JUDICIAL DISTRICT OF EDMONTON

IN THE MATTER OF THE
BANKRUPTCY AND INSOLVENCY ACT,
R.S.C.1985, c. B-3, AS AMENDED

AND THE
COMPANIES' CREDITORS ARRANGEMENT ACT,
R.S.C. 1985, c. C-36, AS AMENDED

AND IN THE MATTER OF A PLAN OF COMPROMISE OR
ARRANGEMENT OF COW HARBOUR CONSTRUCTION LTD.

AFFIDAVIT IN SUPPORT OF INITIAL APPLICATION

I, DEMETRI KOUARELAS, of Edmonton, Alberta, **MAKE OATH AND SAY THAT:**

1. I am the Chief Financial Officer of Cow Harbour Construction Ltd. ("Cow Harbour") and as such have a personal knowledge of the facts and matters hereinafter deposed to except where otherwise stated.
- A. **JURISDICTION**
 2. Cow Harbour was incorporated on December 17, 1984 and is registered to carry on business in Alberta and I attach as **Exhibit "A"** to this my Affidavit a copy of the search from Corporate Registry confirming its registration in Alberta.
 3. The head office and chief place of business of Cow Harbour is Fort McMurray, Alberta.
 4. Cow Harbour is insolvent in that it has ceased to meet its liabilities generally as they become due.
 5. Attached as **Exhibit "B"** to this my Affidavit is a copy of the Certificate of Filing of Notice of Intention to Make a Proposal filed by Cow Harbour pursuant to S. 50.4(1) of the *Bankruptcy and Insolvency Act*.
 6. The total amount of claims against Cow Harbour exceeds \$5,000,000.

B. BACKGROUND

7. Cow Harbour was founded in 1984 by Alphonse Hutchings (“Hutchings”). Hutchings has remained the sole owner (through his wholly owned holding company) since Cow Harbour’s inception.
8. Cow Harbour works in the Alberta Oil Sands and provides construction and overburden removal services to oil producers. Overburden describes the material that lies on top of the bitumen used in oil sands processing.
9. Hutchings started his career in Fort McMurray working for Suncor in the early 1980’s. During this time he established key relationships at Suncor which were critical in developing Cow Harbour’s strong relationship with this customer. From Cow Harbour’s inception until July 2008, Suncor was Cow Harbour’s primary customer.
10. In the spring of 2008, Suncor had a fire at one of its plants which caused them to significantly restrict the work provided to Cow Harbour for more than 2 months. Consequently, in July 2008, Cow Harbour commenced work at Syncrude and following 15 months of solid performance, Cow Harbour was awarded a five year overburden and reclamation contract with a commencement date of November 1, 2009 and a face value of \$437,500,000 (but expected to be worth significantly more once the revenue from related construction projects is included).
11. From the commencement of this contract until early February 2010, Cow Harbour continued to service both Suncor and Syncrude. In February 2010, following another fire at one of Suncor’s plants, Cow Harbour moved substantially all of its equipment to service Syncrude.
12. Cow Harbour operates a very profitable business that has grown significantly over the past four years from revenue of \$24,000,000 in Fiscal Year 2005 to \$231,000,000 in Fiscal Year 2009 with net earnings growing from approx. \$300,000 to \$19,000,000 during this period. Cow Harbour currently employs approximately 600 people and runs a fleet of approximately 300 pieces of heavy equipment.

Cash flow

13. Cow Harbour's growth has been financed primarily by equipment loans with short-terms and relatively high rates. Since the operational disruption in spring of 2008, Cow Harbour's cash flow has been severely constrained and it has relied on its primary lender, RBC Royal Bank (the "Royal Bank"), to provide unmargined bulges on its operating line in order to continue operations. Cow Harbour attempted to address this deficiency by refinancing a portion of its equipment fleet but has been unsuccessful so far. The debt owing to the Royal Bank consists of approximately \$34,000,000 in equipment loans, a fully drawn operating line of \$30,000,000, and an overdraft of approximately \$10,000,000.
14. Management have taken several steps to reduce the strain on its operating line but Cow Harbour's debt burden combined with the disruption in its operations caused by the recent move to Syncrude have placed further strain on the operating line. Cow Harbour is projecting to be out of margin on its operating line by more than \$20,000,000 during April, May and June and, although it remains profitable, Management recognizes the need to restructure Cow Harbour's debt.

15. Cow Harbour has retained the services of Patrick Ross as a financial adviser with the expectation that he will be appointed the Chief Restructuring Officer (“CRO”) if an order is granted pursuant to this application.

