Time Table approved (as follows):

The Applicants seek approval of a distribution to the Toronto - Dominion Bank. The Receiver advises that it has reserved for the remaining possible claims including the claim of J.P. Morgan Chase with whom the Receiver is in co-operative discussions to resolve their claim. No objections are raised regarding the proposed distribution order.

In addition, the Receiver seeks approval of its activities as described in the Second Report and the fees and disbursements of itself and of its legal counsel. The Toronto - Dominion Bank, which advises that it will draw a deficit on its loan facilities, does not object and no other objections have been raised regarding these orders.

Accordingly, order to go in the form of the accompanying signed order.
