NOTICE OF MOTION

Deloitte Restructuring Inc., in its capacity as the Court-appointed Monitor (the “**Monitor**” or “**Deloitte**”) in respect of the *Companies' Creditors Arrangement Act* (“**CCAA**”) proceedings of the respondent, Ontario Graphite Ltd. (“**OGL**”), will make a Motion to Justice Conway on March 4, 2022 at 12:30pm or as soon after that time as the motion can be heard by videoconference at 330 University Avenue, Toronto, Ontario.

THE PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR:

1. An Approval and Vesting Order substantially in the form attached as Schedule “A” to this Notice of Motion (the “**AVO**”):

- (a) if required, abridging the time for service of the Notice of Motion and the Motion Record and validating service so that the Motion is properly returnable on the proposed date and dispensing with the requirement for any further service thereof;
- (b) approving the Fifth Report of the Monitor dated February 24, 2022 (the “**Fifth Report**”), and the activities of the Monitor as set out in the Fifth Report;
- (c) approving the Share Purchase Agreement and a transaction whereby 1339307 B.C. Ltd. (the “**Bold Purchaser**”), an entity affiliated with Bold, will acquire a 100% interest in a new class of OGL shares (the “**New OGL Shares**”) via a “reverse vesting order” transaction (the “**Bold Transaction**”);
- (d) vesting the New OGL Shares in the Bold Purchaser, free and clear of any Encumbrances, except Permitted Encumbrances (as defined in the SPA);
- (e) Authorizing the Monitor to execute certain ancillary agreements for Bold’s benefit (the “**Basserman Amendment Agreements**”) as a step in the closing of the Transaction. Such agreements modify current opinion agreements between OGL and a third party in respect of mining lease options and will be effective upon the closing of the Bold Transaction;
- (f) approving the addition of 1000063081 Ontario Inc. (“**ExcludedCo**”) as an applicant in these CCAA proceedings;
- (g) vesting the Excluded Assets and Liabilities (as defined in the SPA) in favour of ExcludedCo;
- (h) declaring that OGL ceases to be a Respondent in the CCAA proceedings;
- (i) authorizing and empowering the Monitor and any officer or director appointed in respect of ExcludedCo protection from personal liability with regard to managing and administering ExcludedCo for the benefit of OGL’s creditors;
- (j) Sealing the agreement between Bold and OGL until after the Bold Transaction closes;

- (k) Authorizing a distribution to NDMNRF by the Monitor for the full amount of the costs paid by NDMNRF prior to the Closing Time in connection with the implementation of the Minister's Directions 2020-003 (which amount totalled \$2,410,109.80 as of December, 2021, plus additional amounts incurred post December 2021) (the "**NDMNRF Payment**");
- (l) Upon the making of the NDMNRF Payment directing the Director of Mine Rehabilitation, pursuant to subsection 151(5)(a) of the *Mining Act* (Ontario) to register a cessation of charge in the Land Registry Office for Land Titles Division of Parry Sound (42) with respect to registration number GB13168;
- (m) Authorizing the Monitor to effect a discharge of the any registrations against the OGL Property in the name of Robert James Basserman; and
- (n) granting such other relief as counsel may advise and this Court may permit.

THE GROUNDS FOR THE MOTION ARE

Background

2. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Fifth Report. All currency is denominated in USD unless otherwise noted;
3. OGL is a company incorporated under the laws of Ontario, conducting business as the operator of a mine located in Kearney, Ontario (the "**Mine**"). The Mine is currently on "care and maintenance";
4. On February 12, 2020, upon application by the secured creditor Orionis Corporation ("**Orionis**"), the Ontario Superior Court of Justice (Commercial List) (the "**Court**") issued an order commencing the CCAA Proceedings for the purpose of initiating a court-supervised sale and investment solicitation procedure ("**SISP**") with respect to the assets, undertakings and property of OGL (the "**Assets**");

The Initial Order

5. The Initial Order provided *inter alia* for (i) the appointment of Deloitte as Monitor, (ii) granted a stay of proceedings through to April 29, 2020 (the “**Stay Period**”), (iii) approved a charge in respect of the fees and expenses of the Monitor and its counsel, and counsel to Orionis and OGL in the amount of \$200,000, and (iv) approved a debtor-in-possession credit facility between Orionis as lender and OGL (the “**DIP Facility**”) and related charge;
6. Pursuant to an order dated February 20, 2020 the Court approved the SISP, as administered by the Monitor, in order to market the Assets and identify potential bidders or investors for the Assets, or the business of OGL (the “**SISP Approval Order**”);

The Initial SISP Fails

7. Following on the initiation of the SISP, as administered by the Monitor, three bids were received by the April 15, 2020 Phase 1 Bid Deadline (as defined in the Second Report). After receipt of further clarifications from the bidders, Orionis advised that it did not find any of the bids to be compliant with the terms of the SISP or to provide sufficient value to allow for the DIP Facility to be repaid;

Withdrawal of the DIP and Issuance of a MAC Notice

8. On April 17, 2020, Orionis delivered a notice of default and termination of the DIP Facility to the Monitor and OGL; absent the DIP Facility or other third party financing, OGL had no sources of cash flow or liquidity;
9. On account of the DIP Facility being terminated, the Monitor concluded that a material adverse change (“**MAC**”) had occurred, and on April 21, 2020 the Monitor prepared and posted a Notice of MAC with copies to OGL’s creditors and all parties on the Service List;
10. After the termination of the DIP Facility and issuance of the MAC, OGL attempted to find a potential purchaser for the Mine but was unsuccessful to the point of the expiration of the stay of proceedings on April 29, 2020;

The CCAA Termination Order

11. The Monitor concluded, at that time that, on account of the failure of the SISP and the withdrawal of the DIP Facility, there was no reasonable prospect of OGL proposing a plan

of compromise or arrangement to its creditors, or effecting sale of the business and/or the Assets;

12. On April 29, 2020, the Monitor sought and obtained the CCAA Termination Order, which provided for the discharge of the Monitor, approval of the fees of the Monitor and its counsel, and terminated the CCAA Proceedings upon the filing of the requisite certificate by the Monitor;

The Bold Global Transaction

13. On or about March 9, 2021, the Monitor was approached by a principle of Bold who expressed an interest in acquiring the Mine. Once Bold executed an NDA Bold was granted access to data room for OGL;
14. On or about March 23, 2021 Bold delivered a binding letter of intent (the “**Bold LOI**”);
15. A competing bid was submitted on March 29, 2021 by a further party, North American Carbon Solutions Inc. (“**NACS**”), but after consultations between the Monitor and Orionis it was determined that the Bold LOI constituted the superior bid;
16. Management of OGL and Bold executed the Bold LOI on April 16, 2021;
17. Subsequently, the Monitor sought a further amendment to the Initial Order which provided the Monitor with enhanced powers to permit it, on behalf of and in the name of OGL, to negotiate and enter into a definitive transaction (the “**Bold Transaction**”) substantially in accordance with the Bold LOI, or with any other person or entity the Monitor deemed appropriate;
18. The Monitor also sought an extension of the Stay Period until September 30, 2021;
19. Pursuant to an Order dated April 26, 2021, the Court granted the relief sought by the Monitor (the “**Expansion of the Powers of the Monitor Order**”). NACS did not object to the Order being granted;

The Stay Extension Order

20. The Monitor subsequently brought a motion to (i) extend the Stay Period to March 31, 2022 to permit the closing of the anticipated Bold Transaction, and (ii) to obtain Court authorization to act as OGL’s agent for the purpose of maintaining OGL’s mining claims

within the MNDMNRF Mining Lands Administration System (“**MLAS**”) (the “**Expiring Mining Claims**”);

21. Pursuant to an Order dated September 23, 2021, the Court granted the relief sought by the Monitor;

The Proposed SPA and Transactions

22. Bold has completed its due diligence and executed the SPA with the Monitor;
23. The present motion seeks Court approval of the Bold Transaction, whereby Bold will acquire pursuant to the SPA a 100% interest in a new class of OGL shares via a “reverse vesting order” transaction. Authorization for the Monitor to execute certain ancillary agreements for Bold’s benefit, i.e. the “Basserman Agreements”, is also sought;
24. The Bold Transaction also contemplates the creation of an ExcludedCo, to be added as a respondent to the within CCAA Proceedings, and to hold certain identified Excluded Assets, Leases, Contracts, and Liabilities;
25. The contemplated NDMNRF Payment reflects those costs incurred by the NDMNRF to safeguard the Mine and until such time as the Bold Transaction closes. The payment is necessary in order to discharge NDMNRF’s liens against any real property in which OGL has an interest and which will be conveyed pursuant to the Bold Transaction. The Monitor requests the approval of the Court to make this distribution immediately following the closing, and from the Purchase Consideration;

The AVO is Justified and Reasonable

26. It is the Monitor’s opinion that the Court should approve the Monitor, on behalf of OGL, entering into the Bold Transaction due to the fact that (i) OGL’s assets were marketed under the Court-approved SISF, and OGL does not possess available liquidity in order to undertake a further sales process; (ii) Orionis, OGL’s primary secured lender, is supportive of the Bold Transaction; (iii) no other party, apart from NACS, expressed an interest in OGL’s business or assets prior to April, 2021, and the NACS offer was inferior to that contemplated by the Bold LOI; (iv) the Bold Transaction provides a significantly better outcome for the creditors of OGL than would be realized in a bankruptcy; and (v) the Purchase Consideration to be paid by Bold is reasonable and fair;

27. Lastly, the Monitor is filing a copy of the SPA redacted for sensitive purchase consideration information, and otherwise seeks an Order to seal the unredacted version of the SPA on filing and until after the Bold Transaction has closed;

Miscellaneous

28. Sections 11 and 36 of the CCAA and the equitable jurisdiction of the Court;
29. Rules 1.04, 1.05, 2.03, 3.02(1) and 37 of the *Rules of Civil Procedure*; and
30. Such further and other grounds as counsel may advise and the Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

1. The Second, Third, Fourth and Fifth Reports of the Monitor; and
2. Such further and other documentary evidence as counsel may advise and the Court may accept.

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceedings**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).
2. As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020, the “**Initial Order**”, attached hereto as Appendix “**A**”) that among other things:
 - (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
 - (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
 - (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000 (the “**Directors’ Charge**”);
 - (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000 (the “**Administration Charge**”); and
 - (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10,

2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility.

3. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor and was summarized in the first report of the Monitor dated February 19, 2020 (the “**First Report**”). A copy of the First Report (without appendices) is attached hereto as Appendix “**B**”. A copy of the SISP Approval Order is attached hereto as Appendix “**C**”.
4. Despite the onset of the COVID-19 pandemic and with the concurrence of the DIP Lender, the Monitor administered the SISP in accordance with its terms. At the conclusion of Phase 1 of the SISP (as such term is defined in the SISP), the Monitor received three bids and shared a summary of same with Orionis. Orionis subsequently advised that it did not find any of the three bids to be compliant with the terms of the SISP or to provide sufficient value and, as a result, issued a notice terminating the DIP Facility.
5. The DIP Facility was OGL’s only source of liquidity and, as a result of its termination, OGL had no ongoing source of funding. Given this fact, the Monitor issued a notice of material adverse change (the “**MAC Notice**”) and filed its second report, dated April 21, 2020 (the “**Second Report**”) with the Court. A copy of the Second Report (without appendices) is attached hereto as Appendix “**D**”.
6. The Monitor subsequently issued a supplement to its Second Report on April 28, 2020 (the “**Supplemental Second Report**”). The Supplemental Second Report (attached hereto as Appendix “**E**”) provided details in respect of the following:

- (a) The request for an order in respect of the termination of OGL’s CCAA Proceedings (the “**Termination Order**”) subject to the Monitor filing a certificate (the “**Termination Certificate**”), certifying that all matters to be attended to in connection with the CCAA Proceedings have been completed. A copy of the Termination Order is attached hereto as Appendix “**F**”;
 - (b) The request for Court approval of the conduct, fees and disbursements of the Monitor and its counsel, Borden Ladner Gervais LLP (“**BLG**”) from the commencement of the CCAA Proceedings up to and including April 29, 2020 and April 26, 2020, respectively;
 - (c) Maintaining various charges and protections for the Monitor and its counsel that were granted by the Court during the CCAA Proceedings; and
 - (d) Providing the Monitor with a release in respect of its activities related to the CCAA Proceedings.
7. As of March 2021, the Monitor had not filed the Termination Certificate as the management of OGL (“**Management**”) was working to identify a party or parties that may have an interest in purchasing the Assets with the approval of the Court (and after consulting with the DIP Lender).
8. As set out in greater detail in the Third Report (as defined below), two parties approached the Monitor in the intervening period regarding a potential purchase of the Assets. One was a third party, Bold Global Advisory Ltd. (“**Bold**”) and the other was an entity called North American Carbon Solutions, Inc. (“**NACS**”). The Monitor understands that one of the principals of NACS was a member of Management.

9. Bold provided the Monitor with a letter of intent to purchase the Assets on March 23, 2021 (the “**Bold LOI**”). NACS had not submitted a letter of intent for the Assets as of that date.
10. Given the competing interest in the Assets and with Orionis’s support, the Monitor provided a short additional period for NACS to submit a bid in respect of OGL’s Assets or business (the “**NACS Offer Deadline**”). NACS ultimately submitted a bid for the Assets prior to the NACS Offer Deadline on March 29, 2021. The circumstances leading up to the selection of the preferred bidder for the Assets were set out in detail in the third report of the Monitor dated April 21, 2021 (the “**Third Report**”). A copy of the Third Report, without appendices, is attached hereto as Appendix “**G**”.
11. After reviewing the bids received from NACS and Bold, the Monitor, in consultation with Orionis, determined that the Bold offer was superior and proceeded to provide the Bold LOI to Management. Management executed the Bold LOI on behalf of OGL on April 16, 2021.
12. Given that a member of Management is a principal of NACS and that NACS was a competing bidder, the Monitor determined, in consultation with Orionis, that it would be beneficial to ask the Court to grant it additional powers to allow the Monitor to advance a transaction for the sale of the Assets. The Monitor filed a Motion seeking such expanded powers on April 21, 2021 and the Court issued an Order approving such request on April 26, 2021 (the “**Expansion of the Powers of the Monitor Order**”).
13. Counsel for NACS appeared at the hearing on April 26, 2021 wherein the Monitor was seeking the Expansion of the Powers of the Monitor Order. Despite initially raising concerns related to the draft Expansion of the Powers of the Monitor Order that the Monitor

was seeking, NACS did not ultimately object to the Expansion of the Powers of the Monitor Order being granted. Orionis was supportive of the relief that was requested.

14. The Expansion of the Powers of the Monitor Order provided the Monitor, among other things, the power to:
 - (a) Execute documents on behalf of OGL in furtherance of a sale transaction for the Assets (a “**Transaction**”);
 - (b) Engage persons or entities to assist the Monitor in advancing a Transaction; and
 - (c) Meet and direct Management, OGL or OGL’s counsel solely with regard to advancing a Transaction.

15. The Expansion of the Powers of the Monitor Order also, among other things:
 - (a) Increased the Administration Charge to CAD\$1 million;
 - (b) Approved the Third Report and the Monitor’s conduct described therein; and
 - (c) Extended the Stay Period to September 30, 2021. The Court further extended the Stay Period to March 31, 2022 on September 23, 2021.

A copy of the Expansion of the Powers of the Monitor Order is attached hereto as Appendix “**H**”.

Status of OGL’s mining claims

16. On September 23, 2021, the Court issued an Order (the “**Stay Extension Order**”) pursuant to which the Court extended the Stay Period to March 31, 2022. A copy of the Stay Extension Order is attached hereto as Appendix “**I**”.

