**MOTION FOR A FIRST EXTENSION OF THE INITIAL ORDER
AND TO ESTABLISH THE PROCEDURES RELATING TO THE
CLAIMS PROCESS AND THE CREDITORS' MEETING**

(Sections 9 to 12 of the *Companies' Creditors Arrangement Act* ("CCAA"))

TO THE HONOURABLE GAËTAN DUMAS, J.S.C., THE PETITIONERS
RESPECTFULLY SUBMIT AS FOLLOWS:

I. **PROCEEDINGS TO DATE**

1. On April 8, 2010, this Court issued an order (the "Initial Order") pursuant to section 11.02 of the CCAA in respect of the Petitioners, AAER Inc., AAER USA Inc. and Wind Smart LLC (collectively, "AAER" or the "Petitioners"), which Initial Order, *inter alia*:
 - (a) declared that AAER is a debtor company to which the CCAA applies;

- (b) ordered an initial stay of proceedings in respect of AAER up to and including May 7, 2010 (the "**Stay Period**");
- (c) authorized the Petitioners to carry on business in a manner consistent with the preservation of their property and to make certain payments in connection with their respective businesses;
- (d) appointed Samson Bélair / Deloitte & Touche Inc. as monitor (the "**Monitor**"); and
- (e) authorized certain measures in order to enhance the prospects of a viable compromise or arrangement between AAER and its creditors, including an interim financing and a investment or purchase offers' solicitation process (the "**Solicitation Process**"); and
- (f) authorized the Petitioners to file with the court a plan or plans of compromise or arrangement between the Petitioners and some or all of their respective creditors (the "**Plan**");

the whole as appears from the Court record.

II. PURPOSE OF THE MOTION

2. AAER hereby requests this honourable Court to:

- (a) extend the Stay Period for a period of 26 days, up to and including June 2, 2010; and
- (b) establish the procedures relating to the claims process and creditors' meeting, as set out in the conclusions hereof.

III. RESTRUCTURING STEPS SINCE THE INITIAL ORDER

- 3. Since the Initial Order, AAER has worked on various fronts, both operational and strategic, in order to arrive at a successful restructuring of the Petitioners' business.
- 4. From an operational perspective, AAER, in collaboration with the Monitor for some of these operational issues, has notably taken the following measures since the date of the Initial Order:
 - (a) communicated and negotiated with major suppliers in order to secure the supply chain necessary to maintain the operations, on a reduced basis, during the restructuring process;
 - (b) reviewed the outstanding contracts of AAER and, pursuant to the Initial Order and the CCAA, resiliated some contracts in order to enhance the prospects of a viable Plan;

- (c) attempted to negotiate a reduction of the rent during the restructuring period given the limited space used by AAER in the premises in Bromont and, following the landlord's refusal to reduce the rent, sent a notice to resiliate the lease;
 - (d) communicated with customers in order to collect outstanding accounts receivable and, particularly, communicated with Massachusetts Municipal Light Department Wind Energy Cooperative Corporation (comprised, in part of Members : Massachusetts Municipal Wholesale Electric Company and Templeton Municipal Light & Water Plant ») (« **Templeton** ») in order to accelerate payments and establish payment schedules with respect to a material account receivable relating to the sale of a wind turbine and tower, and certain ancillary equipment and related start-up services;
 - (e) followed up with the government authorities in order to collect some expected amounts with respect to certain government programs;
 - (f) demanded payment from Finexcorp Inc. for receivables collected by the latter on behalf of AAER in excess of the sums owed by AAER to Finexcorp Inc., prepared a motion to recover such sums, and settled for the recovery of a material amount; and
 - (g) prepared and reviewed the cash flow forecasts.
5. From a strategic perspective, AAER's management, in collaboration with the Monitor, has notably accomplished the following tasks since the date of the Initial Order:
- (a) communicated with Investissement Quebec, AAER's most important creditor, during the first week following the Initial Order in order to keep it updated of the steps envisaged by AAER under the CCAA proceedings;
 - (b) pursued the process in order to complete a transaction with an interested party by taking, *inter alia*, the following steps:
 - (i) prepared and reviewed the information circular and notice of the Solicitation Process ("teaser");
 - (ii) prepared a list of potentially interested parties and, on April 12, 2010, the Monitor sent the "teaser" to approximatively 150 prospective offerors;
 - (iii) completed the confidential information memorandum describing AAER's business, assets, industry and situation;
 - (iv) entered into confidentiality agreements with prospective offerors who expressed a preliminary interest in AAER's business (the number of parties having signed a confidentiality agreement now being at 8); and

