Dear Justice Jamieson:

Re: The Receivership of Sustainable Group – Hfx No. 531915

On behalf of Jeremy Lee, we write to advise the Court that the Receiver's Supplemental Second Report accurately describes the resolution of the confidentiality issues raised by our client at the last motion date, and that Mr. Lee is in support of the Receiver's motion seeking an order for confidentiality over its Report and its Appendices. At this stage, Mr. Lee has no unresolved concerns about the Court's approval of the SISP as proposed by the Receiver.

In light of the foregoing, counsel does not intend to appear at the motion tomorrow on behalf of Mr. Lee. However, if the Court would prefer to have us present to answer any further questions, we would be happy to attend.

Yours truly,
NIJHAWAN MCMILLAN & CONLON BARRISTERS
