SIXTH REPORT OF THE MONITOR

DATED APRIL 5, 2021

INTRODUCTION

1. On October 31, 2019, North American Fur Producers Inc., NAFA Properties Inc. (“**NAFA Properties**”), 3306319 Nova Scotia Limited, North American Fur Auctions Inc., NAFA Properties (US) Inc., NAFA Properties Stoughton LLC, North American Fur Auctions (US) Inc., NAFPRO LLC (Wisconsin LLC), NAFA Europe Co-Operatief Ua, NAFA Europe B.V., Daikoku Sp.Z Oo and NAFA Polska Sp. Z Oo (the “**Applicants**”) commenced these CCAA Proceedings pursuant to the Initial Order. The Applicants’ principal business consists of advancing loans to mink farmers to produce mink furs for auctions run by the Applicants. For ease of reference and readability, capitalized terms not defined in this sixth report of the Monitor (the “**Sixth Report**”) are defined in the glossary attached as Appendix “**A**” to this Sixth Report.

2. On November 8, 2019, the Applicants obtained an Amended and Restated Initial Order. A copy of the Amended and Restated Initial Order is attached to this Sixth Report as Appendix “B”.
3. On November 5, 2020, the Applicants obtained an extension of the Stay Period up to and including April 9, 2021 (the “**November Stay Extension**”). On the same day, the Court issued an Order (the “**Expanded Powers Order**”) that, among other things, granted the Monitor expanded powers with respect to certain items, including:
 - a. Insurance claims that may be advanced by NAFA. Principle among these claims are the trade credit insurance claims that NAFA is currently advancing to recover amounts pursuant to unpaid kit loans advanced to farmers in 2019;
 - b. Claims in respect of NAFA’s “rollover loan” balances (i.e. unpaid loans advanced in 2018 and prior);
 - c. Litigation in proceedings in which the Applicants are either a plaintiff or claimant (other than these CCAA Proceedings);
 - d. Oversight over material expenditures related to NAFA’s nascent “brokerage business” (i.e. the process whereby NAFA finds buyers for pelts being marketed by consignors that formerly sold their skins at NAFA’s auctions);
 - e. Matters related to NAFA’s employees; and
 - f. The right, title and interest of the Applicants in any real property.
4. Since the date of the Expanded Powers Order, the Monitor has been working closely with the Applicants in respect of the issues above, with the two parties sharing a common approach without the need to seek direction from the Court. The Monitor has provided

regular updates to the Agent on these matters and has sought input from the Agent when appropriate.

5. On November 5, 2020, the Court also issued an Approval and Vesting Order approving an agreement of purchase and sale between NAFA Properties and Niche Bakers Properties Inc. (“**Niche Bakers**”) for the purchase of the Ground Lease relating to the Skyway Property. However, on or about November 6, 2020, the agreement with Niche Bakers terminated in accordance with its terms because Niche Bakers did not waive its due diligence condition on or before the due diligence deadline.
6. On November 27, 2020, the Court issued an Order (the “**Skyway Powers Order**”) that, among other things:
 - a. Granted the Monitor the powers, in consultation with BDC and the Agent and on behalf of the Applicants, to take steps it considers desirable or necessary in respect of the Skyway Property; and
 - b. Granted the Monitor the power to borrow, as it considers necessary or desirable, up to \$750,000 in order to fund the exercise of its expanded powers in respect of the Skyway Property. Any such borrowings shall be granted a fixed and specific charge against the Skyway Property (the “**Skyway Borrowings Charge**”) in priority to all security interests, trusts, liens, charges and encumbrances in favour of any person and shall be evidenced by borrowings certificates issued by the Monitor (“**Borrowing Certificates**”).
7. Since the beginning of these CCAA Proceedings, and as set out further in affidavit of Doug Lawson sworn April 1, 2021 (the “**April Lawson Affidavit**”), the fur market has been

affected by a number of factors, including a coronavirus pandemic (the “**Covid-19 pandemic**”) that began to have significant effects in early 2020. As a result, the entire premise of the Applicants’ restructuring and monetization efforts were affected and NAFA has been required to alter its approach accordingly.

8. Given the Covid-19 pandemic, NAFA’s primary cash inflows, which are based on auction proceeds on mink that it financed during 2019, were significantly depressed, both as a result of the volume of pelts sold (when compared to historic volumes) and the prices achieved for those pelts in 2020. This resulted in the Applicants paying down less Syndicate Debt than contemplated at the beginning of these CCAA Proceedings. Due to pricing and other mink industry dynamics, including depressed auction activity due in part to travel restrictions imposed by various foreign governments, a significant portion of skins were held over to be auctioned in 2021. This factor is unusual when compared to the recent past, even when considering recent negative industry-wide trends that began prior to the Covid-19 pandemic.
9. Despite the challenges of the Covid-19 pandemic and certain related courses of action pursued by foreign governments related to the culling of millions of mink in Europe (including Denmark, which in recent years has been one of the largest producers of mink globally), the fur market (both the volume and price of mink skins) has exhibited early signs of a rebound since December, 2020, as each of KF and Saga have seen material increases in the quantity of mink sold and the prices achieved for such pelts. However, the degree to which these price and demand increases will continue to be realized is uncertain.
10. The Applicants’ motion record dated April 1, 2021 returnable on April 7, 2021 (the “**Motion**”) seeks the following relief:

- a. Approving the sale of NAFA’s principal premises located at the Skyway Property and the Ground Leases related thereto to Gestion Famille Wei Li II Inc. and Wei Li Family Holding II Inc. (collectively, the “**Purchaser**” and the “**Skyway Transaction**”);
- b. Distributing the net proceeds from the Skyway Property;
- c. Extending the Stay Period from April 9, 2021 to July 30, 2021;
- d. Further extending the Stay Period from July 30, 2021 up to and including September 30, 2021 (the “**Extended Stay Period**”) upon the filing of a Monitor’s certificate (the “**Monitor’s Certificate**”) certifying that the Monitor has reviewed the Applicants’ cash flow forecast and that it projects that the Applicants have sufficient funds for the Extended Stay Period and has obtained the consent of the Agent and BDC (if BDC not repaid in full at the time of the filing the of the Monitor’s Certificate) in respect of the Extended Stay Period;
- e. Sealing certain confidential information set out in confidential exhibits and appendices filed separately with the Court;
- f. Approving the Fifth Report and this Sixth Report and the activities and conduct of the Monitor described therein and herein; and
- g. Approving the fees and disbursements of the Monitor and its counsel, Miller Thomson LLP (“**Miller Thomson**”) as detailed in the Affidavit of Jordan Sleeth sworn on March 30, 2021 (the “**Sleeth Fee Affidavit**”) and the Affidavit of Asim Iqbal sworn April 5, 2021(the “**Iqbal Fee Affidavit**” and collectively with the Sleeth Fee Affidavit, the “**Fee Affidavits**”), respectively.

11. During the Extended Stay Period, should it be authorized by the Court, the restructuring and monetization activities of NAFA and the Monitor will consist primarily of the following, in each case in consultation with the Agent:
 - a. Completing the sale of the Skyway Property, assuming such sale is approved by the Court. Efforts to sell the Polish Property and the Wisconsin Properties will continue;
 - b. Advancing trade credit insurance claims for unpaid kit loans, including providing additional information to, and corresponding with, the adjuster assigned to NAFA's claims;
 - c. Collecting proceeds from 2021 auctions in respect of farmers that received kit loan funding in 2019 from NAFA;
 - d. Collecting amounts in respect of outstanding kit loans and rollover loans, including by realizing upon security NAFA holds, continuing litigation and potentially commencing further litigation; and
 - e. Soliciting expressions of interest in respect of its business to determine if there is any serious interest and exploring the possibility of expanding NAFA's brokerage business whereby it connects buyers and sellers of fur pelts for a commission.

12. Unless otherwise stated, monetary amounts contained herein are expressed in U.S. dollars, the Applicants' reporting currency.

PURPOSE

13. The purpose of this Sixth Report is to provide the Court with the Monitor's observations and recommendations on the relief sought by the Applicants in its Motion and to update the Court on the following items:
 - a. An update on the Applicants' and the Monitor's activities since the Fifth Report was issued;
 - b. The Applicants' receipt and disbursements (the "**R&D**") for the period from October 17, 2020 to March 19, 2021 (the "**Reporting Period**");
 - c. The Monitor's view on the proposed Skyway Transaction and the distribution of the net proceeds from the Skyway Property;
 - d. NAFA's cash flow forecast from March 20, 2021 through July 30, 2021 (the "**Cash Flow Forecast**" and the "**Cash Flow Period**", respectively);
 - e. NAFA's request to extend the Stay Period initially to July 30, 2021 and then to the Extended Stay Period; and
 - f. The Monitor's recommendations in respect of the relief that NAFA is seeking in its Motion.

TERMS OF REFERENCE

14. In preparing this Sixth Report and making the comments herein, the Monitor has been provided with, and has relied upon certain unaudited financial information, books, records and financial information prepared by the Applicants, discussions with and information from the Applicants' management ("**Management**") and other third-party sources (collectively, the "**Information**"). Except as described in this Sixth Report:

- a. The Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards (“GAAS”) pursuant to the *CPA Canada Handbook* (the “CPA Handbook”) and, accordingly, the Monitor express no opinion or other form of assurance contemplated under GAAS in respect of the Information; and
 - b. Some of the information referred to in this Sixth Report consists of forecasts and projections. An examination or review of the financial forecast and projections, as outlined in the CPA Handbook, has not been performed.
15. Future oriented financial information referred to in this Sixth Report was prepared based on the Applicants’ estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections, even if the assumptions materialize and the variations could be significant.
16. Due to restrictions imposed as a result of the Covid-19 pandemic, the Monitor has been unable to perform usual procedures to verify or test Information provided by Management, including physical attendance at NAFA’s premises and meetings with Management.
17. While this Sixth Report does reference some of the known impacts of Covid-19 on the Applicants’ current and future operations, there may be further impacts not yet identified that may impact the Applicants’ business, which may have an adverse impact on their financial performance. Readers should consider the increasingly broad effects on the

financial condition of the Applicants, as a result of the negative impact on Canada, the global economy and major financial markets from Covid-19 pandemic.

