**FORMERXBC INC. (FORMERLY XEBEC ADSORPTION INC.)**

Montréal, November 14, 2023

TO: Creditors of 1224933 Ontario Inc. (formerly Compressed Air International Inc., “CAI”)

Dear Sir/Madam:

**Proposed Plans of Compromise of CAI**

As you are aware, on September 29, 2022, FormerXBC Inc. (formerly Xebec Adsorption Inc.) (the “**Company**”) and certain of its affiliates (collectively, the “**Petitioners**”), including CAI, were granted protection under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) by the Quebec Superior Court (the “**Court**”) and Deloitte Restructuring Inc. was appointed as monitor (the “**Monitor**”) to our CCAA proceedings. The CCAA proceedings were recognized as the “foreign main proceedings” pursuant to Chapter 15 of the U.S. Bankruptcy Code (the “**Chapter 15**”) by the United States Bankruptcy Court, District of Delaware (the “**U.S. Court**”) and the US Court has recognized the orders of the Court from time to time pursuant to the Chapter 15.

Since the beginning of our CCAA proceedings, our objective was to preserve the going concern of our businesses and to maximize recovery for all our stakeholders including our employees, suppliers and customers. Under the supervision of the Court and with the approval of the US Court and the assistance of the Monitor and our advisors as well as the support of our secured creditors, we initiated a comprehensive sale process which led to the implementation of more than 13 Court-approved transactions over the course of the past year resulting in the continued employment of the majority of our employees as well as continued operations for the benefit of customers and suppliers.

Following the transition of our various businesses and assets to their new owners, with the assistance and support of the Monitor, we negotiated the Plan Support Agreement with our remaining secured creditor, Export Development Canada (“**EDC**”), pursuant to which, *inter alia*, EDC will vote in favour of the plans to be filed by the certain Petitioners.

It is as a result of all of the foregoing, CAI has developed and filed the attached Plan of Compromise (the “**Plan**”) for the benefit of its Affected Creditors.

Capitalized terms used herein not otherwise defined have the meanings ascribed thereto in the Plan.

Under the Plan, Affected Creditors with Proven Claims will be paid in full, in addition to an amount representing an interest of 5% calculated from the Determination Date until the date of the issuance of the Meeting Order.

The meeting of creditors to consider and vote on the Plan will be held virtually on November 30, 2023 at 1:00 p.m. (Montreal time), as more fully set forth in the Notice of

Creditors' Meeting and Sanction Hearing enclosed herewith. If the creditors approve the Plan at the Creditors' Meeting, we shall present an application to the Court for sanction of the Plan on December 15, 2023 (or at such other time as the Court may determine). If the Sanction Order is granted by the Court and U.S. Recognition Order is granted by the U.S. Court in the U.S. Case, the Monitor shall proceed with the distribution under the Plan as soon as possible thereafter, likely in early 2024.

We urge you to review the Plan and the Monitor's report in connection therewith, which provides relevant and important details in relation to anticipated distributions should the Plan be approved.

We are pleased to present the Plan to our creditors and are happy that it allows Proven Claims of Affected Creditors to be repaid in full.

You will also note that the Monitor **recommends that creditors vote in favour of the Plan**. Please note that the deadline to provide your voting proxies to the Monitor is November 28, 2023 at 5 p.m. (Montréal time).

Additional information is available on the Monitor's website at <https://www.insolvencies.deloitte.ca/en-ca/Pages/Xebec.aspx>.

We thank you for your continued support and cooperation through our restructuring process and hope that you will vote in favour of the Plan.

Yours very truly,

## **NOTICE OF CREDITORS' MEETING AND SANCTION HEARING**

---

**TAKE NOTICE THAT** 1224933 Ontario Inc. (formerly Compressed Air International Inc.) has filed a Plan of compromise (the "**Plan**") pursuant to the *Companies' Creditors Arrangement Act* (the "**CCAA**").

**TAKE FURTHER NOTICE THAT** a general meeting of the creditors for the purpose of considering and approving the Plan **will be held on the 30<sup>th</sup> day of November 2023, at 1:00 p.m.** (Montréal time) (the "**Creditors' Meeting**"). The Creditors' Meeting will be held by videoconference only.

