Management's Responsibility for the Financial Statements

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. M & F LEBLANC OIL LTD.

NOTES TO FINANCIAL STATEMENTS

(Unaudited)

APRIL 30, 2025

The company was incorporated under the laws of the province of New Brunswick on April 13, 2000. Its main business activity is operating a fuel distributing company.

1. Summary of significant accounting policies

Basis of presentation

The financial statements have been prepared in accordance with Canadian accounting standards for private enterprises (ASPE) and include the following significant accounting policies:

Cash and cash equivalents

The Company's policy is to disclose bank balances under cash and cash equivalents, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn.

Use of estimates

When preparing financial statements in accordance with ASPE, management is required to make certain estimates and assumptions relating to the:

Reported amounts of revenue and expenses for the year;

Reported amounts of assets and liabilities; and

Disclosure of contingent assets and liabilities at the report date.

Assumptions are based on a number of factors, including historical experience, current events and actions that the Company may undertake in future, and other assumptions believed reasonable under the circumstances. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into income in the year in which it is determined. These estimates are subject to measurement uncertainty, and actual results may therefore differ from those estimates. Estimates are used when accounting for certain items, such as useful life of property, plant and equipment, allowance for doubtful accounts, and provisions for slow-moving inventories,

Revenue recognition

The Company recognizes revenue when all the following conditions are met:

Services are provided or products are delivered to customers.

There is clear evidence that an arrangement exists.

Amounts are fixed or can be determined.

The ability to collect is reasonably assured.

There are no significant obligations for future performance.

Inventory

Inventories, consisting of diesel and gasoline, are measured at the lower of cost and net realizable value. Cost is determined using the weighted average method and includes purchase and transportation costs. Net realizable value is the estimated selling price less costs to sell.

Inventory consisting of parts and supplies held for repair and maintenance. It is not for resale and is measured at the lower of cost and replacement value. Cost is determined using the first-in-first-out (FIFO) method.

Income taxes

The Company utilizes the taxes payable method of accounting for income taxes.

M & F LEBLANC OIL LTD.NOTES TO FINANCIAL STATEMENTS

(Unaudited)

APRIL 30, 2025**1. Summary of significant accounting policies (continued)****Property, plant and equipment**

Property, plant and equipment is recorded at cost. Amortization is provided annually at the following rates and methods over the estimated useful lives of the assets, except in the year of acquisition when one-half of the rate is used:

Building	4%	declining balance
Paving	8%	declining balance
Equipment	20%	declining balance
Signs	20%	declining balance
Computer equipment and software	30%	declining balance
Vehicles	30%	declining balance
Tanks	10%	declining balance

The Company reviews for impairment of property, plant and equipment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

Goodwill

Goodwill represents the future economic benefits arising from assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is not amortized but is instead tested for impairment whenever events or changes in circumstances indicate that the fair value of the reporting unit to which the goodwill is assigned may be less than its carrying amount. When the carrying amount of a reporting unit exceeds its fair value, a goodwill impairment loss is recognized in income in an amount equal to the excess.

Cash surrender value of life insurance policy

The cash surrender value of life insurance policy for which the company is the owner and beneficiary is accounted for as an asset, measured according to the amount that would be received upon termination of the policy prior to the death of the insured. The net amount of the insurance premiums and the total amount of the change in the surrender value over the period is recognized in expenses or in other revenues, as applicable.

Financial instruments*Initial measurement*

Except for retractable or mandatorily redeemable shares, as specified below, the company initially measures its financial assets and liabilities originated or exchanged in arm's length transactions at fair value. Financial assets and liabilities originated and exchanged in related party transactions, except for those that involve parties whose sole relationship with the company is in the capacity of management, are initially measured at cost, with the exception of investments in equity instruments quoted in an active market, which are measured at fair value.

Subsequent measurement

The company subsequently measures all its financial assets and liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in the fair value of these financial instruments are recognized in income in the period incurred.

M & F LEBLANC OIL LTD.NOTES TO FINANCIAL STATEMENTS

(Unaudited)

APRIL 30, 2025**1. Summary of significant accounting policies (continued)****Financial instruments (continued)**

Financial assets measured at amortized cost using the straight-line method include cash, trade and other receivables, except for accounts receivable from a company under common control.

Accounts receivable from a company under common control are recognized at cost.

Retractable or mandatorily redeemable shares issued in a tax planning arrangement

The company chose to present retractable or mandatorily redeemable shares issued in a tax planning arrangement as a separate line item in the equity section when all of the following conditions are met:

- control of the company is retained by the shareholders receiving the shares;
- the company receives no consideration, or only shares of the company are exchanged in the arrangement;
- no other written or oral arrangement exists that gives the holder of the shares the contractual right to require the company to redeem the shares on a fixed or determinable date or within a fixed or determinable period.

These shares are initially and subsequently presented at par, stated or assigned value. The issued shares are classified as a financial liability when any of the conditions are not met, and are initially and subsequently measured at their redemption amount. Any resulting adjustment is recognized in retained earnings.

Impairment

For financial assets measured at cost or amortized cost, the company determines whether there are indications of possible impairment. When there is an indication of impairment, and the company determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in income. A previously recognized impairment loss may be reversed. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.

The Company's exposure to credit risk is principally derived from cash and cash equivalents, and accounts receivable.

The Company maintains cash and cash equivalents with major financial institutions. Management considers the risk of non-performance of these instruments to be remote.

The Company provides credit to its clients in the normal course of business. As at April 30, 2025, no clients represented more than 20% of the total trade receivables. Management performs an ongoing credit review of all customers and establishes allowances for doubtful accounts when the amounts are not collectible. There has been no change to the risk exposures from last year.

Liquidity risk

Liquidity risk is dependent on receipt of funds from sales and continued access to sufficient credit facilities to be able to pay our liabilities as they become due. There has been no change to the risk exposures from last year.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is exposed to interest rate risk on its fixed and floating rate financial instruments. Fixed-interest instruments subject the company to a fair value risk, since fair value fluctuates inversely to changes in market interest rates. Floating rate instruments subject the company to related cash flow risk. There has been no change to the risk exposures from last year.

NOTES TO FINANCIAL STATEMENTS

(Unaudited)

APRIL 30, 2024

The company was incorporated under the laws of the province of New Brunswick on April 13, 2000. Its main business activity is operating a fuel distributing company.

1. Summary of significant accounting policies

Basis of presentation

The financial statements have been prepared in accordance with Canadian accounting standards for private enterprises (ASPE) and include the following significant accounting policies:

Cash and cash equivalents

The Company's policy is to disclose bank balances under cash and cash equivalents, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn.

Use of estimates

When preparing financial statements in accordance with ASPE, management is required to make certain estimates and assumptions relating to the:

Reported amounts of revenue and expenses for the year;

Reported amounts of assets and liabilities; and

Disclosure of contingent assets and liabilities at the report date.

Assumptions are based on a number of factors, including historical experience, current events and actions that the Company may undertake in future, and other assumptions believed reasonable under the circumstances. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into income in the year in which it is determined. These estimates are subject to measurement uncertainty, and actual results may therefore differ from those estimates. Estimates are used when accounting for certain items, such as useful life of property, plant and equipment, allowance for doubtful accounts, and provisions for slow-moving inventories, warranties and income taxes.

Revenue recognition

The Company recognizes revenue when all the following conditions are met:

Services are provided or products are delivered to customers.

There is clear evidence that an arrangement exists.

Amounts are fixed or can be determined.

The ability to collect is reasonably assured.

There are no significant obligations for future performance.

Inventory

Inventory consists of parts and supplies help for repair and maintenance. It is not for resale and is measured at the lower of cost and replacement value. Cost is determined using the first-in-first-out (FIFO) method.

Income taxes

The Company utilizes the taxes payable method of accounting for income taxes.

M & F LEBLANC OIL LTD.NOTES TO FINANCIAL STATEMENTS

(Unaudited)

APRIL 30, 2024**1. Summary of significant accounting policies (continued)****Property, plant and equipment**

Property, plant and equipment is recorded at cost. Amortization is provided annually at the following rates and methods over the estimated useful lives of the assets, except in the year of acquisition when one-half of the rate is used:

Building	4%	declining balance
Paving	8%	declining balance
Equipment	20%	declining balance
Signs	20%	declining balance
Computer equipment and software	30%	declining balance
Vehicles	30%	declining balance
Tanks	10%	declining balance

The Company reviews for impairment of property, plant and equipment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

Financial instruments*Initial measurement*

Except for retractable or mandatorily redeemable shares, as specified below, the company initially measures its financial assets and liabilities originated or exchanged in arm's length transactions at fair value. Financial assets and liabilities originated and exchanged in related party transactions, except for those that involve parties whose sole relationship with the company is in the capacity of management, are initially measured at cost, with the exception of investments in equity instruments quoted in an active market, which are measured at fair value.

Subsequent measurement

The company subsequently measures all its financial assets and liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in the fair value of these financial instruments are recognized in income in the period incurred.

Financial assets measured at amortized cost using the straight-line method include cash, trade and other receivables, except for accounts receivable from a company under common control.

Accounts receivable from a company under common control are recognized at cost.

Financial assets measured at fair value include cash surrender value of life insurance.

(Unaudited)

APRIL 30, 2024**1. Summary of significant accounting policies (continued)****Financial instruments (continued)***Retractable or mandatorily redeemable shares issued in a tax planning arrangement*

The company chose to present retractable or mandatorily redeemable shares issued in a tax planning arrangement as a separate line item in the equity section when all of the following conditions are met:

- control of the company is retained by the shareholders receiving the shares;
- the company receives no consideration, or only shares of the company are exchanged in the arrangement;
- no other written or oral arrangement exists that gives the holder of the shares the contractual right to require the company to redeem the shares on a fixed or determinable date or within a fixed or determinable period.

These shares are initially and subsequently presented at par, stated or assigned value. The issued shares are classified as a financial liability when any of the conditions are not met, and are initially and subsequently measured at their redemption amount. Any resulting adjustment is recognized in retained earnings.

Impairment

For financial assets measured at cost or amortized cost, the company determines whether there are indications of possible impairment. When there is an indication of impairment, and the company determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in income. A previously recognized impairment loss may be reversed. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.

17. Financial instruments

Credit risk

The Company's exposure to credit risk is principally derived from cash and cash equivalents, and accounts receivable.

The Company maintains cash and cash equivalents with major financial institutions. Management considers the risk of non-performance of these instruments to be remote.

The Company provides credit to its clients in the normal course of business. As at April 30, 2024, no clients represented more than 20% of the total trade receivables. Management performs an ongoing credit review of all customers and establishes allowances for doubtful accounts when the amounts are not collectible. There has been no change to the risk exposures from last year.

Liquidity risk

Liquidity risk is dependent on receipt of funds from sales and continued access to sufficient credit facilities to be able to pay our liabilities as they become due. There has been no change to the risk exposures from last year.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is exposed to interest rate risk on its fixed and floating rate financial instruments. Fixed-interest instruments subject the company to a fair value risk, since fair value fluctuates inversely to changes in market interest rates. Floating rate instruments subject the company to related cash flow risk. There has been no change to the risk exposures from last year.

18. Comparative figures

Certain figures for 2023 have been reclassified for comparative purposes to conform with current year presentation. Also, comparative prior year's figures have been recorded on non-consolidated basis.

In consideration of your acceptance of the appointment by the undersigned as Receiver and Manager (the "**Receiver**") of M&F Leblanc Oil Ltd. dated March 30, 2026, The Toronto-Dominion Bank ("**TD**") hereby agrees to indemnify and save harmless Deloitte Restructuring Inc., its respective employees, officers, directors and agents (collectively, the "**Indemnified Parties**" or "**Deloitte**") against and from all loss, cost, damages and expenses incurred, suffered or sustained by an Indemnified Party in connection with such appointment (other than as a result of gross negligence or willful misconduct on the part of any Indemnified Party). 3. In any action, claim, loss or damage arising out of the engagement, TD agrees that Deloitte's liability will be several and not joint and several and TD may only claim payment from Deloitte of Deloitte's proportionate share of the total liability based on the degree of fault of Deloitte as finally determined by a court of competent jurisdiction.

Morning here is some information.

Mortgage balance is approx 400K currently

We got to this as a new competitor is knocking on our customers doors offering discounts and 90 day terms, I have 75-80% market share and

are trying to enter, we haven't lost any customers as we match the terms but not the discounts,

Hey Jeff,

Following up on our call I'm looping in Martin here to streamline communication. Just spoke with Martin and he had not heard from you after reviewing this term sheet.

Will TD allow for time to go through DD with TAB if he signs the term sheet? TAB is ready and has a field examiner but they need the DD fee to kickstart the process which Martin is hesitant to pay without knowing TD's position.

I'm happy to let you two have a verbal conversation, but I wanted to relay this after discussions with both sides.

Thanks,

Hi Jeff,

As discussed, please see the term sheet attached from Tab Bank to M & F Leblanc Oil. This was off the back of a discussion between Ryan and Martin on Friday.

The point of contact we've been working with is:
Ryan Gabriel

(403) 606-5859 cell (Canada)

(206) 391-9886 cell (US)

ryan.gabriel@tabbank.com

As I mentioned, TAB expects DD and closing within 30 days. I don't know how realistic this is given his reporting, but they are aware that he doesn't have a lot of his business digitized.

Martin is fine to move forward with this term sheet but there's a \$25k work deposit required and he doesn't want to go through with it if his loan is going to get called mid DD

Thanks,

TAB Bank ("Lender") is pleased to present this confidential proposal to provide a Credit Facility to M & F LeBlanc Oil Ltd. ("Borrower") in the amount and under the terms and conditions outlined below.

- Credit Facility:** \$12,000,000 CAD senior secured credit facility.
- Borrowing Base:** Advances under the Revolving Line shall not exceed the lesser of (i) the Maximum Revolver Amount of \$12,000,000 CAD, or (ii) the Borrowing Base, defined as the sum of:
- A. Eligible Accounts Receivable:**

 - Eligibility is limited to invoices that are (i) aged less than three times the stated invoice payment terms and (ii) in no event more than 90 days past the invoice date.
 - Concentration limit: Accounts exceeding **20%** of the total borrowing base are excluded unless approved in writing by the Lender.
- B. Reserves:**
- The Borrowing Base is subject to such reserves as the Lender may establish from time to time in its permitted discretion (e.g., rent reserves, dilution reserves).
- Interest Rate:** The Credit Facility shall bear interest at a rate equal to the 1-Month Term SOFR rate + 4.38% with a minimum 1-Month Term SOFR rate of 3.65%. Term SOFR is defined as the 1-Month Term SOFR published by CME Group Benchmarks Administration Limited.
- Collateral Monitoring Fee:** A fee of \$1,000 will be charged monthly, payable in arrears.
- Unused Line Fee:** 0.50% per annum on the unused portion of the Credit Facility, payable monthly in arrears.

- Facility Fee:** A facility fee equal to 0.75% of the Credit Facility Amount will be assessed upon the initial funding and 0.50% on an annual basis thereafter.
- Security:** Credit Facility shall be secured by a perfected first-priority security interest in all personal property assets, including without limitation accounts receivable, inventory, equipment and general intangibles; a PPSA financing statement will be filed describing the collateral as "All Assets".
- Prepayment Fee:** In the event of termination prior to maturity, an Early Termination Fee shall be assessed on the Credit Facility Amount as follows: 3.0% if terminated during the first year, 2.0% during the second year, and 1.0% during the third year.
- Term:** The term of the agreement shall be 3 years.
- Guarantor(s) and Subordination:** Owners holding at least 66% of the Borrower's equity shall provide a full personal guaranty covering the Borrower's obligations, representations, and warranties. Additionally, all owners must subordinate any debt owed to them by the Borrower to the obligations owed to the TAB.
- Collateral Proceeds:** All proceeds flow through a TAB Bank lockbox. While funds immediately reduce the loan balance to create availability, they are subject to a 3-business-day clearance period for interest calculations.
- Bank Treasury Services:** As part of this relationship, the Borrower agrees to utilize TAB for its primary commercial banking and Treasury Management needs. The establishment of a full Treasury Management relationship is required for final approval and funding of the Credit Facility.
- Work Deposit:** Upon acceptance, the Borrower shall provide a \$25,000 Work Deposit to cover reasonable out-of-pocket expenses (e.g., legal fees, audits, travel, and filings). If TAB declines the facility, the unused balance will be refunded. However, TAB retains the full deposit if the Borrower withdraws. The Borrower must promptly reimburse any costs exceeding the deposit. The Borrower certifies that all financial records are current and agrees to provide necessary documentation promptly; failure to do so may result in forfeiture of the Work Deposit. This obligation survives termination.
- Financial Reporting:** The financial and collateral reporting requirements shall include the following pertinent information:
1. **Financial Statements**
 - Company prepared statements to be provided monthly.
 - Reviewed statements on an annual basis.
 2. **Accounts Receivable and Accounts Payable Aging Report**

- 3. **Weekly Borrowing Base Certificate**
 - A borrowing base certificate must be provided on a weekly basis.
- 4. **Financial Covenant Compliance Report**
 - A monthly report demonstrating compliance with financial covenants.

