a) In this, as of June 30, 2010, total amount of the payment obligations as of such date amounted to **MX\$15,075,932,000.00** (FIFTEEN THOUSAND SEVENTY FIVE MILLION NINE HUNDRED THIRTY-TWO THOUSAND PESOS 00/100 MEXICAN CURRENCY) of which several loans are due in a total amount of **MX\$6,352,880,000.00** (SIX THOUSAND THREE HUNDRED FIFTY TWO MILLION EIGHT HUNDRED EIGHTY THOUSAND PESOS 00/100 MEXICAN CURRENCY) representing 42.1% of the payment obligations of **COMPANIA MEXICANA DE AVIACION, S.A. DE C.V.**, as of such date, and such percentage has been increased as of the date when this request was submitted as to be evidenced in the corresponding visit, satisfying in excess that referred to in Fraction I of Article 10 of the Law of "Concursos Mercantiles".

b) Likewise, according to the internal financial statements on June 30, 2010, of my principal, it is evidenced that the total amount of the current assets my principal has as of such date amounts to **MX\$3,303,911,000.00** (THREE THOUSAND THREE HUNDRED THREE MILLION NINE HUNDRED ELEVEN THOUSAND PESOS 00/100 MEXICAN CURRENCY) an amount which is not sufficient to face the obligations due at short term in an amount of **MX\$3,814,783,000.00** (THREE THOUSAND EIGHT HUNDRED FOURTEEN MILLION SEVEN HUNDRED EIGHTY-THREE THOUSAND PESOS 00/100 MEXICAN CURRENCY) because from the total of the current assets only **MX\$2,061,923,000.00** (TWO THOUSAND SIXTY ONE MILLION NINE HUNDRED TWENTY-THREE THOUSAND PESOS 00/100 MEXICAN CURRENCY) constituted the current assets available under the terms of paragraphs a), b), c), and d) of Article 10 of the subject matter to face the obligations due, in such a way that we have no possibility to face at least 80% of its due obligations. In other words, percentage of the current assets available to face obligations due is 54.1%. Even more, assets available to face the obligations due has also decreased as of the date of the submittal of this request to face the obligations due which has increased during the last period, satisfying in excess the legal requirements referred to in Fraction II of the invoked legal argument.

5.- As evidenced of the satisfaction of the requirements set forth in the prior paragraph, I attached to this document the internal financial statements as of June 30, 2010, which constitutes sufficient evidence to admit the complaint of "Concurso Mercantil", in reserve that the elements necessary for its declaration are updated and verified by the Visitor.

(...)

6.- In conclusion, as of this day the obligations the amounts of which have been previously stated against **COMPANIA MEXICANA DE AVIACION, S.A. DE C.V.**, they have been due for more than 30 days and represent more than 35% of the payment obligations entrusted thereto, as well as the lack of

possibility of covering with the assets available 80% (eighty percent) of the obligations due, which is observed in the balance sheet as of the end of June, until the day when this complaint is submitted even, the assumptions referred to in Fractions I and II of Article 10 of the Law of "Concursos Mercantiles" are updated, therefore in accordance with the provisions set forth in such ordinance they are sufficient legal causes to decree the "Concurso Mercantil" of **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, in order to look for a solution with all the creditors within the conciliation period.

### III.- CAUSES GENERATING THE NONCOMPLIANCE SITUATION

Under the terms of fraction II of article 20 as regards fraction IV of article 22 of the Law of "Concursos Mercantiles", the facts comprising the economic and financial genesis of the proceeding request are stated in the reasoned document which I attaché hereto as **exhibit 23**), and which can be summarized as follows:

1.- **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, is a Sociedad Anónima de Capital Variable (Stock Company of Variable Capital) incorporated in accordance with the Mexican laws, which is essentially engaged in rendering public air transportation services for passengers, correspondence, luggage, goods, package delivery service and courier service, as well as storage and custody thereof, and other transportation means related to air transportation and in general exploitation of all economic and scientific applications of civil aviation. It has successfully developed, since its incorporation, its corporation purpose, a situation which is known by the public and allows affirming it is a company with a long and relevant path, leader in the aviation sector, both in Mexico and abroad.

