**SUPPLEMENTAL AFFIDAVIT OF VERA WATSON
(Sworn February 2, 2026)**

I, Vera Watson, of the City of Calgary, in the Province of Alberta, MAKE OATH AND
SAY:

1. I am a Senior Director, Special Loans, of the Applicant, National Bank of Canada (“NBC”). I have been directly involved in matters relating to the borrowings of Brook Restoration Ltd. (“**Brook**”). As such, I have personal knowledge of the matters to which I depose in this affidavit, unless otherwise indicated. Where I do not possess personal knowledge, I have stated the source of my information and, in all such cases, believe it to be true.

2. This affidavit is sworn in addition to my affidavit sworn on January 23, 2026 (the “**First Watson Affidavit**”). Unless otherwise indicated, capitalized terms used in this affidavit and not otherwise defined herein have the meaning given to them in the First Watson Affidavit.

3. The purpose of this affidavit is to provide the Court with an update on various matters since the delivery of the First Watson Affidavit, including:

- (a) a copy of the Amending Agreement (defined below) which includes certain amendments to the Purchase Price and Purchased Assets under the Purchase Agreement and the finalized schedules to the Purchase Agreement;
- (b) the status of the agreement between Liberty and Atwill-Morin, pursuant to which Atwill-Morin is expected to replace Brook and assume its obligations under the Bonded Contracts; and,
- (c) to address certain pages that are missing from the scanned copy of the general security agreement executed by Rest Acres dated as of August 30, 2022 (the “**Rest Acres GSA**”), which is found in the GSAs collectively attached as Exhibit “I” to the First Watson Affidavit.

A. Amendments to the Purchase Agreement

4. Since the First Watson Affidavit, NBC, the Purchaser, and Deloitte have been working towards finalizing the Schedules to the Purchase Agreement.

5. The Purchaser has advised that it intends to purchase an additional non-bonded contract held by Brook in respect of an ongoing restoration project with Humber College. NBC

and the Purchaser have agreed upon a non-material increase to the Purchase Price to reflect the inclusion of this additional contract in the Purchased Assets.

6. The Purchaser has also advised that it does not intend to acquire any of the leased equipment and vehicles listed in the Schedule “D” of the Purchase Agreement appended to the First Watson Affidavit (the “**Leased Assets**”). As a result, the Purchased Assets, as defined under the Purchase Agreement, do not include the Leased Assets.

7. There is no adjustment to the Purchase Price as a result of the Purchaser no longer acquiring the Leased Assets.

8. Attached as **Exhibit “A”** is the unsigned amending agreement number #1 to the Purchase Agreement (with the Purchase Price redacted) that reflects the increase to the Purchase Price and the final Schedules (“**Amending Agreement**”). Subject to the Court granting the proposed Receivership Order, the Amending Agreement will be executed by the Receiver immediately upon its appointment.

9. A copy of the unredacted Amending Agreement is attached as **Confidential Exhibit “1”** to this affidavit, which will be filed separately with the Court. NBC is seeking the sealing of Confidential Exhibit “1” on the same basis as the request for the sealing order set forth in paragraphs 109-110 of the First Watson Affidavit.

B. Status of the Agreement between Liberty and Atwill-Morin

10. The First Watson Affidavit refers to Liberty and Atwill-Morin entering an agreement in respect of Atwill-Morin replacing Brook under the Bonded Contracts. I understand from Sam Massie of Miller Thomson LLP, counsel for Atwill-Morin, that as of the date of this

affidavit, Liberty and Atwill-Morin are finalizing their agreement, pursuant to which Atwill-Morin will complete the Bonded Contracts that constitute the Purchased Assets. All material terms are settled and Liberty and Atwill-Morin are working towards finalizing the agreement and certain ancillary documents.

C. The Rest Acres GSA

11. I have been made aware that the scanned copy of the Rest Acres GSA appended to the First Watson Affidavit is missing pages 5-6 and 8 therein.

