1.0 Background

On June 28, 2005, pursuant to an application made by the Manitoba Securities Commission ("MSC") under Section 27 of *The Securities Act*, the Court of Queen's Bench of Manitoba (the "Court") made an Order (the "Receiving Order") appointing Deloitte Restructuring Inc. (formerly Deloitte & Touche Inc., hereafter referred to as "Deloitte" or the "Receiver") as Receiver and Manager of the Crocus Investment Fund ("Crocus" or the "Fund"). The Receiving Order appointed Deloitte as Receiver over all of Crocus' current and future assets, undertakings and properties and granted the Receiver powers to carry out its duties as outlined in the Receiving Order.

The purpose of this report (the "**Report**") is to report on the activities of the Receiver as well as to provide an update on the financial position of the Fund. The Report will cover the Receiver's operations and activities since the March 31, 2022 Quarterly Report.

The financial information herein has not been audited and therefore the Receiver does not express any opinion on (a) the financial statements as of any date or for any period or (b) any financial data or other information referred to in this Report. The reader is cautioned that this Report may not disclose all matters and details about the ongoing Receivership proceedings. The Receiver assumes no responsibility or liability for any loss or damage occasioned by any party as a result of the circulation, publication, reproduction or use of this Report. Any use which any party makes of this Report, or any reliance or decision to be made based on this Report, is the sole responsibility of such party.

2.0 Activities of the Receiver

The following summarizes the activities of the Receiver since March 31, 2022:

- Preparing the March 31, 2022 and June 30, 2022 Quarterly Reports;
- Administering the Distributions (as defined below) as outlined in the Court Orders of September 4, 2009, December 12, 2011, October 14, 2014, and January 17, 2022;
- Corresponding with numerous shareholders, brokers, dealers, and intermediaries regarding the Distributions and status of the Fund;
- Supervising and directing agents retained by the Receiver; and
- Corresponding with the bare trustee for the Fund.

3.0 Operations

The ongoing activities related to Crocus consist of financial reporting, administration of the Distributions, shareholder services, and tax reporting. The Receiver no longer employs any former employees of Crocus but has sub-contracted certain information technology and back office services.

4.0 Financial position

Financial information for Crocus has been prepared by the Receiver for the third fiscal quarter ended June 30, 2022, and is attached as Appendix 1.

The primary assets in the Fund include the following:

- Approximately \$0.3 million in respect of the residual Receiver's Holdback (as defined in Receiver's Report No. 19 dated January 6, 2022);
- Approximately \$0.8 million on account of undistributed funds in respect of the Final Distribution (as defined below), inclusive of unremitted withholding taxes; and
- Approximately \$1.8 million on account of undistributed funds in respect of the First, Second, and Third Distributions (all as defined below).

5.0 Portfolio

As at June 28, 2005, there were 46 individual investee companies in the Crocus portfolio with a gross carrying value of approximately \$64.1 million. Cumulatively to March 31, 2022, all investments within the Crocus portfolio were realized upon.

Since its appointment, the Receiver has realized proceeds of approximately \$65.8 million for investments with a June 28, 2005 book value of approximately \$64.9 million, representing a recovery of approximately 101%. Crocus' carrying value for these investments, when it ceased trading in December 2004, was approximately \$101.2 million, which would represent a recovery of approximately 65%. In addition, since its appointment, the Receiver has eliminated exposure on approximately \$2.3 million in guarantees that had been reserved by Crocus.

6.0 Share value

Subsequent to the Final Distribution, the net asset value of the Class A and Class I shares as at June 30, 2022 was Nil, as detailed in Appendix 1.

7.0 Distributions

The Court has approved four (4) distributions in the receivership proceedings (collectively, the "**Distributions**"), as follows:

7.1 First interim distribution

On September 4, 2009, the Court issued an Order authorizing a rateable interim distribution of approximately \$54.7 million to the Class A and Class I shareholders (the "**First Distribution**"). Concurrent with the First Distribution, the Receiver also began distributing the net proceeds of the Class Actions settlements in the amount of approximately \$6.8 million. Class A and Class I shareholders received \$3.83 per share from the approved distribution plus their portion of the Class Actions settlements.