C. NOTICE OF INTENTION

16. Because of its cash flow difficulties, Cow Harbour needed a stay of proceedings against its creditors. Cow Harbour filed a Notice of Intention pursuant to the *Bankruptcy and Insolvency Act* on April 1, 2010.
17. Deloitte & Touche Inc. (“D&T”) was appointed Trustee pursuant to the Notice of Intention.

D. FINANCIAL STATEMENTS

18. At the request of Cow Harbour, Gordon Smith of D&T is assisting in the preparation and analysis of cash flow statements. He will be providing a report to the court which will contain, among other things, Cow Harbour’s 2008 Financial Statements, 2009 Draft Financial Statements and January 2010 Interim Monthly Statement.

E. CASH FLOW

19. With the assistance of D&T, cash flow statements have been prepared. Those cash flow statements are attached to the Trustee’s First Report to the Court and are, in my belief, accurate, and adopt the representations set out therein as those of Cow Harbour.
20. My expectation of the operations of Cow Harbour in the next few months are:
 - a. There will be a need for interim financing in April of approximately \$9,000,000;
 - b. By May 28, 2010 the requirement for interim financing will increase to \$15,000,000;
 - c. All interim financing will be repaid by October 1, 2010.

F. DEBT

21. From the information available to me at the time of swearing this Affidavit, the total debt of Cow Harbour, in approximate terms, is as follows:

- a. Operating Line (Royal Bank) \$40,000,000
- b. Equipment Financiers \$190,000,000
- c. Potentially Lienable Creditors \$9,000,000
- d. Unsecured Creditors \$15,000,000

G. INTERIM FINANCING

22. Cow Harbour needs to continue to have product and services from various suppliers in order to carry on its business. Since the filing of the Notice of Intention, Cow Harbour can only obtain products and services on a cash on delivery or prepaid basis. As a result, some form of debtor in possession financing will be required to continue operations.

23. Cow Harbour has secured a commitment from the Royal Bank to enable Cow Harbour to continue to utilize its operating and banking facilities and to provide debtor in possession financing (“DIP Financing”) up to \$15,000,000.

24. At the time of swearing this Affidavit, some of the terms of the DIP Financing remain the subject matter of negotiation. Additional details regarding the DIP Financing will be provided in a supplemental affidavit.

25. Among the considerations in respect of Cow Harbour’s request for DIP Financing are;

- a. It is expected that Cow Harbour would be subject to proceedings under the *Companies' Creditors Arrangement Act* for a period of approximately 6 months;
- b. During the proceedings, Cow Harbour’s business and financial affairs will be managed as follows:

- i. the day-to-day operations of Cow Harbour will be managed by Hutchings. I will be responsible for the daily financial considerations.
 - ii. Among the various considerations in retaining Mr. Ross was his resumé, which is attached as **Exhibit “C”** to this my Affidavit, and the recommendations of PricewaterhouseCoopers Inc. (“PwC”). Mr. Ross is expected to be appointed as the CRO with the powers and obligations to carry out that office.
 - iii. PwC has been retained by the Royal Bank to provide them with guidance throughout these proceedings and the matter is being overseen by Donald MacLean (“MacLean”).
 - iv. Finally, D&T is expected to be appointed as monitor. D&T is currently Trustee under the Notice of Intention. Gordon Smith has been providing assistance.
- c. The Royal Bank is the largest single creditor of Cow Harbour. The Royal Bank supports the appointment of Mr. Ross as the CRO, and it is supportive of these proceedings.
 - d. The granting of debtor in possession financing is fundamental to the prospect of making a viable compromise in respect of Cow Harbour.
 - e. The majority of the assets of Cow Harbour are its equipment and accounts receivable. The book value of the equipment of Cow Harbour exceeds the indebtedness to the Royal Bank and the equipment financiers by approximately \$60,000,000. Based on an equipment appraisal conducted in 2008, the book value is a conservative proxy for market value. On a balance sheet basis, Cow Harbour has equity sufficient to protect the claims of its creditors.
 - f. I believe there would be no material prejudice to any creditor in the granting of interim financing.

- g. D&T in its capacity as Trustee under the Notice of Intention and as proposed monitor has concurrently provided a report to this Honourable Court in which it supports debtor in possession financing of \$15,000,000.

