NOTICE OF MOTION
(returnable December 18, 2018)

Deloitte Restructuring Inc., in its capacity as receiver (the “**Receiver**”) of Sage Gold Inc. (“**Sage**”), will make a motion to a judge on Tuesday, December 18, 2018, at 10 am or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto.

PROPOSED METHOD OF HEARING: The motion is to be heard:

- in writing under subrule 37.12.1(1) because it is on consent or unopposed or made without notice;
- in writing as an opposed motion under subrule 37.12.1(4);
- orally.

THE MOTION IS FOR:

- (a) An Order (the “**Priority Claims Order**”),
- (i) abridging the time for service of this Notice of Motion, the Motion Record and the Factum of the Receiver and dispensing with any further service thereof;

- (ii) creating a limited claims process to determine the validity and priority of any claims against Sage and its property, which rank in priority to the claims of Sage' senior secured creditor, CRH Funding II PTE Ltd. ("**CRH**");
 - (iii) approving the Second Report of the Receiver to the Court, dated December 12, 2018 (the "**Second Report**") and the activities of the Receiver and its legal counsel set out therein, including the Receiver's Statement of Receipts and Disbursements set out therein; and,
 - (iv) amending the order of the Honourable Justice Dunphy dated July 30, 2018 appointing the Receiver (the "**Receivership Order**") to increase the Receiver's Borrowing Charge (as defined in the Receivership Order) to \$2,000,000; and,
- (b) Such further and other relief as to the Court may seem just.

THE GROUNDS FOR THE MOTION ARE:

Background

- (a) On July 30, 2018, the Honourable Justice Dunphy granted the Receivership Order, appointing Deloitte Restructuring Inc. as Receiver pursuant to s. 243 of the *Bankruptcy and Insolvency Act* ("**BIA**") and s. 101 of the *Courts of Justice Act* (Ontario) of all the assets, undertakings and property of Sage;
- (b) The Receivership Order authorizes the Receiver to market and sell the property of Sage;
- (c) Sage is a Toronto based company incorporated pursuant to the Ontario *Business Corporations Act*;

- (d) Sage's principal assets are mining interests in properties located in Ontario;
- (e) On August 27, 2018, the Honourable Justice Hainey granted an order (the "**SISP Order**") approving a sale and investor solicitation procedure (the "**SISP**") to facilitate a transparent and efficient investment in Sage or a sale of its assets to maximize recovery for its estate;
- (f) The terms of the SISP Order require the Receiver to return to this Court to seek approval of any transaction generated through the SISP and definitive documentation related thereto;
- (g) Pursuant to the SISP Order and in accordance with the terms of the SISP, the Receiver conducted a two-phase solicitation process;
- (h) By the Phase 2 Bid Deadline (as extended by the Receiver), the Receiver received a number of bids from Qualified Phase 2 Bidders (as those terms are defined in the SISP). The Receiver is currently in negotiations with Qualified Phase 2 Bidders regarding potential transactions for the sale of Sage's assets, including pursuant to a credit bid by Sage's secured creditor, CRH;
- (i) The Receiver's legal counsel has conducted a review of CRH's security interest in Sage's property and has provided a written opinion confirming that CRH has a legal, valid and binding security against Sage under a gold prepayment agreement entered into between Sage and CRH, dated November 17, 2016 and related debentures;
- (j) If the parties to a proposed sale transaction agree on definitive documentation, the Receiver expects to return to the Court to seek approval of the proposed sale;

Grounds for the Priority Claims Order

- (k) If the Receiver elects to close a cash bid and/or CRH's credit bid, the validity and priority of claims that rank ahead of CRH's security will need to be determined in order to ensure the appropriate distribution of proceeds (if any). Moreover, the CRH credit bid contains a condition requiring the value of priority claims to be equal to or less than a specific cap.
- (l) The Receiver has identified a number of parties who may wish to assert claims against Sage's estate, including parties who have asserted construction liens against Sage and its properties;
- (m) The Receiver has determined that it is necessary to conduct a limited claims process in order to determine whether any valid creditor claims exist, including any valid construction lien claims, and their rank in priority. In consultation with CRH, the Receiver designed such a process, which is provided for in the Priority Claims Order;
- (n) The Priority Claims Order would provide a claims bar date of January 28, 2019, by which time claimants must deliver certain prescribed information and documents to the Receiver (the "**Priority Claims Bar Date**");
- (o) All claims against Sage's estate not received by the Priority Claims Bar Date would be forever and irrevocably barred pursuant to the Priority Claims Order;
- (p) The Priority Claims Order would require the Receiver to give notice of the Order and the Priority Claims Bar Date to parties that it identifies as likely to assert a claim against Sage or its property;
- (q) The Priority Claims Order provides a fair and reasonable process to determine the existence and priority of any claims against Sage and is necessary to ensure that valid priority claims will be satisfied in the

event that Sage's assets vest in a purchaser pursuant to any Court-approved sale;

Grounds for Approval of the Second Report and the Receiver's Activities

- (r) The activities of the Receiver and its legal counsel, as described in the Second Report, are lawful and proper, and consistent with its powers and duties under the Receivership Order;
- (s) The statement of receipts and disbursements contained in the Second Report are accurate and reflect the diligent administration of Sage's estate by the Receiver;

Grounds for Increasing the Receiver's Borrowings Charge

- (t) The Receivership Order granted a priority charge in favour of the Receiver over Sage's property in the amount of \$1,000,000 as security for the payment of monies borrowed to fund this receivership plus interest, subject to increase by order of this Court (the "**Receiver's Borrowings Charge**");
- (u) To date, CRH has advanced \$899,000 of funding to the Receiver for the administration of this receivership through Receiver's Certificates;
- (v) Based on the estimated timeline to complete a sale of Sage's assets and complete the administration of its estate, and given the ongoing operational, regulatory, insurance and professional costs attendant on administering Sage's properties, the Receiver believes it is necessary to increase the amount of the Receiver's Borrowings Charge to \$2,000,000;
- (w) The increase in the amount of the Receiver's Borrowings Charge sought by the Receiver is reasonable and necessary and is supported by CRH;

Other Grounds for this Motion

- (x) The circumstances that exist make the Orders sought by the Receiver appropriate;
- (y) The provisions of the BIA, as amended, and this Honourable Court's equitable and statutory jurisdiction thereunder;
- (z) The grounds set out in the First Report of the Receiver and in the Second Report;
- (aa) Section 243 of the BIA;
- (bb) Section 101 of the *Courts of Justice Act* (Ontario); and,
- (cc) Such other grounds as counsel may advise.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (a) The Order of the Honourable Justice Dunphy, dated July 30, 2018;
- (b) The Order of the Honourable Justice Hainey, dated August 29, 2018;
- (c) The Second Report of the Receiver to the Court, dated December 12, 2018; and,
- (d) Such further material as counsel may advise and this Honourable Court may permit.