12. Each of the GSAs is in the Form 1100(11/15), which I understand is a standard form of general security agreement used by NBC around the time of executing the GSAs. As reflected in the general security agreement executed by Brook (the “**Brook GSA**”) and the general security agreement executed by Swinfin (the “**Swinfin GSA**”), collectively appended as Exhibit “I” to the First Watson Affidavit, paragraph 9 on page 8 of that standard form states:

9. REMEDIES

Upon Default the Bank shall have the following rights and powers, which the Bank may exercise immediately:

...

(f) to appoint by instrument in writing, with or without bond, or by application to any Court of competent jurisdiction, a Receiver of the Collateral and to remove any Receiver so appointed and appoint another or others in his stead...

13. In addition, in connection with earlier advances to Brook, Rest Acres executed a general security agreement in favour of NBC dated as of December 15, 2020 (the “**2020 Rest Acres GSA**”). The 2020 Rest Acres GSA is also in the Form 1100(11/15) and includes, among

other provisions, the power to appoint a receiver under paragraph 9, reproduced above. A copy of the 2020 Rest Acres GSA is attached as **Exhibit “B”**.

14. While page 8 of the Rest Acres GSA that is appended to my first affidavit is missing, I have no reason to believe that the Rest Acres GSA differed from the Brook GSA or the Swinfin GSA, including in respect of the list of remedies available to NBC upon default thereunder. My evidence remains that each of the GSAs authorized NBC to seek the appointment of a receiver upon default by the respective grantors.

- (h) to pay all costs and expenses on a full indemnity basis (including legal fees as between a solicitor and his own client) incidental to:
 - (i) the preparation, execution and filing of this Agreement,
 - (ii) maintaining, protecting and defending the Collateral, the Security Interest, and all of the Bank's rights and interest arising pursuant to this Agreement, and
 - (iii) the exercise of any rights or remedies of the Bank pursuant to this Agreement, including but not limited to the costs of the appointment of a Receiver and all expenditures incurred by such Receiver, the cost of any sale proceedings (whether the same prove abortive or not), and all costs of inspection, and all other costs and expenses incurred by the Bank in connection with or arising out of, directly or indirectly, this Agreement, all without limitation. All such costs and expenses shall be payable by the Debtor immediately upon demand from the Bank and until paid shall bear interest from the date incurred by the Bank at the highest rate of interest then chargeable by the Bank to the Debtor on any of the Indebtedness. The amount of all such costs and expenses shall be added to the Indebtedness and shall be secured by this Agreement;
- (i) to punctually pay and discharge all taxes, rates, levies, assessments and other charges of every nature which might result in any lien, encumbrance, right of distress, forfeiture or termination or sale, or any other remedy being enforced against the Collateral and to provide to the Bank satisfactory evidence of such payment and discharge;
- (j) to maintain its corporate existence, and to diligently preserve all its rights, licenses, powers, privileges, franchises and goodwill;
- (k) to observe and perform all of its obligations and comply with all conditions under leases, licenses and other agreements to which it is a party or pursuant to which any of the Collateral is held;
- (l) to carry on and conduct its business in an efficient and proper manner so as to preserve and protect the Collateral and income therefrom;
- (m) to keep, in accordance with generally accepted accounting principles consistently applied, proper books of account and records of all transaction in relation to its business and the Collateral;
- (n) to observe and conform to all valid requirements of law and of any governmental or municipal authority relating to the Collateral or the carrying on by the Debtor of its business;
- (o) at all reasonable times, to allow the Bank access to its premises in order to view the state and condition of its property and to inspect its books and records and make extracts therefrom;
- (p) to insure the Collateral for such periods, in such amounts, on such terms, with such insurers and against such loss or damage by fire and other such risks as the Bank reasonably directs, with loss payable to the Bank and the Debtor as insureds, as their respective interests may appear, to pay all premiums therefor, to deliver evidence of the same on request, and to do all acts necessary to obtain payment to the Bank of any insurance proceeds;

