RASTISLAV SCASNY, affirmed

EXAMINATION BY MR. MCGRATH COMMENCED AT 9:54 A.M.

1. Q. Good morning, Mr. Scasny.

A. Morning.

2. Q. Can you just please state and spell your name for the record?

A. R-a-s-t-i-s-l-a-v, s-c-a-s-n-y.

3. Q. Okay, and did you previously go by the name Rasto Beekmans?

A. Yes, yeah.

4. Q. Okay, could you just spell that name for the record?

A. R-a-s-t-o, b-e-e-k-m-a-n-s.

5. Q. Okay, and you changed your legal name, is that right?

A. Yes. Long story but when we left communism my mom changed my name to Rasto Beekmans, and this is my birth name so we changed it back.

6. Q. So when did you change it back to Scasny?

A. Couple years ago. I got married and I always wanted -- My mom -- this might be too personal but my mom passed away when I was younger and so I -- This -- this is my dad's last name and we reconnected and so a couple of years ago -- We wanted to get married first because

apparently it's easier to switch your wife's name to your name if you marry -- or the name's changed first so then I changed and then she added it. So that's kinda why it got changed back.

7. Q. Okay.

A. So that's my birth name. Then when we left communism we changed it, or she changed it.

8. Q. And then you changed back.

A. Then I changed it back, yeah. Correct.

9. Q. Okay, I think I understand. So when it was changed back would be around 2022 or --

A. That's right, yeah, yeah, yeah. I think it took a year to get all the paperwork together really, 'cause it's kind of --

10. Q. When were you -- How old were you when you came to Canada?

A. About four.

11. Q. Okay, so from about the age of four to about two years ago you went by the name Rasto Beekmans?

A. No. So it would have been -- It was hard -- I was tryin' to go through the documents. Again, my mom passed away so I don't have any record of like, you know, tryin' to figure that out.

She married a man, Tony Beekmans, when I was about ten or eleven and that's when she changed it. I think she

had a different name for me. I believe we tried to look it up. It was -- Like there was a Rasto Jason somewhere that we found in some of the records so we -- Again, this is all hard to figure out --

12. Q. Right.

A. -- because --

13. Q. Okay, so if I said, you know, from the time you were 18 until about two years you went by the name --

A. Rasto Beekmans.

14. Q. -- Rasto Beekmans --

A. Yeah.

15. Q. -- that's fair?

A. Fair, yeah, yeah, yeah.

16. Q. And that would have been the name that would have been on your driver's licence?

A. Correct, yeah.

17. Q. And then you changed it two years ago and this -- your new legal name is what's on your driver's licence now.

A. That's right. Which was the original birth name.

18. Q. Understood.

A. Yeah.

19. Q. Do you go by any other names or is it just --

A. Rasto. Like Rastislav is really long and so

Rasto was what I would --

20. Q. Okay, so your friends would call you Rasto.

A. That's correct, yeah.

21. Q. But are there any other names other than --

A. No.

22. Q. -- those? Okay, and you've affirmed to tell the truth today?

A. That's right.

23. Q. Right?

A. Yeah.

24. Q. Can we -- Just by way of background --

A. Sure.

25. Q. -- to understand a little bit, do you have any post-secondary education?

A. I went to Trent. Sadly I had a couple of credits I didn't finish.

26. Q. Okay, what did you study at Trent?

A. Political science and economics.

27. Q. Okay, but you don't have any degrees or diplomas?

A. I went to Niagara College before that so I have a three-year marketing diploma, I guess, from Niagara, and then I went to Trent, yeah.

28. Q. Okay, any other post-secondary education other than that?

A. No.

29. Q. And when did you first join Clonsilla?

A. About 12 -- 11, 12 years ago. So Hugh's son Taylor was who I worked with down at the bars in downtown Peterborough. And you know when you're getting into your late 20s it's time to kind of move away from the bar scene, so I started working at the dealership.

30. Q. Okay, so what was your job at the bar? Were you like a bouncer or bartender?

A. Bartender and then I managed one of the smaller bars. So, yeah.

31. Q. Okay, and then you met Taylor Waddell there?

A. Yeah, yeah. We met -- Yeah, we met at the bars. That's right.

32. Q. Okay.

A. So probably 15 years ago or so.

33. Q. Did you know any other Waddells or was Taylor sort of the first --

A. Taylor was the first. Yeah, he bartended with me there, and then I met the rest.

34. Q. Right after that, so when did you first meet Hugh Waddell?

A. Hugh I think I would have met a couple of times. He woulda came into the bars for drinks.

35. Q. Okay.

A. And so, yeah, roughly 12, 13 sort of years ago.

36. Q. Okay, and do you -- So if we're saying you know 11 to 12 years ago is when you started at Clonsilla so it would have been -- Can you be any more specific than that? Was it 2012?

A. I think I -- That -- It was like a -- If that's right, January of 2012 or something like that. I know it was in the early months of that year 'cause I bartended -- I wasn't sure I was gonna leave bartending so I bartended and kind of worked a little bit at the dealership and then decided to make the change.

37. Q. Okay, and what was the first role you had at Clonsilla?

A. At that point there was no -- Like what it is -- The building, what it looks like now, that was not really -- It was -- Gerald and Hugh were there, and so my kind of role -- I didn't even have a desk actually for probably the first six to eight months. I kinda just had a chair with a laptop.

So I was just kind of -- you know, I was a younger guy just kinda learning the business and, you know, just kinda filling in. Running around, running cars around and dealing with customers and that sort of thing.

38. Q. Did you -- Were you a salesperson at that time?

A. Yeah, like technically I think right away I

believe I had to get my OMVIC licence, so I got my OMVIC licence and --

39. Q. How long did that take?

A. It's not long. It's a test for a couple hours, so you just study a book and write a test.

40. Q. Okay.

A. And that's -- Everybody can pass it, I think.

41. Q. So did you do that like pretty much right away when you started there?

A. Yeah, I don't think I could have started without having that so I believe I probably did it in --

42. Q. Right around 2012?

A. Yeah. That woulda been I think -- If you look at the OMVIC licence date that would be probably it, right?

43. Q. Okay. Did you have a title when you first started at Clonsilla?

A. I think sales, really. I mean to be honest, the title was -- There were -- there were really never any titles there. It was just you deal with what needs to -- be it the customer or go run around and take this car to this car to this shop, or you know, drop off the licencing, or whatever. You know, it's a small business so you kinda had to run around and do everything.

44. Q. Did your role change over time or was that

always your role?

A. There was probably -- Well, there was more people doing the running so I would have done more of the like sales, or you know, leases as the -- as there was mostly leases. Like there was some what we used to call retail deals, which were not, you know, part of the funding, so I would do those and the leases. That was pretty much in general.

And then near the end -- or not near the end but like in the last couple of years it was like some buying too. You know, looking online and figuring out what kind of cars were kind of appropriate for the lot. So that was kind of mostly what I -- what --

45. Q. And you mentioned Gerald. That's Gerald Shapiro?

A. Yeah.

46. Q. And so did -- Was he a salesperson too when you first started?

A. I think technically. I think everybody would have been. I mean I don't -- Like everybody would deal with customers, so I think yes. Obviously as he got older he dealt less with the customers and I dealt with more the kind of front of the line stuff. He would deal with the -- just stay in the back, whatever he dealt with in the back end of things.

47. Q. Okay.

A. Putting the files together, that sort of thing.

48. Q. Was there a specific point in time when his role kind of changed and your role grew, or was that like a gradual thing?

A. I think that was a gradual thing, yeah, as he was kinda aging out and kind of dealing less with the customers and that sort of thing.

49. Q. And so your time at Clonsilla, we've talked about Hugh and we talked about Gerald. Were there any other salespeople?

A. There was a couple of like kind of that didn't work out, sort of thing.

50. Q. So like short-term --

A. Yeah, there was a -- there was a -- I can't even think of her name right now. There was a girl and then there was a gentleman that kinda came and went and just didn't, you know --

51. Q. Okay.

A. -- just didn't pan out.

52. Q. So if I'm thinking about 2023 towards the end, was it just -- Who were -- who were the salespeople for Clonsilla in 2023?

A. '23 would have been last year? Like it would have been like me and then Hugh and Gerald were the --

were there doing the kinda selling --

53. Q. Okay.

A. -- or leases, I guess you would call them.

54. Q. Was Gerald doing much of that in 2023?

A. Not much of it, no, no, no. No.

55. Q. So did you -- How many days a week were you working at the dealership?

A. Five days a week, yeah. And then sometimes, you know, if -- I would pop in on Saturdays if I -- Even so my wife hated it but --

56. Q. Was it open on --

A. It --

57. Q. -- six days a week?

A. In '23 it was I think six days a week. At one point I remember we were seven days a week, which was awful. But yeah, Saturday -- Saturday was like ten to two kinda thing.

58. Q. Okay, and you mostly worked the weekdays, Monday to Friday.

A. No, no, I would pop in like every -- Even if I would come into town -- and at that point we were living in town, but you know, I would pop in for a couple of hours at least just to make sure there was nobody on the lot, or you know, I'd kinda sit there. Like Saturdays weren't really a big thing but I would --

59. Q. Okay.

A. You know, if there was any customers on the lot I would kinda try to chat with them and --

60. Q. And then you mentioned at the beginning you didn't even have a desk, you were just sitting at a chair. Now, that changed at some point?

A. Yeah, when they built the -- like when they renoed the office --

61. Q. Do you know --

A. -- that --

62. Q. Sorry to interrupt. Do you know when that was, when they renoed the office?

A. Maybe a year or two after.

63. Q. Okay, so this is early to mid-2010s?

A. Yeah. Yeah, yeah. Like I wasn't there -- it -- it wasn't long, a couple of years -- maybe two or three years after I started they -- That used to be a cleanup bed so they had to cleanup what was there, and on the right side where Hugh's office is was kind of new offices, so, yeah.

64. Q. So after the renovation you had your own office?

A. Yeah. If you went in there now -- When it -- when it ended I was at the front office but before that I was in the back, the back left one.

65. Q. Okay.

A. Yeah.

66. Q. Who else had offices in the office when you were there?

A. Throughout the -- like the whole period? Or near the end?

67. Q. It's probably not a fair question to ask you throughout the whole period, so 2023 towards the end --

A. Towards the end?

68. Q. -- who had offices there?

A. Like me, Gerald, Hugh, and Maryanne would be in the back.

69. Q. Okay. Did you ever become an owner of Clonsilla?

A. No.

70. Q. No? So right until the very end your role stayed as just a salesperson?

A. Correct.

MR. MCGRATH: Oh, sorry, I'll come back to that.

MS KENNEDY: Pass me that folder. I think know what you're looking for.

BY MR. MCGRATH:

71. Q. So it would help me, Mr. Scasny, if you could just take me through a lease. So a customer comes --

A. Yeah.

72. Q. -- onto the lot and say, you know, they're

interested in leasing a vehicle.

A. Sure.

73. Q. Can you just take me through sort of, you know, beginning to end what --

A. Right.

74. Q. -- what your process would have --

A. So --

75. Q. -- been?

A. Yeah, so when they were coming in though they weren't -- to be specific they were -- they were people with bad credit so that the situation from what I understand is that they have a least-to-own program was so that the ownership would stay in the -- you know, Clonsilla's name. So they didn't necessarily come in asking for a lease, right? They would come in and say "Hey, I have bad credit." You know, "I need a $500 payment," or "I really like this car," like somewhere in that -- somewhere in that nature.

So then we bring them into the office, do up a credit report -- like a credit application. Then we would run a credit report, driver's licence, you know, the sort of things that we had. Then I would take the file to Hugh, we would kind of chat about it. I would sort of say "Hey, this is the customer. This is what happened, this is why the bad credit," and then Hugh would do --

76. Q. Can I pause you there?

A. Sure.

77. Q. If Hugh wasn't in the office, what would you do then?

A. Like I would call him.

78. Q. You would call him?

A. Yeah, yeah. Yeah.

79. Q. Okay. Sorry to interrupt.

A. No, no. Yeah, so then I would get the approval and then, you know, hopefully take a deposit, get a contract signed, and then get the car ready. While you get the car ready you get the licence, you get the insurance, that sort of thing, and then deliver in that they pick it up on the site -- like have the car.

80. Q. Okay, so when you say "get the contract," I can show you but it was sort of a standard lease agreement that --

A. Yeah, of course --

81. Q. -- that you would enter --

A. -- it's the same. I'm sure at one point they were paper, like we would handwrite on them and then at the end it was on that computer program, the Velocity.

82. Q. Okay, so take me pre-Velocity then. It would be a paper --

A. Like a -- Yeah, like UCDA has a -- like a lease,

standard that they would ship a box to us and you would just write it out. So I'm sure if you guys went through the files if you went through the old ones they were handwritten and the new ones are --

83. Q. And that changed? It was electronic?

A. Yeah, yeah. When -- Again I don't know the nuances of the backend stuff but at some point the -- we went to that computer program and so we would write it out on the computer.

84. Q. So take me through that. Like would you still get -- would you still have a piece of paper that you'd be getting signatures on or would everything be --

A. Yeah, you'd write the contract out, you'd print it out and then they would sign it.

85. Q. Okay, and you'd -- then it would get scanned into the system?

A. Yeah. When you do the uploads you would scan the papers into the system.

86. Q. Okay, so there's always a paper --

A. There was always a paper, yeah. I didn't -- And if you obviously went through every file there were -- there would be a paper there --

87. Q. Yeah.

A. -- right?

88. Q. Okay. I found something -- There's an email I

want to ask you about.