INTRODUCTION AND PURPOSE OF REPORT

1. Pursuant to an Order (“**Receivership Order**”) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated July 30, 2018 (“**Receivership Date**”), Deloitte Restructuring Inc. (“**Deloitte**”) was appointed as receiver (the “**Receiver**”) of all of the assets, undertakings and properties of Sage Gold Inc. (“**Sage**” or the “**Company**”) acquired for, or used in relation to business carried on by Sage (the “**Property**”) pursuant to section 47 of the *Bankruptcy and Insolvency Act* (Canada), R.S.C. 1985, c. B-3, as amended (the “**BIA**”) and section 101 of the *Courts of Justice Act*, R.S.O., 1990, C-43 (“**CJA**”) . A copy of the Receivership Order is attached hereto as **Appendix “A”**.
2. The application for the appointment of Deloitte as the Receiver pursuant to section 243 of the BIA and section 101 of the CJA over the Property made on July 13, 2018 by CRH Funding II Pte. Ltd. (“**CRH**”), the senior secured creditor of the Respondent, was opposed by the Company. At that time, the Court found it appropriate in the circumstances to make an Order for the appointment of Deloitte as an interim receiver (“**Interim Receivership Order**”) pending resolution of the Company’s opposition to the appointment at a subsequent hearing. On July 30, 2018, Mr. Justice Dunphy heard arguments from CRH, Deloitte (as interim receiver) and the Company, ultimately granting the Receivership Order. A copy of the Interim Receivership Order is attached hereto as **Appendix “B”**.
3. Background information summarizing Sage’s receivership proceedings to August 21, 2018 is included in the Report of the Proposed Receiver, Report of the Interim Receiver and Receiver’s First Report, all of which are attached, without appendices, as **Appendix “C”**, “**D**” and “**E**”, respectively.
4. As previously discussed and in the First Report, the Company’s assets consist of the Clavos property (the “**Clavos Property**”) located near Timmins and the Onaman property northeast of Thunder Bay (the “**Onaman Property**”), each as more fully described in the affidavit of Andrew Wehrley dated July 10, 2018.

5. On August 29, 2018, the Court granted an Order to approve the Sale and Investment Solicitation Process (the “**SISP Order**”), attached hereto as **Appendix “F”**. The SISP Order, among other things, authorizes and directs the Receiver and its agent, Deloitte Corporate Finance Inc. (“**DCFI**”) to carry out the activities in connection with the sale of all or substantially all of the properties Sage as prescribed in the SISP (the “**SISP**”).
6. The Receivership Order and the SISP Order, together with related Court documents including Deloitte’s previously issued reports and this second report of the Receiver (the “**Second Report**”) have been posted on the Receiver’s website at: www.insolvencies.deloitte.ca/en-ca/sagegoldinc .
7. The purpose of this Second Report is to provide this Honourable Court with information regarding the following:
 - a. The Receiver’s activities since the date of the First Report; and
 - b. Respectfully recommend that this Honourable Court make orders:
 - i) Approving the Priority Claims Process;
 - ii) Approving the Receiver’s Interim Statement of Receipts and Disbursements for the period from August 18, 2018 to December 7, 2018;
 - iii) Approving an increase to the maximum principal amount of the Receiver’s borrowing and the Receiver’s Borrowings Charge (as defined in the Receivership Order) from \$1.0 million to \$2.0 million;
 - iv) Approving the activities of the Receiver since August 21, 2018; and
 - v) Providing such other relief that this Honourable Court considers just and warranted in the circumstances.

8. Unless otherwise stated, all dollar amounts contained in this Second Report are expressed in Canadian dollars.
9. Unless otherwise provided, all other capitalized terms not otherwise defined in this Second Report are as defined in the Receivership Order or the Receiver's previously issued reports.

TERMS OF REFERENCE

10. In developing this Second Report, the Receiver has relied upon unaudited financial information prepared by the Company's management ("**Management**"), the Company's books and records and discussions with its management. The Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards pursuant to be the *Chartered Professional Accountants Canada Handbook* and, accordingly, the Receiver expresses no opinion or other form of assurance in respect of the information.

RECEIVER'S ACTIVITIES

11. Since the First Report, the Receiver has undertaken the following activities in accordance with the terms of the Receivership Order:

Administrative activities

- a. On August 13, 2018, notified the Company's counsel, Ormston List Frawley LLP, of the intention to terminate lease of Corporate Office of Sage Gold Inc. located at 808, 67 Yonge Street, Toronto, Ontario, Canada;
- b. On August 16, 2018, terminated the head office lease and issued a final payment to Davpart Inc. (the "**Landlord**") for the post receivership period;
- c. Filing post-receivership Harmonized Sales Tax ("**HST**") returns, corresponding with Canada Revenue Agency ("**CRA**") in respect of trust audits and filing requirements. CRA has completed its trust audits

and there are no HST amounts or payroll source deductions outstanding that would stand in priority over CRH's secured indebtedness;

- d. Reviewing correspondence from CRA to the Company outlining a proposed reassessment on the pre-receivership balance for unpaid HST on Sage's outstanding accounts payable. The preliminary amount is approximately \$1.1 million, which appears to be an unsecured claim.
- e. Administering the *Wage Earner Protection Program Act*, for a former employee;
- f. Co-ordinated with Hub International HKMB, the Company's insurance broker, and Chubb Insurance Co. of Canada, the Company's insurer, to continue and extend the current insurance plan to December 31, 2018;
- g. Instructing McMillan LLP, the Receiver's independent legal counsel ("**McMillan**"), to conduct a review of the CRH's security and the construction liens;
- h. Engaging former employees to assist with the creation of the data room and to respond to questions from prospective purchasers in respect of Sage's geological data, resource calculations and other business matters;
- i. Corresponding with several creditors, stakeholders and other interested parties during the administration; and
- j. Conducting the SISP as described in more detail below, including negotiating the terms of the APA.

Clavos mine activities

- k. Co-ordinating, through the continued engagement of Ritchie Services:
 - i. ongoing Care and Maintenance Program at the Clavos Property;

- ii. continued environmental testing and regulatory and compliance reporting; and
- l. Identifying, through Ritchie Services, the specific needs and areas for winterization and implementing the logistics to mitigate the risks of cold weather hazards at the Clavos Property. The Receiver, among other things, made arrangements for the supply of propane to the mine, the purchase of necessary materials to seal the mine's portal for winter, the completion of the heat inspection on-site and secured the rental of 13 million BTU heater from a supplier.

Environmental Regulatory Matters

- m. Completing the renewal of the Permit to Take Water application for both ground and surface water on behalf of Sage. Sage's application for ground water and surface water were submitted to the Ministry during the week ended November 29, 2018;
- n. As reported previously, the Receiver has continued to conduct regular conference call meetings with representatives of the Ministry of Environment, Conservation and Parks ("MOECP") and the Ministry of Northern Development, Mines and Forestry ("MNDMF"), collectively referred to as "Ministries". The Receiver discussed the status and activities at the Clavos Property and verbally communicated to the Ministries information regarding the current status of Sage's environmental compliance obligations at the Clavos Property; and
- o. Reviewing a draft report resulting from the Ministries' visit during July 2018.

SALE AND INVESTOR SOLICITATION PROCESS

- 12. As discussed in the First Report of the Receiver, the Receiver and its legal counsel developed the SISP with respect to the marketing and sale of the Property and solicitation of investment proposals from interested parties. The Honourable Court approved the SISP Order on August 29, 2018.

13. Following the granting of the SISP Order, the Receiver undertook the following steps in accordance with the requirements of the SISP:

- a. DCFI, in consultation with the Receiver, developed an initial offering summary (the “**Teaser**”) and a confidential information memorandum (the “**CIM**”). A copy of Teaser is attached as **Appendix “G**”;
- b. DCFI identified and contacted 142 potential purchasers (“**Known Potential Bidders**”), primary global mining producers, operators, and investors with a focus in North America as well as other relevant parties. All Known Potential Bidders, were provided a copy of the Teaser and a confidentiality agreement (“**Confidentiality Agreement**”);
- c. Any party who expressed an interest in the Property was required to sign the Confidentiality Agreement in order to receive further information. Subsequent to which, the parties were provided access to an electronic data room (the “**Data Room**”) containing detailed financial, technical and other relevant information;
- d. On September 14, 2018, the Receiver issued a press release in the Canadian Newswire announcing the SISP and providing the Receiver’s contact information for interested parties. A copy of the press release is attached as **Appendix “H**”;
- e. 15 parties executed the Confidentiality Agreement and each was determined to be a “**Potential Bidder**” in accordance with the SISP and were provided with the CIM and access to the Data Room;
- f. Of those 15 parties, seven (7) withdrew from the process and eight (8) submitted a non-binding indications of interest to acquire all, or substantially all of Sage’s Property or to invest in Sage (each a “**Non-Binding Indication of Interest**”) which were delivered to the Receiver on or before 5:00 p.m. (Toronto time) on September 28, 2018 (the “**Phase 1 Bid Deadline**”);