- (q) to prevent the Collateral from being or becoming an Accession or a fixture to other property not covered by this Agreement or other security granted by the Debtor in favor of the Bank;
- (r) to deliver to the Bank from time to time promptly upon request:
 - (i) any Documents of Title, Instruments, Securities, Security Entitlements, Securities Account and Chattel Paper constituting the Collateral,
 - (ii) all books of account and all records, ledgers, reports, correspondence, schedules, documents, statements, lists and other writings relating to the Collateral,
 - (iii) all financial statements prepared by or for the Debtor regarding its business, or, where the Debtor is an individual, all tax returns and such personal financial statements as the Bank may request,
 - (iv) all policies and certificates of insurance relating to the Collateral, and
 - (v) such further information concerning the Collateral, the Debtor and the Debtor's business and affairs as the Bank may request;
- (s) not to change the present use of the Collateral; and
- (t) to comply with all other requirements of the Bank, whether in the nature of positive or negative covenants, as may be communicated by the Bank to the Debtor from time to time, including but not limited to those additional covenants, terms and conditions, if any, contained on the attached Schedule "D".

7. EVENTS OF DEFAULT

The following constitute Default:

- (a) non-payment when due, whether by acceleration or otherwise, of any principal or interest forming part of the Indebtedness;
- (b) failure of the Debtor to perform or observe any obligation, covenant, term, provision or condition contained in this Agreement or any other agreement, security instrument or other document made by the Debtor with or in favor of the Bank or any other person, firm or corporation;
- (c) the death of or declaration of incompetency by a Court of competent jurisdiction with respect to the Debtor, if an individual;
- (d) the Debtor becomes insolvent or makes a voluntary assignment or proposal in bankruptcy or otherwise acknowledges its insolvency, a bankruptcy petition is filed or presented against the Debtor, the making of an authorized assignment for the benefit of the creditors of the Debtor, the appointment of a receiver, receiver-manager, receiver and manager or trustee for the Debtor or any assets of the Debtor, or the institution by or against the Debtor of any other type of insolvency proceeding under the Bankruptcy and Insolvency Act, Companies Creditors Arrangement Act or similar legislation in any jurisdiction;
- (e) any act, matter or thing being done toward, or the commencement of any action or proceeding for, terminating the corporate existence of the Debtor, or if the Debtor is a partnership, the existence of the partnership, whether by way of winding-up, surrender of charter or otherwise;
- (f) any encumbrance or security interest affecting the Collateral becomes enforceable;

- (g) the Debtor ceases or threatens to cease to carry on its business or makes or proposes to make a bulk sale of its assets or any sale of the Collateral other than as expressly permitted herein;
- (h) any execution or other process of any Court becomes enforceable against the Debtor or a distress or analogous process is levied upon the assets of the Debtor or any part thereof (whether or not forming part of the Collateral);
- (i) the Debtor permits any amount which has been admitted as due by it or is not disputed to be due by it and which forms, or is capable of being made, a charge upon the Collateral in priority to, or pari passu with, the charge created by this Agreement to remain unpaid for 30 days after proceedings have been taken to enforce the same;
- (j) the Debtor allows any amount outstanding from it to the Crown pursuant to any federal, provincial or territorial statute to remain unpaid for 30 days or more;
- (k) a corporate dispute occurs within the Debtor, if a corporation, (whether between or among its shareholders, directors, officers, employees or otherwise) which may hamper the business operations of the Debtor or otherwise adversely affect, in the sole opinion of the Bank, the Debtor's business assets or the Collateral;
- (l) any representation or warranty furnished by or on behalf of the Debtor pursuant to or in connection with this Agreement (regardless of the form thereof or whether contained herein or elsewhere), whether as an inducement to the Bank to extend any credit to or to enter into this or any other agreement with the Debtor or otherwise proves to have been false or misleading as of the day made in any material respect or to have omitted any substantial contingent or unliquidated liability or claim against the Debtor;
- (m) there is any material adverse change in any of the facts disclosed to the Bank, in the Debtor's position (financial or otherwise), or in the nature and value of the Collateral; or
- (n) the Bank considers or deems, in its sole opinion, that the Security Interest and the Collateral are not sufficient security in relation to the extent of the Indebtedness.

