I. AMENDMENT TO THE PLAN

11. On July 22, 2014, Stockwoods LLP, as counsel for National Bank Financial and National Bank of Canada (collectively, "**National Bank**"), sent a letter to the Service List. A copy of the letter is attached hereto as **Appendix "A"**. Through their counsel, National Bank advised that:

- a. National Bank intended to vote against the Plan;

- b. National Bank asserted equitable and beneficial ownership of certain Notes held by Barclays Bank PLC or its subsidiaries; and
 - c. National Bank would support the Plan if it was amended to allow for the adjudication of National Bank's claim against Barclays and its subsidiaries.
12. After negotiations between Barclays and National Bank, with the assistance and input of the Applicant and its counsel and of the Monitor and its counsel, the Applicant proposed an amendment to the releases proposed in the Plan that would permit National Bank to pursue its claim against Barclays outside of these CCAA proceedings if National Bank issued its claim within 30 days of the Sanction Order becoming final.
 13. A copy of the Plan as amended dated August 6, 2014, which also includes minor corrections made July 25, 2014, (the "**Amended Plan**"), is attached hereto as **Appendix "B"**.
 14. As required by Section 17.1.4, an amendment that materially alters the effect of the releases in Section 16.1 or Section 16.2 of the Plan must be approved by any Plan Participants affected by the proposed amendment. The Applicant sought and obtained the consent of the Monitor, Barclays and National Bank to the proposed amendment. In addition, CDPQ indicated that it agreed with the amendment.
 15. In addition, in accordance with Section 17.1.1 of the Plan and Amended Plan, the Amended Plan was posted to the Monitor's website and was sent by email to each Noteholder before the Noteholders' Meeting.

II. REVIEW OF CERTAIN TRANSACTIONS

16. As discussed in the First Report, a copy of which (without appendices) is attached hereto as **Appendix "C"**, and as reported at the Noteholders' Meeting, the Monitor, following its appointment, conducted its review of certain transactions preceding the commencement of this CCAA proceeding and did not identify any transactions that would constitute preferences, fraudulent conveyances or transactions at undervalue.

III. REPORT ON CLAIMS PROCEDURE & NOTEHOLDERS' MEETING

17. A copy of the Second Report (without appendices) is attached hereto as **Appendix "D"**.
18. As of the date hereof, the Monitor has received the Required Documentation for 30 Noteholder Claims representing a total of \$671,531,389, as shown in the register attached hereto as **Appendix "E"**.
19. The Monitor has been diligently processing Noteholder Claims and Required Documentation in cooperation with the Applicant and respective counsel.
20. As described in the Second Report, the Monitor provided notice of the Noteholders' Meeting in accordance with the Claims Procedure and Meeting Order.

21. The Monitor commenced the Meeting on August 7, 2014 at 2:00 p.m. The meeting was held at the offices of Osler, Hoskin & Harcourt LLP, 1000 De La Gauchetière Street West, Suite 2100, Montréal QC H3B 4W5.
22. In accordance with the Claims Procedure and Meeting Order, Pierre Laporte, an officer of Deloitte Restructuring Inc., acted as the chair (the “**Chair**”) of the Meeting. Mary Paterson of Osler, Hoskin & Harcourt LLP acted as secretary of the Meeting (the “**Secretary**”) and Jean-Francois Nadon and Igal Wizman of Deloitte Restructuring Inc. acted as scrutineers (the “**Scrutineers**”).
23. In accordance with the Claims Procedure and Meeting Order and the Amended Plan, each Noteholder holding a Proven Claim was entitled to one vote.
24. The Chair held 19 proxies from Noteholders with Proven Claims thereby satisfying the requirement that a quorum of two Noteholders having a Proven Claim be present in person or by proxy. Accordingly, the Chair declared that the Meeting was properly constituted.
25. Sophie Lussier as proxy holder for \$385,000,000 of Noteholder Proven Claims proposed a motion that the Amended Plan be approved (the “**Resolution**”).
26. William Scott as proxy holder for \$219,641,051 of Noteholder Proven Claims seconded the motion that the Amended Plan be approved.
27. The Monitor notes that it received 30 proxies for Noteholders with Proven Claims before the Meeting. One Noteholder, believed to be holding a claim for approximately \$7,400,000, did not submit the Required Documentation before the Meeting. The Monitor is continuing to attempt to communicate with this Noteholder. No Unconfirmed Votes were recorded. The table below summarizes the votes of Noteholders:

Voting Claims				
Number of Claims	Amount	Percentage in Favor by Number	Percentage in Favor by Dollar Value	
30	\$ 671,531,389.00	100%	100%	

28. The Scrutineers tabulated the votes and confirmed that the Resolution was duly carried by a majority of votes at the Meeting, comprising in excess of two-thirds in value.
29. The Chair declared that the requisite majority required by the Meeting Order and Section 6 of the CCAA had been obtained and the Resolution was approved by the Noteholders.
30. The Meeting was terminated at approximately 2:10 p.m. The Minutes of the Meeting are attached to this Report as **Appendix “F”**. The attendance sheet for the Meeting is attached to this Report as **Appendix “G”**.

IV. REQUEST FOR SANCTIONING THE AMENDED PLAN

31. The Monitor outlined the details of the Plan in its First Report as updated herein. Based on all of the factors more particularly described in the Monitor's First and Second Report and herein, on balance, the Monitor holds the view that:
 - (a) it appears that the likely alternative to the Amended Plan would be lengthy litigation, which could have an adverse effect on the Applicant and its stakeholders with unpredictable recoveries and timelines; and
 - (b) the Amended Plan is fair and reasonable, including the fact that the Amended Plan permits National Bank to pursue its claim against Barclays.
32. As described above, 100% in number and 100% in value of the Noteholders with Proven Claims present in person or by proxy and voting at the Meeting voted to approve the Amended Plan, and the Amended Plan was therefore approved by the Noteholders. There were no Noteholders that voted against the Amended Plan, although one Noteholder did not provide Required Documentation and did not vote.
33. The Monitor is of the view that the Amended Plan satisfies the requirements of the CCAA, in particular the requirements contained in Section 6 thereof.

V. MONITOR'S ACTIVITIES

34. Since the date of the Second Report, the Monitor has been involved in numerous activities, including:
 - a. participating in numerous meetings, conference calls and discussions with the CCAA Parties and their advisors, the signatories to the Settlement Letter and their advisors, and other Noteholders, including National Bank and its advisors, in respect of the proposed forms of Plan and Sanction Order;
 - b. communicating with and providing notice to Noteholders, including posting material on the Monitor's website and maintaining a toll free hotline number and dedicated email box;
 - c. reviewing and resolving various claims asserted in and outside of the claims process set out in the Claims Procedure Order;
 - d. attending Court proceedings;
 - e. reviewing certain transactions;
 - f. reviewing and considering various documentation in connection with the CCAA proceeding;
 - g. assisting the Applicant in preparing for, and conducting, the Meeting;

- h. preparing the Third Report; and
- i. engaging legal counsel, who has also participated in certain of the above-noted meetings and discussions.

VI. APPROVAL OF FEES

35. The Monitor and its counsel have maintained detailed records of their professional costs and time during the course of the CCAA proceedings, as detailed in the Affidavit of Jean-Francois Nadon sworn August 14, 2014 and the Affidavit of Linda Sherwood sworn August 13, 2014 (collectively, the “**Fee Affidavits**”). The Monitor has reviewed the fees of its counsel and believes they are reasonable. Copies of the Fee Affidavits are attached to this Monitor’s Third Report as **Appendix “H”** and **Appendix “I”**, respectively.

VII. MONITOR’S CONCLUSIONS

36. It is the Monitor’s view that the CCAA Parties have acted in good faith and with due diligence in accordance with the Orders of this Court.
37. For the reasons set out in this Third Report, the Monitor believes that the Plan should be sanctioned.

The Monitor respectfully submits this Third Report to this Honourable Court.

Dear Counsel:

Re: In the matter of the *Companies Creditors Arrangement Act and Devonshire Trust*

We represent National Bank Financial and National Bank Canada (collectively "National"), who are currently the holders of record in respect of Devonshire Notes with a face value of \$7,900,000.00. It is National's position that it is also the equitable and beneficial holder of additional Devonshire Notes, as follows:

So that you may understand the nature of National's claim, we enclose a draft of the proposed Statement of Claim.

National is pleased that the Plan anticipates a process for finally paying Devonshire Noteholders the sums that should have been paid to them many years ago. However, my clients are concerned that the proposed Release in the Plan does not clearly carve out an exception for claims in fraud. National cannot support a plan that does not permit it any chance of litigating its claim in respect of these Notes.

Full particulars of National's position with respect to the Sanction Hearing will be provided in due course. The purpose of this letter is to ensure, in fairness, that all interested parties are aware of National's position in broad terms.

- For the sake of efficiency and practicality, National will not object (although it could) to the vote proceeding on the basis that Barclays, as the noteholder of record in respect of the disputed Notes, may exercise the votes associated with those Notes at the meeting scheduled for August 7. This is entirely without prejudice to National's position that it is the equitable and beneficial holder of those Notes.
- It is National's intention to vote against the Plan and, assuming it is approved, object at the Sanction Hearing on the basis that the Plan as currently drafted does not permit National to proceed with its claim against Barclays.
- National will support the Plan if it is amended to allow for the adjudication of National's claim. Ideally, this should occur in the context of the CCAA proceeding itself (where the efficiencies of that process can be brought to bear to ensure that this matter is determined as speedily as possible) and National's position will be that this is the proper forum for dealing with its claim. Alternatively and if necessary, the Claim might proceed in the usual civil court process.

We are hopeful that by bringing this to the attention of the Service List, sufficient parties will agree to amend the Plan in accordance with National's position. This would ensure that most Noteholders could obtain the benefit of the proposed Plan as quickly as possible.

CLAIM

1. The Plaintiffs claim against the Defendant:
 - (a) Rescission of a Note Purchase Agreement dated October 10, 2008 and Framework Agreement dated October 10, 2008 (the “Agreements”);
 - (b) A declaration that the Plaintiffs are the legal and beneficial owners of the National Bank Devonshire Notes, as defined below;
 - (c) Costs of this proceeding on a substantial indemnity basis, plus all applicable taxes; and
 - (d) Such further and other relief as this Honourable Court may permit.

The Parties

2. National Bank Financial Inc. (“NBF”) is a company incorporated under the laws of Canada. It carried on business as an investment dealer, investment adviser and full-service brokerage house.

