# 1.0 Background

On June 28, 2005, pursuant to an application made by the Manitoba Securities Commission (“MSC”) under Section 27 of The Securities Act, the Court of Queen’s Bench (the “Court”) made an Order appointing Deloitte Restructuring Inc. (formerly Deloitte & Touche Inc., hereafter referred to as “Deloitte” or the “Receiver”) as Receiver and Manager of the Crocus Investment Fund (“Crocus” or the “Fund”). The Receiving Order appointed Deloitte as Receiver over all of Crocus’ current and future assets, undertakings and properties and granted the Receiver powers to carry out its duties as outlined in the Order.

The purpose of this Report is to report on the activities of the Receiver as well as to provide an update on the financial position of the Fund. The Report will cover the Receiver’s operations and activities since the March 31, 2014 Quarterly Report.

## 2.0 Activities of the Receiver

The following summarizes the major activities of the Receiver since March 31, 2014:

- Preparing the March 31, 2014 and June 30, 2014 Quarterly Reports.
- Administering the interim distributions of funds as outlined in the Court Orders of September 4, 2009 and December 12, 2011.
- Corresponding with numerous shareholders, brokers, dealers and intermediaries regarding the distributions and status of the Fund.
- Supervising and directing agents retained by the Receiver.
- Ongoing monitoring of the remaining investee companies and discussions with various stakeholders of the investees with respect to possible courses of action regarding Crocus' investment in the investees.
- Fulfilling the duties of Crocus as General Partner of the Manitoba Science & Technology Fund ("MS&T").
- Corresponding with Crocus' landlord and sub-tenants regarding ongoing tenancy and sub-tenancy issues, including matters related to building operating costs.
- Corresponding with the Receiver's counsel regarding the litigation with the landlord.
- Corresponding with the Receiver's counsel regarding the litigation with one of the investees.

## 3.0 Operations

The ongoing activities related to Crocus consist of investment monitoring, financial reporting, shareholder services and tax reporting. The Receiver no longer employs any former employees of Crocus but has sub-contracted certain information technology and back office services.

The Receiver continues to occupy a portion of the Crocus premises at 211 Bannatyne Avenue in Winnipeg (the “Leased Property”). The majority of the balance of the space which Crocus leased has been sublet.

## 4.0 Financial position

Financial information for Crocus has been prepared by the Receiver for the second fiscal quarter ended June 30, 2014, and is attached as Appendix 1.

The following summarizes the financial position of the Fund:

- Investments in cash and cash equivalents (Guaranteed Investment Certificates and Government Bonds) of approximately \$10.4 million. This excludes funds held in trust for shareholders relating to prior distributions, Court ordered holdbacks, or other settlements.
- Accounts receivable of approximately \$0.3 million. The majority of the balance consists of the balance due from the sale of one (1) portfolio investment. In addition, the balance includes accrued interest on marketable securities and portfolio investments.
- Net carrying value of the remaining Crocus portfolio of investees of approximately \$6.1 million. The portfolio valuation is primarily carried at the June 28, 2005 value which was derived from the external valuations completed after Crocus ceased trading in December 2004.

# 5.0 Portfolio

## 5.1 Background

As at June 28, 2005, there were 46 individual investee companies in the Crocus portfolio with a gross carrying value of approximately \$64.1 million.

Cumulatively to June 30, 2014, 40 of the 46 investments within the Crocus portfolio have been realized upon or are considered closed.

In summary, since its appointment, the Receiver has realized proceeds of approximately \$59.9 million for investments with a June 28, 2005 book value of approximately \$58.0 million, representing a recovery of approximately 103%. Crocus' carrying value for these investments, when it ceased trading in December 2004, was approximately \$92.0 million, which would represent a recovery of approximately 65%. In addition, since its appointment, the Receiver has eliminated exposure on approximately \$2.3 million in guarantees that had been reserved by Crocus.

## 5.2 Status

The status of the remaining investments is as follows:

### Novra Technologies Inc. ("Novra")

- Novra is an investment held by the Fund representing both equity and debt obligations due to Crocus. The Receiver and the investee have entered into a long term agreement for the repayment of the indebtedness.