For the purposes of Section 198.1 of the Land Title Act (British Columbia), the floating charge created by this Security Agreement over Real Property shall become a fixed charge thereon upon the earlier of:

- (a) the occurrence of an event described in clause 7(d), (e), (f), (g), or (h); or
- (b) the Bank taking any action pursuant to clause 9 to enforce and realize on the Security Interests created by this Security Agreement.

8. ACCELERATION/DEFAULT

- (a) In the event of Default the Bank, in its sole discretion, may declare all or any part of the Indebtedness which is not by its terms payable on demand to be immediately due and payable, without demand or notice of any kind. The provisions of this clause shall not in any way affect any rights of the Bank with respect to any Indebtedness which may now or hereafter be payable on demand.
- (b) In the event of early payout, in whole or in part, the Debtor shall pay the Bank a prepayment charge equal to the greater of three months interest on the amount of the prepayment calculated at the rate of interest payable on the loan or the Bank's unwinding costs consisting of the interest rate differential calculated by the Bank based on the difference between the interest rate on the loan being prepaid and the bid side yield on Government of Canada securities for a comparable term. Notwithstanding the foregoing, the terms of any early payout provisions and prepayment charges agreed upon in a commitment letter signed by the Debtor and the Bank shall take precedence over the early payout and prepayment charges provided for in this subsection.

9. REMEDIES

Upon Default the Bank shall have the following rights and powers, which the Bank may exercise immediately:

- (a) to enter upon the premises of the Debtor or any other premises where the Collateral may be situated and to take possession of all or any part of the Collateral, by any method permitted by law, to the exclusion of all others, including the Debtor, its directors, officers, agents and employees, and the Debtor hereby waives and releases the Bank and any Receiver from all claims in connection therewith or arising therefrom;
- (b) to remove all or any part of the Collateral to such place as the Bank deems advisable;
- (c) to preserve and maintain the Collateral and to do all such acts incidental thereto as the Bank considers advisable, including but not limited to making replacements and additions to the Collateral;
- (d) to collect, demand, sue on, enforce, recover and receive Collateral and give receipts and discharges therefor, and may do any such act and take any proceedings related thereto in the name of the Debtor or otherwise as the Bank considers appropriate;
- (e) to sell, lease, or otherwise dispose of the Collateral in such manner, at such time or times and place or places, for such consideration and upon such terms and conditions as the Bank deems reasonable (including without limitation, by deferred payment) all in the Bank's absolute discretion and without the concurrence of the Debtor; provided however, that the Bank shall not be required to do so and it shall be lawful for the Bank to use and possess the Collateral for any and all purposes and in any manner the Bank sees fit, all without hindrance or interruption by the Debtor or any other person or persons, provided however that none of the foregoing shall prejudice the Bank's right to pursue the Debtor for recovery in full of the amount of the Indebtedness, including the amount of any deficiency owing after the application of the proceeds of realization (and to the extent permitted by laws, the Debtor waives its rights to the protection afforded by any rule of law or legislation respecting such deficiency);
- (f) to appoint by instrument in writing, with or without bond, or by application to any Court of competent jurisdiction, a Receiver of the Collateral and to remove any Receiver so appointed and appoint another or others in his stead. Any such Receiver shall, so far as concerns responsibility for his acts, be deemed the agent of the Debtor and not of the Bank and the Bank shall not be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver, his agents, servants or employees. Subject to the provisions of the instrument appointing him, any such Receiver shall have the power to take possession of the Collateral, to preserve the Collateral or its value, to carry on or concur in carrying on all or any part of the business of the Debtor and to sell, lease or otherwise dispose of or concur in selling, leasing or otherwise disposing of the Collateral (including disposition by way of deferred payment). To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others including the Debtor, enter upon, use and occupy all premises owned or occupied by the Debtor where Collateral may be situate, to employ and discharge such employees, agents or professional advisors as the Receiver deems advisable, to enter into such compromises, arrangements or settlements as the Receiver deems advisable, to borrow or otherwise raise money on the security of the Collateral and to issue Receiver's certificates and do all such other acts as the Receiver deems advisable in connection with any of the powers referred to herein. Except as may be otherwise directed by the Bank, all monies received from time to time by the Receiver in carrying out his appointment shall be received in trust for and paid over to the Bank. In addition, every Receiver may, in the discretion of the Bank, be vested with all or any of the rights and powers of the Bank under the Act or any other applicable legislation or under this Agreement or any other agreement;