3. National Bank of Canada (“NBC”) is the parent company of NBF. It is a bank incorporated under the laws of Canada and listed in Schedule I to the *Bank Act*, S.C. 1991, c. 46.

4. Barclays Bank PLC (“Barclays”) is a bank incorporated under the laws of the United Kingdom. It carries on business in Canada and is listed in Schedule III to the *Bank Act*, S.C. 1991, c. 46.

Background to the Agreements – the Canadian ABCP Market

5. In 2007, all parties were participants in the asset-backed commercial paper (“ABCP”) market in Canada.
6. ABCP is a term used to refer to promissory notes, or bonds, issued in the commercial world which is secured (or “backed”) by some kind of financial asset.
7. The ABCP market uses a method of raising financing known as “securitization”. In a securitization transaction, a special-purpose entity such as a trust (and commonly referred to as a “conduit”) purchases income-producing financial assets from operating or finance companies that sell or “originate” those income-producing financial assets. To pay for the assets, the conduit issues ABCP. The conduit pays ABCP holders a rate of interest that is typically less than the income produced by the financial assets that the conduit has purchased.
8. ABCP thus represents debts owing by the trustees of the conduits. The financial assets purchased by the conduits are held as collateral for those debts.
9. Most of the ABCP is short-term commercial paper, usually with a term of 30 to 90 days. However, the financial assets backing the ABCP are typically longer-term. There was thus a timing mismatch between when the conduits would realize on the financial assets it owned and when the conduits would have to re-pay the ABCP holders.
10. For several years, this timing mismatch did not pose a problem, principally for three reasons.

-5-

- (a) Many ABCP investors did not require repayment of their ABCP on maturity, but instead reinvested their existing ABCP at maturity.
- (b) For those investors who did require repayment, new ABCP was continually being sold, generating funds to repay maturing ABCP.
- (c) Many trustees of the conduits entered into back-up liquidity arrangements with third-party lenders, who agreed to provide funds to repay maturing ABCP in certain circumstances.

The Devonshire Notes

11. In Canada, ABCP conduits were commonly thought of in two groups: those who were bank-sponsored owned, and those who were sponsored by companies other than banks (the “independent ABCP market”).

12. Barclays sold assets to an independent ABCP conduit known as Devonshire Trust (“Devonshire”). Devonshire was permitted to acquire assets solely from Barclays.

13. To pay for the assets it acquired from Barclays, Devonshire issued three classes of ABCP (collectively the “Devonshire Notes”):

- (a) Short-term notes (Class A), which matured within 30 to 90 days;
- (b) Extendible notes (Class E); and
- (c) Floating rate notes (Class FRN).

-6-

14. Barclays was also the sole back-up liquidity provider to Devonshire. This means that Barclays agreed to supply funds to repay Devonshire's maturing Class A notes upon the occurrence of what was called a "Market Disruption Event".

15. NBF was the lead dealer in Devonshire Notes. This means that its agents and employees were engaged in selling Devonshire Notes to investors.

16. NBF and NBC were also investors in Devonshire Notes from time-to-time.

The ABCP Market Freeze

17. On or about August 13, 2007, the independent ABCP market froze in Canada. Investors in maturing ABCP (including ABCP issued by Devonshire) were not prepared to reinvest their funds, and new investors could not be found.

18. Almost all the participants in the independent ABCP market eventually reached an agreement to restructure the independent Canadian ABCP conduits. The only asset and/or liquidity provider to refuse to sign that agreement was Barclays.

19. As a result, attempts to restructure Devonshire were negotiated directly between Barclays and the principal investors in Devonshire Notes. These principal investors included (among others) the Plaintiffs and the Caisse de Depot et Placement du Quebec (the "Caisse"). They did not include investors who held approximately \$75,000,000 in Devonshire Notes (the "Small Noteholders").

The Agreements

20. The parties entered into two related agreements as of October 10, 2008: a Note Purchase Agreement and a Framework Agreement (the “Agreements”). The relevant provisions of the Agreements were as follows.

- (a) NBC and NBF sold to Barclays all Devonshire Class A notes, Class E notes and Class FRN notes held by National Bank (a principal amount of \$59,241,051) for the sum of \$1 (the “National Bank Devonshire Notes”).
- (b) Barclays agreed that it would make an offer to all Small Noteholders of Devonshire Notes, whereby Barclays would offer to exchange the Devonshire Notes held by the Small Noteholders for other notes (“MAV II Notes”) that would have a value that was more or less equal to the face value of the Devonshire Notes.
- (c) NBC and NBF agreed to assist Barclays in obtaining the MAV II Notes to be offered to the Small Noteholders, including by assisting with sourcing the MAV II Notes and acting as Barclay’s agent in making the offer to Small Noteholders.
- (d) The Agreements were to be governed by and interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws on Canada applicable therein.

21. Despite the terms of the Agreements, after acquiring the National Bank Devonshire Notes, Barclays failed to proceed to make the offer to Small Noteholders as required by the Agreements.

Barclays' Fraudulent Misrepresentations and Bad Faith

22. Prior to entering into the Agreements, Barclays secretly determined that it would not proceed with making an offer to the Small Noteholders as required by the Agreements unless and until Barclays was able to reach a favourable deal with the Caisse with respect to the Caisse's Devonshire Notes.

23. Barclays deliberately concealed this relevant fact from the Plaintiffs, and its silence and concealment with respect to this fact constituted a misrepresentation.

24. The misrepresentation was made fraudulently, with an intention to induce the Plaintiffs to enter into the Agreements.

25. But for this misrepresentation, the Plaintiffs would not have entered into the Agreements.

26. After acquiring the National Bank Devonshire Notes, Barclays carried out a scheme in bad faith to disadvantage Devonshire and deplete the value of the Devonshire Notes.

27. As a result of this scheme and Barclay's bad faith, by the time the Plaintiffs learned of Barclays' fraudulent misrepresentation, the National Bank Devonshire Notes had no value and hence the Plaintiffs had suffered no damages.

28. However, on or about June 27, 2014, it was publicly announced that Barclays was prepared to make a payment to Devonshire that Barclay's had previously argued it was not required to make. As a result of this agreement, the National Bank Devonshire Notes acquired value and the Plaintiffs' cause of action for fraudulent misrepresentation became crystallized.

Remedies

29. The Plaintiffs submit that they are entitled to the remedy of rescission, and that the Agreements should be set aside and the National Bank Devonshire Notes returned to the Plaintiffs.

30. The Plaintiffs request a declaration that they are the legal and beneficial owners of the National Bank Devonshire Notes.

31. The Plaintiffs propose that this action be tried in the City of Toronto.

2.1 Purpose

The purpose of this Plan is to implement the settlement set forth in the Settlement Agreement including the liquidation of all assets of the Applicant, the establishment of the Plan Reserves to be held by the Monitor as set forth herein, the compromise of the Notes, the making of distributions to the Noteholders, the extinguishing of Barclays' Other Claims and the winding-up of the Conduit.

2.2 Affected Persons

This Plan will be implemented under the CCAA and be binding on all Noteholders and other Persons in accordance with its terms, on the Plan Implementation Date.

ARTICLE 3

CLASSIFICATION OF CREDITORS

3.1 Class of Creditors

The sole class for the purpose of considering and voting on this Plan shall be the class consisting of Noteholders.

3.2 Noteholder Identification Procedure

Noteholders shall identify their respective Noteholder Claims for voting purposes, vote in respect of the Plan, and receive the distributions provided for under and pursuant to this Plan in accordance with the Claims Procedure and Meeting Order, the Sanction Order and this Plan.

3.3 Unaffected Claims

This Plan does not compromise, release or otherwise affect any rights or claims:

- 3.3.1 for fees and expenses incurred in the provision of goods and services in the administration and management of the Conduit or relating to the CCAA Proceedings and authorized pursuant to paragraph 7 of the Initial CCAA Order;
- 3.3.2 of the Monitor and its counsel, counsel to the CCAA Parties or that otherwise are secured by the CCAA Charges; or
- 3.3.3 that are owed to Her Majesty in Right of Canada or the Province of Quebec pursuant to the Tax Act or the *Taxation Act* (Quebec) or that fall within Sections 6(3) and 6(4) of the CCAA.

All of the foregoing rights and claims set out in this Section 3.3 are collectively referred to as the "**Unaffected Claims**" and any one of them is an "**Unaffected Claim**".

ARTICLE 4

TREATMENT OF CREDITORS

4.1 Treatment of Claims

On the Plan Implementation Date the claims affected by this Plan, including the Noteholder Claims, Barclays' Other Claims and the Released Claims, will be compromised, released and otherwise affected in accordance with the terms of this Plan.

4.3 Voting Right of Noteholders

Subject to this Plan and the Claims Procedure and Meeting Order, each Noteholder having a Proven Claim shall be entitled to one vote in an amount equal to such Noteholder's Proven Claim. The procedure for determining the validity and quantum of the Noteholder Claims for voting purposes shall be governed by the Claims Procedure and Meeting Order. For the sake of clarity, where the registered holder of the Note differs from the beneficial holder of the Note, only the beneficial holder of the Note shall be entitled to vote.

4.4 Unaffected Creditors

Notwithstanding anything to the contrary herein, each Unaffected Creditor shall not be entitled to vote or to receive any distribution under this Plan in respect of its Unaffected Claim. All Unaffected Claims shall be unaffected by the CCAA Proceedings and principal and interest shall continue to accrue notwithstanding the CCAA Proceedings.

4.5 Barclays' Other Claims

Barclays' and the Barclays' Subsidiaries shall only exercise the right to vote and receive any distribution under this Plan in their capacity as Noteholders and strictly in respect of their Noteholder Claims. With respect to the Barclays' Other Claims and Barclays' claim to the CDS Collateral held by the Custodian, neither Barclays nor any of its Affiliated Companies (including the Barclays' Subsidiaries) shall constitute a separate class of creditors nor have any right to vote or receive distributions under this Plan, save and except the right to receive the payment from the Custodian contemplated in Section 5.3.5.