As at June 30, 2022, the Receiver had paid out approximately \$53.8 million, or approximately 98%, of the First Distribution, and approximately \$6.7 million of the Class Actions settlements. There remains approximately \$1.0 million in unclaimed distributions.

7.2 Second interim distribution

On December 12, 2011, the Court issued an Order authorizing a second interim distribution of approximately \$9.0 million to the Class A and Class I shareholders (the "**Second Distribution**").

Mailings for the Second Distribution took place in January 2012. As at June 30, 2022, the Receiver had paid out approximately \$8.7 million, or 97%, of the Second Distribution, and there remains approximately \$0.3 million in unclaimed distributions.

7.3 Third interim distribution

On October 14, 2014, the Court issued an Order authorizing a third interim distribution of \$0.60 per share to the Class A and Class I shareholders, or approximately \$8.6 million (the "**Third Distribution**"). Concurrent with the Third Distribution, the Receiver also distributed the remaining Class Actions settlements proceeds of approximately \$0.7 million.

Mailings for the Third Distribution took place in October and November 2014. As at June 30, 2022, the Receiver had paid out approximately \$8.1 million, or 94%, of the Third Distribution and approximately \$0.6 million of the remaining Class Actions settlements. There remains approximately \$0.5 million in unclaimed distributions.

7.4 Fourth and final distribution

On January 17, 2022, the Court issued an Order authorizing a final distribution of approximately \$5.2 million to the Class A and Class I shareholders (the "**Final Distribution**").

Mailings for the Final Distribution took place in March 2022. As at June 30, 2022, the Receiver had paid out approximately \$4.5 million, or 87%, of the Final Distribution, and there remains approximately \$0.8 million in unclaimed distributions.

7.5 Unclaimed Distributions

As at the date of this Report, approximately \$2.6 million remains unclaimed by shareholders from the Distributions, as summarized in the table below:

Unclaimed Distributions

Distribution	# of shareholders	Amount		n \$ per any areholder	mum \$ per any e shareholder
First Distribution	1,193	\$ 1,023,385	\$	5.57	\$ 13,995.19
Second Distribution	2,219	337,326		0.78	2,061.67
Third Distribution	2,894	506,827		5.10	2,109.98
Fourth (Final) Distribution	6,072	773,320	_	2.91	1,484.62
Total	12,378	\$ 2,640,858	_		

The January 17, 2022 Order approved the Receiver's recommendation that the Distributions remain "open" for shareholders to claim their entitlement to their respective pro-rata distributions for a period of six (6) months from the date of the Objection Deadline (i.e. February 25, 2022, as defined in the March 31, 2022 Quarterly Report), or September 30, 2022, which ever is later (the "**Distribution Period**").

At the expiration of the Distribution Period, and upon the winding up of Crocus, the Receiver will pay all remaining unclaimed funds (the "**Unclaimed Funds**") to the Minister of Finance, subject to the right of any unpaid shareholders to make a claim to the Minister of Finance to recover amounts to which they are entitled. The Receiver will no longer maintain any active shareholder registry at the expiration of the Distribution Period, and will provide the Minister of Finance with a comprehensive list of shareholders with their respective entitlements to the Unclaimed Funds.

Once the Unclaimed Funds are paid to the Minister of Finance, the Receiver will finalize any residual administration matters (i.e. tax filings, final dissolution of Crocus, etc.) and will then file the Receiver's Discharge Certificate with the Court.

8.0 Shareholder communication

The Receiver has continued to post Court Orders, Receiver's Reports, Quarterly Reports, media statements and shareholder letters on its website at www.deloitte.com/ca/crocusfund.

9.0 General

A Statement of Receipts and Disbursements for the period from June 28, 2005 to June 30, 2022 is attached as Appendix 2.

The Receiver will continue to keep the Court apprised of the status of the Distributions with the next Quarterly Report to be filed in mid-October 2022.

Respectfully submitted this 20th day of July, 2022.

DELOITTE RESTRUCTURING INC., in its capacity as Receiver and Manager of Crocus Investment Fund and not in its personal capacity.