H. CRITICAL SUPPLIERS

Lienable Suppliers

26. Various creditors supply work or services that might be lienable under the *Builders' Lien Act* (the "Lienable Suppliers"). These Lienable Suppliers are critical to the ongoing operation of Cow Harbour, but should they file builders' liens, they will effectively stop the flow of funds to Cow Harbour necessary to its continued operations and meeting the financial expectations of the cash flow statements. The filing of builders' liens by the Lienable Suppliers would endanger the survival of Cow Harbour.
27. As the Lienable Suppliers are in a position that they have, or could, file builders' liens. It is, therefore, my belief that the Lienable Suppliers or any other creditors of Cow Harbour would not be detrimentally affected if:
- a. the Lienable Suppliers' current claims are stayed;
 - b. the Lienable Suppliers are required to continue to supply on the terms and conditions that were in effect prior to the filing of the Notice of Intention;
 - c. the Lienable Suppliers were given a charge on all of the property of Cow Harbour with the priority of such a charge to be determined by this Honourable Court; and
 - d. the lienable payables due to the Lienable Suppliers as at the filing of the Notice of Intention be paid over no more than 3 calendar months following the granting of this order.

Other Suppliers

28. It is not practical to obtain fuel and tires on a cash on delivery basis. Therefore, it is my belief that it would not detrimentally effect the fuel and tire suppliers (the “Other Suppliers”) or any other creditors of Cow Harbour if:
 - a. the Other Suppliers current claims are stayed;
 - b. the Other Suppliers are required to continue to supply on the terms and conditions that were in effect prior to the filing of the Notice of Intention; and
 - c. if the Other Suppliers were given a charge on all of the property of Cow Harbour with the priority of such a charge to be determined by this Honourable Court.
29. I believe the total of the claims of the critical suppliers, including the Lienable Suppliers and the Other Suppliers, would be less than \$13,000,000.00.

I. ADMINISTRATION CHARGE

30. Cow Harbour needs the assistance of counsel, the Monitor and the CRO in connection with the proposed CCAA proceedings and these persons need to be paid.
31. I believe that it is appropriate in the circumstances for the Court to grant the Monitor, counsel to the Monitor, Cow Harbour’s counsel, and the CRO, as security for the professional fees and disbursements incurred both before and after the granting of the Initial Order, a charge on the property of Cow Harbour which charge shall not exceed an aggregate amount of \$3,500,000.00, as security for their professional fees and disbursements incurred at the normal rates and charges of the Monitor, such counsel and the CRO, both before and after the making of the Initial Order in respect of these proceedings (the “Administration Charge”).

J. DIRECTORS' AND OFFICERS' CHARGE

32. For Alphonse Hutchings to remain as director, he runs the risk of director's liability for unpaid wages of 600 employees, tax withholdings with respect to those wages, and GST.
33. At the present time, Cow Harbour is unable to obtain Directors and Officers indemnification insurance at a reasonable cost or at all.

K. PLAN OF ARRANGEMENT

34. Based on the cash flow statements, I believe it will be possible to carry on a viable operation into the future. Based on the cash flow statements, I believe that in about 6 months Cow Harbour should be in a position to start to make payments to all of its other creditors. I fully expect that Cow Harbour will be able to file a plan of arrangement acceptable to Cow Harbour's creditors so as to allow Cow Harbour to continue in business.

L. ADVERTISING

35. Given the size of Cow Harbour, the number of its employees and the fact that the vast majority of its creditors are in the small community of Fort McMurray, I believe that news of the granting of the Initial Order will spread through the community very quickly and that publishing a notice thereof in the newspaper will accomplish nothing and is an unnecessary expense.

M. SERVICE

36. A Personal Property Registry Search of Cow Harbour exceeds 700 pages and is too long to attach to this Affidavit. Many of the creditors having effected a registration have done so more than once in that they have financed more than one piece of equipment. Attached as **Exhibit "D"** to this my Affidavit is a summary of those registrations and attached as **Exhibit "E"** to this my Affidavit is a list of the creditors having registrations, without duplication of the identity of the creditor.

N. ORDER SOUGHT

37. Under the circumstances, I believe it is appropriate that the Court grant an order, effective for a period of 30 days:
- a. Staying all proceedings taken or that might be taken against Cow Harbour;
 - b. Restraining any further proceedings in any action, suit or proceeding against Cow Harbour;

- c. Prohibiting the commencement of proceedings with any other action, suit or proceeding against Cow Harbour;
- d. Providing interim financing;
- e. Establishing a regime of critical suppliers and security for those critical suppliers.