ACTIVITIES OF THE MONITOR SINCE THE FIFTH REPORT

18. Since the date of the Fifth Report, the Monitor has undertaken, among other things, the following activities:

- a. Monitoring NAFA's receipts and disbursements and reporting same to the Agent. This includes a weekly calculation of NAFA's Distributable Funds (as such term is defined in the First Report). Cash flow variance reporting to the Agent occurs on a basis that attempts to balance timeliness and cost and occurs approximately once per month with other reports and calls to review discrete items occurring as and when required;
- b. Assisting NAFA in the development of the Cash Flow Forecast;
- c. Attending phone calls with CBRE Group Inc. ("CBRE"), the Applicants' Canadian real estate broker, in respect of the sale process regarding the Skyway Property and the negotiation of the Skyway Transaction. The Monitor has reported on the status of these discussions to BDC and the Agent on a regular basis. The Applicants' Motion materials contain a detailed overview of marketing efforts in respect of the Skyway Property that was prepared by CBRE;
- d. Reviewing information provided by the Purchaser, communicating with the City Landlord and the Private Landlord, responding to inquiries from the Purchaser as it undertook its due diligence on the Skyway Property and communicating with various parties regarding same;

- e. Communicating with the real estate agent as to the status of the Wisconsin Properties and market interest in same;
- f. Discussing moving the listing of the Polish Property to CBRE and negotiating the listing agreement with CBRE for the Polish Property. These negotiations are ongoing;
- g. Participating in regular discussions between NAFA and Saga in respect of the arrangement between them for Saga to auction furs financed by NAFA. The Monitor has also been involved in discussions between NAFA and two other auction houses, KF and AME, in respect of the sale of furs that were financed by NAFA in 2019 and the amounts due to NAFA from mink ranchers for kit loans provided in 2019 and prior years;
- h. Receiving updates on the collection of buyer receipts from 2020 and 2021 auctions at Saga, KF and AME;
- i. Updating NAFA's loan book to reflect recent auction proceed payments related to consignor accounts;
- j. Monitoring efforts ongoing in Europe to recover loans provided to mink farmers in a number of Baltic countries and Poland including virtual meetings with local counsel to evaluate ongoing litigation and options to enforce security and commence new litigation where appropriate;
- k. Assisting NAFA in paying out funds to consignors for skins that were sold on a private treaty basis. Such funds were paid to the Monitor during 2020 with the

majority of the funds disbursed in December, 2020. The Monitor continues to receive proceeds from smaller private treaty and brokerage business sales in 2021;

- l. Responding to queries from the Agent and providing the Agent with summaries of the Applicants' realization efforts and necessary supporting documentation to allow the Agent to be consulted or to provide its approval in accordance with the Agent's consultation and approval rights;
- m. Reviewing, considering and approving negotiated settlements with certain borrowers and preparing analyses of same for the Agent so that it can consider its approval;
- n. Corresponding with various stakeholders, including mink ranchers and other third-party creditors;
- o. Corresponding with NAFA and the Agent regarding the status of private treaty sales of pelts;
- p. Reviewing trade credit insurance claims that are being submitted to NAFA's insurer for unpaid kit loans advanced in 2019 and prior years;
- q. Monitoring efforts taken by NAFA in its Broker Business (as defined in the October Lawson Affidavit);
- r. Preparation of a model for NAFA to use to prepare its estimate of realizable value of its remaining assets (an "ERV");
- s. Received the ERV prepared by NAFA and met with it to allow NAFA to explain its underlying assumptions in respect of same. The Applicants are not seeking any

relief based on the implications of the ERV and, as such, the Monitor is not commenting on the ERV at this time;

- t. Undertaking the expanded powers granted to the Monitor in accordance with the Expanded Powers Order;
- u. Updating the Monitor's case website to provide stakeholders with relevant information; and
- v. Preparing this Sixth Report.

20. Below are details for some of the larger line items above:

Receipts

- a. *Buyer receipts* – NAFA has collected approximately \$833,000 from customers that bought goods at previous auctions but had not yet settled their accounts. The buyer receivable balance at the conclusion of the Reporting Period totalled approximately \$430,000 and NAFA is currently in discussions with these buyers to fully pay their accounts. NAFA continues to hold the unpaid goods (for certain buyers only, as

others have already been re-consigned for sale to settle their account, thereby eliminating NAFA's prior security for these balances) and has the option to re-consign them if accounts are not fully settled.

- b. *HST refunds* – NAFA received approximately \$123,000 in HST refunds during the Reporting Period. Given the CCAA Proceedings, Canada Revenue Agency (“**CRA**”) continues to review NAFA's HST accounts and filings. Such review delayed previously due refunds with the accumulated funds anticipated by NAFA to be paid in May, 2021. NAFA continues to file HST returns in the normal course and is currently expecting approximately \$118,000 to be paid to it once CRA has finalized its review.
- c. *Other receipts* – During the Reporting Period NAFA received approximately \$1.6 million of Other receipts. Such funds relate to:
 - i. \$55,000 in rent payments received from NAFA's subtenant, Montana's restaurant. Of this amount, \$38,000 was transferred to the Monitor's trust account in accordance with the Expanded Powers Order;
 - ii. \$36,000 in rent payments received from Second Harvest, one of NAFA's tenants in Stoughton, Wisconsin;
 - iii. \$90,000 in funds received pursuant to the Canada Emergency Wage Supplement (“**CEWS**”). Included in this amount was \$22,000 that was paid to NAFA in error. This amount was returned to CRA. CRA is currently holding approximately \$101,000 in CEWS funding due to NAFA that have not been released as a result of CRA internal processing issues that CRA is

investigating. The CRA notified NAFA that it expects this issue to be resolved and funds released before the end of April, 2021. NAFA continues to apply for applicable wage support from the CEWS program, as applicable;

- iv. \$75,000 in licensing fees received from Saga for the use of the Blackglama trademark. Saga has an agreement with NAFA to license the Blackglama trademark for \$150,000 per year, with the second payment of \$75,000 to be received on May 1, 2021;
- v. Approximately \$528,000 related to a payment from the Government of Canada's Agri-Stability program. 3306319 Nova Scotia Limited (i.e., NAFA Farms) applied for and received this amount for the 2019 growing season;
- vi. Approximately \$649,000 related to a settlement with a bank in Latvia. The bank was the primary operating bank of one of NAFA's consignors and NAFA alleged that it acted improperly with respect to such consignor's account. A negotiated settlement was reached and resulted in the payment of this amount;
- vii. \$44,000 in reimbursement of legal fees incurred by NAFA Europe BV in connection with NAFA's case against the Netherland's tax authorities; and
 - i. \$123,000 in foreign tax refunds, other small receipts and exchange gains on NAFA's non-U.S. dollar denominated accounts and other small receipts.

- d. *Private treaty sales* – During the Reporting Period NAFA received approximately \$531,000 of funds related to proceeds from private treaty sales. These funds represent NAFA’s proportion of private treaty sale proceeds that were paid to the Monitor’s trust account in accordance with the Safe Harbour Order for pelts that were sold in 2020. NAFA charged consignors a processing fee and/or a wire fee and these amounts were also paid to NAFA by the Monitor.
- e. *Auction house receipts – Saga/KF/AME* – Each of Saga, KF and AME held auctions in September, 2020 and December, 2020 as a result of the effect of the Covid-19 pandemic, as auctions in December are not typical. NAFA received total proceeds of approximately \$932,000 from the three auction houses combined. In addition, Saga paid NAFA outstanding pelt collection fees of \$117,000. Prior to the auction sales undertaken in spring 2021, NAFA estimates that there were approximately 660,000 pelts subject to its security at KF, AME and Saga, but it has not yet received detailed reporting from the auction houses to further refine this estimate. The revised Cash Flow Forecast sets out NAFA’s estimate of funds to be received in respect of the sale of the majority of these pelts.
- f. *Saga reimbursement for operating expenses* – NAFA received approximately \$141,000, which represents rent payments under Saga’s lease of one of the Wisconsin Properties.
- g. *Consignor settlements/kit loan repayments* – During the Reporting Period NAFA received approximately \$1.4 million related to kit loan repayments. This amount is a mixture of partial payments of their accounts and/or settlements that have been approved by the Monitor, in consultation with Agent, as required by the protocol

between the Agent and the Applicants. NAFA continues to pursue its debtors and has issued a number of letters demanding repayment. NAFA has also submitted 22 insurance claims for those farms that are covered under its trade credit insurance policy.

- h. *Disposal of PP&E* – During the Reporting Period NAFA received approximately \$142,000 in respect of assets it sold. The majority of these assets related to the chattels at the Skyway Property, as they were no longer required as NAFA vacated the building.

Disbursements

- i. *Pelt processing costs* – NAFA paid pelt processing costs of approximately \$23,000 in order to secure the release of skins that were being stored at a pelt processing facility in the United States. The farmer was unable to pay for the release of the pelts himself, so NAFA made the disbursement on his behalf as the estimated sale price of the pelts is far in excess of the costs to secure their release.
- j. *Daikoku disbursements* – Pursuant to a settlement with the former owner of the Daikoku farm, NAFA paid approximately \$76,000 to finalize the transfer of the farm to this party. Such disbursement was offset by the delivery of approximately 22,000 mink pelts that will be auctioned later in 2021. NAFA estimates that the value of these pelts when sold will exceed the amount paid.
- k. *Occupancy costs* – During the Reporting Period, NAFA disbursed approximately \$206,000 in operating costs for its facilities in Toronto, Wisconsin and Poland. Before NAFA vacated the Skyway Property in late 2020, it spent \$75,000 in

occupancy costs. Beginning December 1, 2020, the largest payments related to occupancy costs incurred in Poland, where approximately \$79,000 was spent, primarily on property tax and utilities. Costs in Wisconsin totalled \$52,000, of which \$45,000 related to 2020 property taxes.

- l. *Employee costs – permanent:* Disbursements for NAFA’s full-time staff, which payments totalled approximately \$474,000, included the following:
 - i. \$371,000 in semi-monthly, or monthly depending on the jurisdiction, payment of wages and taxes;
 - ii. \$81,000 in pension and benefit amounts; and
 - iii. \$22,000 in KERP entitlements for those terminated employees who were beneficiaries of the KERP.
- m. *Employee costs – seasonal –* Payments for this item during the Reporting Period totalled approximately \$46,000 and represent hourly wages for those employees working in NAFA’s warehouse prior to NAFA vacating the Skyway Property and the period shortly thereafter. NAFA does not expect additional costs of this nature in the future.
- n. *Shipping and warehousing costs –* NAFA disbursed approximately \$33,000 of these costs during the Reporting Period. Approximately \$22,000, relate to payments to NAFA’s Baltic agent who is assisting with consignor negotiations and arranging execution of the documentation necessary for NAFA to receive auction proceeds. The remaining \$11,000 was for mink pelt tags related to the Blackglama trademark and was reimbursed by Saga.