- g. The Receiver, in conjunction with DCFI, reviewed the eight (8) Non-Binding Indications of Interest and determined that six (6) parties would each be designated as a “**Qualified Phase 1 Bid**” and each bidder was accepted as a “**Qualified Phase 2 Bidder**” based on the criteria set out in the SISP. The Receiver promptly notified each party;
- h. In accordance with the SISP, CRH issued a bid notice (the “**Bid Notice**”) to the Receiver identifying its intention to participate in Phase 2 and setting out the general terms of its potential credit bid. CRH also executed a Confidentiality Agreement and subsequently it was deemed to be a Qualified Phase 2 Bidder;
- i. The Receiver arranged introductory teleconference calls with each Qualified Phase 2 Bidder and facilitated the due diligence process;
- j. To facilitate ongoing negotiations and to allow additional time for further due diligence, the Receiver exercised its discretion twice to extend the Phase 2 bid deadline, ultimately to November 12, 2018 (the “**Final Phase 2 Bid Deadline**”);
- k. Currently the Receiver has received a number of Phase 2 bids and is currently in negotiations with Qualified Phase 2 Bidders in an attempt to finalize one or more transactions for the sale of Sage’s assets and expects to return to this Honourable Court in the near term in order to seek the approval of such a transaction(s).

INDEPENDENT LEGAL REVIEW OF CRH SECURITY

15. At the Receiver’s request, its counsel McMillan conducted a review of, and provided an opinion on validity and enforceability of certain security granted in connection with the Gold Prepayment Agreement dated as of November 17, 2016 (the “**GPA**”) between CRH as purchaser and Sage as seller of gold deliveries.
16. McMillan has provided a written opinion confirming that CRH’s security:
- a. Constitutes legal, valid and binding obligations against Sage under the GPA and the Debentures;
 - b. Has been duly registered, filed or recorded in the province of Ontario; and
 - c. Has remained registered against title to the lands and the property charged.

CONSTRUCTION LIENS AND PRIORITY CLAIMS

17. The Receiver notes that under the terms of CRH credit bid, the purchaser's obligation to close the transaction is conditional on the value of any valid claims that rank ahead of CRH's security being less than or equal to a specified cap. In addition, if the Receiver elects to close a cash bid, priority claims will also need to be determined to ensure appropriate distribution of the proceeds. Accordingly, the Receiver is of the view that a reasonable process (as described in more detail below) for determining the quantum and validity of any priority claims will be necessary to complete the administration of the estate.
18. At this time, the Receiver has received eight (8) construction liens that were filed against Sage and its property (the "**Construction Liens**") on or before the Interim Receivership Order date which led to commencement of the Receivership proceeding.
19. As the result of the WEPPA administration and the audit conducted by CRA, the Receiver is of the view that the only potential creditors with a potential claim in priority to CRH may be the Construction Liens.
20. Based on the Receiver's review and the nature of the potential bids noted above, in conjunction with its counsel, McMillan, the Receiver is of the view that a limited claims process to determine whether any priority claims rank in priority to CRH's security is necessary in the circumstances. In consultation with the CRH as Purchaser, the Receiver designed a priority claims process, which is set out in the draft Priority Claims Order attached to the motion record of the Receiver (the "**Priority Claims Process**").
21. The key terms of the Priority Claims Process are as follows:
 - Within five (5) business days of the granting of the Priority Claims Order, the Receiver will provide written notice of the Priority Claims Process and the claims bar date of January 28, 2019 (the "**Priority Claims Bar Date**") to (i) all known potential priority claimants listed in Sage's books and records; (ii) all persons

with registered construction liens against Sage's property; and all persons that have registered an interest against Sage under the *Personal Property Security Act* (Ontario);

- The Receiver will also publish notice of the Priority Claims Bar Date for one (1) business day, in *The Globe and Mail* (National Edition) and the *Timmins Daily Press*;
- By the Priority Claims Bar Date, any person asserting a priority claim must delivery to the Receiver information and supporting documentation necessary to establish such person's priority claim, including evidence of the quantum of such claim and the basis on which it ranks in priority to CRH's security. If a construction lien claim is asserted, the claimant must include additional specific information set out in the Priority Claims Order. Any person who fails to submit a priority claim to the Receiver by the Priority Claims Bar Date will be forever barred from asserting such a priority claim and that claim will be designated as a "Barred Priority Claim" and be forever extinguished as against the assets and property of Sage;
- The Receiver will review all priority claims (and supporting materials) and shall accept, settle or dispute the amount or priority of each such asserted priority claim;
- If the Receiver, in consultation with CRH, as secured creditor, is unable to resolve a particular asserted priority claim and wishes to dispute such claim, the Receiver shall deliver a notice of dispute (in the form attached to the Priority Claims Order) to such claimant setting out in detail the basis upon which the claim is disputed. Any notices of dispute must be delivered by the Receiver by no later than February 4, 2019; and
- The Receiver, in consultation with CRH, may at any time refer a disputed priority claim (or a portion thereof) to this Court for adjudication. In addition, a priority claimant may seek directions of this Court in respect of the Priority Claims Process.

22. The Receiver believes that the Priority Claims Process, including the Priority Claims Bar Date, is a fair and reasonable way of determining the quantum and validity of any priority claims, which will allow the Receiver to expeditiously complete one or more sales transactions for the benefit of Sage and its stakeholders.
23. Finally, as the bids that are currently under consideration by the Receiver in respect of the Clavos Property each contemplate assumption of the various net smelter return royalty agreements to which Sage's the Clavos Property is subject, the Receiver does not anticipate requiring the counterparties to those contracts to file priority claims in the Priority Claims Process.

RECEIVER'S INTERIM RECEIPTS AND DISBURSEMENTS

24. Attached hereto as **Appendix "I"**, is the Interim Statement of Receipts and Disbursements for the period August 18, 2018 to December 7, 2018 (the "**Interim R&D**"). As at December 11, 2018, the closing cash balance was approximately \$90,000.

RECEIVER'S BORROWINGS AND ADDITIONAL FUNDING REQUIREMENT

25. As noted in previous reports the Care and Maintenance Program and the receivership costs have been principally funded by Receiver's Certificates. To date, CRH has provided \$899,000 in funding through Receiver's Certificates, which is approaching the \$1.0 million principal limit prescribed in the Receiver's Borrowing Charge in paragraph 19 of the Receivership Order.
26. Based on the estimated timelines to close a sale and costs that will continue to be incurred, it is apparent that the current expenditures will in aggregate exceed the Receiver's Borrowings Charge of \$1.0 million. The Receiver intends to fund the ongoing Care and Maintenance Program, such as winterization, environmental and water management, regulatory compliance, insurance costs, professional fees and other costs up to the anticipated closing of a sale transaction.
27. The Receiver is of the view that such borrowings are necessary and appropriate in the circumstances.

28. Accordingly, the Receiver is seeking authorization to borrow up to \$2.0 million, an increase of \$1.0 million in the Receiver's Borrowing Charge. CRH supports the Receiver's proposed increase in required borrowings.

CONCLUSIONS AND RECOMMENDATIONS

29. We submit this Second Report to in support of the Receiver's motion to this Honourable Court making orders:

- a. Approving the Priority Claims Process;
- b. Approving the Receiver's Interim Statement of Receipts and Disbursements for the period from August 18, 2018 to December 7, 2018;
- c. Approving an increase to the maximum principal amount of the Receiver's Borrowing and the Receiver's Borrowing Charge (as defined in the Receivership Order) from \$1.0 million to \$2.0 million;
- d. Approving the activities of the Receiver since August 21, 2018; and
- e. Providing such other relief that this Honourable Court considers just and warranted in the circumstances.

