## Currency

9. All amounts included herein are in Canadian dollars unless otherwise stated.

## Purpose of this report

- 10. The purpose of this first report of the Trustee (the "First Report") is to provide the Court with:
  - 10.1. Information regarding the Trustee's activities to date;
  - 10.2. Information regarding the Company's restructuring efforts to date;
  - 10.3. The Trustee's position with respect to the Company's application for an extension of time to make a proposal; and
  - 10.4. The Trustee's position with respect to the Company's application for the Court's authorization of an electronic service protocol for service of Court applications initiated by the Company, or other interested parties, other than the Trustee.

# Activities of the Trustee

- 11. Since the NOI Date, the Trustee has performed the following activities:
  - 11.1. Sent notice of the NOI proceedings to all known creditors;
  - 11.2. Posted information on the NOI proceedings on the Trustee's Website;
  - 11.3. Attended various meetings and teleconferences with Management, the Company's legal counsel, significant creditors of the Company, and the Franchisor to discuss the Company's restructuring efforts;
  - 11.4. Reviewed the Company's cash-flow projections, and filed same with the Office of the Superintendent of Bankruptcy;
  - 11.5. Made inquires of Management and requested certain records of the Company pertaining to its operations, liabilities, and cash-flow projections;
  - 11.6. Established a monitoring program to monitor the affairs of the Company during the NOI proceedings; and
  - 11.7. Prepared, reviewed, and finalized this First Report.

## Overview of creditors

- 12. The Company estimates that Canada Revenue Agency (the "CRA") is owed approximately \$580,000, plus interest and penalties, in respect of outstanding employee payroll source deductions. Since the NOI Date, the Company remitted \$56,004.43 to CRA on November 19, 2019, in respect of payroll source deductions for the biweekly pay period ended October 29, 2019. The Company's next remittance is due on December 4, 2019, in the amount of \$57,041.46, for the biweekly pay period ended November 12, 2019. The Company anticipates it will be able to make remittance payments for payroll source deductions coming due after the NOI Date in the normal course of operations. The Trustee has advised Management that a trust examination by the CRA should be requested in order to quantify the payroll source deduction arrears.
- 13. The Company has a secured loan with Canadian Western Bank ("CWB") with a current principal balance of approximately \$3,334,000. CWB has registered its security interest in the Personal Property Registry ("PPR") over all present and after-acquired personal property of the Company. The Company is currently not in compliance with the covenants of the CWB loan. However, prior to the NOI Date, CWB agreed to accept interest only payments in the monthly amount of approximately \$20,500 until March 2020. The Company anticipates being able to maintain these interest only payments during the NOI proceedings.
- 14. Pursuant to the PPR, the Franchisor is also secured in respect of all of the Company's present and after-acquired personal property. Payments due under the franchise agreements are based on a percentage of weekly sales, and are also remitted on a weekly basis. The Company anticipates it will be able to make the required payments, due under the franchise agreements, after the NOI Date, in the normal course of operations. The Company estimated that approximately \$21,510 was due to the Franchisor at the NOI Date.
- 15. Pursuant to the PPR, Rye Inc. and Ric Young are secured creditors in respect of all of the Company's property for a loan made to the Company to renovate the West Edmonton Mall Location. The Company estimates the amount owed under the loan is approximately \$560,000. Payments are \$2,500 per month due at the beginning of each month.

November 2019's payment was made prior to the NOI Date, and the Company anticipates being able to maintain these payments in the normal course of operations during the NOI proceedings.

16. The Company disclosed approximately \$1,480,294 in additional unsecured claims and other debts excluding the amounts noted above.

# Company's restructuring efforts

- 17. The Company has been operating under the NOI for less than three (3) weeks as of the date of this First Report, and Management's efforts have been concentrated on:
  - 17.1. Stabilizing the Company's operations and relationships with creditors following the NOI Date;
  - 17.2. Preparing cash-flow projections; and
  - 17.3. Cooperating with the Trustee in establishing the Trustee's monitoring program, which includes, but is not limited to, monitoring actual cash-flow against projected cash-flow, disbursements, CRA remittances for payroll source deductions and GST, as well as operational results for the Locations, generally.
- 18. The Trustee has attended teleconferences with the Company, certain of the Company's significant vendors, as well as the Franchisor, and as at the date of this First Report, there appears to be support for the Company's restructuring activities and ongoing operations, subject to the Company meeting its obligations in the normal course subsequent to the NOI Date.
- 19. The Company's cash-flow projections for the 14 weeks ending February 18, 2020, the Trustee's Report on Cash-Flow Statement, and Report on Cash-Flow Statement by the Company are collectively attached hereto as Exhibit "A". The cash-flow projection shows that Management expects that there will be sufficient cash-flow to meet its day-to-day obligations. The Company is also projecting a cash balance of approximately \$740,836 by February 18, 2020.