### Manitoba Science & Technology Fund, Diamedica Inc., Genesys Ventures Inc., and ST Partnership

- Crocus is an investor in MS&T which is a limited partnership holding several science and technology investments. Crocus is the sole owner of the General Partner and the limited partners gave the General Partner a mandate to wind down the partnership. Crocus and MS&T's holdings include Diamedica Inc., Genesys Ventures Inc. and ST Partnership. There are numerous interrelationships amongst these entities. In some cases, the ability to negotiate divestitures of MS&T's science and technology investments is limited

given that certain of the companies are publicly traded with limited market liquidity. As a result, the timing of a complete disposition is unknown.

Canad Corporation Ltd. (“Canad”)

- On June 19, 2014, the Receiver caused Crocus to commence proceedings against Leon Norman Ledohowski (“Leo”), LRC Holding Corporation Inc., and Canad Corporation Ltd. (“Canad”) as Respondents in a Court of Queen’s Bench filing. In its Notice of Application, Crocus sought various forms of relief including declarations that Leo had exercised his powers as a director of Canad, and that Canad had conducted its business and affairs in a manner that was oppressive of, or unfairly prejudicial to, or which unfairly disregarded, the interests of Crocus as a shareholder of Canad. The Notice of Application also sought an Order that Canad be liquidated and dissolved and that the proceeds from such liquidation be distributed to the shareholders of Canad. The Notice of Application was supported by an Affidavit sworn by the undersigned, in his capacity as Senior Vice-President of the Receiver. The Notice of Application is presently scheduled for hearing by the presiding Motions Court Judge on Wednesday, September 3, 2014. No affidavit evidence has yet been filed on behalf of the Respondents.

## 6.0 Commitments and contingencies

The primary remaining obligation of the Fund is for the lease on the Leased Property which terminates on September 30, 2016. The agent for the landlord had previously notified the Receiver of a claim for past building operating costs of approximately \$0.2 million. The Receiver had several meetings with the agent regarding the quantification and potential settlement of the claim. No resolution was reached and on October 23, 2013, the agent for the landlord issued a statement of claim against Crocus and the Receiver for approximately \$0.1 million. The Receiver has filed a statement of defence and plead that as at October 31, 2013 it has overpaid building operating costs by approximately \$42,000. An examination for discovery took place on March 20, 2014.

There remains one known contingency for an indemnity provided by Crocus to an investee company.

## 7.0 Share value

The estimated net asset value of the Class A and Class I shares (the “Share Value”) as at June 30, 2014 was \$1.26 per share, as detailed in Appendix 1. As noted in previous reports, the Receiver emphasizes that the Share Value is an accounting book value partially based on the June 28, 2005 carrying value of the investment portfolio.

Future events will determine the ultimate realizable value of the portfolio. Such matters may have a material effect on the Share Value which is ultimately available for distribution to Crocus shareholders. The future events identified to date include:

- Possible further increases/reductions in the value of the portfolio as a result of ongoing investee performance;
- The length of time taken to realize on the portfolio;
- Professional costs incurred by the Receiver and its counsel as a result of current and future negotiations and litigation;
- Any provision for the difference between the head lease cost and sublease revenue for the Leased Property;
- Any additional guarantees or indemnities granted by Crocus which have not yet been identified; and/or
- All other costs of monitoring the portfolio and realizing on the assets.

The Receiver will continue to provide updates on the Share Value in future Quarterly Reports.

## 8.0 Class Action

Approximately two weeks following the appointment of the Receiver, a Class Action statement of claim (the “Class Action”) was issued against Crocus, Crocus Capital Inc. and 21 other defendants. The claim sought \$150 million in damages from the defendants for negligence and oppression, as well as punitive and exemplary damages. A second class action was subsequently filed against the Government of Manitoba (collectively referred to as the “Class Actions”). Certain of the defendants, namely certain former directors and officers of Crocus, Wellington West Inc., and BMO Nesbitt Burns Inc., claimed written or statutory indemnities from Crocus for any amounts which they might have been obliged to pay to the class action plaintiffs.

The parties in the Class Actions subsequently entered into various settlement agreements, the last of which was approved by Mr. Justice K. Hanssen on April 22, 2009.

