APPLICATION

1. The Applicant, Daimler Truck Financial Services Canada Corporation makes application for:

   (a) an order appointing Deloitte Restructuring Inc. ("**Deloitte**") as receiver (in such capacity, the "**Receiver**"), without security, over certain property of 2734247 Ontario Limited ("**273 Ontario**") and 1295503 Ontario Inc. ("**129 Ontario**", and together with 273 Ontario, the "**Debtors**") which consists of sixty-two (62) commercial motor vehicles (the "**Outstanding Vehicles**") pursuant to section 243(1) of the *Bankruptcy and Insolvency Act,* R.S.C. 1985, c. B-3 as amended (the "**BIA**") and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c C.43, as amended (the "**CJA**");

   (b) judgment against the Debtors, and each of North Wolf Construction Inc., Eagle Motor Group Ltd. and Balbir Opal (collectively, the "**Guarantors**") in respect of their indebtedness to Daimler, including interest and costs, in accordance with the Lease Agreements and Guarantees (each as defined below);

   (c) costs in accordance with the terms of the Lease Agreements and/or the Guarantees, or in the alternative in accordance with the CJA; and

   (d) such further and other relief as counsel may advise and this Honourable Court may deem just.

THE GROUNDS FOR THE APPLICATION ARE:

Overview

2. The Debtors leased seventy-five (75) commercial trucks and trailers (collectively, the "**Vehicles**"), pursuant to nine (9) separate but substantively identical lease agreements entered into by 273 Ontario or 129 Ontario, as lessee, and Daimler, as lessor, between January 2, 2020 and December 1, 2022 (collectively, the "**Lease Agreements**"). The Vehicles are comprised of fifty-seven (57) tractors and eighteen (18) trailers, plus six (6) trailer refrigeration attachments.

3. Beginning in July, 2025, each of the Debtors began to consistently and repeatedly fail to make the regular monthly lease payments owed to Daimler under the Lease Agreements.

4. Between November 18, 2025 and June 10, 2026, Daimler issued demands to the Debtors and the Guarantors and served Notices of Intention to Enforce Security (the "**BIA Notices**") in accordance with section 244 of the BIA.

5. Following the issuance of the BIA Notices and the expiry of the 10-day period prescribed by section 244 of the BIA, bailiffs retained by Daimler were able to successfully locate and took possession of six (6) Vehicles. The Debtors refused to permit the bailiff to repossess additional Vehicles.

6. The Debtors remain in default of their obligations under the Lease Agreements. Daimler has made repeated requests of the Debtors to repay the amounts owing to Daimler under the Lease Agreements and to deliver up the Outstanding Vehicles to Daimler. However, the Outstanding Vehicles have not been provided to Daimler.

7. Daimler is seeking the appointment of a limited scope receiver to, among other things, take possession of the Outstanding Vehicles and sell them at auction.

The Parties

8. The Debtors were each incorporated under the Ontario *Business Corporations Act* (OBCA), and their registered head offices are located at 5685 Sidmouth St., Mississauga, Ontario, L5V 2H1.

9. The Debtors' corporate profile reports show that Balbir Singh Oppal/Opal is the sole officer and director for both of the Debtors.

10. North Wolf Construction Inc. was incorporated under the OBCA, and its registered head office is located at 4 Golfview Rd, Guelph, Ontario, N1E 1A4.

11. Eagle Motor Group Ltd. was incorporated under the Alberta *Business Corporations Act*, its registered head office is located at 50 16749 60 St Nw, Edmonton, Alberta, and it is extra-provincially registered in Ontario.

Lease Agreements

12. As noted above, the Debtors entered into the Lease Agreements with Daimler between January 2, 2020 and December 1, 2022 with respect to the lease of the Vehicles. The Lease Agreements require the Debtors to make monthly lease payments and provide that ownership and title to the Vehicles shall remain with Daimler at all times.

13. Daimler registered against the Vehicles (including the Outstanding Vehicles) under the *Personal Property Security Act* (Ontario).

Guarantees

14. Pursuant to guarantees (the "**Guarantees**"), executed and delivered to Daimler:

    (a) the indebtedness of the Debtors to Daimler are cross-guaranteed, with each Debtor guaranteeing the obligations of the other; and

    (b) the indebtedness of the Debtors to Daimler is guaranteed by each of the Guarantors.

Defaults

15. Four (4) of the Lease Agreements have matured and the total payout balance is immediately due and owing. The Debtors are in arrears under the remaining Lease Agreements for failing to make the required monthly lease payments when due, which defaults are continuing.

16. In addition to the payment defaults, the Debtors have permitted liens to be registered against numerous Vehicles pursuant to the *Repair and Storage Liens Act* (Ontario), a repairers lien to be registered against one Vehicle in British Columbia and registrations in Alberta in favour of a secured party against six (6) of the Vehicles.

17. One of the Vehicles, VIN 5KJJBHDR2NLMU9775 ("**Truck 9775**"), was recently repossessed by Daimler's bailiff in British Columbia. Daimler subsequently learned that the Truck 9775 had apparently been purchased by a third party at auction on the basis of a Garage Keepers' Lien under Alberta legislation. The "Debtor" identified in the lien was "Night Runner Transportation System Inc." and Daimler has no knowledge as to how this party came to assert an interest in Truck 9775 and had no knowledge of the sale.

18. Pursuant to a consent Order of the Alberta Court, dated June 9, 2026, Truck 9775 was released to the possession of the third party purchaser without prejudice to Daimler's interest therein.

19. Daimler is aware of three (3) receivership applications commenced against certain of the Respondents, however to best of its knowledge no receiver has been appointed.

Demands and BIA Notices

20. Upon the occurrence of any event of default, pursuant to the terms of the Lease Agreements, Daimler is entitled to, among other things, declare the total monthly lease payments immediately due and payable.

21. As of June 8, 2026, the total payout balance on the Lease Agreements is $3,561,951.01, excluding costs, fees and expenses.

22. From November 18, 2025 to June 10, 2026, Daimler issued a series of demands to the Debtors and the Guarantors under the various Lease Agreements. In accordance with section 244 of the BIA, Daimler also issued the BIA Notices in respect of the Vehicles.

23. In each of the Demands, Daimler advised that if payment was not made within 10 days from the issuance of each Demand, Daimler would institute measures to repossess the Vehicles and commence legal proceedings against the Debtors.

Necessity for a Receiver

24. Despite the Demands, the Debtors have failed to cure their arrears or repay their obligations owing to Daimler under the Lease Agreements. Furthermore, the Debtors have refused to

surrender the Outstanding Vehicles and have obstructed and frustrated Daimler's lawful attempts at recovery of the Outstanding Vehicles.

25. Representatives of the Debtors threatened Daimler's bailiffs and refused to permit them to take possession of the Outstanding Vehicles. The bailiffs found evidence that the Debtors are concealing equipment by removing VIN plates and license plates from the Vehicles.

26. Truck 9775 was found in the possession of a third party and a representative of the Debtor denied any knowledge of the sale of the Vehicle.

27. Daimler is concerned that the Debtors and possibly others may have commenced dismantling the Outstanding Vehicles to sell them for parts, thus eroding the value of Daimler's security and prejudicing Daimler even further.

28. If appointed, the Receiver will take possession of the Outstanding Vehicles thereby preserving what value is left in those assets in a transparent process that will maximize value for and ensure fair treatment of all stakeholders. The Receiver will not at this time take possession of Truck 9775.

Relief Sought

29. Daimler seeks a limited scope receivership order appointing Deloitte as Receiver over the Outstanding Vehicles in order to preserve and protect the property and realize on same.

30. Daimler seeks authority for the Receiver to sell the Outstanding Vehicles at public auction, in order to expedite the Receiver's realization efforts and reduce costs of further Court appearances.

31. It is appropriate to grant Daimler judgment against the Debtors and Guarantors in the amount of the indebtedness owing, together with interest and costs, as there are no material facts in dispute. Daimler is prepared to adjourn the request for judgment against the Debtors and the Guarantors *sine die* returnable on 10 days' notice.

32. Deloitte has consented to act as Receiver.

33. It is just and convenient that the Receiver be appointed over the Outstanding Vehicles.

Other Grounds

34. Daimler further relies upon the following grounds:

(a) section 243 of the BIA, and the BIA generally;

(b) section 101 of the CJA, and the CJA generally;

(c) rules 1.04, 1.05, 2.01, 2.03, 3.02, 14.05(3)(g), 16, 17.02 (a) and (f), 38, 40.01 and 45.01 of the *Rules of Civil Procedure*; and

(d) such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE WILL BE USED AT THE HEARING OF THE APPLICATION

(a) The affidavit of Ali Daamsa, to be sworn;

(b) The affidavit of Don McWilliams, to be sworn;

(c) The consent of Deloitte to act as Receiver, dated June 12, 2026; and

(d) Such other material as counsel may advise and this Honourable Court may permit.

OVERVIEW

2. This Affidavit is sworn in support of Daimler's application for:

   (a) a limited scope receivership order appointing Deloitte Restructuring Inc. ("**Deloitte**") as the receiver (the "**Proposed Receiver**") over certain property of 2734247 Ontario Limited ("**273 Ontario**") and 1295503 Ontario Inc. ("**129 Ontario**", and together with 273 Ontario, the "**Debtors**") which consists of sixty-two (62) commercial motor vehicles (the "**Outstanding Vehicles**"), described further below; and

   (b) judgment against the Debtors in respect of their indebtedness to Daimler, and against the Debtors, North Wolf Construction Inc., Eagle Motor Group Ltd. and Balbir Opal (collectively, the "**Guarantors**") in respect of their guarantees of the Debtors' indebtedness to Daimler.

3. The Debtors leased seventy-five (75) commercial trucks and trailers (collectively, the "**Vehicles**"), pursuant to nine (9) separate but substantively identical lease agreements entered into by 273 Ontario or 129 Ontario, as lessee, and Daimler as lessor, between January 2, 2020 and December 1, 2022 (collectively, the "**Lease Agreements**"). The Vehicles are comprised of fifty-seven (57) tractors and eighteen (18) trailers, plus six (6) trailer refrigeration attachments.

4. Beginning in July, 2025, each of the Debtors consistently and repeatedly failed to make the regular monthly lease payments owed to Daimler under the Lease Agreements.

6. Following the issuance of the BIA Notices and the expiry of the 10-day period prescribed by section 244 of the BIA, bailiffs retained by Daimler were able to successfully seize seven (7) Vehicles. As described below, one (1) seized Vehicle was returned to a third party and Don McWilliams, a bailiff retained by Daimler, has advised that the Debtors refused to permit the bailiff to repossess additional Vehicles.

7. The Debtors remain in default of their obligations under the Lease Agreements. Daimler has made repeated requests of the Debtors to repay the amounts owing to Daimler under the Lease Agreements and to deliver up the Outstanding Vehicles to Daimler. However, the Outstanding Vehicles have not been provided to Daimler.

