Security Trustee for the benefit of the Creditors.

The Corporation shall not exercise any rights of set-off with respect to amounts payable under or in connection with any Restricted Asset and shall use its best efforts to ensure that no other party to the Restricted Asset shall exercise any rights of set-off against any amounts payable thereunder. The Corporation shall use its commercially reasonable efforts to obtain the consent of each other party to the Restricted Asset to the creation of a security interest in the Restricted Asset in favour of the Security Trustee in accordance with this Security Agreement and shall use its commercially reasonable efforts to ensure that all agreements entered into on and after the date hereof expressly permit the creation of a security interest to the Security Trustee in accordance with the terms of this Security Agreement.

- (b) Until the Security Interest shall have become enforceable, the grant of the Security Interest in the Intellectual Property shall not affect in any way the Corporation's rights to commercially exploit the Intellectual Property, defend it, enforce the Corporation's rights in it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (c) The Security Interest shall not extend to consumer goods.
- (d) The Security Interest shall not extend or apply to the last day of the term of any lease or sublease or any agreement for a lease or sublease now held or hereafter acquired by the Corporation in respect of real property, but the Corporation shall stand possessed of any such last day upon trust to assign and dispose of it as the Security Trustee may direct.

1.6 Grant of Licence to Use Intellectual Property.

For purposes of enabling the Security Trustee to exercise its rights and remedies pursuant to Article 4, after the Security Interest becomes enforceable in accordance with Section 4.1 and for no other purpose, the Corporation grants to the Security Trustee an irrevocable, nonexclusive licence (exercisable without payment of royalty or other compensation to the Corporation) to use, assign or sublicense any of the Intellectual Property wherever the same may be located, including in such licence access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all computer programs used for compilation or print-out.

1.7 Care and Custody of Collateral.

- (a) The Security Trustee shall have no obligation to keep Collateral in its possession identifiable.
- (b) The Security Trustee may, after the Security Interest shall have become enforceable, (i) notify any person obligated on an account or on chattel paper or any obligor on an instrument to make payments to the Security Trustee whether or not the Corporation was previously making collections on such accounts, chattel paper or instruments, and (ii) assume control of any proceeds arising from the Collateral.

ARTICLE 2 – REPRESENTATIONS AND WARRANTIES

2.1 Representations and Warranties.

The Corporation hereby represents and warrants to the Security Trustee and each of the Creditors that:

- (b) **Locations.**

Schedule “B” lists (i) its exact legal name, (ii) the jurisdiction of its incorporation or organization, (iii) the addresses of its chief executive office, (iv) the address of each location of all original invoices, ledgers, chattel paper, instruments and other records or information evidencing or relating to the Collateral and (v) the address of each other place of business and/or of each location at which any equipment or inventory owned by the Corporation is kept or maintained in each instance, except for any new location established in accordance with the provisions of Section 3.1(a). 2.2 Survival of Representations and Warranties.

The representations and warranties in this Security Agreement and in any certificates or documents delivered to the Security Trustee shall not merge in or be prejudiced by and shall survive any advance and shall continue in full force and effect so long as the Facility Agreement, the HY Bond Indenture, the Intercreditor Deed or any other Credit Document to which the Corporation is a party has not been released or discharged in accordance with the terms of the Facility Agreement, the HY Bond Indenture, the Intercreditor Deed or such other Credit Document, as the case may be.

ARTICLE 3 – COVENANTS

from the applicable location thereof listed on Schedule "B", or keep or maintain any Collateral at a location not listed on Schedule "B", unless in each case the Corporation has (x) given ten (10) business days' prior written notice to the Security Trustee of its intention to do so, together with information regarding any such new location and such other information in connection with such proposed action as the Security Trustee may reasonably request, and (y) delivered to the Security Trustee ten (10) business days' prior to any such change or removal such documents, instruments and financing statements as may be reasonably required by the Security Trustee, all in form and substance reasonably satisfactory to the Security Trustee, paid all necessary filing and recording fees and taxes, and taken all other actions reasonably requested by the Security Trustee (including, at the reasonable request of the Security Trustee, delivery of opinions of counsel satisfactory to the Security Trustee to the effect that all such actions have been taken), in order to perfect and maintain the Security Interest in the Collateral provided for herein. Further, the Corporation shall also deliver to the Agent the documents, instruments and financial statements specified in (y) above (including opinions) if the Corporation is permitted to change its name, identity or the nature of its constitution in accordance with the Credit Documents.

(b) Maintenance of Perfected Security Interest; Further Documentation.