A. Sure.

89. Q. First of all, what was your email address when you were working at Clonsilla?

A. rasto@clonsillaautosales. Yeah.

90. Q. Dot com?

A. Yeah.

THE REPORTER: Sorry.

THE DEPONENT: Yeah.

THE REPORTER: Can I just ask you to keep your voice up? You're trailing off at the end of your sentences and I can't hear you.

THE DEPONENT: I'll just keep my voice up.

THE REPORTER: Thank you very much. So it was rasto@?

THE DEPONENT: rasto@cloncillaautosales.com

BY MR. MCGRATH:

91. Q. And then what's your email address now?

A. rastoscasny@gmail.com.

92. Q. So I'm gonna show you this email --

A. Sure.

93. Q. -- from yourself to Mr. Waddell. The date's June 25th, 2019. I'm just gonna give you a second to read it.

A. Sure. This was about -- Yeah.

94. Q. So you can probably anticipate my question --

A. Yeah, yeah.

95. Q. -- so can you just explain what's going on in this email?

A. There was chats about me buying into the business, and you know, my dad wanted certain things.

So this money wasn't mine, my dad lives in Europe. So he was gonna give me money to buy in, and then things weren't the way that he'd like to see them, so I did give -- I mean if we're gonna talk -- Are you gonna talk about the money that I gave him at some point or --

MS KENNEDY: We're gonna talk about a lot of things.

BY MR. MCGRATH:

96. Q. We're gonna talk about a lot of things. I'm not sure if it's exactly what you're talking about but --

A. Okay.

97. Q. So why don't we back up a bit --

A. Sure.

98. Q. -- so I can ask you some questions. First of all, what's your dad's name?

A. Lubimere Scasny.

99. Q. Okay.

A. Lubimere -- Lubimere Scasny.

100. Q. So this is 2019, this email.

A. Right.

101. Q. So you're thinking about investing in Clonsilla at this point and becoming --

A. Well --

102. Q. -- a part owner?

A. Yeah. Well, my -- so my -- I'd been there for, you know, a long time, or long enough time, and my next thought would be like what's the next step.

103. Q. Right.

A. So, yeah.

104. Q. Okay, and so in this email you said "My dad gave me less money than I thought but here's what I propose, a hundred thousand for five percent. Let me --" And it ends with "Let me know what you think."

So what -- what became of that? Did anything --

A. So I did it in a different way. I didn't give him a hundred grand. I mean at one point I lent him 75 --

Sorry, I guess that's not really your question. What that was was not gonna work out so I at one point lent him 75,000 and then a little bit later, probably a year later, I gave 25,000 in like January of '23 maybe? '22?

So, you know, there was -- I guess we'll get into that later but there was more later.

105. Q. Okay.

A. But none of it was -- to be very clear, none of it was to buy the company. All of it was --

106. Q. All of it was loans.

A. -- loans.

107. Q. Okay, I just want to break down a few things you said. So before you said your dad wasn't, you know, satisfied, or didn't get what he needed --

A. M'hm.

108. Q. -- in order to put up the money for you to invest --

A. M'hm.

109. Q. -- so what exactly was that? What was --

A. There was like an Excel spreadsheet. I'd probably -- it might be in the Clonsilla emails. I don't know if I have it or if it was on my personal email. But he kind of broke down -- this is so long ago -- but different figures and whatever else, and my dad didn't kind of like that it -- He just didn't like the way that it looked. So I can't remember specifically the numbers or anything like that but he just felt like, you know, a hundred K for this kind of return wasn't -- wasn't gonna work for him.

110. Q. Okay, so when you're -- you said "he" a few times. So Hugh Waddell had prepared some Excel spreadsheet --

A. Yeah.

111. Q. -- with some figures about --

A. You know, the sales of the -- of the year, or I guess -- again, this was a long time ago but let's call it the last year of sales. And you know, if I put in a hundred, it's this is kind of return, and that didn't really set -- like my dad didn't really like it. So he --

112. Q. Okay, so the numbers weren't there. Is your dad a businessperson?

A. Correct.

113. Q. Okay.

A. Yeah.

114. Q. Did it give you any concerns when your dad --

A. Honestly not at that time, if I'm gonna be honest. At that time, 2019, it wasn't lookin' like it was in 2023. So, no, I've gotta be honest, in 2019 it was just a matter of it didn't fit with what my dad wanted for me, I think.

I haven't really thought about this. I'm only kinda talking, I haven't really thought about it but yeah, it just wasn't the thing that he wanted to do. Or that he wanted me to do.

115. Q. Okay. Did you ever talk about investing -- you know, becoming a partner at any other time or was it only this one time?

A. I think that was the only time. Pre-that in like -- I'm gonna make up a year so I really don't know,

but like pre-that, 2015 maybe, my dad gave me some money, and I gave Hugh money and he gave me a return on it. Like a -- These might have been in the old Bernstein -- when Stan Bernstein was, you know, lending.

And again, I'm -- this is just kind of from memory so I don't -- don't quote me on this but maybe he'd get me a ten percent return on maybe a hundred or a hundred and fifty that I gave him. I can't remember the amounts and maybe you guys looked it up and you did --

So it was then. And then I asked for my money back back in 2015 and he gave it all back. So --

116. Q. So when you gave him the money originally was it to become a part owner or was it --

A. No, it was --

117. Q. -- only a loan?

A. -- the -- like "Here's money in the loans. If you give me the money for --" you know, I can't remember how much it was back '15 or '16, I can't -- I don't know the year, but you know, "I'll give you a ten percent monthly return so you can get your -- your monthly money, and then if you need the money back --" 'Cause then I got married and other things so I asked for it back and he gave it back and, you know, the interest stopped and it was -- that was that.

118. Q. Okay, did you get your money back -- like this

is years ago, like in 2015 --

A. Yeah, yeah.

119. Q. - '16?

A. Yeah, I got the money back.

120. Q. But you got married in 2022, right?

A. No, no, no. I got married in like -- my wife will kill me but -- at least seven years ago but it takes --

So when we got married we didn't do a marriage certificate I don't think because they told us, the government told us, that if you -- it's easier for her to take my name if my name it's appropriate rather than her going Shelby Beekmans and then both having to change.

So we had a piece of paper, we got married in -- so seven years ago probably 2017 or '18 -- she's gonna kill me -- and then honestly the paperwork just kinda sat around. And then in '19, '20 we started working on the paperwork and then whatever -- whenever the -- the dates of my actual name change --

121. Q. Okay.

A. -- changed.

122. Q. Okay, so that -- that helps. I just hadn't understood the -- the timeline. So the name change happened, you know, about a couple of years ago but that wasn't -- it had to do with your wife taking your name but

it wasn't because you were getting married --

A. No, no --

123. Q. -- at the time.

A. -- we got married -- like we've been married -- we've been together ten years, been married seven I think in June, I believe. So --

124. Q. Okay.

A. Yeah, so that -- Yeah.

125. Q. And by the time you got married you got your investment back from -- your original one.

A. Don't quote me on if all of it by then but I did get it all back, like --

126. Q. In or around that time.

A. In around that time, yeah, yeah.

127. Q. Okay, and then in 2019 you talk about investing money to become -- become a partner.

A. M'hm.

128. Q. Your -- your dad's not interested in that investment.

A. M'hm.

129. Q. And so then you said the first loan you gave him was $75,000 after that?

A. Yeah. He needed some money, and again, I'm sorry but these timelines are going to be a little bit skewed, right? Or I don't know them right off the top of

my head but --

So he needed some money so I gave him the money and --

130. Q. And this is the $75,000?

A. This is the 75 -- Well, there's -- to be honest in -- again I don't know but in '18 or '19 he needed -- like I gave him 300,000.

So I was building a house and I got a draw on my mortgage and he needed it for like 30 or 60 days, and so that -- You know when you're building -- I don't know if you know building but you get a draw, the builder's building and then you pay that draw and that'll become part of your mortgage.

But he needed the money for something, I had a couple of houses were selling, and so I gave that to him and he gave it back to me -- timeline again, maybe 30 or 60 days later.

So I did give him a lot of money, he gave it back. I gave him the 75 and the 25 and then that's when things started kind of crashin' around and --

131. Q. So when did you give him the 75,000?

A. Maybe '22 -- '21 or '22.

132. Q. And how did you give it to him? Like what --

A. A draft. I actually remember 'cause I think he said he lost it, which was awesome. So I remember -- I

don't remember if I then went to my bank and got it cancelled or that he found it. I actually don't remember which way it happened but I went to -- Either way he did. Like I cut him a draft for 75.

133. Q. Okay, and was it made out to him or to Clonsilla?

A. I think him, to be honest.

134. Q. Okay.

A. Yeah.

135. Q. And was there any paper, do you have anything in writing?

A. No. Because I'm stupid.

136. Q. Okay. And then did he start making payments back to you --

A. Not on that, no. No.

137. Q. So what was the agreement with him when you gave him the 75,000? What were you expecting?

A. I don't -- Again there was no real agreement with this -- to be honest, there was no real agreement with the 300 and he gave it back, so when I gave him the 75 I just kinda thought I would eventually get it back.

138. Q. When he gave you the 300 back did he give you -- it to you back with interest, like --

A. I don't think he gave it back to me all at once, to be honest. Don't know if I -- He might have gave me

interest. I -- Maybe. I don't remember if he did or not. I -- I can't say either way, to be honest.

139. Q. For the 75 were you expecting to get a return on your investment or --

A. It wasn't -- that one wasn't really an investment, it was kind of like -- Again, when you work with someone for that long -- and really to be honest he did treat me well, he paid me well and I got to drive a lot car and those sort of things. You know, you -- It was available and he asked for it and you know, that turned out to not be a great situation but --

140. Q. Okay, and then you said there was also 25,000 that he gave --

A. M'hm.

141. Q. Okay.

A. That was in January of -- probably of '23, but that could be '22.

142. Q. And did you give to him the same way, was it a bank draft?

A. It would have been a draft, yeah.

143. Q. Made out to him personally, do you think?

A. I think so, yeah.

144. Q. And nothing in writing?

A. No.

145. Q. Would there even be emails between you and him

like just confirming that --

A. No, it would have been in the --

146. Q. -- you'd given it to him?

A. No, it would have been in the office kind of like when we passed.

147. Q. Okay.

A. Yeah.

148. Q. Same thing, you weren't really expecting to get interest?

A. Not on those, I don't -- Again, it's -- I -- No, it was just me being stupid.

149. Q. So that's the 75 and 25 plus the 300 that you got back.

A. That I got back, yeah.

150. Q. Did you loan him any other money?

A. Yes.

151. Q. So what else did you loan him?

A. Two hundred on a second mortgage, which my dad said "Listen, we're gonna put on a mortgage on a house so we need this money protected." And then 80 after that that he said he was gonna give back in three days, and that was -- when the company was crashin' to the bottom.

152. Q. Okay, so let's start with the 200.

A. Yeah.

153. Q. When was that?

A. June. There's that mortgage registered on Mapleridge.

154. Q. Okay, June 2023?

A. Yeah.

155. Q. And there was a mortgage registered on Mapleridge --

A. M'hm.

156. Q. -- to secure that you're lending to him.

A. M'hm.

157. Q. Who owns Mapleridge?

A. Hugh.

158. Q. I have it somewhere but what -- what's the actual address that --

A. 1922.

159. Q. Okay, and so you -- Was it in favour of yourself personally or was it your dad or someone else --

A. My dad sent me the money just 'cause he's in Europe and -- and you know, this --

At this point the whole story was that the HST was coming in and, you know, he just needs it for a moment and -- But my dad, thankfully, kinda smelled a little bit of what was -- Well, I really still don't know what's going on but -- kind of wasn't sure and so he said "Okay, we'll get the money to him but I want a second on the house. Like I want that money protected," and so -- yeah, so we

did.

160. Q. Okay. Was there a separate loan agreement also -- like -- or did you just register it --

A. We just registered it through a lawyer in Peterborough and -- Yeah, and you know --

161. Q. Okay.

A. -- did the necessary paperwork.

162. Q. Do you know is there -- is there a loan agreement too that goes with that 200,000 or --

A. It's just a -- like I just talked to my lawyers about that 'cause we're power of saling the house.

163. Q. Okay.

A. And so --

164. Q. Don't get into what you asked your lawyers about or what they told you. I just -- I'm just trying to understand what the documents --

A. Yeah, it's a -- like I just remember in June I went in there -- I went to the lawyer and signed, you know, whatever a mortgage --

165. Q. Okay.

A. -- document is. And that's -- and then it was registered with Ontario, I guess. Or --

166. Q. Yeah, it was put on title to the property.

A. Yeah.

167. Q. Did -- Okay, I'm gonna -- I'm gonna ask about

repayments in a second but let's just finish with the 80,000. So you gave another 80,000 --

A. M'hm.

168. Q. -- as well? When did you give that?

A. Like three days -- I remember it was Monday -- it was a Monday and he tells me he needs it for next year because, you know, the HST's close and all these other situations, and there's lending coming in and so on and so on.

And again, I don't remember the exact points. At this point I'm just kind of, you know, "Maybe you're right," or maybe he is right. I really don't know now but, you know, if the HST comes in, everything's okay from what I understand about HST, which is not much. And you know, the money'll come back and I'll just keep working at the place I've been working at for twelve years.