As part of the settlements, the directors and officers assigned any claim for contribution and indemnity that they may have had to the Class Action plaintiff. Pursuant to this assignment, on June 25, 2010, the Class Action plaintiff filed a statement of claim against Fillmore Riley LLP (“Fillmore”) and Stafford F. Swain & Associates (“Stafford”). Fillmore had acted as counsel to the Fund and Stafford had provided valuation services. The claim was a representative action on behalf of the shareholder class and claimed damages of up to \$5.0 million, plus interest.

A settlement was reached and approved between the Class Action plaintiff and Stafford on November 15, 2011. The Receiver has received the settlement funds in the approximate amount of \$147,000.

Fillmore opposed and sought to have the claim against them struck. Fillmore’s motion was heard by the Court of Appeal and the claim by the Class Action plaintiff was upheld. The Class Action plaintiff had filed a motion to compel Fillmore to produce an affidavit of documents and to determine whether certain documents in Fillmore’s possession, including its solicitors’ file, are privileged. Subsequently, the Class Action plaintiff advised that a settlement with Fillmore has been reached in the approximate amount of \$35,000.

One of the previous settlement agreements was with PriceWaterhouseCoopers LLP (“PwC”), the Fund’s former auditors. As part of the settlement agreement, the Class Action plaintiff was required to hold \$0.5 million (the “Holdback Amount”) in trust to compensate or reimburse PwC for reasonable fees, disbursements or other expenses or charges that PwC may incur subsequent to the settlement agreement as a result of the claim assigned to the Class Action plaintiff against Fillmore or any related proceeding, or its involvement in a proceeding commenced by the Receiver against any Crocus investee. Pursuant to the settlement agreement, the Class Action plaintiff was to apply to Court following the conclusion of the Class Actions for an order releasing the Holdback Amount to be paid to the Receiver. Counsel for the Class Action plaintiff has since asked the Receiver to apply to Court for release of the Holdback Amount in its place. The Receiver is attempting to have the application heard in the fall of 2014. Should the Receiver be successful in having the Holdback Amount released, the Class Actions would be finalized.

# 9.0 Interim distributions

## 9.1 First interim distribution

On September 4, 2009, the Court issued an Order authorizing a rateable interim distribution of approximately \$54.7 million to the Class A and Class I shareholders. Concurrent with the distribution, the Receiver also began distributing the net proceeds of the Class Actions settlements. Class A and Class I shareholders received \$3.83 per share from the approved distribution plus their portion of the Class Actions settlement.

As at June 30, 2014, the Receiver had paid out approximately \$52.8 million, or approximately 97%, of the first interim distribution, however, there remains approximately \$1.9 million in unclaimed distributions which includes approximately \$0.2 million in unclaimed Class Action settlements.

## 9.2 Second interim distribution

On December 12, 2011, the Court issued an Order authorizing a second interim distribution of approximately \$9.0 million to the Class A and Class I shareholders.

Mailings for the distribution took place in January 2012. As at June 30, 2014, the Receiver had paid out approximately \$8.1 million, or 90%, of the second interim distribution, however, there remains approximately \$0.9 million in unclaimed distributions.

## 9.3 Future distribution

The Receiver is of the view that there are adequate surplus funds for a third interim distribution and that it would be most cost effective to distribute funds in conjunction with securing the remaining Class Action proceeds as previously discussed. Any future distribution would require approval of the Court, and the Receiver is hopeful that a third interim distribution would be commenced by December 2014. Further information will be provided in the next Quarterly Report.

# 10.0 Shareholder communication

The Receiver has continued to post Court Orders, Receiver's Reports, Quarterly Reports, media statements and shareholder letters on its website at [www.deloitte.com/ca/crocusfund](http://www.deloitte.com/ca/crocusfund).

# 11.0 General

A Statement of Receipts and Disbursements for the period from June 28, 2005 to June 30, 2014 is attached as Appendix 2.

The Receiver will continue to keep the Court apprised of ongoing developments with the next Quarterly Report to be filed in mid-October 2014.

Respectfully submitted this 21st day of July, 2014.