- 5.2.2 With the filing of the application for the Initial Order, the Applicant shall bring a motion in the Litigation proceedings, to be heard contemporaneously with the application for the Initial CCAA Order, for an order (i) declaring that on the Plan Implementation Date, the amount of the Barclays' Loss shall be mitigated by an amount equal to CDN\$240,118,309, thereby reducing the Barclays' Loss to CDN\$23,881,691, and (ii) conditional on the Plan Implementation Date occurring, dismissing the Litigation as against all parties without costs (the "**Special Order**").
- 5.2.3 Upon the conditions precedent to implementation of the Plan contemplated in Sections 14.1.1, 14.1.2, 14.1.3, 14.1.4, 14.1.5 and 14.1.6 being met, the Monitor shall send a written notice to the Custodian (the receipt of such notice by the Custodian being a condition precedent to the Custodian's obligations under Sections 5.3.3 and 5.3.5) and the Settlement Parties:
 - 5.2.3.1 confirming that such conditions precedent have been met;
 - 5.2.3.2 containing a statement setting forth the aggregate amount that the Custodian must transfer to the Applicant from the CDS Collateral (the "**Settlement Amount**") and each component part thereof, which aggregate amount shall correspond to the sum of (a) CDN\$532,668,082.00, (b) CDN\$1,061,916.00, (c) CDN\$58,412,380.00, and (d) an amount in CDN\$ (being interest on the amount in clauses (a), (b) and (c) above) calculated from and including

- 5.2.3.3 requesting that the Custodian initiate the transfer of funds contemplated in Section 5.3.3 on the date specified in such notice, and that following such transfer, Barclays, the Custodian and the Applicant then successively make the funds transfers contemplated in Sections 5.3.4, 5.3.5 and 5.3.7.
- 5.2.4 Upon the conditions precedent to implementation of the Plan contemplated in Sections 14.1.2 and 14.1.3 being met:
- 5.2.4.1 the Applicant and Barclays shall deliver a written instruction to the Custodian, directing it to transfer the funds contemplated in Section 5.3.3 directly to the Monitor; and

The following steps or transactions shall occur and shall be deemed to occur on the Plan Implementation Date in the order they appear below, save and except for Steps 1 to Step 6 below (set forth in Sections 5.3.1 to 5.3.6 below) that, subject to their consummation, shall be deemed to occur concurrently with each other.

STEP 1

- 5.3.1 By virtue of this Plan and without any further action by any Person, the Barclays' Other Claims shall be subordinated to the claims of all other creditors of the Applicant including all Noteholder Claims.

STEP 2

- 5.3.2 By virtue of this Plan and without any further action by any Person, the Barclays' Other Claims shall be extinguished.

STEP 3

- 5.3.3 The Custodian shall then transfer to the Monitor in trust for the Applicant pursuant to the instruction referred to in Section 5.2.4.1, an amount equal to the lesser of:
- 5.3.3.1 the aggregate amount of the CDS Collateral; and
- 5.3.3.2 the Settlement Amount.

To the extent that on the Funds Transfer Date, the Settlement Amount exceeds the amount of the CDS Collateral (the deficiency, if any, between the Settlement Amount

and the CDS Collateral shall be referred to as the "**Collateral Deficiency**"), the Custodian shall not be required to pay such Collateral Deficiency to the Applicant or the Monitor.

STEP 4

- 5.3.4 To the extent that on the Funds Transfer Date, the amount received by the Monitor from the Custodian is less than the Settlement Amount, whether as a result of the existence of a Collateral Deficiency or for any other reason (the deficiency, if any, between the amount received by the Monitor from the Custodian and the Settlement Amount shall be referred to as the "**Settlement Deficiency**"), Barclays shall pay to the Monitor in trust for the Applicant pursuant to the instruction referred to in Section 5.2.4.2 on such date an amount equal to the Settlement Deficiency such that the sum of the amount received by the Monitor from Barclays under this Section 5.3.4 and the amount received from the Custodian under Section 5.3.3 is equal to the Settlement Amount.

STEP 5

- 5.3.5 To the extent that on the Funds Transfer Date there does not exist a Settlement Deficiency and subject to the payments in Sections 5.3.3 and 5.3.4, if any, having been made, the Custodian shall pay to Barclays, from the CDS Collateral, CDN\$600,000,000, together with all accrued interest thereon, net of the amount paid by the Custodian to the Monitor as provided in Section 5.3.3.

STEP 6

- 5.3.6 By virtue of this Plan and without any further action by any Person, the Applicant shall renounce and forgo its right to payment of any and all amounts from Barclays on account of court costs relating to the Litigation, including interest thereon.

STEP 7

- 5.3.7 The Applicant shall transfer to the Monitor, on the Funds Transfer Date, in accordance with the Monitor's written instructions, all cash it then holds including the amounts, if any, received by it from the Custodian and Barclays pursuant to Steps 3 and 4 above and all fixed term guaranteed investment certificates it holds (such cash and guaranteed investment certificates are collectively referred to herein as the "**Aggregate Available Cash**"), all of which the Monitor shall hold in trust and distribute in accordance with the provisions of Articles 6, 7, 8, 9 and 10.

STEP 8

- 5.3.8 From the Aggregate Available Cash received by it, the Monitor shall establish and fund the Primary Plan Reserves as contemplated in Article 6, Article 7 and Article 8.

STEP 9

- 5.3.9 From the Aggregate Available Cash received by it, less the Primary Plan Reserves, the Monitor shall make the Initial Distribution to the Noteholders.

STEP 10

- 5.3.10 Immediately following the Initial Distribution, all of the Notes will thereupon be cancelled and terminated without any further action on the part of the Noteholders provided, however, that notwithstanding such cancellation and termination, the Noteholders shall be entitled to Interest Distributions as and when contemplated in Article 9 and Article 11 and subject to the provisions thereof. Save and except for the right of Noteholders to receive Interest Distributions in accordance with the Plan, the rights and obligations of the Noteholders and the Applicant in respect of the Notes will cease. Interest will cease accruing on the Notes as of the day immediately preceding the Plan Implementation Date.

STEP 11

- 5.3.11 To the extent not yet terminated, by virtue of this Plan and without any further action by any Person:
- 5.3.11.1 the Settlement Agreement and all rights and obligations of the parties thereto (save for those contemplated in Sections 6(o), 9, 10, 16 and 17 thereof) shall cease and terminate with no additional payments being made by or on behalf of the parties thereto (save for the payments contemplated expressly in the Plan); and
 - 5.3.11.2 all other Programme Agreements, save and except for the Settlement Deed, and all rights and obligations of the parties thereto shall cease and terminate with no additional payments being made by on behalf of the parties thereto (save for the payments contemplated expressly in this Plan) provided, however, that for the purposes of this Plan, the indemnity provisions of the Programme Agreements shall be deemed to remain in full force and effect even following the termination of the Programme Agreements.

STEP 12

- 5.3.12 By virtue of this Plan and without any further action by any Person, the Special Orders, the Agreement Relating to the Mitigation of Loss and the Payment Agreement shall become effective, continue in full force and effect and not be terminated by virtue of this Plan.

5.4 Post-Implementation Matters

As soon as is practicable and in consultation with the Monitor, the Conduit will be terminated and wound-up in accordance with the Settlement Deed as contemplated in Section 17.5 and the Settlement Deed shall thereupon terminate and be cancelled.

Furthermore, any Noteholder may request that the Monitor provide it with such information as it may reasonably request with respect to the Plan Reserve Accounts.

ARTICLE 11

DISTRIBUTIONS

11.1 Distributions to Noteholders

Each Noteholder with a Proven Claim shall be entitled to the following distributions:

- 11.1.1 an initial distribution on the Plan Implementation Date, in an amount equal to the aggregate face amount of the Notes held by such Noteholder, as provided in this Plan, in full and final satisfaction of its Proven Claim; and
- 11.1.2 its Pro Rata Share of all Interest Distributions made from time to time in accordance with the provisions of this Article 11.

11.2 Initial Distribution to Noteholders

Within three (3) Business Days of the Plan Implementation Date, in full and final satisfaction of all Proven Claims, from the Aggregate Available Cash received by it, the Monitor shall make a first distribution to the Noteholders with Proven Claims, in full satisfaction of principal owing on their Notes, in an amount equal to the face amount of the Notes held by such Noteholders (the "**Initial Distribution**"). If all Noteholders have Proven Claims, then the aggregate amount of the Initial Distribution shall be equal to CDN\$678,931,389, which corresponds to the aggregate outstanding face amount of all the Notes.

11.3 Interest on Notes

For the purpose of Interest Distributions to be made to the Noteholders pursuant to this Plan, each Class of Notes shall bear interest as provided herein notwithstanding any provision of the Trust Indenture or the Notes to the contrary. Interest shall accrue on the Notes only up to but excluding the Plan Implementation Date, even if a Noteholder fails to present the Required Documentation as required herein and thereby is not paid its Noteholder Claim on the Plan Implementation Date.

11.4 Interest Calculations

- 11.4.1 By virtue of this Plan and without any further action by any Person, the terms of the Class A Notes and the Supplemental Indenture are hereby amended so that interest on the Class A Notes for each Interest Period included in a particular year during the Post-Maturity Period shall accrue and be computed daily on the face amount of each Class A

Note, on an Actual/365 Fixed Basis but, without any compounding of interest, at the BOC Average 1M BA Rate applicable on each day during such Interest Period. The BOC Average 1M BA Rate applicable during each Interest Period shall be the average monthly rate for bankers' acceptances with a one-month term, as calculated and published as part of series V122504 by the Bank of Canada (see <http://www.bankofcanada.ca/rates/interest-rates/canadian-interest-rates/>, Series V122504).

11.4.2 The face amount of each Class FRN Note shall bear interest:

- 11.4.2.1 for the period commencing on August 13, 2007 up to but excluding the date of its maturity, at the rate and calculated and compounded as provided in such Note and the Supplemental Indenture; and
- 11.4.2.2 for each Interest Period included in a particular year during the Post-Maturity Period, computed daily on the face amount of each Class FRN Note plus the capitalized interest thereon up to but excluding the maturity date of each Class FRN Note, on an Actual/365 Fixed Basis but without any compounding of interest, at the BOC Average 1M BA Rate applicable on each day during such Interest Period and, by virtue of this Plan and without any further action by any Person, the terms of the Class FRN Notes and the Supplemental Indenture are hereby amended accordingly. As is the case for the Class A Notes, the BOC Average 1M BA Rate applicable to the Class FRN Notes during each Interest Period shall be the average monthly rate for bankers' acceptances with a one-month term, as calculated and published as part of series V122504 by the Bank of Canada (see <http://www.bankofcanada.ca/rates/interest-rates/canadian-interest-rates/>, Series V122504).