169. Q. So when you said three day -- like is it --

A. Sorry, on Monday he said that NextGear needs to get paid, I got a tranch coming in," or you know, something, 'cause a couple of them got held at the end from the lender, or something like that if I remember. And so yes, "One's getting paid on Wednesday or Thursday. It's Monday. I just need to pay NextGear tomorrow, if you could just give me the 80 and then on Thursday I'll get you back," you know.

And then again, at this point, to be honest, I'd lent him the 300 before and when he said he'd give it back, he gave it back. I'd lent him 200 -- or 150 back in '15 and '16 and he said he'd give it back, and he gave it back. And then --

170. Q. You said 150 when --

A. Back in '15 when I -- when I did the ten percent investment, sorry.

171. Q. Okay.

A. So lending -- or giving him the money even without the proper docs was like --

172. Q. It had worked before.

A. It had worked before so I --

173. Q. Okay, so this 80,000 I'm still -- I'm still not clear. Is it in June -- around June or July of 2023?

A. Yeah. Yeah, yeah, it would have been right after I -- certainly in the same moment, maybe even in the same month that I gave him the 200 except I didn't secure the 80 --

174. Q. Right, you didn't get a mortgage or anything.

A. -- 'cause he needed it fuckin' right now.

175. Q. And nothing in writing.

A. Sorry about the swearing.

176. Q. Nothing in writing.

A. No, nothing in writing, no.

177. Q. I don't think we were -- I don't think I asked you this. The 200,000

A. Yeah.

178. Q. -- how did you actually get him the money --

A. Drafts.

179. Q. Same thing, a bank draft?

A. Yeah, yeah.

180. Q. And you think to him personally again?

A. Mmmm.

181. Q. Sorry, you just have to say "yes" or "no."

A. Yes, sorry.

182. Q. And then the 80,000, same thing?

A. Yes.

183. Q. Okay. So let's talk about repayments of this money. So the earlier ones you did get repaid, we've gone over that.

A. Yeah.

184. Q. The 75,000 and the 25,000, did you get repaid any of that money?

A. No.

185. Q. So as far as you're concerned you're owed a hundred thousand dollars from -- from those two.

A. Yeah. I think I'm owed -- like a lot.

186. Q. Right, 'cause then we get to the $200,000 that's secured by the mortgage.

A. M'hm.

187. Q. Did any payments happen on that?

A. Like three or four.

188. Q. Okay, and how much were the payments?

A. I think they were 2,750 a month. My dad gave him like -- or technically I gave him, 'cause he gave me the money, right? I -- on the note -- on the mortgage it was 16.5 percent, so interest only. I just know that part 'cause we've been dealing with that part, right?

189. Q. Right. So it's supposed to be 2,750 a month and you think you got that for a few months?

A. Yeah, 'cause I just -- the lawyer needed a buy-out for the mortgage and it was -- I paid him 'til -- he paid me I think 'til October. So November was -- November of '23, which is why I'm -- you know, it crashed.

190. Q. The receiver was appointed.

A. Yeah, yeah, that's when he stopped making payments.

191. Q. Okay.

MS KENNEDY: Does the amount 2,659.97 sound right? Because that's what's on the mortgage.

THE DEPONENT: Oh, then maybe that's the number, yeah, yeah.

BY MR. MCGRATH:

192. Q. What about the 80,000? Did you get any of that

money back?

A. No.

193. Q. So have we talked about all the loans that you gave him?

A. I think so.

194. Q. And have we talked about all the repayments that you got back from him?

A. Yes.

195. Q. Okay. Did you report to Hugh? Was Hugh your boss, would you consider him your boss?

A. Yeah. Yeah, yeah. Hugh and Gerald, but sometimes Gerald and I didn't really get along so --

196. Q. I understand Clonsilla had -- it's main bank account was at RBC?

A. Right.

197. Q. Did you have signing authority for that account?

A. No.

198. Q. What kind of access if any did you have to that account?

A. The only thing I could do was to drop off banking. You know, at the end of the day if I took a -- what do they call it -- the pouch with all the cheques for the deposits or anything like that, cash, I would take it to the bank, get the receipt from the banker -- or the -- you know, the teller, and then bring it back.

199. Q. How often did you do that?

A. Just as necessary, to be honest. Like we had Bryan do it a lot, or Maryanne would do it. But just as -- You know, if they asked me three days in a row it wouldn't be out of the question, and if I didn't do it for three weeks it would be just the same, right? So --

200. Q. Okay. I just want to get so --

MS KENNEDY: I just have to get -- Sorry.

BY MR. MCGRATH:

201. Q. So did you have a salary --

A. Yes.

202. Q. -- at Clonsilla? What was your salary? Did it change over time?

A. Yeah.

203. Q. So let's take 2022, 2023.

A. Sure.

204. Q. What was your salary then?

A. So this is gonna be -- So for some reason I was getting a salary on an ADP or whoever was paying, and then Wolf -- Wolf, that's my son -- Hugh would write me a cheque to subsidize 'cause he told me some -- I can't even remember the reason 'cause I've tried to think about what that reason was, but because the banking wasn't working or -- not the banking wasn't working, but it wouldn't look the right way, so "You just -- I'll cut you a cheque.

It's gonna be the same cheque." I -- I gotta be a hundred percent sure it's the same exact cheque every two weeks that was like in the bank accounts or ADP I think we were using, and a written cheque which was the same. So that was like my salary.

205. Q. I'm not sure I understand but I'll try.

A. Sure.

206. Q. So -- so you did get paid through ADP --

A. M'hm.

207. Q. -- every two weeks?

A. Yeah. Yeah, yeah.

208. Q. And you also got a cheque from -- from Clonsilla that Hugh would sign?

A. From Clonsilla, yeah.

209. Q. And they're the same amounts?

A. No, no, the ADP amount -- I think -- I can't remember but I think my salary should have been 5,400 every two weeks, right? So either five or 50 -- I can't remember. I'm sure you guys could find it. But so I would get, you know, 20 to a hundred from an ADP draw, or like a deposit, and then Hugh would cut me a cheque. If it was 5,400 he would cut me a cheque for the other, you know, 3,200, whatever.

210. Q. Okay, I think I understand that. Was that the way it worked for --

A. No, that was probably just the last year and a half, two years maybe, because of -- again hindsight's 20/20 but because of whatever reason, and I honestly can't remember what reason he gave me why we're doing it that way, but similar to how everything else worked I was just like "Oh, okay."

211. Q. Okay. How did it work before that, was it just like ADP --

A. No, I think for the most part every once in a while he would cut me like a commission cheque.

212. Q. Okay, that was gonna be my next question. So that -- that's trying to cover salary but then you're also on commission?

A. No, at the end -- like once we were doing it that way with the ADP and the other one, it was just "This is your paycheque." Like there was no -- like if it's 20 cars or 22 cars or 30 cars, it was just the same --

213. Q. Okay.

A. -- paycheque.

214. Q. So for the last year and a half it was $5,400 every two weeks --

A. Yeah.

215. Q. -- no commission.

A. No commission.

216. Q. Before that there was commission?

A. Yeah, because before that we had other salespeople and so we were kind of like, you know, goin' against each other to try to sell so it's kind of more incentive to sell more cars. So if you had 15, you get this, 20, you get this, blah blah. And so when there was me to do it and, you know, Hugh and Gerald, there was no like battling 'cause I would --

Basically if someone came to the lot Hugh said "It's for you, Rasto. So you're gonna cover -- you know, aside from my customers or the old people that want to deal with me or whatever, you know, everything on that lot is all you." So it's kind of like, "Here's your salary, make sure you service everybody. Let's close a lot of deals and let's, you know, do it that way."

And that's why I would have to come in on Saturdays because I was kind of expected since it's -- since I'm the only one really I kinda gotta be there, right? So --

217. Q. Okay. Did you -- What other -- So you said you got to have like access to a lot car as well?

A. Yeah, we could throw a deal on a car and that would be, you know --

218. Q. That would be your car for --

A. That would be the car that I drive and, you know, we'd drive it for a month and then -- But I'm, you know, there Monday to Friday so it's basically on the lot

all week anyways, right? So if someone's coming to look at cars, the car I'm driving is there and I -- honestly I always kept it super clean and -- and made sure it was --

219. Q. All right.

A. -- ready for sales.

220. Q. Were there any other benefits you got?

A. I got some gas cards, or like I would use the gas card. We'd get some -- You know, the -- the warranty guy would bring us some kickbacks on the -- in the term -- in the form of like, you know, a Visa, or like a gift card to the Keg or Visa gift cards or -- yo know, that sort of thing but --

221. Q. Okay.

A. -- that was really --

222. Q. No, I was tryin' to understand. Like nothing else significant that you can remember that you --

A. No, no, I wasn't flying to Miami or anything like that. No.

223. Q. All right, so -- And if I'm looking in 2023 --

A. M'hm.

224. Q. -- payments you should have been getting from Clonsilla would be the 5,400 every two weeks, right?

A. Sure. Yeah, yeah.

225. Q. Anything -- any other reason why Clonsilla would be paying you money?

A. No. I think -- Actually now that you mention it at the end I think some of that cash on the 80K, I think he wrote me some cheques to try to pay it back, 'cause I remember there was so much pressure -- I'm sure there was so much pressure everywhere but, you know, not only -- I don't know what he knows, I'm not here to speculate that, but I needed some of my money back --

226. Q. Right.

A. -- so I think he gave me some of that back now that I -- now that you bring it up.

227. Q. So maybe you got some of the $80,000 back?

A. Yeah. There might have -- If there's any cheques -- You guys obviously went through the banking. If there's any lump sum I would allocate that to him giving me some of my money back.

228. Q. Okay, any other reason you can think of other than him paying you back your loans for why you would have got money from Clonsilla?

A. Not other than my salary, no.

229. Q. Okay. I wanted to go back -- So you mentioned Velocity.

A. Yes.

MR. MCGRATH: Oh, we should mark the email -- I'm just gonna mark the email as Exhibit 1 that I showed the witness earlier.

EXHIBIT 1: Email dated June 25 2019

BY MR. MCGRATH:

230. Q. Mr. Scasny, I just want to mark it so that in the --

A. Yeah, yeah, yeah.

231. Q. -- future we know what --

A. Sure, yeah.

232. Q. -- we're looking at.

A. Yeah.

233. Q. Velocity has two directors. Hugh is one and Holinsworth August is the other one.

A. Yeah.

234. Q. Do you know Holinsworth?

A. I met him a couple of times.

235. Q. Okay, what was his role with the business?

A. That's a good question.

236. Q. Don't know?

A. No, I don't know.

237. Q. Okay, well, in what context did you meet him those couple of times?

A. He came down a couple times to show some of the -- like the computer program. And then he had like -- I feel like it was his brother or somebody else had some servers set up. I feel like they were just like these tech guys. I heard he was some wealthy guy and sold some

big company back in the day and -- Yeah, he was pretty nice. That was kind of it.

238. Q. What was the role of Velocity? So like when Velocity starts getting involved I understand there starts to be sort of a computer systems that's --

A. Yeah.

239. Q. -- involved. What was your understanding of what was sort of going on with that?

A. Just that we had a computer system, to be honest. Like before we were doing the leases, like handwriting them, and now we were putting them on the computer. That's kind of what I thought it was, to be honest --

240. Q. Just --

A. -- Velocity.

241. Q. Just sort of updating how you --

A. Yeah.

242. Q. -- did things?

A. Yeah, yeah.

243. Q. What was your access to -- Or how often did you use Velocity? Did you ever go into Velocity to upload information to it?

A. Yeah, like we would upload the leases and the insurance and the ownerships and all that. Like I would just go to the scanner, scan it and then put it to my

computer and then just like upload it to Velocity.

244. Q. Okay, and did -- Were there still paper files maintained after Velocity got involved?

A. Yeah, like so I would -- Customer comes in, we fill out all the stuff, I do all the paper warranties, whatever. So it's in the file and then I put it on the Xerox machine, upload all those, but I also then have the file, right?

So there's a file and then it goes to Gerald, Hugh, Maryanne, filed in the back in that big black thing, right? So that was -- So I'd get it, then everybody else would get it and it would go to the back.

245. Q. What do you mean by everyone? So would it just go from desk to desk sort of --

A. Yeah, so like when I would finish -- you know, a customer comes in, gets all this stuff. We get all the signatures, everybody's happy, they take their car. And I make sure that the -- all the documents -- then I would go upload them and then I would put the file -- and I would drop it off at Gerald's.

246. Q. What are the documents to get uploaded?

A. Credit app -- I mean I think we had a checklist, but basically credit app, lease, insurance, ownership, driver's licence.

247. Q. Driver's licence?

A. Yeah, yeah.

248. Q. Okay, anything else you can think of? I think that's what I -- I think that's what it is but I --

A. Yeah, I think that's what it is, yeah, so --

249. Q. Okay, so you would upload those. Were there ever any issues where you didn't have all the documents uploaded that you --

A. Certainly, yeah.

250. Q. Okay, and what would happen in that situation?

A. You'd put a blank to get -- Like if someone forgot to sign something, right, you would upload a blank document, like a -- just a blank piece of paper so that when Jackie got it, it would be blank and she would know, Okay, we're missing these one or two documents. Either the document forgot to be signed and then I'd have to call them and they'd have to come back or whatever, or we hadn't gotten the insurance yet or --

You know, sometimes I would upload the stuff I had today so if the customer comes in and they -- they had driver's licence, the lease agreement, those sort of things, I upload, and then, you know, we're getting the car ready and then the rest of it I would upload when they came to pick up the car after they -- Sometimes I would do some of it at the beginning, some of it at the end. Sometimes I would do all of it at the end. It was -- I

didn't really have a formula for that but I would just --

251. Q. Okay, so if I understood -- I just want to make sure I understand. So sometimes there may be a signature missing on a document or a document missing --

A. Or we're waiting on insurance, or the ownership's at the ministry or -- You know, there's a million reasons why the document didn't go up yet.