Capitalized terms used and not otherwise defined in this Notice have the meaning ascribed to them in the Plan and in the Plan Filing and Meeting Order issued by the Superior Court of Québec (Commercial Division) (the "**CCAA Court**") on November 1, 2023 (the "**Meeting Order**").

We ask that **creditors who wish to attend the Creditors' Meeting complete the attached registration form** and return it by email to the following email address: [xebec\\_ccaa@deloitte.ca](mailto:xebec_ccaa@deloitte.ca), no later than 5:00 p.m. (Montréal time) on November 28, 2023.

For creditors, or their representatives who have registered, you will receive a link by email, which will allow you to attend the Creditors' Meeting. Please note that only those who have registered will be able to attend the Creditors' Meeting.

The purpose of the Creditors' Meeting is to:

- a) consider, and if deemed advisable, to pass, with or without variation, a resolution (the "**Resolution**") approving the Plan; and
- b) transact such other business as may properly come before the Creditors' Meeting or any adjournment or postponement thereof.

The Creditors' Meeting is being held pursuant to the Meeting Order which establishes the procedures for Deloitte Restructuring Inc. (in such capacity and not in its personal or corporate capacity, the "**Monitor**") to call, hold and conduct the Creditors' Meeting.

The Plan provides for the compromise of the Affected Claims. The quorum for the Creditors' Meeting will be one Affected Creditor holding a Voting Claim (each such creditor, an "**Eligible Voting Creditor**") present in person or by proxy.

In order for the Plan to be approved and binding in accordance with the CCAA, the Resolution must be approved by a majority in number of Affected Creditors representing not less than 66-2/3% in value of the Voting Claims of such Affected Creditors who actually vote (in person or by proxy) at the Creditors' Meeting (the "**Required Majority**").

All Eligible Voting Creditors are entitled to vote on the Plan. The votes cast by Creditors with Voting Claims as determined by the Monitor for voting purposes only in accordance with the Claims Procedure Order will be separately tabulated by the Monitor. Holders of an Unaffected Claim will not be entitled to attend and vote at the Creditors' Meeting.

### **Forms and Proxies for Affected Unsecured Creditors**

Any Eligible Voting Creditor may appoint a proxy to vote on its behalf. A form of Proxy is included as part of the Meeting Materials being distributed by the Monitor to each Affected Creditor.

Proxies, once duly completed, dated and signed, must be sent by email to the Monitor, or if cannot be sent by email, delivered to the Monitor at the address of the Monitor as set out on the Proxy form. Proxies must be received by the Monitor by no later than 5:00 p.m. (Montréal time) on November 28, 2023.

### **Notice of Sanction Hearing**

**TAKE FURTHER NOTICE THAT** that if the Plan is approved by the Required Majority of Affected Creditors at the Creditors' Meeting, **the Petitioners intend to present** an application for sanction of the Plan by the Court (the "**Sanction Application**") **on December 15, 2023** (the "**Sanction Hearing**"). A copy of the Sanction Application will be available on the Monitor's website. Time and the coordinates of the Sanction Hearing will be posted on the Monitor's website and communicated to the Service List.

The Sanction Application will be seeking the granting of the Sanction Order sanctioning the Plan under the CCAA and for ancillary relief consequent upon such sanction. Any person wishing to oppose the Sanction Application for the Sanction Order must serve upon the parties on the Service List as posted on the Monitor's Website and file with the CCAA Court, a copy of the materials to be used to oppose the Sanction Order by no later than **December 12, 2023 at 5:00 P.M. (Montréal Time)**, or, if applicable, three (3) calendar days prior to any adjourned or rescheduled Sanction Hearing.

This Notice is given by the Petitioners pursuant to the Meeting Order. Additional copies of the Meeting Materials, including the Plan and the Monitor's report thereon may be obtained from the Monitor's Website (<https://www.insolvencies.deloitte.ca/en-ca/Pages/Xebec.aspx>), or by requesting one from the Monitor by email at [xebec\\_ccaa@deloitte.ca](mailto:xebec_ccaa@deloitte.ca).