17. In addition to obtaining an extension of the Stay Period to March 31, 2022, the Monitor also requested that the Court grant the Monitor the power to preserve and to manage certain

mining claims of OGL, which were scheduled to expire (the “**Expiring Mining Claims**”). Absent the Monitor’s intervention to preserve the Expiring Mining Claims, these claims were scheduled to expire in December 2021. The resultant effect would have been to significantly decrease the value of OGL’s asset base available for sale and would have consequently negatively affected the purchase consideration for the sale of the Assets. All Expiring Mining Claims have now been extended into 2022. The next tranche of Expiring Mining Claims does not occur until July 2022. A copy of the Fourth Report of the Monitor dated September 21, 2021, (the “**Fourth Report**”), in which the Monitor explains the situation with regard to the Expiring Mining Claims, is attached hereto (without appendices) as Appendix “**J**”.

PURPOSE

18. The Monitor files this Fifth Report in respect of its motion returnable March 4, 2022 (the “**Motion**”). The Monitor seeks an order for the following relief:
 - (a) Approving the SPA (as defined below) and a transaction whereby G6 Energy Corp. (the “**Bold Purchaser**”), an entity affiliated with Bold, will acquire a 100% interest in a new class of OGL shares (the “**New OGL Shares**”) via a “reverse vesting order” (an “**RVO**”) transaction (the “**Bold Transaction**”);
 - (b) Vesting the New OGL Shares in the Bold Purchaser, free and clear of any Claims and Encumbrances, except Permitted Encumbrances (as defined in the SPA);
 - (c) Authorizing the Monitor to execute certain ancillary agreements for Bold’s benefit (the “**Basserman Amendment Agreements**”) as a step in the closing of the Transaction. Such agreements modify current option agreements between OGL and a third party in respect of mining lease options, provide for additional payments

to the counterparties to the agreements (which will be paid by OGL at closing), and confirm that OGL has certain rights in respect of such properties. The Basserman Amendment Agreements will be effective upon the closing of the Bold Transaction. The Monitor and the Bold Purchaser are working to obtain signatures to the Basserman Amendment Agreements;

- (d) Adding ExcludedCo (as defined herein) as an applicant in these CCAA Proceedings;
- (e) Vesting the Excluded Assets and Excluded Liabilities (as defined in the SPA, which is defined below) in ExcludedCo and providing that any related Claims and Encumbrances are discharged from the OGL Property;
- (f) Declaring that OGL ceases to be a Respondent in the CCAA Proceedings;
- (g) Granting the Monitor and any officer or director appointed in respect of ExcludedCo protection from personal liability with regard to managing and administering ExcludedCo for the benefit of OGL's creditors;
- (h) Sealing the agreement between Bold and OGL until after the Bold Transaction closes;
- (i) Authorizing a distribution to the Ontario Ministry of Northern Development, Mines, Natural Resources and Forestry ("NDMNR") in the amount of approximately CAD\$2.4 million plus additional amounts incurred since December of 2021 and authorizing the discharge of the related registration on the property in the name of OGL and the property in the name of Robert James Basserman upon payment of such amounts; and

- (j) Approving the Fifth Report and the activities of the Monitor as described therein.

TERMS OF REFERENCE

19. In preparing this Fifth Report and making the comments herein, the Monitor has been provided with, and has relied upon certain unaudited financial information, books, records and financial information prepared by OGL and other third-party sources (collectively, the “**Information**”). Except as described in this Fifth Report:
- (a) The Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards (“**GAAS**”) pursuant to the *CPA Canada Handbook* (the “**CPA Handbook**”) and, accordingly, the Monitor express no opinion or other form of assurance contemplated under GAAS in respect of the Information; and
 - (b) Some of the information referred to in this Fifth Report consists of forecasts and projections. An examination or review of the financial forecast and projections, as outlined in the CPA Handbook, has not been performed.
20. Future oriented financial information referred to in this Fifth Report was prepared based on estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections, even if the assumptions materialize and the variations could be significant.

21. Deloitte has prepared this Fifth Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the Motion. Parties using the Fifth Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
22. Unless otherwise stated, all dollar amounts contained in this Fifth Report are expressed in U.S. dollars, OGL's reporting currency.

DEVELOPMENTS SINCE THE FOURTH REPORT WAS ISSUED

Status of the Bold Transaction

23. As of the date of the Fourth Report, the Monitor was continuing discussions with Bold regarding the Bold Transaction. Since that time, Bold has completed its due diligence and its nominee, the Bold Purchaser, has executed a share purchase agreement with the Monitor on behalf of OGL dated February 23, 2022 (the "SPA"). The Monitor is now seeking the Court's approval for the Bold Transaction. Further details are set out below.
24. A redacted copy of the SPA is attached hereto as Appendix "K". The only information that has been redacted is the purchase consideration, and the Court will be provided with an unredacted version of the SPA. The Monitor is seeking an Order from the Court to seal the unredacted version of the SPA until after the Bold Transaction has closed to avoid the negative consequences to the estate of OGL, especially with regard to any future sale consideration that might be received by the Monitor for a sale of the Assets should the Bold Transaction not close.
25. The SPA and the Bold Transaction contain the following significant provisions:

- (a) The Bold Purchaser will acquire a new class of shares to be issued by OGL at closing and the current class of shares held by OGL's parent company, being all of the currently issued and outstanding shares in the capital of OGL, will be cancelled. This will have the economic result of the Bold Purchaser acquiring all of OGL's business and assets with the exception of any assets or liabilities that the Bold Purchaser chooses not to retain.
- (b) These excluded assets and liabilities are detailed in the schedules to the SPA and will be vested into an entity to be incorporated by the Monitor ("**ExcludedCo**"). OGL shall issue a promissory note in the amount of the Purchase Consideration (defined below) upon the transfer. As contemplated by the SPA, ExcludedCo shall be added as a debtor in OGL's CCAA Proceeding, and the Monitor is currently seeking this relief from the Court;
- (c) The Purchase Consideration paid by the Bold Purchaser for the purchase of the New OGL Shares will be paid to the Monitor, on behalf of OGL (the "**Purchase Consideration**"). Subsequent to the closing of the Bold Transaction, the Monitor will make a motion in which it will seek Court approval for its recommended distribution of the Purchase Consideration to OGL's creditors. The Purchase Consideration is composed of (i) funds currently on deposit with the Monitor; and (ii) additional cash to be paid by the Bold Purchaser to the Monitor upon Closing of the Bold Transaction;
- (d) Pursuant to the terms of the Bold LOI, the non-refundable deposit (the "**Non-Refundable Deposit**") paid by Bold to the Monitor shall only be repayable to Bold if the Monitor, on behalf of OGL, terminates the Bold Transaction prior to the

closing of the Bold Transaction and has entered into an agreement for the sale of the Assets or the shares of OGL to another party unconnected to the Bold Transaction;

- (e) The representations made to the Bold Purchaser by the Monitor, on behalf of OGL pursuant to the Bold Transaction are limited since the share purchase transaction is on an “as is, where is” basis;
- (f) The Bold Purchaser has the right to add or exclude other assets or liabilities at its sole discretion but there shall be no change to the Purchase Consideration for any such change;
- (g) ExcludedCo shall formally assume any liabilities that are vested out of OGL;
- (h) The SPA provides that the agreement may be terminated if not closed within 30 days of Court approval, which date can be extended by up to 60 days by the Bold Purchaser;
- (i) The Monitor, subject to Court approval, shall have executed the Basserman Amendment Agreements on behalf of OGL substantially in the forms attached to the SPA, but such agreements are conditional upon the closing of the Bold Transaction;
- (j) The charges laid by MECP against OGL and two individuals associated with OGL pursuant to the *Environmental Protection Act* (Ontario) (the “EPA”) and the *Ontario Water Resources Act* (the “OWRA”) shall be dismissed against OGL as a condition precedent to the closing of the Bold Transaction; and

- (k) The Court shall have granted an approval and vesting Order in respect of the Bold Transaction, which is acceptable to both the Monitor and Bold. A draft of the proposed RVO is attached hereto as Appendix “L”.

Payment to NDMNRF

26. As of December 24, 2021, NDMNRF has incurred costs of CAD\$2,410,109.80 in respect of safeguarding the Kearney Mine pursuant to Minister’s Direction 2020-003 (the “**Direction**”). NDMNRF will continue to incur costs (together with the CAD\$2,410,109.80 incurred, the “**Ministry Costs**”) pursuant to the Direction until such time as the Bold Transaction closes at which time the Bold Purchaser becomes responsible for any such additional expenses.
27. In order to facilitate the closing of the Bold Transaction, the Monitor requests the approval from the Court to reimburse NDMNRF for the Ministry Costs immediately following the closing of the Bold Transaction from the Purchase Consideration. The Monitor has requested NDMNRF to provide an updated estimate of the Ministry Costs, but such amount is not yet known with certainty since the closing date for Bold Transaction is not known.
28. The payment of the Ministry Costs is necessary in order to discharge NDMNRF’s liens against any real property in which OGL has an interest (both owned and subject to various leases) and which will be conveyed to the Bold Purchaser pursuant to the Bold Transaction.

RATIONALE FOR RELIEF SOUGHT

29. The Monitor is of the opinion that the Court should authorize the Monitor, on behalf of OGL, to enter into and consummate the Bold Transaction for the following reasons:
- (a) OGL’s assets were broadly marketed multiple times prior to the commencement of these CCAA proceedings and including as part of the SISF, which was approved

by the Court and administered by the Monitor according to its terms. The SISIP did not generate any meaningful offers for OGL's assets or business nor that were acceptable to Orionis, OGL's primary secured lender. However, Orionis is supportive of the Bold Transaction;

- (b) Other than NACS, no party has expressed an interest in acquiring OGL's business or assets prior to OGL entering into the Bold LOI in April 2021. In the Monitor's view, the offer presented by NACS was inferior to that contemplated by the Bold LOI. Orionis has advised that it concurs with this assessment. The Monitor is further of the view that NACS was provided a reasonable opportunity to submit its best offer for OGL but that such offer was not superior to the Bold LOI;
- (c) The Purchase Price is being held by the Monitor in escrow and has been since shortly after the Bold LOI was executed. The Purchase Price includes the Non-Refundable Deposit. Additional purchase consideration has been negotiated and that will be paid to the Monitor on closing as part of the Purchase Consideration;
- (d) The Monitor is not aware of any salary or wages for services rendered that may be due to any of OGL's former employees, all of whom have either been terminated or resigned from their employment;
- (e) The Bold Transaction is expected to close within 30 days of obtaining the RVO, but the closing date may be extended in certain circumstances;
- (f) The economic effect of the share purchase pursuant to the Bold Transaction combined with a reverse vesting order is consistent with the intended effect of an asset sale with a conventional vesting order;

- (g) The RVO structure is appropriate because neither Bold nor the Bold Purchaser were prepared to proceed with the Bold Transaction by way of an asset purchase agreement due to the regulatory challenges, delays and uncertainty with the requirements associated with a traditional asset sale and the need to obtain NDMNRF approvals;
- (h) In the Monitor's view, no stakeholders will be prejudiced by the reverse vesting order structure because, among other things, the Bold Purchaser will continue to be bound by the closure plan;
- (i) Should the Bold Transaction close, there will be significant funds paid to OGL's principal secured creditors. A payment of such an amount would be unlikely should OGL be forced into bankruptcy, because in those circumstances the assets of OGL could only be sold for liquidation value and would be subject to the priority charges of the NDMNRF for the Ministry Costs. Given the limited interest in the Assets, there is no guarantee that a purchaser would have been identified in a bankruptcy or that such a purchaser would have had the financial ability to undertake the environmental and regulatory obligations associated with the mine. As such, in the Monitor's opinion, the Bold Transaction provides a significantly better outcome for the creditors of OGL, including the NDMNRF and the MECP, than would be realized if OGL were to become a bankrupt. The Monitor intends to return to Court in or to obtain a separate distribution Order once the Bold Transaction closes;
- (j) Orionis has been consulted during the process of negotiating the SPA with Bold. Orionis is supportive of the Bold Transaction;

- (k) Both the Monitor and Bold have had discussions with the Ministry with regard to the key considerations of the Bold Transaction as they affect the mine and the Monitor had provided the Ministry with draft copies of the Fifth Report and the RVO prior to serving; and
 - (l) Based on the SISP and the process leading up to the expected consummation of the Bold Transaction, the Monitor is of the view that the approval of the SPA and the Bold Transaction by the Court is justified, in the circumstances, on account of, *inter alia*, (a) OGL's business and assets were broadly canvassed pursuant to the SISP administered by the Monitor and supervised by the Court, however, the offers that were submitted for the purchase of the Assets were not acceptable to Orionis; (b) the Purchase Consideration to be paid by Bold is reasonable and fair; and, (c) OGL has no available liquidity in order to be able undertake a further sales process.
30. Similarly, the Monitor is of the view that an RVO is appropriate in these circumstances for the following reasons:
- (a) The RVO structure allows the Bold Purchaser to acquire all of OGL's mining rights (OGL has an interest in excess of 90 mining parcels) and other permits (issued by both MECP and NDMNRF) in a seamless transaction, without the requirement to seek formal approval from the MECP and NDMNRF for such a transfer. Notwithstanding the foregoing, the Monitor and Bold Purchaser have been in active discussions with MECP and NDMNRF and has incorporated comments on the transaction documents.
 - (b) The RVO structure will ensure that the Bold Transaction closes on an expeditious time frame and will enhance creditor recoveries because the Bold Purchaser will

assume responsibility for the mine operations on a more timely basis thereby avoiding any further dissipation of the Purchase Consideration because of increased costs by and reimbursement to NDMNRF with respect to maintaining the mine site.

The Monitor is of the view that the RVO structure is the preferred and optimal mechanism to accomplish the best recovery for OGL creditors;

- (c) The Bold Transaction is expected to provide the best opportunity available at this time to keep the Assets productive, provide employment for Ontarians and address any environmental and mining rehabilitation obligations going forward;
- (d) No stakeholder will be worse off as a result of using the RVO structure for the Bold Transaction. Orionis, MECP and NDMNRF have all been consulted during the negotiation of the SPA and have not raised any material objections to the proposed RVO structure. The Monitor is of the view that canvassing the stakeholders with a principal economic interest in the Bold Transaction was sufficient and appropriate in the circumstances; and,
- (e) The Monitor is not aware of any other objections to the proposed RVO structure and Bold Transaction.

RECOMMENDATION

31. For the reasons set out above, the Monitor is of the opinion that Bold Transaction is the single best option for the creditors of OGL in the circumstances. Accordingly, the Monitor respectfully recommends that the Court approve the relief that the Monitor is seeking with respect to the Bold Transaction and grant the RVO, attached as attached as Appendix “L” to this Fifth Report.

32. The Monitor also recommends that the Court approve this Fifth Report and the activities of the Monitor as described herein.

All of which is respectfully submitted this 24th day of February 2022.

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”) commenced a proceeding (the “**CCAA Proceeding**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”). As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (the “**Initial Order**”) in respect of OGL.
2. Among other things, the Initial Order:
 - (a) appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
 - (b) granted a stay of proceedings in respect of OGL through February 22, 2020 (the “**Stay Period**”);
 - (c) approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000 (the “**Directors’ Charge**”);
 - (d) approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000 (the “**Administration Charge**”); and
 - (e) approved a debtor-in-possession credit facility (the “**DIP Facility**”) to be provided by Orionis and also approved a charge in favour of Orionis in respect of such DIP Facility (the “**DIP Lender’s Charge**”). The quantum of the approved borrowings were limited to CAD\$200,000 with the expectation that further borrowings (to a limit of USD\$2.75 million) (the “**Increased Borrowings Authorization**”) would

be approved at a hearing to be held prior to the expiry of the Stay Period (the “**Comeback Hearing**”).

3. Deloitte, in its capacity as proposed monitor of OGL, filed a report with the Court dated February 11, 2020 (the “**Pre-filing Report**”). The Pre-filing Report contains background with respect to OGL and the causes of its insolvency. A copy of the Pre-filing Report, without appendices, is included in this report (the “**First Report**”) as Appendix “A”.