252. Q. And if that happened you would upload a blank sheet where that document should be?

A. Not always, only if we were submitting it for Jackie to -- So if we submitted it Jackie would check over all the documents we did put in, but we would do the blanks so that she knew that we weren't missing the document, the document was just not there yet, right?

So that -- so that would help because sometimes I'd put a VIN number wrong so then we'd have to get it back and fix that and so on and so on. So Jackie was kinda just checking. So sometimes we would submit them so Jackie could check the ones she had and then we would work on the ones we needed to afterwards.

253. Q. Okay, and Clonsilla itself has two directors. Hugh's one and Meggan Waddell is the other?

A. M'hm.

254. Q. You know Meggan Waddell?

A. I do.

255. Q. She's Hugh's daughter?

A. She is.

256. Q. Did she work at Clonsilla?

A. Yeah.

257. Q. What did she do?

A. I -- Hard to say.

258. Q. Okay, so you're not really sure what her role was?

A. No, no.

259. Q. In 2022, 2023 towards the end was she coming into the office?

A. Yeah. All the kids kinda came in, you know. Taylor worked there, but these were all like -- For me -- I'm not here to put anybody down. They were my friends, but they would do -- And they would come some days and not come some days and do whatever they wanted. And sometimes they'd -- they would go into Hugh's office and kill a couple hours and then they would waste -- It just wasn't --

Like they were just there. I don't know what they were doing, to be honest, but like it was -- I remember at some points I was like "This is kind of unfair. They're -- they're working but I'm here nine to five and they're just coming and going as they please," and "Oh, you know, whatever," kind of stuff so --

260. Q. Okay. Is that true for all of them? So there's -- there's Taylor, Meggan, and Sara, I understand.

A. Yeah, Sara. Sara really wasn't in the office a lot. She lives in Toronto so she -- There was -- She would get like projects, like you know, I mean I don't really know what they did but like I know the HST was a big point of contention in '23 so I know they were working on the HST. I'm not again sure what that meant but they would just mention those sort of things and, you know --

I'm not saying Sara was working on the HST, I'm just suggesting that --

261. Q. Right.

A. -- you know?

262. Q. You're not sure what -- what their projects were.

A. Yeah, exactly.

263. Q. Okay, but certainly, you know, for all -- is it true for all three of them that you're not really sure what their contributions to the business as employees were?

A. Correct.

264. Q. I'm gonna go through some other names that I've just come across --

A. Yeah.

265. Q. -- as we're doing our investigation, and just

let me know if you know who they are.

A. Sure, yeah.

266. Q. So Shawn Brennan is a name that --

A. Yeah, okay.

267. Q. Who was that?

A. A customer.

268. Q. Okay. Did you know him outside of just being a customer?

A. No, but he was there a lot so, you know, you get to know him.

269. Q. Okay, so why was he there a lot?

A. I feel like making payments and he was constantly chasing him for -- for money 'cause he was constantly behind. But then he would come and make a -- Again, I -- This is just me like standing at the water cooler listening, right? But he would come a bulk payment because -- But he would still be behind and, you know, so Hugh would still be pissed about that. And fair enough, you know, if he owes you money he owes you money, but --

270. Q. So we've noticed that he sort of -- His name comes up a lot 'cause he kept getting new leases even though he was behind on previous ones.

A. Right.

271. Q. And it's hard to sort of reconcile why he keeps entering into new leases. So do you have any information

about that?

A. No. That is hard to reconcile. Yeah, I would -- If it were me I wouldn't be giving more loans but --

272. Q. Okay, so it wasn't your decision to keep doing it, it just --

A. I -- I didn't decide on any of the loans. That was not my role. I was just selling to customers and making sure, you know --

273. Q. So is it true for every single lease -- every single customer that --

A. Yeah.

274. Q. -- you entered into a lease -- I know you didn't personally but that you signed --

A. Yeah.

275. Q. -- to a lease, every single one of them you would have got Hugh's okay to enter --

A. Yeah.

276. Q. -- into that lease.

A. Yeah, yeah. "Hey, Hugh, this is the deal." You know, "This is the customer, here's -- He makes --" Again, like I said, sometimes it's on the phone or whatever, right, but you know, "He's got a 620 cred score and this was his problem but this is where we're at. A thousand bucks down," that sort of thing, and "We good?" "Yup, we're good." So --

277. Q. Okay, Nancy Waddell. I understand that's Hugh's wife.

A. Yup.

278. Q. Did she work at Clonsilla?

A. No, no.

279. Q. We went over Sara and Taylor. What about Meghan Archer?

A. No. I -- There was like maybe a moment in like old -- the old -- the older days where she -- she did, but no, no.

280. Q. Okay, she didn't work for -- I didn't ask the question yet but she didn't work for Clonsilla? You're saying no, she didn't.

A. Yeah. Sorry, I thought that's -- I thought that's what you were gonna ask. No, no, she would -- Like at one point maybe she did bookkeeping for like three weeks but like not -- not at all.

281. Q. Understood, okay. Paul Shapiro, do you know who that is?

A. I do.

282. Q. Did he ever do any work for Clonsilla?

A. I mean he -- he came down every once in a while but that's all I know. And he was a nice guy, we chatted, but that's kind of all of it.

283. Q. Do you know who Sandi McDavid is?

A. No.

284. Q. Do you know who Virginia Hamilton is?

A. No.

285. Q. Do you know who Cheryl Ambrose is?

A. I think that's Skip's wife who I met once, but that -- Like not really. Like I couldn't point her out of a lineup, to be honest.

286. Q. She didn't work for Clonsilla.

A. No.

287. Q. Do you know any reason why she might be getting money from Clonsilla?

A. No.

288. Q. Sarah Rabinovitz, do you know who that is?

A. No. It sounds like a name I heard at the dealership. No, sorry.

289. Q. Okay, what about Aaron Rabinovitz, the Aaron with the a-a-r-o-n?

A. No.

290. Q. Ian Anderson?

A. No.

291. Q. Richard Deslauriers?

A. I do know Richard only recently.

292. Q. Okay, how do you know him?

A. Well, so he has the first on Mapleridge so we connected just a couple of weeks ago because of a disaster

of a situation with that house.

293. Q. Okay, before that did you know him at all?

A. I only found out -- Actually, I knew the name because when I was doing the mortgage the lawyer showed me the name, so that would have been the first time.

294. Q. So let's take it pre-receivership then, before October 2023. Had you ever met him before?

A. No. I haven't met him yet. I just talked to him for the first time maybe two weeks ago.

295. Q. Okay, and any reason you know of why he would be getting money from Clonsilla before the receivership?

A. Well, he has the first on Mapleridge.

296. Q. Mapleridge is owned not by Clonsilla but by --

A. Right, that -- sorry, that would be the only reason I would -- could think of, to be honest.

297. Q. Okay.

A. Yeah.

298. Q. Dave McClelland, do you know who that is?

A. Yeah, Dave's a friend of Taylor and I's.

299. Q. Okay, did he ever work for Clonsilla?

A. He would have done some repos and stuff.

300. Q. Okay.

A. So --

301. Q. So he might have been getting money from Clonsilla for work he did?

A. Yeah. Yeah, yeah, that -- that'd probably be a fair assessment.

302. Q. Any other reason you can think of why he would be getting money?

A. M'mm.

303. Q. Do you know who Thomas Sargeant is?

A. Yup. Again, Thomas would do the sort of -- maybe some of the same kind of stuff sometimes.

304. Q. Okay, same stuff but he might have worked for Clonsilla and that might be a reason why he's getting paid?

A. Yeah. Yeah, yeah.

305. Q. Bryan Buzzell. You mentioned Bryan earlier; I think that was Bryan Buzzell?

A. Yeah, Bryan Buzzell.

306. Q. Buzzell? Did -- did he work for Clonsilla?

A. M'hm.

307. Q. What was his role?

A. He would do some running around, cleanup. Like I said, sometimes either Bryan would take the licencing, sometimes I would.

308. Q. Do you have any information about why he might be getting paid money outside of the ADP normal payroll system?

A. No. No.

309. Q. Do you know Jason Outhwaite is?

A. Jason Outhwaite? Yeah, yeah, that was -- I think he's dead, to be honest, because Mike -- yeah, I saw Mike and he told me -- yeah. Sorry, anyways, that's crazy. Yeah, he would have done some running around at the time.

310. Q. Do you know who Marion Shapiro is?

A. Marion's Gerald's wife.

311. Q. She never worked for Clonsilla, right?

A. No.

312. Q. Do you know a company called Northbridge Estates?

A. Yeah. I mean that's their -- I'm just gonna guess, but holdings company or something.

313. Q. When you say "their" who are you talking about?

A. Nancy and Hugh.

314. Q. Okay. Do you know any reason why Clonsilla would be paying money to Northbridge Estates?

A. No, sorry. Sorry, I just want to -- This is a deep hole of craziness. Wow. It --

315. Q. Agreed. Okay, I'm gonna move onto another area. I been going at it for almost --

MS KENNEDY: Just before you leave the people, when you referred to Jackie, who do you mean?

THE DEPONENT: Jackie Shapiro.

MS KENNEDY: And I think her last name is now Rabinovitz?

THE DEPONENT: Oh, that's right, yeah, yeah, yeah, yeah, yeah. Sorry, Jackie was the girl that we would do the uploads to.

MS KENNEDY: So did she work for Velocity?

THE DEPONENT: I don't know who she worked for. I mean, to be honest, as we're talking I'm realizing there was Velocity and Clonsilla, but I've gotta be honest, I thought it was just Clonsilla and Velocity or EC or -- These are just words I heard -- EC or Beacon. These were just like investors or whatever but like I just thought it was Clonsilla so I don't really -- And -- and the Velocity thing, I know I saw the title on the paperwork you guys sent but I never really knew that was connected.

BY MR. MCGRATH:

316. Q. You met Jackie in person, right?

A. No. I think I called -- I remember we talked a lot on the phone and then once we Facetimed, 'cause I was like "I don't even know what you look like." I don't think she ever came down unless she did with Paul, but I -- If she did once it would have been once but like I don't think I did.

317. Q. But you knew when you were uploading things to

Velocity that she was the one that was --

A. That Jackie was the checker, yeah.

318. Q. -- was checking, okay.

MR. MCGRATH: I think we can maybe go off the record for five minutes and just take a little break.

Off the record at 10:50 a.m.

On the record at 11:00 a.m.

BY MR. MCGRATH:

319. Q. Okay, I'm just gonna pass you, Mr. Scasny, a brief of bank statements. These are Clonsilla bank statements --

A. Yeah.

320. Q. -- for six months before the receivership --

A. Okay.

321. Q. -- on an RBC account. If I could just ask you to flip to Tab A, so this is the statement for April 27th to May 26th, 2023.

A. Up to May, okay.

322. Q. And if you can go -- You'll see the page numbers are at the bottom?

A. Okay.

323. Q. Go to Page 19 of 28. So at the top there's a copy of a cheque to yourself for --

A. Sorry, 19?

MS KENNEDY: Nineteen.

BY MR. MCGRATH:

324. Q. Nineteen.

A. Yeah. So that would have been the amounts that should have -- Now, at the end those were startin' to bounce but that's the -- what I talked to you about earlier, would have been the, you know, ADP deposit.

325. Q. So that's the supplement to --

A. That would have been the supplementary, that's right.

326. Q. All right, and so whose writing is that on the cheque? Is that Hugh's writing or someone else's?

A. I would -- I wrote that.

327. Q. Okay.

A. Like the -- That's my writing.

328. Q. And then is that Hugh's signature on the bottom?

A. Yeah, he would have signed it.

BY MR. MCGRATH:

329. Q. If you can flip two pages -- So the date on that one's May 4th --

A. Yeah.

330. Q. -- if you flip two pages, Page 21 --

A. Yeah.

331. Q. -- about three down you see another one written --

A. Sixteen fifty.

332. Q. -- to yourself? Sorry, I should say 21 of 28 at the bottom, you see that?

A. Yeah, for 1,650?

333. Q. Right.

A. Yeah.

334. Q. What would that one have been for?

A. Don't know what that would have been for, to be honest.

335. Q. The note says petty cash so --

A. Yeah, that's weird. You know what that was for? If I had cash -- I think -- You know what, I'm gonna guess, so if I'm wrong, I'm wrong. I think he couldn't clear money and so I think he wrote me a cheque for that and then I went and took it out in cash. Does that make sense?

Like he needed cash, I think, and I don't know why -- I was again not the smartest about this -- but he needed cash, or maybe the business needed cash to pay for something, but his account would hold -- my -- my bank account wouldn't hold -- if you write a cheque they'll hold it. I think that's -- If it wasn't this time this happened in a different situation.

336. Q. Okay, so he would -- Maybe it was this time, maybe it wasn't, but he would write you a cheque because he knew that the bank would hold --

A. His.

337. Q. -- his --

A. Not mine.

338. Q. -- but for you, you could just deposit it and then take the cash out.

A. Then it would clear two or three days later, it'd go into the account. And that's probably why it says petty cash, to be honest.