## **I. INTRODUCTION**

1. The purpose of this report (the "**Report on the Plan of CAI**") is to provide the Affected Creditors with all relevant and necessary information in connection with the Plan of Compromise filed by the Plan Debtor (the "**Plan**"), the Creditors' Meeting and the Monitor's recommendation that the Affected Creditors vote in favor of the approval of the Plan.
2. Unless otherwise defined, all capitalized terms used herein shall have the meaning given to them in the Plan.
3. Since the beginning of the CCAA Proceedings, on September 29, 2022, the Monitor has prepared detailed reports which are accessible on the Monitor's website at the following address: <https://www.insolvencies.deloitte.ca/Xebec>. The Report on the Plan of CAI should be read in conjunction with the previous reports including in particular the Twelfth Report.
4. Furthermore, an updated chronology of the CCAA Proceedings, similar in format to the chronology provided in previous reports, is attached hereto as **Appendix A**.
5. This Report on the Plan of CAI is prepared in connection with the requirement under Section 23(1)(d.1) CCAA based on information that has been made available to the Monitor.

## **II. OVERVIEW OF THE PLAN OF COMPROMISE**

6. On November 1, 2023, the Court issued the Plan Filing and Meeting Order authorizing the filing of the Plan and the convening of the Creditors' Meeting.
7. The primary purpose of the Plan is to provide for the compromise and settlement of the Affected Claims. The Plan provides for the distribution of the Distribution Proceeds to the Affected Creditors in full and final settlement of the Affected Claims.
8. In its Twelfth Report, the Monitor provides detailed information relating to the general structure of the Plans to be filed by the Plan Debtors to their respective Affected Creditors. Readers are encouraged to review the Twelfth Report which can be found on the Monitor's website.
9. This Report on the Plan of CAI contains only a summary of certain terms of the Plan. In case of any discrepancy, the terms of the Plan shall govern.

### **A. DESCRIPTION OF THE GENERAL STRUCTURE OF THE PLAN**

10. Pursuant to the Plan, the Affected Creditors are Creditors of the Plan Debtor with an Affected Claim, but only with respect to and to the extent of such Affected Claim. Each Plan Debtor's Affected Creditors shall comprise a single class for purposes of considering and voting on such Debtor's Plan.
11. The Affected Claims include all Claims except the Unaffected Claims, being the (i) Employee Priority Claims, (ii) Secured Claims including, for greater certainty, the EDC Secured Claim (as defined in each Plan), (iii) Excluded Claims, (iv) Post-Filing Claims; and the (v) Crown Priority Claims.
12. The Distribution Proceeds are comprised of the Allocated Net Proceeds (as established pursuant to the Allocation Order), to which are added the BLA Shortfall Repayment and the dividends received by the Plan Debtor pursuant to any plan of compromise of the other Petitioners.
13. In the Plan of CAI, the Distribution Proceeds are proposed to be distributed to the Affected Creditors with a Proven Claim as follows:

- a) first, to each Affected Creditor the amount of its Proven Claim (plus, if the Distribution Proceeds are sufficient, interest at a rate of 5% per annum from September 29, 2022 (Determination Date) up and until November 1, 2023 (date of the issuance of the Meeting Order), as provided for at section 5.7 of the Plan; and
  - b) second, to BLA, if applicable, as the sole shareholder of CAI.
14. In accordance with the CCAA, in order for the Plan to be approved, at least 50% plus one in number, representing at least 2/3 in value of the Voting Claims of Affected Creditors must vote in favor of the Plan.