PURPOSE

4. The Monitor files this First Report in respect of certain matters to be addressed at the Comeback Hearing and to provide the Court with a summary of its activities since the commencement of these CCAA Proceedings.
5. This First Report includes information in respect of Orionis’ motion seeking, among other things:
 - (a) Court approval in respect of the Increased Borrowings Authorization;
 - (b) Court approval in respect of the incentive and retention plan (the “**IRP**”) and the related charge on OGL’s assets (the “**IRP Charge**”) to secure certain retention payments contemplated thereunder;
 - (c) Court approval in respect of the proposed sale and investment solicitation procedure (the “**SISP**”), a summary of which was provided in the Pre-Filing Report and is attached in full to this First Report as Appendix “**B**”;
 - (d) an Order deeming that all references to currency in the DIP Term Sheet (as defined below) represent U.S. dollars (unless otherwise specified); and
 - (e) an extension of the Stay Period to April 29, 2020.

6. This First Report also contains information in respect of the Monitor's review of the Cash Flow Forecast.

7. In preparing this First Report, Deloitte has been provided with, and has relied upon unaudited, draft and/or internal financial information, OGL's books and records, discussions with management of OGL ("**Management**"), discussions with Orionis and its legal counsel, and information from third-party sources (collectively, the "**Information**"). Except as described in this First Report:

- (a) Deloitte has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, Deloitte has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CAS**") pursuant to the *Chartered Professional Accountants Canada Handbook* and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and
- (b) Deloitte has prepared this First Report in its capacity as Monitor to provide background to the Court for its consideration of the relief being sought. Parties using the First Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.

8. Unless otherwise stated, all dollar amounts contained in this First Report are expressed in **U.S. dollars.**

DIP FINANCING

10. As set out in the Pre-filing Report, Orionis has agreed to provide OGL with a DIP Facility in the maximum amount of \$2.75 million, subject to the terms and conditions contained in the DIP Term Sheet. The purpose of the DIP Facility is to provide OGL with funds for general working capital needs and to fund the costs of this CCAA Proceeding, including the costs of the SISP and the payment to suppliers in respect of environmental remediation work (the “**Ordered Work**”) that is being undertaken pursuant to an order (the “**Second Director’s Order**”) issued by the Ministry of the Environment, Conservation and Parks (the “**MECP**”). Additional information in respect of both the Ordered Work and the Second Director’s Order can be found in the Pre-Filing Report. A copy of the DIP Term Sheet is attached to this First Report as Appendix “C”.
11. The Initial Order authorized funding in the amount of CAD\$200,000 to OGL ahead of the Comeback Hearing with the full quantum of the DIP Facility to be approved, should the Court see fit to do so, at the Comeback Hearing. Orionis is now seeking Court approval to provide the DIP Facility up to its stated maximum of \$2.75 million.
12. Given OGL’s lack of operational funding, it is dependent on advances from Orionis to fund all operations related to the Ordered Work and these CCAA Proceedings, including the SISP. For this reason, the Monitor is supportive of the Court granting the Increased Borrowings Authorization in the amount of \$2.75 million. Under the circumstances, it is

the Monitor's view that any attempt to locate alternate lending arrangements through another financier would be futile and costly.

PROPOSED IRP AND IRP CHARGE

13. Orionis is currently seeking Court approval of the IRP and the approval of the IRP Charge. Both of these were detailed in the Pre-filing Report and in Orionis' CCAA filing materials, although they were previously identified as the KERP and the KERP Charge, respectively, in such materials. The Monitor understands that one of the beneficiaries of the proposed plan is an independent contractor and not an employee of OGL. Accordingly, the names of the plan and the related charge have been revised to more accurately reflect the nature of the beneficiaries.
14. As detailed in the Pre-Filing Report, the Monitor is supportive of the IRP Charge and noted that additional details would be provided in respect of same prior to the Comeback Hearing.
15. Information related to the IRP, which is attached as Confidential Appendix "1", is summarized as follows:
 - (a) All of OGL's five employees, and one contractor who works solely for OGL, are beneficiaries of the IRP;
 - (b) The provisions of the IRP require, among other things, that:
 - (i) employees do not voluntarily leave their employment at OGL and are not terminated for cause prior to transaction relating to the Kearney mine (the "**Mine**") resulting from the SISP (the "**Transaction**");
 - (ii) the IRP participants continue to comply with their current duties in respect of OGL; and

- (c) The IRP, with one exception related to potential bonuses that could be paid thereunder, provides that OGL's employees will be paid the equivalent of two months' of their respective 2019 salary, or in the case of the contractor, twice the monthly fees charged in 2019 (plus HST), payable at the earlier of:
 - (i) the termination, not for cause, of their employment or of the services arrangement;
 - (ii) the closing of a Transaction; and
 - (iii) the termination of the CCAA Proceedings.
- 16. The purpose of the IRP is to provide OGL with continuity in respect of the administration of the SISP and the completion of the Ordered Work.
- 17. The Monitor continues to support the IRP and the IRP Charge for the following reasons:
 - (a) the Monitor worked with OGL and Orionis to design the IRP by providing its view prior to the issuance of the Initial Order;
 - (b) the employees at OGL and the contractor are critical to the success of the implementation of the Ordered Work given their long-term involvement with the requirements of the MECP and the Second Director's Order. In the Monitor's view, it would be difficult to quickly replace such workers given the highly technical nature of the environmental remediation program. Given the implications of the Ordered Work, it is imperative that workers with knowledge of such requirements remain with OGL for continuity purposes;
 - (c) OGL's sole officer has substantial knowledge regarding the technical and financial elements of OGL's assets. Such expertise is critical to the SISP;

- (d) The IRP provides an incentive for employees to remain employed at OGL and for the contractor to continue providing services as their retention payments are payable after a Transaction relating to the Mine is completed. The IRP incents OGL's sole officer to achieve a higher sale price for the benefit of all stakeholders;
- (e) The quantum of the IRP is not excessive in terms of its quantum, and in the Monitor's view it still provides a meaningful incentive; and
- (f) Orionis, OGL's key largest secured creditor whose pre-filing interests would be subordinated by the IRP Charge, is supportive of the IRP and the IRP Charge.

THE PROPOSED SISP

- 18. The Pre-filing Report contained a summary of the proposed SISP. The complete version of the proposed SISP is included as Appendix "B".
- 19. The Monitor, OGL, and Orionis and their counsel have developed the proposed SISP with respect to the marketing and sale of OGL's assets/business to potentially interested parties. Orionis is of the view that it is necessary to execute the SISP to properly market OGL's business and assets and is seeking the Court's approval to do so. The Monitor shares this view.
- 20. The following table summarizes the key activities and milestones related to the proposed SISP¹.

¹ Potentially interested parties are recommended to review the full terms of the SISP with legal counsel. The table below sets out a summary of key terms of the proposed SISP only. This summary is qualified in its entirety by the actual terms of any SISP granted by the Court.

21. In order to execute the SISP, the Monitor will be assisted by its corporate finance affiliate, Deloitte Corporate Finance Inc. (“**DCFI**”). DCFI has significant experience in marketing mining properties at various stages of development.
22. The Monitor is of the view that the proposed SISP provides an appropriate process to market a unique asset and that it will assist in finding an appropriate buyer or investor for OGL’s assets or business.

CURRENCY OF DIP TERM SHEET

23. The Initial Order approved CAD\$200,000 of borrowings pursuant to DIP Facility prior to the Comeback Hearing. The terms of the DIP Facility are governed by a term sheet between Orionis and OGL previously approved by the Court in these CCAA Proceedings (the “**DIP Term Sheet**”)
24. Notwithstanding the currency of the initial borrowing amount that was approved by the Initial Order and set out in Section 17 of the DIP Term Sheet, the Monitor understands that it was always the intention of the parties to have the DIP Term Sheet denominated in U.S. funds as this is the currency in which OGL reports to Orionis and is the currency in which it forecasts its cash flows.
25. Accordingly, Orionis will be seeking an Order deeming that, notwithstanding Section 17 of the DIP Term Sheet, all references to currency therein shall be references to U.S. dollars (unless specified therein). The Monitor is supportive of this relief.

THE CASH FLOW FORECAST

26. The Cash Flow Forecast is attached as Appendix “**D**” to this First Report.
27. The Cash Flow Forecast is presented on a weekly basis and estimates OGL’s receipts and disbursements from February 7, 2020 to August 28, 2020 (the “Cash Flow Period”). The Monitor has reviewed the Cash Flow Forecast with respect to the reasonableness of its major assumptions as required by section 23(1)(b) of the CCAA.
28. Pursuant to this standard, the Monitor’s review of the Cash Flow Forecast consisted of inquiries, analytical procedures, review of the supporting data and consideration of the Information. Since assumptions with respect to the Cash Flow Forecast need not be

supported, the Monitor's procedures with respect to its material assumptions was limited to evaluating whether they were consistent with the purpose of the Cash Flow Forecast.

29. Based on the Monitor's review, nothing has come to its attention that causes it to believe, in all material respects that:
- (a) the material assumptions are not consistent with the purpose of the Cash Flow Forecast;
 - (b) as at the date of this First Report, the material assumptions are not suitably supported and consistent with the plans of OGL or do not provide a reasonable basis for the Cash Flow Forecast; or
 - (c) the Cash Flow Forecast does not reflect the material assumptions upon which it was created.

EXTENSION OF THE STAY PERIOD

30. Absent an extension of the Stay Period, the stay granted by the Initial Order will expire on February 22, 2020.
31. Orionis is currently seeking an extension of the Stay Period to April 29, 2020. An extension of the Stay Period will allow the Monitor and DCFI to commence the SISF, if approved, through its proposed first phase to gauge market interest in the OGL opportunity. This date has been chosen specifically to allow the Monitor and DCFI to carry out Phase 1 of the SISF and determine, at that time, whether it is advisable to continue with the process. Should there be no interest, the Monitor, after consulting with Orionis and OGL, may seek directions from the Court.

32. Given the relatively short period of time since the Initial Order was granted, a new cash flow forecast has not been prepared. The Cash Flow Forecast included in the Pre-Filing Report is attached as Appendix “D” to this First Report.

RECOMMENDATIONS

33. For the reasons set out above, the Monitor recommends that the Court, should it see fit to do so, grant the relief sought by Orionis in its motion record dated February 18, 2020, including:
- (a) granting the Increased Borrowings Authorization;
 - (b) approving the IRP and the IRP Charge;
 - (c) approving the SISP;
 - (d) deeming all references to currency in the DIP Term Sheet to represent U.S. dollars (unless otherwise specified therein); and
 - (e) extending the Stay Period to April 29, 2020.

All of which is respectfully submitted this 19th day of February, 2020.

- APPENDIX “E” – MAC Notice**

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceeding**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).

As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020, the “**Initial Order**”) that among other things:

- (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
- (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
- (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000;
- (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000; and
- (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10, 2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility. The

quantum of the approved borrowings was limited to USD\$2.75 million. The DIP Term Sheet is attached as Appendix “**B**” to this Second Report.

2. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor.

PURPOSE

3. The Monitor files this Second Report in respect of a material adverse change (the “**MAC**”) in respect of OGL’s CCAA Proceeding and the various effects the MAC is expected to have.

TERMS OF REFERENCE

4. In preparing this Second Report, Deloitte has been provided with, and has relied upon unaudited, draft and/or internal financial information, OGL’s books and records, discussions with management of OGL (“**Management**”), discussions with Orionis and its legal counsel, and information from third-party sources (collectively, the “**Information**”). Except as described in this Second Report:

- (a) Deloitte has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, Deloitte has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the *Chartered Professional Accountants Canada Handbook*

and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and

- (b) Deloitte has prepared this Second Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the MAC. Parties using the Second Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
5. Unless otherwise stated, all dollar amounts contained in this Second Report are expressed in U.S. dollars.

ACTIVITIES SINCE THE COMMENCEMENT OF THE CCAA PROCEEDING

6. Since the date of the SISP Approval Order, the Monitor has taken steps to administer the SISP. A copy of the SISP is attached as Appendix “C” to this Second Report. The Monitor’s activities to administer the SISP have included:
- (a) Developing marketing materials (a “teaser” and a confidential information memorandum (the “**CIM**”)) for distribution to creditors both prior to and after the execution of a non-disclosure agreement (and “**NDA**”);
 - (b) Along with Management, developing a list of potentially interested parties in OGL’s assets (the “**Buyers List**”). The Buyers List included 327 parties including mining companies (both graphite and other base metals, 37 parties in total), diversified metals and mining producers (75 parties), graphite producers (43 parties), users of graphite (126 parties), trading houses (15 parties), and financial buyers that focus on mining opportunities (31 parties);

- (c) Contacting parties on the Buyers List to see if they had any interest in signing an NDA to further explore the OGL opportunity. The Monitor leveraged its global network to reach out to Buyers List parties in other jurisdictions (Asia, Europe, etc.);
 - (d) Providing the CIM and other materials to parties that had executed an NDA. The Monitor then responded to questions from such parties on an ongoing basis;
 - (e) Confirming to those parties that had executed an NDA the requirements to submit a bid prior to the Phase 1 bid deadline of April 15, 2020 at 5:00 p.m. (Toronto time) (the “**Phase 1 Bid Deadline**”); and
 - (f) Preparing and providing a summary of the three bids received to Orionis as DIP Lender as required by the SISP.
7. Each of the three bids received by the Phase 1 Bid Deadline required clarification as certain of the economics were unclear to the Monitor. Such clarifications occurred on April 16, 2020. Based on the result of these clarifications, and after receiving a summary of the three bids received, Orionis advised that it did not find any of the three bids to be compliant with the terms of the SISP or to provide sufficient value.
8. On April 17, 2020, Orionis delivered a notice of event of default and termination of DIP Facility to the Monitor and OGL (the “**Lender Notice**”), which advised that Orionis determined that an event of default under section 15(n) of the DIP Term Sheet occurred and, accordingly, the Obligations (as defined in the DIP Term Sheet) became due and payable in accordance with section 8(c) of the DIP Term Sheet. The Lender Notice also served as Orionis’s notice to terminate the DIP Facility pursuant to section 9 of the DIP

Term Sheet and in accordance with the Initial Order. Sections 8, 9 and 15(n) of the DIP Term Sheet are reproduced below in part (all capitalized terms as defined in the DIP Facility):

Section 8 (Repayment): “Unless otherwise agreed in writing by the Debtor and the Lender, the Obligations shall be due and payable on demand and, if not demanded, shall be repaid to the Lender as follows: [...] (c) in full, (i) on the expiry of the Initial Term (as defined below), subject to any Extended Term (as defined below), [...] or (v) after the occurrence of an Event of Default (as defined below). [...]”

Section 9 (Term): “[...] the Lender may terminate the DIP Facility at any time following the occurrence of an Event of Default (as defined below) at which point the Initial Term shall be deemed to have expired. The Initial Term shall also be deemed to have expired if at any time the Lender, acting reasonably, determines that there is no reasonable prospect that a sale of the Assets, satisfactory to the Lender, will be identified or completed through the SISP.”

Section 15 (Events of Default): “(n) the Lender in good faith believes the prospect of payment of the Obligations or the performance of the Debtor’s other obligations hereunder or under any of the security granted in connection herewith is impaired or that any of the Assets are or are about to be placed in jeopardy.”

A copy of the DIP Facility termination notice is attached as Appendix “**D**” to this Second Report.