17. Pursuant to section 16 of the Lease Agreements, if the lessee does not purchase the Vehicles, the lessee shall, at the lessee's expense, assemble and return the Vehicles leased thereunder, unencumbered, at Daimler’s place of business, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear

31. Daimler is aware of three separate receivership applications commenced in respect of certain of the Respondents:

(a) *Royal Bank of Canada v. 1295503 Ontario Inc. o/a Bopal Transport*, Court File No. CV-25-00753570-00CL;

(b) *National Bank of Canada and Canada Western Bank Leasing Inc. v. 2751227 Ontario Limited, et al*., Court File No. CV-25-00745288-00CL; and

(c) *The Bank of Nova Scotia and Roynat Inc. v. Eagle Motor Group Ltd., et al*., Court File No. CV-25-00749316-00CL.

32. Copies of the Notices of Application for each of the above-referenced proceedings are attached hereto as **Exhibit "L"**. Copies of the Court's Endorsements in respect of these matters, dated February 11, February 19 and March 13, 2026, are attached hereto as **Exhibit "M"**.

34. As part of its repossession efforts, on or about February 2, 2026, one of Daimler's bailiffs seized VIN 5KJJBHDR2NLMU9775 ("**Truck 9775**") in British Columbia. Subsequently, Daimler was advised that Truck 9775 had apparently been purchased by an individual, Gurjeet Singh from auction on or about December 1, 2025 on the basis of a Garage Keepers' Lien under Alberta legislation. The "Debtor" identified in the lien was "Night Runner Transportation System Inc." Daimler has no knowledge of how this party came to

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

have or assert an interest in Truck 9775. Daimler received no notice of the auction. Daimler made its registration against Truck 9775 by serial number and listed 273 Ontario as debtor in the Alberta and British Columbia personal property registries in January, 2026.

35. After seizure of Truck 9775, Canada Line Hauls Ltd. ("**Canada Line**"), a company associated with Gurjeet Singh, that claims to be the owner of Truck 9775, requested the release of the vehicle and set down an originating application seeking its release. A copy of the originating application is attached hereto as **Exhibit "O"**.

36. On the consent of Daimler, Canada Line took out a consent Order providing, among other things, for the release of Truck 9775 to Canada Line, without prejudice to Daimler' rights in the Vehicle. A copy of the consent Order is attached hereto as **Exhibit "P".**

37. In the event that the Proposed Receiver is appointed, it will not take possession of Truck 9775 pending the resolution of the Canada Lines application and the priorities of the parties' respective claim to Truck 9775.

ISSUANCE OF DEFAULT AND DEMAND LETTERS

38. From November 18, 2025 to June 10, 2026, Daimler issued a series of demands (the "**Demands**") to the Debtors and Guarantors for the amounts owing under the various Lease Agreements and the Guarantees.

39. In accordance with section 244 of the BIA, Daimler also issued the BIA Notices in respect of the Vehicles as set out below:

Agreement Number	Date(s) of BIA Notices
5001444087	November 18, 2025

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

Agreement Number	Date(s) of BIA Notices
5001526611	November 18, 2025
5001890989	November 19, 2025
5001902999	November 24, 2025
5001965595	January 14, 2026
5002116664	January 14, 2026
5001881383	April 24, 2026
5001912793	February 6, 2026
5002109437	April 22, 2026

Attached hereto as **Exhibit "Q"** and **Exhibit "R"** are copies of the Demands and BIA Notices issued by Daimler.

40. In each of the Demands, Daimler advised that if payment was not made, Daimler would institute measures to repossess the Vehicles and commence legal proceedings against the Debtors.

41. Attached hereto as **Exhibit "S"** are copies of emails, dated February 6, 2026 to April 28, 2026, between myself and Navjyot Dhillon, the Debtors' primary contact for financial and operational matters. By email, dated February 13, 2026, Navjyot Dhillon advised that the Debtors would be making payment of $100,000 that day and would try to make $50,000 payments every Friday. Due to the serious delinquent status of the accounts, as set out in my email, dated February 17, 2026, Daimler was not agreeable to repayment terms and required the Debtors to bring their accounts up to date in-full. In any event, such payments were not made by the Debtors.

42. The last lease payments received from each the Debtors was as follows:

(a) 273 Ontario – payment totaling $6,389.44 paid on March 1, 2026, which is the monthly lease payment for 5001965595; and

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

(b) 129 Ontario – payment totaling $20,200.90 paid on March 22, 2026, which is the monthly payment for 5001881383.

43. No further payments have been received from either of the Debtors and the amounts paid were insufficient to cure the arrears owing.

44. Despite the Demands, the Debtors have failed to cure their arrears or repay their obligations owing to Daimler under the Lease Agreements. Furthermore, as detailed below, the Debtors have refused to surrender the Outstanding Vehicles and have engaged in conduct that has had the effect of obstructing and frustrating Daimler's lawful attempts at recovery of the Outstanding Vehicles.

OUTSTANDING VEHICLES

45. Following the issuance of the BIA Notices and the expiry of the 10-day period prescribed by section 244 of the BIA, bailiffs retained by Daimler were able to successfully locate and took possession of seven (7) Vehicles. As described above, Truck 9775, one of the seized Vehicles, was subsequently released to a third party pursuant to a consent order without prejudice to Daimler's claim against the Vehicle.

46. To date, Daimler has registered partial discharges against nine (9) Vehicles as a result of payouts by the Debtors or enforcement efforts.

47. There are currently sixty-two (62) Outstanding Vehicles, which are in the possession of third parties, and over which the Proposed Receiver is sought, as follows:

THE APPOINTMENT OF A RECEIVER IS NECESSARY

48. As of June 8, 2026, the Debtor's indebtedness to Daimler is $3,561,951.01, excluding costs, fees and expenses, and the Debtors have been in default under the Lease Agreements for almost one year.

49. Daimler is concerned that the Debtors and possibly others may have commenced dismantling the Outstanding Vehicles to sell them for parts, thus eroding the value of Daimler's security and further prejudicing Daimler.

50. Attached hereto as **Exhibit "T"** is an email, dated April 24, 2026, from Don McWilliams, one of the bailiffs retained by Daimler: It states that the bailiff:

(a) attended at the Debtors' known places of business and observed several units parked and not being used, including certain Vehicles, and others in various degrees of dissemble;

(b) spoke with Balbir Opal who stated that he would not surrender any units and should anyone attend locations to attempt to seize "bad things will happen to them" and "there will be damage to vehicles";

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

(c) was removed from 6 Cadetta Road, Brampton location by employees of the Debtors with threats;

(d) have not seen any Daimler Vehicles that are currently operable; and

(e) has heard there is a shop where units are being "parted out".

51. Without access to the Debtors' premises, Daimler is not able to confirm the status, condition or location of the Vehicles.

52. Attached hereto as **Exhibit "U"** is an email, dated April 27, 2026, and attached photos, sent by Jennifer Kehler, a recovery agent at Mid-Canada Collections, one of the bailiffs retained by Daimler. The email states that the bailiff located a vehicle with an Eagle Motor Group decal in Winnipeg. Although this unit is not a Daimler Vehicle, Ms. Kehler advised that the VIN displayed on the exterior did not match the VIN sticker or the VIN stamped on the frame rail.

53. Attached hereto as **Exhibit "V"** is an email from Ms. Kehler, dated May 21, 2026, which states that a bailiff attended at 9601 Hwy 50, Brampton. The email is titled "Eagle Motors" and states that this location is "their yard", and the only location where the bailiffs have successfully seized any units. The email further states: "The issue we keep running into is that they remove the VIN plates from the units and, of course, all attached licence plates come back as unattached. They definitely know what they are doing when it comes to concealing equipment."

54. On February 17, 2026, I wrote to Navjyot Dhillon with respect to the seizure of Truck 9775 and the apparent transfer of the Vehicle to a third party at auction. Navjyot Dhillon

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

responded by email the next day advising "The third party is incorrect the unit was never at auction and is Daimler is the rightful owner". Copies of these emails are included in the email exchanges at **Exhibit "S"**.

55. With respect to the seized Vehicles, two (2) of the Vehicles (VIN 3ALXFB007LDMR9131 and VIN 3ALXFB009LDMR9129) were abandoned at a dealership Metro Truck Group.

56. Ritchie Bros. provided reports to Daimler with respect to the condition of five (5) of the seized Vehicles, copies of which are attached hereto as **Exhibit "W"**. Among other things, the reports identified the following issues with the condition of the Vehicles:

(a) VIN 3ALXFB007LDMR9131 – serial number not legible, engine could not be started, no shifter, looks like truck was changed from manual to automatic;

(b) VIN 3ALXFB009LDMR9129 - after jump starting the engine ran. The engine would not re-start after shutting down without jump starting;

(c) VIN: 1FUJHHDR3MLLX1509 – poor overall condition for age;

(d) VIN: 3AKJHHDR5PSUE2116 - Engine Section Check engine light active, needs regen, intake manifold sensor faulty; and

(e) Truck 9775 – fair overall condition for age.

57. As a result of the above-described reporting to Daimler, and the sale of Truck 9775 without Daimler's knowledge, Daimler has serious concerns with respect to the "re-vinning" of Vehicles, the condition of the Vehicles, the potential erosion of the value of its collateral

Docusign Envelope ID: 33C69661-E21F-8DDA-8376-78139A49C785

and the steps being taken by the Debtors to obstruct and frustrate Daimler's efforts to repossess the Vehicles.

58. Once appointed, the Proposed Receiver will take possession of the Outstanding Vehicles thereby preserving what value is left in those assets in a transparent process that will maximize value for and ensure fair treatment of all stakeholders. The Receiver will not at this time take possession of Truck 9775.

59. The Proposed Receiver has consented to act in this proceeding, a copy of which consent is attached hereto as **Exhibit "X"**.

RELIEF SOUGHT

60. Daimler seeks the appointment of the Proposed Receiver over only the Outstanding Vehicles and nothing more.

61. Daimler has agreed to a charge in favour of the Proposed Receiver, if appointed, and its counsel, as security for payment of their respective fees and disbursements, in each case at their standard rates and charges, which shall form a charge in priority to the claims of Daimler as a secured creditor.

62. I swear this affidavit in support of Daimler's motion to appoint the Proposed Receiver and for no other or improper purpose.

This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. **VEHICLES.** Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).
It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".

2. **TERM.** This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.

3. **RENTAL.** Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.

4. **LATE CHARGES.** In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.

5. **CHARGES AND TAXES.** Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

6. **INSURANCE.** With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.

7. **LESSOR'S RIGHT TO PAY.** If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.

8. **INDEMNIFICATION.** Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.
Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.

9. **ASSIGNMENT.** All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.
Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. **VEHICLE WARRANTIES AND DISCLAIMER.** The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANSACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. **ENTIRE AGREEMENT.** This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. **SUCCESSORS AND ASSIGNS.** This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. **COSTS AND LAWYERS' FEES.** If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. **NOTICES.** All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. **LANDLORD'S WAIVER.** If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. **FURTHER ASSURANCES.** Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. **SEVERABILITY.** If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. **APPLICABLE LAW.** This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee." Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. **CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION.** If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

"The lessee of this heavy-duty tractor understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the heavy-duty tractor must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this heavy-duty tractor is compliant. The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. **WAIVER OF STATUTES.** Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.
This waiver is in addition to other waivers by Lessee contained elsewhere in this Lease.