All of which is respectfully submitted at Toronto, Ontario this 12th day of December, 2018.

Lawyers for the Applicant

30 July 2018

Mr Rober appeared - he is in the process of being retained by the directors of the debtor but has not yet been retained. He asked for an adjournment of the motion which I denied. The IR's report demonstrates the urgent need for a properly funded custodian of this asset and there is no credible alternative to the receiver before me. Counsel for the Ministry is not opposed. Paragraph 3(k) and paragraph 9 of the draft order amended by me to ensure the Debtor - if actively and seriously pursuing a restructuring alternative to receivership - will have an opportunity to make that case. Para 16 has been vetted by the Crown who is not opposed. Draft Order signed as amended.

Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and

NO PROCEEDINGS AGAINST THE DEBTOR OR THE PROPERTY

8. THIS COURT ORDERS that no Proceeding against or in respect of the Debtor or the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Debtor or the Property, including the proceedings commenced by Toromont Industries Ltd., carrying on business as Battlefield Equipment Rentals, against the Debtor and the Applicant before the Ontario Superior Court of Justice in the Court file number CV-18-00000097-0000, are hereby stayed and suspended pending further Order of this Court, and that any Proceedings seeking to challenge the validity of the Applicant's claim against the Debtor or priority of the Applicant's security interest against its Property shall be brought before this Court, in the context of the present receivership proceedings.

12. THIS COURT ORDERS that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "Post Receivership Accounts") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession. The Receiver shall be deemed not to have taken possession of any of the Property for the purposes of Environmental Legislation for the first 10 days after the date of this order while it assesses the environmental condition of the Property and the requirements for completing the process of placing the Debtor's mines on care and maintenance. The Receiver will have the option of abandoning all or any part of the Property at any time upon filing a certificate with this court so certifying and describing the abandoned Property, all without prejudice to the Debtor's interest in such property and rights and interests of creditors to the abandoned Property and all such rights and interests are expressly reserved.

16. THIS COURT ORDERS that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. REPORT OF THE PROPOSED RECEIVER

DELOITTE RESTRUCTURING INC.

DATED JULY 12, 2018

- 2 -

INTRODUCTION

1. This report (“**Report**”) is filed by Deloitte Restructuring Inc. (“**Deloitte**”) as proposed receiver over the assets, property and undertakings (the “**Property**”) of Sage Gold Inc. (“**Sage**” or the “**Company**”).
2. The application for the appointment of Deloitte as Receiver is being made by CRH Funding II Pte. Ltd. (“**CRH**”), the senior secured creditor of the Respondent.
3. Sage is a publically traded company headquartered in Toronto, Ontario, with its common shares listed on the TSX Venture Exchange under the symbol “SGX”.
4. Sage is primarily engaged in the exploration of gold in Ontario Canada. Its main properties consists of the Clavos property (the “**Clavos Property**”) located near Timmins and the Onaman property northeast of Thunder Bay (the “**Onaman Property**”).
5. As set out in the Affidavit of Andrew Wehrley sworn on July 10, 2018, Sage is in default of its obligations under a Gold Purchase Agreement dated November 17, 2016 and the obligations owed by Sage to CRH are secured pursuant to a Debenture dated November 17, 2016.
6. On June 25, 2018, CRH issued a Notice of Intention to Enforce Security pursuant to section 244 of the *Bankruptcy and Insolvency Act* (Canada) (the “**244 Notice**”) with a view to seeking the appointment of Deloitte as receiver.
7. On July 10, 2018, Sage publicly announced its financial results for the quarter-ended March 31, 2018, it suffered a net loss of approximately \$3.0 million, and EBITDA (a proxy for cash flow) was approximately negative \$2.5 million.

- 3 -

8. The purpose of the proposed receivership proceedings is to secure the Property, complete the process of placing the mines on care and maintenance and for the receiver to realize on the Property.
9. The purpose of this Report is to provide this Honourable Court with the observations of Deloitte based on its recent attendance on site at the Clavos Property.
10. All references to currency are in Canadian dollars unless otherwise noted.

TERMS OF REFERENCE

11. In preparing this Proposed Receiver's Report, Deloitte has relied upon unaudited financial information, discussions with representatives of Ritchie Services (defined below) who are engaged in Sage's mining operations. The Proposed Receiver has not performed an audit or other verification of such information and accordingly, the Proposed Receiver expresses no opinion or other form of assurance in respect of such information contained in this Proposed Receiver's Report.

RECEIVER'S ATTENDANCE

12. On Friday July 6, 2018, Mr. Nigel Lees, Chief Executive Officer of Sage permitted representatives of Deloitte to attend, on an short term basis, at Sage's primary mine at the Clavos Property in order to assess the situation, inspect the property and meet with representatives of the contract mine manager, R. Ritchie Services Ltd. ("**Ritchie Services**").
13. Sage does not have any of its own employees that work at the Clavos Property or the Onaman Property. Sage retains Richie Services as the contract mine manager and Ritchie Services directly engages employees that attend at Clavos Property to carry out the required activities and care and maintenance operations. Sage is invoiced by Ritchie Services for the manpower and supplies utilized at the Clavos Property. Accordingly, Ritchie Services is very familiar with the operations at the Clavos Property.

- 4 -

14. Commencing Saturday July 7, 2018, Rob Biehler, Senior Vice-President of Deloitte attended at the Clavos Property and met with Bob Ritchie, P. Eng., principal of Ritchie Services, mine project manager and Qualified Person (i.e. a defined term in the mining industry that reflects subject matter expert possessing technical skills and experience in mineral exploration, mine development and operations), Ross Penney, mine superintendent and Keith Gage, mining compliance administrator.
15. The Receiver's representative attended the Clavos Property on a daily basis until Tuesday July 10, 2018, and completed the following activities:
 - a) Interviewing representatives of Ritchie Services with a view to understand the care and maintenance and physical security activities being carried out at the Clavos Property, in addition to the proposed budget for manpower and operating supplies and adequacy of capital resources (collectively "**Care and Maintenance Program**");
 - b) Identifying risks and status of key suppliers of Sage impacting the Care and Maintenance Program;
 - c) Reviewing the status of payment arrangements with Ritchie Services and the impacted employees that work on-site at Clavos Property;
 - d) Reviewing the status of the staff's environmental compliance monitoring and reporting practices;
 - e) Reviewing the status of compliance in respect of matters related to Ministry of Labour ("**MOL**") and Ministry of Environment, Conservation and Parks ("**MOE**"); and
 - f) Other matters impacting the stakeholders, including CRH.

- 5 -

PROPOSED RECEIVER'S OBSERVATIONS

16. Sage is facing severe liquidity and other issues which impact the Company's ability to effectively complete and continue the Care and Maintenance Program. These issues include:

- a) Sage has not provided a payment to Ritchie Services since mid-May 2018. Bob Ritchie estimates that his company is owed over \$1.4 million by Sage and as a result it has ceased making payroll and other payments to its employees that work at the Clavos Property;
- b) In order to complete and continue the Care and Maintenance Program, Ritchie Services will require a minimum of 8 employees, including Bob Ritchie, in light of the various roles and 24 hour, 7 day nature of the security and operations required;
- c) Ritchie Services employees are paid on the 10th and 25th of the month for work completed up to the last day of the month prior and 15th day, respectively. The latest day of payment that these employees have been paid is May 25, 2018 and therefore the employees that have continued the Care and Maintenance Program for Sage are approximately 45 days in arrears. Deloitte was advised that the significant majority of the remaining former employees of Ritchie Services serving Sage have been laid off or have resigned;
- d) the purchase of consumable materials, including diesel fuel, water treatment chemicals, mobile equipment parts, pump parts, etc. are critical to the effective execution of the Care and Maintenance Program. Sage does not have sufficient funding the secure supply of these materials;
- e) Deloitte has requested from management, but has not received, confirmation of the payment of insurance premiums to date, and therefore it is unclear whether Sage currently has insurance coverage in place;