9. Based on this notice, the Monitor has considered whether the termination of the DIP Facility constitutes a MAC. In order to do so, the Monitor has considered the Standards of Professional Conduct (the “**Standards**”) of the Canadian Association of Insolvency and Restructuring Professionals (“**CAIRP**”). The Standards require the following to be considered:

- (a) Whether the change has a significant adverse effect on the projected cash flow;
 - (b) Whether the change significantly impairs, or is reasonably expected to significantly impair, the debtor's financial circumstances or the ability of the debtor to carry on operations;
 - (c) Whether the change significantly impairs the likelihood of success of a proposal or Plan of Compromise or Arrangement; or
 - (d) Whether the change significantly prejudices the rights or interests of one or more classes of creditors.
10. Absent the DIP Facility or other third party financing, OGL has no sources of cash flow or liquidity. As such, the Monitor is of the view that the termination of the DIP Facility meets each of the criteria above and, as such, a MAC has occurred.
11. The Monitor has prepared a Notice of Material Adverse Change (the "**MAC Notice**") to be posted on its case website at www.insolvencies.deloitte.ca/en-ca/ogl. Where possible, the Monitor will also send a copy of the MAC Notice to OGL's creditors and those parties that appear on the Service List. The MAC Notice (without appendices) is attached to this Second Report as Appendix "**E**".

EFFECT OF THE DIP TERMINATION ON THE INTERIM PLAN AND OGL'S ENVIRONMENTAL COMPLIANCE

12. In addition to providing funding to administer the SISP and these CCAA Proceedings, the funding contemplated by the DIP Facility would have been necessary for OGL to maintain the Kearney Mine site's (the "**Mine**") environmental compliance and to carry out certain work (the "**Ordered Work**" and together with the ongoing environmental maintenance,

the “**Interim Plan**”) pursuant to a Director’s Order (the “**Order**”) issued by the Ministry of the Environment, Conservation and Parks (the “**MECP**”). The remaining components of the Ordered Work largely involve dredging OGL’s polishing pond and other related work at the Mine.

13. In addition to OGL, certain company executives were personally named in the Order.
14. As part of the Interim Plan, OGL installed a mobile treatment unit (the “**MTU**”) that treats water prior to it being discharged into the local watershed. The main function of the MTU is to maintain the level of acidity of water being discharged. Since water leaving the Mine site is naturally acidic, it is treated with “lime”, an alkaline solution that helps to neutralize the water and balance its acidity. Without ongoing funding, such treatment will no longer be possible. Management estimates that existing lime supply will run out on or about April 23, 2020.
15. Much of the necessary work contemplated by the Order, which is “capital” in nature, was originally scheduled to be completed in the fall of 2019. However, due to an early freeze at the Mine site, it was necessary for OGL to seek an amendment to the Order to allow it to perform certain elements in the spring of 2020. Such deferral was agreed with the MECP in December 2019.
16. Management has previously confirmed to the Monitor that necessary purchase orders have been issued and the various contractors are scheduled to perform the remaining Ordered Work as soon as environmental conditions allow (i.e. the polishing pond thaws and the roads on the Mine site are in suitable condition for heavy equipment to access the necessary areas of the property).

17. Approximately \$250,000 is required to complete the remaining Ordered Work. Absent the DIP Facility, OGL does not have sufficient liquidity to pay the contractors to carry out the Ordered Work, nor to maintain the liming activities performed by the MTU.

NEXT STEPS

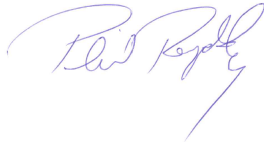

18. OGL has limited cash resources and its current bank balance is approximately CAD\$45,000.
19. The Monitor will be assessing OGL's options given the issuance of the MAC Notice and will report to the Court when there is greater certainty in this regard.

All of which is respectfully submitted this 21st day of April, 2020.

- (j) It provides for closing of the Qualified Investment Bid by no later than the Target Closing Date;
- (k) If the Qualified Phase 2 Bidder is an entity newly formed for the purpose of the transaction, the Investment Proposal shall contain an equity or debt commitment letter from the parent entity or sponsor, and satisfactory to the Monitor, that names OGL as a third party beneficiary of any such commitment letter with recourse against such parent entity or sponsor;
- (l) It includes evidence, in form and substance reasonably satisfactory to the Monitor, of compliance or anticipated compliance with any and all applicable regulatory approvals (including, if applicable, anti-trust regulatory approval), the anticipated time frame for such compliance and any anticipated impediments for obtaining such approvals;
- (m) It contains other information reasonably requested by the Monitor; and
- (n) It is received by no later than the Phase 2 Bid Deadline.

5.4 Qualified Bids

- (1) Qualified Purchase Bids and Qualified Investment Bids shall hereinafter be referred to as “**Qualified Bids**” and each a “**Qualified Bid**” and each bidder who has submitted a Qualified Bid shall hereinafter be referred to as a “**Qualified Bidder**”.
- (2) Notwithstanding Section 5.2 and Section 5.3 hereof, the Monitor, with the consent of the Secured Creditor, may waive compliance with any one or more of the Qualified Bid requirements specified herein, and deem such non-compliant bids to be Qualified Purchase Bids or Qualified Investment Bids, as the case may be.

5.5 No Qualified Bids

- (1) In consultation with the Secured Creditor and OGL, the Monitor will assess the Qualified Bids received, if any, and will determine whether the transactions contemplated by such Qualified Bids are likely to be consummated and whether proceeding with these SISP Procedures is in the best interests of OGL and its stakeholders. Such determination will be made, subject to the prior written consent of the Secured Creditor, acting reasonably, as promptly as practicable after the Phase 2 Bid Deadline.
- (2) If the Monitor, in accordance with Section 5.5(1) above, determines, in consultation with the Secured Creditor and OGL, that (a) no Qualified Bid was received, or (b) at least one Qualified Bid was received but it is not likely that the transactions contemplated in any

such Qualified Bids will be consummated, the Monitor shall, within ten (10) Business Days of such determination, file a motion with the Court seeking directions. In the circumstances described in this subsection, the Secured Creditor shall have the option within five (5) Business Days from such determination to submit a credit bid (that would constitute a binding agreement if accepted) even if they did not submit a credit bid at any other point during Phase 1 or Phase 2, and notwithstanding the receipt of any new information regarding bids or offers after the commencement of Phase 2.

5.6 Selection Criteria

- (1) In selecting the Successful Bid, the Monitor, in consultation with the Secured Creditor and OGL, will review each Qualified Bid. Evaluation criteria with respect to a Sale Proposal may include, but are not limited to, items such as:
 - (a) The Purchase Price and the net value (including assumed liabilities and other obligations to be performed or assumed by the bidder) provided by such bid;
 - (b) The claims likely to be created by such bid in relation to other bids;
 - (c) the counterparties to the transaction;
 - (d) The proposed revisions to the Draft Purchase Agreement and the Draft Approval Order and the terms of the transaction documents;
 - (e) Other factors affecting the speed, certainty and value of the transaction (including any regulatory approvals required to close the transaction);
 - (f) The assets included or excluded from the bid and the transaction costs and risks associated with closing multiple transactions versus a single transaction for all or substantially all of the Property;
 - (g) The transition services required from OGL post-closing and any related restructuring costs; and
 - (h) The likelihood and timing of consummating the transaction by the Target Closing Date.

- (2) Evaluation criteria with respect to an Investment Proposal may include, but are not limited to items such as:
 - (a) The Investment Amount and the proposed sources and uses of such capital;
 - (b) The debt to equity structure post-closing;
 - (c) The counterparties to the transaction;
 - (d) The terms of the transaction documents;
 - (e) Other factors affecting the speed, certainty and value of the transaction;

- 18 -

- (f) Planned treatment of and recovery to stakeholders; and
 - (g) The likelihood and timing of consummating the transaction by the Target Closing Date.
- (3) The Monitor may select Qualified Bids for further negotiation and/or clarification of any terms or conditions of such Qualified Bids, including the Investment Amount or Purchase Price offered, before identifying the highest or otherwise best Qualified Bid(s) received (the “**Successful Bid**”).
 - (4) Upon completion of any further negotiations or clarifications that may be conducted pursuant to Section 5.6(3) above, the Monitor will identify the Successful Bid and may identify a next highest or otherwise best Qualified Bid received (such offer, the “**Backup Bid**”). The Qualified Bidder(s) who made the Successful Bid is/are the “**Successful Bidder**” and the Qualified Bidder(s) who made the Backup Bid (if a Backup Bid is identified in accordance with these SISP Procedures) is/are the “**Backup Bidder**”. The Monitor will notify the Successful Bidder and any Backup Bidder that they are, respectively, the Successful Bidder and the Backup Bidder.
 - (5) The Monitor will finalize definitive agreements in respect of the Successful Bid and the Backup Bid, if any, conditional upon approval by the Court (the “**Definitive Agreements**”).
 - (6) If a Backup Bid is identified in accordance with these SISP Procedures, then such Backup Bid shall remain open until the consummation of the transaction contemplated by the Successful Bid (the “**Backup Bid Expiration Date**”).
 - (7) All Qualified Bids (other than the Successful Bid and any Backup Bid) shall be deemed rejected by the Monitor on and as of the date of approval of the Successful Bid or any Backup Bid by the Court.

5.7 Approval Hearing

- (1) After Definitive Agreements in respect of a Successful Bid and Backup Bid, if any, have been finalized, in the case of the Successful Bid, signed (conditional on Court approval) and, in the case of the Backup Bid signed (conditional on non-completion of the Successful Bid and on Court approval), the Monitor shall seek a hearing as soon as practicable on a date to be scheduled by the Court that will permit not less than five (5) Business Days’ notice to the service list (the “**Approval Hearing**”) to approve the Successful Bid and the Backup Bid, if any, should the Successful Bid not close for any reason. The Approval Hearing may be adjourned or rescheduled by the Monitor, without further notice, by an announcement of the adjourned date at the Approval Hearing.
- (2) If, following approval of the Successful Bid by the Court, the Successful Bidder fails to consummate the transaction for any reason, then the Backup Bid, if any, will be deemed to be the Successful Bid and the Monitor shall effectuate the transaction with the Backup Bidder subject to the terms of the Backup Bid, without further order of the Court.

5.8 Deposits

- (1) All Deposits shall be retained by the Monitor and invested in an interest-bearing trust account in a Schedule I bank in Canada. If there is a Successful Bid, the Deposit (plus accrued interest) paid by the Successful Bidder whose bid is approved pursuant to the Approval Hearing shall be applied to the Purchase Price to be paid or Investment Amount to be made by the Successful Bidder upon closing of the Successful Bid. The Deposit (plus accrued interest) paid by the Backup Bidder, if there is one, shall be retained by the Monitor until the Backup Bid Expiration Date or, if the Backup Bid becomes the Successful Bid, shall be applied to the Purchase Price to be paid or Investment Amount to be made by the Backup Bidder upon closing of the Backup Bid. The Deposits (plus applicable interest) of all Qualified Phase 2 Bidders not selected as the Successful Bidder or Backup Bidder shall be returned to such bidders without interest within five (5) Business Days of the date upon which the Successful Bid and Backup Bid, if any, are approved by the Court. If these SISP Procedures are terminated in accordance with the provisions hereof, all Deposits shall be returned to the bidders without interest within five (5) Business Days of the date upon which these SISP Procedures are terminated.
- (2) If an entity selected as the Successful Bidder or Backup Bidder breaches its obligations to close, it shall forfeit its Deposit to the Monitor; provided, however, that the forfeiture of such Deposit shall be in addition to, and not in lieu of, any other rights in law or equity that the Monitor has or may have against such breaching entity.

5.9 Approvals

For greater certainty, the approvals required pursuant to the terms hereof are in addition to, and not in substitution for, any other approvals required by any Canadian or other foreign statute or are otherwise required at law in order to implement the Successful Bid or Backup Bid, as the case may be.

5.10 Notice to the Monitor

Any notice or other communication to be given to the Monitor in connection with this SISP shall be given in writing and shall be given by personal delivery (in which case it shall be left with a responsible officer of the recipient) or by electronic communication addressed to the Monitor as follows:

Telephone: 416-956-9200 and 416-607-0781

5.11 Reservation of Rights

- (1) The Monitor may:
 - (a) Reject at any time any bid that is:
 - (i) inadequate or insufficient;
 - (ii) not in conformity with the requirements of these SISP Procedures or any orders of the Court applicable to OGL; or
 - (iii) contrary to the best interests of OGL, its estate, and stakeholders as determined by the Monitor;
 - (b) In accordance with the terms hereof, accept bids not in conformity with these SISP Procedures to the extent that the Monitor determines, in its reasonable business judgement, that doing so would benefit OGL, its estate, and stakeholders;
 - (c) In accordance with the terms hereof extend the Phase 1 Bid Deadline or Phase 2 Bid Deadline; and
 - (d) Reject all bids.

The Monitor shall not be required to accept the highest bid, but shall be entitled to recommend to the Court a transaction that in its view maximizes value for all stakeholders.

- (2) These SISP Procedures do not, and shall not be interpreted to, create any contractual or other legal relationship between the Monitor on the one hand and any Known Potential Bidder, Potential Bidder, Qualified Phase 1 Bidder, Qualified Phase 2 Bidder, Qualified Bidder, Successful Bidder or Backup Bidder, on the other hand, except as specifically set forth in Definitive Agreements that may be executed by the Monitor.
- (3) Subject to the restrictions and limitations set out in Section 4.3(7) hereof, the Secured Creditor shall be granted by the Monitor with full access to the information in connection with the Non-Binding Indication of Interests, the Phase 1 Qualified Bids and/or the Phase 2 Qualified bids, as the case may be.

5.12 Further Orders

At any time during the SISP, the Monitor may apply to the Court for directions with respect to the discharge of its powers and duties hereunder.

5.13 Credit Bid

These SISP Procedures permit the Secured Creditor to submit a credit bid, provided such credit bid is in accordance with the terms and conditions of these SISP Procedures and in accordance with applicable law.

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceeding**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).

As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020, the “**Initial Order**”) that among other things:

- (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
- (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
- (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000;
- (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000; and
- (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10, 2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility. The

quantum of the approved borrowings was limited to USD\$2.75 million. The DIP Term Sheet is attached as Appendix “**B**” to this Second Report.

2. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor.

PURPOSE

3. The Monitor files this Second Report in respect of a material adverse change (the “**MAC**”) in respect of OGL’s CCAA Proceeding and the various effects the MAC is expected to have.

TERMS OF REFERENCE

4. In preparing this Second Report, Deloitte has been provided with, and has relied upon unaudited, draft and/or internal financial information, OGL’s books and records, discussions with management of OGL (“**Management**”), discussions with Orionis and its legal counsel, and information from third-party sources (collectively, the “**Information**”). Except as described in this Second Report:

- (a) Deloitte has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, Deloitte has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the *Chartered Professional Accountants Canada Handbook*

and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and

- (b) Deloitte has prepared this Second Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the MAC. Parties using the Second Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
5. Unless otherwise stated, all dollar amounts contained in this Second Report are expressed in U.S. dollars.