28. **JOINT AND SEVERAL LIABILITY.** If more than one person is executing this Lease in the Capacity of Lessee, their liability hereunder shall be joint and several so that each of them shall be responsible for the complete discharge of all obligations of Lessee hereunder.

CONTINUING GUARANTY

For Valuable Consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (name of each guarantor):

Corporate Guarantor's Name: 1295503 ONTARIO INC

Guarantor's Name: _____

Guarantor's Name: _____

Guarantor's Name: _____

and each of them hereafter called "Guarantors," do hereby, jointly and severally, unconditionally guaranty to Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation), hereinafter called "DTF" that:

Name: 2734247 ONTARIO LTD

Address: 5685 SIDMOUTH ST, Apt # Q 500-2680 Matheson Blvd.

MISSISSAUGA ON L4W-0A5

hereinafter called "Debtor," shall promptly and fully pay any and all indebtedness which now exists and/or which may hereafter accrue in any manner from Debtor to DTF and in the event Debtor fails at any time or times to promptly pay any and all indebtedness which now exists and/or may hereafter accrue from Debtor to DTF as the same becomes due, the undersigned and each of them hereby jointly and severally promise to pay any and all such indebtedness as the same becomes due from Debtor to DTF, forthwith, upon demand, with all attorney's fees incurred in enforcing payment under this instrument, all without relief from valuation and appraisement laws.

This is a continuing guaranty and by this instrument Guarantors guaranty the prompt payment of any and all indebtedness which may now exist and/or may hereafter accrue at any time or times from Debtor to DTF until guarantors have delivered directly to DTF a notice signed by them at their election not to guaranty any new indebtedness from Debtor to DTF which may thereafter accrue, but such notice shall not in any way affect in the promise of Guarantors hereunder to pay any and all indebtedness from Debtor to DTF existing at the time such written notice is given.

Each of the Guarantors waives all notice of acceptance of this contract by DTF; all notice of the extension of credit from time to time given by DTF to Debtor; and all notice of the amount of the indebtedness of Debtor to DTF which may exist from time to time, and agree that if any one of the undersigned Guarantors desires at any time to ascertain the amount of liability accrued under this guaranty, that Guarantor will make written inquiry directly from DTF.

Each of the Guarantors hereby waives presentment for payment, protest and notice of protest and non-performance of any note or notes made or hereafter made by Debtor to DTF or of any other items or indebtedness held or hereafter held by DTF against Debtor. Each of the Guarantors further waives all rights which they have or may have by statute or otherwise to require DTF to institute suit against Debtor or to exhaust DTF's rights or remedies against Debtor, the Guarantors hereunder and each of them being bound to the payment of each and all indebtedness of Debtor to DTF whether now existing or hereafter accruing as fully as if each indebtedness was directly owing to DTF by Guarantor and as fully as if each Guarantor was a joint maker with Debtor upon each note made or hereafter made by Debtor to DTF. Each of the Guarantors further waive notice of adverse change in Debtor's financial condition or of any other fact which might materially increase Guarantor's risk.

Forbearance on the part of DTF to take steps to enforce the payment of any indebtedness held by it against Debtor, arising from Debtor's default in any respect whatever, or the giving of further time to Debtor shall in no way release Guarantors or any of them, but they and each of them shall remain liable hereunder for the prompt payment of all notes signed by Debtor and made to DTF and all renewals thereof or substitutions therefor and all other indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF.

DTF may take from Debtor any new or additional or substituted security from time to time without in any way impairing the obligation of Guarantors nor shall the impairment of the security which DTF may from time to time hold from Debtor in any way operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that DTF is not required to exercise diligence to enforce its rights against Debtor. Each of the Guarantors hereby waives for Guarantor, Guarantor's heirs, executors and personal representatives any rights whatsoever which Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which DTF may hold as security for the indebtedness guaranties hereby until such time as all indebtedness guarantied hereby is paid in full to DTF.

Each Guarantor agrees that the balance due and unpaid at any time from Debtor to DTF, as shown by the books of DTF, if approved as correct by Debtor, shall be received as conclusive evidence of the amount of such indebtedness owing by Debtor to DTF as against Guarantors and shall not be disputed or questioned by Guarantors or any of them, and that none of the Guarantors can avail

itself of any defense whatever which Debtor may have against DTF other than the payment of said notes, and other indebtedness. Each of the Guarantors hereby for Guarantor, Guarantor's heirs, executors and personal representatives waives all defenses given to sureties or guarantors at law or in equity other than the payment of said indebtedness, and the fact that certain of said defenses are hereby expressly mentioned does not mean that other defenses are not also waived. It being expressly agreed that DTF cannot prejudice its rights against Guarantors or any of them by any act or omission on its part with respect to any indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF. All remedies or actions for the enforcement by DTF of the payment of such indebtedness are cumulative and the pursuit of one shall not preclude the enforcement of any other rights or remedies.

This continuing guaranty constitutes the entire contract and no waivers or modifications shall be valid unless written upon or attached to this contract.

This continuing guaranty shall extend to and bind the heirs, executors, administrators and assigns each Guarantor hereto.

This continuing guaranty shall inure to the benefit of all transferees, assignees and/or endorsers of DTF of any part or parts or all of the indebtedness herein guaranteed.

In the event this continuing guaranty is signed by only one person, then the term "Guarantors" herein shall be considered to be in the singular.

IN WITNESS WHEREOF, Guarantors have hereunto subscribed their names this 2nd day of January, 2020.

CONTINUING GUARANTY

For Valuable Consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (name of each guarantor):

Corporate Guarantor's Name: NORTH WOLF CONSTRUCTION INC.

Guarantor's Name: _____

Guarantor's Name: _____

Guarantor's Name: _____

and each of them hereafter called "Guarantors," do hereby, jointly and severally, unconditionally guaranty to Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation), hereinafter called "DTF" that:

Name: 2734247 ONTARIO LTD

Address: 5685 SIDMOUTH ST, Apt# Q 500-2680 Matheson Blvd.

MISSISSAUGA ON L4W-0A5

hereinafter called "Debtor," shall promptly and fully pay any and all indebtedness which now exists and/or which may hereafter accrue in any manner from Debtor to DTF and in the event Debtor fails at any time or times to promptly pay any and all indebtedness which now exists and/or may hereafter accrue from Debtor to DTF as the same becomes due, the undersigned and each of them hereby jointly and severally promise to pay any and all such indebtedness as the same becomes due from Debtor to DTF, forthwith, upon demand, with all attorney's fees incurred in enforcing payment under this instrument, all without relief from valuation and appraisement laws.

This is a continuing guaranty and by this instrument Guarantors guaranty the prompt payment of any and all indebtedness which may now exist and/or may hereafter accrue at any time or times from Debtor to DTF until guarantors have delivered directly to DTF a notice signed by them at their election not to guaranty any new indebtedness from Debtor to DTF which may thereafter accrue, but such notice shall not in any way affect in the promise of Guarantors hereunder to pay any and all indebtedness from Debtor to DTF existing at the time such written notice is given.

Each of the Guarantors waives all notice of acceptance of this contract by DTF; all notice of the extension of credit from time to time given by DTF to Debtor; and all notice of the amount of the indebtedness of Debtor to DTF which may exist from time to time, and agree that if any one of the undersigned Guarantors desires at any time to ascertain the amount of liability accrued under this guaranty, that Guarantor will make written inquiry directly from DTF.

Each of the Guarantors hereby waives presentment for payment, protest and notice of protest and non-performance of any note or notes made or hereafter made by Debtor to DTF or of any other items or indebtedness held or hereafter held by DTF against Debtor. Each of the Guarantors further waives all rights which they have or may have by statute or otherwise to require DTF to institute suit against Debtor or to exhaust DTF's rights or remedies against Debtor, the Guarantors hereunder and each of them being bound to the payment of each and all indebtedness of Debtor to DTF whether now existing or hereafter accruing as fully as if each indebtedness was directly owing to DTF by Guarantor and as fully as if each Guarantor was a joint maker with Debtor upon each note made or hereafter made by Debtor to DTF. Each of the Guarantors further waive notice of adverse change in Debtor's financial condition or of any other fact which might materially increase Guarantor's risk.

Forbearance on the part of DTF to take steps to enforce the payment of any indebtedness held by it against Debtor, arising from Debtor's default in any respect whatever, or the giving of further time to Debtor shall in no way release Guarantors or any of them, but they and each of them shall remain liable hereunder for the prompt payment of all notes signed by Debtor and made to DTF and all renewals thereof or substitutions therefor and all other indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF.

DTF may take from Debtor any new or additional or substituted security from time to time without in any way impairing the obligation of Guarantors nor shall the impairment of the security which DTF may from time to time hold from Debtor in any way operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that DTF is not required to exercise diligence to enforce its rights against Debtor. Each of the Guarantors hereby waives for Guarantor, Guarantor's heirs, executors and personal representatives any rights whatsoever which Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which DTF may hold as security for the indebtedness guaranties hereby until such time as all indebtedness guarantied hereby is paid in full to DTF.

Each Guarantor agrees that the balance due and unpaid at any time from Debtor to DTF, as shown by the books of DTF, if approved as correct by Debtor, shall be received as conclusive evidence of the amount of such indebtedness owing by Debtor to DTF as against Guarantors and shall not be disputed or questioned by Guarantors or any of them, and that none of the Guarantors can avail

itself of any defense whatever which Debtor may have against DTF other than the payment of said notes, and other indebtedness. Each of the Guarantors hereby for Guarantor, Guarantor's heirs, executors and personal representatives waives all defenses given to sureties or guarantors at law or in equity other than the payment of said indebtedness, and the fact that certain of said defenses are hereby expressly mentioned does not mean that other defenses are not also waived. It being expressly agreed that DTF cannot prejudice its rights against Guarantors or any of them by any act or omission on its part with respect to any indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF. All remedies or actions for the enforcement by DTF of the payment of such indebtedness are cumulative and the pursuit of one shall not preclude the enforcement of any other rights or remedies.

This continuing guaranty constitutes the entire contract and no waivers or modifications shall be valid unless written upon or attached to this contract.

This continuing guaranty shall extend to and bind the heirs, executors, administrators and assigns each Guarantor hereto.

This continuing guaranty shall inure to the benefit of all transferees, assignees and/or endorsers of DTF of any part or parts or all of the indebtedness herein guaranteed.

In the event this continuing guaranty is signed by only one person, then the term "Guarantors" herein shall be considered to be in the singular.

for all scheduled payments owing to DTF pursuant to a Lease or Conditional Sale Contract (the "Contract") executed by me/us, on the dates and in the amounts set out in the Contract and for all other amounts owing under the Contract including late/NSF charges, excess kilometer charges and excess wear and tear charges as the case may be, as may be directed by either of us from time to time. I/We acknowledge and agree that the Contract contains notice of the amounts and dates of all scheduled payments. In particular, I/We further agree that if any regularly scheduled payment is dishonored by the Bank for any reason, then DTF shall be at liberty to issue another debit in substitution for the dishonored debit until the debit is honored. I/We warrant and guarantee that all persons whose signatures are required to sign on the Account have signed below. I/We will inform DTF, in writing, of any change in my/our Account information.