- 6 -

- f) Two key suppliers that Sage requires for its MOE reporting, Testmark Laboratories Ltd. who test the quality of water discharged into the environment, and WSP Canada Inc. who provide reporting on the Company's water sampling volumes and other parameters have ceased providing information to the Company. It is unclear whether the water samples have been tested and the recent results are unknown to the Company;
 - g) Sage has seven (7) underground pumps in the mine down to the 261 meter level. These pumps are discharging water out of the mine at the rate of approximately 750,000 L per day as part of the Care and Maintenance Program. The pumping is necessary to maintain the water levels. Sage only has one spare pump in the case of a failure; and
 - h) Bob Ritchie advises that the pumps operate solely on electrical power and that to his knowledge the Hydro One invoice has not been paid in at least 90 days. If power service is terminated, pumping would stop and the resulting rise in water levels would place the underground equipment in peril and potentially diminish the economic recovery in respect of the mine. In addition, the underground equipment, such as transformers and electrical equipment, contain contaminants and therefore maintaining the water levels at safe levels is important for environmental compliance.
17. There is one outstanding order issued by the MOL and three outstanding orders issued by the MOE orders which cannot be addressed without additional liquidity and appropriate management.
18. The outstanding MOL order relates to the required installation of a tester for the brightness, which is measured in lumens, of the miners' hats.
19. The MOE orders are effective June 8, 2018 and are in respect of the installed septic tank and septic bed adjacent to the office facility at the Clavos Property. These orders, include:

- 7 -

- a) the need for signage and markers of the septic system by July 1, 2018 and Sage has addressed this action;
 - b) the inspection of the septic system and assessment of the impact of potential damage caused by equipment by July 31, 2018; and
 - c) a submission of an Environmental Compliance Assessment amendment to amend Sage's permit to include the design of the septic system which Sage built without obtaining appropriate permits.
20. Bob Ritchie and Keith Gage of Ritchie Services have indicated that Sage does not have the financial resources to comply with these orders by these deadlines. Although an extension of the deadline may be granted, Sage's ability to comply is questionable in the current circumstances.
21. Representatives of Ritchie Services have advised that their own testing of the water quality and volumes have been continued at the Clavos Property and that results are within required thresholds. Deloitte has been advised that Sage is currently compliant with MOE reporting deadlines. However, without the continued service by third-party verified information the future reporting deadlines appear to be at risk.
22. Executing the Care and Maintenance Program safely and effectively is critical to preserving the value of the Property.
23. Ritchie Services representatives advise that the diesel air compressor has been repossessed and that an immediate replacement is necessary to provide emergency air to the underground levels of the mine. Sage does not have a planned replacement or funding to put this into place.

- 8 -

(“**Deloitte**”) was appointed as interim receiver (the “**Interim Receiver**”) of all of the assets, undertakings and properties of Sage Gold Inc. (“**Sage**” or the “**Company**”) acquired for, or used in relation to business carried on by Sage (the “**Property**”) pursuant to section 47 of the *Bankruptcy and Insolvency Act* (Canada), R.S.C. 1985, c. B-3, as amended (the “**BIA**”) and section 101 of the *Courts of Justice Act*, R.S.O., 1990, C-43 (“**CJA**”). A copy of the Interim Receivership Order is attached hereto as **Appendix “A”**.
2. The application for the appointment of Deloitte as receiver pursuant to section 243 of the BIA and section 101 of the CJA over the Property (“**Receiver**”) made on July 13, 2018 by CRH Funding II Pte. Ltd. (“**CRH**”), the senior secured creditor of the Respondent, was opposed by the Company. At that time, the Company requested that the Court grant it additional time to prepare responding materials. The Court found it appropriate in the circumstances to grant the Interim Receivership Order and schedule a hearing on July 30, 2018 to address CRH’s application for the appointment of Deloitte as Receiver and the Company’s opposition to the receivership proceedings.
3. The Company’s main properties consist of the Clavos mine located near Timmins (the “**Clavos Property**”) and the Onaman exploration property northeast of Thunder Bay (the “**Onaman Property**”). The Clavos Property has been developed by Sage (and the prior owner) as a producing gold mine. The mine has been developed with an underground ramp access to 300 metre level and the surface has infrastructure including, an office and staff facility, first aid trailer, core cutting shed and a shop building. The Company also maintains two ponds for the water discharge.

- 3 -

4. The Onaman Property is an exploration property and does not have any infrastructure. The Interim Receiver has not attended on this site, as attending was not required to preserve this property.
5. The purpose of this Report is to provide this Honourable Court with an update on the Company and the activities of Deloitte since its appointment as Interim Receiver.
6. All references to currency are in Canadian dollars unless otherwise noted.

TERMS OF REFERENCE

7. In preparing this Interim Receiver's Report, Deloitte has relied upon unaudited financial information, the Company's books and records, discussions with representatives of Ritchie Services (defined below) who are engaged in Sage's mining operations and management of the Company. The Interim Receiver has not performed an audit or other verification of such information and accordingly, the Interim Receiver expresses no opinion or other form of assurance in respect of such information contained in this Interim Receiver's Report.

INTERIM RECEIVER'S ACTIVITIES

Attending to the Critical Situation at the Clavos Property

8. Pursuant to the Interim Receivership Order, Sage continued to maintain possession of the Clavos Property and management control of its operations. However, the Interim Receiver has been actively engaged in assisting Sage to secure, preserve and protect the Property.
9. Immediately following the issuance of the Interim Receivership Order, the Interim Receiver attended at the Clavos Property in order to assess the situation at the mine and meet with representatives of the contract mine manager, R. Ritchie Services Ltd. ("**Ritchie Services**") to review the status of the care and maintenance program (collectively "**Care and Maintenance Program**").

- 4 -

10. Deloitte was advised that unpaid creditors repossessed two rented mobile equipment pieces that were utilized in the Care and Maintenance Program at the Clavos Property. Sage's Toyota truck and 1.25 tonne scoop tractor were repossessed on July 12th and 13th respectively. This equipment was used, among other things, to attend to underground activities.
11. On Saturday July 14, 2018, representatives of Ritchie Services advised the Interim Receiver that the decreased volume of water flowing at the surface of the mine led them to believe that at least one of the underground pumps had ceased to operate. This raised serious concern that, as a consequence of there being no mobile equipment on site to inspect and repair the pumps on a timely basis, water levels in the mine could rise rapidly.
12. Due to the self-help remedies taken by the applicable creditors, Ritchie Services personnel could not attend to underground activities, including checking the pumps used to maintain water levels in the mine at the required level. A material increase in water levels in the mine could cause, among other things, damage to the mine and the equipment and explosives located underground.
13. The Interim Receiver made inquiries with a bailiff and the unpaid supplier about the return of the Toyota truck over the weekend. However, in light of the demands of the supplier and the critical timing constraints, it was not feasible to secure the return of the equipment from the supplier.
14. The Interim Receiver with assistance of Ritchie Services secured the rental of a mine tractor in the following days that could be used by Ritchie Services to address the rising water in the mine and to carry out the Care and Maintenance Program. The Interim Receiver was able to make the financial commitment for the rental based on the funding commitments made by CRH.
15. Ritchie Services was prevented from attending underground for approximately eight (8) days while the replacement tractor was obtained. Pumping activities were restored on July 20th and as a result,

- 5 -

among other things, water damage to the equipment was averted. The Interim Receiver was advised by Ritchie Services that, in its view, two pumps and an electrical panel would likely have been significantly damaged if underground activities had not been restored that day.