- o. *Professional fees* – A total of approximately \$1.5 million was paid to the professional service firms related to NAFA’s CCAA Proceeding. Such costs represent NAFA’s counsel, both in North America and Europe, the Monitor and its counsel, legal and financial advisors to the Agent and BDC (the fees of BDC’s legal counsel are up to November 1, 2020), and foreign counsel relating to Blackglama trademark matters, and accounting fees for corporate tax filings in Europe and the U.S.
- p. *Other administrative and operating costs* – Such costs represent general office expenses such as telecommunications, contractors, accounting fees (including tax filings and bookkeeping in Poland and Holland), foreign taxes, bank charges and miscellaneous costs related to operations in Poland and other utility costs. Payments for this line item totalled approximately \$110,000 during the Reporting Period.
- q. *Repayment of Tranche A* – Each week NAFA calculates the quantum of Distributable Funds (i.e. weekly closing cash balances in excess of \$1 million) that are available to pay down the Tranche A indebtedness of the Syndicate Debt. During the Reporting Period, NAFA paid approximately \$2.9 million to the Agent for debt retirement. The balance remaining on the Syndicate Debt is approximately \$17.6 million as of March 26, 2021.
- r. *Mortgage payment and other costs* – These costs, which totalled approximately \$26,000 during the Reporting Period, were paid to BDC in respect of amounts due and secured by the Skyway Property. Since NAFA vacated the Skyway Property, such costs have not been paid by NAFA. Rather, the Monitor, through amounts

borrowed under the Skyway Borrowing Charge, has paid costs related to the Skyway Property (although the mortgage payments owing to BDC have not been paid since November 5, 2020 with the expectation that BDC will be repaid the amount due under its mortgage on closing of the Skyway Transaction).

- s. *Bank interest and refinancing costs* – Such amounts relate entirely to interest costs on the Syndicate Debt and total approximately \$752,000.

THE SKYWAY TRANSACTION

21. As part of its CCAA Proceedings, NAFA has undertaken a process to monetize its assets that are no longer required. This includes listing for sale its real property in Canada, the United States and Europe, including the Skyway Property.
22. The October Lawson Affidavit and the April Lawson Affidavit describe the sale process for the Skyway Property in detail. The marketing of the Skyway Property began in early 2020 and was led by CBRE. The Skyway Property was broadly exposed to the market for several months. NAFA Properties entered into agreements of purchase and sale for the Skyway Property in June, 2020 and October, 2020 but neither transaction closed, as the purchasers did not waive certain conditions in their agreements.
23. Full details of the marketing efforts of the Skyway Property including a summary of all bids received and copies of all prior bids was filed with the Court in the Confidential Brief of the Applicants dated October 31, 2020, which is subject to a sealing Order granted on November 5, 2021.
24. After resuming efforts to market the Skyway Property, on December 11, 2020, NAFA Properties and the Purchaser entered in an agreement of purchase and sale from the

Purchaser, which was accepted and became binding on December 23, 2020 (the “**Wei Li APS**”). The Purchaser intends to sub-lease the Skyway Property to Sinobec Group Inc. (“**Sinobec**”), which is a related entity. Sinobec is prepared to provide its covenant to the Private Landlord for their Ground Lease.

25. The unredacted form of the Wei Li APS showing the financial terms is included in **Confidential Appendix “1”** to this Sixth Report. The Applicants are seeking an Order to seal the unredacted form of the Wei Li APS. The Monitor is of the view that the unredacted Wei Li APS contains the purchase price and other financial and commercially sensitive information that if disclosed could negatively affect NAFA’s asset realization and restructuring efforts in the event the Skyway Transaction fails to close and the Skyway Property needs to be marketed again. The Monitor is of the view the unredacted Wei Li APS should be sealed for these reasons and recommends that the Court approve this request should it see fit to do so.
26. The Wei Li APS contains a due diligence condition in favour of the Purchaser that was originally to be waived by the Purchaser 60 days after the acceptance date (the “**Due Diligence Date**”). On February 19, 2021, at the request of the Purchaser, the Monitor and NAFA Properties agreed to extend the Due Diligence Date to February 26, 2021. At the time of agreeing to the one week extension of the Due Diligence Date, the Monitor and NAFA Properties were aware that a further extension request was likely going to be forthcoming from the Purchaser likely requesting an extension of the Due Diligence Date to March 30, 2021.
27. The Monitor discussed the extension of the Due Diligence Date with BDC and the Agent. During the week of February 21, 2021, the Monitor, NAFA Properties and the Purchaser

negotiated an agreed price for the sale of the chattels at Skyway as well as terms for a further extension of the Due Diligence Date. On February 26, 2021, the Monitor, NAFA Properties and the Purchaser agreed, among other things:

- a. To extend the Due Diligence Date to March 30, 2021;
 - b. That a term of the extension of the Due Diligence Date was that the Purchaser would fund 50% of the carrying costs of the Skyway Property to March 30, 2021; and
 - c. The Purchaser would purchase the chattels.
28. The Monitor, NAFA Properties and the Purchaser continued discussions on various issues up until the Due Diligence Date. These discussions were fluid and the Monitor kept BDC and the Agent apprised of the discussions taking place at all times.
29. As part of those discussions, the Purchaser requested that, assuming waiver of their due diligence condition, that the Closing Date be April 30, 2021 rather than being the date that is later to occur of (i) 10 Business Days following the Due Diligence Date and (ii) seven days following the date on which the Transaction Approvals (being all Court and other approvals necessary to complete the transaction contemplated by the Wei Li APS as are required in connection with the CCAA Proceedings).
30. On March 30, 2021, the Purchaser waived its due diligence conditions on the basis that, among other things:
- a. The Closing Date be amended to mean April 30, 2021;
 - b. That the Purchaser would remit to the Monitor 50% of the carrying costs of the Skyway Property for the period from March 31, 2021 to April 30, 2021; and

- c. On the Closing Date, the Purchase Price would be reduced by the amount of contribution for carrying costs paid by the Purchaser for the period March 31, 2021 to April 30, 2021.

The Monitor and NAFA Properties confirmed the terms above, which were approved by BDC and provided to the Agent for its consideration.

31. A summary of the non-financial terms of the Wei Li APS is included below (undefined capitalized terms in the table below have the meanings ascribed to them in the Wei Li APS):

Item	Agreement provision
Closing date	<ul style="list-style-type: none"> • The date that is April 30, 2021
Assets subject to agreement	<ul style="list-style-type: none"> • The leasehold interest in the Skyway Property granted pursuant to the Ground Lease • Ground Leases • Montana’s Sublease • Assumed Contracts • Warranties • Plans • Chattels
Significant conditions precedent	<ul style="list-style-type: none"> • Approval and Vesting Order obtained • Due diligence condition in favour of the Purchaser to be waived 60 days after the acceptance date of the Wei APS. The due diligence waiver date was extended to March 30, 2021. The Purchaser paid approximately 50% of the monthly holding costs in exchange for the Monitor extending the due diligence waiver date (a similar payment was, however, made on or about April 5, 2021 in exchange for extending the closing date to April 30, 2021 such amount will be credited against the Purchase Price on closing). The Purchaser waived its due diligence condition on March 30, 2021. • Assignment of Ground Leases and sublease regarding NAFA Properties’ tenant • Usual and customary purchase price adjustments (e.g. allocation of property tax and Montana’s rent)
Court approval	<ul style="list-style-type: none"> • Approval and Vesting Order required

Item	Agreement provision
Other items	<ul style="list-style-type: none"> • Sale is “as is, where is” with limited representations from NAFA Properties • The Purchaser paid a deposit of CAD\$500,000 to the Monitor • NAFA Properties retains ability to seek property tax adjustments for prior years

32. Each of BDC and the Agent have been consulted in respect of the proposed Skyway Transaction throughout. BDC supports the relief sought by NAFA. The Agent has consented to the original Wei Li APS and all amendments except the last amendment on March 30, 2021, which was provided to it for their review as noted above. The Agent is considering the last amendment and will advise the Monitor prior to the hearing if it has any concerns.
33. The Monitor is of the view that the Skyway Property was properly exposed to the market of potential purchasers, generated several competitive bids resulting in prior agreements of purchase and sale that enabled NAFA Properties to negotiate an appropriate selling price and resulted in the Wei Li APS.
34. The assignment of the Ground Leases requires consent of the City Landlord and the Private Landlord (collectively, the “**Landlords**”), respectively, pursuant to the terms of the Ground Leases. The Private Landlord has indicated that it consents to the assignment of its Ground Lease, subject to being paid certain legal fees it has incurred and the City Landlord has not indicated any concerns regarding the assignment of its Ground Lease and advised that it intends to consent to the assignment.
35. The Purchaser also agreed to acquire the remaining NAFA chattels on the premises. Selling the chattels to the Purchaser relieves NAFA of the obligation of remove these assets

from the premises prior to closing. The Monitor and the Agent have reviewed the value being given for the value of the chattels and are of the view the amount is reasonable.

36. The Monitor is of the view that the Skyway Transaction is reasonable and recommends the granting of the Approval and Vesting Order in order to allow for the conclusion of the transaction.

DISTRIBUTION OF SKYWAY PROCEEDS

37. As noted in previous reports of the Monitor, BDC has a first ranking charge on the Skyway Property. The net proceeds from the sale of the Ground Leases and NAFA's head office are sufficient to repay BDC in full after repayment of the Borrowing Certificates. The Agent also has a secured charge over the Ground Leases in respect of the Skyway Property and is entitled to excess proceeds from the sale of this property after repayment of BDC. The Monitor's counsel, Miller Thomson, has provided a security opinion to the Monitor which opines that, subject to the usual qualifications for an opinion of this type, BDC holds a first registered charge and the Agent holds a second registered charge over the Ground Leases for the Skyway Property.

38. Pursuant to the Powers Order, the Skyway Borrowings Charge ranks ahead of the security held by BDC and the Agent, for borrowings by the Monitor up to a maximum of \$750,000. As of today's date, the Monitor has currently issued Borrowing Certificates totaling CAD\$500,000.

39. Based on the above, the Monitor is of the view that it is appropriate for the proceeds net of closing costs (the "**Skyway Proceeds**") be distributed as follows and recommends that the Court grant this relief should it see fit to do so:

- a. first, to repay all amounts owing under the Borrowings Certificates secured by the Skyway Borrowings Charge;
- b. second, to repay the indebtedness owing to BDC in full;
- c. third, to the repay the Agent and/or the Lenders.