I/We are entitled to receive written notice from DTF of the amounts to be debited to the Account and the dates of such debits at least ten (10) calendar days before the date of the first debit. I/We are entitled to receive an additional notice every time there is a change in the amount to be debited or the date of the debit. If a debit is processed in response to the issuance of my/our direct action (such as, but not limited to, a telephone instruction), then the ten (10) day pre-notification is waived. **I/We hereby waive the right to receive any notice, written or otherwise, from DTF of the amount to be debited and the date(s) on which such debits are to be processed, as well as notice of any and all future changes to the amounts or payment dates.**

I/We acknowledge my/our understanding, acceptance and participation in DTF's Auto-Cheque Payment Plan. I/We also acknowledge and agree that:

(a) the Bank's treatment of each debit shall be the same as if I/We had personally issued a cheque for the amount, and as of the date, of each debit;
(b) this authorization applies only to the method of payment and does not have any bearing on the obligation that I/We owe under the Contract;
(c) the Bank is not responsible for confirming the terms of this Authorization; and
(d) delivery of this Authorization to the Seller or Lessor with whom I/We entered the Contract, or to DTF, constitutes delivery by me/us to the Bank.

The Authorization may be revoked by me/us at any time by giving written notice to DTF, which notice shall be effective (5) business days after receipt. Amounts paid pursuant to this Authorization will be reimbursed only if:

(a) such amounts were not drawn in accordance with this Authorization;
(b) the amounts were drawn after the revocation of this Authorization; or
(c) in the case of personal/household purposes, the pre-notification was not received.

I/We may obtain a sample cancellation form, or more information on my/our right to cancel this Authorization at my Bank or by visiting www.payments.ca

Any claim for reimbursement must be made within 90 days days (10 days in the case of a business) after the date on which the Account was debited by filing a declaration with the Bank.

I/We have certain recourse rights if any debit does not comply with this agreement. For example, I/We have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Agreement. I/We may obtain more information on my/our recourse rights at my Bank or by visiting www.payments.ca

I/We consent to the disclosure to DTF's bank of any personal information that is contained in this Authorization.

I acknowledge and agree that, upon receipt of a duly signed copy of this commercial purchaser/lessee statement ("Statement"), Daimler Truck Financial, a business unit of Mercedes-Benz Financial Services Canada Corporation, ("DTF") and the Dealer shall be entitled and authorized to establish a file on me containing personal information.

The object of the file shall be to allow DTF and its worldwide affiliates and assignees (1) to evaluate my credit and solvency; (2) to make a decision with regard to the Statement and the possible execution of an agreement, including a contract for lease or financing of a purchase of a motor vehicle; (3) to monitor, record and determine during the term of such a contract my compliance with all or part of the obligations contained therein; (4) to answer any questions I might have with respect to the Statement, any contract I may enter into and the file in general; (5) to record, manage, evaluate and collect, if applicable, any amount owing by me to DTF; (6) to develop and implement customer programs including communicating with me by providing me with materials such as offers, updates and information which may be of interest to me; (7) to maintain and use the information as a credit history; and (8) to meet legal and regulatory requirements.

To achieve the object of the file, I understand that the personal information contained in my file shall be made available only to the employees, representatives and agents of DTF and its worldwide affiliates and assignees who require it in the course of the performance of their duties or mandates. The personal information in my file will be used to make any relevant decisions in order to achieve the object of the file.

The file relating to me shall be kept at the DTF office (the address of which can be supplied by the Dealer). DTF shall inform me in writing if my file is moved to a new location. I understand that I shall have the right: (1) to obtain access to the personal information in my file and (2) to rectify any personal information in my file which is inaccurate, incomplete, ambiguous or out-of-date. I shall be entitled to exercise either one of these rights by addressing a written request for access or rectification to the DTF office in care of the Access to Information Manager.

I authorize DTF and the Dealer to collect the necessary personal information concerning me to fulfill the object of the file, from third persons, including credit agencies, information and collection agencies, credit reporting bureaus, financial institutions, insurance companies, insurance brokers, my past, present and future employers, creditors and landlords, motor vehicle dealers, government agencies, my spouse or any other person who has or will have information related to my credit history and my solvency, my whereabouts or the whereabouts or condition of any property that is or has been owned, held or leased by me. I specifically consent to the release and disclosure of personal information by such persons to DTF and the Dealer.

If I request credit life or disability insurance, I expressly authorize any doctor, physician, a member of a professional corporation in the health sector, health establishment, clinic, hospital or medical information office or a health information custodian to disclose, release and communicate to DTF personal information, including personal health information, concerning me and expressly authorize DTF to disclose personal information to them.

I expressly authorize DTF and the Dealer to disclose personal information concerning me to each other, to any of their worldwide affiliates and assignees, to other third persons including advertising and marketing agencies dealing with DTF for the development and implementation of customer programs, to credit agencies, to information and collection agencies, to credit reporting bureaus, to financial institutions, to insurance companies, to insurance brokers, to vehicle manufacturers, to motor vehicle dealers, to auction houses, to my creditors, to persons to whom I have applied for credit, to assignees and agents of such third parties, and to any other person to whom DTF or the Dealer deem it necessary to further my interest or to fulfill the object of the file.

I specifically consent to the use by DTF of my Social Insurance Number, if supplied, for the purpose of recording, identifying and retrieving my personal information. Supplying my Social Insurance Number helps DTF distinguish me from others with similar information and accelerates the process of achieving the objects of the file.

I have read the Statement and the Consent respecting the collection, use, release, disclosure, communication and holding of personal information concerning me. I understand the significance and necessity of giving such a consent which is given voluntarily without any coercion and which will be valid for so long as it is needed in order to achieve the object of the file. I acknowledge that the Dealer or its representatives have no authority to waive or modify any question in the Statement, or bind DTF by making a promise or representation or by giving or receiving information without the written consent of DTF. I acknowledge that DTF may employ service providers located in the United States in order to fulfill the objects of the file and as a result my information may be processed and stored in that country and that country's courts, governments or law enforcement agencies may obtain disclosure of my information through the laws of that country.

I accept that a photocopy of the Statement and the Consent or a facsimile of same shall be considered as valid as the original.

I declare and warrant that the information that I have provided above is true, accurate and complete and that it is not false or misleading in any way. I further declare and warranty that a bankruptcy proceeding is neither presently in progress nor anticipated and acknowledge receiving a copy of this Statement. IN THE EVENT OF ANY MATERIAL ADVERSE CHANGE IN MY FINANCIAL POSITION, I AGREE TO NOTIFY DTF in writing.

I acknowledge that the Statement and the Consent were drafted in the English language in accordance with my request. Je déclare avoir exigé que cette demande et ce consentement soient rédigés et complétés en langue anglaise.

Please attach year end financial statements for past two years and current prior month end financial statements. Financial statements should include balance sheet, profit and loss statement, and statement of cash flows.

I acknowledge that a consumer/personal report containing credit, medical or personal information will be referred to in connection with the Application. I consent to the preparation of such a report and to DTF and the Dealer obtaining such a report from credit bureaus/consumer reporting agencies.

This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. VEHICLES. Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).
It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".
2. TERM. This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.
3. RENTAL. Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.
4. LATE CHARGES. In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.
5. CHARGES AND TAXES. Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.
6. INSURANCE. With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.
7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.
8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.
Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.
9. ASSIGNMENT. All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.
Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following; i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFI-CATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANS-ACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect talent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.

In particular, I/We further agree that if any regularly scheduled payment is dishonored by the Bank for any reason, then DTF shall be at liberty to issue another debit in substitution for the dishonored debit until the debit is honored. I/We warrant and guarantee that all persons whose signatures are required to sign on the Account have signed below. I/We will inform DTF, in writing, of any change in my/our Account information.

If this Authorization is for personal/household purposes, I/We are entitled to receive written notice from DTF of the amounts to be debited to the Account and the dates of such debits at least ten (10) calendar days before the date of the first debit. I/We will receive such an additional notice every time there is a change in the amount to be debited or the date of the debit. If a debit is processed in response to the issuance of my/our direct action (such as, but not limited to, a telephone instruction), then the ten (10) day pre-notification is waived. **To the extent this authorization is for business purposes, I/We hereby waive the right to receive any notice, written or otherwise, from DTF of the amount to be debited and the date(s) on which such debits are to be processed, as well as notice of any and all future changes to the amounts of payment dates.**

I/We acknowledge my/our understanding, acceptance and participation in DTF's Auto-Cheque Payment Plan. I/We also acknowledge and agree that:

(a) the Bank's treatment of each debit shall be the same as if I/We had personally issued a cheque for the amount, and as of the date, of each debit;

(b) this authorization applies only to the method of payment and does not have any bearing on the obligation that I/We owe under the Contract;

(c) the Bank is not responsible for confirming the terms of this Authorization; and

(d) delivery of this Authorization to the Seller or Lessor with whom I/We entered the Contract, or to DTF, constitutes delivery by me/us to the Bank.

The Authorization may be revoked by me/us at any time by giving written notice to DTF, which notice shall be effective (5) business days after receipt. Amounts paid pursuant to this Authorization will be reimbursed only if:

(a) such amounts were not drawn in accordance with this Authorization;

(b) the amounts were drawn after the revocation of this Authorization; or

(c) in the case of personal/household purposes, the pre-notification was not received.

I/We may obtain a sample cancellation form, or more information on my/our right to cancel this Authorization at my Bank or by visiting www.payments.ca.

Any claim for reimbursement must be made within 90 days (10 days in the case of a business) after the date on which the Account was debited by filing a declaration with the Bank.

I/We have certain recourse rights if any debit does not comply with this agreement. For example, I/We have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Agreement. I/We may obtain more information on my/our recourse rights at my Bank or by visiting www.payments.ca.

I/We consent to the disclosure to DTF's bank of any personal information that is contained in this Authorization.

CONTINUING GUARANTY

For Valuable Consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (name of each guarantor):

Corporate Guarantor's Name: EAGLE MOTOR FREIGHT INC.

Guarantor's Name: BALBIR OPAL

Guarantor's Name:

Guarantor's Name:

and each of them hereafter called "Guarantors," do hereby, jointly and severally, unconditionally guaranty to Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation), hereinafter called "DTF" that:

Name: 2734247 ONTARIO LTD

Address: 5685 SIDMOUTH ST

MISSISSAUGA ON L5V-2H1

hereinafter called "Debtor," shall promptly and fully pay any and all indebtedness which now exists and/or which may hereafter accrue in any manner from Debtor to DTF and in the event Debtor fails at any time or times to promptly pay any and all indebtedness which now exists and/or may hereafter accrue from Debtor to DTF as the same becomes due, the undersigned and each of them hereby jointly and severally promise to pay any and all such indebtedness as the same becomes due from Debtor to DTF, forthwith, upon demand, with all attorney's fees incurred in enforcing payment under this instrument, all without relief from valuation and appraisement laws.