Securing Interim Funding From CRH

16. To date, due to the Company's inability to finance the care and maintenance of the Clavos Property, CRH has had to provide \$170,000 in funding through Receiver's Certificates, reflecting the Interim Receiver's estimate of spending for the interim receivership period up to July 30, 2018.
17. The Interim Receiver has been working with CRH representatives in reviewing the estimated expenditures related to a court-appointed receivership and in this regard, the current expenditure estimates are in excess of \$260,000 per month and in aggregate will approach or potentially exceed the Receiver's Borrowing Charge of \$1,000,000 in paragraph 19 of the Initial Receivership Order.
18. The Interim Receiver has been advised by CRH that it is only prepared to provide funding beyond July 30th if the order to approve the full receivership proceedings is granted. The Interim Receiver is not aware of Sage having secured sources of funding sufficient to continue the Care and Maintenance Program.

Discussions with Representatives of Provincial Government Ministries

19. The Interim Receiver has been actively engaged in discussions with representatives from the Ministry of Energy, Northern Development and Mines ("MNDM") and the Ministry of Environment, Conservation & Parks ("MOE"), (Collectively the "Ministries"). These discussions have been comprised of an in-person site meeting and various conference calls. The discussions are intended to provide an exchange information regarding the state of Sage's compliance with applicable laws and requirements, the environmental condition of the mine and potential steps to mitigate environmental

- 6 -

risks at the Clavos Property in the context of the receivership proceedings and available funding. Discussions with the Ministries are continuing as the Interim Receiver continues to review the situation. Based on the current status, it is likely that the Interim Receiver will require more time to assess the situation with the Ministries and may request extension of the time period for such evaluation set out in paragraph 16 of the Interim Receivership Order.

Other Activities

20. Since the date of the Interim Receivership Order, the Interim Receiver had conducted the following additional activities to monitor, preserve and protect the Property:

- a) Meeting with the mine manager and staff of Ritchie Services to discuss the plan to execute the Care and Maintenance Program and to arrange for invoicing and communications to the Interim Receiver;
- b) Negotiating the re-commencement of the water quality testing and reporting by Testmark Laboratories Ltd.;
- c) Contacting WSP Canada Inc., Sage's independent engineering firm that provides periodic reports to the MOE, in order to discuss the going forward plan to complete appropriate reports;
- d) Contacting certain suppliers for continued supply of consumables such as diesel fuel, oil and filters for equipment;
- e) Contacting local equipment rental companies and with assistance of a supplier representative, located, and secured an air compressor for monthly rental;
- f) Providing a copy of the Interim Receivership Order to key suppliers and creditors to advise of the appointment of Deloitte and the stay of proceedings in place for Sage;

- 7 -

- g) Attending to calls with representatives of Sage's management to discuss information requests and arranging for funding of the payment of insurance from Sage's bank accounts;
- h) In conjunction with its counsel, the Interim Receiver responded to the counsel to Ritchie Services to consent to the issuance of a Statement of Claim to perfect its claim under the *Construction Lien Act*;
- i) Monitoring Ritchie Services' physical count of capital assets, inventory key supplies above and below ground (including explosives, fuels, chemicals, and waste);
- j) Monitoring the operations, security and Care and Maintenance Program on-site and assessing the effectiveness of the monitoring and testing procedures being carried out at the Clavos Property;
- k) Collecting approximately \$24,000 related to an amount due for scrap sold to waste company pursuant to the Interim Receivership Order;
- l) Reviewing the geological data and core samples being stored on-site and on the server and monitored the back-up procedures undertaken by Ritchie Services personnel to secure the mine data for Sage; and
- m) Posting the Interim Receivership Order, together with related Court documents and Deloitte's report as proposed receiver dated July 12, 2018 to the Interim Receiver's website at www.insolvencies.deloitte.ca/en-ca/sage.

Interim Receiver's Receipts and Disbursements

21. The receipts and disbursements of the Interim Receiver from the period of July 13, 2018 to July 25, 2018 are summarized in the Interim Receiver's Interim Statement of Receipts and Disbursements as

- 8 -

shown in **Appendix “B”**. It should be noted that the Company’s receipts and disbursements have not been included in this statement.

22. As of the Interim Receivership Order, Sage had \$13,359.19 and \$421.54 in its two operating accounts. Based on the information provided by Sage, the following banking transactions have occurred:

- a) On July 17, 2018, Sage collected an HST refund of \$42,799.07;
- b) Since July 13, 2018, Sage has incurred \$43.79 in overdraft interest; and
- c) A cheque for \$6,738.59 issued prior to the interim receivership cleared the bank, which was in respect of Sage’s employee source deductions for the payroll period ending July 15, 2018.

23. As of the date of this Report, Sage has approximately \$49,000 in its accounts.

INTERIM RECEIVER’S OBSERVATIONS

24. The activities of the Interim Receiver and the interim funding provided by CRH have been instrumental in preserving and protecting the Property.

25. Sage continues to face severe liquidity issues and has no apparent funding available.

26. The purpose of the proposed receivership proceedings and the appointment of Deloitte as Receiver is to complete the process of placing the Clavos Property on care and maintenance and for the Receiver to develop a process that would lead to the sale of all or part of the Property and maximize recoveries.

Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

15. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario*

Water Resources Act, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession. The Receiver shall be deemed not to have taken possession of any of the Property for the purposes of Environmental Legislation for the first 10 days after the date of this order while it assesses the environmental condition of the Property and the requirements for completing the process of placing the Debtor's mines on care and maintenance. The Receiver will have the option of abandoning all or any part of the Property at any time upon filing a certificate with this court so certifying and describing the abandoned Property, all without prejudice to the Debtor's interest in such property and rights and interests of creditors to the abandoned Property and all such rights and interests are expressly reserved.

LIMITATION ON THE RECEIVER'S LIABILITY

16. THIS COURT ORDERS that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. THIS COURT ORDERS that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$1,000,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. THIS COURT ORDERS that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

Section 5.4 Qualified Bids

(1) Qualified Purchase Bids and Qualified Investment Bids shall hereinafter be referred to as "**Qualified Bids**" and each a "**Qualified Bid**" and each bidder who has submitted a Qualified Bid shall hereinafter be referred to as a "**Qualified Bidder**".

(2) Notwithstanding Section 5.2 and Section 5.3 hereof, the Receiver may waive compliance with any one or more of the Qualified Bid requirements specified herein, and deem such non-compliant bids to be Qualified Purchase Bids or Qualified Investment Bids, as the case may be.

Section 5.5 No Qualified Bids

(1) The Receiver will assess the Qualified Bids received, if any, and will determine whether it is likely that the transactions contemplated by such Qualified Bids are likely to be consummated and whether proceeding with these SISP Procedures is in the best interests of Sage and its stakeholders. Such assessments will be made as promptly as practicable after the Phase 2 Bid Deadline, provided that such time period may be extended upon the consent of the Receiver or order of the Court upon application and appropriate notice.

(2) If the Receiver, in accordance with Section 5.5(1) above, determines that (a) no Qualified Bid was received, or (b) at least one Qualified Bid was received but it is not likely that the transactions contemplated in any such Qualified Bids will be consummated, the Receiver shall notify the Secured Creditor forthwith, and within ten (10) Business Days of such determination, file an application with the Court seeking directions. In the circumstances described in this subsection, the Secured Creditor shall have the option within five (5) business days from such determination to submit a credit bid (that would constitute a binding agreement if accepted) even if they did not submit a credit bid at any other point during Phase 1 or Phase 2, and notwithstanding the receipt of any new information regarding bids or offers after the commencement of Phase 2.