ACTIVITIES SINCE THE COMMENCEMENT OF THE CCAA PROCEEDING

6. Since the date of the SISP Approval Order, the Monitor has taken steps to administer the SISP. A copy of the SISP is attached as Appendix “C” to this Second Report. The Monitor’s activities to administer the SISP have included:
- (a) Developing marketing materials (a “teaser” and a confidential information memorandum (the “**CIM**”)) for distribution to creditors both prior to and after the execution of a non-disclosure agreement (and “**NDA**”);
 - (b) Along with Management, developing a list of potentially interested parties in OGL’s assets (the “**Buyers List**”). The Buyers List included 327 parties including mining companies (both graphite and other base metals, 37 parties in total), diversified metals and mining producers (75 parties), graphite producers (43 parties), users of graphite (126 parties), trading houses (15 parties), and financial buyers that focus on mining opportunities (31 parties);

- (c) Contacting parties on the Buyers List to see if they had any interest in signing an NDA to further explore the OGL opportunity. The Monitor leveraged its global network to reach out to Buyers List parties in other jurisdictions (Asia, Europe, etc.);
 - (d) Providing the CIM and other materials to parties that had executed an NDA. The Monitor then responded to questions from such parties on an ongoing basis;
 - (e) Confirming to those parties that had executed an NDA the requirements to submit a bid prior to the Phase 1 bid deadline of April 15, 2020 at 5:00 p.m. (Toronto time) (the “**Phase 1 Bid Deadline**”); and
 - (f) Preparing and providing a summary of the three bids received to Orionis as DIP Lender as required by the SISP.
7. Each of the three bids received by the Phase 1 Bid Deadline required clarification as certain of the economics were unclear to the Monitor. Such clarifications occurred on April 16, 2020. Based on the result of these clarifications, and after receiving a summary of the three bids received, Orionis advised that it did not find any of the three bids to be compliant with the terms of the SISP or to provide sufficient value.
8. On April 17, 2020, Orionis delivered a notice of event of default and termination of DIP Facility to the Monitor and OGL (the “**Lender Notice**”), which advised that Orionis determined that an event of default under section 15(n) of the DIP Term Sheet occurred and, accordingly, the Obligations (as defined in the DIP Term Sheet) became due and payable in accordance with section 8(c) of the DIP Term Sheet. The Lender Notice also served as Orionis’s notice to terminate the DIP Facility pursuant to section 9 of the DIP

Term Sheet and in accordance with the Initial Order. Sections 8, 9 and 15(n) of the DIP Term Sheet are reproduced below in part (all capitalized terms as defined in the DIP Facility):

Section 8 (Repayment): “Unless otherwise agreed in writing by the Debtor and the Lender, the Obligations shall be due and payable on demand and, if not demanded, shall be repaid to the Lender as follows: [...] (c) in full, (i) on the expiry of the Initial Term (as defined below), subject to any Extended Term (as defined below), [...] or (v) after the occurrence of an Event of Default (as defined below). [...]”

Section 9 (Term): “[...] the Lender may terminate the DIP Facility at any time following the occurrence of an Event of Default (as defined below) at which point the Initial Term shall be deemed to have expired. The Initial Term shall also be deemed to have expired if at any time the Lender, acting reasonably, determines that there is no reasonable prospect that a sale of the Assets, satisfactory to the Lender, will be identified or completed through the SISP.”

Section 15 (Events of Default): “(n) the Lender in good faith believes the prospect of payment of the Obligations or the performance of the Debtor’s other obligations hereunder or under any of the security granted in connection herewith is impaired or that any of the Assets are or are about to be placed in jeopardy.”

A copy of the DIP Facility termination notice is attached as Appendix “**D**” to this Second Report.

9. Based on this notice, the Monitor has considered whether the termination of the DIP Facility constitutes a MAC. In order to do so, the Monitor has considered the Standards of Professional Conduct (the “**Standards**”) of the Canadian Association of Insolvency and Restructuring Professionals (“**CAIRP**”). The Standards require the following to be considered:

- (a) Whether the change has a significant adverse effect on the projected cash flow;
 - (b) Whether the change significantly impairs, or is reasonably expected to significantly impair, the debtor's financial circumstances or the ability of the debtor to carry on operations;
 - (c) Whether the change significantly impairs the likelihood of success of a proposal or Plan of Compromise or Arrangement; or
 - (d) Whether the change significantly prejudices the rights or interests of one or more classes of creditors.
10. Absent the DIP Facility or other third party financing, OGL has no sources of cash flow or liquidity. As such, the Monitor is of the view that the termination of the DIP Facility meets each of the criteria above and, as such, a MAC has occurred.
11. The Monitor has prepared a Notice of Material Adverse Change (the "**MAC Notice**") to be posted on its case website at www.insolvencies.deloitte.ca/en-ca/ogl. Where possible, the Monitor will also send a copy of the MAC Notice to OGL's creditors and those parties that appear on the Service List. The MAC Notice (without appendices) is attached to this Second Report as Appendix "**E**".

EFFECT OF THE DIP TERMINATION ON THE INTERIM PLAN AND OGL'S ENVIRONMENTAL COMPLIANCE

12. In addition to providing funding to administer the SISP and these CCAA Proceedings, the funding contemplated by the DIP Facility would have been necessary for OGL to maintain the Kearney Mine site's (the "**Mine**") environmental compliance and to carry out certain work (the "**Ordered Work**" and together with the ongoing environmental maintenance,

the “**Interim Plan**”) pursuant to a Director’s Order (the “**Order**”) issued by the Ministry of the Environment, Conservation and Parks (the “**MECP**”). The remaining components of the Ordered Work largely involve dredging OGL’s polishing pond and other related work at the Mine.

13. In addition to OGL, certain company executives were personally named in the Order.
14. As part of the Interim Plan, OGL installed a mobile treatment unit (the “**MTU**”) that treats water prior to it being discharged into the local watershed. The main function of the MTU is to maintain the level of acidity of water being discharged. Since water leaving the Mine site is naturally acidic, it is treated with “lime”, an alkaline solution that helps to neutralize the water and balance its acidity. Without ongoing funding, such treatment will no longer be possible. Management estimates that existing lime supply will run out on or about April 23, 2020.
15. Much of the necessary work contemplated by the Order, which is “capital” in nature, was originally scheduled to be completed in the fall of 2019. However, due to an early freeze at the Mine site, it was necessary for OGL to seek an amendment to the Order to allow it to perform certain elements in the spring of 2020. Such deferral was agreed with the MECP in December 2019.
16. Management has previously confirmed to the Monitor that necessary purchase orders have been issued and the various contractors are scheduled to perform the remaining Ordered Work as soon as environmental conditions allow (i.e. the polishing pond thaws and the roads on the Mine site are in suitable condition for heavy equipment to access the necessary areas of the property).

17. Approximately \$250,000 is required to complete the remaining Ordered Work. Absent the DIP Facility, OGL does not have sufficient liquidity to pay the contractors to carry out the Ordered Work, nor to maintain the liming activities performed by the MTU.

NEXT STEPS

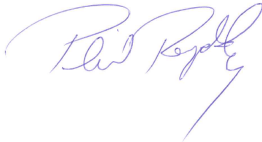

18. OGL has limited cash resources and its current bank balance is approximately CAD\$45,000.
19. The Monitor will be assessing OGL's options given the issuance of the MAC Notice and will report to the Court when there is greater certainty in this regard.

All of which is respectfully submitted this 21st day of April, 2020.

- APPENDIX “D” – Pre-filing Report (without appendices)**
- APPENDIX “E” – First Report (without appendices)**

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceeding**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).
2. As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020, the “**Initial Order**”) that among other things:
 - (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
 - (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
 - (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000 (the “**Administration Charge**”);
 - (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000; and
 - (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10, 2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility.

3. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor.
4. The Monitor administered the SISP in accordance with its terms. At the conclusion of Phase 1 of the SISP (as such term is defined in the SISP), the Monitor received three bids and shared a summary of same with Orionis. Orionis was not satisfied that the bids were compliant with the requirements set out in the SISP or provided sufficient value and, as a result, issued a notice terminating the DIP Facility.
5. The DIP Facility was OGL’s only source of liquidity and, as a result of its termination, OGL has no ongoing source of funding. Given this fact, the Monitor issued a notice of material adverse change (the “**MAC Notice**”) and filed its second report, dated April 21, 2020 (the “**Second Report**”).
6. Orionis’ counsel has advised OGL and the Monitor that Orionis will not be taking steps to address the expiry of the Stay Period on April 29, 2020.

PURPOSE

7. The Monitor files this Supplemental Second Report in respect of the expiry of the Stay Period and the effect of the MAC Notice.
8. Given the termination of the DIP Facility and Orionis declining to take action with respect to the expiry of the Stay Period, the Monitor is seeking advice and direction from the Court with respect to such expiry. This includes the following relief:

- (a) Terminating these CCAA Proceedings and discharging the Monitor upon the Monitor filing a certificate with the Court. The Monitor contemplates filing the Certificate with the Court once OGL's Kearney Mine (the "**Mine**") is transferred to the Ministry of Energy, Northern Development and Mines (the "**ENDM**");
- (b) Approving the activities of the Monitor and its counsel since the commencement of the CCAA Proceeding. This includes an approval of the first report of the Monitor dated February 19, 2020 (the "**First Report**"), Second Report, this Supplemental Second Report and the activities described therein;
- (c) Maintaining the various charges created by the Initial Order;
- (d) Approving the Monitor's fees and disbursements and the fees and disbursements of its counsel Borden Ladner Gervais LLP ("**BLG**"). Such approval includes an estimate of fees to be incurred in the future for each of BLG and the Monitor;
- (e) Providing the Monitor and its counsel with a release, including a process to be followed if there are claims against the Monitor, its counsel or certain related persons; and
- (f) Continuing to provide the Monitor and its counsel with the protections granted to it and BLG as part of the Initial Order.

TERMS OF REFERENCE

9. In preparing this Supplemental Second Report, Deloitte has been provided with, and has relied upon unaudited, draft and/or internal financial information, OGL's books and records, discussions with management of OGL ("**Management**"), discussions with Orionis

and its legal counsel, and information from third-party sources (collectively, the “**Information**”). Except as described in this Supplemental Second Report:

- (a) Deloitte has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, Deloitte has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the *Chartered Professional Accountants Canada Handbook* and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and
- (b) Deloitte has prepared this Supplemental Second Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the MAC Notice and the expiry of the Stay Period. Parties using the Supplemental Second Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.

10. Unless otherwise stated, all dollar amounts contained in this Supplemental Second Report are expressed in U.S. dollars.

ACTIVITIES SINCE THE ISSUANCE OF THE MAC NOTICE AND THE RELIEF SOUGHT

11. Since the date of the MAC Notice, a number of steps have been taken OGL and the Monitor. Such activities include:
 - (a) Convening a conference call with representatives of the Ministry of the Environment, Conservation and Parks (the “**MECP**”) and the ENDM. The purpose

of this call was to advise the various regulators of the events leading up to the issuance of the MAC Notice and to commence the process to hand over the Mine to ENDM in accordance with the *Mining Act* (Ontario). ENDM has subsequently made a document request of OGL to enable it to commence this process;

- (b) Arranging for certain liquidators to attend the OGL site with a view to providing auction proposals in respect of OGL's assets. No formal proposals have been received as at the date of this Supplemental Second Report;
 - (c) Engaging in discussions with the bidders that submitted non-binding expressions of interest to advise them that their bids were not acceptable and that the SISP was being terminated; and
 - (d) Providing Management with a template bid letter to be shared with a party who may be interested in acquiring OGL outside of the SISP.
12. OGL's status remains fluid and both it and the Monitor are hopeful that a party may be able to step forward and provide OGL with needed liquidity in order to generate some returns for creditors. In the absence of such solutions, the Monitor is of the view that it is necessary to address the expiry of the Stay Period. As such, the Monitor is seeking an Order from the Court that:
- (a) Terminates these CCAA Proceedings and discharges the Monitor;
 - (b) Approves the activities of the Monitor and its counsel since the commencement of the CCAA Proceeding;
 - (c) Approves the Monitor's fees and disbursements and the fees and disbursements of BLG;

- (d) Maintains the charges that were created by the Initial Order;
 - (e) Provides the Monitor and its counsel with a release, including a process to be followed if there are claims against the Monitor, its counsel or certain related persons; and
 - (f) Continues to provide the Monitor and its counsel with the protections granted to it and BLG as part of the Initial Order.
13. A draft Order in respect of the relief being sought by the Monitor is attached as Appendix “A” to this Supplemental Second Report.

RATIONALE FOR RELIEF SOUGHT

14. Given OGL’s lack of liquidity due to the termination of the DIP Facility and the results of the SISP, there is no reason for the CCAA Proceeding to continue. The sole purpose of the CCAA Proceeding was to find a buyer or investor of OGL’s assets or business. Given the results of the SISP, the Monitor is of the view that, aside from a lack of ongoing funding, there is no reason to continue with the CCAA Proceeding, especially since Orionis, as Applicant, will be taking no steps to continue it.
15. As a result of the lack of urgency to continue the CCAA Proceeding, it will no longer be necessary to have the Monitor continue its role overseeing the process.
16. In addition to requesting that the CCAA Proceeding be terminated, the Monitor is seeking to have the Court approve its fees and the fees of its counsel BLG for the CCAA Proceeding. Attached as Appendices “B” and “C”, respectively, hereto are the fee affidavits for Deloitte and BLG, which include the redacted accounts of Deloitte and BLG. While OGL does not have the necessary liquidity to fund the payment of such fees,

each party is a beneficiary of the Administration Charge and seeks Court approval in the event that any funds come into OGL's estate to fund the payment of such fees.

17. The Monitor anticipates that it and BLG will continue to provide OGL with some ongoing support should it be necessary to consummate some sort of transaction in the future.
18. In addition to the approval of the Monitor and BLG's fees, the Monitor is also seeking Court approval of its activities. Such activities are summarized in the Pre-filing Report of the Monitor dated February 11, 2020, the First Report and the Second Report. The Pre-filing Report and the First Report, without appendices, are attached as Appendices "D" and "E" to this Supplemental Second Report.
19. The Monitor is also seeking a release from the Court in respect of its activities. Given that the Monitor contemplates it may have ongoing interaction with respect to OGL (either in respect of an asset liquidation process or in the handoff of the Mine to ENDM) it is also seeking an Order that continues the protections afforded to it and BLG in the Initial Order.
20. Should OGL identify any parties that are able to consummate a transaction on an urgent basis, the Monitor will seek further direction of the Court, including the possibility of obtaining an approval and vesting order in respect of any transaction. Prior to doing so, the Monitor will consult with Orionis to obtain its views.

RECOMMENDATIONS

21. For the reasons set out above, the Monitor respectfully recommends that the Court approve the relief that the Monitor is seeking and issue the draft Order attached as Appendix “A”.

All of which is respectfully submitted this 28th day of April, 2020.

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceedings**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).
2. As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020 and otherwise modified, the “**Initial Order**”, attached hereto as Appendix “**A**”) that among other things:
 - (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
 - (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
 - (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000;
 - (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000 (the “**Administration Charge**”); and
 - (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10,

2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility.

3. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor and was summarized in the first report of the Monitor dated February 19, 2020 (the “**First Report**”). A copy of the First Report (without appendices) is attached hereto as Appendix “**B**”. A copy of the SISP Approval Order is attached hereto as Appendix “**C**”.
4. Despite the onset of the COVID-19 pandemic and with the concurrence of the DIP Lender, the Monitor administered the SISP in accordance with its terms. At the conclusion of Phase 1 of the SISP (as such term is defined in the SISP), the Monitor received three bids. Each of the three bids received required clarification as certain of the economics were unclear to the Monitor. Such clarifications were received and, based on the result of these clarifications and discussions with the Monitor, and after receiving a summary of the three bids received, Orionis advised that it did not find any of the three bids to be compliant with the terms of the SISP or to provide sufficient value. Orionis subsequently issued a notice of event of default and termination of the DIP Facility to the Monitor and OGL and shortly thereafter the Monitor terminated the SISP.
5. The DIP Facility was OGL’s only source of liquidity and, as a result of its termination, OGL had no ongoing source of funding. Given this fact, the Monitor issued a notice of material adverse change (the “**MAC Notice**”) and filed its second report, dated April 21, 2020 (the “**Second Report**”) with the Court. A copy of the Second Report (without appendices) is attached hereto as Appendix “**D**”.