20. The Trustee's understanding is that January and February tend to be low periods in restaurant traffic, and the Company will need to evaluate its long term cash-flow requirements to determine the necessary resources to fund continued operations, fund a proposal, pay down its secured creditors and payroll source deduction arrears, and otherwise meet its commitments beyond the period covered in the cash-flow.

The Company has advised the Trustee that it does not anticipate that it will be in a position to file a proposal to its creditors before the initial thirty (30) day stay expires on December 12, 2019, and that it intends to seek an extension of time to make a proposal to its creditors.

# Extension of time to make proposal

- 21. The Company is seeking an extension of time to make its proposal. The Trustee agrees that an extension for a further forty-five (45) days to January 25, 2020, is appropriate for the following reasons:
  - 21.1 The Company requires additional time to assess each of the Locations in more detail, and develop longer term profitability and cash-flow forecasts;
  - 21.2 The Company has acted, and is acting in good faith, and with due diligence;
  - 21.3 The Company would likely be able to make a viable proposal if the extension being applied for were granted;
  - 21.4 No creditor would be materially prejudiced if the requested extension is granted.

# Protocol for service of NOI materials

22. The Company is seeking an Order (the "ESP Order") establishing an electronic service protocol (the "Electronic Service Protocol") for service of notice of Court applications

initiated by the Company or other interested parties, other than the Trustee. The Electronic Service Protocol proposed by the Company is as follows:

- 22.1 An explanatory notice explaining the Electronic Service Protocol shall be served by the Trustee by way of regular mail on all of the Company's creditors as listed in the creditor's package dated November 15, 2019;
- 22.2 For all future materials or applications by the Company, or other interested parties other than the Trustee, parties shall be required only to serve those creditors who provide an email address for service to Duncan Craig LLP, the Company's legal counsel;
- 22.3 The Company's legal counsel shall use best efforts to maintain and update as necessary a list of creditors who provide their e-mail addresses for service in accordance with the forgoing paragraph (the "Service List"), and shall provide the Service List, and any updates made as addresses are received, to the Trustee for posting to the Trustee's Website to be maintained for these proceedings;
- 22.4 Service of all future materials or applications, other than applications initiated by the Trustee, on those creditors who do not provide an e-mail address as provided for herein shall be deemed effective by posting the materials or applications on the Trustee's Website;
- 22.5 Any party wishing to serve material in accordance with the Electronic Service Protocol shall provide filed copies of all material to the Trustee for posting to the Trustee's Website five prior to any hearing; and
- 22.6 The service protocol for any Trustee initiated process and/or application, such as an application for Court approval of any proposal, material adverse change notices, calling of meeting of creditors, etc., will continue to follow the process as codified in the BIA.
- 23. The Trustee is of the view that the proposed Electronic Service Protocol is reasonable.

  The explanatory notice to be issued by the Trustee will provide all creditors with the procedural information pertaining to the Electronic Service Protocol, and will provide sufficient time for creditors to consider same and register an email address with Duncan Craig LLP.

# Conclusion and recommendations

- 24. The Trustee respectfully recommends that this Honourable Court grant an Order approving the proposed Electronic Service Protocol, and extending the time for the Company to make a proposal to January 24, 2020, or such other date as may be directed by the Court.
- 25. As detailed above, the Trustee believes an extension is reasonable given the following:
  - 25.1 At all times since the NOI Date, the Company has acted, and is acting in good faith, and with due diligence;
  - 25.2 The Company is likely to make a viable proposal if an extension being applied for is granted;
  - 25.3 No creditor would be materially prejudiced if the requested extension is granted.

All of which is respectfully submitted this 2<sup>nd</sup> day of December, 2019.

We have also reviewed the support provided by:

It is management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.