Financial Covenants

TAB requires the following financial covenants, with specific thresholds to be established during underwriting:

1. Fixed Charge Coverage Ratio (FCCR); and
2. Senior Liabilities to Tangible Net Worth.

Other Conditions:

Closing of the Credit Facility is subject to satisfaction of customary conditions precedent, including but not limited to:

1. **Due Diligence & Approval:** Satisfactory completion of all due diligence, including a third-party field examination of the Borrower's assets, liabilities, and books and records, and final approval by the Lender's Credit Committee.
2. **Documentation:** Execution of all definitive loan documents and legal agreements customary for transactions of this type.
3. **Insurance:** Provision of proof of inventory insurance naming TAB as "Additional Insured" and "Lender Loss Payee" prior to funding.

Non-Binding & Confidential: This proposal outlines the terms of a potential transaction and does not constitute a binding commitment or offer to lend by TAB. It is intended solely for the Borrower and its advisors and must be kept strictly confidential. TAB assumes no liability should this proposal be terminated.

Acceptance & Expiration: To proceed, please return a signed copy of this letter along with the Work Deposit. By signing below, the Borrower authorizes TAB to file a PPSA Financing Statement to perfect its security interest. This proposal expires if not accepted by **3/30/2026**.

Subject: Overview

Hi Martin and Jay. Great chatting with you earlier.

As mentioned on the call, we're reluctant to issue a formal term sheet until we have better visibility into the liquidity required to fund the transaction. We anticipate that could take 2 months candidly. That said, we'd be interested in continuing our discussions under the following transaction parameters, assuming you're interested in engaging further.

- **Borrower:** M&F Leblanc Oil Ltd
- **Revolving Facility:** up to \$8,000,000 governed by a monthly borrowing base margined at [75%] of accounts receivable up to 120-days from invoice.
- **Term Facility:** up to the lesser of (i) \$600,000 (ii) 85% of the net orderly liquidation value of equipment.
- **Committed Term:** up to 18 months.
- **Interest Rate:** 15% per annum payable monthly and 2% closing fee.
- **Security:** First charge GSA of the borrower.
- **Guarantees:** Secured corporate guarantee of Leblanc Oil Ltd. and unlimited unsecured personal guarantee of Martin LeBlanc.
- **Covenants:** to include debt servicing coverage 1.1X on a monthly basis from close onward building to a 12 month trailing test.
- **Audits:** 3X per annum; estimated cost \$10k per audit.

Key diligence prior to the issuance of a term sheet:

1. Personal net worth statement of Martin LeBlanc.
2. 12-month forecast incorporating terms above evidencing satisfactory liquidity and covenant compliance throughout the term.
3. Meeting with management at your offices to gain a better understanding of the business.

Hope this is helpful to your process. Let me know if there are any questions.

Thanks

Craig

12. The Company is also indebted to the Bank pursuant to the following ancillary credit facilities:

- (i) An Equipment Loan Agreement bearing No. 23011730 and dated May 26, 2023 whereby the Bank agreed to finance the purchase of various Peterbilt Trucks in the total amount of \$350,000.00. A financing statement for this Agreement was registered pursuant to the PPSA on May 16, 2023, as Reg. No. 38413134, and copies of the Agreement and registration details are attached hereto and collectively marked as **Exhibit "I"**; and
- (ii) An Equipment Loan Agreement bearing No. 24045240 and dated December 13, 2024 whereby the Bank agreed finance the purchase of various fuel related equipment in the total amount of \$169,527.38. A financing statement for this Agreement was registered pursuant to the PPSA on December 16, 2024, as Reg. No. 40996654, and copies of the Agreement and registration details are attached hereto and collectively marked a **Exhibit "J"**.

The Defaults

13. The Company's accounts were transferred to the FRG on or about January 8, 2026 and they came under my management at that time.

14. The transfer to FRG reflected the Bank's concerns that the Company did not appear to have sufficient liquidity to continue operations - as evidenced by repeated Line of Credit excesses beyond the authorized limit of \$7,500,000, a timing disconnect between its respective streams of payables and receivables (as described in greater detail below), and the unauthorized accumulation of statutory payables to Canada Revenue Agency ("**CRA**") and other Government departments (also particularized below).
15. Following the transfer of the Company's accounts to FRG and continuing until the final week of March, my colleagues and I maintained regular contact with Mr. LeBlanc as regards the business operations and financial performance of the Company.
16. In January 2026 I advised Mr. LeBlanc of the Bank's request that the Company consent to the appointment of the Bank's financial adviser, Deloitte Restructuring Inc. ("**Deloitte**"), to conduct a "look see" review to assist the Bank in addressing its concerns, including the erosion of the Bank's security position due to increasing statutory priority payables.
17. Mr. LeBlanc initially asked for more time to consider the requested appointment of Deloitte, and the Bank obliged. During several subsequent calls in January 2026, however, I repeated my request and Mr. LeBlanc continued to resist.
18. During my conversations with Mr. LeBlanc in January 2026, he insisted that the Bank would be fully repaid in a matter of days or weeks at most. Mr. LeBlanc said that he was in the process of negotiating a refinancing transaction through a broker, Terry Reid, and Mr. Reid also advised me that the Bank would be repaid in short order.
19. At the same time, however, the Company's priority payables to CRA continued to increase, as did amounts owing to Government of New Brunswick's Finance and Treasury Board (Revenue Administration Division) as regards unremitted fuel tax.
20. Both the Credit Line excesses and the accumulation of unauthorized statutory payables constitute defaults under the Loan Agreement.

21. The Company did not provide the Bank with a commitment letter from a new lender nor with any workable refinancing proposal. Meanwhile, the Company continued to resist the Deloitte engagement.

Demands/NITES

22. Given the Company's continuing defaults under the Loan Agreement, its lack of co-operation, and its failure to provide a commitment letter from a new lender, I instructed the Bank's legal counsel to proceed with the issuance of demands for payment and a Notice of Intention to Enforce Security ("NITES"). Attached hereto and collectively marked as **Exhibit "K"** are copies of the demand letter and NITES issued to the Company on January 28, 2026.
23. The Bank's legal counsel also made demand for payment upon Mr. LeBlanc pursuant to the Guarantee, and a copy of that demand letter is attached hereto and marked as **Exhibit "L"**.

Deloitte Engagement

24. Shortly after the Bank's demand letter and NITES expired, the Company agreed (for the first time) to the engagement of Deloitte as requested by the Bank, and attached hereto and marked as **Exhibit "M"** is a copy of the executed Deloitte engagement letter dated February 19, 2026.
25. I am advised by James Foran of Deloitte, and do believe, that following its engagement, representatives of Deloitte engaged in active dialogue with Mr. LeBlanc, who had signed the Deloitte engagement letter on the Company's behalf, and in particular expressly agreed with the terms of that engagement, notably to furnish relevant information to Deloitte upon request.
26. In agreeing to the Deloitte engagement, the Company agreed (amongst other items) to furnish relevant financial information to Deloitte upon request. I am advised by Mr. Foran and do believe that Deloitte made various requests to Mr. LeBlanc for the production of relevant financial and other information pursuant to its mandate, but that critical information was not provided – including supporting documentation for the Company's accounts receivable (the Company's largest asset and the Bank's primary collateral).

27. The Bank had originally requested that the Company produce a detailed listing of accounts receivable, but Mr. LeBlanc advised that the Company's receivables listing was only available on a summary basis due to a customized and aged accounting system.

28. I am advised by Mr. Foran and do believe that Deloitte requested backup records to validate the larger accounts receivable noted within the summary listing, but that this information was never provided despite repeated requests. As a result, Deloitte was not able to complete its mandate as set out in its engagement letter.

Bank Concerns

29. The Bank provided the Company with approximately three months (i.e. the period from the transfer of the Company's accounts to FRG in early January 2026 to late March 2026) to obtain alternative financing to payout the Bank. During this same period the Company failed to be fully co-operative with Deloitte, and the Bank's security position was being further eroded due to growing priority payables and increasing 90-day receivables.

30. The Bank has substantial concerns that the Company is no longer a viable business due to:

- (i) The Company is obliged to pay its fuel suppliers within approximately 10-20 days of delivery, whereas its average accounts receivable collection terms from its own customers exceeds 90 days. These mismatched payment terms have resulted in an ongoing liquidity crisis, and the Company has not provided the Bank nor Deloitte with a plan to address this fundamental problem.
- (ii) As set out in the Aged Balance Ledger to and including February 28, 2026 (attached hereto and marked as **Exhibit "N"**), accounts receivable aged 90 days or more represented approximately 21% of the Company's total accounts as of February 28, 2026 – whereas they accounted for only approximately 15% of total accounts as of December 31, 2025 (Aged Balance Ledger, **Exhibit "O"**).
- (iii) Mr. LeBlanc has advised both the Bank and Deloitte that receivables are being stretched out due to competitive pressure in the fuel supply market.

- (iv) The Company formerly purchased its fuel from Parkland Fuel Corp. ("**Parkland**"), but subsequently shifted its purchasing to Valero Energy, and more recently to Green Energy. The Bank understands that the frequent supplier changes are a result of non-payment, which led to a shut-down of the Company's account with that supplier and/or removal of critical discounts on fuel supplied.
- (v) For example, the Company owed Parkland in excess of \$900,000 as of Feb 28, 2026, as per the Company's Accounts Payable Aged Trial Verification List as of February 28, 2026 (attached hereto and marked as **Exhibit "P"**).
- (vi) The Company is in arrears of its obligations to CRA. Attached hereto and marked as **Exhibit "Q"** is an Overview generated by CRA which states that the Company's tax indebtedness as of March 29, 2026 included \$277,390.68 in outstanding HST remittances, \$1,270.42 in unremitted source deductions, and \$106,992.80 in outstanding corporate income tax.
- (vii) The Company is in default of its obligations to the Province of New Brunswick. Attached hereto and marked as **Exhibit "R"** is a document entitled Generic Fuel Collector Summary Form Diesel and Related Products, which states that the Company owed \$368,828.30 in unremitted Provincial Fuel Tax as of February 28, 2026.
- (viii) The Company has not provided the Bank or Deloitte with a plan to bring its Federal and Provincial tax arrears up to date.
- (ix) The Bank understands that the Company's fuel distribution license is up for renewal on or about June 2026, and that the license cannot be renewed if the outstanding fuel taxes have not been repaid.
- (x) Commencing in January 2026, the Company engaged various brokers in an attempt to obtain alternative financing to repay the Bank. The brokers identified to the Bank by Mr. LeBlanc include: (a) Terry Reid (CapitalLinx International); (b) Neil McMillan (McMillan Capital Partners); (c) Lord Christopher (Capital For Market); and (d) Bhyran Sathyananthan (Swoop Funding).
- (xi) Despite the efforts of these various brokers, no refinancing has come to fruition.

Appointment of Private Receiver

31. My last contact with Mr. LeBlanc occurred on March 24, 2026, following which the Bank decided to proceed with the appointment of Deloitte as the Bank's private receiver pursuant to the powers granted by the Company to the Bank under the Bank's security. The Bank had lost confidence in the Company's management and its ability to successfully address the severe challenges facing the business and the Company's continuing defaults, and it was not prepared to tolerate further erosion of its secured position.
32. On March 30, 2026, in accordance with the powers granted in its security, the Bank appointed Deloitte as Receiver and Manager of the Company's assets secured by the Bank and attached hereto and marked as **Exhibit "S"** is a copy of the Receiver's appointment letter.
33. I am advised by Mr. Foran and do believe that on or about March 31, 2026 he advised Mr. Leblanc of Deloitte's appointment, that he requested unfettered access to the Company's books and records, and that he was refused such access.
34. The Company has failed to co-operate with the private Receiver and has instead elected to file pleadings with this Honourable Court making unfounded allegations that the Bank and Deloitte are acting unreasonably and in bad faith.

Bank Debt

35. As of April 6, 2026, the Company is indebted to the Bank in the amount of **\$8,134,781.46**, consisting of a balance of \$7,415,523.12 (principal of \$7,410,000.00, together with accrued interest of \$5,532.12) on the Operating Line; \$417,211.88 (principal of \$416,500.98, together with accrued interest of \$710.90) outstanding on the Term Loan, and a combined \$302,047.46 on the Equipment Loans.

Appointment of Receiver

36. The Bank considers that the appointment of a Receiver pursuant to s. 243 of the BIA is just and convenient in the circumstances, as such would allow for the preservation and protection of the real and personal property of the Company and permit orderly realization on relevant security interest by the Receiver including the collection of aged accounts receivable in a transparent, prompt and diligent manner, all subject to the supervision and approval of this Honourable Court.

SCHEDULE "A" - STANDARD TERMS AND CONDITIONS**1. INTEREST RATE DEFINITIONS**

Prime Rate means the rate of interest per annum (based on a 365 day year) established and reported by the Bank to the Bank of Canada from time to time as the reference rate of interest for determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness in Canada for Canadian dollar loans made by it in Canada.

The Stamping Fee rate per annum for CAD B/As is based on a 365 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance. The Stamping Fee rate per annum for USD B/As is based on a 360 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance.

CDOR means, for any day, the annual rate for B/As denominated in Canadian Dollars for a specified term that appears on the Reuters Screen CDOR Page as of 10:00 a.m. (Toronto time) on such day (or, if such day is not a Business Day, then on the immediately preceding Business Day).

LIBOR means the rate of interest per annum (based on a 360 day year) as determined by the Bank (rounded upwards, if necessary to the nearest whole multiple of 1/16th of 1%) at which the Bank may make available United States dollars which are obtained by the Bank in the Interbank Euro Currency Market, London, England at approximately 11:00 a.m. (Toronto time) on the second Business Day before the first day of, and in an amount similar to, and for the period similar to the interest period of, such advance.

USBR means the rate of interest per annum (based on a 365 day year) established by the Bank from time to time as the reference rate of interest for the determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness for US dollar loans made by it in Canada.

Interest rates will never be less than zero. If Prime Rate, CDOR, LIBOR, USBR or any other applicable base rate changes, resulting in a variable or floating annual interest rate that is a negative number, the interest rate will be 0.00%. Notwithstanding the foregoing, if a Floating Rate Loan with an interest rate based on CDOR or LIBOR has been hedged in its entirety with an interest rate swap with the Bank (the "Swap") and the Swap does not include a negative interest rate floor, the foregoing restriction on CDOR or LIBOR never being less than 0.00% shall not apply. However, for purposes of certainty, if the Swap is subsequently terminated or novated the restriction on CDOR or LIBOR never being less than 0.00% shall apply.

Any interest rate based on a period less than a year expressed as an annual rate for the purposes of the Interest Act (Canada) is equivalent to such determined rate multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the period upon which it was based.

2. INTEREST CALCULATION AND PAYMENT

Interest on Prime Based Loans and USBR Loans is calculated daily (including February 29 in a leap year) and payable monthly in arrears based on the number of days the subject loan is outstanding unless otherwise provided in the Rate and Payment Terms Notice. Interest is charged on February 29 in a leap year.

The Stamping Fee is calculated based on the amount and the term of the B/A and is payable upon acceptance by the Bank of the B/A. The net proceeds received by the Borrower on a B/A advance will be equal to the Face Amount of the B/A discounted at the Bank's then prevailing B/A discount rate for CAD B/As or USD B/As as the case may be, for the specified term of the B/A less the B/A Stamping Fee. If the B/A discount rate (or the rate used to determine the B/A discount rate) is less than zero, it shall instead be deemed to be zero for purposes of this Agreement.

Interest on LIBOR Loans and CDOR Loans is calculated and payable on the earlier of contract maturity or quarterly in arrears, for the number of days in the LIBOR or CDOR interest period, as applicable.

L/C and L/G fees are payable at the time set out in the Letter of Credit Indemnity Agreement applicable to the issued L/C or L/G.

Interest on Fixed Rate Term Loans is compounded monthly and payable monthly in arrears unless otherwise provided in the Rate and Payment Terms Notice.