11.4.3 The face amount of each Class E Note shall bear interest:

- 11.4.3.1 for the period commencing on the initial maturity date of such Class E Note up to but excluding the extended maturity date thereof (which for all purposes of this Plan shall be deemed to be its maturity date), at the rate and calculated as provided in such Note and the Supplemental Indenture; and
- 11.4.3.2 for each Interest Period included in a particular year during the Post-Maturity Period, computed daily on an Actual/365 Fixed Basis but without any compounding of interest, at the BOC Average 1M BA Rate + 1.00% applicable on each day during such Interest Period. As is the case for the Class A Notes and Class FRN Notes, the BOC Average 1M BA Rate applicable to the Class E Notes during each Interest Period shall be the average monthly rate for bankers' acceptances with a one-month term, as calculated and published as part of series V122504 by the Bank of Canada (see <http://www.bankofcanada.ca/rates/interest-rates/canadian-interest-rates/>, Series V122504).

11.4.4 The aggregate amount of interest accrued on each Note and calculated as aforesaid up to but excluding the Record Date is available for consultation on the Website.

11.4.5 Nothing contained in this Section 11.4 including the amendments contemplated in Sections 11.4.1 or 11.4.2.2 is intended to amend the provisions regarding the supplemental interest payable on the Notes contemplated in the First Supplement.

11.5 Pro Rata Share Calculation

On the Plan Implementation Date, the Monitor shall calculate the Pro Rata Share of each Noteholder and send a notice to each Noteholder setting forth only its Pro Rata Share, rounded to two decimal points, for the purpose of all Interest Distributions to be made under this Plan, subject to the provisions of Sections 11.6, 11.7 and 11.8 with respect to Withholding Taxes.

11.6 First Interest Distribution

The Applicant shall provide to the Monitor (i) a copy of each Tax Clearance Certificate within five (5) Business Days of its receipt thereof, and (ii) within five (5) Business Days of its receipt of the second Tax Clearance Certificate, an estimate of the amount the Applicant determines, acting reasonably and with the Monitor's consent, will be required to satisfy any remaining or future tax liabilities (including any outstanding Tax Indemnity Claims and Taxes on income to be earned in the Plan Reserves) of the CCAA Parties and any Anticipated Costs. On receipt of both items described in clauses (i) and (ii) of this Section:

11.6.1 the Monitor shall distribute from the Tax Reserve Account to each Resident Noteholder, its Pro Rata Share of the First Interest Distribution Amount on account of, in lieu of or in satisfaction of interest on such Resident Noteholder's Notes;

11.6.2 if the Advance Tax Ruling and the CRA Confirmation have not been obtained and Barclays has not issued the notice contemplated in Section 9.1, then each Non-Resident Noteholder's Pro Rata Share of the First Interest Distribution Amount shall be transferred by the Monitor to the Withholding Tax Reserve Account;

11.6.3 if the Advance Tax Ruling has not been obtained but the CRA Confirmation has been obtained, then each Non-Resident Noteholder's Pro Rata Share of the First Interest Distribution Amount, less the amount of applicable Withholding Taxes relating to such Non-Resident Noteholder's Pro Rata Share, shall be distributed by the Monitor to each Non-Resident Noteholder on account of, in lieu of or in satisfaction of interest on such Non-Resident Noteholder's Notes and the Monitor shall transfer the amount of such Withholding Taxes to the Withholding Tax Reserve Account;

11.6.4 if the Advance Tax Ruling has been obtained and in accordance with its terms Withholding Taxes are payable in respect of Interest Distributions to a Non-Resident Noteholder, then such Non-Resident Noteholder's Pro Rata Share of the First Interest Distribution Amount, less the amount of applicable Withholding Taxes relating to such Non-Resident Noteholder's Pro Rata Share, shall be distributed by the Monitor to such Non-Resident Noteholder on account of, in lieu of or in satisfaction of interest on such

Non-Resident Noteholder's Notes and the Monitor shall pay the amount of such Withholding Taxes to the CRA;

- 11.6.5 if the Advance Tax Ruling in a form satisfactory to the Monitor has been obtained and in accordance with its terms no Withholding Taxes are payable in respect of Interest Distributions to a Non-Resident Noteholder, such Non-Resident Noteholder's Pro Rata Share of the First Interest Distribution Amount shall be distributed by the Monitor to such Non-Resident Noteholder on account of, in lieu of or in satisfaction of interest on such Non-Resident Noteholder's Notes; and
- 11.6.6 if the Advance Tax Ruling and the CRA Confirmation have not been obtained but Barclays has issued the notice contemplated in Section 9.1, then each Non-Resident Noteholder's Pro Rata Share of the First Interest Distribution Amount, less the amount of Withholding Taxes relating to such Non-Resident Noteholder's Pro Rata Share, shall be distributed to such Non-Resident Noteholder on account of, in lieu of or in satisfaction of interest on such Non-Resident Noteholder's Notes and the Monitor shall pay the amount of such Withholding Taxes to the CRA.

11.7 Subsequent Interest Distributions

Following a First Interest Distribution made pursuant to Section 11.6, each time that funds are transferred to the Tax Reserve Account from the Costs Reserve Account or the Indemnity Reserve Account pursuant to Sections 6.4, 8.6.1, 8.6.2 or 8.6.3 or funds are otherwise deposited in the Tax Reserve Account, the Monitor may make a distribution from the Tax Reserve Account in an amount equal to the difference between the funds so transferred to the Tax Reserve Account and Anticipated Costs, by paying:

- 11.7.1 to each Resident Noteholder, its Pro Rata Share of such amount, on account of, in lieu of or in satisfaction of interest on such Resident Noteholder's Notes; and
- 11.7.2 with respect to each Non-Resident Noteholder, its Pro Rata Share of such amount, on account of, in lieu of or in satisfaction of interest on such Non-Resident Noteholder's Notes, in accordance with the provisions of Sections 11.6.2 to 11.6.6, as the case may be, *mutatis mutandis*.

Without limiting the foregoing, if the Advance Tax Ruling has not been obtained by the second anniversary of the Plan Implementation Date, as of and from such anniversary date the Monitor shall make all Interest Distributions under this Plan by paying (i) to each Resident Noteholder, its Pro Rata Share of such Interest Distributions, (ii) to each Non-Resident Noteholder, its Pro Rata Share of such Interest Distributions less the amount of applicable Withholding Taxes relating to such Non-Resident Noteholder's Pro Rata Share, and (iii) to the CRA, the applicable Withholding Taxes relating to each Non-Resident Noteholder's Pro Rata Share of such Interest Distributions.

11.8 Final Interest Distributions

Following the final transfer of funds to the Tax Reserve Account from the Costs Reserve Account pursuant to Section 6.4 and the Indemnity Reserve Account pursuant to Section 8.6.5, the Monitor shall make a final distribution on account of, in lieu of or in satisfaction of interest on the Notes and pay to each Noteholder its Pro Rata Share of all amounts standing to the credit of the Tax Reserve Account less an amount reserved for Anticipated Costs in accordance with the provisions of the last paragraph of Section 11.7, *mutatis mutandis*. Following the final payment of all outstanding Anticipated Costs, the Monitor shall pay to each Noteholder, on account of, in lieu of or in satisfaction of interest on the Notes, its Pro Rata Share of the balance outstanding in the Tax Reserve Account in accordance with the provisions of the last paragraph of Section 11.7, *mutatis mutandis*. Notwithstanding any other provision of this Article 11, no Noteholder is entitled to or shall receive any amount on account of, in lieu of or in satisfaction of interest on its Notes that exceeds the aggregate amount of interest that it would otherwise be entitled to receive on its Notes as calculated in accordance with the provisions of Section 11.4.

11.9 Failure to Claim

Noteholders who fail to establish Proven Claims within two (2) years of the Plan Implementation Date will be barred from receiving all distributions under this Plan and any amounts that such Noteholders would otherwise have received will be distributed to the other Noteholders who have established Proven Claims on a Pro Rata Share basis in accordance with the provisions of the last paragraph of Section 11.7, *mutatis mutandis*.

ARTICLE 12

The Applicant shall use all commercially reasonable efforts to promptly make, and diligently pursue, all filings and correspondence required to receive the Tax Clearance Certificates and otherwise close-out all open tax years with a view to distribution to the Noteholders of the Tax Reserve and, if available, the Indemnity Reserve, and the winding up of the Applicant and the Conduit as promptly as practicable.

17.6 Covenant of Applicant Regarding Costs

The Applicant shall use commercially reasonable efforts with respect to Costs as are under its direct control so that such Costs do not exceed the amount of the Costs Reserve, provided that no contestation or unforeseen event occurs with respect to the Plan, the CCAA Proceedings, the distributions contemplated by Article 11 and the process of acquiring the two Tax Clearance Certificates.

17.7 Covenant of Applicant Regarding Withholding Taxes

The Applicant and the Conduit shall request, in a form satisfactory to the Monitor, an advance tax ruling from the CRA, as promptly as practicable following the Initial CCAA Order, seeking to confirm that Interest Distributions in this Plan to Non-Resident Noteholders are not subject to Withholding Taxes (the "Advance Tax Ruling").

17.8 Paramountcy

From and after the Plan Implementation Date, any conflict between: (a) this Plan; and (b) any information statement or summary in respect of this Plan, or the covenants, warranties, representations, terms, conditions, provisions or obligations, express or implied, of any contract, mortgage, security agreement, indenture, loan agreement, commitment letter, document or agreement, written or oral, and any and all amendments and supplements thereto existing between any of the CCAA Parties and any Noteholder or other Person as at the Plan Implementation Date will be deemed to be governed by the terms, conditions and provisions of this Plan and the Sanction Order, which shall take precedence and priority.

III. THE MONITOR'S QUALIFICATIONS TO ACT

7. Deloitte Restructuring Inc. is a trustee within the meaning of subsection 2(1) of the *Bankruptcy and Insolvency Act*. The Monitor has consented to act as Monitor if so appointed by this Honourable Court. The Monitor's signed consent is attached to the affidavit of Mathieu Lafleur-Ayotte dated June 27, 2014 as Exhibit "L".
8. Neither Deloitte Restructuring Inc. nor any of its representatives or affiliates have been at any time in the two preceding years the auditor, a director, an officer or an employee of the CCAA Parties or otherwise related to the CCAA Parties or to any director or officer of the CCAA Parties or a trustee (or related to any such trustee) under a trust indenture issued by any of the CCAA Parties or any person related to the CCAA Parties. Therefore, in the Monitor's view, the Monitor is qualified to act as Monitor in this CCAA proceeding and subsection.11.7(2) of the CCAA does not apply.