This is a continuing guaranty and by this instrument Guarantors guaranty the prompt payment of any and all indebtedness which may now exist and/or may hereafter accrue at any time or times from Debtor to DTF until guarantors have delivered directly to DTF a notice signed by them at their election not to guaranty any new indebtedness from Debtor to DTF which may thereafter accrue, but such notice shall not in any way affect in the promise of Guarantors hereunder to pay any and all indebtedness from Debtor to DTF existing at the time such written notice is given.

Each of the Guarantors waives all notice of acceptance of this contract by DTF; all notice of the extension of credit from time to time given by DTF to Debtor; and all notice of the amount of the indebtedness of Debtor to DTF which may exist from time to time, and agree that if any one of the undersigned Guarantors desires at any time to ascertain the amount of liability accrued under this guaranty, that Guarantor will make written inquiry directly from DTF.

Each of the Guarantors hereby waives presentment for payment, protest and notice of protest and non-performance of any note or notes made or hereafter made by Debtor to DTF or of any other items or indebtedness held or hereafter held by DTF against Debtor. Each of the Guarantors further waives all rights which they have or may have by statute or otherwise to require DTF to institute suit against Debtor or to exhaust DTF's rights or remedies against Debtor, the Guarantors hereunder and each of them being bound to the payment of each and all indebtedness of Debtor to DTF whether now existing or hereafter accruing as fully as if each indebtedness was directly owing to DTF by Guarantor and as fully as if each Guarantor was a joint maker with Debtor upon each note made or hereafter made by Debtor to DTF. Each of the Guarantors further waive notice of adverse change in Debtor's financial condition or of any other fact which might materially increase Guarantor's risk.

Forbearance on the part of DTF to take steps to enforce the payment of any indebtedness held by it against Debtor, arising from Debtor's default in any respect whatever, or the giving of further time to Debtor shall in no way release Guarantors or any of them, but they and each of them shall remain liable hereunder for the prompt payment of all notes signed by Debtor and made to DTF and all renewals thereof or substitutions therefor and all other indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF.

DTF may take from Debtor any new or additional or substituted security from time to time without in any way impairing the obligation of Guarantors nor shall the impairment of the security which DTF may from time to time hold from Debtor in any way operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that DTF is not required to exercise diligence to enforce its rights against Debtor. Each of the Guarantors hereby waives for Guarantor, Guarantor's heirs, executors and personal representatives any rights whatsoever which Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which DTF may hold as security for the indebtedness guaranties hereby until such time as all indebtedness guarantied hereby is paid in full to DTF.

Each Guarantor agrees that the balance due and unpaid at any time from Debtor to DTF, as shown by the books of DTF, if approved as correct by Debtor, shall be received as conclusive evidence of the amount of such indebtedness owing by Debtor to DTF as against Guarantors and shall not be disputed or questioned by Guarantors or any of them, and that none of the Guarantors can avail

itself of any defense whatever which Debtor may have against DTF other than the payment of said notes, and other indebtedness. Each of the Guarantors hereby for Guarantor, Guarantor's heirs, executors and personal representatives waives all defenses given to sureties or guarantors at law or in equity other than the payment of said indebtedness, and the fact that certain of said defenses are hereby expressly mentioned does not mean that other defenses are not also waived. It being expressly agreed that DTF cannot prejudice its rights against Guarantors or any of them by any act or omission on its part with respect to any indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF. All remedies or actions for the enforcement by DTF of the payment of such indebtedness are cumulative and the pursuit of one shall not preclude the enforcement of any other rights or remedies.

This continuing guaranty constitutes the entire contract and no waivers or modifications shall be valid unless written upon or attached to this contract.

This continuing guaranty shall extend to and bind the heirs, executors, administrators and assigns each Guarantor hereto.

This continuing guaranty shall inure to the benefit of all transferees, assignees and/or endorsers of DTF of any part or parts or all of the indebtedness herein guaranteed.

In the event this continuing guaranty is signed by only one person, then the term "Guarantors" herein shall be considered to be in the singular.

IN WITNESS WHEREOF, Guarantors have hereunto subscribed their names this 29th day of April, 2020.

This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. **VEHICLES.** Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).
It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".
2. **TERM.** This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.
3. **RENTAL.** Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.
4. **LATE CHARGES.** In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way after Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.
5. **CHARGES AND TAXES.** Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.
6. **INSURANCE.** With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor, and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.
7. **LESSOR'S RIGHT TO PAY.** If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.
8. **INDEMNIFICATION.** Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.
Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.
9. **ASSIGNMENT.** All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.
Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANSACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. VEHICLES. Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).

It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".

2. TERM. This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.

3. RENTAL. Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.

4. LATE CHARGES. In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.

5. CHARGES AND TAXES. Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

6. INSURANCE. With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.

Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.

All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).

All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.

With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.

7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.

8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.

Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.

9. ASSIGNMENT. All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.

Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost *and expense, protect and defend* the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease. Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without *notice or demand to Lessee;* (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANSACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

"The lessee of this heavy-duty tractor understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the heavy-duty tractor must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this heavy-duty tractor is compliant. The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, *California Code of Regulations, and that it is the responsibility* of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it. This waiver is in addition to other waivers by Lessee contained elsewhere in this Lease.

This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. VEHICLES. Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).

It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".

2. TERM. This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.

3. RENTAL. Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.

4. LATE CHARGES. In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way after Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.

5. CHARGES AND TAXES. Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

6. INSURANCE. With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.

Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.

All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).

All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.

With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.

7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.

8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.

Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.

9. ASSIGNMENT. All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.

Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFI-CATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANS-ACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect talent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.
This waiver is in addition to other waivers by Lessee contained elsewhere in this Lease.

This Lease is entered into, on the above date, by and between Daimler Truck Financial Services Canada Corporation (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee".

1. VEHICLES. Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).
It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".
2. TERM. This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.
3. RENTAL. Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.
4. LATE CHARGES. In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way after Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.
5. CHARGES AND TAXES. Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.
6. INSURANCE. With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear.
All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.
7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.
8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby. Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.
9. ASSIGNMENT. All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all

payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.

Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following; i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.
Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.
17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANS-ACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.
18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.
19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.
20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein. Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.
21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.
22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.
23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.
24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.
25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.
26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

"The lessee of this heavy-duty tractor understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the heavy-duty tractor must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this heavy-duty tractor is compliant. The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.
This waiver is in addition to other waivers by Lessee contained elsewhere in this Lease.
28. JOINT AND SEVERAL LIABILITY. If more than one person is executing this Lease in the capacity of Lessee, their liability hereunder shall be joint and several so that each of them shall be responsible for the complete discharge of all obligations of Lessee hereunder.

This Lease is entered into, on the above date, by and between Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation) (hereinafter "Lessor") and the above referenced "Lessee" and "Co-Lessee" if any, which are collectively and individually referred to herein as "Lessee". Lessee and Co-Lessee are hereinafter collectively and individually referred to as "Lessee".

1. **VEHICLES.** Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the vehicle(s) described in each Schedule A, attached hereto and incorporated herein by reference, together with any attachments or accessories now or hereafter incorporated in or attached to said vehicle(s).
It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".

2. **TERM.** This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.

3. **RENTAL.** Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.

4. **LATE CHARGES.** In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.

5. **CHARGES AND TAXES.** Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

6. **INSURANCE.** With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.

7. **LESSOR'S RIGHT TO PAY.** If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.

8. **INDEMNIFICATION.** Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.
Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.

9. **ASSIGNMENT.** All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.
Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s)) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFI-CATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANS-ACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-convenians should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.

CONTINUING GUARANTY

For Valuable Consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (name of each guarantor):

Corporate Guarantor's Name: NORTH WOLF CONSTRUCTION INC.

Guarantor's Name: BALBIR OPAL

Guarantor's Name:

Guarantor's Name:

and each of them hereafter called "Guarantors," do hereby, jointly and severally, unconditionally guaranty to Daimler Truck Financial (a business unit of Mercedes-Benz Financial Services Canada Corporation), hereinafter called "DTF" that:

Name: 1295503 ONTARIO INC.

Address: 5685 SIDMOUTH STREET

MISSISSAUGA ON L5V-2H1

hereinafter called "Debtor," shall promptly and fully pay any and all indebtedness which now exists and/or which may hereafter accrue in any manner from Debtor to DTF and in the event Debtor fails at any time or times to promptly pay any and all indebtedness which now exists and/or may hereafter accrue from Debtor to DTF as the same becomes due, the undersigned and each of them hereby jointly and severally promise to pay any and all such indebtedness as the same becomes due from Debtor to DTF, forthwith, upon demand, with all attorney's fees incurred in enforcing payment under this instrument, all without relief from valuation and appraisement laws.

This is a continuing guaranty and by this instrument Guarantors guaranty the prompt payment of any and all indebtedness which may now exist and/or may hereafter accrue at any time or times from Debtor to DTF until guarantors have delivered directly to DTF a notice signed by them at their election not to guaranty any new indebtedness from Debtor to DTF which may thereafter accrue, but such notice shall not in any way affect in the promise of Guarantors hereunder to pay any and all indebtedness from Debtor to DTF existing at the time such written notice is given.

Each of the Guarantors waives all notice of acceptance of this contract by DTF; all notice of the extension of credit from time to time given by DTF to Debtor; and all notice of the amount of the indebtedness of Debtor to DTF which may exist from time to time, and agree that if any one of the undersigned Guarantors desires at any time to ascertain the amount of liability accrued under this guaranty, that Guarantor will make written inquiry directly from DTF.

Each of the Guarantors hereby waives presentment for payment, protest and notice of protest and non-performance of any note or notes made or hereafter made by Debtor to DTF or of any other items or indebtedness held or hereafter held by DTF against Debtor. Each of the Guarantors further waives all rights which they have or may have by statute or otherwise to require DTF to institute suit against Debtor or to exhaust DTF's rights or remedies against Debtor, the Guarantors hereunder and each of them being bound to the payment of each and all indebtedness of Debtor to DTF whether now existing or hereafter accruing as fully as if each indebtedness was directly owing to DTF by Guarantor and as fully as if each Guarantor was a joint maker with Debtor upon each note made or hereafter made by Debtor to DTF. Each of the Guarantors further waive notice of adverse change in Debtor's financial condition or of any other fact which might materially increase Guarantor's risk.

Forbearance on the part of DTF to take steps to enforce the payment of any indebtedness held by it against Debtor, arising from Debtor's default in any respect whatever, or the giving of further time to Debtor shall in no way release Guarantors or any of them, but they and each of them shall remain liable hereunder for the prompt payment of all notes signed by Debtor and made to DTF and all renewals thereof or substitutions therefor and all other indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF.

DTF may take from Debtor any new or additional or substituted security from time to time without in any way impairing the obligation of Guarantors nor shall the impairment of the security which DTF may from time to time hold from Debtor in any way operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that DTF is not required to exercise diligence to enforce its rights against Debtor. Each of the Guarantors hereby waives for Guarantor, Guarantor's heirs, executors and personal representatives any rights whatsoever which Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which DTF may hold as security for the indebtedness guaranties hereby until such time as all indebtedness guaranteed hereby is paid in full to DTF.