The Corporation will co-operate in maintaining the Security Interest created by this Security Agreement as a perfected security interest having at least the priority described in Section 2.1(c) and shall defend such Security Interest against the claims and demands of all persons whomsoever, other than persons holding Liens permitted by the Credit Documents or by law. At any time and from time to time, upon the written request of the Security Trustee, and at the sole expense of the Corporation, the Corporation will promptly and duly execute and deliver, such further instruments and documents and take such further actions as the Security Trustee may reasonably request for the purpose of obtaining or preserving the full benefits of this Security Agreement and of the rights and powers herein granted including, without limitation (i) the filing of any financing or financing change statements under the PPSA (or other similar laws) in effect in any jurisdiction with respect to the Security Interests created hereby and (ii) in the case of Negotiable Collateral, effecting delivery thereof in accordance with Section 1.4(b).

(c) Subsidiaries.

The Corporation will not incorporate or acquire any subsidiaries or commence to carry on its business, otherwise than through the Corporation.

(d) Bank Accounts.

The Corporation shall transfer all cash and monies on deposit in any bank account having deposit function(s) (not subject to a blocked account agreement in favour of the Security Trustee (a "Blocked Account Agreement")), at the end of each day that banks in Canada are open, to an account that is subject to a Blocked Account Agreement. Any breach of this covenant shall be deemed to be an Enforcement Event.

- (c) To the extent permitted by applicable law, except in respect of those resulting from wilful misconduct or gross negligence on the part of the Security Trustee or any Creditor, the Corporation hereby waives all claims, damages and demands it may acquire against the Security Trustee or any Creditor arising out of the exercise by them of any rights hereunder. If any notice of proposed sale or other disposition of Collateral shall be required by law and the law does not prescribe any notice periods, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

- (d) The Security Trustee may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Corporation and with other persons, sureties or securities as it may see fit without prejudice to the Obligations, the liability of the Corporation or the rights of the Security Trustee in respect of the Collateral.

All acts of the attorney are ratified and approved, and the attorney shall not be liable for any act, failure to act or any other matter or thing, except for its own gross negligence or wilful misconduct. The Security Trustee may exercise its rights hereunder (a) prior to the time at which the Security Interest becomes enforceable in accordance with Section 4.1, but only if (i) the Corporation has failed to do anything required by this Security Agreement or any other Credit Document to be done and such failure is continuing 10 business days following the provision of notice thereof to the Corporation by the Security Trustee, and (ii) the Corporation is not disputing the matter in good faith and by appropriate proceedings, or (b) at any time following the time at which the Security Interest becomes enforceable in accordance with Section 4.1.

- (b) Any purchaser of all or any part of the Collateral from the Security Trustee or a receiver or agent (such purchaser which may include the Security Trustee or any Creditor) shall hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Corporation, which it specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which the Corporation has or may have under any rule of law or statute now existing or hereafter adopted.

4.9 Application of Proceeds.

All moneys collected by the Security Trustee or any receiver or agent upon any sale or other disposition of the Collateral pursuant to the terms of this Security Agreement, together with all

other moneys received by the Security Trustee hereunder, subject to applicable laws, shall be applied in accordance with the Intercreditor Deed.

4.10 Corporation Liable for Deficiency.

The Corporation shall remain liable to the Security Trustee and the Creditors for any deficiency after the proceeds of any sale or other disposition of Collateral are received by the Security Trustee.

ARTICLE 5 – GENERAL

5.1 Authorisation to File Financing Statements.

The Corporation hereby irrevocably authorizes the Security Trustee to file, or record financing statements, financing change statements and other filing or recording documents or instruments with respect to the Collateral without the signature of the Corporation, in such form and in such offices as the Security Trustee determines appropriate to perfect the security interests of the Security Trustee under this Security Agreement. The Corporation hereby ratifies and authorizes the filing by the Security Trustee of any financing statement or financing change statement with respect to the Collateral made prior to the date hereof.

5.2 Discharge.

The Security Trustee shall release the Collateral from the Security Interest created hereby, and this Security Agreement and all obligations (other than those expressly stated to survive such termination) of the Corporation hereunder shall terminate, pursuant to and in accordance with the Intercreditor Deed, and all rights to the Collateral shall thereupon revert to the Corporation. At the request and sole expense of the Corporation following any such termination, the Security Trustee shall deliver to the Corporation any Collateral held by the Security Trustee hereunder, and execute and deliver to the Corporation such documents as the Corporation shall reasonably request to evidence such termination.

5.3 Amendment, etc.

No amendment or waiver of any provision of this Security Agreement, nor any consent to any departure by the Corporation from such provision, is effective unless in writing and approved by the Security Trustee. Any amendment, waiver or consent is effective only in the specific instance and for the specific purpose for which it was given.

5.4 Waivers; Cumulative Remedies.

- (a) None of the Security Trustee nor any Creditor shall by any act (except by a written instrument pursuant to Section 5.3), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Senior Default or Senior Event of Default or any event of default which has occurred under the HY Bond Facility. No failure to exercise, nor any delay in exercising, on the part of the Security Trustee or any Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude

any other or further exercise thereof or the exercise of any other right, power or privilege.

- (b) A waiver by the Security Trustee or any Creditor of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Security Trustee or such Creditor would otherwise have on any future occasion.
- (c) The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

5.5 No Merger.