6. The Monitor subsequently issued a supplement to its Second Report on April 28, 2020 (the “**Supplemental Second Report**”). The Supplemental Second Report (attached hereto as Appendix “**E**”) provided details in respect of the following:
- (a) The request for an order in respect of the termination of OGL’s CCAA Proceedings (the “**Termination Order**”) subject to the Monitor filing a certificate (the “**Termination Certificate**”), certifying that all matters to be attended to in connection with the CCAA Proceedings have been completed. A copy of the Termination Order is attached hereto as Appendix “**F**”;
 - (b) The request for Court approval of the conduct, fees and disbursements of the Monitor and its counsel, Borden Ladner Gervais LLP (“**BLG**”) from the commencement of the CCAA Proceedings up to and including April 29, 2020 and April 26, 2020 respectively;
 - (c) Maintaining various charges and protections for the Monitor and its counsel that were granted by the Court during the CCAA Proceedings; and
 - (d) Providing the Monitor with a release in respect of its activities related to the CCAA Proceedings.
7. Notwithstanding the existence of the Administration Charge, none of the Monitor, BLG or OGL’s corporate counsel, Miller Thomson LLP (“**Miller Thomson**”), have been paid their fees and disbursements related to these CCAA Proceedings. The Monitor estimates that the aggregate amount currently outstanding in respect of these three parties is approximately CAD\$640,000. The foregoing amount is net of retainers held by certain

beneficiaries of the Administration Charge. Such amount was outstanding prior to any additional work in respect of the Transaction (as defined herein) began.

8. Shortly after the MAC Notice was issued, the Monitor undertook a number of activities in respect of OGL's primary asset, the Kearney graphite mine (the "**Mine**"). These include the following, among other things:
 - (a) Providing the Ministry of Energy, Northern Development and Mines (the "**ENDM**") and Ministry of the Environment, Conservation and Parks (the "**MECP**") with notice that OGL would be abandoning the Mine following termination of the DIP Facility and that OGL was unable to continue with its required environmental compliance activities;
 - (b) Advising ENDM and MECP that the CCAA Proceedings would be terminated upon the filing of the Termination Certificate; and
 - (c) Ensuring that the ENDM received the appropriate contact details for the individuals at the Mine site that carried out the day to day environmental compliance activities for OGL.
9. Notwithstanding that the SISP did not result in the receipt of any SISP-compliant or otherwise satisfactory offers and that the Termination Order had been granted, the Monitor became aware of certain expressions of interest received from several parties outside the context of the SISP and, in consultation with OGL and the DIP Lender, determined that it would be beneficial to the interests of OGL, its creditors and stakeholders to delay the filing of the Termination Certificate, which preserved the ability to seek a vesting order from the

Court in the event that any potential purchaser was prepared to execute a definitive transaction agreement with respect to some or all of the Assets.

PURPOSE

10. The Monitor files this Third Report in respect of its motion dated April 21, 2021 (the “**Motion**”). The Monitor seeks the following relief:
- (a) Granting the Monitor expanded powers to execute transaction documents and make decisions in respect of an offer (the “**Bold LOI**”) presented by Bold Global Advisory Ltd. (“**Bold**”) for the purchase of the Mine (the “**Transaction**”) or in the event another party brings forward an offer for the purchase of the Mine;
 - (b) Suspending certain provisions of the Termination Order and extending the Stay Period to September 30, 2021;
 - (c) Increasing the quantum of the Administration Charge to CAD\$1,000,000;
 - (d) Approving this Third Report and the activities of the Monitor as described therein;
and
 - (e) Granting certain other ancillary relief in respect of any potential liabilities that the Monitor may be exposed to as a consequence of seeking an expansion of its powers in order to negotiate and advance the Transaction to a closing.

TERMS OF REFERENCE

11. In preparing this Third Report, Deloitte has been provided with, and has relied upon unaudited, draft and/or internal financial information, OGL’s books and records, discussions with management of OGL (“**Management**”), discussions with Orionis and its

legal counsel, and information from third-party sources (collectively, the “**Information**”). Except as described in this Third Report:

- (a) Deloitte has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, Deloitte has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“CAS”) pursuant to the *Chartered Professional Accountants Canada Handbook* and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information; and
 - (b) Deloitte has prepared this Third Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the Motion. Parties using the Third Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
12. Unless otherwise stated, all dollar amounts contained in this Third Report are expressed in U.S. dollars, OGL’s reporting currency.

DEVELOPMENTS SINCE THE ISSUANCE OF THE TERMINATION ORDER

13. As set out above, the Court issued the Termination Order on April 29, 2020. Since that date, the Monitor has been in periodic contact with a member of the management of OGL (the “**Management**”) in respect of certain parties that may be interested in acquiring the Mine. Management advised the Monitor that there were parties that did not participate in the SISP that may have interest outside of a formal insolvency process. Management began to engage with such parties shortly after the Termination Order was granted to determine

if a transaction could be consummated. Such activity continued through the balance of 2020. Certain parties that participated in the SISP also continued to express interest in the opportunity to acquire the Mine.

14. On April 28, 2020, prior to the issuance of the Termination Order, and pursuant to section 148 of the *Mining Act*, R.S.O. 1990, c. M. 14, and as delegate of the Minister of ENDM, the Director of Mine Rehabilitation issued Directions (the “**Directions**”). Pursuant to the Directions specified employees and agents of the ENDM were required to take actions to remedy the environmental condition and environmental damage affecting the Mine. Specifically, and pursuant to the Directions, employees and agents of ENDM have taken steps to:
 - (a) manage and treat surface water at the property;
 - (b) dredge and maintain the polishing pond; and
 - (c) secure the property against unauthorized access.
15. ENDM has advised the Monitor that it has expended approximately CAD\$1.4 million (net of financial assurance previously provided to MECP by OGL) in both capital and operating disbursements in remedying the environmental condition or environmental damage affecting the Mine, as required by the Directions. While the Monitor (through its counsel) has not undertaken a full review of the priority of ENDM’s charge on the Mine assets, stakeholders currently expect the amount disbursed to be repaid to ENDM out of the proceeds of the Transaction.

16. Over the last year, Management has identified several parties that expressed some level of interest in acquiring the Mine. Despite several potential transactions that looked like they could result in a binding offer, no such offers were received prior to the Bold LOI.
17. As noted above, notwithstanding the granting of the Termination Order, the stay of proceedings continued indefinitely pending the filing of the Termination Certificate, which permitted Management to focus its efforts on seeking a buyer for the Mine. Management provided the Monitor with periodic updates in respect of the continuing interest for the purchase of the Mine. Due to the fact that there was still ongoing, although limited interest in the Mine, the Monitor (in consultation with OGL and the DIP Lender) opted to not file the Termination Certificate. The Monitor was of the view that if a transaction for the purchase of the Mine materialized, Management and the potential purchaser would likely require access to the CCAA Proceedings, including obtaining an approval and vesting order from the Court, as a condition to closing a sale of the Mine and that their efforts to negotiate the terms of, and complete, any letter of intent or transaction would benefit from the continuation of the stay of proceedings.
18. In late December 2020, the Monitor was advised by Management that there was a potential transaction developing that was extremely promising. The Monitor was further advised that the potential bidder was North American Carbon Solutions (“NACS”), a newly incorporated entity constituted for the sole purpose of acquiring the Mine.
19. The Monitor understands that OGL’s current chief executive officer is also the chief executive officer of NACS.
20. On March 9, 2021, the Monitor was approached by a principal of Bold who expressed an interest in acquiring the Mine. In order to facilitate such interest, the Monitor provided

Bold with a non-disclosure agreement (the “NDA”), which it executed. Management granted Bold access to due diligence materials as a result of the execution of the NDA.

21. The Monitor engaged in a number of discussions with Bold in respect of its interest in acquiring the Mine. Such discussions involved the status of OGL and its assets, the process by which the Mine could be acquired, and the status of the Mine’s care and environmental compliance.
22. On March 23, 2021 Bold submitted a letter of intent to the Monitor. The original letter of intent has been negotiated by Bold and the Monitor, in consultation with Orionis. Such negotiations have resulted in the terms of the Bold LOI. The Bold LOI contains the following material provisions, although a redacted copy of same is not being provided in this Third Report given the confidentiality clause included therein. An unredacted version of the Bold LOI is being provided to the Court as Confidential Appendix “1”:
 - (a) Bold proposes to form a special purpose vehicle to purchase the Mine assets but will not be acquiring OGL’s interest in any financial assurance that has been posted with either ENDM or MECP. Such funds are specifically identified as “excluded assets” from the Transaction;
 - (b) The full purchase price contemplated in the Bold LOI will be held in trust by the Monitor pending the consummation or cancellation of the Transaction. The Monitor is currently holding the full purchase price in its trust account;
 - (c) The Transaction is subject to several conditions including:
 - (i) The negotiation of a definitive agreement between the buyer and seller;
 - (ii) Court approval;

- (iii) Obtaining certain regulatory consents related to the Mine's operations;
 - (iv) The posting of necessary financial assurance with either of the MECP or ENDM; and
 - (v) MECP and ENDM consenting to return the Mine after the required care and maintenance costs have been reimbursed to MECP and ENDM. The Monitor notes that ENDM staff is undertaking actions required by the Directions, notwithstanding the language of the Bold LOI.
- (d) The Bold LOI contains exclusivity provisions in favour of Bold through May 13, 2021, although such exclusivity may be terminated if notice is given under limited defined circumstances; and
- (e) The Bold LOI is binding and subject only to conditions (ii) through (v) in paragraph 22(c) above.
23. Notwithstanding the terms of the Bold LOI, ENDM has advised the Monitor of the following:
- (a) The financial assurance posted with ENDM is not an OGL asset that can be purchased; and
 - (b) There are certain regulatory requirements of MECP and ENDM that need to be satisfied by Bold in order to transfer any licenses, permits or consents that have previously been provided to OGL. The posting of financial assurance, or the rectification of any deficiencies in the current level of same posted by OGL, will be required.
24. An unredacted copy of the Bold LOI is attached as Confidential Appendix "1" to this Third Report.

25. The Monitor had also been advised that a member of Management was working to advance a bid from NACS. The Monitor advised Management on March 25, 2021 that NACS would have until the close of business (Vancouver time) on March 29, 2021 to submit a binding bid for the Mine. NACS ultimately submitted a bid letter (the “NACS LOI”), an unredacted copy of which is attached hereto as Confidential Appendix “2”.
26. The Monitor determined that, despite the termination of the SISP and that no formal sale process remained in place, affording NACS an opportunity to present a competing bid by March 29, 2021 was appropriate and fair in the circumstances.
27. On reviewing the Bold LOI and the NACS LOI, the Monitor determined that the Bold LOI was the superior bid in the circumstances.
28. The Bold LOI and the NACS LOI were provided to the DIP Lender for its review and comments. After certain clarifications, the DIP Lender advised the Monitor that it would support the transaction contemplated by the Bold LOI.
29. The unredacted Bold LOI was provided to Management for signature on behalf of OGL on April 13, 2021. Management executed the Bold LOI and returned it to the Monitor on April 16, 2021. The Monitor received Bold’s counter signature later that day on April 16, 2021.
30. Since that time, the Monitor has worked with Bold to advance its diligence efforts in furtherance of entering into the Transaction, which included inviting Bold to meet with representatives of ENDM and MECF so that the conditions in the Bold LOI could be addressed.

RATIONALE FOR RELIEF SOUGHT

31. After further discussions with the DIP Lender, its counsel and OGL's counsel, the Monitor is seeking an order from the Court expanding its powers with the objective of entering into the Transaction for and on behalf of OGL and returning to Court for approval of the Transaction. Although Management has previously assisted the Monitor in signing back the Bold LOI, the Monitor and the DIP Lender are of the view that since Management representatives are still desirous of proceeding with the NACS bid, should the Transaction not be approved by the Court or otherwise fail to close, it would be preferable to grant the Monitor certain expanded powers in order to empower the Monitor to proceed to negotiate with Bold with the object of entering into the Transaction and bringing the Transaction before the Court for approval. Further, should the Transaction not close and NACS wish to proceed with the transaction contemplated by the NACS LOI, it may be preferable at that time for the Monitor to negotiate on behalf of OGL due to the dual role of certain members of Management as executives of both OGL and NACS.
32. For this reason, and in furtherance of general transaction efficiency, the Monitor is seeking the expanded powers as contained in the draft Order attached hereto as Appendix "H". The DIP Lender is supportive of the proposed relief. The Monitor is also seeking certain declarations from the Court that limit its liability in the context of its proposed expanded powers. Given that the Monitor is seeking the expanded powers solely for the purpose of advancing the Transaction (or a similar transaction with the approval of the DIP Lender), the Monitor is of the opinion that such protections are appropriate in the circumstances.
33. The Monitor is also seeking to suspend certain provisions of the Termination Order that provide for the termination of these CCAA Proceedings. The Monitor further seeks to

extend the Stay Period to September 30, 2021 in order to provide the Monitor with sufficient time to pursue entering into the Transaction with Bold, seek Court approval of the Transaction and proceed to close the Transaction if approved by the Court.

34. As noted earlier in this Third Report, none of the Monitor, its counsel or counsel to OGL have been paid for their services since the commencement of these CCAA Proceedings due to the lack of proceeds from the sale of any or all part of OGL's business or Assets. In order to address the foregoing, the Monitor is also seeking to increase the Administration Charge in order to secure its currently outstanding and forecast fees and those of the DIP Lender's counsel, BLG, Miller Thomson and Stikeman Elliot LLP (the Monitor's former counsel prior to the CCAA Proceedings). The proposed increase is to CAD\$1,000,000, which the Monitor believes should be sufficient to address the relevant professional costs through to a closing of the Transaction. Such costs would be paid out of the proceeds of the Transaction upon closing. The DIP Lender supports this relief.
35. The Monitor further notes the following in respect of its request to increase the Administration Charge from CAD\$200,000 to CAD\$1,000,000:
- (a) Given the MAC Notice and the implications of the Termination Order, it was necessary for the Monitor and its counsel to engage with stakeholders in respect of OGL's ongoing environmental compliance activities. This required the coordination between Management, ENDM and MECP;
 - (b) Given the termination of the DIP Facility, there was significant professional time required in order to determine the path that the CCAA Proceedings should follow. This involved discussions with Orionis and OGL and their respective counsel;

- (c) Since the Termination Order was issued the Monitor has been in regular contact with Management about potential transactions and has also entertained expressions of interest from other parties, although no such party ultimately proceeded with a transaction. These consultations include time immediately following the issuance of the Termination Order and also more recently related to the Bold LOI and NACS LOI. The Monitor expects significant professional time to be incurred to advance the Transaction to a closing; and
 - (d) Amounts currently outstanding are significantly in excess of any retainers that were held as security by the various parties.
36. All of the work set out above has been undertaken by the Monitor and its counsel with no certainty or prospect of payment. The Monitor is of the view that it is appropriate to increase the Administration Charge to allow the Transaction to proceed and be brought to a close to provide value for stakeholders. The Monitor has discussed the increase with Orionis, who is supportive of the relief being sought.

RECOMMENDATIONS

37. For the reasons set out above, the Monitor respectfully recommends that the Court approve the relief that the Monitor is seeking and issue the draft Order attached as Schedule “A” to the Notice of Motion and Appendix “H” to this Third Report.

All of which is respectfully submitted this 21st day of April 2021.

INTRODUCTION

1. On February 12, 2020, Orionis Corporation (“**Orionis**”), as secured creditor, commenced a proceeding (the “**CCAA Proceedings**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), in respect of Ontario Graphite, Ltd. (“**OGL**”) for the purpose of commencing a court-supervised sale and investment solicitation process in respect of OGL’s assets, undertakings, and properties, real and personal (collectively, the “**Assets**”).
2. As a result of Orionis’ application, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (as amended and restated on February 20, 2020, the “**Initial Order**”, attached hereto as Appendix “**A**”) that among other things:
 - (a) Appointed Deloitte Restructuring Inc. (“**Deloitte**”) as monitor (the “**Monitor**”) of OGL;
 - (b) Granted a stay of proceedings in respect of OGL through to April 29, 2020;
 - (c) Approved a charge in favour of OGL’s directors and officers in the amount of CAD\$200,000 (the “**Directors’ Charge**”);
 - (d) Approved a charge in respect of the fees and expenses of the Monitor, its counsel, counsel to Orionis and counsel to OGL in the amount of CAD\$200,000 (the “**Administration Charge**”); and
 - (e) Approved a debtor-in-possession credit facility (the “**DIP Facility**”) established under a CCAA Debtor-In-Possession Financing Term Sheet dated February 10,

2020 (the “**DIP Term Sheet**”) between OGL and Orionis (the “**DIP Lender**”) and also approved a charge in favour of Orionis in respect of such DIP Facility.