#### **B. RESERVES PROVIDED UNDER THE PLANS**

15. The Plans provide for the constitution of an "Administrative Reserve" to be held by the Monitor, the amount of which shall be approved by the Court pursuant to the Sanction Order, to be sought on December 15, 2023, should the Plans be approved.
16. The costs to be paid out the Administrative Reserve include all amounts outstanding in respect of Excluded Claims (other than any Claim which cannot be compromised under the CCAA), Employee Priority Claims, Crown Priority Claims and Post-Filing Claims, together with the Monitor's fees and disbursements (including that of its Canadian and U.S. legal counsel and other advisors), the fees and disbursements of the Plan Debtors' Canadian and U.S. legal counsel, the reasonable fees and disbursements of EDC's financial advisor and legal advisor for the period from May 8, 2023, to the date of the implementation of the Plans, in connection with the implementation of the Plan and the completion of the CCAA Proceedings and the U.S. Case (in each case, whether incurred before and after the Plan Implementation Date) as well as amounts related to, incurred or payable in connection with any dissolution or bankruptcy of the respective Debtors including retainers to any proposed trustee in bankruptcy, and any other reasonable amounts in respect of any other contingency as the Monitor may determine in its sole discretion.
17. As at the date of this Report on the Plan of CAI, the Administrative Reserve is estimated to be between \$2.4M and \$4.1M for all Plans. The Administrative Reserve estimates are calculated using the projected collections and disbursements from the week ending December 16, 2023, up until March 30, 2024. These estimates are dependent notably upon projected collections and disbursements from the week ending November 4, 2023, until the week ending December 9, 2023. The amount of the Administrative Reserve is expected to be established and confirmed as part of the Sanction Order to be sought upon approval of the Plan, at which time the current estimates will have been updated by the Monitor.
18. The Administrative Reserve will be considered in the final determination of the Allocated Net Proceeds, to be calculated in accordance with the Allocation Methodology.
19. The Plans also provide for the constitution of a Disputed Claims Reserve in relation to any remaining Disputed Claims at the time of the distribution to the Affected Creditors, if any.
20. In the event that there is a non-significant amount remaining in the above-noted reserves, the Plans authorize the Monitor to determine the amount that should be distributed to EDC based on the pro-rata of the total recoveries received by EDC pursuant to all of the Plans and the EDC Support Agreement (established with the consent of EDC or as determined by the Court), and to donate any remaining balance to the charitable organizations Centraide du Grand Montréal and Welcome Collective equally. This is a fair solution in the context where the costs of a subsequent distribution would not be justified given the amount available to be distributed.

#### **C. PLAN RELEASES AND DISCHARGES**

21. The Plan provides for the full and final release and discharge, at the Implementation Date, of

(i) the Plan Debtor, as well as (ii) the Directors, Officers and the Plan Debtor's Employees, (iii) the Plan Debtor's legal counsel, financial advisors, consultants and agents in relation to the CCAA Proceedings and the U.S. Case, (iv) the Foreign Representative's legal counsel and agents in relation to the U.S. Case, (v) the Monitor and the Monitor's legal counsel in relation to the CCAA Proceedings and the U.S. Case, and of (vi) certain other persons forming part of the definition of Released Parties, in respect to any and all claims except, in relation to the Plan Debtor, an (1) Unaffected Claim, (2) any Claim that cannot be released pursuant to the CCAA, or (3) any Claim listed in subsection 19(2) CCAA to the extent that such Claim is held by a Creditor who has not voted in favor of the Plan and who is not deemed to have voted in favor of the Plan.

22. No release shall be provided in respect of matters set out at Section 5.1(2) CCAA.

#### **D. AUTHORIZATION PROVIDED TO THE PETITIONERS BY THE CREDITORS OF A PETITIONER TO VOTE IN THE OTHER PETITIONER PLANS**

23. Since the Distribution Proceeds include the dividends received by the Plan Debtor pursuant to the Plans of certain other Petitioners, a key component of the Plan in relation to the intercompany Proven Claims is to provide for (i) the assignment of the votes attached to these claims to the Affected Creditors, and the (ii) nomination and appointment of the Monitor by the Affected Creditors to attend, act and vote on behalf of them in favor of the plan of such other Petitioner, namely the Petitioner in relation to whom an intercompany Proven Claim is asserted.

#### **E. REVIEWABLE TRANSACTIONS**

24. The Plan provides that notwithstanding Section 36.1 CCAA, Sections 38 and 95 to 101 of the BIA as well as any other Canadian or foreign legislation relating to preferences, fraudulent conveyances, transfers at undervalue or Paulian action shall not apply to the Plan or to any payments or distributions made in connection with transactions entered into by or on behalf of the Plan Debtor, whether before or after the Determination Date, including all payments, distributions and transactions contemplated by and to be implemented under the Plan.