- (v) provided the requested information to the prospective offerors which signed confidentiality agreements in order to allow them to conduct their due diligence.
- (c) continued to assess all available options with respect to its Plan.

IV. CURRENT FINANCIAL SITUATION

- 6. AAER experienced an unfavourable variance in terms of receipt (mainly due to the delay in the collection of an expected material account receivable) and a favourable variance in terms of disbursements in comparison with the cash flow forecast filed in support of the motion for the Initial Order.
- 7. AAER, in conjunction with the Monitor, has prepared the revised cash flow forecasts (including the actual figures up to May 1st, 2010) (the “**Cash Flow**”) for the period of April 3, 2010 to June 19, 2010, which will be filed prior to the hearing of the present motion.
- 8. As it will be appearing from the Cash Flow and likely be confirmed by the Monitor’s Report, AAER has sufficient capital to maintain its operations for the requested extension period.

V. EXTENSION

- 9. The Petitioners request an extension of the Stay Period for a period of 26 days, up to and including June 2, 2010, in order to conform to the schedule of paragraph 53 of the Initial Order regarding the Solicitation Process and other restructuring steps.
- 10. More specifically, the requested extension will allow, *inter alia*, the following steps:
 - (a) the completion of the diligence of AAER’s affairs by the parties who sought interest in the Solicitation Process;
 - (b) the receipt and review of investment and/or purchase offers and the clarification of such offers if necessary;
 - (c) the approval of an offer by AAER’s directors;
 - (d) the completion and filing of a plan of arrangement to AAER’s creditors;
 - (e) the filing and review of creditors’ claims pursuant to the claims process order sought herein; and
 - (f) the calling and holding of the creditors’ meeting pursuant to the order sought herein.
- 11. The Petitioners believe that it will be able to follow the schedule of paragraph 53 of the Initial Order regarding the Solicitation Process and other restructuring steps, and

intends to file a Plan by May 19, 2010 and hold its creditors' meeting on June 1, 2010.

12. In the event that during the creditors' meeting the Plan is approved by the requisite majority of each class of creditors, AAER would then apply to this Court on June 2, 2010 in order to have the Plan sanctioned by this Court.
13. In that regard, AAER respectfully requests an extension of the Stay Period for a period of 26 days, up to and including June 2, 2010 as this will allow time to complete the steps mentioned above and ensure stability until a sanction of the Plan by this Court.
14. AAER believes that the requested extension will not cause material prejudice to its creditors.
15. AAER has acted and is acting in good faith and with due diligence.

VI. CLAIMS PROCESS ORDER AND CREDITORS' MEETING

16. AAER respectfully requests that this honourable Court render a procedural order relating to a process for the determination of the claims of creditors (the "**Claims Process**") and the creditors' meeting, the whole according to the terms set out in the conclusions of the present motion.
17. The order sought hereby by AAER is necessary in order to ensure that the process leading to the filing and, as the case may be, the approving by AAER's creditors of the Plan, be clear, efficient, as well as equitable and just for all stakeholders.
18. AAER respectfully requests from this Court that:
 - (a) the Claims Bar Date be set to May 31, 2010;
 - (b) the creditors' meeting date be set to June 1st, 2010; and
 - (c) the Monitor be given the power set out in the conclusions of the present motion with respect to the Claims Process and the creditors' meeting.
19. AAER respectfully requests that this Court reserve the right of the Petitioners and of the Monitor to file, if necessary, a subsequent motion in order to:
 - (a) modify the procedure applicable to the valuation of claims and the holding of the creditors' meeting;
 - (b) expand, modify or clarify the powers and obligations of the Monitor with respect to the above; and/or
 - (c) approve any additional measures useful or necessary to AAER's restructuring.