3. On February 20, 2020, the Court granted a further Order (the “**SISP Approval Order**”), among other things, approving a sale and investment solicitation procedure (the “**SISP**”) to identify bidders or investors for the Assets. The SISP was to be administered by the Monitor and was summarized in the first report of the Monitor dated February 19, 2020 (the “**First Report**”). A copy of the First Report (without appendices) is attached hereto as Appendix “**B**”. A copy of the SISP Approval Order is attached hereto as Appendix “**C**”.
4. Despite the onset of the COVID-19 pandemic and with the concurrence of the DIP Lender, the Monitor administered the SISP in accordance with its terms. At the conclusion of Phase 1 of the SISP (as such term is defined in the SISP), the Monitor received three bids and shared a summary of same with Orionis. Orionis subsequently advised that it did not find any of the three bids to be compliant with the terms of the SISP or to provide sufficient value and, as a result, issued a notice terminating the DIP Facility.
5. The DIP Facility was OGL’s only source of liquidity and, as a result of its termination, OGL had no ongoing source of funding. Given this fact, the Monitor issued a notice of material adverse change (the “**MAC Notice**”) and filed its second report, dated April 21, 2020 (the “**Second Report**”) with the Court. A copy of the Second Report (without appendices) is attached hereto as Appendix “**D**”.
6. The Monitor subsequently issued a supplement to its Second Report on April 28, 2020 (the “**Supplemental Second Report**”). The Supplemental Second Report (attached hereto as Appendix “**E**”) provided details in respect of the following:

- (a) The request for an order in respect of the termination of OGL's CCAA Proceedings (the "**Termination Order**") subject to the Monitor filing a certificate (the "**Termination Certificate**"), certifying that all matters to be attended to in connection with the CCAA Proceedings have been completed. A copy of the Termination Order is attached hereto as Appendix "**F**";
 - (b) The request for Court approval of the conduct, fees and disbursements of the Monitor and its counsel, Borden Ladner Gervais LLP ("**BLG**") from the commencement of the CCAA Proceedings up to and including April 29, 2020 and April 26, 2020, respectively;
 - (c) Maintaining various charges and protections for the Monitor and its counsel that were granted by the Court during the CCAA Proceedings; and
 - (d) Providing the Monitor with a release in respect of its activities related to the CCAA Proceedings.
7. As of March 2021, the Monitor had not filed the Termination Certificate as the management of OGL ("**Management**") was working to identify a party or parties that may have an interest in purchasing the Assets with the approval of the Court (and after consulting with the DIP Lender).
8. As set out in greater detail in the Third Report (as defined below), two parties approached the Monitor in the intervening period regarding a potential purchase of the Assets. One was a third party, Bold Global Advisory Ltd. ("**Bold**") and the other was an entity called North American Carbon Solutions, Inc. ("**NACS**"). The Monitor understands that one of the principals of NACS is a member of Management.

9. Bold provided the Monitor with a letter of intent to purchase the Assets on March 23, 2021 (the “**Bold LOI**”). NACS had not submitted a letter of intent for the Assets as of this date.
10. Given the competing interest in the Assets and with Orionis’s support, the Monitor provided a short additional period for NACS to submit a bid in respect of OGL’s Assets or business (the “**NACS Offer Deadline**”). The circumstances leading up to the selection of the preferred bidder for the Assets were set out in detail in the third report of the Monitor dated April 21, 2021 (the “**Third Report**”). A copy of the Third Report, without appendices, is attached hereto as Appendix “**G**”.
11. NACS ultimately submitted a bid for the Assets prior to the NACS Offer Deadline on March 29, 2021.
12. After reviewing the bids received from NACS and Bold, the Monitor, in consultation with Orionis, determined that the Bold offer was superior and proceeded to provide the Bold LOI to Management. Management executed the Bold LOI on behalf of OGL on April 16, 2021.
13. Given that a member of Management is a principal of NACS and that NACS was a competing bidder, the Monitor determined, in consultation with Orionis, that it would be beneficial to ask the Court to grant it additional powers to allow the Monitor to advance a transaction for the sale of the Assets. The Monitor filed a Motion seeking such expanded powers on April 21, 2021.
14. Counsel for NACS appeared at the hearing on April 26, 2021 wherein the Monitor was seeking an Order granting it expanded powers in order to advance a transaction related to the sale of the Assets (the “**Expansion of the Powers of the Monitor Order**”). Despite

initially raising concerns related to the draft Expansion of the Powers of the Monitor Order that the Monitor was seeking, NACS did not ultimately object to the Expansion of the Powers of the Monitor Order being granted. Orionis was supportive of the relief that was requested.

15. On April 26, 2021, the Court issued the Expansion of the Powers of the Monitor Order that provided the Monitor, among other things, the power to:
 - (a) Execute documents on behalf of OGL in furtherance of a sale transaction for the Assets (a “**Transaction**”);
 - (b) Engage persons or entities to assist the Monitor in advancing a Transaction; and
 - (c) Meet and direct Management, OGL or OGL’s counsel solely with regard to advancing a Transaction.

16. The Expansion of the Powers of the Monitor Order also, among other things:
 - (a) Increased the Administration Charge to CAD\$1 million;
 - (b) Approved the Third Report and the Monitor’s conduct described therein; and
 - (c) Extended the Stay Period to September 30, 2021.

A copy of the Expansion of the Powers of the Monitor Order is attached, hereto, as Appendix “**H**”.

17. In addition to advancing the process of completing a Transaction, the Monitor has worked with Bold, Orionis, and others to accomplish same and has made substantial progress since its last report to Court. Among other things, the Monitor has worked with a third-party mining lands consultant to extend a number of OGL’s expiring mining claims (the “**Expiring Mining Claims**”) that, absent steps that have been taken, were set to expire on

September 16, 2021. A summary of all of OGL's mining claims is included as Appendix "I". The Monitor has requested that it be named OGL's agent within the Mining Lands Administration System ("MLAS") for the sole purpose of having access to OGL's account to ensure that all of OGL's claims remain in good standing. The Monitor has been in contact with the Provincial Recording Office in order to affect this change, but it has not yet occurred.

PURPOSE

18. The Monitor files this Fourth Report in respect of its motion dated September 21, 2021 (the "**Motion**"). The Monitor seeks an order for the following relief:
 - (a) Extending the Stay Period to March 31, 2022;
 - (b) Authorizing and empowering the Monitor to act as OGL's agent solely for the purpose of maintaining the mining claims of OGL registered with the MLAS; and
 - (c) Approving the Monitor's conduct as described in this Fourth Report.
19. This Fourth Report also provides the Court with an update in respect of the Bold LOI.

TERMS OF REFERENCE

20. Deloitte has prepared this Fourth Report in its capacity as Monitor to provide background to the Court for its consideration in respect of the Motion. Parties using the Fourth Report other than for the purposes outlined herein are cautioned that it may not be appropriate for their purposes.
21. Unless otherwise stated, all dollar amounts contained in this Fourth Report are expressed in U.S. dollars, OGL's reporting currency.

**DEVELOPMENTS SINCE THE ISSUANCE OF THE EXPANSION OF THE POWERS
OF THE MONITOR ORDER**

22. The Bold LOI contains an exclusivity provision that granted Bold the exclusive right to pursue a Transaction. The exclusivity period contained in the Bold LOI terminated on the earlier of: i) the execution of a definitive agreement between Bold and OGL, and ii) May 13, 2021.
23. Bold and OGL have not yet entered into a definitive agreement in respect of a Transaction as Bold is still carrying out the final stages of its due diligence. The Monitor believes that Bold is continuing to act in good faith in pursuing the Transaction. As such and with Orionis's support, several extensions of the Bold LOI and the exclusivity period initially contained therein have been granted. As part of the first extension, the Monitor negotiated a significant non-refundable deposit from Bold that is currently held in its trust account along with the balance of the purchase price payable by Bold pursuant to the Bold LOI.
24. The current exclusivity period expires on September 30, 2021. Bold continues its due diligence and work to be in a position to execute a definitive agreement in respect of a Transaction. The Monitor does not expect that this will occur prior to the expiry of the current Stay Period and that additional time is required for this purpose.
25. Bold has advised the Monitor that it has, among other things, carried out the following:
 - (a) Engaged counsel to provide advice related to a Transaction and to review a draft form of purchase agreement prepared by the Monitor, in consultation with Orionis;
 - (b) Engaged environmental consultants to assist it with geotechnical and environmental due diligence;

- (c) Engaged in extensive discussions regarding OGL's mine site with the Ministry of the Environment, Conservation and Parks (the "MECP") and the Ministry of Northern Development, Mines, Natural Resources and Forestry (the "MNDMNRF" and together with the MECP, the "Ministries"); and
 - (d) Undertaken a site visit of OGL's mine site in Kearney, Ontario.
26. The Monitor also notes that, notwithstanding the termination of the DIP Facility, representatives of Orionis and the Monitor have been in regular contact regarding the status of these proceedings. The Monitor has sought input and support from Orionis with respect to various matters, including attendances at Court as well as the potential structure of any Transaction and related considerations. Orionis continues to support the Monitor's efforts to maximize value for OGL's stakeholders.

RATIONALE FOR RELIEF SOUGHT

27. Given the status of discussions with Bold regarding a Transaction, the Monitor is seeking an extension of the Stay Period to allow Bold to complete its due diligence, negotiate the terms of a definitive agreement, and close a Transaction. For this reason, the Monitor is of the view that it is appropriate to extend the Stay Period until March 31, 2022 to facilitate these activities for the benefit of stakeholders.
28. The Monitor is also seeking the Court's authorization to act, without personal liability, as OGL's agent for the purposes of maintaining the Expiring Mining Claims within the MLAS maintained by MNDMNRF. Absent the appropriate oversight, the Expiring Mining Claims could expire. Accordingly, the Monitor requests that it be authorized to act as OGL's agent for the sole purpose of preserving the Expiring Mining Claims in furtherance of closing a

Transaction with Bold. Granting the Monitor power to access OGL's MLAS account will minimize any risk that the Expiring Mining Claims will expire.

29. The Monitor has advised counsel to Orionis and counsel to OGL of the relief sought by the Monitor in this motion and neither party as expressed any objection thereto. The Monitor is not aware of any other objections to this motion.

RECOMMENDATIONS

30. For the reasons set out above, the Monitor respectfully recommends that the Court approve the relief that the Monitor is seeking and issue the draft Order attached as Schedule "A" to its Notice of Motion and Appendix "J" to this Fourth Report.

All of which is respectfully submitted this 21st day of September, 2021.

THIS PURCHASE AGREEMENT is made as of February 23, 2022,

BETWEEN:

G6 ENERGY CORP., a corporation governed by the laws of British Columbia,

(the “**Purchaser**”)

- and -

ONTARIO GRAPHITE, LTD., a corporation governed by the laws of Ontario,

(“**OGL**”)

RECITALS:

- A. Ontario Graphite Ltd. (“**Parent**”), an exempted company incorporated with limited liability in the Cayman Islands owns all of the common shares (the “**Existing OGL Shares**”) in the authorized capital of OGL, and the Existing OGL Shares constitute all of the issued and outstanding shares of OGL outstanding immediately prior to the Closing Time, which for greater certainty, does not include the Post-Consolidation OGL Shares.
- B. Pursuant to those certain Secured Notes between Orionis Corporation (“**Orionis**”), as lender, and OGL, as borrower, dated as of January 19, 2016, July 19, 2017, and March 20, 2019 (collectively, and in each case as amended, supplemented, and otherwise modified from time to time, the “**Orionis Credit Facilities**”), Orionis made various advances to OGL and, as at the date of this Agreement, the total indebtedness owing by OGL to Orionis thereunder is in excess of US\$18,840,227 (inclusive of accrued and unpaid interest).
- C. As security for the obligations under the Orionis Credit Facilities, OGL granted Orionis a security interest over all of its present and after-acquired property, assets and undertakings. In addition, Parent provided a guarantee to Orionis of all obligations under the Orionis Credit Facilities, which guarantee is secured by a pledge of the Existing OGL Shares.
- D. On the Filing Date, upon application of Orionis, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an initial order (as amended and restated on February 20, 2020, as modified by the SISP & IRP Approval Order dated February 20, 2020, and as may be further amended, amended and restated, or modified from time to time, the “**Initial Order**”) in respect of OGL commencing proceedings under the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**”) (the proceedings thereunder hereinafter referred to as the “**CCAA Proceedings**”).

- E. Pursuant to the Initial Order, the Court, among other things, (i) appointed Deloitte Restructuring Inc. as “Monitor” in connection with the CCAA Proceedings, and (ii) approved a US\$2.75 million debtor-in-possession financing facility with Orionis, as lender, and OGL, as borrower, dated as of February 20, 2020 (the “**DIP Facility**”) and granted to Orionis a priority charge over the property, assets and undertakings of OGL to secure the obligations under the DIP Facility. As at the date of this Agreement, the total indebtedness owing by OGL to Orionis under the DIP Facility is in excess of US\$946,839 (inclusive of accrued and unpaid interest).
- F. Pursuant to the SISP & IRP Approval Order of the Court made on February 20, 2020, the Court approved a Sale and Investor Solicitation Process (the “**SISP**”), the purpose of which was to seek sale proposals or investment proposals from qualified bidders and to implement one or a combination of such proposals in respect of the assets, shares and/or business of OGL.
- G. After soliciting preliminary expressions of interest with respect to the SISP, the Monitor consulted with Orionis (being the key economic stakeholder in the CCAA Proceedings), who advised that it did not find any of the three bids received as part of the SISP to be compliant with the terms of the SISP or to provide sufficient value. As such, a default under the DIP Facility occurred and the Monitor subsequently obtained an Order of the Court on April 29, 2020 (the “**Termination Order**”) that provided for the discharge of the Monitor, approval of professional fees, and the termination of the CCAA Proceedings upon the filing of a certificate (the “**Monitor’s Termination Certificate**”).
- H. Subsequent to the making of the Termination Order but prior to the filing of the Monitor’s Termination Certificate, the Monitor received two expressions of interest for OGL’s assets. In response to such expressions and in consultation with Orionis, the Monitor designed a process to allow for each party to submit their best offer in accordance with certain procedures communicated by the Monitor to both parties (the “**Informal SISP**”).
- I. In accordance with the requirements of the Informal SISP, OGL and an Affiliate (as defined below) of the Purchaser entered into a binding letter of intent as of April 16, 2021 (as amended on May 25, 2021, August 5, 2021, September 3, 2021, September 30, 2021, October 29, 2021, November 30, 2021, December 31, 2021, January 14, 2021, and January 31, 2022, and as may be further amended or modified, the “**LOI**”) setting out the material terms and conditions upon which the Purchaser would be prepared to acquire the Business of OGL, and the Purchaser, OGL and the Monitor, in consultation with Orionis, have determined that the most efficient manner to implement the LOI is pursuant to the transactions contemplated by this Agreement.
- J. Pursuant to an order made on April 26, 2021, the Court (i) suspended certain provisions of the Termination Order and (ii) granted the Monitor enhanced powers to, among other things, (A) execute the LOI on behalf of OGL, (B) negotiate and enter into a definitive transaction on behalf OGL with the Purchaser, and (C) to carry out various ancillary actions relating to the negotiation and entering into such transaction (the “**Expanded Powers Order**”).