25. As part of the CCAA Proceedings, the Monitor has performed a review of intercompany transactions and payments and has reported to the Court from time to time regarding same. The Monitor has not identified any transactions or payments that it considers could be successfully challenged under sections 95 to 101 of the BIA, and that would likely allow for a recovery for the unsecured creditors.

#### **F. PLAN IMPLEMENTATION CONDITIONS**

26. Pursuant to the Plans, Plan Implementation will occur upon fulfillment of the Plan Implementation Conditions, which include:

- a) Approval of the Plan by the Required Majority of Affected Creditors at the Creditors' Meeting;
- b) Issuance of the Sanction Order at the latest by December 31, 2023, which shall become a Final Order;
- c) Issuance of the U.S. Recognition Order at the latest by February 9, 2024, which shall become a Final Order;
- d) Approval of the Plans (other than the Plan of the Plan Debtor), as well as sanction and recognition of same.

27. Upon fulfilment of the Plan Implementation Conditions, the Monitor will issue and file with the Court its Certificate of Implementation.

**III. ESTIMATED DISTRIBUTION TO AFFECTED CREDITORS HOLDING A PROVEN CLAIM IN RESPECT OF CAI PURSUANT TO THE PLAN**

28. At Appendix D of the Twelfth Report, the Monitor provided the Estimated Distribution Analysis for Creditors of the various entities in respect of which Plans were filed.
29. As also detailed in the Twelfth Report, since the outset of the CCAA Proceedings, the Petitioners, with the assistance of the Monitor, have focused on the objective of preserving the going concern value of their various businesses and maximizing recovery in the context of a comprehensive sale process which ultimately resulted in 13 transactions, under the supervision of the Monitor and of the Court.
30. Following the closing of the transactions and the collection of the net sale proceeds relating thereto, the Monitor prepared and presented to the Court a method of allocation as between the various estates of the net proceeds from these transactions, as well as intercompany transactions, restructuring costs, secured debt reimbursements and interim financing costs, which method was ultimately approved by the Court pursuant to the Allocation Order.
31. Furthermore, the estimated distributions to the Affected Creditors of the Plan Debtors were also dependent on the outcome of discussions and negotiations with EDC, which ultimately resulted in the execution of the EDC Support Agreement, which was approved by the Court pursuant to the Plan Filing and Meeting Order.
32. The application of the Allocation Order and the Allocation Methodology approved by the Court therein results in a specific recovery for Affected Creditors holding a Proven Claim, calculated on an estate-by-estate basis and, accordingly, recoveries vary from estate to estate.
33. In an effort to summarize the relevant information for the Affected Creditors, the Monitor has prepared the following table which shows the estimated ranges of recovery for the Affected Creditors with Proven Claims of CAI, according to information available as of November 13, 2023:

XEBEC ADSORPTION INC. & AI. Estimated Recovery for the Unsecured Creditors In CAD	CAI					
	High			Recovery - Low		
	#	Claims \$	Average %	#	Claims \$	Average %
<b>Unsecured Creditors - Estimated recovery</b>						
Unsecured claims less than 2,000	2	1,143	105.4%	2	1,143	105.4%
Unsecured claims between 2,000-10,000	7	39,009	105.4%	7	39,009	105.4%
Unsecured claims between 10,000-25,000	0	-	0.0%	0	-	0.0%
Unsecured claims between 25,000-50,000	1	34,004	105.4%	2	62,076	105.4%
Unsecured claims between 50,000-100,000	2	142,558	105.4%	2	142,558	105.4%
Unsecured claims over 100,000	1	153,777	105.4%	1	153,777	105.4%

<b>Funds Available for distribution to Unsecured Creditors</b>		<b>1,308,829</b>			<b>1,338,427</b>	

34. In preparing the table above and the high and low scenarios that are included therein, the Monitor has relied upon various hypotheses and estimates which could impact the scope of recovery. These hypotheses and estimates notably include (i) potential recovery in the context of the settlement or litigation with London RNG, (ii) resolution, negotiation and final determination of certain Claims, (iii) final determination of the quantum of post-filing obligations, (iv) payments to and/or collections from tax authorities, (v) scope of professional fees, (vi) a potential draw on the Enbridge LC, and (vii) the amount of the Administrative Reserve.