VII. GENERAL

20. AAER requests that all notices or delays of presentation be abridged.
21. The present motion is well founded in fact and in law.

WHEREFORE MAY IT PLEASE THIS HONOURABLE COURT TO:

AVIS AUX CRÉANCIERS

(procédure relative au dépôt des preuves de réclamation et date limite de dépôt des preuves de réclamation fixée au 31 mai 2010 à 17 h)

Le 8 avril 2010, AAER Inc., AAER USA Inc. et Wind-Smart LLC (collectivement « AAER » ou les « Débitrices ») ont intenté des procédures sous la supervision de la Cour supérieure du Québec et obtenu une protection contre leurs créanciers en vertu de la *Loi sur les arrangements avec les créanciers des compagnies*, L.R.C. 1985, c. C-36, en sa version modifiée (la « LACC »). Samson Béclair/Deloitte & Touche Inc. a été nommée contrôleur dans la procédure sous la supervision du tribunal (le « Contrôleur »).

Le 7 mai 2010, les Débitrices ont obtenu une ordonnance (l'**« Ordonnance relative à la Procédure de réclamations »**) (laquelle est jointe au présent avis) autorisant notamment un processus dans le cadre duquel les créanciers pourront prouver a) une réclamation (« Réclamation », telle que définie à l'Ordonnance relative à la Procédure de réclamations), soit tout droit de toute personne à l'encontre des Débitrices relativement à toute dette, responsabilité ou obligation quelconque due à cette personne, qu'ils soient liquidés, non liquidés, déterminés, éventuels, échus, non échus, contestés, non contestés, légaux, reconnus en equity, garantis, non garantis, présents, futurs, connus ou inconnus, incluant tout intérêt alors couru ou tous frais payables à leur égard au 8 avril 2010, et qu'un tel droit soit ou non exécutoire ou régressif par nature, sous forme de caution, sûreté ou autrement, y compris le droit ou la faculté de toute personne de produire une réclamation au titre d'une contribution ou d'une indemnité ou à quelque autre titre, à l'égard de toute question, action, cause ou chose in action, existant actuellement ou prenant naissance à l'avenir, sur le fondement en totalité ou en partie de faits existant avant le 8 avril 2010, ou toute autre réclamation qui constituerait une réclamation prouvable en matière de faillite si les Débitrices étaient devenue faillies le 8 avril 2010 ou b) une réclamation reliée à la restructuration (une « Réclamation reliée à la restructuration »), telle que définie à l'Ordonnance relative à la Procédure de réclamations),

soit tout droit de toute personne à l'encontre des Débitrices relativement à toute dette, responsabilité ou obligation quelconque due à cette personne et découlant de la restructuration, ou de la répudiation ou résiliation de tout contrat, bail, contrat d'emploi ou de toute autre entente, oral ou écrit, après le 8 avril 2010, incluant tout droit de toute personne qui a reçu un avis de répudiation ou de résiliation des Débitrices entre le 8 avril 2010 et le 31 mai 2010, ainsi que toute réclamation relative à une indemnité de cessation d'emploi ou à des vacances impayées de tout employé même s'il n'est plus à l'emploi des Débitrices et toute réclamation des autorités fiscales découlant, directement ou indirectement, de l'approbation du plan par les créanciers et de son homologation par la cour, incluant toute réclamation pour les taxes sur les produits et services et les taxes de ventes provinciales payables suivant une réduction et/ou règlement de dette des Débitrices.

Toute personne croyant avoir une Réclamation ou une Réclamation reliée à la restructuration contre les Débitrices doit déposer auprès du Contrôleur une preuve de réclamation dans la procédure en vertu de la LACC. Les preuves de réclamation pour les Réclamations et les Réclamations reliées à la restructuration contre les Débitrices doivent être parvenues au Contrôleur dont les coordonnées sont données ci-après au plus tard à 17 h (heure avancée de l'Est) le 31 mai 2010 (la « Date limite de production d'une réclamation »).