2.- **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** has conducted businesses on a normal basis since its incorporation until this date, attaining its corporate purpose by carrying out all the business activities allowable thereto, doing a very significant effort to honor its commitments, however, several external and internal factors, unrelated to the management of the company have influenced so that my principal is currently in a general noncompliance with its obligations, which has caused my principal to be under the need of looking for the benefit of a "Concurso Mercantil" in order to try to reach an agreement with the creditors, for its own benefit and for the benefits of the latter, whereby its financial rehabilitation is allowed, since it had its finances been seriously affected by such factors which I list below:

a) **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** has been having a disproportional salary cost since a long time ago, due to the fact that salaries, wages and benefits of its pilots and flight attendants are above those of the market, a fact which makes this situation not only unsustainable, but that if no solution is found to this salary burden, the company shall become completely unsustainable.

b) Increase to the jet fuel prices, which have been the highest since 2007, as of this date, have represented a very significant disbursement in the finance

of my principal, as much that in July and August 2008, they reached the 44\$ of total disbursements of the company.

c) Aviation industry was seriously damaged with the outbreak of influenza AH1N1 which appears late in April 2009 and spread until October of such year, seriously affecting this sector before the dramatic drop of the markets and demand thereof due to recommendations and notices made by foreign governments to their compatriots of not traveling to touristic destinations in Mexico or to Mexican cities.

d) Likewise, the aviation sector was seriously damaged due to the world crisis which started with the drop of the real estate market in 2007 and which continued with the world economic crisis in October 2008. This crisis has not finished yet for the commercial aviation since we can still watch the recovery in markets and the demand in air transportation has not recovered yet.

e) Due to the authorization granted by the Federal Government to four new "low price" air companies to start operations in the domestic market, the aviation market generated a war of prices in the rates that forced all participants to reduce them to continue participating in their markets, seriously affecting the company.

f) The Tourism sector has also been seriously affected since 2007 until these days, not only due to causes inherent to the world recession and its effects in Mexico, but also for the insecurity our country is currently facing due to the amount of felonies derived from the government plan to end with the illegal organized crime existing in the country and which is necessary to do.

g) World recession has caused that the purchasing power of the population be decreased and items which have been more affected are those unrelated to basic needs, such as the tourism sector, which as has already said, plays an essential role in the aviation industry. Data provided by the Ministry of Tourism as of February 15, 2010 indicate that earnings of Mexico from foreign tourism dropped 15.1%. During 2009, our country obtained two million dollars less than during the prior year. All the foregoing has significantly impacted the drop of the income in the public air transportation sector.

h) It is an obvious fact not requiring of any evidence, that as a response to the insecurity which Mexico is currently facing, due to violent amounts of organized crimes, most of the countries have issued alerts and recommendations to their citizens so that they abstain from traveling to Mexico.

i) Due to the world recession, financial markets were closed and there was no credit availability to obtain new financing, reason why my principal could not obtain more resources to satisfy its capital requirements.

j) Excessive financial charges my principal has paid to financial institutions of the country, have become a serious disbursement in the finance

of the company which has also prevented it from having a financial rehabilitation.

3.- According to background mentioned above, **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** has reported a significant drop in its income in the recent years, as well as an increase in its expenses and operation costs, a situation which has generated a liquidity crisis, before which it has been necessary to implement emergency measures and obtain the support of financial and commercial agents and from several providers to commonly face current crisis. During the last years, **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** has used several sources of financing, both internal and external in order to continue its business activities.

4.- Notwithstanding all the efforts done by **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** in order to restructure its debts and fully comply with its payment obligations, as of this day, the company is still facing rough moments due to the internal and external factors which have been stated throughout this instrument, which are not related to the management of the company.