339. Q. Is that his writing, this cheque?

A. It's not. Like at -- The other one was mine, this one's not mine.

340. Q. All right, do you know whose writing it is?

A. No.

341. Q. Okay, because they spell your first name -- your first name's spelled wrong.

A. Yeah, that's probably why it's not mine.

342. Q. Yeah. Okay, but you don't -- You have no idea -- Who else would potentially write cheques to you?

A. Either him or -- It's definitely not Gerald's writing -- or I don’t know. I think that's -- like it's not his. Probably not his. Could be Maryanne's, to be honest.

343. Q. Okay.

A. No, but she wouldn't spell my name wrong, to be honest, so I don't think that that's -- I don't know. I

don't know.

344. Q. But that's Hugh's signature at the bottom on it?

A. Yeah.

345. Q. Okay.

A. Or yeah, I guess. Like he would have signed it in front of me but I didn't watch him sign it.

346. Q. Right, but that looks like his signature to you?

A. I would think so, yeah.

347. Q. And then can you go to Page 24 of 28, please? So this is May 18th, bottom of the -- the bottom cheque on this page.

A. Yeah.

348. Q. And that looks to be about the same amount as the one -- the first one we looked at today so --

A. Yeah, this was the same thing.

349. Q. So should I see every two weeks you're getting paid this exact same amount?

A. That's right.

350. Q. Okay.

A. And that's what we were talking about earlier, like it was no longer commissions because it was the same -- it --

351. Q. I understand.

A. Except near the end. I feel like a bunch of them bounced and so on and so on. But anyways --

352. Q. Okay, if we go to Tab B, please. This is from May 26th to June 27th. If you can go to Page 13 of 26 you'll see June 23rd --

A. Mmm.

353. Q. -- second line there's $300 to Rasto Beekmans.

A. M'hm.

354. Q. Can you explain what that would have been for?

A. No, to be honest. No.

355. Q. Okay.

A. He would e-transfer me sometimes but -- I don't know. I remember exactly but there would be times when I would throw something on my credit card. Obviously it wouldn't be a round number like 300 but like -- Yeah, anyways, I don't know.

356. Q. Okay, can you flip ahead to Page 20 of 26, please. There's a cheque at the bottom there made out to yourself for $2,239.

A. M'hm.

357. Q. Do you know what that would have been for?

A. No. I'd have to -- I'd have to go into my banking to figure out why that would be. No, I don't know.

358. Q. It's a different amount than the ones --

A. Yeah.

359. Q. -- we saw on the --

A. Yeah, agreed. No, I don't, to be honest. I had a spreadsheet at one point that would show his outstanding debt to me, which is kinda useless now, but --

360. Q. Do you still have it?

A. No.

361. Q. No?

A. No.

362. Q. Would you have kept that -- You kept it electronically somewhere?

A. Yeah, it was on the -- like the company computer.

363. Q. Okay. What would it have been -- Like do you remember --

A. Like it was like, you know, the 75 I gave him or the -- the 25, you know. And so -- so the -- I know why this one's a weird number but maybe -- I honestly don't remember that one but --

364. Q. Do you recognize the -- the handwriting like that has your name and the -- the amount? Do you know who wrote this cheque?

A. Like if -- So if I wrote the cheque -- I would write the cheque on this one and then I would go over to him and he would sign it.

365. Q. Okay, is that your writing?

A. The top part? Yeah.

366. Q. Okay. If you just flip over the next page --

A. So that's the --

367. Q. -- to Page 21 --

A. Yeah, yeah, yeah.

368. Q. That's the regular --

A. That's the regular, yeah.

369. Q. Okay. Would you have prewritten these -- I mean I think you're the one who writes them and then gets them signed, right?

A. Right, exactly.

370. Q. Do you prewrite them out or is it --

A. No, I --

371. Q. -- every two weeks --

A. Yeah, I would go there every two -- Like at one point I remember I had five or six cheques sitting, 'cause sometimes I would go grab a cheque because sometimes the chequebook wouldn't be there so I knew that I -- if I had like a couple in my drawer then -- I don't know where the chequebook would be, they couldn’t find it, whatever -- that I would have a cheque so that I could just bring that one to him. But --

372. Q. Just explain that to me. So you had a few -- I under -- I was gonna ask you so --

A. Yeah, yeah.

373. Q. In the ordinary course, you knew where the

chequebook was.

A. Yeah, yeah. Yeah.

374. Q. So you would go and get a cheque and fill it out and then give it to Hugh to sign.

A. That's right.

375. Q. But there'd be times when you didn't know where it was and so you have a few cheques --

A. Yeah, near the end there I was like "I'm gonna need a cheque but he's gonna give me a fuckin' --" you know, whatever the excuse, "I can't find the book." So I was like I'll just keep a couple and then I'll write it and I'll bring it to him, and then I'll be like "No, no, I have a cheque. I found one," and so then he would sign it.

376. Q. Okay, that makes some sense to me. Would you == would you prewrite them out, like to yourself --

A. No.

377. Q. -- or you'd just keep blank cheques in your drawer.

A. Like in my drawer they would be blank and then when I would need one for whatever the discussion was, then I would write it then in that moment.

378. Q. Did he -- Did you have sign -- I think I may have asked this already --

A. No.

379. Q. -- but you didn't have signing --

A. No.

380. Q. -- authority, right?

A. Which is exactly why I did it the way I had to do it, right?

A. Did you ever sign Hugh's name to any cheques?

A. No.

381. Q. Did you ever sign Hugh's name to any other documents?

A. No.

382. Q. Never?

A. No.

383. Q. Do you know of anyone else who did?

A. No. I -- Like my course of things would be similar to the leases is -- would sign, right? Like I would take -- Sorry. If -- if it was a cheque or whatever, I would take it to him -- I would write it out as you see here and then he would sign it.

384. Q. Okay, so we've -- we've learned that I think he was in Florida for long periods --

A. Yeah.

385. Q. -- of time sometimes, so what would you do then?

A. Sometimes we would email it to him or whatever the -- the way to get it signed would be, it would be signed.

386. Q. So if you have a cheque that needs to get signed with wet ink and he's not around, what would you do?

A. Those ones I didn't sign. Either Gerald would sign it or --

387. Q. Okay, so those ones I would see Gerald's signature on them.

A. Yeah.

388. Q. Okay, anyone else? Were those the only two who you would get to sign -- we'll take cheques for now, it was just Gerald or Hugh?

A. Yeah.

389. Q. I'm just flipping a couple more pages to 24. So the second one on this page was another one of the regular payments, so anytime I see $3,500 --

A. Yeah, that's --

390. Q. Then can you go to the last page of this tab, please, so Page 26 of 26.

A. M'hm.

391. Q. The bottom one I see a cheque to you for $95,000. June --

A. June 26th.

392. Q. -- 26th. Do you know what this money would be for?

A. That's interesting. June 26th. That might have been -- Do you know if the -- date those cleared or no?

MS KENNEDY: Yes.

BY MR. MCGRATH:

393. Q. They did. You can look in the bank statements

A. Yeah, yeah.

394. Q. -- at the front and see they went out.

A. That would have been some of the money I was getting back in that kerfuffle of craziness.

395. Q. Okay, so that might have been repayment of some of the loans?

A. Yeah. Yeah, yeah, yeah.

396. Q. Any other reason you can think of?

A. No. No, no, no. Guarantee not.

397. Q. Then whose -- Do you recognize the handwriting on this cheque at all? It doesn't look to me like yours.

A. No, that might be Hugh's. I think that is Hugh's, to be honest.

398. Q. Think that's Hugh's? 'Cause that's -- You --

A. Yeah, sorry. Yes. Yes, I think so.

399. Q. Okay, the next tab, Tab C at Page 22 --

A. M'hm.

400. Q. -- of 26, at the bottom there there's a cheque to yourself for $13,132.96.

A. Yeah, this was -- What's the date?

401. Q. It says July 21st.

A. July. Yeah, 'cause I -- In that -- I mean again

I don’t have that spreadsheet -- 'cause this was kinda the problem when the computer went away in November, is anything I had written stupidly I didn't write on my own computer so I don't know what the totals are, which I've been trying to figure out. But that would have been probably to pay back -- I know there was a couple of cars that sold that he got cash for, or you know, whatever, and I was certainly not getting money.

That actually might have been -- that might be a different thing but this might have been -- Yeah, that might have been that, to be honest, some of the repayment of some of the loans.

402. Q. Okay, so your best guess sitting here is that this might have been repayment of loans.

A. Yeah.

403. Q. Okay, and I was gonna ask is there any other reason but I think maybe you just gave a reason. So what were you saying about there might have been some cars that -- that sold?

A. Well, at the end I was like "Listen, you need to start giving me some money back. Like I'm not -- I gave you all this money and I need it back."

404. Q. Okay.

A. "It's my money, or my dad's money," and so they amounts would have been goofy, in my opinion, looking

back, because it would have been based on a car that sold. So if he sold a car then --

405. Q. It's not that you're -- it's not that you're entitled directly to that money, it's just whatever money he had from that sale, you want it back 'cause you --

A. I want it back, yeah, 'cause --

406. Q. -- 'cause you've got the loan outstanding.

A. Yeah.

407. Q. Okay, the next tab's Tab D, and if I could ask you to go to Page 13 of 27, there's two cheques. The first two on that page are July 28th and --

A. Twenty-seven fifty. I know you said that it was 26 but I think it was 2,750, to be honest. So 2,750 would have been the interest on the mortgage.

408. Q. The mortgage? And then the other --

A. And the 3,554 would have been the -- Yeah.

409. Q. And then 17, Page 17 of 27, there are two cheques at the bottom one, so the bottom one is the 350 -- 3,554 --

A. Yeah.

410. Q. But there's another one for 10,715.

A. Right. Again, I know I said this but I'll repeat it. Like, I know there was certainly pressure from me to get money back, so I don't know the amounts and I don't remember why they were these amounts but --

411. Q. But it's safe for us to --

A. Assume that it was chipping away at the monster amount of money that I was owed.

412. Q. Okay, so that's repayment of the loan.

A. M'hm.

413. Q. Sorry, can you say "yes" or "no" for --

A. Yes. Yes.

414. Q. Tab D, 19. So Tab D, Page 19 there's a cheque at the top for 1,000.

A. M'hm.

415. Q. Do you know what that would be for?

A. No, that one I really don't, actually.

416. Q. Do you recognize the writing on that one? That one seems to be written by someone --

A. Yeah.

417. Q. Not you?

A. Yeah. No. Hugh potentially, but --

418. Q. Is -- Does that look like Hugh's signature on that cheque --

A. Yeah.

419. Q. -- to you? Okay, so no -- no explanation for that cheque.

A. No, I don't have the answer for that one.

420. Q. Next page, the second cheque on this page is for $2,074 --

A. M'hm.

421. Q. -- .81.

A. Yeah.

422. Q. Again, you're not sure --

A. No, I don't. And I -- I mean if you guys put the -- Yeah, I don't, I don't. No, sorry.

423. Q. Is it safe to assume -- so I think --

A. I just -- I'll be honest. I remember the feeling I had in those moments and I was not -- I don't really know what's going on and -- and I -- but I'm also understanding that some of these cheques are bouncing, sometimes payments are not going through so I'm -- You know, like, I'm -- I keep -- I've got a mortgage and a family and a bunch of other stuff and -- you know, "I gave you all this money, and WTF?"

424. Q. Right, so let's go through that a little bit. I want to really understand that a little bit better. See, we see, or I see --

A. M'hm.

425. Q. -- when I look at the statement that the cheques actually cleared 'cause that's --

A. Yeah, yeah.

426. Q. -- what that shows. So what I don't see are cheques that are bouncing, but when do you think the cheques started bouncing from Clonsilla to yourself?

A. I don't know the timeline but certainly very shortly after I gave him that big last let's call it 300,000 bucks, which like oh, my God, if I could go back and not put that out, boy, would I do that.

427. Q. So --

A. So it was -- it was confusing to me at that time because, you know, "This is all gonna be okay." Turns out it's not.

And that's when I remember starting to see it but I still didn't understand what the repercussions were gonna be, you know, in that the business was gonna close. But, you know, I can speculate in my mind a million times if he knew or not but --

428. Q. So you said there the 300,000.

A. The 200 plus the 80 and so like -- sorry, 280 I guess. When I gave him that amount both secured and unsecured, that's -- all of a sudden it stopped. Like everything started turning in that moment, in my opinion.

429. Q. Okay, so before that obviously you didn't have any reason to suspect that they wouldn't be repaid, otherwise you wouldn't have given him the money.

A. Correct.

430. Q. So it's sometime shortly after you give him the 200,000 and the 80,000 that you start, you know -- I'll call them red flags --

A. Sure.

431. Q. -- red flags start appearing for you.

A. Yeah.

432. Q. Okay. Was there anything other than cheques bouncing? Was there other signs that you started seeing that you thought "Oh, this might be a problem"?

A. No, because this -- this -- You know, I've been there 11 years and Hugh's always kinda like Hugh. And so -- Sorry, I got distracted there.

No, because he was always the way he was. You know, he was always 20 days late on a -- on a bill for Benson's or 21 days on a bill for the propane, or whatever, like -- And not because I saw the bills but because I hear the people and -- and so on and so on. So that like tightness, I guess, probably always would have been. He was always kinda doin' Hugh. Hugh, h-u-g-h.

But to honest, in those moments after the money went out, like that crazy amount of money, like it turned. Everything kind of changed, I would say.