- (g) to rescind or vary any contract for sale, lease or other disposition that the Debtor or the Bank may have entered into and to resell, release or redispense of the Collateral;
- (h) to deliver to any purchasers of the Collateral good and sufficient conveyances or deeds for the same free and clear of any claim by the Debtor. For such purposes, the purchaser or lessee receiving any disposition of the Collateral need not inquire whether Default under this Agreement has actually occurred but may as to this and all other matters rely upon a statutory declaration of an officer of the Bank, which declaration shall be conclusive evidence as between the Debtor and such purchaser or lessee, and any such disposition shall not be affected by any irregularity of any nature or kind relating to the enforcement of this Agreement or the exercise of the rights and remedies of the Bank;
- (i) to exercise any of the powers and rights given to a Receiver pursuant to this Agreement;
- (j) to provide written notice to the Debtor that all the powers, functions, rights and privileges of the directors and officers of the Debtor with respect to the Collateral, business and undertaking of the Debtor have or shall cease as of the date notified therein, except to the extent specifically continued at any time by the Bank in writing; and
- (k) to take the benefit of or to exercise any other right, proceeding or remedy authorized or permitted at law or in equity, whether as a secured party pursuant to the Act as the same is in force from time to time or otherwise.

All rights and remedies of the Bank are cumulative and may be exercised at any time and from time to time independently or in combination. No delay or omission by the Bank in exercising any right or remedy shall operate as a waiver thereof or of any other right or remedy, and no singular partial exercise thereof shall preclude any other or further exercise thereof or the exercise of any other right or remedy. Provided always that the Bank shall not be liable or accountable for any failure to exercise its remedies, take possession of, collect, enforce, realize, sell, maintain, lease or otherwise dispose of the Collateral, or to institute any proceedings for such purposes. The Bank shall have no obligation to take any steps to preserve rights against other parties, shall have no obligation to exercise any of the rights and remedies available to it on Default and shall not be liable or accountable for not exercising any such rights and remedies.

The Bank may waive any Default but no such waiver shall be effective unless made in writing and signed by an authorized officer of the Bank. Any such waiver shall not extend to, or be taken in any manner whatsoever to affect, any subsequent Default or the rights resulting therefrom.

By its acceptance of this Agreement, the Bank acknowledges that it shall not, except in the case of the bankruptcy of the Debtor, enforce this Security Agreement against any personal property of the Debtor used solely for the personal or household use and enjoyment of the Debtor or the Debtor's immediate family.

10. BANK MAY REMEDY DEFAULT

The Bank shall have the right, but shall not be obliged to, remedy any default of the Debtor and all sums thereby expended by the Bank shall be payable immediately by the Debtor, together with interest thereon at the highest rate of interest then chargeable by the Bank to the Debtor on any portion of the Indebtedness. All such sums shall be added to the Indebtedness and shall be secured by this Agreement. In no case shall the exercise of the Bank's rights pursuant to this Section 10 be deemed to relieve the Debtor from such Default or be deemed a waiver of such Default or of any other prior or subsequent Default.