Each Guarantor agrees that the balance due and unpaid at any time from Debtor to DTF, as shown by the books of DTF, if approved as correct by Debtor, shall be received as conclusive evidence of the amount of such indebtedness owing by Debtor to DTF as against Guarantors and shall not be disputed or questioned by Guarantors or any of them, and that none of the Guarantors can avail

itself of any defense whatever which Debtor may have against DTF other than the payment of said notes, and other indebtedness. Each of the Guarantors hereby for Guarantor, Guarantor's heirs, executors and personal representatives waives all defenses given to sureties or guarantors at law or in equity other than the payment of said indebtedness, and the fact that certain of said defenses are hereby expressly mentioned does not mean that other defenses are not also waived. It being expressly agreed that DTF cannot prejudice its rights against Guarantors or any of them by any act or omission on its part with respect to any indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF. All remedies or actions for the enforcement by DTF of the payment of such indebtedness are cumulative and the pursuit of one shall not preclude the enforcement of any other rights or remedies.

This continuing guaranty constitutes the entire contract and no waivers or modifications shall be valid unless written upon or attached to this contract.

This continuing guaranty shall extend to and bind the heirs, executors, administrators and assigns each Guarantor hereto.

This continuing guaranty shall inure to the benefit of all transferees, assignees and/or endorsers of DTF of any part or parts or all of the indebtedness herein guaranteed.

In the event this continuing guaranty is signed by only one person, then the term "Guarantors" herein shall be considered to be in the singular.

IN WITNESS WHEREOF, Guarantors have hereunto subscribed their names this 23rd day of March, 2021.

hereinafter called "Debtor," shall promptly and fully pay any and all indebtedness which now exists and/or which may hereafter accrue in any manner from Debtor to DTF and in the event Debtor fails at any time or times to promptly pay any and all indebtedness which now exists and/or may hereafter accrue from Debtor to DTF as the same becomes due, the undersigned and each of them hereby jointly and severally promise to pay any and all such indebtedness as the same becomes due from Debtor to DTF, forthwith, upon demand, with all attorney's fees incurred in enforcing payment under this instrument, all without relief from valuation and appraisement laws.

This is a continuing guaranty and by this instrument Guarantors guaranty the prompt payment of any and all indebtedness which may now exist and/or may hereafter accrue at any time or times from Debtor to DTF until guarantors have delivered directly to DTF a notice signed by them at their election not to guaranty any new indebtedness from Debtor to DTF which may thereafter accrue, but such notice shall not in any way affect in the promise of Guarantors hereunder to pay any and all indebtedness from Debtor to DTF existing at the time such written notice is given.

Each of the Guarantors waives all notice of acceptance of this contract by DTF; all notice of the extension of credit from time to time given by DTF to Debtor, and all notice of the amount of the indebtedness of Debtor to DTF which may exist from time to time, and agree that if any one of the undersigned Guarantors desires at any time to ascertain the amount of liability accrued under this guaranty, that Guarantor will make written inquiry directly from DTF.

Each of the Guarantors hereby waives presentment for payment, protest and notice of protest and non-performance of any note or notes made or hereafter made by Debtor to DTF or of any other items or indebtedness held or hereafter held by DTF against Debtor. Each of the Guarantors further waives all rights which they have or may have by statute or otherwise to require DTF to institute suit against Debtor or to exhaust DTF's rights or remedies against Debtor, the Guarantors hereunder and each of them being bound to the payment of each and all indebtedness of Debtor to DTF whether now existing or hereafter accruing as fully as if each indebtedness was directly owing to DTF by Guarantor and as fully as if each Guarantor was a joint maker with Debtor upon each note made or hereafter made by Debtor to DTF. Each of the Guarantors further waive notice of adverse change in Debtor's financial condition or of any other fact which might materially increase Guarantor's risk.

Forbearance on the part of DTF to take steps to enforce the payment of any indebtedness held by it against Debtor, arising from Debtor's default in any respect whatever, or the giving of further time to Debtor shall in no way release Guarantors or any of them, but they and each of them shall remain liable hereunder for the prompt payment of all notes signed by Debtor and made to DTF and all renewals thereof or substitutions therefor and all other indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF.

DTF may take from Debtor any new or additional or substituted security from time to time without in any way impairing the obligation of Guarantors nor shall the impairment of the security which DTF may from time to time hold from Debtor in any way operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that DTF is not required to exercise diligence to enforce its rights against Debtor. Each of the Guarantors hereby waives for Guarantor, Guarantor's heirs, executors and personal representatives any rights whatsoever which Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which DTF may hold as security for the indebtedness guaranties hereby until such time as all indebtedness guaranteed hereby is paid in full to DTF.

Each Guarantor agrees that the balance due and unpaid at any time from Debtor to DTF, as shown by the books of DTF, if approved as correct by Debtor, shall be received as conclusive evidence of the amount of such indebtedness owing by Debtor to DTF as against Guarantors and shall not be disputed or questioned by Guarantors or any of them, and that none of the Guarantors can avail

itself of any defense whatever which Debtor may have against DTF other than the payment of said notes, and other indebtedness. Each of the Guarantors hereby for Guarantor, Guarantor's heirs, executors and personal representatives waives all defenses given to sureties or guarantors at law or in equity other than the payment of said indebtedness, and the fact that certain of said defenses are hereby expressly mentioned does not mean that other defenses are not also waived. It being expressly agreed that DTF cannot prejudice its rights against Guarantors or any of them by any act or omission on its part with respect to any indebtedness which may now exist and/or may hereafter accrue from Debtor to DTF. All remedies or actions for the enforcement by DTF of the payment of such indebtedness are cumulative and the pursuit of one shall not preclude the enforcement of any other rights or remedies.

This continuing guaranty constitutes the entire contract and no waivers or modifications shall be valid unless written upon or attached to this contract.

This continuing guaranty shall extend to and bind the heirs, executors, administrators and assigns each Guarantor hereto.

This continuing guaranty shall inure to the benefit of all transferees, assignees and/or endorsers of DTF of any part or parts or all of the indebtedness herein guaranteed.

In the event this continuing guaranty is signed by only one person, then the term "Guarantors" herein shall be considered to be in the singular.

IN WITNESS WHEREOF, Guarantors have hereunto subscribed their names this 23rd day of March, 2021.

The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.
4. **LATE CHARGES.** In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way after Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.
5. **CHARGES AND TAXES.** Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.
6. **INSURANCE.** With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable by Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit; (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.
7. **LESSOR'S RIGHT TO PAY.** If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.
8. **INDEMNIFICATION.** Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby.
Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.
9. **ASSIGNMENT.** All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.
Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee

or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonably manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a solicitor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.

17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANSACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.

18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.

19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.

20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.

21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.

22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.

23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.

24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.

26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

"The lessee of this heavy-duty tractor understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the heavy-duty tractor must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this heavy-duty tractor is compliant. The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

"The lessee of this box-type trailer understands that when using a heavy-duty tractor to pull a 53-foot or longer box-type trailer on a highway within California, the box-type trailer must be compliant with sections 95300 – 95312, title 17, California Code of Regulations, and that it is the responsibility of the lessee to ensure this box-type trailer is compliant. The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditions sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. Lessee further agrees that the provisions of the Limitation of Civil Rights Act of Saskatchewan, as amended, shall have no application to this Lease or any agreement renewing it.
This waiver is in addition to other waivers by Lessee contained elsewhere in this Lease.

28. JOINT AND SEVERAL LIABILITY. If more than one person is executing this Lease in the Capacity of Lessee, their liability hereunder shall be joint and several so that each of them shall be responsible for the complete discharge of all obligations of Lessee hereunder.

BY SIGNING BELOW, LESSEE ACKNOWLEDGES HAVING READ THIS LEASE AND ACCEPTS THE TERMS AND CONDITIONS OF THIS LEASE.

It is hereby agreed that additional vehicle(s) may be added from time to time to additional schedules executed by Lessor and Lessee, which schedules shall be incorporated herein. Except as specifically modified with respect to vehicle(s) by the appropriate schedule identifying such vehicle(s), all of the terms and conditions of this Lease shall govern the rights and obligations of Lessee and Lessor with respect to the vehicle(s) described therein. Whenever reference is made herein to "this Lease" or "the Lease", it shall be deemed to include the various schedules identifying all vehicle(s) leased hereunder. For purposes of this Lease, Schedule A as well as any other schedule(s) hereafter executed shall be referred to as the "Schedule(s)" and the vehicle(s) referred to therein shall hereinafter be described as the "vehicles".
2. TERM. This Lease shall become effective with respect to the vehicle(s) as of the date Lessor notifies Lessee that the vehicle(s) is available for delivery, and shall continue until all rental payments as hereinafter described, and all of Lessee's other obligations hereunder, have been satisfied in full by Lessee.
3. RENTAL. Lessee agrees to pay Lessor monthly payments in an amount and for the term indicated in the Schedules, without notice or demand, at the Lessor's address set forth above or at such other address as the Lessor may specify from time to time in writing. Except as otherwise specifically provided herein, Lessee's obligation to pay each of the monthly payments and all other amounts due or to become due hereunder shall be absolute and unconditional under all circumstances, regardless of (i) any claims, demands, set-offs, actions, suits or proceedings that it might have or assert for any reason whatsoever against the vendor, any supplier or manufacturer of any vehicle(s) or Lessor, or (ii) any interruption in or cessation of Lessee's use or possession of any vehicle(s) for any reason whatsoever. The first payment shall be due on the date stated in the Schedule(s).The Lessee expressly acknowledges and agrees that if the effective return to the Lessor hereunder is reduced as a result of the imposition of any obligation upon the Lessee to withhold any amounts from the Lessor with respect to taxes payable in any jurisdiction, the Lessee shall, in any such event, pay to the Lessor an amount sufficient to compensate the Lessor with respect to any such withholding.
4. LATE CHARGES. In the event Lessee fails to pay rental payments, or any other sum required to be paid by Lessee, within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge Lessee an amount equal to five (5%) percent per month of such past due amounts. Lessor's exercising of this right shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Lease.
5. CHARGES AND TAXES. Lessee agrees to pay when due all taxes, fees, sales and use taxes, levies, duties, assessments, highway use taxes, goods and services taxes or other taxes and charges, however designated, (including any penalties and interest, and fee for filing registration) now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance or sale of the vehicles whether or not paid or payable by Lessor, excluding Lessor's net income, or capital taxes payable, and shall supply Lessor with proof of payment upon written demand therefor by Lessor. The obligation arising under this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.
6. INSURANCE. With respect to vehicle(s) leased hereunder, Lessee shall provide and maintain, at its own expense, public liability insurance for bodily injury or death and property damage insurance with an aggregate limit of not less than $1,000,000 per occurrence, or such other higher limit as may be required by law.
Lessee shall also provide and maintain, at its own expense, collision and upset insurance for the full replacement cost of the vehicle with a deductible of not more than $2,500, and fire, theft and combined additional insurance with a deductible of not more than $2,500.
All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as named additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto, (a) be primary to, and in no respect excess or contributory to or contingent upon, any liability insurance provided by Lessor; (b) waive any right of subrogation against Lessor; (c) provide that all liability insurance is first to be applied against any claim against Lessor; and (d) provide that all insurance proceeds are to be paid directly to the Lessor in respect of any damage to the vehicle(s).
All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with Certificates of Insurance (or other documents acceptable to Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the vehicle(s) leased hereunder and will not be changed, altered or cancelled by the issuing insurance company without thirty (30) days prior written notice to Lessor, whether such change, alteration or cancellation is at the direction of the Lessor or the issuing insurance company.
With respect to any such insurance, Lessee hereby appoints Lessor, or Lessor's assignee, as Lessee's attorney in fact, with full power (a) to determine at Lessor's discretion what is a reasonable sum for settlement and/or compromise of claim or suit (b) to institute suit in Lessee's name, or in Lessor's name, or both and to add any costs or expenses relating to the suit or claim, including attorney fees and expenses, to the balance of Lessee's obligation(s) under the Lease; (c) to sign in Lessee's name any settlement, draft or cheque.
7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure the vehicle(s) as provided by Paragraph 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens or other charges as provided by Paragraph 5 hereof, Lessor, without prejudice to any other right thereunder, may (but shall not be obligated to) provide such insurance, or may pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Paragraph 4 hereof.
8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify and hold Lessor harmless from any claim (including, without limitation, claims involving strict or absolute liability in tort or product's liability), liability, loss, cost, expense or damage of every nature (including, without limitation, fines, forfeitures, penalties, settlements, and attorney's fees) by or to any person whomsoever and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, conditions (including, without limitation, latent, or other defects, whether or not discoverable, and patent, trademark and copyright infringement), removal, return or storage of the vehicle(s), including without limitation tort claims of any kind (whether based on Lessor's alleged negligence or otherwise). Lessee's indemnities and liabilities shall continue in full force and effect, notwithstanding the expiration or termination of this Lease for any reason. Lessee agrees to give Lessor and Lessor agrees to give Lessee prompt written notice of any claim or liability covered hereby. Upon request of Lessor, Lessee shall assume the defense of all demands, claims, actions, suits and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor shall be subrogated to all rights of Lessee for any matter for which Lessor has assumed obligation hereunder and may settle such demand, claim or action without Lessee's prior consent.
9. ASSIGNMENT. All right, title and interest in and to this Lease, as well as to the vehicle(s) leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all