5.- All the foregoing has taken the company to be in serious risk of having to cease operations and cease rendering the air public transportation service, as many of the creditors who have stopped receiving payments are agents essential for operation of the company, such as service and material providers, aircraft lessors, among others, without the intervention and cooperation of which is impossible to continue with the operation of the business, due to the fact that it is them who have the rights on the aircrafts, at any time they could take them away from us and cancel the registration marks, without which aircrafts can not be used.

6.- Due to the foregoing, it must be stated that the concession of the "concurso mercantil" to my principal and its proceeding stage shall allow having the public interest to keep the company and prevent that the general noncompliance with its payment obligations jeopardizes the feasibility thereof and of all other with whom it has business relations, thus preventing disastrous consequences of a bankruptcy or a customized attachment of its goods en detriment of all the creditors, taking advantage of the priority of payments on the date when their credits become due, who shall receive payment of their credits under better conditions and more convenient proportions, since otherwise, the non-concession of the "concurso mercantil" shall result in ceasing operations of the company and the closing thereof, thus causing the dismissal of approximately 7200 employees (direct employments) in addition to the disappearance of the indirect sources of work generated by the company.

**IV.- AGREEMENTS EXECUTED BY MY PRINCIPAL WHICH SHALL BE REASON TO SUSPEND THEIR EXECUTION AS THEY CAUSE THE PAYMENT OF THEIR CREDITS OUTSIDE THE PROCEEDING**

My principal, **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, executed several operations and agreements in order to restructure the difficult

financial situation it has faced in the last years, which are detailed hereinbelow:

3.- It is essential to state that on the same date when the "ORIGINAL INBURSA CREDIT" was executed, the IRREVOCABLE TRUST AGREEMENT FOR ADMINISTRATION AND PAYMENT SOURCE number 165085 was executed, hereinafter the "ORIGINAL TRUST", in order to guarantee the payment of the credit, which was amended through several agreements dated March 25, 2003; March 26 and September 30, 2004; and August 31, 2006.

4.- In the agreement dated April 17, 2008, entered into by and between **BANORTE** and **GAMMA SERVICIOS DE NEGOCIOS, S.A. DE C.V.** as creditor, and **COMPAÑIA MEXICANA DE AVIACION, S.A. 5.- By virtue of the foregoing, the "ORIGINAL TRUST" was amended again by means of the agreements dated April 18, 2008, and then last November 20, 2009.

6.- In virtue of the foregoing, the "ORIGINAL TRUST" finally was comprised as follows:

a) Property of the "BANCOMEXT TRUST" was transferred and affected with the "COLLECTION RIGHTS" which correspond to all the amounts that **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V., AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click), MEXICANA INTER, S.A. DE C.V., (Mexicana Link)** receive for the sales made by the travel agencies in Mexico which have been paid in cash, amounts which are used as source to pay the credit.

It is worth mentioning that the amounts generated for the sales stated above, are reported by the travel agents to **International Air Transport Association (IATA)**, who acts as intermediary among them and **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, for purposes of receiving payments in favor of the company, by virtue of the business commission agreement executed by the parties on August 15, 2008.

It has to be stated that in order to make easier to the airlines members of "IATA", collection of the payment in cash received by the travel agencies in Mexico for the sales of the air transportation services provided by such airlines and compensations to be made among each other, "IATA" has developed a payment and compensation system known as the BSP (México), by virtue of which the Bank chosen by "IATA" as the Principal Bank receives all the amounts corresponding to the sales in cash that the travel agencies in Mexico make for the air transportation services provided by airlines and once Principal Bank processes the corresponding information and makes the compensations applicable among the airlines, such Principal Bank shall deliver each airline the amount in cash corresponding to each of them.

By virtue of the foregoing, "IATA", as shareholder of the airlines, executed with Banco de Londres y México, S.A., currently **SANTANDER**, the MASTER AGREEMENT, according to which, among other things, "IATA" in name of the airlines participating in Plan BSP, designated such Bank as Principal of BSP (Program of Payments and Compensations).