- K. The Purchaser and the Monitor, on behalf of OGL, in consultation with Orionis, have determined that the most efficient manner to implement the LOI is pursuant to the transactions contemplated in this Agreement, which includes, inter alia, (i) the vesting out of the claims and security interests held by Orionis in the Retained Assets (as defined below) pursuant to the Orionis Credit Facilities, the DIP Facility, and the security delivered in connection therewith and (ii) the issuance by OGL of the New OGL Shares to the Purchaser.
- L. Following the issuance of the New OGL Shares to the Purchaser and the completion of the Consolidation and Cancellation, the Purchaser shall own all of the Post-Consolidation OGL Shares (being all of the outstanding shares of OGL).

- (g) seventh, OGL shall be deemed to cease being a Respondent in these CCAA proceedings, and OGL shall be deemed to be released from the purview of the Initial Order and all other Orders of this Court granted in respect of this CCAA Proceeding, save and except for this Order, the provisions of which (as they relate to OGL) shall continue to apply in all respects.

6. **THIS COURT ORDERS AND DIRECTS** the Monitor to file with the Court a copy of the Monitor's Closing Certificate, forthwith after delivery thereof in connection with the Transactions.

7. **THIS COURT ORDERS** that upon delivery of the Monitor's Closing Certificate, and upon filing of a copy of this Order, together with any applicable registration fees, all governmental authorities and any other applicable registrar or government ministries or authorities exercising jurisdiction with respect to OGL, the Retained Assets, or the Excluded Assets (collectively, the "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Monitor's Closing Certificate and a copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance

as may be required to give effect to the terms of this Order and the SPA. Presentment of this Order and the Monitor's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Retained Assets of any Claims including Encumbrances but excluding Permitted Encumbrances, and the Monitor and the Purchaser are hereby specifically authorized to discharge the registrations on the OGL Property, other than Permitted Encumbrances.

8. **THIS COURT ORDERS**, without limiting the generality of paragraph 7 of this Order and consistent with paragraph 5 of this Order, that upon the registration in the Land Registry Office for the Land Titles Division of Parry Sound (No. 42) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* and/or the *Land Registration Reform Act*, the Land Registrar is hereby directed to delete and expunge from title to the OGL Property (including the property held in trust for OGL) all of the Encumbrances listed in **Schedule "B"** hereto.

9. **THIS COURT ORDERS** that no authorization, approval or other action by and no notice to or filing with any Governmental Authority or regulatory body exercising jurisdiction over the Retained Assets is required for the due execution, delivery and performance by OGL of the SPA.

10. **THIS COURT ORDERS** that the Monitor may rely on written notice from the Purchaser regarding the fulfilment of conditions to closing under the SPA and shall have no liability with respect to delivery of the Monitor's Closing Certificate.

11. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the New OGL Shares (the "**Proceeds**") which will be held by ExcludedCo shall stand in the place and stead of the OGL Property, and that from and after the delivery of the Monitor's Closing Certificate, all Claims and Encumbrances shall attach to the Proceeds and the Excluded Assets with the same priority as they had with respect to the OGL Property immediately prior to the sale.

12. **THIS COURT ORDERS** that the Monitor shall hold the shares of ExcludedCo, in trust, for the shareholders of OGL immediately prior to implementing the Transactions as their interests may be determined by this Order or any other Order of the Court in these proceedings. In

furtherance of carrying out this task, neither the Monitor, nor any person appointed as an officer or director of ExcludedCo shall have, or incur any personal liability in so doing. In addition to the powers granted to the Monitor pursuant to this Order, the Monitor shall have all the necessary powers as the sole shareholder of ExcludedCo.

13. **THIS COURT ORDERS** that, pursuant to clause 7(3) (c) of the *Personal Information Protection and Electronic Documents Act*, S.C. 2000, c. 5, as amended, OGL or the Monitor, as the case may be, is authorized, permitted and directed to, at the Closing Time, disclose to the Purchaser all human resources and payroll information in OGL's records pertaining to past and current employees of OGL. The Purchaser shall maintain and protect the privacy of such information in accordance with applicable law and shall be entitled to use the personal information provided to it in a manner that is in all material respects identical to the prior use of such information by OGL.

14. **THIS COURT ORDERS AND DECLARES** that, at the Closing Time and without limiting the provisions of paragraph 5 hereof, the Purchaser and OGL shall be deemed released from any and all claims, liabilities, (direct, indirect, absolute or contingent) or obligations with respect to any Taxes (including penalties and interest thereon) of, or that relate to, OGL (provided, as it relates to OGL, such release shall not apply to Taxes in respect of the business and operations conducted by OGL after the Closing Time), including without limiting the generality of the foregoing, all Taxes that could be assessed against the Purchaser or OGL (including its affiliates and any predecessor corporations) pursuant to section 160 of the *Income Tax Act*, R.S.C. 1985 c. 1 (5th Supp.), or any provincial equivalent, in connection with OGL. For greater certainty, nothing in this paragraph shall release or discharge any Claims with respect to Taxes that are transferred to ExcludedCo.

15. **THIS COURT ORDERS** that except to the extent expressly contemplated by the SPA, all Contracts and Leases to which OGL is a party at the time of delivery of the Monitor's Closing Certificate will be and remain in full force and effect upon and following delivery of the Monitor's Closing Certificate and no individual, firm, corporation, governmental body or agency, or any other entity (all of the foregoing, collectively being "**Persons**" and each being a "**Person**") who is a party to any such arrangement may accelerate, terminate, rescind, refuse to perform or otherwise

repudiate its obligations thereunder, or enforce or exercise any right (including any right of set off, dilution or other remedy) or make any demand under or in respect of any such arrangement and no automatic termination will have any validity or effect, by reason of:

- (a) any event that occurred on or prior to the delivery of the Monitor's Closing Certificate and is not continuing that would have entitled such Person to enforce those rights or remedies (including defaults or events of default arising as a result of the insolvency of OGL);
- (b) the insolvency of OGL or the fact that OGL obtained relief under the CCAA;
- (c) any compromises, releases, discharges, cancellations, transactions, arrangements, reorganizations or other steps taken or effected pursuant to the SPA, the Transactions or the provisions of this Order, or any other Order of the Court in these proceedings; or
- (d) any transfer or assignment, or any change of control of OGL arising from the implementation of the SPA, the Transactions or the provisions of this Order.

16. **THIS COURT ORDERS**, for greater certainty, that (a) nothing in paragraph 15 hereof shall waive, compromise or discharge any obligations of OGL in respect of any Retained Liabilities, and (b) the designation of any Claim as a Retained Liability is without prejudice to OGL's right to dispute the existence, validity or quantum of any such Retained Liability, and (c) nothing in this Order or the SPA shall affect or waive OGL's rights and defences, both legal and equitable, with respect to any Retained Liability, including, but not limited to, all rights with respect to entitlements to set offs or recoupments against such Retained Liability.

17. **THIS COURT ORDERS** that from and after the Closing Time, all Persons shall be deemed to have waived any and all defaults of OGL then existing or previously committed by OGL, or caused by OGL, directly or indirectly, or non-compliance with any covenant, warranty, representation, undertaking, positive or negative pledge, term, provision, condition, or obligation, expressed or implied in any Contract, or Lease existing between such Person and OGL (including for certainty, those Contracts, or Leases constituting Retained Assets) arising directly or indirectly from the filing of OGL under the CCAA and implementation of the Transactions, including

without limitation any of the matters or events listed in paragraph 15 hereof and any and all notices of default and demands for payment or any step or proceeding taken or commenced in connection therewith under a Contract, or a Lease shall be deemed to have been rescinded and of no further force or effect, provided that nothing herein shall be deemed to excuse OGL from performing its obligations under the SPA or be a waiver of defaults by OGL under the SPA and the related documents.

18. **THIS COURT ORDERS** that from and after the Closing Time, any and all Persons shall be and are hereby forever barred, estopped, stayed and enjoined from commencing, taking, applying for or issuing or continuing any and all steps or proceedings, whether directly, derivatively or otherwise, and including without limitation, administrative hearings and orders, declarations and assessments, commenced, taken or proceeded with or that may be commenced, taken or proceeded with against OGL relating in any way to or in respect of any Excluded Assets, Excluded Liabilities, Excluded Leases, or Excluded Contracts and any other claims, obligations and other matters that are waived, released, expunged or discharged pursuant to this Order. For clarity, nothing in the Order alters or limits the ability of any Person with a preserved or perfected claim for lien to pursue and prosecute that lien against Persons other than OGL, or their assets or properties.

19. **THIS COURT ORDERS** that from and after the Closing Time:

- (a) the nature of the Retained Liabilities, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of the Transactions or this Order;
- (b) the nature of the Excluded Liabilities, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of their transfer to ExcludedCo;
- (c) any Person that prior to the Closing Time had a valid right or claim against OGL under or in respect of any Excluded Contract, Excluded Lease, or Excluded Liability (each an “**Excluded Liability Claim**”) shall no longer have an Excluded Liability Claim against OGL but will have an equivalent Excluded Liability Claim

against ExcludedCo in respect of the Excluded Contract, Excluded Lease, or Excluded Liability from and after the Closing Time in its place and stead, and nothing in this Order limits, lessens or extinguishes the Excluded Liability Claim of any Person as against ExcludedCo; and

- (d) any Person with an Excluded Liability Claim against ExcludedCo following the Closing Time shall have the same rights, priority and entitlement as against ExcludedCo as such Person, with an Excluded Liability Claim, had against OGL prior to the Closing Time.

20. **THIS COURT ORDERS AND DECLARES** that, as of the Closing Time:

- (a) ExcludedCo shall be a company to which the CCAA applies; and
- (b) ExcludedCo shall be added as a Respondent in this CCAA Proceeding and all references in any Order of this Court in respect of this CCAA Proceeding to (i) “OGL” shall refer to and include ExcludedCo, and (ii) “Property” shall include the current and future assets, licenses, undertakings and properties of every nature and kind whatsoever, and wherever situate including all proceeds thereof, of ExcludedCo (the “**ExcludedCo Property**”), and, for greater certainty, each of the Charges (as defined in the Amended and Restated Initial Order dated February 20, 2020 and as increased by orders dated April 29, 2020 and April 26, 2021), shall constitute a charge on the Property of ExcludedCo.

21. **THIS COURT ORDERS** that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, R.S.C 195, c. B-3, as amended (the “**BIA**”), in respect of ExcludedCo and any bankruptcy order issued pursuant to any such applications; and

- (c) any assignment in bankruptcy made in respect of ExcludedCo;

the SPA, the implementation of the Transactions (including without limitation the transfer and vesting of the Excluded Assets, Excluded Contracts, Excluded Leases and Excluded Liabilities in and to ExcludedCo, the transfer and vesting of the New OGL Shares and the Post-Consolidation OGL Shares in and to the Purchaser) and any payments by or to the Purchaser, ExcludedCo or the Monitor authorized herein shall be binding on any trustee in bankruptcy that may be appointed in respect of ExcludedCo and shall not be void or voidable by creditors of ExcludedCo, as applicable, nor shall they constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the CCAA, the BIA or any other applicable federal or provincial legislation, nor shall they constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

7. **THIS COURT ORDERS** that upon delivery of the Monitor's Closing Certificate, and upon filing of a copy of this Order, together with any applicable registration fees, all governmental authorities and any other applicable registrar or government ministries or authorities exercising jurisdiction with respect to OGL, the Retained Assets, or the Excluded Assets (collectively, the "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Monitor's Closing Certificate and a copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance

as may be required to give effect to the terms of this Order and the SPA. Presentment of this Order and the Monitor's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Retained Assets of any Claims including Encumbrances but excluding Permitted Encumbrances, and the Monitor and the Purchaser are hereby specifically authorized to discharge the registrations on the OGL Property, other than Permitted Encumbrances.

10. **THIS COURT ORDERS** that the Monitor may rely on written notice from the Purchaser regarding the fulfilment of conditions to closing under the SPA and shall have no liability with respect to delivery of the Monitor's Closing Certificate.

11. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the New OGL Shares (the "**Proceeds**") which will be held by ExcludedCo shall stand in the place and stead of the OGL Property, and that from and after the delivery of the Monitor's Closing Certificate, all Claims and Encumbrances shall attach to the Proceeds and the Excluded Assets with the same priority as they had with respect to the OGL Property immediately prior to the sale.

12. **THIS COURT ORDERS** that the Monitor shall hold the shares of ExcludedCo, in trust, for the shareholders of OGL immediately prior to implementing the Transactions as their interests may be determined by this Order or any other Order of the Court in these proceedings. In

furtherance of carrying out this task, neither the Monitor, nor any person appointed as an officer or director of ExcludedCo shall have, or incur any personal liability in so doing. In addition to the powers granted to the Monitor pursuant to this Order, the Monitor shall have all the necessary powers as the sole shareholder of ExcludedCo.

13. **THIS COURT ORDERS** that, pursuant to clause 7(3) (c) of the *Personal Information Protection and Electronic Documents Act*, S.C. 2000, c. 5, as amended, OGL or the Monitor, as the case may be, is authorized, permitted and directed to, at the Closing Time, disclose to the Purchaser all human resources and payroll information in OGL's records pertaining to past and current employees of OGL. 14. **THIS COURT ORDERS AND DECLARES** that, at the Closing Time and without limiting the provisions of paragraph 5 hereof, the Purchaser and OGL shall be deemed released from any and all claims, liabilities, (direct, indirect, absolute or contingent) or obligations with respect to any Taxes (including penalties and interest thereon) of, or that relate to, OGL (provided, as it relates to OGL, such release shall not apply to Taxes in respect of the business and operations conducted by OGL after the Closing Time), including without limiting the generality of the foregoing, all Taxes that could be assessed against the Purchaser or OGL (including its affiliates and any predecessor corporations) pursuant to section 160 of the *Income Tax Act*, R.S.C. 1985 c. 1 (5th Supp.), or any provincial equivalent, in connection with OGL. For greater certainty, nothing in this paragraph shall release or discharge any Claims with respect to Taxes that are transferred to ExcludedCo.

15. **THIS COURT ORDERS** that except to the extent expressly contemplated by the SPA, all Contracts and Leases to which OGL is a party at the time of delivery of the Monitor's Closing Certificate will be and remain in full force and effect upon and following delivery of the Monitor's Closing Certificate and no individual, firm, corporation, governmental body or agency, or any other entity (all of the foregoing, collectively being "**Persons**" and each being a "**Person**") who is a party to any such arrangement may accelerate, terminate, rescind, refuse to perform or otherwise

repudiate its obligations thereunder, or enforce or exercise any right (including any right of set off, dilution or other remedy) or make any demand under or in respect of any such arrangement and no automatic termination will have any validity or effect, by reason of:

- (a) any event that occurred on or prior to the delivery of the Monitor's Closing Certificate and is not continuing that would have entitled such Person to enforce those rights or remedies (including defaults or events of default arising as a result of the insolvency of OGL);
- (b) the insolvency of OGL or the fact that OGL obtained relief under the CCAA;
- (c) any compromises, releases, discharges, cancellations, transactions, arrangements, reorganizations or other steps taken or effected pursuant to the SPA, the Transactions or the provisions of this Order, or any other Order of the Court in these proceedings; or
- (d) any transfer or assignment, or any change of control of OGL arising from the implementation of the SPA, the Transactions or the provisions of this Order.

16. **THIS COURT ORDERS**, for greater certainty, that (a) nothing in paragraph 15 hereof shall waive, compromise or discharge any obligations of OGL in respect of any Retained Liabilities, and (b) the designation of any Claim as a Retained Liability is without prejudice to OGL's right to dispute the existence, validity or quantum of any such Retained Liability, and (c) nothing in this Order or the SPA shall affect or waive OGL's rights and defences, both legal and equitable, with respect to any Retained Liability, including, but not limited to, all rights with respect to entitlements to set offs or recoupments against such Retained Liability.