CASH FLOW FORECAST

40. Attached as **Confidential Appendix “2”** is NAFA’s Cash Flow Forecast. The Cash Flow Forecast was prepared by the Applicants, with the assistance of the Monitor, in order to forecast receipts and disbursements through the initial extension of the Stay Period to July 30, 2021 being sought by the Applicants. The notes to the Cash Flow Forecast are an integral part thereof and the two documents should be read together. The Applicants are seeking an Order to seal the Cash Flow Forecast as it contains certain commercially sensitive information that could negatively affect NAFA’s asset realization and restructuring efforts if available publicly. The Monitor is of the view the Cash Flow Forecast should be sealed for these reasons and recommends that the Court approve this request should it see fit to do so.
41. As set out above, the 2020 auction season has concluded and NAFA did not finance any kits in the 2020 mink season. Since the end of 2020, NAFA has advanced efforts to monetize non-auction proceed assets. Such assets include insurance claims, buyer receivables, rollover loans and real property in North America and Poland. No realizations have been included in the Cash Flow Forecast for these items except the Skyway Property and certain known settlements.
42. The reason for this is that the timing and potential realizations on insurance claims, buyer receivables and rollover loans are uncertain at this time. It is also expected that recoveries

related to real property, both in North America and Europe, will flow directly to the Agent to repay the Syndicate Debt and not be available for general corporate use by NAFA.

43. A summary version of the Cash Flow Forecast is attached below:

44. As detailed therein, the Cash Flow Forecast contains the following:

- a. Receipts during the Cash Flow Period total approximately \$10.2 million as set out below:
- i. The largest forecast receipts are related to auction house receipts from each of Saga and AME. Such receipts total approximately \$7.7 million and represent projected proceeds from pelt sales taking into account the recent increase in prices achieved and reimbursement for certain other items related thereto;
 - ii. Assuming the Skyway Transaction closes, NAFA is projecting that the amount in excess of the debt held by BDC will be paid directly to the Agent to partially retire the Syndicate Debt. The Monitor is not disclosing this amount given the Applicants' request to have the Cash Flow Forecast sealed. Consignor settlement proceeds, another significant line item, is similarly being kept confidential by the Monitor;
 - iii. NAFA is also forecasting HST receipts of \$180,000 based on the quantum of input tax credits expected to be repaid to NAFA as it files its returns on a monthly basis; and
 - iv. The last significant receipt that NAFA is forecasting is reimbursement for the Canada Emergency Wage Subsidy. Such amounts are assumed to be \$148,000. Both CEWS and HST receipts are forecast as a lump sum for amounts that are outstanding as at the date of this Sixth Report as CRA is currently finalizing its audit of NAFA and is blocking payments to the Applicants until such time as its review is complete. After this date, both

CEWS and HST receipts are assumed to be received monthly in accordance with the normal timing of such receipts.

- b. Total disbursements, excluding debt service costs, are forecast to be approximately \$1.6 million. Significant components include:
 - i. Occupancy costs, which are principally related to NAFA's properties in both Poland and Wisconsin. The Cash Flow Forecast assumes that most of the Wisconsin costs will be reimbursed by the relevant tenants, as both facilities are currently leased while they are being marketed for sale. NAFA is currently operating out of office space that is rent free until June, 30, 2021. NAFA begins paying approximately \$1,000/month for this space beginning July 1, 2021;
 - ii. Employee costs, including wages and benefits and amounts payable to foreign governments for payroll taxes are included in this line item;
 - iii. Other general operational costs; and
 - iv. Professional fees for the Applicants' Canadian and European counsel, the Monitor and its counsel, the Agent's counsel and financial advisor.
- c. The Cash Flow Forecast includes payments to BDC in respect of the Skyway Property debt to fully retire this facility when the Skyway Transaction closes, assuming it is approved by the Court. Additional forecast debt repayment and debt service costs to the Syndicate in the amounts of \$7.9 million and \$594,000, respectively, are also assumed in the Cash Flow Forecast.

45. The debt payable to the Agent as at July 30, 2021 is forecast to be approximately \$4.9 million for the Tranche A indebtedness and approximately \$4.8 million in respect of the term debt. Total liquidity is projected to be approximately \$728,000.
46. The Monitor notes that the Cash Flow Forecast does not currently include provisions for costs related to potential new litigation which may be required to recover the rollover loans. Pursuant to the enhanced powers provided to the Monitor in November, 2020, the Monitor will consult with the Applicants and Agent prior to initiating new litigation to realize on NAFA's assets, including the rollover loans.

Cash Flow Forecast Risk Factors

47. Significant risk factors related to the Cash Flow Forecast include:
 - a. As set out elsewhere, demand for mink pelts in 2020 was at historic lows due to several factors, particularly the Covid-19 pandemic. For this reason, the volume of mink pelts sold in 2020 was far less than in prior years. Although auctions held in December 2020 and March 2021 have been promising, both in terms of volumes sold and prices realized, there is still a great deal of uncertainty in the mink market, and globally, as a result of the Covid-19 pandemic and no guarantee that recent gains will be repeated in the near term;
 - b. NAFA is not able to control the volume of pelts that are offered for sale at each of the auctions held by Saga, AME and KF. The Cash Flow Forecast assumes that all of NAFA's financed pelts available for auction in 2021 will sell in 2021; however, not all proceeds for such furs will be received within the Cash Flow Forecast period as a portion of the skins will not be sold until the fall. As both the prices achieved

and volumes sold at auction cannot be controlled by NAFA, there is a risk that the auction proceeds will be different than projected;

- c. Although certain cash inflows require the consent of the Agent before they can be agreed to and subsequently paid to NAFA, NAFA has included such amounts as it is of the view that such settlements are attractive and the best course of action;
- d. Although a level of recoveries and expenses are included in the Cash Flow Forecast, certain assets may require significant time, effort and cost to recover amounts that are currently payable to NAFA; and
- e. Notwithstanding certain settlements have been executed between NAFA and certain of its borrowers, it is not certain that such counterparties will perform their obligations under the settlement agreements.

APPROVAL OF THE MONITOR AND ITS COUNSEL'S ACTIVITIES AND FEES

- 48. The Monitor's Pre-filing Report and First Report, and the activities described therein, were approved by the Court on November 28, 2019. The Monitor's Second Report and the activities described therein were approved by the Court on January 30, 2020. The Monitor's Third Report and Fourth Report, and the activities contained therein, were approved by the Court on August 26, 2020.
- 49. NAFA is currently seeking approval of the Monitor's Fifth Report and Sixth Report and the activities described herein. The Sixth Report describes the activities of the Monitor and its counsel since the date of its Fifth Report, being November 3, 2020, to the date of the Sixth Report. The Fifth Report contains a summary of the Monitor's activities from the date of the Fourth Report, being August 24, 2020, and is attached (without appendices) as Appendix "C".

50. The Monitor supports NAFA's request to have its Fifth Report and Sixth Report, including the related activities and conduct detailed therein, approved.

Request for fee approval for the Monitor and its counsel

51. On August 26, 2020, the Court approved the fees of the Monitor and its counsel, Miller Thomson, through June 30, 2020. The Applicants are currently seeking the approval of the fees and disbursements for the Monitor and its counsel through February 28, 2021. The Monitor supports this request.
52. The Monitor and Miller Thomson have maintained detailed records of their professional time and costs from July 1, 2020 to February 28, 2021 (the "**Fee Period**"). The Monitor's professional time and disbursements are detailed in the Sleeth Fee Affidavit. Miller Thomson's professional fees and disbursements are detailed in the Iqbal Fee Affidavit. Copies of the Fee Affidavits are attached as Appendix "**D**" and "**E**", respectively.
53. The Monitor's accounts during the Fee Period total \$918,250 in fees, plus \$345 in disbursements, administration charges of \$64,236, and HST in the amount of \$127,768 for a total amount of \$1,110,599. The details of the time spent, including a summary of the personnel, hours and hourly rates of the services provided by the Monitor are more particularly described in the Sleeth Fee Affidavit.
54. The Monitor's counsel, Miller Thomson's accounts during the Fee Period total \$355,783 in fees, plus \$159 in disbursements plus HST in the amount of \$46,270 for a total amount of \$402,203. The details of the time spent including a summary of the personnel, hours and hourly rates of the services provided by Miller Thomson are more particularly described in the Iqbal Fee Affidavit.

55. The detailed accounts of Deloitte and Miller Thomson are being provided as Confidential Exhibit “**B**” to Sleeth Fee Affidavit and the Iqbal Fee Affidavit, respectively, and a sealing Order is being sought by NAFA as these accounts provide commercially sensitive information that, if disclosed, could impact future recoveries in these CCAA Proceedings.
56. The Monitor has reviewed the accounts of its counsel and confirms it authorized the work performed. The Monitor believes that the accounts of the Monitor and Miller Thomson are reasonable in the circumstances and respectfully requests that the Court approve the Monitor’s and its counsel’s fees and disbursements during the Fee Period as set out in the Fee Affidavits.

EXTENSION OF THE STAY PERIOD

57. NAFA is currently seeking an extension of the Stay Period to July 30, 2021. In addition, NAFA has requested an Order granting a mechanism that will allow for a further extension the stay of proceeding to September 30, 2021 or such other earlier date as the Applicants, Agent (and potentially BDC) and the Monitor consent to upon the filing of a Monitor’s Certificate.
58. In Order for the Monitor to file the Monitor’s Certificate to extend the Stay Period past July 30, 2021, the Monitor will have to certify in the Monitor’s Certificate that:
- a. The Applicants and the Agent (and BDC in the event BDC has not been repaid in full) have approved the cash flow forecast and consented to extend the Stay Period from July 30, 2021 to and including, September 30, 2021, or such other earlier date as each of the Agent and the Applicants consent (the “**Extended Stay Date**”); and

- b. The Monitor has confirmed that there are sufficient funds to support the Extended Stay Date, with the cash flow forecast demonstrating same to be filed with the Court on a confidential basis.
59. This mechanism is intended to save the costs of a further stay extension motion if the parties, after reviewing a cash flow forecast for the period, consent to the extension of the Stay Period.
60. The Monitor recommends the extension of the Stay Period and authorization of the mechanism to further extend the Stay Period to the Extended Stay Date to allow NAFA and the Monitor to continue NAFA's restructuring and asset monetization efforts including the following, each in consultation with the Agent in such manner as previously Ordered by the Court:
- a. Continue to receive auction proceeds from Saga, AME and KF during the 2021 auction season;
 - b. Continue to advance litigation against certain European farmers that took active steps to attempt to avoid their obligations to NAFA. NAFA is still assessing its options with respect to litigation to be commenced in North America and further litigation in Europe;
 - c. File its remaining insurance claims in respect of kit loans that remain unpaid. Most of these claims have been submitted to the insurer and are currently in the process of being adjusted;
 - d. Continue its realization efforts in respect of the rollover loans;
 - e. Close the Skyway Transaction assuming the transaction is approved by the Court;

- f. Continue its efforts to sell the Polish Property and the Wisconsin Properties;
- g. Solicit expressions of interest in respect of NAFA's business to determine if there is any serious interest and explore the possibility of expanding NAFA's brokerage business whereby it connects buyers and sellers of fur pelts for a commission; and
- h. Continue to identify opportunities to enhance recoveries for its stakeholders.