On May 7, 2010, the Debtors obtained an order (the “Claim Procedure Order”) (which is attached to this notice) authorizing notably a process for Creditors to prove (a) a claim (“Claim”, as defined in the Claim Procedure Order), that is to say any right of any Person against the Debtors in connection with any indebtedness, liability or obligation of any kind of Debtors owed to such person, whether liquidated or unliquidated, determined or contingent, mature or unmatured, disputed or undisputed, legal or equitable, secured or unsecured, present or future, known or unknown, including any interest accrued thereon or costs payable in respect thereof up to April 8, 2010, whether or not such right is executory or anticipatory in nature, whether a principal debt or a guarantee or a surety, including the right or ability of any Person to advance a claim for contribution or indemnity or otherwise with respect to any matter, action, cause or chose in action, whether existing at present or commenced in the future, which indebtedness, liability or obligation is based in whole or in part on facts existing prior April 8, 2010, or which would have been a claim provable in bankruptcy if the Debtors had become bankrupt or (b) a claim related to the restructuring of the Debtors (“Restructuring Claim”, as defined in the Claim Procedure Order), that is to say right of any Person against the Debtors in connection with any indebtedness, liability or obligation of any kind owed to such Person arising out of the restructuring of the Debtors, resiliation, repudiation or termination of any contract, lease, employment agreement or other agreement, whether written or oral, after April 8, 2010, including any claim of any Person who receives a notice of

AVIS AUX CRÉANCIERS

(Assemblée des créanciers le 1^{er} juin 2010 à Bromont, Québec)

Le 8 avril 2010, AAER Inc., AAER USA Inc. et Wind-Smart LLC (collectivement « AAER » ou les « Débitrices ») ont intenté des procédures sous la supervision de la Cour supérieure du Québec (« Tribunal ») et obtenu une protection contre leurs créanciers en vertu de la *Loi sur les arrangements avec les créanciers des compagnies*, L.R.C. 1985, c. C-36, en sa version modifiée (la « LACC »). Samson Béclair/Deloitte & Touche Inc. a été nommée contrôleur dans la procédure sous la supervision du Tribunal (le « Contrôleur »).

À la demande des Débitrices, le Tribunal a rendu le 7 mai 2010 une ordonnance approuvant la procédure de réclamation (l'*« Ordonnance relative à la Procédure de réclamation »*) et prorogeant la période de suspension des procédures jusqu'au 2 juin 2010.

Conformément à l'*Ordonnance relative à la Procédure de réclamation*, une assemblée générale des créanciers se tiendra à l'hôtel Château Bromont, situé au 90, rue Stanstead, Bromont, Québec, J2L 1K6, le 1^{er} juin 2010, à 14 h, dans le but de considérer le rapport du Contrôleur concernant le Plan proposé et de procéder au vote sur le Plan proposé.

Les créanciers ayant droit de voter à l'assemblée peuvent, au moyen d'une résolution, accepter le Plan proposé, tel qu'il est formulé ou tel qu'il est modifié à l'assemblée. Si le Plan est ainsi accepté et s'il est approuvé par le Tribunal, il deviendra obligatoire pour tous les créanciers.

Vous trouverez donc ci-joint une copie du Plan proposé, un exemplaire du Rapport du Contrôleur concernant le Plan proposé, un formulaire de votation ainsi qu'une procuration.

.../2

Les procurations et les formulaires de votation dont l'usage est projeté à l'assemblée doivent être au préalable déposés au plus tard entre les mains du Contrôleur une (1) heure avant le début de l'assemblée. Ces documents doivent être transmis par courriel, télécopieur, la poste, courrier recommandé, messagerie ou en personne à l'adresse indiquée ci-après.

Veuillez noter que votre vote ne sera valide que si vous avez déjà déposé auprès du Contrôleur une preuve de réclamation en bonne et due forme au plus tard le 31 mai 2010 à 17 h 00 (la « *Date limite de production d'une réclamation* »). Vous pourrez vous procurer le *Formulaire de preuve de réclamation* ainsi que la *Feuille de renseignements relative à la preuve de réclamation*, lesquels ont fait l'objet d'un envoi antérieur, sur le site Web du Contrôleur à l'adresse <http://www.deloitte.com/ca/aaer-fr>.