IV. THE CONTEXT OF THIS CCAA PROCEEDING AND THE PLAN

Context of this CCAA Proceeding

9. As described in the affidavit of Mathieu Lafleur-Ayotte dated June 27, 2014, the Applicant is the Issuer Trustee of Devonshire Trust, a Conduit participating in the asset-backed commercial paper ("ABCP") market.
10. During the spring and summer of 2007, the U.S. sub-prime mortgage market experienced extensive defaults by sub-prime borrowers. The sub-prime crisis in the U.S eventually extended to the Canadian ABCP market, in which mortgage-backed securities and real estate derivative products had been sold to mainly Canadian investors. After the issues arose in the U.S., Canadian investors started to significantly reduce their ABCP holdings making the Canadian ABCP market more exposed to a liquidity crisis.
11. On August 13 and 14, 2007, many Canadian ABCP conduits were not able to roll their maturing ABCP and consequently requested liquidity from their liquidity providers. In most cases, the liquidity providers declined to provide the liquidity needed to repay maturing ABCP.
12. Representatives of the Caisse de Dépôt et Placement du Québec (the "Caisse"), National Bank of Canada and other ABCP investors, asset providers and liquidity providers met in Montreal to discuss the issues facing the Canadian ABCP market. On August 16, 2007, this group developed an agreement – the Montreal Accord – which provided that parties would (1) work together in good faith to implement a restructuring process and (2) observe a 60-day standstill that was later extended to March 2008.
13. By October 2007, 99 parties, including the Conduit, had signed the Montreal Accord.

- 4 -

14. After the Montreal Accord, the Pan-Canadian Third Party Asset Backed Commercial Paper Investor Committee (the “**Investor Committee**”) was formed. Purdy Crawford, Q.C. was appointed its chair. The Investor Committee and its advisors negotiated on behalf of the conduits.
15. By mid-December 2007, the Investor Committee announced a framework for restructuring the Canadian ABCP market (the “**Framework Agreement**”). The Framework Agreement covered 20 conduits but did not include the Conduit because Barclays Bank PLC (“**Barclays**”), the Conduit’s liquidity provider and CDS counterparty, did not accept some of the terms of the Framework Agreement.
16. In March 2008, the Investor Committee announced that CCAA proceedings would be undertaken to restructure the ABCP market, including 20 conduits which had issued a total of \$32 billion of issued notes. These 20 conduits have since been successfully restructured.
17. The Conduit, however, did not participate in those March 2008 CCAA proceedings. Instead, the CCAA Parties and their stakeholders considered restructuring alternatives. However, in January 2009, the Applicant became involved in protracted litigation with Barclays (the “**Barclays/Devonshire Litigation**”), which is described in more detail in the affidavit of Mathieu Lafleur-Ayotte dated June 27, 2014.
18. On June 13, 2014, Barclays, the Applicant and The Bank of New York Mellon (“**BNY**” or the “**Custodian**”) entered into a settlement of the Barclays/Devonshire Litigation (the “**Settlement Agreement**”), which requires Barclays to pay or have paid to the CCAA Parties funds from the monies held by BNY (the “**Settlement Amount**”) in the amount of:
 - a. \$532,668,082 (settlement payments under swaps to be received from Barclays);
 - b. \$1,061,916 (unpaid amount under swaps to be received from Barclays);
 - c. \$58,412,380 (interest owed by Barclays under swaps); and
 - d. such additional amount in CAD as shall be specified to BNY in writing by the Monitor (being interest on the amounts in a, b and c above calculated from and including June 1, 2014 to but excluding the Funds Transfer Date at a rate per annum equal to the 1-month Bank of Canada CDOR, reset each Business Day, plus 1% compounded daily).
19. To implement this Settlement Agreement in an expeditious manner, the CCAA Parties, in consultation with Barclays, the Caisse and the Monitor, prepared the Plan.

The Proposed Plan of Compromise and Arrangement

20. As part of its Application, the Applicant seeks the Court’s permission to file the Plan with the Court. The Monitor has reviewed the Plan and is not aware of any reason why the Plan should not be filed with the Court and then put before Noteholders with Proven Claims (defined below) for a vote on whether or not the Plan should be approved.

- 5 -

21. Certain provisions of the Plan are described below. This summary is not complete and readers should read the Plan for complete information. Capitalized terms not otherwise defined in this section of the Report have the meaning ascribed to them in the Plan.
22. The main purpose of the Plan is to implement the settlement set forth in the Settlement Agreement, including liquidating all assets of the Applicant, establishing Plan Reserves to be held by the Monitor, making distributions to Noteholders, compromising the Notes, extinguishing Barclays' Other Claims and winding-up the Conduit.

Liquidation of the Applicant's Assets

23. As shown in the balance sheet attached to this Report as Appendix "B", the Conduit's \$745,264,742 in assets (including contingent assets) are composed of:
 - a. Cash held by the Conduit of approximately \$2,390,364 as at June 1, 2014;
 - b. Short-term investments held by the Conduit of approximately \$150,732,000 as at June 1, 2014; and,
 - c. Only if the Plan is implemented, the amount to be received under the Settlement Amount estimated at \$592,142,378 as at June 1, 2014.
24. As set out above, the Settlement Amount is to be received by the Monitor from the Custodian on the Funds Transfer Date. In the event that the Custodian holds an amount less than the Settlement Amount, there exists a settlement deficiency (the "**Settlement Deficiency**"). Pursuant to the Plan, Barclays shall pay to the Monitor the Settlement Deficiency, if any.
25. The aggregate value of the Conduit's assets including any Settlement Deficiency, if any (the "**Aggregate Available Cash**"), is to be transferred to the Monitor on the Funds Transfer Date.

Plan Reserves

26. The Plan contemplates that once the Monitor receives the Aggregate Available Cash it will fund the following reserve accounts:
 - a. the Costs Reserve, a reserve in the amount of \$1,510,000 for the purpose of paying any invoices related to Costs including but not limited to, trustee fees, current administration costs, and professional fees for the Applicant's legal counsel and the Monitor and its legal counsel;
 - b. the Tax Reserve, a reserve in the amount of \$59,693,904 on account of:
 - (i) Taxes that may be required to be paid or to be withheld by the CCAA Parties in order to receive the Tax Clearance Certificates;
 - (ii) Tax Indemnity Claims; and
 - (iii) Anticipated Costs.

- 6 -

- c. the Indemnity Reserve, a reserve in the amount of \$5,000,000 on account of Other Indemnity Claims as well as Anticipated Costs, Taxes Payable and Tax Indemnity Claims to the extent the Tax Reserve is insufficient to pay such items. From time to time the Indemnity Reserve shall be reduced by, and the Monitor shall transfer to the Tax Reserve, the balance outstanding in the Indemnity Reserve less \$1 million and the amount in excess of \$1 million, if any, that the Applicant in consultation with the Monitor, estimates is required to satisfy Threatened Litigation and anticipated Defence Costs. Once the Monitor, in consultation with the Applicant determines that no amounts are required to satisfy Threatened Litigation and anticipated Defence Costs, the Monitor shall transfer to the Tax Reserve the balance of the Indemnity Reserve; and
- d. in addition, if the Advance Tax Ruling in a form satisfactory to the Monitor has not been obtained by the time set out in the Plan, unless the Non-Resident Noteholders have issued a written notice to the Monitor and the Applicant waiving the benefit of and right to obtain the Advance Tax Ruling and the CRA Confirmation, then the Monitor shall establish no later than the date of the First Interest Distribution the Withholding Tax Reserve. This Reserve is needed in the event that any Non-Resident Noteholders with Proven Claims are or may be subject to Withholding Taxes on amounts to be paid or credited to them, in lieu of or in satisfaction of interest on their Notes.
27. The Monitor shall hold, administer and apply the reserves in accordance with the Plan.

The Conduit's Liabilities to Noteholders

28. The Monitor has been advised by the CCAA Parties that the majority of the Conduit's creditors are Noteholders of series A, E and FRN Notes. As set out in the table below, the approximate total face value owed by the Conduit to its Noteholders is \$678,931,389. In addition, total accrued interest on face amounts owed to the Noteholders was \$87,801,093.

Caisse de Dépôt et Placement du Québec holdings	Class A:	\$133,900,000
	Class E:	\$151,100,000
	Class FRN:	<u>\$100,000,000</u>
		<u>\$385,000,000</u>

Barclays holdings	Class A:	\$56,416,442
	Class E:	\$113,224,609
	Class FRN:	<u>\$50,000,000</u>
		<u>\$219,641,051</u>

Other holders	Class A:	\$19,400,000
	Class E:	\$39,890,338
	Class FRN:	<u>\$15,000,000</u>
		<u>\$74,290,338</u>
		<u>\$678,931,389</u>

Distributions to Noteholders Pursuant to the Plan

29. Each beneficial Noteholder with a Proven Claim shall be entitled to an initial distribution on the Plan Implementation Date (the “**Initial Distribution**”), equal to the aggregate face amount of the Notes held by such Noteholder. If all Noteholders have Proven Claims then the aggregate amount of the Initial Distribution will be \$678,931,389.
30. Each beneficial Noteholder with a Proven Claim shall also be entitled to Interest Distributions made from time to time in accordance with the provisions of the Plan’s Article 11. The Interest Distributions are subject to the Monitor receiving all Tax Clearance Certificates, and in some cases, the CRA Confirmation and the Advance Tax Ruling from relevant tax authorities.
31. The Interest Distributions will be based on the Noteholders’ Pro Rata Share of interest as at the Plan Implementation Date and calculated as part of the interest calculation. The interest calculation has been prepared by the Conduit’s Consultant and has been provided to the Monitor. The Monitor has no objections to the assumptions used in such interest calculation. Certain details of the interest calculation as contemplated by the Plan are summarized below:
 - a. Each series of Notes will bear interest up to but excluding the Plan Implementation Date.
 - b. No interest shall accrue on the face value of the Class A Notes from August 13, 2007 up to the day before its maturity. Post-maturity interest on Class A Notes shall accrue daily, on the face value of each Class A Note, on an Actual/365 Fixed Basis. Interest will not compound and will be calculated at the BOC Average 1M BA Rate applicable on each day during such Interest Period.
 - c. At maturity, Class FRN Notes are equal to the face value including their capitalized coupons. Post-maturity, interest on Class FRN Notes is calculated daily on the face value on an Actual/365 Fixed Basis. Interest will not compound and will be calculated daily at the BOC Average 1M BA Rate applicable on each day during such Interest Period.
 - d. No interest shall accrue on the face value of the Class E Notes from August 13, 2007 up to the day before its initial maturity. Interest will accrue on the face value of the Class E Notes from their initial maturity date up to but excluding their extended maturity at the same rate as the post-maturity period. Post-maturity interest on Class E Notes shall accrue daily, on the face value of each Class E Note, on an Actual/365 Fixed Basis. Interest will not compound and will be calculated at the BOC Average 1M BA Rate + 1.00 % applicable on each day during such Interest Period.
32. The Monitor has estimated a range of recoveries to illustrate the high and low possible outcomes of Plan Implementation. The Monitor emphasizes that the assumptions and estimates used to prepare the estimated range of recoveries pursuant to the Plan are inherently uncertain, though considered reasonable by the CCAA Parties and the

- 8 -

Monitor. The following table demonstrates the estimated final dividend to Noteholders holding Proven Claims under the Plan:

Estimated Recovery Rates of Noteholders In CAD	Low	High
Estimated net realization value for Noteholders		
Total cash available for distribution	745,264,742	745,264,742
Costs reserve	(1,510,000)	(1,510,000)
Tax reserve	(59,693,854)	-
Indemnity Reserve	(5,000,000)	-
Estimated net cash available for distribution	<u>679,060,888</u>	<u>743,754,742</u>
Noteholders - Face value	100.00%	100.00%
Noteholders - Interest	0.15%	75.46%
Total estimated recovery	88.79%	97.24%

Please note that all amounts may change upon the implementation date.