Soliciting Expressions of Interest

- 61. As indicated in the April Lawson Affidavit, the Applicants intend to seek expressions of interest in respect of its business to determine if there is any interest.
- 62. The Applicants have confirmed to the Monitor that they intend to do this with input from the Monitor, keep the Monitor involved and that the Monitor and the Agent will be advised of any interest received. The April Lawson Affidavit, at paragraph 98, inadvertently states that any serious interest will be brought to the Monitor's and the Applicant's attention before any further steps are taken, when it was intended to say such interest would be brought to the Monitor's and the Agent's attention.
- 63. If the Applicants receive any serious interest, they will seek either the consent of the Monitor and the Agent or approval of the Court to move forward with such expression of interest.
- 64. As the Court is aware, on January 30, 2020, the Monitor was authorized to undertake a SISF in a form approved by the Applicants and the Agent, or otherwise in approved by the Court (subject to a process to address concerns of counsel for certain employees). Due to a variety of reasons, including the impact of the Covid-19 pandemic on NAFA's business, the Monitor did not undertake a SISF.

65. The Monitor has been contacted by a party that has expressed potential interest in NAFA's business.
66. The Monitor is of the view that it is appropriate for NAFA to seek expressions of interest, subject to it keeping the Agent and the Monitor apprised of, and consulting with the Monitor and Agent in respect of all developments regarding same. The Monitor is of the view that it is not appropriate at this time to incur costs that would be associated with anything further than soliciting expressions of interest.
67. Moreover, the Monitor is of the view that in order for a transaction to be pursued, if expressions of interest are received, NAFA would either require consent of the Agent and the Monitor or further order of the Court (similar to the requirement to conduct a SISP set out above). If expressions are received, the Monitor will consider its views on next steps at that time and will provide its views to the Applicants and the Agent.
68. The items being focused on by NAFA and the Monitor during the Stay Period are intended to create value from the assets of NAFA.

Clarification to April Lawson Affidavit

69. Following the preparation of the Affidavit of Mr. Lawson, and in particular the update contained therein regarding Grobina and the 75,000 mink financed by NAFA that were transferred to CR7, further clarification was obtained through the ongoing litigation with CR7. As a result of this information, it appears that CR7 did deliver these pelts to KF last year and KF paid a pelt advance to CR7. However, the amount paid was significantly less than the estimated current market value of these pelts, which would be approximately \$2.5

million. The Monitor and NAFA will continue to investigate this matter with foreign counsel.

Monitor's Recommendation on Extension of Stay Period

70. The Monitor is of the view that the Applicants continue to act in good faith and with due diligence. The Monitor is further of the view that an extension of the Stay Period to July 31, 2021 (and further to September 30, 2021 subject to receiving the above consents and cash flow forecast for the period) will allow NAFA to more fully implement its restructuring and asset monetization plan for the benefit of all its stakeholders.

RECOMMENDATION

71. For the reasons set out in this Sixth Report, the Monitor recommends that the Court grant the relief set out in the Applicants' Motion.

All of which is respectfully submitted this 5th day of April, 2021.

58. **THIS COURT ORDERS** that, provided that the Agent is advised in advance, each of the Applicants and the Monitor be at liberty and is hereby authorized and empowered to apply to

FIFTH REPORT OF THE MONITOR

DATED NOVEMBER 3, 2020

INTRODUCTION

1. On October 31, 2019, North American Fur Producers Inc., NAFA Properties Inc. (“**NAFA Properties**”), 3306319 Nova Scotia Limited, North American Fur Auctions Inc., NAFA Properties (US) Inc., NAFA Properties Stoughton LLC, North American Fur Auctions (US) Inc., NAFPRO LLC (Wisconsin LLC), NAFA Europe Co-Operatief Ua, NAFA Europe B.V., Daikoku Sp.Z Oo and NAFA Polska Sp. Z Oo (the “**Applicants**”) commenced these CCAA Proceedings pursuant to the Initial Order. The Applicants’ principal business consists of advancing loans to mink farmers to produce mink furs for auctions run by the Applicants. For ease of reference and readability, capitalized terms not defined in this fifth report of the Monitor (the “**Fifth Report**”) are defined in the glossary attached as Appendix “**A**” to this Fifth Report.

2. On November 8, 2019, the Applicants obtained an Amended and Restated Initial Order. A copy of the Amended and Restated Initial Order is attached to this Fifth Report as Appendix “**B**”.
3. On January 13, 2020, the Court granted an Order (the “**Safe Harbour Order**”) that:
 - a. Provided that any third-party goods that were in the Applicants’ possession via their standard consignor or storage agreements were not property of the Applicants;
 - b. Allowed for non-auction sales of pelts that were consigned to the Applicants. Such sales are referred to as “private treaty sales”;
 - c. Proceeds of private treaty sales were to be held in trust by the Monitor and were similarly not property of the Applicants; and
 - d. The Applicants were not permitted to enter into agreements that provided for the future receipt of pelts and that any wild fur pelt deliveries were limited to 10,000 skins without approval of the Agent or with a further Order of the Court.
4. At the last Court hearing, on August 26, 2020, Applicants obtained an extension of the Stay Period up to and including November 9, 2020 (the “**August Stay Extension**”).
5. Since the beginning of these CCAA Proceedings, and as set out further in affidavit of Doug Lawson sworn October 30, 2020 (the “**October Lawson Affidavit**”), the fur market has been significantly affected by a number of factors, including a coronavirus pandemic (the “**Covid-19 pandemic**”) that began to have significant effects in early 2020. As a result, the entire premise of the Applicants’ restructuring has been affected and NAFA has been required to alter its approach accordingly.

6. Given the current Covid-19 pandemic, NAFA's primary cash inflows, which are based on auction proceeds on mink that it financed during 2019, have been significantly depressed, both as a result of the volume of pelts sold (when compared to historic volumes) and the prices achieved for those pelts. The result has been less Syndicate Debt pay-down than contemplated at the beginning of these CCAA Proceedings. Due to pricing and other mink industry dynamics, including depressed auction activity due in part to travel restrictions imposed by various foreign governments, a significant portion of skins will be held over to be auctioned in 2021. This factor is unusual when compared to the recent past, even when considering recent negative industry-wide trends that began prior to the Covid-19 pandemic.
7. Accordingly, NAFA has had to react and alter its restructuring activities. Costs have been reduced and there has been a greater focus by the Applicants on generating non-auction cash flow over the last several months. Despite these challenges, NAFA continues to operate, albeit in a much more limited way than in previous years.
8. The Applicants are seeking relief that will allow them to continue their restructuring process in the current environment, although with significantly reduced activities in the next several months and increased oversight by the Monitor, as the 2020 auction season is over and the next auctions are scheduled for February 2021. The Applicants' motion record dated October 30, 2020 returnable on November 5, 2020 (the "**Motion**") seeks the following relief:
 - a. Approving the sale of NAFA's principal premises located at 65 Skyway Ave, Toronto (the "**Skyway Property**") and the Ground Leases related thereto to Niche Bakers Properties Inc. (the "**Purchaser**" and the "**Skyway Transaction**");

- b. Assigning the rights and obligations of NAFA Properties Inc. (“**NAFA Properties**”) under the Ground Leases to the Purchaser pursuant to section 11.3 of the CCAA;
 - c. Granting enhanced powers to the Monitor in respect of certain of the Applicants’ remaining assets and operations;
 - d. Clarifying that the Applicants are not prohibited from facilitating and or brokering the purchase and sale of fur pelts and skins between third parties (the “**Brokerage Business**”) provided that NAFA does not take delivery of physical inventory without the prior consent of the Monitor and subject to the Monitor’s enhanced power to make all decisions relating to the incurring of any expense related to the Brokerage Business. Such relief constitutes an amendment to the Safe Harbour Order;
 - e. Sealing certain confidential information set out in confidential exhibits and appendices filed separately with the Court;
 - f. Approving this Fifth Report and the activities and conduct of the Monitor described herein; and
 - g. Granting an extension of the Stay Period to April 9, 2021.
9. Unless otherwise stated monetary amounts contained herein are expressed in U.S. dollars, the Applicants’ reporting currency.

PURPOSE

10. The purpose of this Fifth Report is to provide the Court with the Monitor's observations and recommendations on the relief sought by the Applicants in its Motion and to update the Court on the following items:
 - a. An update on the Applicants' and the Monitor's activities since the Fourth Report was issued;
 - b. The Applicants' receipt and disbursements (the "**R&D**") for the period from August 1, 2020 to October 16, 2020 (the "**Reporting Period**");
 - c. The Monitor's view on the proposed Skyway Transaction and related assignment of the Ground Leases pursuant to section 11.3 of the CCAA, if consents are not received from the Private Landlord and the City Landlord before the Motion;
 - d. The Monitor's views on the Applicants' request to grant the Monitor expanded powers in these CCAA Proceedings;
 - e. NAFA's cash flow forecast from October 17, 2020 through April 9, 2021 (the "**Cash Flow Forecast**" and the "**Cash Flow Period**", respectively);
 - f. NAFA's request to extend the Stay Period to April 9, 2021; and
 - g. The Monitor's recommendations in respect of the relief that NAFA is seeking in its Motion.

TERMS OF REFERENCE

11. In preparing this Fifth Report and making the comments herein, the Monitor has been provided with, and has relied upon certain unaudited financial information, books, records and financial information prepared by the Applicants, discussions with and information

from the Applicants' management ("**Management**") and other third-party sources (collectively, the "**Information**"). Except as described in this Fifth Report:

- a. The Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards ("**GAAS**") pursuant to the *CPA Canada Handbook* (the "**CPA Handbook**") and, accordingly, the Monitor express no opinion or other form of assurance contemplated under GAAS in respect of the Information; and
 - b. Some of the information referred to in this Fifth Report consists of forecasts and projections. An examination or review of the financial forecast and projections, as outlined in the CPA Handbook, has not been performed.
12. Future oriented financial information referred to in this Fifth Report was prepared based on the Applicants' estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections, even if the assumptions materialize and the variations could be significant.