payments coming due hereunder to the assignee without offset, counterclaim or defense of any kind. It is expressly understood that any reference in this Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.

Lessee shall not assign, transfer, pledge, encumber, or sublet this Lease, the vehicle(s) leased hereunder or Lessee's interest hereunder without Lessor's prior written consent (which may be withheld at Lessor's sole discretion), nor shall Lessee's interest hereunder inure to the benefit of any trustee, receiver, creditor or successor of Lessee or its property, whether or not in bankruptcy, or whether by operation of law, or otherwise.

10. OWNERSHIP/TITLE. Ownership of and Title to all vehicle(s) shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of all persons and keep the vehicle(s) free and clear from all such claims, liens and processes. Lessee has not acquired and will not acquire by its acceptance of this Lease, any proprietary rights or interest in the vehicle(s). Lessee and Lessor intend for this agreement to be a true lease.

Lessee expressly agrees that if the vehicle(s) are delivered in British Columbia, or if Lessee should remove the vehicle(s) to British Columbia at any time subsequent to the delivery date, Lessee shall within 30 days of the date of such delivery or removal obtain, at Lessee's expense, the appropriate inspection certificate sticker from a Motor Vehicle Inspection station as required by the Province of British Columbia.

11. USE, INSPECTION AND ALTERATIONS. Lessee shall, at its sole expense, have the vehicle(s) leased hereunder serviced in accordance with the manufacturer's recommendation and maintain the vehicle(s) in good repair, appearance, functional order, and good lawful operating condition, shall not use or permit the use of the vehicle(s) in any unintended, injurious or unlawful manner, shall only permit the operation of the vehicle(s) by qualified personnel in the ordinary course of the Lessee's business, and shall not change or alter the vehicle(s) without Lessor's prior written consent; except that Lessee shall make such alterations and improvements as may be required from time to time to meet the requirements of law or of any federal, provincial, state or local governmental authority having jurisdiction over the vehicle(s). To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the vehicle(s), or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the vehicle(s) and without rendering them unable to comply with law, shall become part of the vehicle(s) and shall be the property of Lessor.

12. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction of, and the risk of damage to the vehicle(s) leased hereunder, from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to the vehicle(s), or any part thereof, shall not relieve Lessee of any obligation under the Lease.

If the vehicle(s) is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or is stolen or is abandoned or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

If the vehicle(s) is damaged and is in a condition which Lessor believes may be reasonably repaired, Lessee shall repair the same to good working order. If the vehicle(s) is in a condition which Lessor believes is beyond reasonable repair, or with respect to any other occurrence or condition set forth above, Lessor may terminate this Lease with respect to that vehicle(s) immediately. If the Lease is terminated, Lessee's termination liability shall be the amount which Lessee would have to pay if Lessee had defaulted on the terms of the Lease as set forth in Paragraph 14 hereof, less the proceeds Lessor receives from the insurance provided by Lessee, if any. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for, and shall pay Lessor upon demand therefor, the amount of any such deficiency. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage.

13. FINANCING STATEMENTS. If Lessor files a financing statement with respect to this Lease to give notice to interested parties, such filing shall not be deemed evidence of an intent to create a security interest under the Personal Property Security Act of any Province. Lessee hereby waives all rights to receive a copy of any financing statement, financing change statement or verification statement filed at any time in respect of the Lease, where permitted by applicable law. If at any time Lessee believes that all of the obligations under this Lease have been performed or forgiven, Lessee agrees to request in writing that Lessor register a discharge of any financing statement related to the vehicle(s).

14. DEFAULTS AND LESSOR'S REMEDIES. Time is of the essence of this Lease. The occurrence of any of the following events shall constitute a default under this Lease: (a) Lessee does not pay a monthly lease or other amount herein provided within 10 days of the date the same is due and payable; (b) any of the information or statements on the credit application or Lessee statement or that of a guarantor was false or misleading at the time it was provided to Lessor; (c) Lessee assigns, subleases, transfers or encumbers Lessee's interest under this Lease in a manner not permitted hereunder; (d) any lien or other claim is made against this Lease or the vehicle(s); (e) Lessee fails to answer a traffic summons or pay a traffic fine when due to the entity issuing the citation or to Lessor on demand, or if the vehicle is confiscated by any government authority; (f) Lessee (or any guarantor(s)) ceases to exist, dissolves is wound up or dies; (g) Lessee (for any guarantor(s)) becomes insolvent, commits an act of bankruptcy, is the subject of a proceeding in bankruptcy, receivership or an arrangement with creditors, makes an assignment for the benefit of creditors or suffers the seizure of the appointment of a trustee, receiver or receiver-manager over any of Lessee's property; (h) the insurance required to be maintained by the provisions of this Lease is not procured or not kept in force; (i) Lessee defaults under any other lease or agreement between Lessor and Lessee; (j) the vehicle(s) is altered or not repaired or maintained as this Lease requires; (k) the vehicle(s) is lost, stolen, destroyed or determined by Lessor to be unsuitable for use; (l) Lessee attempts to remove the vehicle(s) from Canada or the United States of America; (m) Lessee fails to comply with any other of the terms, covenants or conditions of this Lease required to be kept or performed by Lessee; or (n) Lessor in good faith believes and has commercially reasonable grounds to believe that the prospect of payment or performance by Lessee is or is about to be impaired or that the vehicle(s) is or about to be placed in jeopardy.

Upon the occurrence of any event of default under this Lease, Lessor or its agent shall have the right to exercise any one or more of the following remedies, to: (a) declare the total of Monthly Lease Payments under the Lease immediately due and payable without notice or demand to Lessee; (b) demand the surrender of the vehicle(s); (c) enter upon Lessee's or guarantor(s) premises in accordance with applicable law, with or without notice, and to take possession of the vehicle(s) wherever it may be located without the need to obtain any court order or other process of law; (d) dispose of the vehicle(s) with or without notice to Lessee by public or private sale or lease in the wholesale or retail market, the choice of which is at the Lessor's discretion or in such other commercially reasonable manner as Lessor shall determine; (e) sue for any damages caused to Lessor as a result of Lessee's default; (f) terminate the Lease without relieving Lessee or Lessee's obligations under the Lease; (g) exercise any other rights and remedies available to Lessor at law, in equity or pursuant to any statute; (h) apply against amounts due and payable by Lessee, the amount of any security deposit not already applied by Lessor; (i) make payments to remedy the default and recover such payments from Lessee together with all sums due hereunder.

Upon the occurrence of any event of default under this Lease, Lessee agrees to pay Lessor as the genuine pre-estimate of the damages that should be suffered by Lessor for sales, finance, depreciation, and administrative costs and expenses and loss of profit and opportunity allocated to the uninterrupted completion of the Lease, as liquidated damages, and not as a penalty, the sum of the following: i) any Monthly Lease Payments or other amounts due and owing under the Lease at time of default; plus ii) the balance of the Monthly Lease Payments which would have been payable had the Lease gone to full term, less a deduction for the time-value of such payments; plus; iii) the Residual Value of the vehicle(s) at the scheduled termination as stated in the Schedule(s) of this Lease; plus, iv) an amount equal to one Monthly Lease Payment; plus, v) any and all commissions, fees or other amounts paid by Lessor as consideration for this Lease. This sum is the Total Default Liability of Lessee and may be demanded from Lessee by Lessor immediately upon default whether or not the Lessor is in possession of the vehicle(s).

Lessee agrees that the occurrence of any event of default under this Lease constitutes an express authorization by Lessee to have Lessor repossess the vehicle(s) without judicial authorization. Where Lessor exercises its right to demand the surrender of the vehicle(s) and where it is so surrendered to Lessor or otherwise repossessed by Lessor, the Lessor agrees to apply the Net Proceeds of Disposition, once ascertained, of the vehicle(s) to reduce the Total Default Liability of Lessee. The Net Proceeds of Disposition, which Lessee acknowledges may depending on the circumstances be more than, less than or equal to the Residual Value of the vehicle(s) at the scheduled termination of the Lease, is calculated by subtracting from the proceeds of disposition the reasonable liabilities, indebtedness, fees, costs, expenses and commissions incurred by Lessor in connection with the surrender, repossession, storage, restoration, preparing the vehicle(s) for sale and disposition of the vehicle(s). Where after application of the Net Proceeds of Disposition to the Total Default Liability, there remains a balance due to Lessor, Lessee agrees to pay this amount to Lessor immediately. Any surplus, after such application, shall be kept by Lessor.