11. USE OF COLLATERAL

Subject to compliance with the Debtor's covenants contained herein and to the following provisions of this Section 11, until Default the Debtor may:

- (a) in the case of Equipment, dispose of the same for the purpose of immediately replacing it by other Equipment of a similar nature or of a more useful or convenient character and of at least equal value;
- (b) in the case of Inventory and Money, dispose of the same in the ordinary course of the business of the Debtor and for the sole purpose of carrying on the same; and
- (c) otherwise possess, collect, use, enjoy and deal with the Collateral in the ordinary course of the Debtor's business in any manner not expressly or impliedly prohibited herein or otherwise inconsistent with the provisions of this Agreement.

Notwithstanding the foregoing:

- (a) before or after Default the Bank may notify all or any Account Debtors and may direct such Account Debtors to make all payments owed in respect of the Collateral directly to the Bank; and
- (b) the Debtor agrees that any payments on or other Proceeds of Collateral received by the Debtor, whether before or after Default, shall be received and held by the Debtor in trust for the Bank and shall be turned over to the Bank upon request.

If the Collateral at any time includes Securities, the Debtor authorizes the Bank to transfer the same or any part thereof into its own name or that of its nominees so that the Bank or its nominees may appear on record as the sole owner thereof; provided however that until Default the Bank shall deliver to the Debtor all notices or other communications received by it or its nominees as registered owner and upon demand and receipt of payment of any necessary expenses shall issue to the Debtor or its order a proxy to vote and take all action with respect to such Securities. However, after Default the Debtor waives all rights to receive any notices or communications in respect of such Securities and agrees that no proxy issued by the Bank to the Debtor or its order as aforesaid shall thereafter be effective.

12. APPROPRIATION OF PAYMENTS

All payments made at any time in respect of the Indebtedness and all Proceeds realized from any Securities held therefor may be applied (and reapplied from time to time notwithstanding any previous application) in such manner as the Bank sees fit or, at the option of the Bank, may be held unappropriated in a collateral account or released to the Debtor all without prejudice to the rights of the Bank hereunder, including the Bank's right to collect from the Debtor the amount of any deficiency remaining after application of all such payments and Proceeds.

13. POWER OF ATTORNEY AND AUTHORIZATION TO FILE

The Debtor hereby authorizes the Bank to file such Financing Statements and other documents and do such acts, matters and things (including completing and adding schedules to this Agreement indentifying Collateral or location) as the Bank from time to time deems appropriate to perfect, continue and realize upon the Security Interest and to protect and preserve the Collateral. In addition, for valuable consideration, the Debtor hereby irrevocably appoints the Bank and its officers from time to time, or any one or more of them, to be the true and lawful attorney of the Debtor, with full power of substitution, in the name of and on behalf of the Debtor to execute and to do all deeds, transfers, conveyances, assignments, assurances, and other things which the Debtor ought to execute and do under the covenants and provisions contained in this Agreement and generally to use the name of the Debtor in the exercise of all or any of the rights, remedies and powers of the Bank.

14. MISCELLANEOUS

- (a) The Bank may grant extensions of time and other indulgences, take and give up security, accept compositions, compound, comprise, settle, grant releases and discharges and otherwise deal with the Debtor, debtors of the Debtor, sureties and others and with the Collateral and other securities as the Bank sees fit, all without prejudice to the liability of the Debtor to the Bank or to the Bank's rights in respect thereof. In addition, the Bank may demand, collect, and sue on the Collateral in either the Debtor's or the Bank's name, all at the Bank's option, and may endorse the Debtor's name on any and all cheques, commercial paper and other Instruments pertaining to or constituting the Collateral.
- (b) Neither the execution or registration of this Agreement, nor the advance or readvance of part of the monies hereby intended to be secured, shall bind the Bank to advance or readvance the said monies or any unadvanced part thereof. The advance or readvance of the said monies or any part thereof from time to time shall be in the sole discretion of the Bank.
- (c) The Debtor hereby waives protest of any Instrument constituting Collateral at any time held by the Bank on which the Debtor is in any way liable and, except as expressly prohibited by law, waives notice of any other action taken by the Bank.
- (d) Without limiting any other right of the Bank, whenever the Indebtedness is due and payable or the Bank has the right to declare it to be due and payable (whether or not it has been so declared), the Bank may, in its sole discretion, set off against the Indebtedness any and all monies then owed to the Debtor by the Bank in any capacity, whether or not due, and the Bank shall be deemed to have exercised such right to set-off immediately at the time of making its decision to do so even though any charge therefor is made or entered on the Bank's records subsequent thereto.
- (e) In any action brought by an assignee of this Agreement and the Security Interest or any part thereof to enforce any rights hereunder, the Debtor shall not assert against such assignee any claim or defence which the Debtor now has or may hereafter have against the Bank.