ACTIVITIES OF THE MONITOR SINCE THE FOURTH REPORT

13. Since the date of the Fourth Report, the Monitor has undertaken, among other things, the following activities:
- a. Monitoring NAFA's receipts and disbursements and reporting same to the Agent. This includes a weekly estimate of NAFA's Distributable Funds (as such term is

defined in the First Report). Cash flow variance reporting previously occurred weekly and then on a bi-weekly basis. The Motion seeks to alter the cadence of this reporting to monthly. The Monitor is supportive of this change as it provides a balance between timeliness of reporting and cost effectiveness taking into account the projected activity level of the Applicants during the proposed Stay Period. The Applicants, the Agent and the Monitor have discussed moving to monthly cash flow variance reporting supported by bi-weekly update calls or meetings to receive updates on NAFA's restructuring and realization efforts during the proposed Stay Period. It is expected that the current reporting frequency will return after the proposed Stay Period;

- b. Assisting NAFA in the development of the Cash Flow Forecast;
- c. Attending phone calls with CBRE Group Inc. ("**CBRE**"), the Applicants' Canadian real estate broker, in respect of the sale process regarding the Skyway Property and the negotiation of the Skyway Transaction. The Monitor has also reported on the status of these discussions to BDC and the Agent on a regular basis. The Applicants' Motion materials contain a detailed overview of marketing efforts in respect of the Skyway Property that was prepared by CBRE;
- d. Participating in regular discussions between NAFA and Saga Furs Oyj ("**Saga**") in respect of the arrangement between NAFA and Saga for Saga to auction furs financed by NAFA. The Monitor has also been involved in discussions between NAFA and two other auction houses: Kopenhagen Fur ("**KF**"); and the American Mink Exchange ("**AME**"), in respect of the sale of furs which were financed by

- NAFA in 2019 and the amounts due to NAFA from mink ranchers for kit loans provided in 2019 and prior years;
- e. Monitoring efforts ongoing in Europe to recover on loans provided to mink farmers in a number of Baltic countries and Poland;
 - f. Attending discussions with Citadele Bank and the Applicants regarding settlement and reviewing the form of settlement agreement between the parties;
 - g. Responding to queries from the Agent and providing the Agent with summaries of the Applicants' realization efforts and necessary supporting documentation to allow the Agent to be consulted or to provide its approval in accordance with the Agent's consultation and approval rights;
 - h. Updating NAFA's loan book to reflect recent auction proceed payments related to consignor accounts;
 - i. Reviewing, considering and approving negotiated settlements with certain farms and preparing analyses of same for the Agent to provide a basis for the Agent to consent to the relevant transaction;
 - j. Corresponding with various stakeholders;
 - k. Corresponding with NAFA and the Agent regarding the status of private treaty sales of pelts;
 - l. Receiving and holding, in trust, funds related to private treaty sales and assisting the Applicants in the process of reconciling the sales against amounts owed to the consignors to allow the Monitor to ultimately issue cheques to consignors and farmers relating to the goods sold, which is expected to occur in the coming weeks;

- m. Obtaining regular updates on the collection of buyer receipts from 2020 auctions at Saga, KF and AME;
- n. Considering and approving settlements with buyers and reporting same to the Agent;
- o. Reviewing NAFA's plans for asset dispositions to ensure that such assets are properly marketed for sale and that such transactions are within the limits issued by the Court. As described in the October Lawson Affidavit, NAFA has auctioned most of its remaining physical assets through Canam Appraiz;
- p. Engaging in discussions with the Applicants and the Agent regarding the scope of proposed expanded Monitor powers and the concerns of the Agent and the Applicants resulting in the proposed powers;
- q. Updating the Monitor's case website to provide stakeholders with relevant information; and
- r. Preparing this Fifth Report.

15. Below are details for some of the larger line items above:

Receipts

- a. *Buyer receipts* – NAFA has collected approximately \$294,000 from various customers that bought goods at previous auctions but had not yet settled their accounts. Such funds are in addition to those that will be received via re-consignment and sale of buyer goods via private treaty sale. Buyer receivables at the conclusion of the Reporting Period totalled approximately \$1,485,000 and

NAFA is currently in discussions with these buyers to fully pay their accounts. NAFA continues to hold the unpaid goods and has the option to re-consign them in 2021 if accounts are not fully settled.

- b. *HST refunds* – NAFA received approximately \$760,000 in HST refunds during the Reporting Period. Given the CCAA Proceedings, Canada Revenue Agency (“**CRA**”) undertook a review of NAFA’s HST accounts and filings. Such review delayed previously due refunds with the accumulated funds being paid in early August 2020. NAFA continues to file returns and receive refunds in the normal course now that CRA’s review is complete.
- c. *Other receipts* – During the Reporting Period NAFA received approximately \$282,000 of Other receipts. Such funds relate to:
 - i. \$51,700 in rent payments received from NAFA’s subtenant, Montana’s restaurant;
 - ii. \$16,000 in rent payments received from Second Harvest, one of NAFA’s tenants in Stoughton, Wisconsin;
 - iii. \$93,000 in funds received pursuant to the Canada Emergency Wage Supplement (“**CEWS**”). NAFA continues to apply for applicable wage support from the CEWS program;
 - iv. \$12,600 in storage fees received from parties renting NAFA’s space at the Carlingview Property. As part of the sale of the Carlingview Property, NAFA retained a rent-free portion of the building through December 31, 2020. The new owner of the Carlingview Property requested that it be

allowed to store goods in NAFA's space in exchange for certain rent payments;

v. \$34,000 in pre-filing retainer refunds from European counsel whose services will no longer be required;

vi. \$60,000 received for the return of cash collateral on NAFA's corporate credit card program; and

i. \$14,700 in foreign exchange gains on NAFA's non-U.S. dollar denominated accounts, foreign tax refunds, and other small receipts.

d. *Private treaty sales* – During the Reporting Period NAFA received approximately \$35,000 of funds related to proceeds from private treaty sales. These funds should have been paid to the Monitor's account in accordance with the Safe Harbour Order, and the Monitor requested NAFA to transfer these funds to the Monitor's trust account, which transfer was effected on August 21, 2020. The Monitor is currently holding approximately \$1.7 million, which represents the proceeds from the sale of substantially all the pelts that NAFA had at the Skyway Property, which were a combination of owned, consigned and re-consigned pelts. A portion of these proceeds will be attributable to third parties and a portion will be attributable to NAFA for its own pelts and those pelts that were sold in order to repay amounts owing to it from farmers that had received kit loans. NAFA and the Monitor are currently reconciling such proceeds to determine the amount owed to consignors. It is expected that cheques will be issued by the Monitor in the next several weeks. This activity is being undertaken in accordance with the Safe Harbour Order.

- e. *Auction house receipts – Saga/KF/AME* – Given the conclusion of the traditional fall 2020 auction season, NAFA received funds from each of Saga and AME with the total receipts being approximately \$2.0 million. In addition, additional funds of approximately \$494,000 (for both auction proceeds and solicitation fees) were received by NAFA immediately after the conclusion of the Reporting Period.
- f. *Saga reimbursement for operating expenses* – NAFA received approximately \$83,000, which represents rent payments for Saga’s lease of one of the Applicants’ owned properties in Stoughton, Wisconsin.
- g. *Consignor settlements/kit loan repayments* – During the Reporting Period NAFA received approximately \$400,000 of funds related to kit loan repayments. This amount is a mixture of partial payments on account and settlement funds that have been approved by the Monitor, in consultation with Agent, as required by the protocol between the Agent and the Applicants. As described in the October Lawson Affidavit, NAFA recently issued renewed demand letters to farmers with outstanding loan balances from 2019 and prior years (the latter being “**Rollover Loans**”). The expanded powers of the Monitor would turn over decision making in respect of the enforcement strategy of the Rollover Loans to the Monitor, in consultation with the Applicants and the Agent. If this power is granted, the Monitor intends to work with the Applicants and the Agent to determine the optimal way to recover the Rollover Loans.
- h. *Disposal of PP&E* – As previously reported in the August Lawson Affidavit, the Applicants intended to move out of the Skyway Property by October 31, 2020. This was subsequently extended to November 15, 2020 given the pending approval of

the Skyway Transaction. Given NAFA's imminent move from the Skyway Property and its lower level of operational activity, NAFA has sold redundant assets in order to generate liquidity. The \$53,000 received during the Reporting Period is a mixture of such smaller asset realizations. Such assets include tables, racking, fur industry-specific equipment and two used passenger vehicles.

Disbursements

- i. *Occupancy costs:* During the Reporting Period NAFA disbursed approximately \$315,000 in respect of operating costs for its facilities in Toronto, Stoughton and Poland. The largest component of these payments is the Ground Lease (\$144,000), property taxes (\$89,000) and utilities (\$28,000) related to the Skyway Property, which payments will cease once NAFA has moved out of its current premises. In Stoughton, Wisconsin, NAFA was required to pay \$19,000 in paving costs for its 1600 Williams Drive location as part of an agreement with the local municipality. In Poland, NAFA paid \$33,000 related to property taxes and utilities.
- j. *Employee costs – permanent:* Disbursements for NAFA's full-time staff, which payments totalled approximately \$301,000, included the following:
 - i. \$197,000 in semi-monthly, or monthly depending on the jurisdiction, payment of wages;
 - ii. \$99,000 in pension, employee retirement benefits and other benefit amounts; and
 - iii. \$5,000 in KERP entitlements for those terminated employees who were beneficiaries of the KERP.

- k. *Employee costs – seasonal:* Payments for this item during the Reporting Period totalled approximately \$69,000 and represent hourly wages for those employees working in NAFA’s warehouse to permit private treaty sale deliveries and prepare the Skyway Property for auction and to be vacated. Such costs will cease shortly once NAFA has vacated the Skyway Property.
- l. *Shipping and warehousing costs:* Approximately \$58,000 of such costs were paid during the Reporting Period. These items represent the fees of NAFA’s Baltic agent (\$20,000), Stoughton warehouse costs (\$5,000) and Grobina security costs (\$33,000) that were incurred to safeguard pelts at the Grobina farm prior to the Reporting Period, which were paid during the Reporting Period.
- m. *Professional fees:* A total of approximately \$824,000 was paid to the various professional service firms related to NAFA’s CCAA Proceeding. Such costs represent NAFA’s counsel, both in North America and Europe, the Monitor and its counsel, legal and financial advisors to the Agent and BDC, and foreign counsel relating to Blackglama trademark matters.
- n. *Other administrative and operating costs:* Such costs represent general office expenses such as telecommunications, contractors, accounting fees (including tax filings and bookkeeping in Poland), foreign taxes, bank charges and miscellaneous costs related to Polish operations and various other utility costs. Payments for this line item totalled approximately \$106,000 during the Reporting Period.
- o. *Mortgage payment and other costs:* These costs, which totalled approximately \$83,000 during the Reporting Period, are paid to BDC in respect of amounts due

and secured by the Skyway Property. Mortgage payments are expected to cease after the Skyway Transaction is closed or the Skyway Property is vacated.