Under the terms of the MASTER AGREEMENT stated above, **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** is entitled to have the Principal Bank (SANTANDER) delivering in the account that **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** keeps with SANTANDER, on the days established in each year according to the resolution issued by IATA to such purpose, all the amounts corresponding thereto for the sales of the air transportation services provided, made by the travel agencies and which have been paid in cash, once the corresponding compensations are made and the commissions to the travel agencies and the Principal Bank itself paid.

Likewise, it is worth mentioning that by virtue of the fact that **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click), MEXICANA INTER, S.A. DE C.V., (Mexicana Link)** are not part of the "BSP" plan, they executed the corresponding interlinear (Pro-rate) billing agreements with **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, according to which, as long as they are not able of preparing invoices and liquidations with the agencies via "IATA" **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**

shall act as administrator to receive such payments, make the corresponding compensations and deliver, by wire transfers, the amounts corresponding thereto.

Likewise, in accordance with several shared code agreements executed between **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click)**, **MEXICANA INTER, S.A. DE C.V., (Mexicana Link)** and **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, the parties agreed, among other things, that **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.** would act as the trader of all their routes, on such capacity and also based on the provisions set forth in the agreement referred to in the immediately preceding paragraph, as well as to perform the billing of all the tickets that travel agencies sell for air transportation services of **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click)**, **MEXICANA INTER, S.A. DE C.V., (Mexicana Link)**, therefore, payments in cash made for such tickets are delivered by the travel agencies and processed through the "BSP" system in favor of **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, who receives from the Principal Bank (SANTANDER) the corresponding amounts so that the amounts corresponding to each company are delivered later.

In addition to the foregoing, it is extremely relevant to state that **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click)**, **MEXICANA INTER, S.A. DE C.V., (Mexicana Link)** also granted their consent to assign to the property of the "BANCOMEXT TRUST" its **COLLECTION RIGHTS**.

b) By virtue of the foregoing and in order to comply with that agreed upon by the parties in the TRUST and in BANCOMEXT CREDIT, "IATA" was requested and notified to give instruction to the "PRINCIPAL BANK" (SANTANDER) to transfer and assign in favor of "NAFIN TRUSTEE" the amounts derived from the **COLLECTION RIGHTS** belonging to **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click)**, and **MEXICANA INTER, S.A. DE C.V., (Mexicana Link)**.

By virtue thereof, "NAFIN TRUSTEE", in order to administer all the amounts that may become part of the property under trust, opened several sub-accounts within the trust property for identification thereof, which are denominated as follows:

**Income account "A":** All withdrawal from the "BANCOMEXT CREDIT" made by "NAFIN TRUSTEE" shall be recorded, which at such time were delivered to **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**

**Income account "B":** All amounts that PRINCIPAL BANK (SANTANDER) must deliver to "NAFIN TRUSTEE" as assignee of **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, **AEROVIAS CARIBE, S.A. DE C.V., (Mexicana Click)**, and **MEXICANA INTER, S.A. DE C.V., (Mexicana Link)** regarding the "COLLECTION RIGHTS" shall be recorded.

**"Payment" account:** All the amounts to be credited for payment of "BANCOMEXT CREDIT" shall be recorded.

(iii) the "NAFIN TRUSTEE" has not received from BANCOMEXT an "Early Maturity Notice" (iv) if regarding the payment date, the payment has been made, and (v) no amount is owed to "NAFIN TRUSTEE", until such time, any remaining amount in the Income account "B" shall be delivered to **COMPAÑIA MEXICANA DE AVIACION, S.A. DE C.V.**, nor as Settlor, nor as Beneficiary B, until BANCOMEXT has the "Early Maturity Notice" in question without any effect or, if applicable, all the amounts payable to BANCOMEXT according to the "BANCOMEXT CREDIT AGREEMENT" are paid, including, without limitation, the principal, interests and accessories of the "BANCOMEX CREDIT".