433. Q. Okay, and so it's fair for me when I'm looking at cheques that actually did clear --

A. M'hm.

434. Q. -- to you, unless it's the 2,750 or the --

A. If it's -- Yeah, then the rest I would think were paying down some of the debt or -- Yeah, that would

be a hundred percent the only thing.

435. Q. Okay.

A. Yeah.

436. Q. I'm just gonna ask you --

A. Sure.

437. Q. -- sort of almost out of a sense of completeness more than anything, so D 22, there's a cheque at the top. It's really difficult to read the name but I think it's your name --

A. Yeah, it's got my name.

438. Q. -- for 2,000. So because that's not one of those amounts --

A. Yeah.

439. Q. -- we're expecting, that might be repayment of a loan?

A. Yup.

440. Q. And then --

A. Or -- or at the same time ADP stopped working too. That's what that 27 -- that's what that 2,074.81 is. So if you go back -- That's right. If you go back 2000s to page 20 -- sorry. There is 2,074.81, I think my exact -- if you go to ADP was 2,074.81.

441. Q. Okay.

A. So that's why that's a weird number but also that was -- So ADP's either shut down or shutting down,

and so I'm not getting any paycheques.

442. Q. Okay, that makes sense but that wouldn't be the reason for the 2,000 on 23 --

A. Yeah, I remember having a spreadsheet. I was like "Listen, you know, this is paid but you gotta pay me this 'cause I'm --" It's the debt -- either -- I'll answer this. It's either to debt that I gave him or it's to ADP or, you know, something. But there was sometimes never a -- like "If you owe me ten, can I give you 1,500 today," you know, kind of thing? So that's sometimes what it would be.

443. Q. So --

A. Not that he only owed me ten.

444. Q. You should be -- you should be getting paid 5,400 every two weeks --

A. Yes.

445. Q. -- some -- some way, somehow.

A. Correct.

446. Q. And anything in addition to that is repayments of your loans.

A. I would think yes.

447. Q. Okay.

A. Unless -- unless there was the situations where I had to go grab cash.

448. Q. Right, we saw that one cheque that said petty

cash.

A. Yeah, yeah. That would be probably -- You know, that didn't happen -- that wasn't like a regular occurrence but there could be a situation or a cheque or two in there over the last year that was that situation. But yeah, nothing major.

449. Q. Certainly the $95,000 wasn't that.

A. Certainly not. Certainly not.

450. Q. If you go to B, 24 -- or sorry, Tab D, 24, I think we were on --

A. Tab D --

451. Q. It's Page 24, it's still --

A. Tab D, 24.

452. Q. -- Tab D, second cheque down, there's a cheque to yourself for $300.

A. M'hm.

453. Q. Based on what we just talked about, unless it's a petty cash thing --

A. Yeah, I don't know why it would have been 300 bucks. I mean that's such a weird one. I mean I guess you guys are being -- in the thoroughness, I don't -- I would say I don't remember why it was only 300 bucks.

454. Q. Okay.

A. Yeah.

455. Q. And then two more pages in D, 26 there are two

cheques at the bottom there. Those are for --

A. That's exactly the two amounts.

456. Q. -- the 5,400 --

A. Yeah.

457. Q. Yeah, okay. And if we go to Tab E, Page 8 --

A. M'hm.

458. Q. -- on September 15th, if you go down about six lines there's an e-transfer to Rasto Beekmans --

A. Yeah.

459. Q. -- for $5,629.48.

A. Yeah.

460. Q. Do you know what that would have been for?

A. I mean if there -- Sorry, back here was there a cheque? So if there wasn't a cheque --

461. Q. This is not a cheque, it's an e-transfer.

A. No, no, I know, but in -- in -- Yeah, again, it either would have been the paycheques or the -- either the paycheques, the debt, or the mortgage.

462. Q. Yeah, we've been seeing 5,400 every two weeks but my colleague just pointed out to me that if you add the -- the two amounts --

A. Mmm.

463. Q. -- the 2,000 and change and the 3,000 and change that you were getting, it adds up to the same exact amount, $5,629 --

A. Oh, okay, so then that's --

464. Q. So maybe that's what you were getting paid --

A. That's right, yeah, yeah.

465. Q. -- every two weeks.

A. Nice. I got that one.

466. Q. And if you go to Page 19 in this tab, the top cheque there --

A. Yeah, that would have been -- I remember -- that one I remember. That's the one that -- I mean there was one for 13,000 or whatever but that's -- that was one that I feel like a car sold and this is the amount that he -- came out of the -- you know, that was -- I know it's a goofy amount but --

467. Q. Right, okay, I understood. But just for the record, this is a cheque dated September 1st, 2023 --

A. M'hm.

468. Q. -- for 3,000 and change, and --

A. I think this is the one where I was real like "Listen," you know, "I haven't -- you're not paying me on time," you know, "I'm getting cheques, some of them are bouncing."

'Cause I know you'll see that that cleared, the 54 -- 600 but the ones -- the three before that that he wrote that didn't clear, I went to the bank, and you know, the money gets bounced and all that. Anyways, so that would

have been --

469. Q. So is this amount to pay you -- repay your loans or is it to pay --

A. Some of the loan, yeah.

470. Q. Or is it to pay you salary that you're not getting? Or both?

A. Yeah, I could -- like I know there was -- at the end of the receivership there was like 18 or $20,000 that was outstanding, which I got some of that back, but I remember -- Yeah, there was a lot of, you know, missed pays. And if I'm being honest, I'd -- like hindsight's 20/20 but I mean I don't know why I kept showing up.

471. Q. Okay, just one more tab.

A. Yup.

472. Q. F, if you go to Page 17 of 25, please. So I see two cheques on this page.

A. M'hm.

473. Q. I think the top one is the salary --

A. Yeah.

474. Q. -- and I think the bottom one is for the mortgage?

A. Correct.

475. Q. And if you go to the next page, 18, there's a cheque to you at the bottom there for 1,292.65.

A. I don't know why but --

476. Q. So I'm gonna say that I -- if I -- if I can't trace it back to one of the things we've talked about then it's probably repayment of the loan?

A. I mean I'm just tryin' to think about why -- There's some goofy ones for sure, right? But I don't know why he would have wrote them weird and I -- You know, October 3rd probably the -- the stress level of --

THE DEPONENT: Were you guys there already or -- in October or not yet?

MR. ALLEYNE: Twenty-third?

THE DEPONENT: Yeah, October 3rd.

MR. ALLEYNE: No, not yet.

THE DEPONENT: Not yet. So I guess that's not --

BY MR. MCGRATH:

477. Q. The received was appointed October 23rd, so --

A. Oh, okay.

478. Q. -- it's that month but just three weeks later.

A. Earlier in that month.

A. I mean all -- certainly those feelings in that moment, or even in these moments, but yeah.

479. Q. So it's probably to pay down --

A. It's probably to pay down some sort of outstanding from Hugh.

480. Q. And then the last one is 24 of 25. This is October 20th for $5,000.00

A. M'hm.

481. Q. Do you know what this was for?

A. If there isn't -- That probably would have been again every two weeks back pay or, you know. And in October I'm sure he's just tryin' to get me what he has in the account 'cause I'm certainly not happy in the payment department.

482. Q. Okay.

A. So, yeah. That's it?

483. Q. That's it for that.

MR. MCGRATH: I'm gonna mark that brief as Exhibit 2 to this examination. Thank you.

EXHIBIT 2: Brief of Bank Statements

BY MR. MCGRATH:

484. Q. So, Mr. Scasny, I'm gonna show you just the front page of your T4 for 2022.

A. Okay.

485. Q. Just for the record I see -- I will show it to you. I don't have a lot of questions about it but your employment income's listed as 143,072.

A. Right.

486. Q. So am I right that if you received any money from Clonsilla more than that amount, then that would have been repayment of loans that you'd made?

A. Yeah. Yeah, I mean -- That's right.

MR. MCGRATH: Okay. I'm just gonna mark that as Exhibit 3 to the examination, please.

EXHIBIT 3: Front page of Rasto Scasny's T4 for 2022

BY MR. MCGRATH:

487. Q. Okay, and then the same would be true for 2023 except you didn't work the whole -- Well, did you work the whole year? Once the receiver got appointed did you --

A. No.

488. Q. -- keep getting paid?

A. I mean I think I left pretty soon after.

489. Q. Okay, so your income should be of that salary but -- but --

A. No, because, you know, I don't know if I'm ever getting that money back, my loan money back, so I don't know what's really -- what did he -- you know, my T4 was whatever would have been on ADP kind of thing.

490. Q. Okay, but your salary should have been 5,400 --

A. Every --

491. Q. -- or thereabouts every --

A. Every two weeks.

492. Q. -- two weeks.

A. That's right.

493. Q. Okay. Anything in addition -- that you received in addition to that, that would be repayment of loans that you'd made.

A. Correct.

494. Q. Okay. Oh, sorry, I'm gonna hand you back Exhibit 2. I just want to ask you about cash withdrawals that are --

A. Okay.

495. Q. -- reflected in the statements.

A. Sure.

496. Q. So if you can flip up Tab A --

A. M'hm.

497. Q. -- to Page 3.

A. Tab A?

498. Q. A, Page 3 of 28. So you'll see the second line here on May 1st, cash withdrawal $45,000.

A. Okay.

499. Q. Do -- do you know who had the power to withdraw cash from this account, the RBC account?

A. No. I mean I can guess but not --

500. Q. I think it's probably Mr. Waddell.

A. Right.

501. Q. He definitely would have had the ability to do that --

A. Sure.

502. Q. -- right? Was there anyone else you know of who would have had the ability to do that?

A. Maybe Gerald.

503. Q. Anyone else?

A. I don't want to guess.

504. Q. Okay.

A. I don't want to get -- You know. Is this -- sorry, is this Clonsilla's account or is this the other --

505. Q. Yeah, it's Clonsilla's account.

A. I would have guessed -- I would have honestly guessed Hugh, and honestly maybe not even Gerald, but maybe.

506. Q. Okay, is there any reason you can think of why $45,000 in cash would be withdrawn from the Clonsilla account?

A. No.

507. Q. Did any of the vendors or suppliers get paid in cash that you know of?

A. No, not that I know.

508. Q. So we can go through others, so if you -- for example, if you go to A, 8 --

A. M'hm.

509. Q. Tab A, Page 8.

A. Sorry.

510. Q. On May 12th about like five or six lines down --

A. M'hm.

511. Q. -- there's another cash withdrawal for $10,919.31.

A. M'hm.

512. Q. Any reason or explanation you can think of for why that cash would have been withdrawn?

A. No.

513. Q. There's not that many so maybe we'll just through them. I'm just gonna ask you for each one.

A. Sure.

514. Q. So Tab B, go to Page 4. On June 2nd there's a cash withdrawal for 25,000. Do you see that?

A. M'hm. Okay.

515. Q. Any reason why that would be withdrawn from that account?

A. Not that I would know.

516. Q. Next page, on June 5th.

A. Sorry, next page.

517. Q. Yeah, you should see a cash withdrawal for $90,000.

A. Is this somebody actually taking cash out, like physical cash?

MS KENNEDY: That's correct.

BY MR. MCGRATH:

518. Q. As far as we understand, yes.

A. Holy shit.

MS KENNEDY: I just want to show you something. Do you see what I mean?

MR. MCGRATH: Yeah, yeah.

BY MR. MCGRATH:

519. Q. So you don't -- you I have any information or explanation for why that would be withdrawn?

A. No.

520. Q. Okay, and then if you go to Page 10, same tab.

A. June -- Sorry, what is this? June?

521. Q. June 16th now.

A. Oh, my God.

522. Q. Do you see --

A. That's crazy. Sorry.

523. Q. Page 10 of 26. So June 16th starts about halfway down and then if you go -- go -- you know, five lines from the bottom --

A. M'hm.

524. Q. -- you --

A. Eight-six fifty-one, or five eight-one.

525. Q. That's right, yeah.

A. M'hm.

526. Q. Any explanation for where that money --

A. Like somebody went into the RBC account and took physically $86,000 in cash?

527. Q. That's what it looks like.

A. Yeah. That's crazy.

528. Q. So you don't know why that would have --

A. No.

529. Q. -- happened.

A. No. God, no.

530. Q. Okay, if you go to the next tab, C, Page 5. So July 6th about, you know, seven or eight lines from the bottom there's a cash withdrawal of $169,000. Any explanation for that?

A. No. I just -- Sorry, I just need to wrap my head around this again.

531. Q. I understand, yeah.

A. And --

MS KENNEDY: What page are you on?

MR. MCGRATH: Five. Tab C.

THE DEPONENT: Yeah. No, I don't know.

BY MR. MCGRATH:

532. Q. Next page, July 10th, two lines from the bottom there's another cash withdrawal of 163,000.

A. No.

533. Q. And then Page 8, July 12th, there's a cash withdrawal of 198,000.

A. No.

534. Q. Page 11, July 21st, it's a lot smaller. This is a cash withdrawal about five or six lines from the bottom of $4,905.

A. Okay, yeah.

535. Q. Even that though, is there any reason you can think of why -- like say it's $5,000 in cash would be withdrawn from the account?

A. I mean not even in this amount. Like there would be a couple hundred bucks if we had a driver that just wanted some cash. You know, that's sorta like that sort of thing. But not -- We didn't pay our driver $198,000 --

536. Q. Right.

A. -- for a day's run, right? So, no. And this is June -- July 21st.

537. Q. Yeah, the smaller one was July 21st.

A. No, I just mean in this timeline, like -- Sorry, just personally I'm getting -- I gave a guy that kind of money and then -- Anyways.