The total estimated recovery rate for Noteholders may vary as reserves may impact certain Noteholders differently.

The estimated recovery does not take into account any withholding taxes which may need to be deducted from the amount available for distribution

33. The lower range of the net cash available for distribution is composed of total assets available for distribution as shown in the balance sheet attached as Appendix "B" to this Report less the amount required to fund the Plan Reserves.
34. The upper range of the net cash available for distribution is composed of total assets available for distribution as shown in the balance sheet attached as Appendix "B" less only the amount required to fund the Costs Reserve. The amount included in the Costs Reserve account is likely to be used in full to fund administration costs related to the Plan. The remaining reserves may not be required and have been included in the net cash available for distribution.
35. If the Plan is not approved, then the Settlement Agreement will not be completed, which would greatly reduce the recoveries for the Noteholders, and the subsequent legal proceedings could extend for several years.

Compromise of the Notes and Extinguishing Barclays' Other Claims

36. Pursuant to the Plan, immediately following the Initial Distribution, all Notes will be cancelled. Rights and obligations of the Noteholders and the Applicant in respect of the Notes will cease except that each Noteholder with a Proven Claim will remain eligible to receive subsequent Interest Distributions as provided in the Plan.
37. Interest will cease accruing on the Notes as of the day immediately preceding Plan Implementation.
38. Barclays' claim in the Barclays/Devonshire Litigation and all other claims that Barclays and its Affiliated Companies may have against the CCAA Parties shall not constitute a separate class of creditors nor have any right to vote or receive distributions. In accordance with the Settlement Agreement, these claims will be fully compromised and extinguished.

The Conduit's Unaffected Creditors

39. The Plan does not compromise, release or otherwise affect any rights or claims for creditors that generally fall into one or more of the following categories (the “Unaffected Creditors”):
- a. for fees and expenses incurred in the provision of goods and services in the administration and management of the Conduit or relating to this CCAA proceeding and authorized pursuant to the Initial CCAA Order;
 - b. of the Monitor and its counsel, counsel to the CCAA Parties or that otherwise are secured by the CCAA Charges; or
 - c. that are owed to Her Majesty in Right of Canada or the Province of Quebec pursuant to the Tax Act or the Taxation Act (Quebec) or that fall within sections 6(3) and 6(4) of the CCAA.
40. In essence, all creditors other than the Noteholders are considered unaffected creditors pursuant to the Plan and all future amounts owed to them will continue to be paid in the normal course of business. According to the CCAA Parties, all obligations other than those owed to Noteholders are current.
41. The existing liabilities in respect of the Unaffected Creditors are composed mainly of accounts payable and accrued liabilities in the amount of \$129,449 and brokers' commissions payables of \$41,083. If the Plan is implemented, these amounts and any other unpaid liabilities (other than those in respect of the Notes) will be paid.

Summary of the Conduit's Liabilities

42. As set out in Appendix “B” to this Report, the Conduit's total liabilities are approximately \$766,903,014. The total liabilities are composed mainly of accounts payable and accrued liabilities in the amount of \$129,449, brokers' commissions payables of \$41,083, commercial paper of \$513,931,389, floating-rate notes (FRN) of \$165,000,000 and accrued interest on face amounts of \$87,801,093.

Reviewable Transactions

43. Section 23(1)(d.1) of the CCAA requires the Monitor to:
- (d.1) file a report with the court on the state of the company's business and financial affairs – containing the monitor's opinion as to the reasonableness of a decision, if any, to include in a compromise or arrangement a provision that Sections 38 and 95 to 101 of the *Bankruptcy and Insolvency Act* do not apply in respect of the compromise or arrangement and containing the prescribed information, if any – at least seven days before the day on which the meeting of creditors referred to in section 4 or 5 is to be held.
44. Section 17.10 of the Plan provides that section 36.1 of the CCAA and sections 38 and 95 to 101 of the *Bankruptcy and Insolvency Act* and any other federal or provincial law relating to preferences, fraudulent conveyances or transfers, at undervalue shall not apply to this Plan or to any payments, distributions, transfers, allocations or transactions made or completed in connection with this Plan, whether before or after the date of the Initial

CCAA Order, including, without limitation, to any and all of the payments, distributions, transfers, allocations or transactions contemplated by and to be implemented pursuant to the Plan. Because the ABCP market has been frozen, the CCAA Parties had minimal transactions since August 2007. The Monitor, following its appointment, will be conducting its review of certain transactions preceding the commencement of this CCAA Proceeding and will report on any transactions that would constitute preferences, fraudulent conveyances or transactions at undervalue at the Meeting of Noteholders.

Winding-up the Conduit

45. As provided in the Plan, the Conduit shall be terminated and wound-up as soon as is practicable, which will not occur until after the resolution of all tax matters, including, but not limited to, receiving the Tax Clearance Certificates. The winding-up shall be completed in accordance with the Settlement Deed and the Settlement Deed shall thereupon terminate and be cancelled.

V. PROPOSED CHARGES IN THE INITIAL ORDER

46. The Applicant seeks an Initial Order that provides for a charge in the amount of \$400,000 for the Monitor, counsel to the Monitor, and the Applicant's counsel as security for their professional fees and disbursements incurred before and after the Application in respect of this CCAA proceeding (the "**Administration Charge**"). The Administration Charge has been quantified based on the respective professionals' previous history and experience with restructurings of a similar magnitude and complexity. The Monitor believes that the Administration Charge is required to permit this CCAA Proceeding to proceed and is reasonable in the circumstances.
47. The directors' and officers' charge (the "**Directors' Charge**"), as described in the Application, provides for a charge in the amount of \$250,000 as security for various indemnities provided to the directors and officers of the Applicant. It is proposed to rank behind the Administration Charge. The Monitor has been advised by the Applicant's counsel that the Directors' Charge is necessary for the continued service of the Applicant's directors and officers during the restructuring and that the quantum has been calculated relative to the statutory obligations of the Applicant for which the directors and officers may be held liable. The Monitor therefore believes that the Directors' Charge is required and reasonable in the circumstances.

VI. CLAIMS PROCEDURE

48. The Applicant is also seeking an order (the "**Claims Procedure and Meeting Order**") authorizing a process for Noteholders to prove any claim or right against the Debtor in connection with any unpaid indebtedness, liability or obligation of any kind owed to such person, based on facts that existed on the Filing Date ("**Noteholder Claim**").
49. The Monitor has reviewed the service list and understands that the Noteholders with the largest claims – Barclays and the Caisse – were served with copies of the Applicant's materials in this application. In addition, the Monitor understands that the Applicant is making efforts to speak with registered Noteholders before the Application is heard. The Initial Order contemplates the Monitor publishing notice of these proceedings in the *Globe & Mail* (national edition) and *La Presse* in accordance with the CCAA. Finally,

- 11 -

the Monitor will send to Noteholders identified in the affidavit of Mathieu Lafleur-Ayotte dated June 27, 2014 a Notice of Proceedings. A copy of the Notice of Proceedings form for which the Applicant seeks approval in the Claims Procedure and Meeting Order is attached hereto as Appendix "C".

50. Any person who believes it has a Noteholder Claim will have to provide to the Monitor the physical certificates, if any, representing the Notes held by a Noteholder, the Voter Identification Form and such transmittal documentation as the Monitor may request, as provided in the Claim Procedure and Meeting Order (the "**Required Documentation**"). A copy of the Voter Identification Form for which the Applicant seeks approval in the Claims Procedure and Meeting Order is attached hereto as Appendix "D".
51. The Monitor will review the Noteholders' Claims and Required Documentation and will determine, with the assistance of the Applicant, if the claims are satisfactory and have adequately been proven (the "**Proven Claims**").
52. Upon authorization of this Court, Noteholder Claims must be received and proven by the Monitor by no later than two (2) years following the Plan Implementation Date. After this date, Noteholders who have not submitted all Required Documentation to the Monitor shall be forever barred from making or enforcing a Noteholder Claim against the CCAA Parties and all such Claims shall be extinguished and shall not be entitled to receive any distribution in respect of such Claims.
53. Information relating to the status of Noteholder Claims filed against the Conduit will be provided to the Court throughout this CCAA Proceeding.

VII. PROPOSED MEETING OF NOTEHOLDERS

54. As set out in the Claims Procedure and Meeting Order, the Applicant seeks authorization to call, hold, and conduct a meeting of Noteholders to consider the Plan. The proposed meeting will be held for the following purposes, at the following place and time:
 - a. to consider and, if deemed advisable, to approve the Plan pursuant to the CCAA; and
 - b. to transact such other business as may properly come before the Conduit's Noteholders' Meeting (the "**Meeting**") or any adjournment thereof.