Section 5.6 Selection Criteria

(1) In selecting the Successful Bid, the Receiver will review each Qualified Bid. Evaluation criteria with respect to a Sale Proposal may include, but are not limited to items such as: (a) the purchase price and the net value (including assumed liabilities and other obligations to be performed or assumed by the bidder) provided by such bid; (b) the claims likely to be created by such bid in relation to other bids; (c) the counterparties to the transaction; (d) the proposed revisions to the Form of Purchase Agreement and the terms of the transaction documents; (e) other factors affecting the speed, certainty and value of the transaction (including any regulatory approvals required to close the transaction); (f) the assets included or excluded from the bid and the transaction costs and risks associated with closing multiple transactions versus a single transaction for all or substantially all of the Sage Property; (g) the transition services required from Sage post-closing and any related restructuring costs; and (h) the likelihood and timing of consummating the transaction by the Target Closing Date.

(2) Evaluation criteria with respect to an Investment Proposal may include, but are not limited to items such as: (a) the amount of equity and debt investment and the proposed sources and uses of such capital; (b) the debt to equity structure post-closing; (c) the counterparties to the transaction; (d) the terms of the transaction documents; (e) other factors affecting the speed, certainty and value of the transaction; (f) planned treatment of and recovery to stakeholders; and (g) the likelihood and timing of consummating the transaction by the Target Closing Date.

(3) The Receiver may select Qualified Bids for further negotiation and/or clarification of any terms or conditions of such Qualified Bids, including the amounts offered, before identifying the highest or otherwise best Qualified Bid(s) received (the "**Successful Bid**").

(4) Upon completion of any further negotiations or clarifications that may be conducted pursuant to Section 5.6(3) above, the Receiver will identify the Successful Bid and may identify a next highest or otherwise best Qualified Bid received (such offer, the "**Backup Bid**"). The Qualified Bidders(s) who made the Successful Bid is/are the "**Successful Bidder**" and the Qualified Bidder(s) who made the Backup Bid (if a Backup Bid is identified in accordance with these SISP Procedures) is/are the "**Backup Bidder**". The Receiver will notify the Successful Bidder and any Backup Bidder that they are, respectively, the Successful Bidder and the Backup Bidder.

(5) The Receiver will finalize definitive agreements in respect of the Successful Bid and the Backup Bid (if a Backup Bid is identified in accordance with these SISP Procedures), if any, conditional upon approval by the Court.

(6) If a Backup Bid is identified in accordance with these SISP Procedures, then such Backup Bid shall remain open until the consummation of the transaction contemplated by the Successful Bid (the "**Backup Bid Expiration Date**").

(7) All Qualified Bids (other than the Successful Bid and any Backup Bid identified in accordance with these SISP Procedures) shall be deemed rejected by the Receiver on and as of the date of approval of the Successful Bid or any Backup Bid by the Court.

Section 5.7 Secured Creditor Consultation and Consent

(1) For the purposes of the Solicitation Process and these SISP Procedures, and notwithstanding any other provision in these SISP Procedures, any requirement for the Receiver to: (a) consult with the Secured Creditor, and (b) provide copies of any expressions of interest, bids or other offers submitted in connection with the Solicitation Process or these SISP Procedures (collectively, the "**Secured Creditor Consultation Rights**") shall all be subject to the terms, conditions and limitations contained in this Section 5.7.

(2) Subject to subsection 5.7(3), the Secured Creditor Consultation Rights shall be suspended for the period commencing on the earlier of (x) the date that a Non-Binding Indication of Interest, Qualified Purchase Bid, Qualified Investment Bid (including any credit bid) is actually submitted by the Secured Creditor and (y) the date that a Bid Notice is issued by the Secured Creditor as required by Section 4.3(5) and ending on the date on which the Non-Binding Indication of Interest, Qualified Purchase Bid or Qualified Investment Bid, as applicable, submitted by the Secured Creditor has been rejected and is no longer being considered by the Receiver, as evidenced by written notice to the Secured Creditor from the Receiver. For greater certainty, during any period of time during which the Secured Creditor's Consultation Rights are suspended, no officer, director or partner or any of its affiliates shall be entitled to receive any information contemplated under the Secured Creditor Consultation Rights, unless and until the Receiver has selected a Successful Bid.

(3) The suspension of Secured Creditor Consultation Rights pursuant to Section 5.7(2) will not apply in the case of an Indication of Interest, Qualified Purchase Bid or Qualified Investment Bid that is submitted by the Secured Creditor which (a) is a credit bid that involves consideration (excluding assumed obligations) that does not exceed the Secured Claims Amount as determined by the Receiver, and (b) is delivered with a binding covenant and undertaking by the Secured Creditor in favour of the Receiver covenanting and undertaking that no change shall be made to the economic terms of the offer or bid from and after the date of its submission and the key terms of such bid are disclosed to other interested parties.

(4) For the purposes of the Solicitation Process and these SISP Procedures, prior to obtaining any Secured Creditor Consultation Rights the Secured Creditor shall be required to execute a confidentiality agreement with the Receiver.

(5) The Receiver will not provide to the Secured Creditor any new information regarding bids obtained from the commencement of Phase 2 until the expiry of the period to submit a Bid Notice.

Section 5.8 Approval Hearing

(1) After definitive agreements in respect of a Successful Bid and Backup Bid (if a Backup Bid is identified in accordance with these SISP Procedures) have been finalized, in the case of the Successful Bid, signed (conditional on court approval) and, in the case of the Backup Bid signed (conditional on non-completion of the Successful Bid and on court approval) in accordance with these SISP Procedures, The Receiver shall seek a hearing as soon as practicable on a date to be scheduled by the Court that will permit not less than 5 full business Days' notice to the service list (the "**Approval Hearing**") to approve the Successful Bid or the Backup Bid should the Successful Bid not close for any reason. The Approval Hearing may be adjourned or rescheduled by the Receiver, without further notice, by an announcement of the adjourned date at the Approval Hearing.

(2) If, following approval of the Successful Bid transaction by the Court, the Successful Bidder fails to consummate the transaction for any reason, then the Backup Bid, if there is one, will be deemed to be the Successful Bid hereunder and the Receiver shall effectuate a transaction with the Backup Bidder subject to the terms of the Backup Bid, without further order of the Court.

Section 5.9 Deposits

(1) All Deposits shall be retained by the Receiver and invested in an interest bearing trust account in a Schedule I Bank in Canada. If there is a Successful Bid, the Deposit (plus accrued interest) paid by the Successful Bidder whose bid is approved pursuant to the Approval Hearing shall be applied to the purchase price to be paid or investment amount to be made by the Successful Bidder upon closing of the Successful Bid. The Deposit (plus accrued interest) paid by the Backup Bidder, if there is one, shall be retained by the Receiver until the Backup Bid Expiration Date or, if the Backup Bid becomes the Successful Bid, shall be applied to the purchase price to be paid or investment amount to be made by the Backup Bidder upon closing of the Backup Bid. The Deposits (plus applicable interest) of all Phase 2 Bidders not selected as the Successful Bidder or Backup Bidder shall be returned to such bidders without interest within five (5) Business Days of the later of the date upon which the Successful Bid and any Backup Bid are approved by the Court. If these SISF Procedures are terminated in accordance with the provisions hereof, all Deposits shall be returned to the bidders without interest within five (5) Business Days of the date upon which these SISF Procedures are terminated.

(2) If an entity selected as the Successful Bidder or Backup Bidder breaches its obligations to close, it shall forfeit its Deposit to the Receiver; provided, however, that the forfeiture of such Deposit shall be in addition to, and not in lieu of, any other rights in law or equity that the Receiver has or may have against such breaching entity.

Section 5.10 Approvals

For greater certainty, the approvals required pursuant to the terms hereof are in addition to, and not in substitution for, any other approvals required by any Canadian or other foreign statute or are otherwise required at law in order to implement a Successful Bid or Backup Bid, as the case may be.