35. Future oriented financial information referred to in this Report on the Plan of CAI was prepared based on Management's estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant.

#### IV. **ESTIMATED DISTRIBUTION TO CREDITORS OF CAI IN A LIQUIDATION OR BANKRUPTCY SCENARIO**

36. The Monitor has prepared an analysis to estimate the net realization value of the Petitioners' assets in the context of a bankruptcy scenario (the "**Liquidation Analysis**"), for the purpose of allowing the Affected Creditors to understand what their projected recovery could be in the event that the Plan is not approved by the Required Majority of the Affected Creditors. The Liquidation Analysis is intended to allow the Affected Creditors to assess the fairness and reasonableness of the Plan.

37. The Liquidation Analysis is provided in the table below:

XEBEC ADSORPTION INC. & AI. Estimated Recovery for the Unsecured Creditors In CAD	CAI		
	Liquidation		
	#	Claims \$	Average %
<b><u>Unsecured Creditors - Estimated recovery</u></b>			
Unsecured claims less than 2,000	2	1,143	91.3%
Unsecured claims between 2,000-10,000	7	39,009	91.3%
Unsecured claims between 10,000-25,000	0	-	0.0%
Unsecured claims between 25,000-50,000	2	62,076	91.3%
Unsecured claims between 50,000-100,000	2	142,558	91.3%
Unsecured claims over 100,000	1	153,777	91.3%
Unsecured claim EDC	0	-	0.0%
Unsecured claims Interco	3	870,831	91.3%
<b>Total - Unsecured Creditors</b>	<b>17</b>	<b>1,269,393</b>	<b>91.3%</b>
<b>Funds Available for distribution to Unsecured Creditors</b>		<b>1,159,264</b>	

38. Furthermore and despite the Liquidation Analysis which presumes no litigation given that the Allocated Net Proceeds of CAI are estimated to be sufficient to repay the Proven Claims against CAI in full, the estimated recovery for unsecured creditors is likely to be negatively affected in such a context, as such a scenario could entail, *inter alia*, (i) significant professional fees related to migrating the proceedings into bankruptcy, (ii) trustee or other bankruptcy and liquidation fees, and (iii) significant costs and delays associated with potential litigation between EDC and the unsecured creditors in certain estates, with an unknown result and impact for the unsecured creditors.

39. The net realization value of the Petitioners' assets in a bankruptcy or liquidation scenario is based on the Monitor's current best estimates, and are based on various assumptions that could vary in the future and have a negative impact on the estimated recovery for unsecured creditors. They are also based on the advice of legal advisors and on the Monitor's experience in similar proceedings, regarding complex and cross-border insolvency proceedings.

#### V. **HOW TO VOTE ON THE PLAN**

Upon receipt by the Monitor of the Registration Form, you will be provided with the credentials to attend the Creditors' Meeting through a videoconference platform.
43. If the amount of your Proven Claim is equal or inferior to \$2,000 (and thus paid in full pursuant to the terms of the Plan), you are deemed to vote in favor of the Plan and therefore no action is required, unless you wish to nevertheless vote against the Plan.

## VII. CONCLUSIONS AND RECOMMENDATION

46. The Petitioner firmly believes that the Plan provides for the best possible outcome for the Affected Creditors, including as compared to a bankruptcy or liquidation scenario.
47. The Monitor believes that the Plan will allow the Affected Creditors holding a Proven Claim to receive a greater recovery significantly faster than in the context of a bankruptcy/liquidation scenario and avoids the uncertainties and risks resulting therefrom. Accordingly, the Monitor **recommends** that the Affected Creditors **vote in favor of the resolution to approve the Plan**.
48. The Monitor is of the opinion that the Petitioners have acted, and are acting, in good faith and with diligence. Accordingly, the Monitor is of the view that the Plan is fair and reasonable.