- p. *Bank interest and refinancing costs:* Such amounts relate entirely to interest costs on the Syndicate Debt and total approximately \$509,000.
- q. *Repayment of Tranche A:* During the Reporting Period NAFA made principle payments towards the Syndicate Debt in the amount of approximately \$1.5 million. Such funds include Distributable Funds and certain other receipts which NAFA and the Agent agreed would be paid directly to partially retire the indebtedness once received. The latter primarily represents certain consignor settlement proceeds. As set out in the R&D, NAFA ended the Reporting Period with in excess of \$1 million. Pursuant to the Distributable Funds mechanism, such funds were paid to the Agent shortly after the conclusion of the Reporting Period.

THE SKYWAY TRANSACTION

Background

- 16. As part of its restructuring efforts, NAFA has undertaken a process to monetize its assets that are no longer required to support its restructuring. This includes listing for sale its real property in Canada, the United States and Europe, including the Skyway Property.
- 17. As noted in previous reports of the Monitor, BDC has a first ranking charge on the Skyway Property. The net proceeds from the sale of the Ground Leases and NAFA Properties rights in respect of the Skyway Property are sufficient to repay BDC in full. The Agent also has a secured charge over the Ground Leases in respect of the Skyway Property and is entitled to excess proceeds from the sale of this property after repayment of BDC. Miller Thomson has provided a security opinion to the Monitor, which opines that, subject to the usual

qualifications for an opinion of this type, BDC holds a first registered charge and the Agent holds a second registered charge over the Ground Leases for the Skyway Property.

18. The October Lawson Affidavit describes the sale process for the Skyway Property in detail. The marketing of the Skyway Property began in early 2020 and was led by CBRE. The Skyway Property was broadly exposed to the market for several months. NAFA Properties entered into an agreement of purchase and sale for the Skyway Property in June, 2020 that ultimately did not close, as the purchaser was unable to obtain the requisite zoning for its intended use of the Skyway Property.
19. After resuming efforts to market the Skyway Property, NAFA Properties entered into a binding agreement of purchase and sale with the Purchaser (the “**Niche APS**”) The Purchaser is a newly formed corporation that will sub-lease the Skyway Property to Niche Bakers Corp. (“**Niche Bakers**”), which is a related entity and a commercial bakery that sells to well-known retailers in the food industry, in both Canada and the United States. Further details regarding the Purchaser and Niche Bakers can be found in the Affidavit of Jeffrey Wood, who is an officer and director of the Purchaser, located at Tab 3 of the Applicants’ Motion Record dated October 30, 2020 (the “**Wood Affidavit**”).
20. The unredacted form of the Niche APS showing the financial terms is included in Confidential Appendix “**1**” to this Fifth Report. A summary of the non-financial terms of the Niche APS is included below (undefined capitalized terms in the table below have the meanings ascribed to them in the Niche APS):

21. Each of BDC and the Agent have been consulted in respect of the proposed Skyway Transaction and both parties are supportive of the relief that NAFA is currently seeking in its Motion.

22. The Monitor is of the view that the Skyway Property was properly exposed to the market of potential purchasers, generated several competitive bids that enabled NAFA Properties to negotiate an appropriate selling price and resulted in the Niche APS.
23. The assignment of the Ground Leases require consent of the City Landlord and the Private Landlord (collectively, the “**Landlords**”), respectively, pursuant to the terms of the Ground Leases.
24. In order to attempt to consensually obtain the consent of the Landlords, the Applicants, the Purchaser and Niche Bakers have provided information to the Landlords regarding the financial wherewithal of the Purchaser as well as the Purchaser’s plan for the Skyway Premises. In particular, the following has been provided to each Landlord:
 - a. Articles of incorporation for Niche Bakers Properties Inc.;
 - b. Financial statements for Niche Bakers Corp. (audited) and Niche Bakers Properties Inc. (unaudited);
 - c. Business profile for Niche Bakers Properties Inc. and Niche Bakers Corp.;
 - d. Commercial credit report for Niche Bakers Corp.; and
 - e. Proposed sublease from Niche Bakers Properties Inc. to Niche Bakers Corp.
25. The Applicants wrote to the Landlords on or about October 22, 2020 to advise that, in the event that NAFA Properties did not receive their consent to the sale and transfer of the Ground Leases by November 5, 2020 it would seek to assign the Ground Leases pursuant to section 11.3 of the CCAA.

26. To date, the City Landlord has not indicated any objection to the assignment of its Ground Lease whether by consent or pursuant to section 11.3 of the CCAA.
27. The Private Landlord, the Purchaser and the Applicants, in consultation with the Monitor, have been in active negotiations regarding the Private Landlord's consent and the terms of the lease. These discussions are ongoing.
28. As set out in the Wood Affidavit, Niche Bakers has agreed to guarantee the present rental rate term of the Private Landlord's Ground Lease to February 28, 2029. It is expected that over this period of the lease the Purchaser will pay approximately \$9 million in rent to the Private Landlord. In support of the financial wherewithal to provide this guarantee, the Wood Affidavit encloses combined audited financial statements of Niche Bakers and Niche Bakers (U.S.A.) Corp.
29. As set out in the Wood Affidavit, the Purchaser intends to incur initial capital expenditures on the Skyway Property of between \$4-5 million prior to opening its new facility as a commercial bakery.
30. The Monitor understands that the Purchaser wishes to occupy the Skyway Property for the entire term of the Ground Lease (i.e. until 2073). However, as set out in the October Lawson Affidavit, Niche Bakers is not prepared to guarantee past the current rental period of the Private Landlord's Ground Lease because the rent is underdetermined, will not be determined for nearly a decade. The formula to be used for the determination of such new rental rate is complex and not based on market rent at the time of its determination.

31. The Monitor is of the view that the Niche APS provides the best value for the Skyway Property after extensive marketing of the property.
32. In the Monitor's view, it is appropriate to assign the rights and obligations under the Ground Leases to the Purchaser and the Monitor approves the proposed assignment of the Ground Leases. The Monitor is of the view that the Purchaser has demonstrated that it will be able to perform the obligations under the Ground Leases as it has lined up a sub-tenant being Niche Bakers and also provided a nine (9) year guarantee of such payment from Niche Bakers being the current rental term. The Monitor is of the view that the terms offered by the Purchaser for the assignment are fair, reasonable and appropriate in the circumstances and it recommends that the Court grant the relief the Applicants are seeking in respect of the Skyway Property including the assignment of the Ground Leases pursuant to section 11.3 of the CCAA should it see fit to do so.

REMAINING ASSETS AND THE APPLICANTS' REQUEST TO GRANT THE MONITOR EXPANDED POWERS

33. As set out in the Fourth Report and this Fifth Report, NAFA's business will be entering a period of "hibernation" between now and March 2021 as the 2020 auction season is over. Accordingly, its activities will be limited to realizing on its remaining assets.
34. As a result, the Applicants have significantly decreased their employees working on a full-time and part-time basis.
35. As set out in the October Lawson Affidavit, NAFA expects that it currently has 813,274 mink pelts to be sold in 2021 by Saga, KF or AME. Recovery from these mink pelts will not start to be realized until the February and March auctions to be held by KF and Saga.

36. NAFA takes the view that mink prices may increase in 2021 potentially by 10 percent or more given a number of factors including: (a) a material amount of mink farms around the world either had smaller production or no production due to lack of financing since traditional providers of kit loans drastically reduced or eliminated such financing programs for the 2020 growing season; (b) a material number of mink farms were impacted by the Covid-19 pandemic where outbreaks in the mink themselves resulted in entire mink farms' herds being culled in the United States, the Netherlands and Denmark (with the Netherlands culling all of the remaining mink); and (c) Poland, previously one of the largest producers of mink, currently has a very hostile legislative environment that may result in mink farming becoming illegal in 2022 or 2023 in the event legislation that has been tabled is passed into law, with the levels of compensation to farmers, if any, being unknown at this time.
37. NAFA's analysis focused on the supply of mink pelts available for sale in 2021. However, there are other factors that could impact the prices for mink pelts in 2021 including: (a) the current impact and ongoing duration of the Covid-19 pandemic on factors impacting mink fur sales including international travel to auctions and consumer confidence generally; and (b) the demand for mink pelts, which is linked to the available outlets to sell mink fur products. The Monitor notes that California banned the retail sale of fur at the end of 2019 and the United Kingdom is currently considering banning fur sales after Brexit. In addition, certain large American retailers, including Macy's and Bloomingdales, will no longer sell fur by early 2021 and a number of designers have stopped using fur in their designs.
38. In the Monitor's view, due to these countervailing factors on the price of mink pelts, the

resulting recovery by NAFA from its significant number of remaining mink pelts to be auctioned in 2021, is uncertain at this time.

39. In addition to the remaining 2019 pelts, which will now be auctioned in 2021, the Applicants' assets that remain to be monetized include the following (the "**Remaining Assets**"):

- a. Buyer receivables remaining from past auctions administered by NAFA;
- b. Outstanding foreign litigation against certain European farmers that have actively taken steps to avoid their obligations to NAFA being Grobina, Kestutis and the Ciskevicius Brothers. This litigation is ongoing and is described in detail in the October Lawson Affidavit;
- c. 2019 kit loans and Rollover Loans. The remaining 2019 kit loans are expected to be realized, in large part, from 2021 auction proceeds and the Rollover Loans are expected to require negotiation, enforcement steps and potential litigation in order to obtain recovery;
- d. The Polish Property and the Wisconsin Properties (assuming the Skyway Transaction is completed as set out above), which are listed for sale;
- e. Its trademark, Blackglama and its other intellectual property. NAFA is currently negotiating a possible further licence agreement with Saga for a two-year period that will provide annual licencing fees to NAFA and is intended to preserve the value of the mark for sale in the future; and
- f. Insurance claims made and to be made by NAFA under its credit insurance policy with Red Rock Insurance (the "**Insurer**"), which policy provides coverage to

NAFA in the event that an entity to whom a kit loan is made fails to deliver its mink or to repay the amount under the kit loan. NAFA filed two insurance claims in July 2020 and has been providing additional information as requested from the Insurer since. To date, the Insurer has not allowed or denied these claims. NAFA is in the process of preparing claims for its other loans and intends to file these claims by the end of December 2020.