Interest is payable both before and after maturity or demand, default and judgment.

Each payment under this Agreement shall be applied first in payment of costs and expenses, then interest and fees and the balance, if any, shall be applied in reduction of principal.

For loans not secured by real property, all overdue amounts of principal and interest and all amounts outstanding in excess of the Credit Limit shall bear interest from the date on which the same became due or from when the excess was incurred, as the case may be, until the date of payment or until the date the excess is repaid at the Bank's standard rate charged from time to time for overdrafts, or such lower interest rate if the Bank agrees to a lower interest rate in writing. Nothing in this clause shall be deemed to authorize the Borrower to incur loans in excess of the Credit Limit.

If any provision of this Agreement would oblige the Borrower to make any payment of interest or other amount payable to the Bank in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Bank of "interest" at a "criminal rate" (as such terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by the Bank of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows: first, by reducing the amount or rate of interest, and, thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the Bank which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

No course of conduct by the Bank will give rise to any reasonable expectation which is in any way inconsistent with the terms and conditions of this Agreement and the Bank Security or the Bank's rights thereunder.

19. EVIDENCE OF INDEBTEDNESS

The Bank shall record on its records the amount of all loans made hereunder, payments made in respect thereto, and all other amounts becoming due to the Bank under this Agreement. The Bank's records constitute, in the absence of manifest error, conclusive evidence of the indebtedness of the Borrower to the Bank pursuant to this Agreement.

The Borrower will sign the Bank's standard form Letter of Credit Indemnity Agreement for all L/Cs and L/Gs issued by the Bank.

With respect to chattel mortgages taken as Bank Security, this Agreement is the Promissory Note referred to in same chattel mortgage, and the indebtedness incurred hereunder is the true indebtedness secured by the chattel mortgage.

Any default under this Agreement shall constitute concurrent default under the Bank Security. Any default under the Bank Security shall constitute concurrent default under this Agreement. In the event of an

inconsistency between the terms of this Agreement and the terms of the Bank Security, the terms of this Agreement shall prevail and the inclusion of any term in the Bank Security that is not dealt with in this Agreement shall not be an inconsistency.

22. ASSIGNMENT

The Bank shall then be entitled to calculate a net termination value for all of the terminated FX Contracts which shall be the net sum of all the losses and gains arising from the termination of the FX Contracts which net sum shall be the "Close Out Value" of the terminated FX Contracts. The Borrower acknowledges that it shall be required to forthwith pay any positive Close Out Value owing to the Bank and the Bank shall be required to pay any negative Close Out Value owing to the Borrower, subject to any rights of set-off to which the Bank is entitled or subject.

SCHEDULE "A" - STANDARD TERMS AND CONDITIONS**1. INTEREST RATE DEFINITIONS**

Prime Rate means the rate of interest per annum (based on a 365 day year) established and reported by the Bank to the Bank of Canada from time to time as the reference rate of interest for determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness in Canada for Canadian dollar loans made by it in Canada.

The Stamping Fee rate per annum for CAD B/As is based on a 365 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance. The Stamping Fee rate per annum for USD B/As is based on a 360 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance.

CDOR means, for any day, the annual rate for B/As denominated in Canadian Dollars for a specified term that appears on the Reuters Screen CDOR Page as of 10:00 a.m. (Toronto time) on such day (or, if such day is not a Business Day, then on the immediately preceding Business Day).

LIBOR means the rate of interest per annum (based on a 360 day year) as determined by the Bank (rounded upwards, if necessary to the nearest whole multiple of 1/16th of 1%) at which the Bank may make available United States dollars which are obtained by the Bank in the Interbank Euro Currency Market, London, England at approximately 11:00 a.m. (Toronto time) on the second Business Day before the first day of, and in an amount similar to, and for the period similar to the interest period of, such advance.

USBR means the rate of interest per annum (based on a 365 day year) established by the Bank from time to time as the reference rate of interest for the determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness for US dollar loans made by it in Canada.

Interest rates will never be less than zero. If Prime Rate, CDOR, LIBOR, USBR or any other applicable base rate changes, resulting in a variable or floating annual interest rate that is a negative number, the interest rate will be 0.00%. Notwithstanding the foregoing, if a Floating Rate Loan with an interest rate based on CDOR or LIBOR has been hedged in its entirety with an interest rate swap with the Bank (the "Swap") and the Swap does not include a negative interest rate floor, the foregoing restriction on CDOR or LIBOR never being less than 0.00% shall not apply. However, for purposes of certainty, if the Swap is subsequently terminated or novated the restriction on CDOR or LIBOR never being less than 0.00% shall apply.

Any interest rate based on a period less than a year expressed as an annual rate for the purposes of the Interest Act (Canada) is equivalent to such determined rate multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the period upon which it was based.

2. INTEREST CALCULATION AND PAYMENT

Interest on Prime Based Loans and USBR Loans is calculated daily (including February 29 in a leap year) and payable monthly in arrears based on the number of days the subject loan is outstanding unless otherwise provided in the Rate and Payment Terms Notice. Interest is charged on February 29 in a leap year.

The Stamping Fee is calculated based on the amount and the term of the B/A and is payable upon acceptance by the Bank of the B/A. The net proceeds received by the Borrower on a B/A advance will be equal to the Face Amount of the B/A discounted at the Bank's then prevailing B/A discount rate for CAD B/As or USD B/As as the case may be, for the specified term of the B/A less the B/A Stamping Fee. If the B/A discount rate (or the rate used to determine the B/A discount rate) is less than zero, it shall instead be deemed to be zero for purposes of this Agreement.

Interest on LIBOR Loans and CDOR Loans is calculated and payable on the earlier of contract maturity or quarterly in arrears, for the number of days in the LIBOR or CDOR interest period, as applicable.

L/C and L/G fees are payable at the time set out in the Letter of Credit Indemnity Agreement applicable to the issued L/C or L/G.

Interest on Fixed Rate Term Loans is compounded monthly and payable monthly in arrears unless otherwise provided in the Rate and Payment Terms Notice.

Interest is payable both before and after maturity or demand, default and judgment.

Each payment under this Agreement shall be applied first in payment of costs and expenses, then interest and fees and the balance, if any, shall be applied in reduction of principal.

For loans not secured by real property, all overdue amounts of principal and interest and all amounts outstanding in excess of the Credit Limit shall bear interest from the date on which the same became due or from when the excess was incurred, as the case may be, until the date of payment or until the date the excess is repaid at the Bank's standard rate charged from time to time for overdrafts, or such lower interest rate if the Bank agrees to a lower interest rate in writing. Nothing in this clause shall be deemed to authorize the Borrower to incur loans in excess of the Credit Limit.

If any provision of this Agreement would oblige the Borrower to make any payment of interest or other amount payable to the Bank in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Bank of "interest" at a "criminal rate" (as such terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by the Bank of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows: first, by reducing the amount or rate of interest, and, thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the Bank which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

3. DRAWDOWN PROVISIONS

Prime Based and USBR Loans

There is no minimum amount of drawdown by way of Prime Based Loans and USBR Loans, except as stated in this Agreement. The Borrower shall provide the Bank with 3 Business Days' notice of a requested Prime Based Loan or USBR Loan over \$1,000,000.

The Borrower shall advise the Bank of the requested term or maturity date for B/As issued hereunder. The Bank shall have the discretion to restrict the term or maturity dates of B/As. In no event shall the term of the B/A exceed the Contractual Term Maturity Date or Maturity Date, as applicable. Except as otherwise stated in this Agreement, the minimum amount of a drawdown by way of B/As is \$1,000,000 and in multiples of \$100,000 thereafter. The Borrower shall provide the Bank with 3 Business Days' notice of a requested B/A drawdown.

The Borrower shall pay to the Bank the full amount of the B/A at the maturity date of the B/A.

B/A, LIBOR and CDOR - Conversion

Any portion of any B/A, LIBOR or CDOR Loan that is not repaid, rolled over or converted in accordance with the applicable notice requirements hereunder shall be converted by the Bank to a Prime Based Loan effective as of the maturity date of the B/A or the last day in the interest period of the LIBOR or CDOR contract, as applicable. The Bank may charge interest on the amount of the Prime Based Loan at the rate of 115% of the rate applicable to Prime Based Loans for the 3 Business Day period immediately following such maturity. Thereafter, the rate shall revert to the rate applicable to Prime Based Loans.

B/A, LIBOR and CDOR – Market Disruption

If the Bank determines, in its sole discretion, that a normal market in Canada for the purchase and sale of B/As or the making of CDOR or LIBOR Loans does not exist, any right of the Borrower to request a drawdown under the applicable borrowing option shall be suspended until the Bank advises otherwise. Any drawdown request for B/As, LIBOR or CDOR Loans, as applicable, during the suspension period shall be deemed to be a drawdown notice requesting a Prime Based Loan in an equivalent amount.

LIBOR Discontinuation

On the earliest of:

- (a) the date that the administrator of LIBOR has permanently or indefinitely ceased to make LIBOR available;
- (b) the governmental authority having jurisdiction over the administrator of LIBOR has made a public statement or publication of information announcing LIBOR is no longer representative; and

contract maturities without any amendment to, or further action or consent of any party to this Agreement. If the LIBOR Successor Rate is Daily Simple SOFR, all interest payments will be payable on a monthly basis unless otherwise agreed by the Bank. Notwithstanding anything else herein, any definition of the LIBOR Successor Rate (exclusive of any margin) shall provide that in no event shall such LIBOR Successor Rate be less than zero for the purposes of this Agreement.

The Bank does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to LIBOR or the LIBOR Successor Rate including without limitation, whether the composition or characteristics of the LIBOR Successor Rate, will be similar to, or produce the same value or economic equivalence of, LIBOR or have the same volume or liquidity as did LIBOR prior to its discontinuance or unavailability.

In connection with the implementation and administration of the LIBOR Successor Rate, the Bank will have the right to make LIBOR Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary in this Agreement or in any Bank Security or other document provided in connection herewith, any amendments implementing such LIBOR Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

The Bank will promptly notify the Borrower of (i) the occurrence of an Early Opt-in Election, (ii) the implementation of the LIBOR Successor Rate and (iii) the effectiveness of any LIBOR Replacement Conforming Changes. Any determination, decision or election that may be made by the Bank pursuant to this Section, including any determination with respect to a interest period, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section.

Cash Management

The Bank may, and the Borrower hereby authorizes the Bank to, drawdown under the Operating Loan or Farm Property Line of Credit to satisfy any obligations of the Borrower to the Bank in connection with any cash management service provided by the Bank to the Borrower. These changes can be made by the Bank providing written notice to the Borrower of such changes in the form of a specific waiver or a document constituting an amending agreement. The Borrower is not required to execute such waiver or amending agreement, unless the Bank requests the Borrower to sign such waiver or amending agreement. and the result of such occurrence is, in the sole determination of the Bank, to increase the cost of the Bank or to reduce the income received or receivable by the Bank hereunder, the Borrower shall, on demand by the Bank, pay to the Bank that amount which the Bank estimates will compensate it for such additional cost or reduction in income and the Bank's estimate shall be conclusive, absent manifest error.

17. EXPENSES

The Borrower shall pay, within 5 Business Days following notification, any fees and expenses (including but not limited to all legal fees) incurred by the Bank in connection with the preparation, registration, ongoing administration, and discharge of this Agreement and the Bank Security and with the enforcement of the Bank's rights and remedies under this Agreement and the Bank Security whether or not any amounts are advanced under the Agreement. These fees and expenses shall include, but not be limited to, any outside counsel fees and expenses, and any in-house legal fees and expenses (if in-house counsel are used), and any outside professional advisory fees and expenses, and any registration, renewal and discharge fees in connection with the Bank Security, including but not limited to, as applicable, land registry, intellectual property registry, Personal Property Security Act, and Le Registre des droits personnels et réels mobiliers fees as established by the applicable federal, provincial and/or territorial government(s) from time to time. The Borrower shall pay interest on unpaid amounts due pursuant to this paragraph at the All-In Rate plus 2% per annum.

Without limiting the generality of Section 25, the Bank or the Bank's agent, is authorized to debit any of the Borrower's accounts with the amount of the fees and expenses owed by the Borrower hereunder, including any registration, renewal and discharge fee as described in this section in connection with the Bank Security, even if that debiting creates an overdraft in any such account. If there are insufficient funds in the Borrower's accounts to reimburse the Bank or its agent for payment of the fees and expenses owed by the Borrower hereunder, the amount debited to the Borrower's accounts shall be deemed to be a Prime Based Loan under the Operating Loan or Farm Property Line of Credit.

The Borrower will, if requested by the Bank, sign a Pre-Authorized Payment Authorization in a format acceptable to the Bank to permit the Bank's agent to debit the Borrower's accounts as contemplated in this Section.

18. NON WAIVER

Any failure by the Bank to object to or take action with respect to a breach of this Agreement or any Bank Security or upon the occurrence of an Event of Default shall not constitute a waiver of the Bank's right to take action at a later date on that breach. No course of conduct by the Bank will give rise to any reasonable expectation which is in any way inconsistent with the terms and conditions of this Agreement and the Bank Security or the Bank's rights thereunder.

19. EVIDENCE OF INDEBTEDNESS

The Bank shall record on its records the amount of all loans made hereunder, payments made in respect thereto, and all other amounts becoming due to the Bank under this Agreement. The Bank's records constitute, in the absence of manifest error, conclusive evidence of the indebtedness of the Borrower to the Bank pursuant to this Agreement.

The Borrower will sign the Bank's standard form Letter of Credit Indemnity Agreement for all L/Cs and L/Gs issued by the Bank.

With respect to chattel mortgages taken as Bank Security, this Agreement is the Promissory Note referred to in same chattel mortgage, and the indebtedness incurred hereunder is the true indebtedness secured by the chattel mortgage.

20. ENTIRE AGREEMENTS

This Agreement replaces any previous letter agreements dealing specifically with terms and conditions of the credit facilities described in the Letter. Agreements relating to other credit facilities made available by the Bank continue to apply for those other credit facilities. This Agreement, and if applicable, the Letter of Credit Indemnity Agreement, are the entire agreements relating to the Facilities described in this Agreement.

21. NON-MERGER

Notwithstanding the execution, delivery or registration of the Bank Security and notwithstanding any advances made pursuant thereto, this Agreement shall continue to be valid, binding and enforceable and shall not merge as a result thereof. Any default under this Agreement shall constitute concurrent default under the Bank Security. Any default under the Bank Security shall constitute concurrent default under this Agreement. In the event of an

inconsistency between the terms of this Agreement and the terms of the Bank Security, the terms of this Agreement shall prevail and the inclusion of any term in the Bank Security that is not dealt with in this Agreement shall not be an inconsistency.

22. ASSIGNMENT

The Bank shall then be entitled to calculate a net termination value for all of the terminated FX Contracts which shall be the net sum of all the losses and gains arising from the termination of the FX Contracts which net sum shall be the "Close Out Value" of the terminated FX Contracts. The Borrower acknowledges that it shall be required to forthwith pay any positive Close Out Value owing to the Bank and the Bank shall be required to pay any negative Close Out Value owing to the Borrower, subject to any rights of set-off to which the Bank is entitled or subject.

25. SET-OFF

In addition to and not in limitation of any rights now or hereafter granted under applicable law, the Bank may at any time and from time to time without notice to the Borrower or any other Person, any notice being expressly waived by the Borrower, set-off and compensate and apply any and all deposits, general or special, time or demand, provisional or final, matured or unmatured, in any currency, and any other indebtedness or amount payable by the Bank (irrespective of the place of payment or booking office of the obligation), to or for the credit of or for the Borrower's account, including without limitation, any amount owed by the Bank to the Borrower under any FX Contract or other treasury or derivative product, against and on account of the indebtedness and liability under this Agreement notwithstanding that any of them are contingent or unmatured or in a different currency than the indebtedness and liability under this Agreement.

When applying a deposit or other obligation in a different currency than the indebtedness and liability under this Agreement to the indebtedness and liability under this Agreement, the Bank will convert the deposit or other obligation to the currency of the indebtedness and liability under this Agreement using the exchange rate determined by the Bank at the time of the conversion.

26. SEVERABILITY

In the event any one or more of the provisions of this Agreement shall for any reason, including under any applicable statute or rule of law, be held to be invalid, illegal or unenforceable, that part will be severed from this Agreement and will not affect the enforceability of the remaining provisions of this Agreement, which shall remain in full force and effect.

