PETITIONERS

AFFIDAVIT

I, **GEORGE TIMOTHY HEWISON**, of 510 - 6th Street South, Cranbrook, British
Columbia, MAKE OATH AND SAY AS FOLLOWS:

1. I am the sole personal representative and beneficiary of the Estate of Ross Hale Stanfield and current manager of the Petitioners and as such have personal knowledge of the facts

and matters hereinafter deposed to save and except where the same are stated to be made upon information and belief and where so stated I verily believe them to be true.

2. I am authorized by the Petitioners to make this Affidavit which I make in support of a Claims Process Order being granted pursuant to the *Companies' Creditors Arrangement Act* ("CCAA").
3. Now produced and shown to me and attached as Exhibit "A" is a copy of a document entitled Creditor List (the "**Creditor List**"). The Creditor List is broken into two parts:
 - (a) Shareholder Claims; and
 - (b) Trade Claims.
4. The Shareholder Claims section of the Creditor List sets out the name of each shareholder together with the corresponding company, class and number of shares issued to all shareholders by each of the Petitioners' companies as at May 26, 2011. This Shareholder Claims section is a comprehensive list, including all shares held in the Petitioners' companies, both common or preferred and voting or non-voting, regardless of whether or not these shares have matured or were extended via agreements some shareholders entered to extend the date of redemption for the shares.
5. The Shareholder Claims section has been prepared by the Petitioners and I believe it to be accurate.
6. The Trade Claims section of the Creditor List was initially prepared by the Monitor (for posting on the Monitor's website) using information the Petitioners provided to the Monitor, but it has been updated recently with new information coming to the attention of the Petitioner. I believe the Trade Claims section to be an accurate list of all claims against the Petitioners other than the claims of the shareholders noted in the Shareholder Claims section, any claims arising post May 26, 2011, or under charges made in the CCAA Proceedings such as the DIP and Administrative Charges.

7. The Petitioners wish is to be able to set in motion a Claims Process whereby the current claims against the Petitioners can be confirmed in advance of bringing forward a restructuring plan and in advance of the completion of the NI 43-101 Report. The Petitioners are of the view that confirming their shareholdings as at May 26, 2011 is a particularly important piece to preparing a restructuring plan.

SWORN BEFORE ME at Fernie, British Columbia, on the 10 day of August, 2011.