Lessee understands and agrees that the remedies provided under this Lease in favour of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, at equity or pursuant to any statute. In particular, Lessee understands that the taking of the vehicle(s) by Lessor shall not release Lessee from any obligation under this Lease. Lessee waives all claims for damages against Lessor arising out of a repossession, voluntary surrender, removal, resale, or other disposition of the vehicles(s). Lessee agrees that any property other than the vehicle(s) which is in or upon the vehicle(s) at the time of repossession may be taken and held without liability for a reasonable period after its return is requested by Lessee, provided, however, that Lessor may at its option, deem any property which is unclaimed after 20 days from the date of repossession or surrender to be abandoned by Lessee.

To the extent permitted by law, Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor from time to time by reason of Lessee's default at the rate of twenty percent (20%) per annum both before and after judgment, said interest being calculated and compounded monthly. The interest rate above is intended to be a nominal rate and not an effective rate. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including judicial and extra-judicial fees, reasonable lawyer's fees on a sol-citor and his own client basis and court costs.

15. PURCHASE OPTION. It is understood and agreed that Lessee shall have no option to purchase the vehicle(s) at any time, however, the Lessee may have the opportunity to purchase the vehicle(s) upon the expiration of this Lease for an amount equal to the Residual Value set forth in the Schedule(s). In addition, Lessee must pay any government fees and taxes assessed in connection with the purchase, plus any other amounts due hereunder but not paid at the time of termination. Lessee expressly understands that Lessee shall have absolutely no equity or other ownership rights in the vehicle(s) unless and until Lessee purchases said vehicle(s) pursuant to this Paragraph.

16. END OF LEASE TERMINATION LIABILITY. If Lessee does not purchase the vehicle(s) at the end of the Lease term, Lessee shall, at Lessee's expense, assemble and return the vehicle(s) leased hereunder unencumbered at Lessor's place of business, or at such other reasonable place as Lessor specifies, in the same condition, appearance and functional order as received, reasonable and ordinary wear and tear excepted.
Upon the return of the vehicle(s) as herein provided, Lessor will sell the vehicle(s) at a public or private sale with or without notice to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) exceeds the Residual Value of the vehicle(s) set forth in the Schedule(s), the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax payable, reasonable sales commissions and restoration costs, if any) is less than the Residual Value of the vehicle(s) set forth in the Schedule(s), Lessee shall be liable for, and shall pay upon demand, the amount of such deficiency to Lessor.
17. VEHICLE WARRANTIES AND DISCLAIMER. The vehicle(s) are subject only to the Manufacturer's standard written warranties which accompany the vehicle(s), said warranties being hereby assigned for the term of this Lease from the Lessor to the Lessee to the extent they are assignable. LESSEE ACKNOWLEDGES THAT THE LEASE OF THE VEHICLE(S) IS ON AN "AS IS" BASIS AND LESSOR HAS NOT MADE AND DOES NOT MAKE AND WILL NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, ORAL OR WRITTEN, STATUTORY OR OTHERWISE, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, SPECIFICATIONS, MERCHANTABILITY, DURABILITY, FITNESS OR SUITABILITY OF THE VEHICLE(S) FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED OR AS TO THE CHARACTERIZATION OF THE TRANS-ACTION FOR TAX OR ANY OTHER PURPOSES. Lessor shall be conclusively deemed to have fully and fundamentally performed all its obligations and liabilities hereunder by acquiring the vehicle(s) and granting to Lessee legal possession thereof, not materially disturbed by a direct and positive act of Lessor, during the term, subject to the terms and conditions hereof. Without limiting the generality of the foregoing, Lessee agrees that any defect (latent or otherwise in or failure of the vehicle(s) (including a total failure) shall be irrebuttably presumed not to be a fundamental or other breach hereof by Lessor or failure of performance or consideration hereunder on the part of Lessor. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for damages, including without limitation, for loss of anticipatory profits or for consequential damages.
18. ENTIRE AGREEMENT. This Lease and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's right to subsequent or other full and timely performance.
19. SUCCESSORS AND ASSIGNS. This Lease shall be binding upon and inure to the benefit of any permitted successors and assigns of the respective parties hereto.
20. COSTS AND LAWYERS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Lease to a lawyer for purposes of collection, repossession or enforcement of Lessor's interests herein, Lessee agrees to reimburse Lessor upon demand for all of Lessor's repossession costs, lawyers' fees (on a solicitor and his own client basis) and expenses to the extent permitted by applicable law.
21. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing.
22. LANDLORD'S WAIVER. If Lessee is not the owner of the premises where the vehicle(s) will be located or if such premises are subject to any mortgage or other encumbrance, Lessee, at its expense and at Lessor's request, will deliver to Lessor a Landlord's Waiver Agreement in form and substance acceptable to Lessor executed by the landlord or mortgagee or encumbrancer of such premises.
23. FURTHER ASSURANCES. Lessee agrees at its expense to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor deems necessary or advisable for the confirmation or perfection of the Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording to perfect and keep perfected as against third parties the property, title and interest of Lessor in the vehicle(s). Lessee authorizes Lessor to file or record such documents at such times and such places as Lessor may consider appropriate and agrees to pay all costs in connection therewith.
24. SEVERABILITY. If any of the provisions of this Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.
25. APPLICABLE LAW. This Lease shall be deemed to have been made in the Province or Territory, and shall be governed and interpreted by, and construed and determined in accordance with, the laws of the Province or Territory, in which it is executed by Lessee. Notwithstanding such a Province's or Territory jurisdiction, the Lessor and Lessee also agree that the Courts of Ontario have non-exclusive jurisdiction to hear and decide any issue raised in connection with this Lease and to this end the Lessor and Lessee waive any defense based upon the doctrine of forum non-conveniens should a proceeding be commenced by either the Lessee or the Lessor in Ontario.
26. CALIFORNIA HEAVY DUTY VEHICLE GREENHOUSE GAS EMISSION REDUCTION REGULATION. If vehicle(s) under this Lease are heavy duty tractors that pull 53 foot or longer box-type trailers, and 53 foot or longer box-type trailers that are pulled by heavy duty tractors, operating on a highway within the State of California and are subject to California Code of Regulations, title 17, subarticle 1, sections 95300 to 95312 the following clause(s) apply under the California Heavy Duty Vehicle Greenhouse Gas Emission Reduction Regulation:

The regulations may require this heavy-duty tractor to have low-rolling-resistance tires that are U.S. Environmental Protection Agency (U.S. EPA) SmartWay Verified Technologies prior to current or future use in California, or may entirely prohibit use of this tractor in California if it is a model year 2011 or later tractor and is not a U.S. EPA SmartWay Certified Tractor."

The regulations may require this trailer to have low-rolling-resistance tires and aerodynamic technologies that are U.S. Environmental Protection Agency SmartWay Verified Technologies prior to current or future use in California."

27. WAIVER OF STATUTES. Without in any way altering the intent of the parties that this instrument shall be a true lease of the vehicle(s) and by way only of an additional assurance to Lessor that its rights in relation to the vehicle(s) will not be unduly prejudiced, Lessee, to the extent not prohibited by law or statute, hereby waives all benefits of all provisions of all applicable conditional sales, regulatory credit and other statutes or regulations made thereunder in any and all Provinces and Territories of Canada which would in any manner hinder, restrict or limit the rights of Lessor hereunder including, without limiting the generality of the foregoing, all the Lessee's rights, benefits and protections given or afforded by section 49 of the Law of Property Act of Alberta, the Seizures Act of Alberta, each as amended, supplemented, re-enacted and superseded and in force from time to time. for all scheduled payments owing to DTF pursuant to a Lease or Conditional Sale Contract (the "Contract") executed by me/us, on the dates and in the amounts set out in the Contract and for all other amounts owing under the Contract including late/NSF charges, excess kilometer charges and excess wear and tear charges as the case may be, as may be directed by either of us from time to time. I/We acknowledge and agree that the Contract contains notice of the amounts and dates of all scheduled payments. In particular, I/We further agree that if any regularly scheduled payment is dishonored by the Bank for any reason, then DTF shall be at liberty to issue another debit in substitution for the dishonored debit until the debit is honored. I/We warrant and guarantee that all persons whose signatures are required to sign on the Account have signed below. I/We will inform DTF, in writing, of any change in my/our Account information.

I/We are entitled to receive written notice from DTF of the amounts to be debited to the Account and the dates of such debits at least ten (10) calendar days before the date of the first debit. (b) this authorization applies only to the method of payment and does not have any bearing on the obligation that I/We owe under the Contract;
(c) the Bank is not responsible for confirming the terms of this Authorization; and
(d) delivery of this Authorization to the Seller or Lessor with whom I/We entered the Contract, or to DTF, constitutes delivery by me/us to the Bank.

The Authorization may be revoked by me/us at any time by giving written notice to DTF, which notice shall be effective five (5) business days after receipt. Amounts paid pursuant to this Authorization will be reimbursed only if:

I/We may obtain a sample cancellation form, or more information on my/our right to cancel this Authorization at my Bank or by visiting www.payments.ca

I/We have certain recourse rights if any debit does not comply with this agreement. For example, I/We have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Agreement. I acknowledge and agree that, upon receipt of a duly signed copy of this commercial purchaser/lessee statement ("Statement"), Daimler Truck Financial Services Canada Corporation, ("DTF") and the Dealer shall be entitled and authorized to establish a file on me containing personal information.

The object of the file shall be to allow DTF and its worldwide affiliates and assignees (1) to evaluate my credit and solvency; (2) to make a decision with regard to the Statement and the possible execution of an agreement, including a contract for lease or financing of a purchase of a motor vehicle; (3) to monitor, record and determine during the term of such a contract my compliance with all or part of the obligations contained therein; (4) to answer any questions I might have with respect to the Statement, any contract I may enter into and the file in general; (5) to record, manage, evaluate and collect, if applicable, any amount owing by me to DTF; (6) to develop and implement customer programs including communicating with me by providing me with materials such as offers, updates and information which may be of interest to me; (7) to maintain and use the information as a credit history; and (8) to meet legal and regulatory requirements.

To achieve the object of the file, I understand that the personal information contained in my file shall be made available only to the employees, representatives and agents of DTF and its worldwide affiliates and assignees who require it in the course of the performance of their duties or mandates. The personal information in my file will be used to make any relevant decisions in order to achieve the object of the file.

The file relating to me shall be kept at the DTF office (the address of which can be supplied by the Dealer). DTF shall inform me in writing if my file is moved to a new location. I understand that I shall have the right: (1) to obtain access to the personal information in my file and (2) to rectify any personal information in my file which is inaccurate, incomplete, ambiguous or out- of-date. I shall be entitled to exercise either one of these rights by addressing a written request for access or rectification to the DTF office in care of the Access to Information Manager.

I authorize DTF and the Dealer to collect the necessary personal information concerning me to fulfill the object of the file, from third persons, including credit agencies, information and collection agencies, credit reporting bureaus, financial institutions, insurance companies, insurance brokers, my past, present and future employers, creditors and landlords, motor vehicle dealers, government agencies, my spouse or any other person who has or will have information related to my credit history and my solvency, my whereabouts or the whereabouts or condition of any property that is or has been owned, held or leased by me.