27. MISCELLANEOUS

- i) The Borrower has received a signed copy of this Agreement;

- ii) If more than one Person, firm or corporation signs this Agreement as the Borrower, each party is jointly and severally liable hereunder, and the Bank may require payment of all amounts payable under this Agreement from any one of them, or a portion from each, but the Bank is released from any of its obligations by performing that obligation to any one of them;

- (b) In holding any Collateral, the Bank and any agent or nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own or of similar value held in the same or similar location. The Bank and any agent or nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Grantor reasonably requests in writing, but failure of the Bank or its nominees to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

8. **Securities, Investment Property**

If Collateral at any time includes Securities, the Grantor authorizes the Bank to transfer all or any of such Securities into its own name or that of its nominee(s) so that the Bank or its nominee(s) may appear on record as the sole owner thereof; provided that, until default, the Bank shall deliver promptly to the Grantor all notices or other communications received by it or its nominee(s) as such registered owner and, upon demand and receipt of payment of any necessary expenses thereof, shall issue to the Grantor or its order a proxy to vote and take all action with respect to such Securities. After default, the Grantor waives all rights to receive any notices or communications received by the Bank or its nominee(s) as such registered owner and agrees that no proxy issued by the Bank to the Grantor or its order as aforesaid shall thereafter be effective.

Where any Investment Property is held in or credited to an account that has been established with a securities intermediary, the Bank may, at any time give a notice of exclusive control to any such securities intermediary with respect to such Investment Property.

The Grantor has not consented to and covenants that it will not consent to, the entering into of a Control Agreement by: (a) any issuer of any uncertificated securities included in or relating to the Collateral; or (b) any securities intermediary for any securities accounts or security entitlements included in or relating to the Collateral, other than, in either case, a Control Agreement to which the Bank is a party.

Promptly upon request from time to time by the Bank, the Grantor shall:

- (a) enter into and use reasonable commercial efforts to cause any securities intermediary for any securities accounts or securities entitlements included in or relating to the Collateral to enter into a Control Agreement with the Bank with respect to such securities accounts or securities entitlements as the Bank requires in form and substance satisfactory to the Bank; and
- (b) enter into and use reasonable commercial efforts to cause any issuer of any uncertificated securities included in or relating to the Collateral to enter into a Control Agreement with the Bank with respect to such uncertificated securities in form and substance satisfactory to the Bank.

9. **Dealing with Security Interest**

The Bank may grant extensions of time and other indulgences, give up any of the Security Interest, abstain from perfecting any of the Security Interest, accept compositions, grant releases and discharges and waive rights against and otherwise deal with the Grantor, Account Debtors of the Grantor, sureties and others and with any of the Collateral and any other security as the Bank may see fit without prejudice to the liability of the Grantor or the Bank's right to hold and realize any of the Security Interest. The Bank shall not be accountable to the Grantor for the value of any of the Security Interest released except for any moneys actually received by the Bank.

10. Deposits and Credit Balances

Without limiting any other rights or remedies of the Bank, the Bank may, without notice to the Grantor or any other Person, any notice being expressly waived by the Grantor, set-off and apply all or any of the amounts standing to or for the credit of the Grantor at the Bank or any of the Bank's affiliates, in any currency, against and on account of all or any part of the Obligations, all as the Bank may see fit, whether or not the Obligations or the amounts standing to or for the credit of the Grantor are due and payable. The Bank is authorized and shall be entitled to make such debits, credits, correcting entries, and other entries to the Grantor's accounts and the Bank's records relating to the Grantor as the Bank regards as desirable in order to give effect to the Bank's rights hereunder and the Grantor agrees to be bound by such entries absent manifest error. When applying a deposit or other obligation in a different currency than the Obligations to the Obligations, the Bank will convert the deposit or other obligation to the currency of the Obligations using the rate of exchange for the conversion of such currency as determined by the Bank or its agents and the Bank or its agent may earn revenue on such conversion.

11. Events of Default

Obligations not payable on demand shall, at the option of the Bank, become immediately due and payable upon the occurrence of one or more of the following events (each, an "event of default"):

 - (xi) to appoint a consultant or monitor, at the Grantor's expense, to evaluate the Grantor's business and the value of the Collateral, and to review the options available to the Bank; and
 - (xii) to appoint or reappoint by instrument in writing any person or persons, whether an officer or officers or employee or employees of the Bank or not, to be a receiver or receivers or a receiver and manager of the Collateral and remove or replace any person or persons so appointed or apply to any court for the appointment of a receiver or receiver and manager (each hereinafter called a "Receiver").
- (b) Any Receiver so appointed shall be deemed to be the agent of the Grantor and not the Bank, and the Grantor and not the Bank, shall be solely responsible for the Receiver's acts or defaults and for the Receiver's remuneration and expenses. The Bank shall not be in any way responsible for any misconduct, negligence or failure to act on the part of any such Receiver, its servants, agents or employees.
- (c) The Grantor agrees to pay all costs, charges and expenses incurred by the Bank or any Receiver appointed by the Bank, whether directly or for services rendered (including reasonable legal and auditors' costs and expenses and Receiver remuneration), in operating the Grantor's accounts, in preparing or enforcing this Agreement, taking and maintaining custody of, preserving, repairing, processing, preparing for disposition and disposing of Collateral and in enforcing or collecting the Obligations, and all such costs, charges and expenses, together with any amounts owing as a result of any borrowing by the Bank or any Receiver appointed by the Bank, as permitted hereby, shall be a first charge on the Collateral and shall be secured hereby.
- (d) The Bank will give the Grantor such notice, if any, of the date, time and place of any public sale or of the date after which any private disposition of Collateral is to be made as may be required by the PPSA.
- (e) Upon default and receiving written demand from the Bank, the Grantor agrees to take such further action as may be necessary to evidence and effect an assignment or licensing of intellectual property to whomever the Bank directs, including to the Bank. The Grantor appoints any officer or employee of the Bank to be its attorney in accordance with applicable legislation with full power of substitution, to do on the Grantor's behalf anything that is required to assign, license or transfer, and to record any assignment, license or transfer of the Collateral. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.
- (f) The Grantor authorizes the Bank to file such financing statements, financing change statements and other documents and do such acts, matters and things (including completing and adding schedules hereto identifying any Collateral or identifying the locations at which the Collateral is located and correcting any clerical errors or deficiencies in this Agreement) as the Bank may deem appropriate to perfect on an ongoing basis and continue the Security Interest, to protect and preserve Collateral and to realize upon the Security Interest. The Grantor hereby irrevocably constitutes and appoints the Bank and any of its officers or employees from time to time as the true and lawful attorney of the Grantor, with full power of substitution, to do any of the foregoing in the name of the Grantor whenever and wherever it may be deemed necessary or

expedient. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.

If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement including the expenses incurred by the Bank in connection with the preservation and realization of the Collateral as described above, the Grantor shall be liable to pay any deficiency to the Bank forthwith on demand.

13. Environmental License and Indemnity

The Grantor hereby grants to the Bank and its officers, employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, to enter any Real Property to conduct investigations, inspections, audits, testing and monitoring with respect to any contaminants or hazardous substances and to remove and analyze samples of any contaminants or hazardous substances at the cost and expense of the Grantor (which cost and expense will form part of the Obligations and will be payable immediately on demand and secured hereby). The Grantor hereby indemnifies and will indemnify the Bank and agrees to hold the Bank harmless against and from all losses, fines, penalties, costs, damages and expenses which the Bank may sustain, incur or be held to be or for which it may become liable, at any time whatsoever for or by reason of or arising from the past, present or future presence of or, clean-up, removal or disposal of any contaminants or hazardous substances from, on, under or adjacent to any Real Property owned by the Grantor or which may become owned or occupied by the Bank or as a result of the Bank's compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any Real Property owned or occupied by the Grantor or other affected or adjacent lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Obligations created hereby.

**TD Bank Group
Guarantee**

This Guarantee is made as of the 22 day of June, 2023.

Whereas the undersigned (each hereinafter referred to as the "Guarantor") has agreed to provide The Toronto-Dominion Bank (hereinafter referred to as the "Bank") with a guarantee of the Obligations (as hereinafter defined) of

M & F LeBlanc Oil Ltd, a body corporate having its registered office at 9569 Main Street, Richibucto, New Brunswick E4W 4C3
(the "Customer");

And whereas the Guarantor has agreed that if the guarantee herein is not enforceable, the Guarantor will indemnify the Bank or be liable as primary obligor.

NOW THEREFORE, in consideration of the Bank dealing with the Customer now or in the future and/or for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor agrees with the Bank as follows:

1. Obligations Guaranteed

The Guarantor unconditionally and irrevocably guarantees payment of all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, wheresoever and howsoever incurred of the Customer to the Bank, whether arising from dealings between the Bank and the Customer or from other dealings or proceedings by which the Bank may be or become in any manner whatsoever a creditor of the Customer, in any currency, whether incurred by the Customer alone or jointly with another or others and whether as a indemnitor or surety, including interest thereon and all amounts owed by the Customer for fees, costs and expenses (collectively referred to as the "Obligations").

2. Extent of Guarantor's Liability unlimited

3. Indemnity/Primary Obligation

If (i) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 for any reason, the Guarantor will, as a separate and distinct obligation, indemnify and save harmless the Bank from and against all losses resulting from the failure of the Customer to pay such Obligations, and (ii) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 or the Bank is not indemnified under clause (i) above of this Section 3, for any reason, such Obligations will, as a separate and distinct obligation, be paid by and recoverable from the Guarantor as primary obligor.

The liabilities of the Guarantor under Section 1 and each of clauses (i) and (ii) of this Section 3 are separate and distinct from each other, but the provisions of this Agreement shall apply to each of such liabilities unless the context otherwise requires.

4. Nature of Guarantor's Liability

The liability of the Guarantor under this Guarantee is continuing, absolute and unconditional and will not be affected by any act, omission, event or circumstance that might constitute a legal or equitable defence (any and all such legal and equitable defences are hereby expressly waived by the Guarantor) to or a discharge, limitation or reduction of the liability of the Guarantor hereunder, other than as a result of the indefeasible payment in full of the Obligations, including:

- (a) the unenforceability of any of the Obligations for any reason, including as a result of the act of any governmental authority;

- (b) any irregularity, fraud, illegality, defect or lack of authority or formality in incurring the Obligations, notwithstanding any inquiry that may or may not have been made by the Bank;
- (c) failure of the Bank to comply with or perform any agreements relating to the Obligations;
- (d) any discontinuance, renewal, extension, increase or reduction in the amount, or any other variance of any loans or credits now or hereafter made available to the Customer by the Bank or guaranteed by the Customer to the Bank or any other change to any of the terms or conditions of any of the Obligations (including, without limitation, respecting rates of interest, fees or charges, maturity dates), or any waiver by the Bank respecting any of the Obligations;
- (e) the taking of or the failure by the Bank to take a guarantee from any other person;
- (f) any release, compromise, settlement or any other dealing with any person, including any other Guarantor;
- (g) the reorganization of the Customer or its business (whether by amalgamation, merger, transfer, sale or otherwise); and in the case of an amalgamation or merger, the liability of the Guarantor shall apply to the Obligations of the resulting or continuing entity and the term "Customer" shall include such resulting or continuing entity;
- (h) the current financial condition of the Customer and any change in the Customer's financial condition;
- (i) any change in control or ownership of the Customer, or if the Customer is a general or limited partnership, any change in the membership of that partnership or other entity;
- (j) any change in the name, articles or other constituting documents of the Customer, or its objects, business or capital structure;
- (k) the bankruptcy, winding-up, dissolution, liquidation or insolvency of the Customer or any proceedings being taken by or against the Customer with respect thereto, and any stay of or moratorium on proceedings by the Bank against the Customer as a result thereof;
- (l) a breach of any duty of the Bank (whether fiduciary or in negligence or otherwise) and whether owed to the Guarantor, the Customer or any other person;
- (m) any lack or limitation of power, capacity or legal status of the Customer, or, if the Customer is an individual, the death of the Customer;
- (n) the Customer's account being closed or the Bank ceasing to deal with the Customer;
- (o) any taking or failure to take any security by the Bank, any loss of or diminution in value of any security, the invalidity, unenforceability, subordination, postponement, release, discharge or substitution, in whole or in part, of any security, or the failure to perfect or maintain perfection or enforce any security; or
- (p) any failure or delay by the Bank in exercising any right or remedy respecting the Obligations or under any security or guarantee.

5. Continuing Guarantee

The obligations of the Guarantor hereunder will constitute and be continuing obligations and will apply to and secure any ultimate balance due or remaining due to the Bank and will not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Bank. This Guarantee will continue to be effective even if at any time any payment of any of the Obligations is rendered unenforceable or is rescinded or must otherwise be returned by the Bank as a result of the occurrence of any action or event, including the insolvency, bankruptcy or reorganization of the Customer or the Guarantor, all as though such payment had not been made.

6. Demand for Payment

The Guarantor shall make payment to the Bank under this Guarantee immediately upon receipt of a written demand for payment from the Bank. If any Obligation is not paid by the Customer when due, the Bank may treat all Obligations as due and payable by the Customer and may demand immediate payment under this Guarantee of all or some of the Obligations whether such other Obligations would otherwise be due and payable by the Customer at such time or whether or not any demands, steps or proceedings have been made or taken by the Bank against the Customer or any other person respecting all or any of the Obligations. If any stay of or moratorium on proceedings by the Bank against the Customer is imposed in respect of any Obligation, the Bank may nevertheless demand immediate payment of such Obligation from the Guarantor as if such Obligation was due and payable by the Customer.

7. Interest

If the Guarantor does not make immediate payment in full of the Obligations when demand for payment has been made by the Bank, the Guarantor shall pay interest on any unpaid amount to the Bank at the highest rate of interest per annum that is charged on any Obligations for which payment has been demanded hereunder and which remain unpaid.

8. State of Account

The records of the Bank in respect of the Obligations will be prima facie evidence of the balance of the amount of the Obligations that are due and payable by the Customer to the Bank.

9. Application of Moneys Received

The Bank may, without notice and demand of any kind and at any time, apply any money received from the Guarantor, the Customer or any other person (including arising from any security that the Bank may from time to time hold) or any balance in any account of the Guarantor held at the Bank or any of the Bank's affiliates, to such part of the Obligations, whether due or to become due, as the Bank in its sole and absolute discretion considers appropriate, or may, in its sole and absolute discretion, refrain from applying any such money. The Bank may also revoke and alter any such application in whole or in part. If any amount that is to be applied is in a currency other than the currency of the Obligation to which such amount is to be applied, then the amount that is applied shall be converted from one currency to another using the rate of exchange for the conversion of such currency as determined by the Bank or its agents and the Bank or its agent may earn revenue on such conversion.

10. No Set-off or Counterclaim

The Guarantor will make all payments required to be made under this Guarantee without claiming or asserting any right of setoff or counterclaim that the Guarantor has or may have against the Customer or the Bank, all of which rights the Guarantor waives.

11. Exhausting Recourse

The Bank is not required to take any proceedings, exhaust its recourse against the Customer or any other Guarantor or person or under any security the Bank may from time to time hold, or take any other action, before being entitled to demand payment from the Guarantor under this Guarantee, and the Guarantor waives all benefits of discussion and division.

12. No Representations

There are no representations, warranties, terms, conditions, undertakings or collateral agreements, express, implied or statutory, between the parties except as expressly set forth herein. The Bank will not be bound by any representations or promises made by Customer to the Guarantor and possession of this Guarantee by the Bank will be conclusive evidence against the Guarantor that this Guarantee was not delivered in escrow or pursuant to any agreement that it should not be effective until any condition precedent or subsequent has been complied with, and this Guarantee will be binding on each Guarantor who has signed this Guarantee notwithstanding the non-execution thereof by any proposed guarantor.

13. Postponement and Assignment

The Guarantor hereby postpones payment of all present and future debts and liabilities of the Customer to the Guarantor, and as security for payment of the Obligations, the Guarantor hereby assigns such debts and liabilities to the Bank and agrees that all moneys received from the Customer by or on behalf of the Guarantor shall be held in trust for the Bank and forthwith upon receipt paid over to the Bank, all without prejudice to and without in any way limiting or lessening the liability of the Guarantor to the Bank under this Guarantee. This assignment and postponement is independent of the guarantee, indemnity and primary obligor obligations contained in this Guarantee and will remain in full force and effect until, in the case of the assignment, the liability of the Guarantor under this Guarantee has been discharged or terminated and, in the case of the postponement, until all Obligations are performed and indefeasibly paid in full.