<u>Location</u>	<u>Date</u>	<u>Time</u>
Osler, Hoskin & Harcourt 1000 De La Gauchetière Street West Suite 2100 Montréal, QC H3B 4W5, Canada	August 7, 2014	2:00 p.m.(Eastern Time)

- 12 -

55. Only beneficial Noteholders who have submitted the Required Documentation shall be entitled to attend and vote at the Meeting.
56. The Monitor is of the view that it is appropriate for the Plan and Claims Procedure and Meeting Order to contemplate one class of beneficial Noteholders as the only creditors eligible to vote on the Plan. The Applicant advises that only two entities have perfected security against the CCAA Parties with respect to Devonshire Trust: Barclays Bank PLC and CIBC Mellon. To the extent that Barclays may have greater security interests in the CCAA Parties' assets than other creditors, it has subordinated that security as part of the Settlement Agreement and proposed Plan, which Barclays helped to develop and supports. CIBC Mellon's registration is as Indenture Trustee and registers the security interest granted to the Noteholders pursuant to the Trust Indenture. The Monitor and the Applicant's counsel performed a PPSA search and an RPMRR search and confirmed that Barclays and CIBC appear to have registered security interests. Both were served with the Applicant's application and this Report.
57. At least twenty (20) days prior to the Meeting, Noteholders will receive the Notice of Proceedings, the Voter Identification Form, the Proxy Form and Instructions to Noteholders (collectively, the "**Meeting Documents**") allowing them to vote on the Resolution. Noteholders who have not received the Meeting Documents or who cannot download these documents from the Monitor's website can contact the Monitor. A copy of the Proxy Form for which the Applicant seeks approval in the Claims Procedure and Meeting Order is attached hereto as Appendix "E". A copy of the Instructions to Noteholders for which the Applicant seeks approval in the Claims Procedure and Meeting Order is attached hereto as Appendix "F".
58. Each Noteholder having a Proven Claim shall be entitled to one vote in an amount equal to such Noteholder's Proven Claim. Only the beneficial holder of the Note is entitled to vote in a situation where the registered holder of the Note differs from the beneficial holder of said Note.
59. In order for the Plan to be approved, it must receive a majority in number representing at least two-thirds in value of the Proven Claims (the "**Required Majority**") who actually vote on the Plan (in person or by proxy) at the Meeting. Should the Plan be approved by the respective Required Majority, it is intended that Court approval of the Plan be sought on August 20, 2014.

VIII. THE CASH FLOW FORECAST

60. The cash flow forecast is attached to this Report as Appendix "A" (and also to the affidavit of Mr. Mathieu Lafleur Ayotte as Exhibit "K"). Because the cash flow forecast is based on assumptions regarding future events, actual results will vary from the information presented and the variations may be material. Accordingly, the Monitor expresses no opinion as to whether the projections in the cash flow forecast will be achieved. The Monitor expresses no opinion as to the performance or the non-performance of the CCAA Parties' statutory obligations with regard to projected payments to be made in accordance with the cash flow forecast.

- 13 -

61. The cash flow forecast is for a period of seven (7) weeks from July 8 to August 25, 2014 and is summarized in the table below:

Extension - 7-week period ending August 25, 2014 (C\$)	
Cash inflows	
Interest	-
Total cash inflows	-
Cash outflows	
Administrative costs	330,617
Professional fees	570,000
Total cash outflows	900,617
Opening balance	2,390,364
Variation in cash balance	(900,617)
Ending cash balance	<u>1,489,747</u>

62. Based on information received from the CCAA Parties, the opening cash balance reflects cash and short term investments held by the Conduits, as described in the table below:

Opening cash balance (C\$)	
Opening cash balance	
Cash	2,390,364
Short-term investments	150,732,000
	<u>153,122,364</u>

Cash Inflows

63. Since accrued interest on the Conduit's short term investments is only payable at maturity, and none of the short term investments are maturing in the period presented, the CCAA Parties prepared the cash flow forecast assuming that cash inflows would be nil.

Cash Outflows

64. Cash outflows consist of administrative costs related to the daily administration of the CCAA Parties and professional fees in conjunction with the restructuring, namely professional services rendered by the Monitor and its legal counsel and the CCAA Parties' legal advisor. These fees are estimated to vary throughout the period to complete the remaining steps of the restructuring.

The Monitor's Report on the Cash Flow Forecast

65. Section 23(1)(b) of the CCAA states that the Monitor shall "review the company's cash-flow statement as to its reasonableness and file a report with the Court on the Monitor's findings."
66. Pursuant to section 23(1)(b) of the CCAA and in accordance with the Canadian Association of Insolvency and Restructuring Professionals Standards of Practice 09-1 ("CAIRP SOP 09-1"), the Monitor hereby reports as follows:

- 14 -

- a. The cash flow forecast has been prepared by the CCAA Parties for the purpose described in the notes to the cash flow forecast, using Probable and Hypothetical Assumptions. Readers are cautioned that the cash flow forecast may not be appropriate for other purposes.
- b. The Monitor's review consisted of inquiries, analytical procedures and discussion related to information supplied by the CCAA Parties. Because Hypothetical Assumptions need not be supported, the Monitor's procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the cash flow forecast. The Monitor also reviewed the support provided by the CCAA Parties for the Probable Assumptions, and the preparation and presentation of the cash flow forecast.
- c. Based on its review, nothing has come to the attention of the Monitor that causes it to believe, that in all material respects:
 - (i) the Hypothetical Assumptions are not consistent with the purpose of the cash flow forecast;
 - (ii) as at the date of this report, the Probable Assumptions developed by the CCAA Parties are not suitably supported and consistent with the plans of the Applicant or do not provide a reasonable basis for the cash flow forecast, given the Hypothetical Assumptions; or
 - (iii) The cash flow forecast does not reflect the Probable and Hypothetical Assumptions.

IX. MONITOR'S ACTIVITIES

67. Since being retained, the Monitor has been involved in numerous activities, including:
- a. participating in numerous meetings, conference calls and discussions with the CCAA Parties and their advisors, the signatories to the Settlement Letter and their advisors, and other Noteholders in connection with the proposed Settlement Agreement, Plan and cash flow forecast;
 - b. participating in numerous meetings, conference calls and discussions with the CCAA Parties and their advisors, and certain Noteholders and their advisors, in respect of the proposed forms of Initial Order, Claims Procedure and Meeting Order and Sanction Order;
 - c. engaging legal counsel, who has also participated in certain of the above-noted meetings and discussions;
 - d. reviewing and considering various documentation in connection with the CCAA Proceeding; and
 - e. preparing this Report.

- 15 -

X. MONITOR'S CONCLUSIONS

68. For the reasons set out in this Report, the Monitor believes that:
- a. It is appropriate that the CCAA Parties be granted the benefit of protection under the CCAA. This CCAA proceeding will enable the CCAA Parties to implement the Settlement Agreement, liquidate the Conduit's assets, and make distributions to the Noteholders;
 - b. The Monitor is qualified to act as Monitor in these CCAA Proceedings;
 - c. There is no reason why the Plan should not be filed with the Court;
 - d. The Charges proposed in the Application are reasonable;
 - e. The proposed Claims Procedure is reasonable;
 - f. The proposed approach to the Meeting of Noteholders is reasonable; and
 - g. The Conduit's cash flow forecast is reasonable.
69. As described earlier in this Report, under the Plan and the Settlement Agreement the Noteholders' recovery is estimated to be between 89% to 97%. Noteholders are anticipated to recover 100% of the face value of the Notes and between 0% to 75% of accrued interest. This recovery is likely greater than the likely recovery if this CCAA proceeding does not move forward and the Plan is not approved. It is the Monitor's view that the CCAA Parties have acted in good faith and with due diligence in their efforts to develop a restructuring plan for the benefit of all stakeholders.

The Monitor respectfully submits this Report to this Honourable Court.

PURPOSE OF THE SECOND REPORT

8. This Second Report dated July 20, 2014 is provided to this Honourable Court by the Monitor to outline the progress of the CCAA Parties' restructuring and relating steps and confirm the support of the Monitor to the Applicant's Motion to extend the Stay Period.
9. This Second Report is structured as follows:
 - I- Review of Certain Transactions;
 - II- Claims Procedure and Reporting Duties performed by the Monitor;
 - III- Extension of the Stay Period;
 - IV- Activities of the Monitor; and
 - V- Monitor's Conclusion.

I. REVIEW OF CERTAIN TRANSACTIONS

8. The Monitor, following its appointment, has commenced its review of certain transactions preceding the commencement of this CCAA Proceeding and is still waiting for additional documents in order to complete its review. The Monitor anticipates that it will have completed its review before the Meeting of Creditors and will communicate its findings during the said Meeting of Creditors. The Monitor will also include its findings in in the next Monitor's report.

II. CLAIMS PROCEDURE & REPORTING DUTIES PERFORMED BY THE MONITOR

9. Pursuant to the Initial Order on July 10, 2014 the Monitor published the Notice of Proceedings in the *National Post* (national edition) and *La Presse* in accordance with the CCAA.
10. Within five (5) business days of the Initial Order being granted, the Monitor made available on its website all public information and documentation related to the CCAA Parties' restructuring process, including the Notice of Proceedings, a listing of the Beneficial Noteholders, and all Court documentation.
11. Within five (5) business days of the Claims Procedure and Meeting Order being granted, the Monitor has sent Meeting Documents to 17 identified beneficial Noteholders (July 11, 2014) and to an additional 3 beneficial Noteholders and to 7 Registered Holders (including the Issuing and Paying Agent, NBCN Inc., on July 15, 2014).
12. As of the date hereof, the Monitor has received the Required Documentation for 1 Noteholder Claim representing a total of \$ 10 million.
13. The Monitor has been diligently processing Noteholder Claims and Required Documentation in cooperation with the Applicant and respective counsel.

- 4 -

14. Pursuant the Claims Procedure and Meeting Order, Noteholder Claims must be received and proven by the Monitor by no later than two (2) years following the Plan Implementation Date. After this date, a beneficial Noteholder that has not provided all of the Required Documentation shall (a) be forever barred from making or enforcing a Noteholder Claim against the Applicant or against the Devonshire Trust and such Noteholder Claim will be forever extinguished, (b) be forever barred from making or enforcing such Noteholder Claim against any other person who can claim contribution or indemnity from the Applicant or against the Devonshire Trust, (c) not be entitled to receive any distribution in respect of such Noteholder claim; and (d) not be entitled to any further notice and shall not be entitled to participate in the CCAA Proceedings in respect of such claims.

