Judges Endorsment Continued

The mediation is ongoing and overall, the Applicants continue to act in good faith and with due diligence - as required.

The reports of the Monitors show that the Applicants have sufficient liquidity to operate during the extension period - up to March 31/22.

I further agree that the proposed stay extension will not cause material prejudice to the creditors, nor is any alleged.

The draft orders filed in each Application shall go as per the drafts filed and signed today