14. Subrogation

The Guarantor will not be entitled to be subrogated to the rights of the Bank against the Customer, to be indemnified by the Customer or to claim contribution from any other Guarantor until the Guarantor makes indefeasible payment to the Bank of all amounts owing by the Guarantor to the Bank under this Guarantee and the Obligations are indefeasibly paid in full.

15. Bankruptcy of Customer

Upon the bankruptcy or winding up or other distribution of assets of the Customer or of any surety or Guarantor for the Obligations, the Bank's rights shall not be affected by the Bank's failure to prove its claim and the Bank may prove such claim if and in any manner as it deems appropriate in its sole discretion. The Bank may value as it sees fit or refrain from valuing any security held by the Bank without in any way releasing, reducing or otherwise affecting the liability of the Guarantor to the Bank, and until all the Obligations of the Customer to the Bank have been indefeasibly paid in full, the Bank shall have the right to include in its claim the amount of all sums paid by the Guarantor to the Bank under this Guarantee and to prove and rank for and receive dividends in respect of such claim, any and all right to prove and rank for such sums paid by the Guarantor and to receive the full amount of all dividends in respect thereto being hereby assigned and transferred to the Bank.

16. Costs and Expenses

The Guarantor agrees to pay all costs and expenses, including legal fees, of enforcing this Guarantee including the charges and expenses of the Bank's in-house lawyers. The Guarantor will pay all legal fees on a solicitor and own client basis.

17. Other Guarantees and Security

The liability of the Guarantor under any other guarantee or guarantees given to the Bank in connection with the Obligations shall not be affected by this Guarantee, nor shall this Guarantee affect or be affected by the endorsement by the Guarantor of any note or notes of the Customer, the intention being that the liability of the Guarantor under such other guarantee or guarantees and this Guarantee, and under such other note or notes and this Guarantee, shall be cumulative. Nor shall the Bank be required to marshal in favour of the Guarantor other guarantees granted by other persons or any security, money or other property that the Bank may be entitled to receive or may have a claim upon.

18. Amendment and Waivers

No amendment to this Guarantee will be valid or binding unless set forth in writing and duly executed by the Guarantor and the Bank. No waiver by the Bank of any breach of any provision of this Guarantee will be effective or binding unless made in writing and signed by the Bank and, unless otherwise provided in the written waiver, will be limited to the specific breach waived. No delay in the exercise of any right or remedy by the Bank shall operate as a waiver thereof. No failure to exercise a right or remedy or partial exercise of a right or remedy by the Bank shall preclude other or further exercise thereof or the exercise of any other right or remedy by the Bank.

19. Discharge

The Guarantor will not be released or discharged from its obligations hereunder except by a written release or discharge signed by the Bank.

20. General

This Guarantee shall be binding on the successors of the Guarantor or, if the Guarantor is an individual, the heirs, executors, administrators and other legal representatives of the Guarantor, and shall enure to the benefit of the successors and assigns of the Bank.

If more than one Guarantor has signed this Guarantee, each Guarantor shall be jointly and severally liable under this Guarantee.

FLOATING RATE ADDENDUM (Lease/Loan/Conditional Sale Contract)

This Floating Rate Addendum forms part of and is subject to all of the terms of that certain lease/loan/conditional sale contract (the "Contract") dated as of the 26th day of May, 2023, Contract No. 23011730 between M & F LEBLANC OIL LTD. (the "Customer") and TD Equipment Finance Canada, a division of The Toronto-Dominion Bank ("TDEF").

For good and valuable consideration, the parties agree that the terms and conditions of the Contract shall be modified as provided for below:

1. Floating Rate Adjustments to Payments:

The Customer and TDEF agree that each periodic payment (meaning the rental payment, loan payment or installment payment, as the case may be, herein referred to as the "Payment") under the Contract shall be subject to adjustment as follows:

a. Selection of "Base Rate": For purposes of this Floating Rate Addendum, Base Rate means one of the following rates selected by the Customer: (check one)

☐ **TD Prime Rate (Canadian):** means the floating annual rate of interest as announced from time to time by the Toronto-Dominion Bank in Toronto Ontario as a point of reference for Canadian dollar loans in Canada.

☐ **TD U.S. Prime Rate:** means the rate of interest per annum (based on a 365 day year) established by the Bank from time to time as the reference rate of interest for the determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness for US dollar loans made by it in Canada.

☐ **LIBOR:** means the rate of interest per annum (based on a 360 day year) as determined by the Bank (rounded upwards, if necessary to the nearest whole multiple of 1/16th of 1%) at which the Bank may make available United States dollars with a maturity of 3 months which are obtained by the Bank in the Interbank Euro Currency Market, London, England at approximately 11:00 a.m. (Toronto time) on the second Business Day before the first day of, and in an amount similar to, and for the period similar to the interest period of, such advance.

☐ **BA Rate:** means the three-month banker's acceptance rate as published in the Money Rates section of the Globe and Mail.

b. How the Payment is adjusted: The Payment under the Contract is computed on a floating rate basis as described below:

(i) The initial Payment as set out in the Contract is computed using an annual interest rate which is the sum of the then applicable Base Rate (checked above) of 6.70% plus 0.00 basis points, for a total of 6.70% (the "Annual Interest Rate").

(ii) Any change to the Base Rate means the Annual Interest Rate used to compute the Payment will also change and this in turn will change the amount of each remaining Payment due under the Contract.

(iii) Several adjustments to the Payment may be made during the term of the Contract as the Annual Interest Rate changes.

(iv) If the Annual Interest Rate increases (as a result of an increase in the Base Rate), TDEF will re-compute the Payment and this will result in an increase in the amount of each remaining Payment required to be paid during the term, without notice to the Customer.

(v) If the Annual Interest Rate decreases (as a result of a decrease in the Base Rate), TDEF will re-compute the Payment and this will result in a decrease in the amount of each remaining Payment required to be paid during the term, without notice to the Customer.

c. Fixing Your Interest Rate:

(i) At any time during the remaining term of the Contract, Customer shall have the option, provided the Customer is not in breach of its obligations under the Contract, upon payment of a \$500 administration fee (plus applicable taxes) and upon at least sixty (60) days prior written notice to TDEF, to change payments for the remaining term of the Contract from a floating rate basis to a fixed rate basis starting from the next Payment due date, following the expiry of the said sixty (60) day notice period (the "Fixing Date").

(ii) If such option is exercised then the rate used for purpose of computing the revised Payment shall be the Annual Interest Rate as of the Fixing Date.

(iii) From and including the Fixing Date and on each Payment due date during the remaining term of the Contract, the Customer shall pay the revised Payment computed using the Annual Interest Rate as of the Fixing Date.

(iv) No further adjustments shall be made to the Payment during the remaining term of the Contract.

2. The parties expressly acknowledges and agrees that if the Contract is a lease, that any changes to a Payment will result also result in consequential changes to the applicable taxes on such adjusted Payment.

3. The parties also expressly acknowledge and agree to all other consequential changes to the Contract (and its administration) which are necessary to fully implement and operationalize the provisions and purposes of this Floating Rate Addendum. The parties agree that the Contract shall be read and construed for all purposes as if such consequential changes have been made to it.

4. Except as provided for in this Floating Rate Addendum all other terms and conditions of Contract remain in full force and effect, un-amended.

5. In the event of conflict between the provisions of this Floating Rate Addendum and the Contract, the provisions of this Floating Rate Addendum shall prevail.

The Bank shall have the right at any time and from time to time to verify the existence and state of the Collateral in any manner the Bank may consider appropriate and the Grantor agrees to furnish all assistance and information and to perform all such acts as the Bank may reasonably request in connection therewith and for such purpose to grant to the Bank or its agents access to all places where Collateral may be located and to all premises occupied by the Grantor;

- (j) **Further Assurances.** The Grantor will from time to time forthwith, at the expense of the Grantor, duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Bank may request for the purpose of obtaining or preserving the benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Collateral) and for the purpose of correcting any deficiencies or clerical errors in this Agreement; and
- (k) **Landlord Agreement.** The Grantor will, at the request of the Bank, obtain a written agreement from each landlord of premises where any of the Collateral is located, in favour of the Bank and in form and substance satisfactory to the Bank, whereby such landlord agrees to give notice to the Bank of any default by the Grantor under the lease and a reasonable opportunity to cure such default prior to the exercise of any remedies by the landlord and acknowledges the Security Interest created by this Agreement and the right of the Bank to enforce the Security Interest created by this Agreement in priority to any claim of such landlord, including the right of the landlord to distrain on the Collateral for arrears of rent.

6. Survival of Representations and Warranties and Covenant

All agreements, representations, warranties and covenants made by the Grantor in this Agreement are material, will be considered to have been relied on by the Bank and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Bank and any disposition or payment of the Obligations until the indefeasible repayment and performance in full of the Obligations.

7. Performance of Covenants by the Bank

- (a) The Bank may, in its sole discretion and upon notice to the Grantor, perform any covenant of the Grantor under this Agreement that the Grantor fails to perform including any covenant the performance of which requires the payment of money, provided that the Bank will not be obligated to perform such covenant on behalf of the Grantor. The performance by the Bank of any such covenant shall not oblige the Bank to continue to perform any such covenant or other covenants nor relieve the Grantor from any default or derogate from the rights and remedies of the Bank under this Agreement. The Grantor agrees to indemnify and to reimburse the Bank for all costs and expenses incurred by the Bank in connection with the performance by it of any such covenant, and all such costs and expenses shall be payable by the Grantor to the Bank on demand, shall bear interest at the highest rate per annum applicable to any of the Obligations, calculated and compounded monthly, and shall be added to and form part of the Obligations.
- (b) In holding any Collateral, the Bank and any agent or nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own or of similar value held in the same or similar location. The Bank and any agent or nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Grantor reasonably requests in writing, but failure of the Bank or its nominees to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

8. Dealing with Security Interest

The Bank may grant extensions of time and other indulgences, give up any of the Security Interest, abstain from perfecting any of the Security Interest, accept compositions, grant releases and discharges and waive rights against and otherwise deal with the Grantor, debtors of the Grantor, sureties and others and with any of the Collateral and any other security as the Bank may see fit without prejudice to the liability of the Grantor or the Bank's right to hold and realize any of the Security Interest. The Bank shall not be accountable to the Grantor for the value of any of the Security Interest released except for any moneys actually received by the Bank.

9. Events of Default

Obligations not payable on demand shall, at the option of the Bank, become immediately due and payable upon the occurrence of one or more of the following events (each, an "event of default"):

- (a) the Grantor fails to pay when due, whether by acceleration or otherwise, any of the Obligations;
- (b) the Grantor fails to perform any provision of this Agreement or of any other agreement to which the Grantor and the Bank are parties;

- (d) the Grantor ceases or threatens to cease to carry on business, commits an act of bankruptcy, becomes insolvent, proceedings or other actions are taken by or against the Grantor under the Bankruptcy and Insolvency Act (Canada), the Companies' Creditors Arrangement Act (Canada) or similar legislation whether in Canada or elsewhere, or the Grantor transfers all or substantially all of its assets to another Person;

- (f) the institution by or against the Grantor of any formal or informal proceeding for the dissolution or liquidation or settlement of claims against or winding up of affairs of the Grantor;
- (g) an encumbrancer takes possession of any of the Collateral or any process of execution or distress is levied or enforced upon or against any of the Collateral;
- (h) any indebtedness or liability of the Grantor, other than to the Bank, becomes due and payable, or capable of being declared due and payable, before the stated maturity thereof or any such indebtedness or liability shall not be paid at the maturity thereof or upon the expiration of any stated applicable grace period thereof, or the Grantor fails to make payment when due under any guarantee given by the Grantor;
- (i) if the Grantor is an individual, the Grantor dies or is found by a court to be incapable of managing his or her affairs;
- (j) an execution or any other process of any court shall become enforceable against the Grantor;
- (k) if the Grantor is a partnership, the death of a partner; or
- (l) any other event which causes the Bank, in good faith, to deem itself insecure; and the Bank shall not be required to make any further advances or other extension of credit that constitutes an Obligation.

10. Remedies

- (a) Upon the occurrence of an event of default that has not been cured or waived, the Bank, in addition to any right or remedy otherwise provided herein or by law, will have the rights and remedies set out below, which may be enforced successively or concurrently:
 - (i) to take such steps as the Bank considers desirable to maintain, preserve or protect the Collateral or its value;
 - (ii) to take possession of the Collateral and require the Grantor to assemble the Collateral and deliver or make the Collateral available to the Bank at such place as may be specified by the Bank and the Bank will not be or be deemed to be a mortgagee in possession by virtue of any such actions;
 - (iii) to exercise and enforce all rights and remedies of the Grantor with respect to the Collateral;
 - (iv) to carry on or concur in carrying on all or any part of the business of the Grantor;
 - (v) for the maintenance, preservation or protection of the Collateral or for carrying on any of the business of the Grantor, to borrow money on the security of the Collateral, which security will rank in priority to the Security Interest, or on an unsecured basis;
 - (vi) to the exclusion of all others, including the Grantor, to enter upon, occupy and use all or any of the premises, buildings and plants owned or occupied by the Grantor and use all or any of the Collateral of the Grantor for such time as the Bank requires to facilitate the preservation and realization of the Collateral, free of charge, and the Bank will not be liable to the Grantor for any neglect in so doing or in respect of any rent, charges, depreciation or damages in connection with such actions;
 - (vii) to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of the Collateral upon such terms and conditions as the Bank may determine;
 - (viii) to dispose of any of the Collateral in the condition in which it was at the date possession of it was taken, or after any commercially reasonable repair, processing or preparation thereof for disposition;
 - (ix) if any part of the Collateral is perishable or will decline speedily in value, to sell or otherwise dispose of same without giving any notice of such disposition;
 - (x) to make any arrangement or compromise which the Bank shall think expedient in the interests of the Bank;
 - (xi) to appoint a consultant or monitor, at the Grantor's expense, to evaluate the value of the Collateral, and to review the options available to the Bank; and
 - (xii) to appoint or reappoint by instrument in writing any person or persons, whether an officer or officers or employee or employees of the Bank or not, to be a receiver or receivers or a receiver and manager of the Collateral and remove or replace any person or persons so appointed or apply to any court for the appointment of a receiver or receiver and manager (each hereinafter called a "Receiver").
- (b) Any Receiver so appointed shall be deemed to be the agent of the Grantor and not the Bank, and the Grantor and not the Bank, shall be solely responsible for the Receiver's acts or defaults and for the Receiver's remuneration and expenses. The Bank shall not be in any way responsible for any misconduct, negligence or failure to act on the part of any such Receiver, its servants, agents or employees.
- (c) The Grantor agrees to pay all costs, charges and expenses incurred by the Bank or any Receiver appointed by the Bank, whether directly or for services rendered (including reasonable legal and auditors' costs and expenses and Receiver remuneration), in operating the Grantor's accounts, in preparing or enforcing this Agreement, taking and maintaining custody of, preserving, repairing, processing, preparing for disposition and disposing of the Collateral and in enforcing or collecting the Obligations, and all such costs, charges and expenses, together with any amounts owing as a result of any borrowing by the Bank or any Receiver appointed by the Bank, as permitted hereby, shall be a first charge on the Collateral and shall be secured hereby.
- (d) The Bank will give the Grantor such notice, if any, of the date, time and place of any public sale or of the date after which any private disposition of the Collateral is to be made as may be required by the PPSA.
- (e) The Grantor appoints any officer or employee of the Bank to be its attorney in accordance with applicable legislation with full power of substitution, to do on the Grantor's behalf anything that is required to assign, license or transfer, and to record any assignment, license or transfer of the Collateral. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.
- (f) The Grantor authorizes the Bank to file such financing statements, financing change statements and other documents and do such acts, matters and things

(including completing and adding schedules hereto identifying any Collateral or identifying the locations at which the Collateral is located and correcting any clerical errors or deficiencies in this Agreement) as the Bank may deem appropriate to perfect on an ongoing basis and continue the Security Interest, to protect and preserve the Collateral and to realize upon the Security Interest. The Grantor hereby irrevocably constitutes and appoints the Bank and any of its officers or employees from time to time as the true and lawful attorney of the Grantor, with full power of substitution, to do any of the foregoing in the name of the Grantor whenever and wherever it may be deemed necessary or expedient. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.

If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement including the expenses incurred by the Bank in connection with the preservation and realization of the Collateral as described above, the Grantor shall be liable to pay any deficiency to the Bank forthwith on demand.