If any Affected Creditor's distribution in respect of its Affected Claim is returned as undeliverable or is not cashed ("**Undelivered Distribution**"), no further distributions to such Creditor shall be made unless and until the Plan Debtor or the Monitor are notified in writing by such Creditor of its current address or wire particulars ("**Undelivered Distribution Notification**") and such Undelivered Distribution Notification is provided to the Plan Debtor or the Monitor prior to the Undelivered Distribution Notification Deadline. No interest is payable in respect of an Undelivered Distribution. Any claim for an Undelivered Distribution must be made before the date that is four (4) months following the date of issuance of the Certificate of Implementation, and as at such date, the claim of such Creditor with respect to the Undelivered Distribution shall be forever discharged and forever barred, without any compensation therefor, at which time the cash amount held by the Monitor in relation to such Undelivered Distribution shall be distributed to Centraide du Grand Montréal and Welcome Collective equally. Nothing contained in the Plan or the Sanction Order shall require the Plan Debtor or the Monitor to attempt to locate any Person to whom a distribution is payable hereunder.

## 5.10 Tax Matters

- (a) Any terms and conditions of any Affected Claims which purport to deal with the ordering or grant of priority of payment of principal, interest, penalties or other amounts shall be deemed to be void and ineffective.
- (b) Notwithstanding any provisions of the Plan, and except as otherwise provided in this Section 5.10, each Person that receives a distribution, disbursement or other payment pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any Tax Obligations imposed on such Person by any Taxing Authority on account of such distribution, disbursement or payment.
- (c) Any payor shall be entitled to deduct and withhold and remit from any distribution, payment or consideration otherwise payable to any Person pursuant to the Plan such amounts as are required (a “**Withholding Obligation**”) to be deducted and withheld with respect to such payment under the ITA, or any provision of federal, provincial, territorial, state, local or foreign tax law, in each case, as amended or succeeded. No distribution, payment or other consideration shall be made to or on behalf of a Person until such Person has delivered to the Monitor and the Plan Debtor such documentation prescribed by Applicable Law or otherwise reasonably required by the Plan Debtor as will enable the Plan Debtor to determine whether or not, and to what extent, such distribution, payment or consideration to such Person is subject to any Withholding Obligation imposed by any Taxing Authority.
- (d) All distributions made by the Monitor pursuant to the Plan shall be first in satisfaction of the portion of Affected Claims that are not subject to any Withholding Obligation.
- (e) To the extent that amounts are withheld or deducted and paid over to the applicable Taxing Authority, such withheld or deducted amounts shall be treated for all purposes of the Plan as having been paid to such Person as the remainder of the payment in respect of which such withholding and deduction were made.
- (f) For the avoidance of doubt, it is expressly acknowledged and agreed that the Monitor and any Director or Officer will not hold any assets hereunder, including cash, or make distributions, payments or disbursements, and no provision hereof shall be construed to have such effect.

### **6.3 Injunctions**

The Sanction Order will enjoin the prosecution by or on behalf of any Person, whether directly, derivatively or otherwise, of any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, liability or interest released, discharged or terminated pursuant to the Plan.

For greater certainty, upon the issuance of such Certificate of Non-Implementation, any settlement of the Affected Claims shall automatically become null, void and of no effect whatsoever and shall remain owing by the Plan Debtor and neither the Plan Debtor, the Affected Creditors, the Monitor nor any other Person affected by the Plan shall be bound, obliged or affected by any of the provisions of the Plan.

- (b) after the Creditors' Meeting (and both prior to and subsequent to the obtaining of the Sanction Order), the Plan Debtor may, with the consent of the Monitor, at any time and from time to time vary, amend, modify or supplement the Plan, without the need for obtaining an Order of the Court or providing notice to the Affected Creditors if the Monitor determines that such variation, amendment, modification or supplement would not be materially prejudicial to the interests of the Affected Creditors under the Plan or the Sanction Order and is necessary in order to give effect to the substance of the Plan or the Sanction Order. All of the foregoing shall not

require any further vote by or approval by the Affected Creditors or any approval by the Court.
