Subject: Gamet

Chuck:

Gamet will be making an application to extend the time for filing a proposal for a 45 day period. The original stay period expires on April 18th.

Gamet has now engaged Sayer Energy Advisors and Sayer expects to hit the market on April 15th.

We'd like to be able to note that CWB is not opposing the extension application for the time to file a proposal and the stay of proceedings on the basis that any order would not prejudice CWB from opposing any further extensions.

Can you let me know if we can state that?

Thanks Chuck.