- (c) **Amalgamation.** The Grantor acknowledges and agrees that in the event it amalgamates with any other company or companies it is the intention of the parties hereto that the term "Grantor" when used herein shall apply to each of the amalgamating companies and to the amalgamated company, such that the Security Interest granted hereby shall (i) extend to any "Collateral" in which the amalgamated company thereafter has any rights, and (ii) shall secure the "Obligations" (as that term is herein defined) of each of the amalgamating companies and the amalgamated company to the Bank at the time of amalgamation and any "Obligations" of the amalgamated company to the Bank thereafter arising.

Furthermore, the Bank may remedy any default by the Grantor hereunder or with respect to any Obligations in any reasonable manner without waiving the default remedied and without waiving any other prior or subsequent default by the Grantor. No course of conduct of the Bank will give rise to any reasonable expectation which is in any way inconsistent with the terms and conditions of this Agreement or the Bank's rights hereunder. All rights and remedies of the Bank granted or recognized herein are cumulative and may be exercised at any time and from time to time independently or in combination.

6. Survival of Representations and Warranties and Covenant

All agreements, representations, warranties and covenants made by the Grantor in this Agreement are material, will be considered to have been relied on by the Bank and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Bank and any disposition or payment of the Obligations until the indefeasible repayment and performance in full of the Obligations.

7. Performance of Covenants by the Bank

- (a) The Bank may, in its sole discretion and upon notice to the Grantor, perform any covenant of the Grantor under this Agreement that the Grantor fails to perform including any covenant the performance of which requires the payment of money, provided that the Bank will not be obligated to perform such covenant on behalf of the Grantor. The performance by the Bank of any such covenant shall not oblige the Bank to continue to perform any such covenant or other covenants nor relieve the Grantor from any default or derogate from the rights and remedies of the Bank under this Agreement. The Grantor agrees to indemnify and to reimburse the Bank for all costs and expenses incurred by the Bank in connection with the performance by it of any such covenant, and all such costs and expenses shall be payable by the Grantor to the Bank on demand, shall bear interest at the highest rate per annum applicable to any of the Obligations, calculated and compounded monthly, and shall be added to and form part of the Obligations.
- (b) In holding any Collateral, the Bank and any agent or nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own or of similar value held in the same or similar location. The Bank and any agent or nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Grantor reasonably requests in writing, but failure of the Bank or its nominees to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

8. Dealing with Security Interest

The Bank may grant extensions of time and other indulgences, give up any of the Security Interest, abstain from perfecting any of the Security Interest, accept compositions, grant releases and discharges and waive rights against and otherwise deal with the Grantor, debtors of the Grantor, sureties and others and with any of the Collateral and any other security as the Bank may see fit without prejudice to the liability of the Grantor or the Bank's right to hold and realize any of the Security Interest. The Bank shall not be accountable to the Grantor for the value of any of the Security Interest released except for any moneys actually received by the Bank.

9. Events of Default

Obligations not payable on demand shall, at the option of the Bank, become immediately due and payable upon the occurrence of one or more of the following events (each, an "event of default"):

- (h) any indebtedness or liability of the Grantor, other than to the Bank, becomes due and payable, or capable of being declared due and payable, before the stated maturity thereof or any such indebtedness or liability shall not be paid at the maturity thereof or upon the expiration of any stated applicable grace period thereof, or the Grantor fails to make payment when due under any guarantee given by the Grantor;
- (i) if the Grantor is an individual, the Grantor dies or is found by a court to be incapable of managing his or her affairs;
- (j) an execution or any other process of any court shall become enforceable against the Grantor;
- (k) if the Grantor is a partnership, the death of a partner; or

 - (a) to take such steps as the Bank considers desirable to maintain, preserve or protect the Collateral or its value;

 - (c) to exercise and enforce all rights and remedies of the Grantor with respect to the Collateral;
 - (d) to carry on or concur in carrying on all or any part of the business of the Grantor;
 - (e) for the maintenance, preservation or protection of the Collateral or for carrying on any of the business of the Grantor, to borrow money on the security of the Collateral, which security will rank in priority to the Security Interest, or on an unsecured basis;
 - (f) to the exclusion of all others, including the Grantor, to enter upon, occupy and use all or any of the premises, buildings and plants owned or occupied by the Grantor and use all or any of the Collateral of the Grantor for such time as the Bank requires to facilitate the preservation and realization of the Collateral, free of charge, and the Bank will not be liable to the Grantor for any neglect in so doing or in respect of any rent, charges, depreciation or damages in connection with such actions;
 - (g) to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of the Collateral upon such terms and conditions as the Bank may determine;
 - (h) to dispose of any of the Collateral in the condition in which it was at the date possession of it was taken, or after any commercially reasonable repair, processing or preparation thereof for disposition;

This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.
- (f) The Grantor authorizes the Bank to file such financing statements, financing change statements and other documents and do such acts, matters and things

(including completing and adding schedules hereto identifying any Collateral or identifying the locations at which the Collateral is located and correcting any clerical errors or deficiencies in this Agreement) as the Bank may deem appropriate to perfect on an ongoing basis and continue the Security Interest, to protect and preserve the Collateral and to realize upon the Security Interest. **FLOATING RATE ADDENDUM**
(Lease/Loan/Conditional Sale Contract)

This Floating Rate Addendum forms part of and is subject to all of the terms of that certain lease/loan/conditional sale contract (the "Contract") dated as of the 13th day of December, Contract No.24045240 between M & F LEBLANC OIL LTD. (the "Customer") and TD Equipment Finance Canada, a division of The Toronto-Dominion Bank ("TDEF").

For good and valuable consideration, the parties agree that the terms and conditions of the Contract shall be modified as provided for below:

1. Floating Rate Adjustments to Payments:

The Customer and TDEF agree that each periodic payment (meaning the rental payment, loan payment or installment payment, as the case may be, herein referred to as the "Payment") under the Contract shall be subject to adjustment as follows:

- a. **Selection of "Base Rate":** For purposes of this Floating Rate Addendum, Base Rate means one of the following rates selected by the Customer: (check one)
 - ☒ **TD Prime Rate (Canadian):** means the floating annual rate of interest as announced from time to time by the Toronto-Dominion Bank in Toronto Ontario as a point of reference for Canadian dollar loans in Canada.
 - ☐ **TD U.S. Prime Rate:** means the floating annual rate of interest as announced from time to time by the Toronto-Dominion Bank as a point of reference for US dollar loans in Canada.
 - b. **How the Payment is adjusted:** The Payment under the Contract is computed on a floating rate basis as described below:
 - (i) The initial Payment as set out in the Contract is computed using an annual interest rate which is the sum of the then applicable Base Rate (checked above) which is currently 5.95% plus 1.00 basis points, for a prevailing total of 6.95 % (the "Annual Interest Rate").
 - (ii) Any change to the Base Rate means the Annual Interest Rate used to compute the Payment will also change and this in turn will change the amount of each remaining Payment due under the Contract.
 - (iii) Several adjustments to the Payment may be made during the term of the Contract as the Annual Interest Rate changes.
 - (iv) If the Annual Interest Rate increases (as a result in an increase in the Base Rate), TDEF will re-compute the Payment and this will result in an increase in the amount of each remaining Payment required to be paid during the term, without notice to the Customer.
 - (v) If the Annual Interest Rate decreases (as a result of a decrease in the Base Rate), TDEF will re-compute the Payment and this will result in a decrease in the amount of each remaining Payment required to be paid during the term, without notice to the Customer.
 - (vi) Annual Interest Rate will never be less than zero. If the Base Rate changes, resulting in an Annual Interest Rate that is a negative number, the interest rate will be 0.00%.
 - c. **Fixing Your Interest Rate:**
 - (i) At any time during the remaining term of the Contract, Customer shall have the option, provided the Customer is not in breach of its obligations under the Contract, upon payment of a \$750 administration fee (plus applicable taxes) and upon at least sixty (60) days prior written notice to TDEF, to change payments for the remaining term of the Contract from a floating rate basis to a fixed rate basis starting from the next Payment due date, following the expiry of the said sixty (60) day notice period (the "Fixing Date").
 - (ii) If such option is exercised, then the rate used for purpose of computing the revised Payment shall be the Annual Interest Rate as of the Fixing Date.
 - (iii) From and including the Fixing Date and on each Payment due date during the remaining term of the Contract, the Customer shall pay the revised Payment computed using the Annual Interest Rate as of the Fixing Date.
 - (iv) No further adjustments shall be made to the Payment during the remaining term of the Contract.
2. The parties expressly acknowledge and agree that if the Contract is a lease, that any changes to a Payment will result also result in consequential changes to the applicable taxes on such adjusted Payment.
 3. The parties also expressly acknowledge and agree to all other consequential changes to the Contract (and its administration) which are necessary to fully implement and operationalize the provisions and purposes of this Floating Rate Addendum. The parties agree that the Contract shall be read and construed for all purposes as if such consequential changes have been made to it.
 4. Except as provided for in this Floating Rate Addendum all other terms and conditions of Contract remain in full force and effect, un-amended.

5. In the event of conflict between the provisions of this Floating Rate Addendum and the Contract, the provisions of this Floating Rate Addendum shall prevail.

Dear Sirs:

Re: Debt Owning to The Toronto-Dominion Bank

We represent The Toronto-Dominion Bank (the "**Bank**") with respect to a Letter of Agreement dated April 20, 2023, as amended, with respect to a Operating Loan in the amount of \$7,000,000.00 (the "**Operating Loan**") and Mortgage Loan (the "**Mortgage Loan**") , in an amount of \$510,000.00 between the Bank, as the Lender, and M & F LeBlanc Oil Ltd. Pursuant to the Agreement, the Operating Loan bears interest at the Bank's Prime Rate of Interest plus 1.00% per annum and the Mortgage Loan bears interest at the Bank's Prime Rate of Interest. As at January 28, 2026, the Bank's Prime Rate is 4.45%.

We understand that the Agreement also contained Ancillary Facilities, namely, two Equipment loans in the aggregate amount of \$350,000.00, with TD Equipment Finance Canada, a division of the Bank.

As at January 22, 2026, the Corporation is indebted to the Bank pursuant to the Agreement in the total amount of \$7,992,226.99, broken down as follows:

The Corporation has defaulted on its obligations to the Bank pursuant to the Agreement by failing to make the requisite payments.

McINNES COOPER

Page 2

On behalf of the Bank, we hereby demand payment of the total amount of \$7,992,226.99 plus interest from January 23, 2026, and the Bank's legal and enforcement costs. Please be advised that in the event that payment in full of \$7,992,226.99 together with accrued interest and the Bank's legal and enforcement costs are not received in our office by way of certified funds or bank draft, made payable to "*McInnes Cooper in Trust*", by **February 9, 2026, at 5:00 pm**, the Bank will take legal action to enforce its rights in respect of this indebtedness.

In the event that legal action becomes necessary, the Bank's claim will be for the full principal debts, all accrued interest and all legal and enforcement costs.

Finally, I enclose a Notice of Intention to Enforce Security pursuant to the *Bankruptcy and Insolvency Act* (Canada).

Dear Mr. LeBlanc:

**Re: Debt Owing by M & F LeBlanc Oil Ltd. to The Toronto-Dominion Bank
Guarantee dated June 22, 2023**

We represent The Toronto-Dominion Bank ("TD") with respect to the above-noted matter.

As at January 22, 2026, M & F LeBlanc Oil Ltd. (the "Corporation") is indebted to TD, pursuant to a Letter of Agreement dated April 20, 2023, as amended, in the total amount of \$7,992,226.99 plus interest. The Corporation has defaulted in its obligations to TD pursuant to the Letter of Agreement and, as a result, TD has demanded payment from the Corporation.

On January 22, 2023, you executed a guarantee pursuant to which you guaranteed payment to TD of all present and future debts and liabilities, including interest, then or at any time due or owing to TD from or by the Corporation in an unlimited amount (the "Guarantee"). We enclose a copy of the Guarantee for your ease of reference.

Pursuant to the Guarantee, TD hereby makes formal demand for payment from you in the total amount of \$7,992,226.99, plus accrued interest at the Bank's Prime Rate of Interest, plus 1.00%, from January 23, 2026 to the date of payment. As at January 28, 2026, the Bank's Prime Rate was 4.45%.

Please be advised that in the event that payment in full of the amount of \$7,992,226.99 plus accrued interest and TD's costs on enforcement are not received at my offices at the address indicated above by certified cheque, bank draft, or solicitor's trust cheque by **February 9, 2026 at 5:00 pm**, TD will take legal actions against you to enforce the Guarantee.

In the event that legal action becomes necessary, TD's claim will be for the full principal debts, all accrued interest, and all legal costs.

We hope that you will take this opportunity to resolve this matter at this stage.

Yours very truly,

Tony S. Richardson

**TD Bank Group
Guarantee**

This Guarantee is made as of the 22 day of June, 2023.

Whereas the undersigned (each hereinafter referred to as the "Guarantor") has agreed to provide The Toronto-Dominion Bank (hereinafter referred to as the "Bank") with a guarantee of the Obligations (as hereinafter defined) of

M & F LeBlanc Oil Ltd, a body corporate having its registered office at 9569 Main Street, Richibucto, New Brunswick E4W 4C3
(the "Customer");

And whereas the Guarantor has agreed that if the guarantee herein is not enforceable, the Guarantor will indemnify the Bank or be liable as primary obligor.

NOW THEREFORE, in consideration of the Bank dealing with the Customer now or in the future and/or for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor agrees with the Bank as follows:

1. Obligations Guaranteed

The Guarantor unconditionally and irrevocably guarantees payment of all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, wheresoever and howsoever incurred of the Customer to the Bank, whether arising from dealings between the Bank and the Customer or from other dealings or proceedings by which the Bank may be or become in any manner whatsoever a creditor of the Customer, in any currency, whether incurred by the Customer alone or jointly with another or others and whether as a indemnitor or surety, including interest thereon and all amounts owed by the Customer for fees, costs and expenses (collectively referred to as the "Obligations").

2. Extent of Guarantor's Liability unlimited

3. Indemnity/Primary Obligation

If (i) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 for any reason, the Guarantor will, as a separate and distinct obligation, indemnify and save harmless the Bank from and against all losses resulting from the failure of the Customer to pay such Obligations, and (ii) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 or the Bank is not indemnified under clause (i) above of this Section 3, for any reason, such Obligations will, as a separate and distinct obligation, be paid by and recoverable from the Guarantor as primary obligor.

The liabilities of the Guarantor under Section 1 and each of clauses (i) and (ii) of this Section 3 are separate and distinct from each other, but the provisions of this Agreement shall apply to each of such liabilities unless the context otherwise requires.

4. Nature of Guarantor's Liability

The liability of the Guarantor under this Guarantee is continuing, absolute and unconditional and will not be affected by any act, omission, event or circumstance that might constitute a legal or equitable defence (any and all such legal and equitable defences are hereby expressly waived by the Guarantor) to or a discharge, limitation or reduction of the liability of the Guarantor hereunder, other than as a result of the indefeasible payment in full of the Obligations, including:

- (a) the unenforceability of any of the Obligations for any reason, including as a result of the act of any governmental authority;

- (b) any irregularity, fraud, illegality, defect or lack of authority or formality in incurring the Obligations, notwithstanding any inquiry that may or may not have been made by the Bank;
- (c) failure of the Bank to comply with or perform any agreements relating to the Obligations;
- (d) any discontinuance, renewal, extension, increase or reduction in the amount, or any other variance of any loans or credits now or hereafter made available to the Customer by the Bank or guaranteed by the Customer to the Bank or any other change to any of the terms or conditions of any of the Obligations (including, without limitation, respecting rates of interest, fees or charges, maturity dates), or any waiver by the Bank respecting any of the Obligations;
- (e) the taking of or the failure by the Bank to take a guarantee from any other person;
- (f) any release, compromise, settlement or any other dealing with any person, including any other Guarantor;
- (g) the reorganization of the Customer or its business (whether by amalgamation, merger, transfer, sale or otherwise); and in the case of an amalgamation or merger, the liability of the Guarantor shall apply to the Obligations of the resulting or continuing entity and the term "Customer" shall include such resulting or continuing entity;
- (h) the current financial condition of the Customer and any change in the Customer's financial condition;
- (i) any change in control or ownership of the Customer, or if the Customer is a general or limited partnership, any change in the membership of that partnership or other entity;
- (j) any change in the name, articles or other constituting documents of the Customer, or its objects, business or capital structure;
- (k) the bankruptcy, winding-up, dissolution, liquidation or insolvency of the Customer or any proceedings being taken by or against the Customer with respect thereto, and any stay of or moratorium on proceedings by the Bank against the Customer as a result thereof;
- (l) a breach of any duty of the Bank (whether fiduciary or in negligence or otherwise) and whether owed to the Guarantor, the Customer or any other person;
- (m) any lack or limitation of power, capacity or legal status of the Customer, or, if the Customer is an individual, the death of the Customer;
- (n) the Customer's account being closed or the Bank ceasing to deal with the Customer;
- (o) any taking or failure to take any security by the Bank, any loss of or diminution in value of any security, the invalidity, unenforceability, subordination, postponement, release, discharge or substitution, in whole or in part, of any security, or the failure to perfect or maintain perfection or enforce any security; or
- (p) any failure or delay by the Bank in exercising any right or remedy respecting the Obligations or under any security or guarantee.