538. Q. And if we go to Tab D, Page 8 of 27. So August 15th there -- there's a cash withdrawal of $6,125. Any explanation for that that you can think of?

A. No.

539. Q. The next page, Page 9 there's two cash withdrawals right at the top on August 17th for a thousand and six thousand.

A. No.

540. Q. And then August 18th on that same page there's one for $2,349.

A. No.

541. Q. And then if we go to Page 11 -- So Page 11, these cash withdrawals change a little bit. So August 23rd you'll see there's two cash withdrawals, one for 7,600 and one for 9,500.

A. Sorry, we're on Page 11?

542. Q. Right. August 23rd. It says cash withdrawal but then it says --

A. Branch to branch?

543. Q. Yeah, br to -- Yeah, branch to branch.

A. M'hm.

544. Q. So that might be different than withdrawing cash. I think it's probably transferring it to another branch, but do you have any idea what these --

A. I just know like my account when I -- I have RBC so when I move it from -- I think that's what it says. Not the 3802 but the br to br, isn't that when it goes from like a chequing to savings?

545. Q. Right, so it might be a transfer to a different account.

MS KENNEDY: Or a wire. Or a -- or a draft.

BY MR. MCGRATH:

546. Q. But you know the other ones didn't say that. But just stopping here, any --

A. No.

547. Q. -- any reason you could think of for these amounts? No. And there's another cash withdrawal on August 24th, same page, for $3,500. Again you can't think of an explanation for that?

A. No, no.

548. Q. Okay, if we go to the next tab, Tab E, Page 2 of 25, on August 28th there's four cash withdrawals, branch to branch --

A. M'hm.

549. Q. -- in a row there. No -- And sitting here right now you can't explain, you know, what the purpose for those transfers was --

A. Right.

550. Q. -- was, right?

A. No, no, no. I -- I mean it -- it's important for you guys to go through this line by line but I didn't -- I didn't know the passwords to RBC. I didn't, you know, do anything on the banking side of things at all, ever in the 12 years I was there.

551. Q. Yeah, I understand --

A. Yeah, yeah. No, I --

552. Q. -- that to be the case. We're almost done so it's --

A. That's okay.

553. Q. If you can just go to Page 4 of this tab,

September 1st just starts with four branch-to-branch -- five branch-to-branch transfers between $1,000 and $10,000.

A. M'hm.

554. Q. You can't think of an explanation for that?

A. No.

555. Q. And then last tab, Tab F, go to Page 2 of 25. So the very last line there's a cash withdrawal of $200 but then if you flip the page, same date there are -- there are three more cash withdrawals at the top there and we get back up into, you know, a $39,000 one, a $51,000 one. No explanation you -- And those aren't branch to branch, that's just -- looks like to us a straight cash withdrawal.

A. Yeah.

556. Q. Any explanation you can think of for that?

A. No.

557. Q. And then the last one is on Page 12. On October 25th you'll see a cash withdrawal at about the middle of the page for $54,000 and change. No explanation you can think of for that, right?

A. No.

558. Q. Okay. There are also a number of credit cards that were paid from this particular account --

A. Right.

559. Q. -- including personal credit cards that seem to be in Mr. Waddell's personal name. Did you ever use -- Or I'll ask you more generally.

A. Sure.

560. Q. How did the credit card usage work for the business?

A. If -- I would get a card if I had to go run up to Esso, grab gas for the car. Or --

561. Q. The card -- the card that you would grab, would it always be in Clonsilla's name or did sometimes you use Hugh's personal one?

A. It might have been in Hugh's personal one as well.

562. Q. Okay.

A. I wouldn't -- I wouldn't really -- To be honest, yes, probably, but I didn't really check. It was just whatever the one he handed to me, to be honest.

563. Q. Did you ever use your personal credit cards for the business?

A. If I did it would have been very seldom.

564. Q. Okay.

A. I certainly didn't -- I'm sure I -- I remember I had -- This was a long, long time ago so this isn't like the case study of '23, but I had to go pick up a Bentley for a customer in Chicago, and -- or like, you know, in

Toronto, but I used my card for the whole trip and then he cut me a cheque at the end.

565. Q. Okay.

A. That's not a regular occurrence. I think maybe in '23 if we're -- that's all we really care about, maybe very -- like if -- if one or two, that would be like -- it wasn't like a regular occurrence.

566. Q. Okay.

A. But I I even know if that's --

567. Q. So where -- where were the credit cards kept?

A. In his -- usually like right here, actually.

568. Q. In his pocket?

A. In his pocket. Yeah, yeah.

569. Q. What about when he was in Florida?

A. They would like be in his drawer. Yeah, like in his top drawer.

570. Q. Okay.

A. Or some of -- one of the family members would have the cards.

571. Q. So if you're like sitting there and you need to go get gas, if he's there you ask him.

A. M'hm.

572. Q. If -- Sorry, it's "yes" or "no" for --

A. Yes, yes, yes.

573. Q. And if he's not there, you just ask -- you know,

if one of his kids are there you'd ask them or --

A. Yeah, or like he would leave it in Maryanne's -- like he would leave it in the back with Maryanne or Gerald would have it. Like it would be in a drawer, kinda sittin' there for -- you know, if we needed it.

574. Q. Okay.

A. I know our service lady put out a bunch of cash for gas sometimes and wouldn't get it back for a while, but anyways -- I tried not to use my own money that way.

575. Q. Okay. I want to show you some agreements now. I'll just get myself organized first. I'm gonna show you now a lease agreement.

A. Yeah.

576. Q. It says at the top -- or the -- the name, the customer name is Sarah Rose Mason and Dwayne --

A. Okay.

577. Q. -- Elliott Mason.

A. Okay.

578. Q. And the date is June 19th, 2023.

A. Right.

579. Q. So is this sort of the standard -

A. Yeah.

580. Q. -- form?

A. Yeah.

581. Q. You're used to seeing these?

A. Yup.

582. Q. And so I sort of asked you this more generally at the beginning --

A. Right.

583. Q. -- but so you would go out with the customer on the lot --

A. Yeah.

584. Q. -- they're interested in buying --

A. Yeah.

585. Q. -- or leasing a vehicle. You would make the -- run their credit, make sure that everything was all right with Hugh, get the approval, and then you'd enter into a formal contract like this with them?

A. Correct.

586. Q. Okay, and are you the one who would fill in the information that we see typed in this?

A. Yeah, it would be in that Velocity program.

587. Q. Okay, so you'd open up Velocity and you'd enter the information. I guess it would have -- Does it prompt you for the entries? Just sort of go --

A. Yeah, like it would be like their information, the vehicle information --

588. Q. Okay.

A. -- and then you would put in the, you know, lease terms, warranty, that sort of thing. Money down.

Like all these -- you know, digits or whatever. You know, this calculation was -- it's been a minute since I worked there but a lot of these were done automatically, right?

589. Q. Okay.

A. Put in the term and then it would generate the payment, right?

590. Q. And then so is it -- Anytime I see your name as the salesperson's name in the bottom left there --

A. M'hm.

591. Q. -- does that mean you're probably the one who populated that -- the agreement?

A. Yeah, yeah, yeah. Like I would make all the numbers and stuff.

592. Q. Is that your signature under Salesperson's Signature?

A. Yeah.

593. Q. And then is it always Hugh Waddell who sort of accepts it on behalf --

A. For the most part I think either Hugh or Gerald.

594. Q. Okay, it would be one of those two who would sign for the lessor.

A. Right.

595. Q. And is -- That's Hugh's signature under Acceptor's Signature?

A. Yeah, I would think so.

596. Q. You recognize it?

A. Yeah.

597. Q. Okay, and then the customer signs -- is it twice under the --

A. Yeah, yeah.

598. Q. Okay, so about there around in the middle under the Option to Purchase?

A. Right.

599. Q. And then they sign again at the bottom?

A. That's right.

600. Q. Okay. Do you remember these people at all, Sarah Mason and Dwayne --

A. No.

601. Q. -- Mason?

A. I -- I knew you guys would ask if I remembered specific names, and like maybe an older customer or something I might remember but, you know, if you're putting up -- if you're putting together 20 kind of customers a month, specifically I wouldn't remember a --

602. Q. Okay.

A. -- you know. I mean I could try if you have some other ones.

603. Q. No, that's fair.

A. Yeah.

604. Q. I'm gonna show you now another agreement. This

one's dated June 28th --

A. M'hm.

605. Q. -- so just nine days later from the one that we've just looked at --

A. Okay.

606. Q. -- and again it's Sarah Rose Mason, except the other one had another Mason's name and this one is just for Sarah. You see that?

A. Yeah.

607. Q. And that still -- That's still your signature on the bottom, right?

A. Like under my name?

608. Q. Under your name.

A. Yeah. I think so.

609. Q. Okay, so is it that Sarah leased, you know, two vehicles within nine days?

A. That I couldn't -- I mean if you're looking at the contracts that's what it looks like, right?

610. Q. That would be odd, right?

A. Yes. We -- I mean it certainly seems odd.

611. Q. I'm gonna show you an insurance document.

A. M'hm.

612. Q. So I've just passed you -- It says Belair Insurance.

A. Okay.

613. Q. Do you see that? It says --

A. Yeah, yeah, yeah, yeah.

614. Q. -- Belair Direct. Clonsilla Auto Sales and the Sarah Mason's name is at the top --

A. Right.

615. Q. -- as well.

A. Yeah.

616. Q. So is this a document that you'd be used to seeing, this sort of proof of insurance?

A. Yeah, yeah. They're all kind of different, like different companies are different, but yeah, that's a pretty standard one.

617. Q. All right, so you'd need that because you want to make sure that the vehicle's insured before they drive away.

A. Right. Exactly, yeah.

618. Q. And you'll see -- So this is a GMC Yukon. That's the second agreement we saw --

A. Yeah.

619. Q. -- right?

A. Yup.

620. Q. Do you know whose signature that is above Authorized Representative at the bottom?

A. No.

621. Q. Okay, so certainly you would have had this

document. This is the type of document that gets uploaded to Velocity --

A. Correct.

622. Q. -- right?

A. Yeah.

623. Q. So the receiver invest -- as part of its investigation emailed Ms Mason about the two different agreements --

A. Right.

624. Q. -- being so close together, and she emailed back that response. So I'm showing you an email on April 30th, 2024 at 12:45 p.m., and she says "The only contract I put any penmanship to is the Silverado truck," that's the first one we looked at.

A. So you're saying this isn't the car that she took.

625. Q. Right, so it looks to us like the Yukon agreement is not one that she ever signed, and if you look at her signature on the two --

A. I noticed that right away.

626. Q. -- it's different, right?

A. Yeah.

627. Q. And so she also sent proof of her insurance with that email that shows that, you know, she has the Silverado insured but not the -- not the GMC.

So do you have any explanation then for the second agreement, the Yukon one that --

A. No.

628. Q. -- that she says she didn't sign.

A. No.

629. Q. Do you know how -- how it could happen that there gets to be an agreement that's been uploaded to Velocity that the customer hasn't seen or signed?

A. No. No.

630. Q. No idea?

A. No. Like how -- how could it get -- how could there be two cars and one's not delivered, or not her contract?

631. Q. Right. So one explanation is that there was a -- you know, a fake agreement that was --

A. It appears to be so.

632. Q. Right?

A. Yeah.

633. Q. And so I guess my question to you is did you ever create any fake --

A. No.

634. Q. -- agreements?

A. No.

635. Q. Did you know that anybody was creating fake agreements?

A. No. And I mean, you know, again this is a year ago so I don't know but if I -- if I put it in the printer and uploaded it -- if -- I'm not saying this one, I don't know, but I wouldn't know that this was -- I mean now it's kind of -- No. The answer's no.

636. Q. Well, you would know, right, because you're the one that has to sign the salesperson's signature, right?

A. Well, I would sign -- I created the document for Sarah in the first one here. If I created one and -- and I would bring them to Hugh, you know, if -- Sometimes he would need or sometimes they would need other situations where I would just do the document and then hand it over to Hugh, so I wouldn't do any of the other stuff other than dealing with the document at the beginning, right?

637. Q. Right, so take this example, this exact case.

A. Sure.

638. Q. So the first one she says she got the Silverado.

A. Yeah.

639. Q. So you filled out that agreement, you talked to her.

A. Yeah. I don't even know if that's me signing it.

640. Q. So you're pointing to the second agreement that -- the June 28th one --

A. Yeah.

641. Q. -- for the Yukon, and you're saying you're not sure if you -- if that's even your signature.

A. No.

642. Q. Okay. How else -- Who else would have the power -- Let's imagine this is a fake agreement that was created in --

A. Right.

643. Q. -- the dealership. Who could it have been who would have created a fake agreement?

A. Anybody in that spot.

644. Q. So who is that?

A. I mean I would think any of the Waddells. I would think anybody really that worked there.

645. Q. So is it that works there? Gerald we talked about --

A. Gerald, Hugh, you know --

646. Q. Maryanne?

A. Maryanne.

647. Q. Yourself, the other -- the Waddell children. Anybody else?

A. That would be the extent.

648. Q. Who uploaded documents to Velocity? Did -- Who was in like --

A. I would like the most part of those, to be honest.

649. Q. Who else knew how to do it?

A. I feel like everybody knew how to do it.

650. Q. Everyone we just talked about --

A. Yeah.

651. Q. -- knew how to do it?

A. I mean it -- it's not a really complicated process. You would just photocopy the -- the paper and then like attach -- you know when if you attach an email, like you would attach it to the Velocity back end.