Section 5.11 Notice to the Receiver

Section 5.12 Reservation of Rights

(1) The Receiver may (a) reject, at any time any bid that is (i) inadequate or insufficient, (ii) not in conformity with the requirements of these SISP Procedures or any orders of the Court applicable to Sage, or (iii) contrary to the best interests of Sage, its estate, and stakeholders as determined by the Receiver; (b) in accordance with the terms hereof accept bids not in conformity with these SISP Procedures to the extent that the Receiver determines, in its reasonable business judgment, that doing so would benefit Sage, its estate, and stakeholders; and (c) in accordance with the terms hereof extend the Potential Bidder Deadline, Phase 1 Bid Deadline or Phase 2 Bid Deadline; and (d) reject all bids. The Receiver shall not be required to accept the highest bid, but shall be entitled to recommend to the Court a transaction that in its view maximizes value for all stakeholders.

(2) These SISP Procedures do not, and shall not be interpreted to, create any contractual or other legal relationship between the Receiver on the one hand and any Known Potential Bidder, Potential Bidder, Qualified Potential Bidder, Qualified Phase 1 Bidder, Qualified Phase 2 Bidder, Qualified Bidder, Successful Bidder or Backup Bidder, on the other hand, except as specifically set forth in definitive agreements that may be executed by the Receiver.

Section 5.13 Further Orders

At any time during the SISP, the Receiver may apply to the Court for directions with respect to the discharge of its powers and duties hereunder.

Section 5.14 Credit Bid

These SISP Procedures permit the Secured Creditors to submit a credit bid, provided such credit bid is in accordance with the terms and conditions of these SISP Procedures and in accordance with applicable law.

Acquisition Opportunity Operating Gold Mine & Exploration Project in Ontario

Sage Gold Inc. (the "Company") owns two principal properties located in Ontario: the Clavos gold property ("Clavos") and the Onaman polymetallic volcanic massive sulfide property ("Onaman"), both of which are 100%-owned by the Company. Additional information about the Company or its properties can be found on the Company's website (www.sagegoldinc.com) or SEDAR (www.SEDAR.com).

Clavos is on the cusp of production, with exploration upside.

- Located in Timmins, one of Canada's most prolific and active gold camps. The deposit is comprised of 69 patented and leased claims and 14 unpatented claims covering 2,540 hectares.
- Briefly in production between 2005 and 2007 and between 2017 and 2018.
- Commenced underground mining and stock-piling of ore in 2017.
- 7-year, life-of-mine toll-milling agreement in place with a nearby mill (~10 km away). Between October 2017 and May 2018, milled 33,963 tonnes of ore and development material at an average grade of 2.35 grams per tonne of gold ("g/t") as part of bulk sample mining, yielding 2,164 oz of gold. Average recoveries were approximately 85%.
- Fully permitted for up to 700 tonnes per day of production.
- Over \$70 million invested in infrastructure by previous operators, including 7 km of underground development, power to site, surface ventilation system and water management system.
- Historic National Instrument 43-101 ("NI 43-101") Mineral Resource Estimate dated October 12, 2012 and Preliminary Economic Assessment ("PEA") dated April 12, 2013. Critical Mineral Resource Estimate update is near completion, adding approximately 2,400 historical and recent drill-hole composites (vs 800 composites in the previous estimate) from additional drilling.
- Over 2,000 high-grade drill intercepts remain outside the current mineral resource model suggesting the potential for near-term growth of the estimated mineral resource.
- In July 2018, Clavos was placed on care and maintenance in light of the Company's current financial situation (discussed on next page). The Receiver is in process of changing the project's status to "temporary suspension" under the Mining Act.

Key steps to production are complete

- ✓ Completed 7 km of development 300 metres below surface.
- ✓ Secured toll-milling agreement with nearby producer.
- ✓ Obtained production permits.
- ✓ Obtained environmental permits.
- ✓ Dewatering underground workings in process.

Based on US\$1,500 of gold and 1:1 exchange; NPV assumes an 8% discount.

Receiver is currently updating the NI 43-101 Mineral Resource Estimate with results from recent surface and underground drilling.

Onaman represents exploration potential.

- Located in the Beardmore-Geraldton mining camp near Thunder Bay, Ontario.
- Volcanic massive sulfide ("VMS") deposits are highly attractive exploration targets due to their combination of key metals (copper, lead, zinc, silver, gold) and the fact that deposits typically occur in massive lenses of up to 100 million tonnes, often in clusters.
- 2 zones of significant mineralization lie within the Onaman project area: Lynx (~200,000 oz of NI 43-101 compliant AuEq) and Headway.
- A drilling program commenced in 2017 to uncover the deposit of a large VMS cluster and to advance the Onaman property.

Sage Gold: Key Investment Highlights

Fully-permitted, quality asset that is on track to near-term commercial production with a toll-milling contract in place.

Located on private land, in a mining-friendly jurisdiction within a supportive community.

Significant infrastructure already in place.

Substantial upside potential.

- ✓ 2,000 high-grade drill intercepts outside the current Clavos model.
- ✓ Onaman represents additional exploration potential.

Process Overview

- In 2016, the Company obtained financing from Cartesian Royalty Holdings Pte Ltd. ("CRH"). In exchange for financing, the Company became party to a gold prepayment agreement ("GPA") where it was obligated to deliver a certain amount of gold to CRH starting in January 2018.
- Due to certain defaults under the GPA, CRH was in a position to terminate the agreement and enforce its security over the Company.
- On July 30, 2018, Deloitte Restructuring Inc. was appointed receiver over the Company and its related assets ("Receiver").
- The Receiver and its affiliate, Deloitte Corporate Finance Inc. ("DCF"), are authorized to market and sell the Company or its property via a court-approved Sales and Investor Solicitation Process ("SISP").
- All parties interested in obtaining further information on this opportunity are invited to execute and return the accompanying Confidentiality Agreement to DCF at the contact information listed on the following page.

Continued on next page.

Process Overview (continued)

- The SISP contemplates a 60-day process composed of two stages:
 - Phase 1: Solicit non-binding indications of interest from qualified bidders no later than 5:00 PM (Toronto time) on September 28, 2018;
 - Phase 2: If in the best interest of the Company and its stakeholders, qualified bidders will be invited to submit binding purchase or investment bids no later than 5:00 PM (Toronto time) on October 29, 2018.
- As per the court-approved procedures, CRH is permitted to participate in the SISP or submit a credit bid at certain points throughout the process. If CRH decides to participate in the SISP after Phase 1, it will issue a Bid Notice and set a bid amount at that time. CRH's investment cost base in the Company is approximately \$14 million.
- More information regarding the SISP: www.insolvencies.deloitte.ca/en-ca/sagegoldinc.

Cautionary and Forward-Looking Statements

The technical information in this document ("Technical Information") is based on information contained in the technical reports, news releases, material change reports and financial statements and quarterly and annual consolidated financial statements and management discussion and analysis (collectively the "Disclosure Documents"). Some of the information in this document has been updated for events occurring subsequent to the date of the technical reports.

Cautionary Note to U.S. Investors Concerning Resource Estimate

Unless otherwise stated, the resource estimates in this document were prepared based on terminology set out in National Instrument 43-101, adopted by the Canadian Securities Administrators. The requirements of National Instrument 43-101 differ significantly from the requirements of the United States Securities and Exchange Commission (the "SEC"). In this document, the terms "measured", "indicated" and "inferred" resources are used. Although these terms are recognized and required in Canada, the SEC does not recognize them. The SEC permits U.S. mining companies, in their filings with the SEC, to disclose only those mineral deposits that constitute "reserves". Under United States standards, mineralization may not be classified as a reserve unless the determination has been made that the mineralization could be economically and legally extracted at the time the determination is made. United States investors should not assume that all or any portion of a measured or indicated resource will ever be converted into "reserves". Further, "inferred resources" have a great amount of uncertainty as to their existence and whether they can be mined economically or legally, and United States investors should not assume that "inferred resources" exist or can be legally or economically mined, or that they will ever be upgraded to a higher category.