5. Continuing Guarantee

The obligations of the Guarantor hereunder will constitute and be continuing obligations and will apply to and secure any ultimate balance due or remaining due to the Bank and will not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Bank. This Guarantee will continue to be effective even if at any time any payment of any of the Obligations is rendered unenforceable or is rescinded or must otherwise be returned by the Bank as a result of the occurrence of any action or event, including the insolvency, bankruptcy or reorganization of the Customer or the Guarantor, all as though such payment had not been made.

6. Demand for Payment

The Guarantor shall make payment to the Bank under this Guarantee immediately upon receipt of a written demand for payment from the Bank. If any Obligation is not paid by the Customer when due, the Bank may treat all Obligations as due and payable by the Customer and may demand immediate payment under this Guarantee of all or some of the Obligations whether such other Obligations would otherwise be due and payable by the Customer at such time or whether or not any demands, steps or proceedings have been made or taken by the Bank against the Customer or any other person respecting all or any of the Obligations. If any stay of or moratorium on proceedings by the Bank against the Customer is imposed in respect of any Obligation, the Bank may nevertheless demand immediate payment of such Obligation from the Guarantor as if such Obligation was due and payable by the Customer.

7. Interest

If the Guarantor does not make immediate payment in full of the Obligations when demand for payment has been made by the Bank, the Guarantor shall pay interest on any unpaid amount to the Bank at the highest rate of interest per annum that is charged on any Obligations for which payment has been demanded hereunder and which remain unpaid.

8. State of Account

The records of the Bank in respect of the Obligations will be prima facie evidence of the balance of the amount of the Obligations that are due and payable by the Customer to the Bank.

9. Application of Moneys Received

The Bank may, without notice and demand of any kind and at any time, apply any money received from the Guarantor, the Customer or any other person (including arising from any security that the Bank may from time to time hold) or any balance in any account of the Guarantor held at the Bank or any of the Bank's affiliates, to such part of the Obligations, whether due or to become due, as the Bank in its sole and absolute discretion considers appropriate, or may, in its sole and absolute discretion, refrain from applying any such money. The Bank may also revoke and alter any such application in whole or in part. If any amount that is to be applied is in a currency other than the currency of the Obligation to which such amount is to be applied, then the amount that is applied shall be converted from one currency to another using the rate of exchange for the conversion of such currency as determined by the Bank or its agents and the Bank or its agent may earn revenue on such conversion.

10. No Set-off or Counterclaim

The Guarantor will make all payments required to be made under this Guarantee without claiming or asserting any right of setoff or counterclaim that the Guarantor has or may have against the Customer or the Bank, all of which rights the Guarantor waives.

11. Exhausting Recourse

The Bank is not required to take any proceedings, exhaust its recourse against the Customer or any other Guarantor or person or under any security the Bank may from time to time hold, or take any other action, before being entitled to demand payment from the Guarantor under this Guarantee, and the Guarantor waives all benefits of discussion and division.

12. No Representations

There are no representations, warranties, terms, conditions, undertakings or collateral agreements, express, implied or statutory, between the parties except as expressly set forth herein. The Bank will not be bound by any representations or promises made by Customer to the Guarantor and possession of this Guarantee by the Bank will be conclusive evidence against the Guarantor that this Guarantee was not delivered in escrow or pursuant to any agreement that it should not be effective until any condition precedent or subsequent has been complied with, and this Guarantee will be binding on each Guarantor who has signed this Guarantee notwithstanding the non-execution thereof by any proposed guarantor.

13. Postponement and Assignment

The Guarantor hereby postpones payment of all present and future debts and liabilities of the Customer to the Guarantor, and as security for payment of the Obligations, the Guarantor hereby assigns such debts and liabilities to the Bank and agrees that all moneys received from the Customer by or on behalf of the Guarantor shall be held in trust for the Bank and forthwith upon receipt paid over to the Bank, all without prejudice to and without in any way limiting or lessening the liability of the Guarantor to the Bank under this Guarantee. This assignment and postponement is independent of the guarantee, indemnity and primary obligor obligations contained in this Guarantee and will remain in full force and effect until, in the case of the assignment, the liability of the Guarantor under this Guarantee has been discharged or terminated and, in the case of the postponement, until all Obligations are performed and indefeasibly paid in full.

14. Subrogation

The Guarantor will not be entitled to be subrogated to the rights of the Bank against the Customer, to be indemnified by the Customer or to claim contribution from any other Guarantor until the Guarantor makes indefeasible payment to the Bank of all amounts owing by the Guarantor to the Bank under this Guarantee and the Obligations are indefeasibly paid in full.

15. Bankruptcy of Customer

Upon the bankruptcy or winding up or other distribution of assets of the Customer or of any surety or Guarantor for the Obligations, the Bank's rights shall not be affected by the Bank's failure to prove its claim and the Bank may prove such claim if and in any manner as it deems appropriate in its sole discretion. The Bank may value as it sees fit or refrain from valuing any security held by the Bank without in any way releasing, reducing or otherwise affecting the liability of the Guarantor to the Bank, and until all the Obligations of the Customer to the Bank have been indefeasibly paid in full, the Bank shall have the right to include in its claim the amount of all sums paid by the Guarantor to the Bank under this Guarantee and to prove and rank for and receive dividends in respect of such claim, any and all right to prove and rank for such sums paid by the Guarantor and to receive the full amount of all dividends in respect thereto being hereby assigned and transferred to the Bank.

16. Costs and Expenses

The Guarantor agrees to pay all costs and expenses, including legal fees, of enforcing this Guarantee including the charges and expenses of the Bank's in-house lawyers. The Guarantor will pay all legal fees on a solicitor and own client basis.

17. Other Guarantees and Security

The liability of the Guarantor under any other guarantee or guarantees given to the Bank in connection with the Obligations shall not be affected by this Guarantee, nor shall this Guarantee affect or be affected by the endorsement by the Guarantor of any note or notes of the Customer, the intention being that the liability of the Guarantor under such other guarantee or guarantees and this Guarantee, and under such other note or notes and this Guarantee, shall be cumulative. Nor shall the Bank be required to marshal in favour of the Guarantor other guarantees granted by other persons or any security, money or other property that the Bank may be entitled to receive or may have a claim upon.

18. Amendment and Waivers

No amendment to this Guarantee will be valid or binding unless set forth in writing and duly executed by the Guarantor and the Bank. No waiver by the Bank of any breach of any provision of this Guarantee will be effective or binding unless made in writing and signed by the Bank and, unless otherwise provided in the written waiver, will be limited to the specific breach waived. No delay in the exercise of any right or remedy by the Bank shall operate as a waiver thereof. No failure to exercise a right or remedy or partial exercise of a right or remedy by the Bank shall preclude other or further exercise thereof or the exercise of any other right or remedy by the Bank.

19. Discharge

The Guarantor will not be released or discharged from its obligations hereunder except by a written release or discharge signed by the Bank.

20. General

This Guarantee shall be binding on the successors of the Guarantor or, if the Guarantor is an individual, the heirs, executors, administrators and other legal representatives of the Guarantor, and shall enure to the benefit of the successors and assigns of the Bank.

If more than one Guarantor has signed this Guarantee, each Guarantor shall be jointly and severally liable under this Guarantee.

To the extent that any limitation period applies to any claim for payment hereunder of the Obligations or remedy for the enforcement of such payment, the Guarantor agrees that any such limitation period is excluded or waived, but if such exclusion and waiver is not permitted by applicable law, then any limitation period is extended to the maximum length permitted by applicable law.

Any notice or demand which the Bank may wish to give under this Guarantee may be personally served on the Guarantor or sent by ordinary mail or electronic mail to the last known address of the Guarantor. Any notice that is sent by ordinary mail shall be conclusively deemed to have been received on the fifth day following the day on which it is mailed. Any notice that is sent by electronic mail shall be conclusively deemed to have been received on the day it is sent.

If any provision of this Guarantee is determined by any court of competent jurisdiction to be invalid or unenforceable in any respect, such invalidity or unenforceability will not affect the validity or enforceability of the remaining provisions of this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the Province of New Brunswick and the laws of Canada applicable therein.

Any word herein contained importing the singular number shall include the plural and any word importing a person shall include a corporation, partnership, firm and any other entity.

Subject to Section 17, this Guarantee constitutes the entire agreement between the Guarantor and the Bank with respect to the subject matter hereof and cancels and supersedes any prior understandings and agreements between the parties with respect thereto.

Each of the undersigned acknowledges receipt of a copy of this Guarantee.

Subject: Borrowings of M&F Leblanc Oil Ltd. from TD Bank Financial Group

This letter confirms the terms of the engagement of Deloitte Restructuring Inc. for and on behalf of its affiliates and subsidiaries (including but not limited to Deloitte LLP and Deloitte Inc.) ("**Deloitte**" or "**Consultant**") by TD Bank Financial Group (the "**Lender**") to act as a consultant, to review the operations and financial position of M&F Leblanc Ltd. (the "**Company**") effective as of February 19, 2026.

Scope of Services

Deloitte will provide the following financial consulting services (the "**Services**"):

- an evaluation of the Company's significant assets and liabilities and assessment of the current security position of the Lender;
- review and assessment of the Company's borrowing base capacity on a monthly basis; and
- upon the specific written request of the Lender and as agreed to by the parties, any other matters which appear to the Lender to be relevant to an assessment of the Lender's security position and future course of action.

Reporting

Deloitte will communicate the status of its work to the Lender throughout the engagement. Upon completion of the engagement, Deloitte will provide the Lender with a written report in accordance with the scope of Services described above.

A draft of the factual sections of the report will be shown to the Company. The Company will have the opportunity to review the draft sections prior to submission to the Lender and to provide comments thereon. Deloitte will ask the Company to confirm that the facts, as stated, are accurate in all material respects and that they are not aware of any material matters that have been excluded. Deloitte is, however, under no obligation to change its reports as a result of the Company's comments.

To the extent the Company requests Deloitte to use software, applications, or platforms ("**Software**"), Company understands that Deloitte has not reviewed the Software for purposes that include privacy and security. Company assumes all risks with respect to Deloitte's use of the Software, including any breach of this Agreement caused by the Software.

The timing of the completion of the engagement will be dependent on the co-operation that Deloitte receives from the Company and the availability of its senior management and staff. Deloitte will be relying on the Company's financial and management information systems as well as operational and management reports being current, accurate, and reliable.

Deloitte will use commercially reasonable efforts to carry out its work on a timely basis and will inform the Lender of any difficulties it encounters. The production and timing of Deloitte's reports assumes that the information it requires to carry out its work will be made available promptly and in good order by the Company. Notwithstanding the above, Deloitte will inform the Lender as soon as possible of any matters of a material nature which come to your attention during the course of your work. Such matters may affect the estimate of professional fees.

Engagement team

This engagement will be under the direction of James Foran, who will maintain overall responsibility for the engagement on behalf of Deloitte. Shane Connolly will coordinate daily management of the engagement. The engagement team will include other professionals, as necessary, to complete the engagement on a timely basis.

Other professionals who will be identified during the course of the engagement may also be included to provide technical support.

Circumstances may occur that could result in changes to the anticipated staffing for this engagement. Deloitte will, however, use its best efforts to ensure that the members of the Engagement team are not changed without prior consultation.

Professional Fees

Hourly Fees

Deloitte's fees will be based on the amount of professional time required and our standard hourly billing rates, which vary depending upon the experience level of the professionals involved. Your invoices will also include reasonable out-of-pocket expenses.

The current hourly billing rates, by classification, are:

Position	Hourly Rate
Partner	\$600-\$625
Director	\$550-\$575
Senior Manager	\$500-\$525
Manager	\$400-\$425
Senior Associate	\$325-\$350
Analyst, Administrator	\$250-\$275

In addition to our professional fees, we will also bill our standard of 7% for technology, support personnel, telecom, printing, and other similar administrative charges, provided Deloitte receives the agreed-upon level of cooperation, preparation, and assistance from the Company. The fees are based on the level of staff and the effort required to complete the engagement exclusive of out-of-pocket expenses and applicable taxes. Out-of-pocket expenses (travel, meals, and accommodation) will be billed at cost, as incurred.

GENERAL BUSINESS TERMS

The following general business terms (the "**Terms**") apply to the engagement agreement between Deloitte Restructuring Inc. ("**Deloitte**") and TD Bank Financial Group (and any of its subsidiaries specifically named in the Engagement Letter) (the "**Lender**") except as otherwise included in the engagement letter to which these general business terms are attached (the "**Engagement Letter**"). For greater clarity, the Lender represents and warrants that it has the power and authority to (i) sign the Engagement Letter, and (ii) if the Lender's subsidiaries are identified in the Engagement Letter, bind, itself and such subsidiaries.

1. Services.

- a) For purposes of these terms "Deloitte" shall mean Deloitte Restructuring Inc., a federal corporation incorporated under the laws of Canada, its subsidiaries, successors, and assigns.
- b) "Deloitte Entities" means Deloitte Touche Tohmatsu Limited ("**DTTL**"), a UK private company limited by guarantee, its member firms and their respective subsidiaries and affiliates (including Deloitte), their predecessors, successors and assignees, and all partners, principals, members, owners, directors, employees, subcontractors, and agents of all such entities. Neither DTTL nor, except as expressly provided herein, any member firm of DTTL has any liability for each other's acts or omissions. Each member firm of DTTL is a separate and independent legal entity operating under the names "Deloitte", "Deloitte & Touche", "Deloitte Touche Tohmatsu" or other related names; and services are provided by member firms or their subsidiaries or affiliates and not by DTTL.
- c) Deloitte will provide Lender with the services (the "**Services**") described in the Engagement Letter. Deloitte's Services may include advice and recommendations, but all decisions in connection with the implementation of such advice and recommendations shall be the responsibility of, and made by, Lender.
- d) The Services may be performed away from the Lender's site by Deloitte personnel under Deloitte's "3-4-5 Policy" (or similar policies as may be adopted and amended by Deloitte from time to time) whereby such personnel spend four (4) days of each workweek (and no more than three (3) nights) at the Lender's site(s) and the fifth day thereof at the personnel's resident city.

2. Payment of Invoices.

Deloitte's invoices shall be due upon receipt. If payment is not received within thirty (30) days of receipt of an invoice (i) such invoice shall accrue a late charge equal to the lesser of (a) 1½% per month or (b) the highest rate allowable by law, in each case compounded monthly to the extent allowable by law, and (ii) Deloitte may also suspend or terminate the Services.

3. Term:

- a) Unless terminated sooner in accordance with its terms, this agreement shall terminate on the completion of Deloitte's Services hereunder. This agreement may be terminated by either party at any time with or without cause by giving written notice to the other party not less than thirty (30) days before the effective date of termination, provided that in the event of a termination for cause, the breaching party shall have the right to cure the breach within the notice period.
- b) Deloitte may terminate this agreement or performance of any part of the Services immediately upon written notice to Lender if Deloitte determines that the performance of any part of the Services would be in conflict with law, or independence or professional rules.
- c) Deloitte may suspend the performance of Services at any time during the term of this agreement if the parties are in a dispute or in the event that the Lender has not fulfilled an obligation under this agreement, including for non-payment of invoices issued by Deloitte. In the event that Deloitte recommences performance of the Services, the parties will agree to a change to account for any changes as a result of the suspension.
- d) The obligations of each party which have been incurred prior to the effective date of termination (including, without limitation, the obligations of Lender under Sections 2 and 3 hereof) shall continue in full force and effect notwithstanding the expiration or termination of this agreement and whether or not an invoice has been rendered with respect thereto. In the event of early termination of Services or the agreement, the Lender shall reimburse Deloitte for any unrecoverable costs and expenses resulting from such termination. In the event the Lender has terminated the Services or the agreement, all warranties for the Services and deliverables shall terminate and Deloitte shall not be liable for any partially completed Services or deliverables.