40. As of November 6, 2020, it is anticipated that the Agent will be owed approximately \$14.6 million under its operating facility and an additional \$4.8 million in respect of term debt which it holds and which amount ranks first on the Polish Property. Notwithstanding this, all of the Syndicate Debt totalling approximately \$19.4 million is secured against all of the assets of the Applicants including the Polish Property.
41. If all of the Remaining Assets were able to be realized upon and maximum value was achieved, then there would be sufficient recovery to repay the Syndicate Debt and recovery available for other creditors of the Applicants. Several creditors of the Applicants have contacted the Monitor to request the Monitor pursue recovery of NAFA's assets so that there may be some recovery for creditors if the Syndicate Debt is repaid in full. Several of these emails are attached to this report as Confidential Appendix "2"
42. Unfortunately, given that recovery is based on future events and those events may be uncertain, it is unknown at this time whether sufficient recovery will be realized by the Applicants to repay the Syndicate Debt in full. The Applicants are of the view that there will be recovery in excess of the Syndicate Debt. The Agent has a more conservative view of the potential recovery scenario and has communicated this to the Monitor and the Applicants.

Proposed Expanded Powers of the Monitor

43. The Applicants are seeking to expand the powers of the Monitor, in part, to attempt to streamline some of the professional costs being incurred in these CCAA Proceedings and, in part, to address the Agent's request to have more power transferred to the Monitor as a disinterested third party and officer of the Court until the Syndicate Debt is repaid.
44. After a series of negotiations with the Agent about the ongoing CCAA proceedings and input from the Monitor, NAFA has determined six areas where control was previously with the Applicants, with consultation or consent rights of the Agent. NAFA has proposed that in respect of these six areas, powers be granted to the Monitor.
45. The proposed relief would result in the Monitor being exclusively authorized and empowered, in consultation with the Applicants and the Agent, to make decisions and take any and all steps and actions in respect of the following:
 - a. Insurance claims: any claims by the Applicants under or in respect of any insurance policies;
 - b. Rollover Loans: any claims by the Applicants in respect of the Rollover Loans, including determining, in consultation with the Applicants and the Agent, how best to realize upon these long term debts (either through settlement, enforcement or litigation). The Applicants continue to negotiate with the Agent regarding the transfer of this power to the Monitor;
 - c. Litigation: any existing or future litigation or proceeding involving the Applicants as a plaintiff or claimant, whether in Canada or elsewhere;

- d. Real property: all decisions relating to the right, title or interest of the Applicants in respect of any real property assets;
 - e. Expenses and obligations relating to NAFA's Brokerage Business: NAFA will not incur any material expenses or obligations related to the operation of the proposed Brokerage Business without the Monitor's consent, which consent will be determined by considering the net direct benefit; and
 - f. Employees: the retention or termination of the Applicants' employees on such terms and conditions as the Monitor deems appropriate. If granted the expanded powers, the Monitor is of the view and has confirmed to the Applicants that it will not take any actions relating to the termination of employees other than as set out in the Cash Flow Forecast prior to January 1, 2021.
46. As part of this transition and considering the expected lower activity during the Stay Period, the Applicants and the Agent have agreed to a revised reporting protocol during the Stay Period in an attempt to balance timeliness and efficiency of information provided to the Agent.
47. The revised reporting protocol during the Stay Period will replace the current bi-weekly variance reporting to the Agent with monthly variance reports. The Applicants will continue to make weekly reports with respect to any distributable funds, consistent with current practice.
48. The Monitor confirms to the Court that it is prepared to accept and undertake the proposed expanded powers should the Court see fit to grant this relief.

CASH FLOW FORECAST

49. Attached as Confidential Appendix “3” is NAFA’s Cash Flow Forecast. The Cash Flow Forecast was prepared by the Applicants, with the assistance of the Monitor, in order to forecast receipts and disbursements through the extension of the Stay Period being sought by the Applicants. The notes to the Cash Flow Forecast are an integral part thereof and the two documents should be read together. The Applicants are seeking an Order to seal the Cash Flow Forecast as it contains certain commercially sensitive information that could negatively affect NAFA’s asset realization and restructuring efforts. The Monitor is of the view the Cash Flow Forecast should be sealed for these reasons and recommends that the Court approve this request should it see fit to do so.
50. As set out above, since the 2020 auction season has concluded and NAFA has not financed any kits in 2020, it is entering a “hibernation” period until the 2021 auction season begins in February 2021. NAFA’s Remaining Assets to be realized are listed above and described in further detail in the October Lawson Affidavit.
51. Realization of certain of these assets is included in the Cash Flow Forecast and such realizations will be subject to the enhanced Monitor powers that NAFA is seeking, should the Court see fit to authorize such powers.
52. The Monitor reviewed a draft of the Cash Flow Forecast with the Agent’s financial advisor on or about October 22, 2020. Thereafter, updated drafts of the Cash Flow Forecast were provided to the Agent on October 29, 2020 and again on November 1, 2020. The Monitor has discussed the changes to the drafts of the Cash Flow Forecast with the Agent and addressed certain questions relating to the Cash Flow Forecast.
53. A summary version of the Cash Flow Forecast is attached below:

54. As detailed therein, the Cash Flow Forecast contains the following:

- a. Receipts during the Cash Flow Period total approximately \$7.1 million. Of this amount, the largest forecast receipts are related to auction house receipts from both

Saga and KF. Such receipts total approximately \$3.4 million and represent projected proceeds from pelt sales and reimbursement for certain other items related thereto. Other material receipts include private treaty sale proceeds (\$0.6 million) which represent anticipated funds attributable to NAFA for mink and/or wild furs which it owns or has re-consigned due to non-payment of accounts and NAFA's proceeds from wild fur sales after payments to consignors. NAFA is also forecasting HST receipts of \$165,000 based on the quantum of input tax credits expected to be repaid to NAFA as it files its returns on a monthly basis. Other receipts of \$1.0 million include litigation settlement proceeds, CEWS receipts and rent from NAFA's subtenant in Toronto. Disposal of PP&E includes proceeds from the sale of the Applicants' redundant assets and real property

- b. Total disbursements, excluding debt service costs, are forecast to be approximately \$2.0 million. Significant components include:
 - i. Occupancy costs, which are principally related to NAFA's properties in both Poland and Wisconsin. The Cash Flow Forecast assumes that the majority of the Wisconsin costs will be reimbursed by the relevant tenant, as both facilities are currently leased while they are being marketed for sale. No rent or mortgage payments in respect of NAFA's Toronto "footprint" are assumed in the cash flow forecast as NAFA has negotiated rent free occupancy with the owner of the Carlingview Property until June 30, 2021;
 - ii. Employee costs, including wages and benefits, costs related to seasonal labour and amounts payable to foreign governments for payroll taxes. Also

- included are relevant KERP payments for certain employees whose employment will come to an end during the Cash Flow Period;
- iii. Insurance, which is being financed via monthly payments in order to conserve cash flow;
 - iv. Other general operational costs; and
 - v. Professional fees for the Applicants' Canadian and European counsel, the Monitor and its counsel, the Agent's counsel and financial advisor.
- c. The Cash Flow Forecast includes payments to BDC in respect of the Skyway Property debt to fully retire this facility when the Skyway Transaction closes, assuming it is approved by the Court. Additional debt repayment and debt service costs to the Syndicate in the amounts of \$4.3 million and \$926,000, respectively, are also assumed in the Cash Flow Forecast.
55. The debt payable to the Agent as at April 9, 2021 is forecast to be approximately \$11.3 million for the Tranche A indebtedness and approximately \$4.8 million in respect of the term debt. Total liquidity is projected to be approximately \$799,000.

Cash Flow Forecast Risk Factors

56. Significant risk factors related to the Cash Flow Forecast include:
- a. As set out elsewhere herein, there is uncertainty as to the number of mink pelts that will be offered during the 2021 auction season as well as the demand for mink fur and furs generally. These factors create uncertainty for the 2021 auction results in respect of both the number of pelts that will be sold and the prices achieved on those sales.

- b. Certain cash inflows require the consent of the Agent before they are agreed and subsequently paid to NAFA. NAFA has included such amounts as it is of the view that such settlements are attractive and the best course of action.
- c. Although a level of recoveries and expenses are included in the Cash Flow Forecast, certain assets may require significant time, effort and cost to recover amounts that are currently payable to NAFA; and
- d. Notwithstanding certain settlements have been executed between NAFA and certain of its borrowers, there is the possibility that such counterparties will not perform their obligations as agreed under the various settlement agreements.

APPROVAL OF THE MONITOR AND ITS COUNSEL'S ACTIVITIES

- 57. The Monitor's Pre-filing Report and First Report, and the activities described therein, were approved by the Court on November 28, 2019 and the Monitor's Second Report and the activities described therein were approved by the Court on January 30, 2020. The Monitor's Third Report and Fourth Report, and the activities contained therein, were approved by the Court on August 26, 2020.
- 58. NAFA is currently seeking approval of the Monitor's Fifth Report and the activities described herein. The Fifth Report describes the activities of the Monitor and its counsel since the date of its Fourth Report, being August 24, 2020, to the date of the Fifth Report.
- 59. The Monitor supports NAFA's request to have its Fifth Report and its activities and conduct approved.

EXTENSION OF THE STAY PERIOD

60. NAFA is currently seeking an extension of the Stay Period to April 9, 2021. The Monitor recommends the extension of the Stay Period to allow NAFA to continue its restructuring efforts including to:
- a. Continue to receive auction proceeds from both Saga and KF during the 2021 auction season;
 - b. Continue to advance litigation against certain European farmers that took active steps to attempt to avoid their obligations to NAFA;
 - c. Prepare, file and advance approximately 25 insurance claims in respect of kit loans that remain unpaid;
 - d. Continue its realization efforts in respect of the Rollover Loans, subject to the Monitor's oversight if such power is granted to the Monitor;
 - e. Close the Skyway Transaction assuming the transaction is approved by the Court;
 - f. Continue its efforts to sell the Polish Property and the Wisconsin Properties; and
 - g. Exit the Skyway Property by mid-November 2020 and reduce its costs accordingly.
61. The items being focused on by NAFA during the Stay Period are intended to create value from the assets of NAFA to allow NAFA to continue to repay the Syndicate Debt and create value.
62. The Monitor is of the view that the Applicants continue to act in good faith and with due diligence and that an extension of the Stay Period to April 9, 2021 will allow NAFA to more fully implement its restructuring plan for the benefit of all its stakeholders.

RECOMMENDATION

63. For the reasons set out in this Fifth Report, the Monitor recommends that the Court grant the relief set out in the Applicants' Motion.

All of which is respectfully submitted this 3rd day of November, 2020.