15. NOTICE

In addition to the notice provisions contained in the Act, whenever the Debtor or the Bank is required or entitled to notify or direct the other or to make a demand or request upon the other, such notice, direction, demand or request shall be in writing and shall be sufficiently given only if delivered, transmitted by facsimile, or sent by prepaid registered mail addressed to the party for whom it is intended at the Branch Address, in the case of the bank, and at the Debtor Address, in the case of the Debtor, as set out herein or as changed pursuant hereto. Either party may notify the other of any change in such party's address to be used for the purposes hereof. All such communications shall, in the case of delivery or facsimile, be deemed received on the date of delivery and, if mailed as aforesaid, shall be deemed received on the third business day following the date of posting. In the case of a disruption in postal service all such communications shall be delivered or transmitted by facsimile.

16. INTERPRETATION

- (a) This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.

- (b) This Agreement and the security afforded by it is in addition to and not in substitution for any other security now or hereafter held by the Bank and is intended to be a continuing security agreement and shall remain in full force and effect until released in writing by the Bank. The Bank shall have no obligation to provide such release unless and until the full amount of the Indebtedness has been paid in full.
- (c) If any provision of this Agreement is held invalid, in whole or in part, by any Court of competent jurisdiction, the remaining terms and provisions of this Agreement shall remain in full force and effect and this Agreement shall be enforced to the fullest extent permitted by law.
- (d) The Debtor hereby waives the benefit of all statutory, common law and equitable rights, benefits and provisions which in any way limit or restrict the Bank's rights and remedies, to the extent that such waiver is not expressly prohibited by law. The Debtor acknowledges and agrees that the Bank shall have the right to recover the full amount of the indebtedness by all lawful means, including the right to seek recovery of any deficiency remaining after the sale of the Collateral, including any sale thereof to the Bank.
- (e) The headings of the sections of this Agreement are inserted for convenience of reference only and shall not affect or limit the construction or interpretation of this Agreement.
- (f) All schedules, whether attached hereto on the date hereof or subsequently attached pursuant to the provisions of this Agreement, form part of this Agreement. With the exception of any schedules which may be added hereafter by the Bank without the concurrence of the Debtor pursuant to the provisions of this Agreement, no modification, variation or amendment of this Agreement shall be made except by a written agreement executed by the Debtor and the Bank.
- (g) When the context so requires, words importing the singular number shall be read to include the plural and vice versa, and words importing gender shall be read with all grammatical changes necessary to reflect the identity of the parties.
- (h) This Agreement shall enure to the benefit of the Bank, its successors and assigns and shall be binding upon the Debtor, its personal representatives, administrators, successors and permitted assigns.
- (i) Time shall be in all respects of the essence of this Agreement.

17. RECEIPT OF DOCUMENTS

- (a) The Debtor hereby acknowledges receiving a copy of this Agreement.
- (b) The Debtor hereby waives its right to receive a copy of any Financing Statement, Financing Change Statement or verification statement which may be filed by or issued to the Bank pursuant to the Act.

IN WITNESS WHEREOF the Debtor has executed this Agreement as of the date first stated above, by his/her hand or by authorized signing officers if the debtor is not an individual.