4. Licence and Ownership.

Ownership of Deloitte Property. Deloitte shall retain all right, title and interest in the reports, opinions and other documents provided by Deloitte to the Lender and the Lender shall be entitled to use such material in accordance with this agreement.

5. Confidentiality.

- a) To the extent that, in connection with this engagement, each party comes into possession of any proprietary or confidential information of the other party including without limitation any Personal Information ("Confidential Information"), each party agrees to use the Confidential Information of the other party solely for the purposes of this engagement, and will not disclose such Confidential Information to any third party without the other party's consent. The terms of this engagement shall also be considered Confidential Information. Each party shall maintain the Confidential Information of the other party in confidence using at least the same degree of care as it employs in maintaining in confidence its own proprietary and confidential information, but in no event less than a reasonable degree of care.
- b) Confidential Information shall not include information which (i) shall have otherwise become publicly available other than as a result of disclosure by the receiving party in breach hereof, (ii) was disclosed to the receiving party on a nonconfidential basis from a source other than the disclosing party, which the receiving party believes is not prohibited from disclosing such information as a result of an obligation in favor of the disclosing party, (iii) is developed by the receiving party independently of, or was known by the receiving party prior to, any disclosure of such information made by the disclosing party, or (iv) is disclosed with the written consent of the disclosing party. A receiving party also may disclose Confidential Information to the extent required by an order of a court of competent jurisdiction, administrative agency or governmental body, or by any law, rule or regulation, or by subpoena, summons or other administrative or legal process, or by applicable regulatory or professional standards, or in connection with any judicial or other proceeding involving Deloitte and Lender relating to Deloitte's Services for Lender or this agreement.
- c) Confidential Information collected by or provided to Deloitte in connection with the Services may be used, processed, disclosed, and stored outside of Canada by Deloitte, Deloitte Entities or third party service providers to Deloitte. Deloitte is responsible to the Lender for causing any such Deloitte Entities and third party service providers to comply with the obligations of confidentiality set out in Section 5 of this agreement. Confidential Information may be subject to disclosure in accordance with laws applicable in the jurisdiction in which the information is used, processed, or stored.
- d) All Services and Deliverables shall be solely for Lender's benefit, and are not intended to be relied upon by any person or entity other than Lender. Lender shall not disclose the Services and Deliverables, or refer to the Services or Deliverables in any communication, to any person or entity other than Lender except (i) as specifically set forth in the Engagement Letter, or (ii) to Lender's contractors solely for the purpose of their providing services to Lender, provided that such contractors comply with the restrictions on disclosure set forth in this sentence.
- e) Deloitte may retain copies of documents and files provided by the Lender in connection with the Services for purposes of compliance with professional standards and internal retention policies. Any documents and files retained by Deloitte on completion of the Services (including documents legally belonging to the Lender) may routinely be destroyed in accordance with Deloitte's policies applying from time to time.

6. Limitation on Warranties.

This is a services engagement. Deloitte warrants that it will perform the Services hereunder in a manner that is consistent with industry practice. Deloitte disclaims all other warranties, either express or implied, including, without limitation, warranties of merchantability and/or fitness of the Services or the Deliverables for a particular purpose. Lender's exclusive remedy for any breach of this warranty shall be for Deloitte, upon receipt of written notice, to use reasonable efforts to cure such breach, or, failing any such cure in a reasonable period of time, to return the professional fees paid to Deloitte hereunder with respect to the Services giving rise to such breach.

7. Limitation on Damages and Actions.

- a) The Lender agrees that Deloitte or any Deloitte Entity or their respective personnel, if and only to the extent it is determined such other Deloitte Entity and its respective personnel have a liability, shall not be liable to the Lender for any actions, damages, claims, liabilities, costs, expenses or losses in any way arising out of or relating to the Services performed hereunder for an aggregate amount in excess of the fees paid by the Lender to Deloitte under this agreement, except to the extent finally judicially determined to have resulted primarily from the bad faith or intentional misconduct of Deloitte or any Deloitte Entity. In no event shall Deloitte or any Deloitte Entity or their respective personnel be liable for consequential, special, indirect, incidental, punitive, or exemplary damages, costs, expenses, or losses (including, without limitation, lost profits, and opportunity costs). In furtherance and not in limitation of the foregoing, Deloitte and the Deloitte Entities will not be liable in respect of any decisions made by the Lender as a result of the performance by Deloitte of its Services hereunder. The provisions of this paragraph shall apply regardless of the form of action, damage, claim, liability, cost, expense, or loss, whether in contract, statute, tort (including, without limitation, negligence) or otherwise.
- b) No action, regardless of form, arising under or relating to this engagement, may be brought by either party more than one year after the cause of action has accrued, except that an action for non-payment of any invoice may be brought by a party not later than one year following the date of the last payment due to such party on any invoice hereunder.
- c) From time to time, Deloitte may have individual partners and employees performing the engagement within the Province of Québec who are members of the Ordre des comptables professionnels agréés du Québec. Limitations of liability contained in the Engagement Letter shall not apply to limit the personal civil liability of members of the Ordre des comptables professionnels agréés du Québec performing the engagement hereunder (and with respect to such members, such limitations shall be deemed not to be included in this Engagement Letter).

8. Cooperation.

Lender shall cooperate with Deloitte in the performance of the Services hereunder, including, without limitation, providing Deloitte with reasonable facilities and timely access to data, information, and personnel of Lender. Lender shall be responsible for the performance of its employees and agents and for the accuracy and completeness of all data and information provided to Deloitte hereunder. Lender acknowledges and agrees that Deloitte's performance is dependent upon the timely and effective satisfaction of Lender's responsibilities hereunder and timely decisions and approvals of Lender in connection with the Services. Deloitte shall be entitled to rely on all decisions and approvals of Lender.

9. Non-Exclusivity.

This agreement shall not preclude or limit in any way (i) the right of Deloitte to provide consulting or other services of any kind or nature whatsoever to any individual or entity as Deloitte in its sole discretion deems appropriate, or (ii) developing for itself or for others, materials that are competitive with those produced as a result of the Services provided hereunder, irrespective of their similarity to the Deliverables.

10. Non-Solicitation.

Lender agrees not to solicit, hire, or otherwise retain Deloitte's personnel who had substantive contact with Lender and its personnel in the course of the performance of Services during the term of the engagement and for a period of twelve (12) months thereafter. This provision shall not restrict the right of Lender to solicit or recruit generally in the media or as part of general recruiting efforts by third party recruiters, and shall not prohibit Lender from hiring an employee of Deloitte who answers any advertisement, responds to such general recruiting efforts, or who otherwise voluntarily applies for hire without having been initially personally solicited or recruited by Lender.

11. Privacy.

Deloitte and the Lender agree that, in connection with this agreement, Deloitte may collect, use, disclose and otherwise process personal information about identifiable individuals ("**Personal Information**"). Deloitte's Services are provided on the basis that the Lender has obtained any required consents under applicable privacy legislation for collection, use, disclosure, and processing to Deloitte of Personal Information.

12. Indemnification:

Deloitte will indemnify, defend and hold Lender, its officers, employees and agents, harmless from and against any liability, expense or damage, including reasonable attorneys' fees, in each case solely for third party claims for bodily injury, death or damage to real or tangible personal property to the extent directly and proximately caused by the negligence or willful misconduct of Deloitte while engaged in the performance of Services under this engagement; provided, however, that if there also is fault on the part of Lender or any entity or individual indemnified hereunder or any entity or individual acting on Lender's behalf, the foregoing indemnification shall be on a comparative fault basis. The foregoing obligations are conditioned on Lender providing Deloitte with prompt notice of any claim for which indemnification shall be sought and cooperating in all reasonable respects with Deloitte in connection with any such claim. Deloitte shall be entitled to control the handling of any such claim and to defend or settle any such claim, in its sole discretion, with counsel of its own choosing. Lender shall indemnify and hold harmless Deloitte, its affiliated entities and subcontractors, and their respective personnel from all Claims attributable to claims of third parties relating to this agreement or the Services, except to the extent resulting from the bad faith or intentional misconduct of Deloitte or its subcontractors.

13. Other Terms.

- a) **Regulatory or Legal Action:** The Lender will notify Deloitte promptly of any request received by the Lender from any third party, including a regulatory authority, for any material information or for a meeting or hearing; the issuance of any restraining order; or the initiation of a proceeding or litigation relating to this engagement. In such situations, Lender may want to request additional services from Deloitte, such as testifying (as a non expert witness) or reasonable support services before any governmental commission, regulatory authority or court. Such additional services shall be agreed to in writing by the parties prior to commencement. For clarity, any such testimony or support services will (a) be confined to the Services performed under this engagement; (b) Deloitte shall have the right to employ counsel in connection with such testimony or support services; (c) Deloitte shall be paid for any time spent by its personnel in connection with such support at their standard hourly rates or as agreed to in writing, which shall be separate and apart from any other professional fees payable hereunder; and (d) the Lender shall also reimburse Deloitte for its reasonable out-of-pocket costs, charges and expenses, including legal counsel, incurred in connection therewith (such fees and expenses shall be separate and in addition to any other fees or amounts payable under the provisions for payment of fees in the Engagement Letter).
- b) **Force Majeure.** Except for the payment of money, neither party shall be liable for any delays or other non-performance resulting from circumstances or causes beyond its reasonable control, including, without limitation, acts or omissions or the failure to cooperate of the other party (including, without limitation, entities or individuals under its control, or their respective officers, directors, employees or other personnel and agents), acts or omissions or the failure to cooperate by any third party (other than Deloitte contracted affiliates and subcontractors), fire or other casualty, pandemics, epidemics, act of God, strike or labour dispute, war or other violence, or any law, order or requirement of any governmental agency or authority. Whilst the parties will seek to continue to comply with their respective obligations in accordance with the timeframes and approach set out in the agreement to the extent possible, the parties accept that they may be required to adopt alternative working practices and put in place safeguards during this period, including working remotely, restrictions on travel to and from particular locations and the

quarantining of individuals. These working practices and safeguards may impact or prevent the delivery of various activities, for example, workshops or other face to face meetings. Without prejudice to this force majeure clause, the parties will work collaboratively and in good faith to agree to a change to mitigate the adverse impact resulting from the effects of the force majeure event, the Services, including the timetable for delivery of the Services, the approach, methods and working practices for delivering the Services; and any additional associated costs. In any event, Deloitte shall have no liability for any failure or delay to perform its obligations under this agreement, to the extent caused and/or contributed to by the force majeure event and its associated impacts.

- c) **Independent Contractor.** Each party is an independent contractor, and neither party is, nor shall represent itself to be, an employee, agent, partner, fiduciary, joint venturer, co-owner or representative of the other. No employer/employee relationship shall result from the execution of this agreement or from the performance of any of the Services hereunder.
- d) **Survival.** All sections herein relating to payment, licence and ownership, confidentiality, warranties, limitations of warranties, limitations on damages and actions, non-exclusivity, non-solicitation, survival, and waiver shall survive the termination of this agreement.
- e) **Notices.** All notices hereunder shall be (i) in writing, (ii) delivered to the representatives of the parties at the addresses set forth in the Engagement Letter to which these terms are attached (unless changed by either party upon notice to the other party), and (iii) effective upon receipt.
- f) **Assignment.** Except as provided below, neither party may assign, transfer or delegate any of the rights or obligations hereunder (including, without limitation, interests or claims relating to this engagement) without the prior written consent of the other party. Either party may assign this agreement, without the consent of the other party, to an entity that has acquired all or substantially all of the assigning party's assets as a successor to the business. In discharging its obligations hereunder, Deloitte may contract with one or more of the member firms of Deloitte Touche Tohmatsu Limited to directly provide the Services or a part thereof to Lender exclusively for and on behalf of Deloitte Restructuring Inc. All Services performed by such member firms shall be performed under the exclusive direction and control of Deloitte Restructuring Inc, which shall remain solely liable for the obligations hereunder.
- g) **Waiver.** The failure of either party to insist upon strict performance of any of the provisions contained in this agreement or to exercise any of its rights, powers or remedies hereunder, or its delay to do so, shall not constitute a waiver of its rights as set forth in this agreement, at law or in equity, or a waiver of any other provisions or subsequent default by the other party of any of the terms or conditions in this agreement.
- h) **Entire agreement.** These terms, the Engagement Letter to which these terms are attached, including any exhibits, constitute the entire agreement between Deloitte and Lender with respect to this engagement and supersede all other oral and written representations, understandings or agreements relating to this engagement, and may not be amended except by a written agreement signed by the parties.
- i) **Governing Law.** This agreement and all matters relating to this engagement (whether in contract, statute, tort (including, without limitation, negligence) or otherwise), shall be governed by, and construed in accordance with, the laws of the Province of Ontario (without giving effect to the choice of law principles thereof).
- j) **Severability.** If any provision of this agreement is found by a court of competent jurisdiction to be invalid or unenforceable in whole or in part, such invalidity or unenforceability shall not affect the other provisions, but such invalid or unenforceable provision shall be deemed modified to the extent necessary to render it enforceable, preserving to the fullest extent permissible the intent of the parties set forth in this agreement.
- k) **Use of Lender Name.** Deloitte may use the name of the Lender and refer to the performance of the Services without disclosing any confidential information, in marketing and publicity materials, as an indication of its experience, and in its internal data systems.
- l) **Paragraph Headings.** The paragraph headings contained in this agreement is for convenient reference only and shall not affect the meaning or interpretation hereof.
- m) **General Experience.** Notwithstanding anything to the contrary in this agreement, the Lender acknowledges that Deloitte, in conjunction with performing the Services, may develop or acquire general experience, skills, knowledge and ideas that are retained in the memory of its personnel.

General business terms

Page 6

- n) **Electronic Communications.** Except as instructed otherwise in writing, each party consents to the transmission by fax, email, and voicemail, both confidential and other types of documents, correspondence and any other information relating to the execution of this agreement. It is recognized that the parties will use the internet and that the internet may be insecure. Each party will be responsible for protecting its own systems and interests and, to the fullest extent permitted by law, will not be responsible to the other on any basis (contract, tort or otherwise) for any loss, damage or omission in any way arising from the use of the internet by either party or its personnel, including any Deloitte Entity and subcontractor personnel, to access the networks, applications, electronic data or other systems of the other party.
- o) **U.S. Business.** To the extent that as part of the Services to be performed by Deloitte as described in the Engagement Letter, proposal and/or statement of work Deloitte personnel are required to perform the Services in the United States of America ("**US Business**"), the Lender and Deloitte agree to assign performance of the US Business to Deloitte Canada LP, an affiliate of Deloitte. Deloitte Canada LP shall invoice the Lender with respect to the US Business, and Deloitte will invoice for Services performed in Canada ("**Canadian Business**"). Payment for US Business and/or Canadian Business can be settled with one payment to Deloitte.
- p) **Anti-money Laundering.** Under the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) (the "**Act**"), Deloitte and its personnel are permitted to report any (a) attempted or completed suspicious transactions (transactions which are reasonably suspected to be related to the commission of money laundering or terrorist financing offence), (b) Terrorist property that comes into the possession of Deloitte, and (c) large cash transactions (receipt by Deloitte of over \$10,000 Canadian or equivalent in cash) to the Financial Transaction and Reports Analysis Centre of Canada, a government agency. The Act specifically prohibits Deloitte from informing a Company that a report has been made.
- q) **Permitted Data Use.** The Lender agrees that Deloitte and Deloitte Entities may use or disclose deidentified information received from the Lender (including, but not limited to Confidential Information) as part of Deloitte's research and advice, as well as to better understand, develop and improve Deloitte's Company services and offerings. Such use or disclosure shall be conducted in a manner that does not allow third parties to identify the Lender without its consent.

Halifax, NS B3J 0J2

In consideration of your acceptance of the appointment by the undersigned as Receiver and Manager (the "**Receiver**") of M&F Leblanc Oil Ltd. dated March 30, 2026, The Toronto-Dominion Bank ("**TD**") hereby agrees to indemnify and save harmless Deloitte Restructuring Inc., its respective employees, officers, directors and agents (collectively, the "**Indemnified Parties**" or "**Deloitte**") against and from all loss, cost, damages and expenses incurred, suffered or sustained by an Indemnified Party in connection with such appointment (other than as a result of gross negligence or willful misconduct on the part of any Indemnified Party). 3. In any action, claim, loss or damage arising out of the engagement, TD agrees that Deloitte's liability will be several and not joint and several and TD may only claim payment from Deloitte of Deloitte's proportionate share of the total liability based on the degree of fault of Deloitte as finally determined by a court of competent jurisdiction.