III. EXTENSION OF STAY PERIOD

OVERVIEW

15. Pursuant to the Initial Order, the Stay was granted until August 7th 2014
16. The CCAA Parties notified the Monitor of their intention to request a first extension of the Stay to September 15, 2014 (the “**First Extension Period**”).
17. This short extension will allow, *inter alia*, the CCAA Parties, to hold the Meeting and is the Plan is approved, seek the Sanction Order, allow the expiry of appeal periods with respect to the Sanction Order, complete fund transfers and proceed with the Initial Distribution.
18. It is the Monitor’s opinion that the First Extension Period is necessary to ensure that the CCAA Parties continue their restructuring initiatives.
19. It is the Monitor’s view that the CCAA Parties have acted in good faith and with due diligence to date.

EXTENDED 3 WEEKS CASH FLOW FORECASTS

20. The cash flow forecast is attached to this Report as Appendix “A”. Because the cash flow forecast is based on assumptions regarding future events, actual results will vary from the information presented and the variations may be material. Accordingly, the Monitor expresses no opinion as to whether the projections in the cash flow forecast will be achieved. The Monitor expresses no opinion as to the performance or the non-performance of the CCAA Parties’ statutory obligations with regard to projected payments to be made in accordance with the cash flow forecast.
21. The cash flow forecast is for a period of 10 weeks from July 8 to September 15, 2014 and assumes that the Plan is approved and implemented before September 15, 2014; and is summarized in the table below:

- 5 -

Sale of short-term investments	(131,500,000)
Transfer to Monitor's trust accounts	(19,232,000)

22. Based on information received from the CCAA Parties, the opening cash balance reflects cash and short term investments held by the Conduits, as described in the table below:

Opening cash balance	
(C\$)	
Opening cash balance	
Cash	2,390,364
Short-term investments	150,732,000
	<u>153,122,364</u>

Cash Inflows

23. All of the Conduit's cash inflows, namely, approximately \$728.2M, are projected to occur in week 8 of the cash flow which coincides with the estimated Plan Implementation Date.
24. Cash inflows of approximately \$595.5M are to be received as part of the Settlement Agreement and relate to (a) the settlement payment under swaps, (b) the unpaid amount under swaps, (c) the interest owed under swaps and any interest on (a), (b) and (c) calculated from and including June 1, 2014 to but excluding the Funds Transfer Date (projected as September 2, 2014) at a rate per annum equal to the BOC Daily 1M BA Rate, reset each Business Day, plus 1%, calculated on an Actual/365 Fixed Basis and compounded daily.

- 6 -

25. It is expected that the Conduit will sell approximately \$131M of short-term investments in order to have sufficient liquidity to transfer to the Monitor's Trust accounts. Cash inflows of approximately \$132.7M relate to the sale of two (2) short-term investments as well as interest receipt collected as part of the sale of the said short-term investment.
26. None of the remaining short-term investments are maturing in the period presented.

Cash Outflows

27. It is projected that the Conduit will disburse a total of approximately \$749.7M during the period presented in the cash flow, of which, approximately \$730.5M is in cash and approximately \$19.2M is in short-term investments.
28. Out of the total disbursements of \$749.7M, it is projected that the Conduit will transfer to the Monitor's trust accounts a total of approximately \$729.6M in cash and approximately \$19.2M in short-term investments.
29. Once the Monitor receives these funds they will be segregated in the following manner:
 - a. \$678,931,389 for the Initial Distribution to Noteholders as provided for in the Plan. This distribution is to occur 3 business days after the Plan Implementation Date;
 - b. \$1,510,000 for the Costs Reserve;
 - c. \$59,693,854 for the Tax Reserve;
 - d. \$5,000,000 for the Indemnity Reserve, and;
 - e. \$3,722,868 in the Monitor's general trust account.
30. In addition to the funds transferred to the Monitor, approximately \$340,000 will be disbursed by the Conduit during the period presented in the cash flow as costs related to the daily administration of the CCAA Parties and approximately \$610,00 related to professional fees in conjunction with the restructuring, namely professional services rendered by the Monitor and its legal counsel and the CCAA Parties' legal advisor.

The Monitor's Report on the Cash Flow Forecast

31. Section 23(1)(b) of the CCAA states that the Monitor shall "review the company's cash-flow statement as to its reasonableness and file a report with the Court on the Monitor's findings."
32. Pursuant to section 23(1)(b) of the CCAA and in accordance with the Canadian Association of Insolvency and Restructuring Professionals Standards of Practice 09-1 ("CAIRP SOP 09-1"), the Monitor hereby reports as follows:
 - a. The cash flow forecast has been prepared by the CCAA Parties for the purpose described in the notes to the cash flow forecast, using Probable and Hypothetical Assumptions. Readers are cautioned that the cash flow forecast may not be appropriate for other purposes.

- 7 -

- b. The Monitor's review consisted of inquiries, analytical procedures and discussion related to information supplied by the CCAA Parties. Because Hypothetical Assumptions need not be supported, the Monitor's procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the cash flow forecast. The Monitor also reviewed the support provided by the CCAA Parties for the Probable Assumptions, and the preparation and presentation of the cash flow forecast.
- c. Based on its review, nothing has come to the attention of the Monitor that causes it to believe, that in all material respects:
 - (i) the Hypothetical Assumptions are not consistent with the purpose of the cash flow forecast;
 - (ii) as at the date of this report, the Probable Assumptions developed by the CCAA Parties are not suitably supported and consistent with the plans of the Applicant or do not provide a reasonable basis for the cash flow forecast, given the Hypothetical Assumptions; or
 - (iii) The cash flow forecast does not reflect the Probable and Hypothetical Assumptions.

IV. MONITOR'S ACTIVITIES

33. Since the date of the First Report , the Monitor has been involved in numerous activities, including:
- a. participating in numerous meetings, conference calls and discussions with the CCAA Parties and their advisors in connection with the Plan and cash flow forecast;
 - b. participating in numerous meetings, conference calls and discussions with the CCAA Parties and their advisors, and certain Noteholders and their advisors, in respect of the proposed forms of Initial Order, Claims Procedure and Meeting Order and Sanction Order;
 - c. engaging legal counsel, who has also participated in certain of the above-noted meetings and discussions;
 - d. attending the initial application;
 - e. communicating with Noteholders (as required by the Claims Procedure and Meeting Order);
 - f. mailing of Meeting Documents (as required by the Claims Procedure and Meeting Order);
 - g. publishing of the Notice of Proceedings in the required newspapers (as required by the Initial Order);

- 8 -

- h. starting review of certain transactions;
- i. reviewing and considering various documentation in connection with the CCAA Proceeding; and
- j. preparing this Second Report.

V. MONITOR'S CONCLUSIONS

- 34. It is the Monitor's view that the CCAA Parties have acted in good faith and with due diligence and in accordance with the Orders granted by this Honourable Court.
- 35. For the reasons set out in this Second Report, the Monitor believes that:
 - a. An extension of the Stay Period to September 15, 2014 should be granted to ensure that the CCAA Parties are able to implement certain essential restructuring initiatives.

The Monitor respectfully submits this Second Report to this Honourable Court.

AND ARRANGEMENT INVOLVING METCALFE & MANSFIELD

AS ISSUER TRUSTEE OF DEVONSHIRE TRUST

AFFIDAVIT OF LINDA SHERWOOD
(Sworn August 13, 2014)

I, Linda Sherwood, of the City of Pickering, in the Province of Ontario, MAKE
OATH AND SAY:

1. I am an assistant at the law firm of Osler, Hoskin & Harcourt LLP ("**Osler**"), and work with Mary Paterson, a partner of the law firm of Osler, which is counsel for Deloitte Restructuring Inc. ("**Deloitte**"), and as such I have knowledge of the matters contained in this affidavit. Where I have relied on other sources for information, I have identified such sources and believe the information to be true.

2. Pursuant to an Order dated July 8, 2014, Deloitte is the court-appointed Monitor (the "**Monitor**") in this CCAA Proceeding. The Monitor retained Osler as its counsel in this matter. This affidavit is made in support of a motion to be made by the Applicant that seeks, *inter alia*, approval of the fees and disbursements of Osler in its capacity as legal counsel for the Monitor for the pre-filing and post-filing periods of April 10 to July 31, 2014 (collectively, the "**Period**").

3. Osler's invoices, which are dated May 31, 2014; June 19, 2014; June 26, 2014; July 15, 2014 and August 13, 2014 (the "**Invoices**"), disclose in detail: (i) the names, hourly rates and time expended by each person who rendered services; (ii) the dates on which the services were rendered; (iii) the time expended each day; and (iv) the total charges for each of the categories of services rendered for the relevant time period. The Invoices, redacted for privilege, are attached as Exhibit "A" to this Affidavit.

4. During the Period, the total fees set out in the Invoices were \$170,070.00, plus disbursements of \$1,282.79 and applicable taxes of \$25,660.09, for an aggregate amount of \$197,012.88.

5. As set out in the following table, 256.30 hours were incurred by Osler personnel during the Period, resulting in an average hourly rate of \$663.56 (exclusive of applicable taxes):

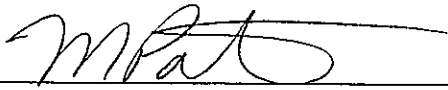

Name	Total Hours	Hourly Rate (\$)
Mark Brender	4.50	970
Shelley Obal	.50	890
Sandra Abitan	40.40	840
Timothy Hughes	40.40	815
Michael De Lellis	1.00	660
Mary Paterson	150.50	620
Julien Morisette	1.0	555
Christine Waldner	.90	510
Arielle Kaplan	12.40	190
Sanzida Islam	1.50	195
Julie Veronich	2.70	190
TOTAL	256.30	

6. The activities performed were requested by the Monitor, and time expended and the fees charges are reasonable in light of the services performed and the prevailing market rates

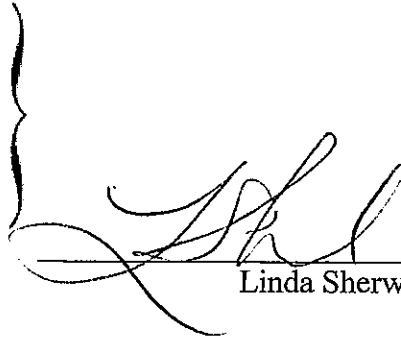

for such services. Osler has been paid in full in respect of the fees, disbursements and taxes detailed in the Invoices except for the invoices issued in August 2014, which are being processed.

7. I swear this affidavit for the purpose of this motion and for no improper purpose.

SWORN BEFORE ME at the City of Toronto, in the Province of Ontario this 13th day of August, 2014.

Mary Paterson
Commissioner for Taking Affidavits