652. Q. Okay, so your evidence is that you would -- you never signed a lease agreement that wasn't a legitimate --

A. I wouldn't --

653. Q. -- lease for a customer.

A. No, no. No.

654. Q. Okay.

MR. MCGRATH: I'm gonna mark all of those documents. I have them together on my end so I'm gonna mark it collectively as Exhibit 4, I think we're up to.

THE REPORTER: Exhibit 4.

MR. MCGRATH: And so that'll be -- we'll call that the -- the Mason documents.

EXHIBIT 4: Bundle of Mason documents

BY MR. MCGRATH:

655. Q. Okay, I'm gonna show you now another agreement. The name at the top here is Dylan Shawn Robert Ingham.

A. Okay.

656. Q. Ingham is i-n-g-h-a-m. The date is June 24th, 2023. Do you remember -- and I'll ask you just in case you do --

A. Every time, yeah. No.

657. Q. Okay, so this is for a Hyundai Elantra --

A. Right.

658. Q. -- 2018. Under your name with Salesperson's Signature, does that look like your --

A. Yeah.

659. Q. -- signature to you?

A. I mean I guess it could be.

660. Q. Whether you actually signed it or not, that looks like your signature, right?

A. Yeah. I'm startin' to wonder -- Yeah, it looks --

661. Q. Okay, and so if we go into the records that Velocity had, you'll see a certificate of insurance again.

A. Right.

662. Q. So you see June 23rd, 2023, the insurer's CAA Insurance Company, Clonsilla, we got Dylan Ingham, 2018 Hyundai Elantra. So this looks pretty standard, right? This is a --

A. M'hm.

663. Q. -- what you would expect to see?

A. Yup.

664. Q. Okay, and then I'm gonna show you an email that we received from Surex. So if you look on the previous page the broker was actually Surex Direct --

A. Right.

665. Q. -- top right corner.

A. Yeah, yeah.

666. Q. So we emailed Surex and they got back to us. This is an email dated April 29th, 2024. It says "This client and policy number is not in our system. We reached out to CAA and confirmed that this is not a Surex policy --"

A. Right.

667. Q. -- et cetera, et cetera. So it looks like they have no record of that insurance certificate --

A. Yeah.

668. Q. -- being legitimate either.

A. Right.

669. Q. So I'll ask you did you ever have any instance, whether it be this one or any other, where you created false insurance certificates?

A. No.

670. Q. Did you ever hear of anybody else doing that?

A. I would -- I would think that this is not cool but, no. No, no. How many files are there?

671. Q. That I'm going to ask you about today, you mean?

A. No, no, I just mean are these all similar to --

MS KENNEDY: We'll get there.

THE DEPONENT: Okay.

BY MR. MCGRATH:

672. Q. Sorry, I just don't understand the question but we'll keep going. The receiver also reached out to Mr. Ingham and got a response from him. So I'm showing you an email dated April 25th, 2024 where he was shown the documents I just showed you, and he responds that "That's not my signature. I've never signed anything with them nor agreed to anything listed in the documentation you sent me. It appears they forged my name," and he goes on and on.

So if we -- if I look back at the lease agreement --

A. M'hm.

673. Q. -- with Mr. Ingham and he says he didn't sign this.

A. Right.

674. Q. Do you have any explanation for that, how this wound up in the system?

A. No.

675. Q. Certainly you didn't upload -- You could -- Do you have a memory of uploading this particular document?

A. We -- Unfortunately, I uploaded hundreds of

documents so I couldn't tell you specifically whether I uploaded this document or not.

676. Q. Did you ever authorize anyone to sign any of these forms for you?

A. What do you mean?

677. Q. Did you ever tell someone "Hey, you can put my signature on it"?

A. No. Like that sig -- like my signature?

678. Q. Right.

A. No.

679. Q. Did you ever sign any of them for anybody else?

A. No.

680. Q. Okay, so every time I see your signature for salesperson's signature, it should be --

A. It should be --

681. Q. -- you who signed it.

A. That's right.

682. Q. And same for Mr. Waddell, every time I see him as acceptor's signature, that should have been -- should be him who physically signed it.

A. Right.

683. Q. What would you do if he wasn’t there, if he was in Florida?

A. What would I do?

684. Q. Right.

A. I would not sign it.

685. Q. So what would you do? How would you sell -- how would you lease cars if he's not there to sign it?

A. How would we lease cars? Some of the other people sign them.

686. Q. So someone might sign his name for him.

A. Right.

687. Q. Okay, and who are the other people who might do that?

A. In the office?

688. Q. Well, were there people outside of the office who would do it?

A. No, no, no. I guess Gerald or Maryanne.

689. Q. Okay, anybody else?

A. No.

690. Q. All right, so I'll ask one last time. Any explain -- this appears to be a fraudulent lease that was uploaded --

A. Certainly does, yeah.

691. Q. -- so do you have any explanation, any understanding, any information that might help us understand how that -- that got uploaded to Velocity?

A. No. Like -- It's crazy.

692. Q. There should be a driver's licence for Mr. Ingham in the file, right?

A. Yeah. Yup.

693. Q. And so that would at least show whether he was in -- physically, you know --

A. Right.

694. Q. -- in the space or not?

A. Yeah. Is there?

695. Q. I don't -- I haven't seen it, no.

MR. MCGRATH: Okay, I'm gonna mark this as the next exhibit, Exhibit 5. It'll be the Ingham documents.

EXHIBIT 5: Bundle of Ingham documents

BY MR. MCGRATH:

696. Q. I'm gonna show you another one. The name is Garrett Jacob Bean.

A. M'hm.

697. Q. The date is June 15th, 2023. Do you remember Mr. -- a Mr. Bean?

A. No.

698. Q. This is for a Ford Fusion. So you have no memory of this agreement.

A. I mean all these -- Like maybe I remember Sarah actually but it's hard to -- I gotta be honest, it's hard to remember every single file.

699. Q. Is there anything -- If you just look at this agreement -- I'm just looking at the Bean agreement --

A. M'hm.

700. Q. -- is there anything about it that looks odd to you or different from how it normally would have been filled out or does it look like any other one that you'd have seen?

A. No, it looks pretty -- pretty standard, to be honest.

701. Q. Okay. I'm gonna show you, much like the last one, a certificate of insurance. This one's from Echelon Insurance.

A. Right.

702. Q. And you'll see the name of the insured is Garrett Bean for the 2014 --

A. Right.

703. Q. -- Ford Fusion. So again this would have been a -- something you would expect to be in the file --

A. Yeah.

704. Q. -- right?

A. Yeah, yeah.

705. Q. And then I'm just gonna show you an email exchange dated July 17th, 2024 with Ruby Tatla from Echelon Insurance.

A. M'hm.

706. Q. Tatla is t-a-t-l-a. And you'll see the attachment is Garrett Bean, letter to Echelon Insurance. She writes "Further to the attached I've checked with

underwriting and can confirm the certificate of insurance attached to your letter was not issued by Echelon Insurance and the policy number entered therein is not owned by Garrett Bean."

A. M'hm.

707. Q. So this looks like a --

A. A similar situation.

708. Q. -- to us like a similar situation.

A. Yeah.

709. Q. So do you have any explanation at all --

A. No.

710. Q. -- for how that could happen?

A. How -- Yeah, no.

711. Q. Did Hugh ever talk to you about trying to increase the number of leases in order to increase the amount of funding that the lenders would provide?

A. He always wanted more sales, you know. But that's not really what you're asking.

No, like just in a general -- like his asking me to move more units is kind of always the case, but never -- never anything else.

MR. MCGRATH: I'm gonna mark those documents as Exhibit 6, so it'll be the Bean documents.

EXHIBIT 6: Bundle of Bean documents

THE DEPONENT: Does it matter if I keep them in

order?

BY MR. MCGRATH:

712. Q. You can keep them for now anyway.

MS KENNEDY: I want to go back to one --

MR. MCGRATH: Oh, sure.

MS KENNEDY: -- after, so when you're done. Do you want me to --

MR. MCGRATH: You can do it now.

MS KENNEDY: -- for a minute?

MR. MCGRATH: Yeah.

BY MS KENNEDY:

713. Q. Can you pass me Ingham, and you can pull that one out.

A. Sure.

714. Q. So you see the date is --

A. June --

715. Q. -- June 24 --

A. Yeah.

716. Q. -- right? And so you said -- and I just want to go through a point.

A. Sure.

717. Q. On June 26th, so two days later --

A. Okay.

718. Q. -- this was scanned to the email address rasto@clonsillaautosales.com.

A. Okay.

719. Q. Did you do that scanning?

A. That's my email. Maybe.

720. Q. Did anyone else have access to your email?

A. I mean as we're talking about it, I mean my computer was either open or everybody knew the passwords or --

721. Q. Was there a history of other people using your computer?

A. I mean the kids were on the computer, like the -- like Taylor or Meggan would be on my computer.

722. Q. So the explanation for the scan of the Ingham documents --

A. I could have -- I -- I could have scanned them. Like I certainly could have scanned them and put them in the -- You know, if I had a file and that file was to be scanned and to be uploaded, you know, these ten doc -- these ten files are to be uploaded, then I would just scan, attach, scan, attach, scan, attach, scan, attach.

723. Q. Okay, so you're saying it was ordinary for part of your job for you to scan a lease --

A. Totally.

724. Q. -- and upload it into Velocity --

A. Oh, yeah.

725. Q. -- for which you were not involved.

A. I wouldn't really check them. Like if I -- if I'm not in -- If there was ten files I wouldn't check which ones I'm involved in and which -- Like I would just scan what was on my desk or what was in the file folders behind me.

726. Q. Okay, but at the beginning of the examination today one of the things you said that -- near the end, and this is June 2023 --

A. M'hm.

727. Q. -- you were the only salesperson. You or Hugh.

A. Right.

728. Q. Right? So if a lease was being entered into and you and Hugh are the only two people that do it, who else could have prepared these documents?

A. Oh, I would have probably wrote up the -- the paperwork and then -- like maybe not on this one but like the -- the -- the real Sarah Mason one. But someone else could have made the switches and -- But I --

I'm not saying I uploaded this other Sarah Mason one or not but --

729. Q. What do you mean "switches"?

A. Like it's obviously not the same car, right?

730. Q. Okay, let's look at Ingham.

A. So if he went into Sarah's -- Like if he -- If I -- as -- as you're showing me, if I'm creating these -- Or

do you want to go back to Ingham?

731. Q. No, I'm happy with this one.

A. If we're -- If I'm -- If this was the one that she had, right, and I maybe dealt with her, maybe didn't, but anyways someone could go into the file, delete that car, right, add a different car and print new documents quite easily. See what I mean?

BY MR. MCGRATH:

732. Q. Okay, let's go back to Ingham 'cause I -- I'm unclear. So let's talk about process maybe.

A. Sure.

733. Q. You get the agreement -- Let's talk about a legitimate one. You get the agreement with the person.

A. M'hm.

734. Q. You go to scan it.

A. M'hm.

735. Q. You scan it to your email?

A. Yeah.

736. Q. So you -- We have the same thing in our office. So you sort of choose which --

A. Right.

737. Q. -- email address --

A. -- email address it goes to.

738. Q. -- you want to send it to and you scan it to that person --

A. Yeah.

739. Q. -- and then it winds up in your inbox.

A. M'hm.

740. Q. You go to your computer, you upload it to Velocity?

A. Right.

741. Q. And what -- Do you just sort of like send them all to Velocity or do you create like a -- for the customer name, like a file in Velocity that you upload? How does that work?

A. Like so I would name it like -- you know, in the -- on the Xerox I would write like Sarah's ownership, Sarah's lease agreement, Sarah's whatever. And then I would scan them -- I sometimes did that; to be honest I didn't always do that but -- and then I would upload them to -- I'd kind of go in my email and then I would go into the Velocity thing and click "attach" and then --

742. Q. And it would be called Sarah's -- What would it be called in Velocity?

A. The file? Whatever I named it on the --

743. Q. What would you normally name them?

A. Like that, or if I was being lazy I wouldn't, if I'm being honest, but --

744. Q. So it would just be like an unnamed file?

A. Like Doc 1 or Doc 2 or --

745. Q. And are you saying that when you uploaded them you wouldn't even look at what you were up -- You'd have to look at them --

A. Well, I would know it was a lease. Like so --

746. Q. You'd know the customer's name, right?

A. I -- Frankly, I hate to say this but I really sometimes wouldn't. I would just take a file, upload it. You know, I know this is a lease, I know this is insurance, I know there's -- what an ownership looks like. And just -- If these are the five piles that need to get uploaded, let's upload them and move on to the next thing.

747. Q. Okay.

BY MS KENNEDY:

748. Q. I'm gonna break it down a little bit further than that.

A. Sure.

749. Q. Are you OMVIC licenced?

A. Yes.

750. Q. When you're OMVIC licenced is this your OMVIC number --

A. Correct.

751. Q. -- registration number?

A. Yeah.

752. Q. Okay, so you know that there are at that time only two people that are really salespeople.

A. Right.

753. Q. Right? And --

A. I think Meg's -- Yeah, yeah. Maybe Meg's a salesperson too but -- Anyway, she --

754. Q. Okay, at the time in June things are tight and it's probably getting towards a skeleton staff because there's not even enough money to pay you, and you're not getting cheques, right?

A. M'hm.

755. Q. You're not getting ADP anymore. Things are tricky. You are given leases to scan --

A. M'hm.

756. Q. -- and you scan them, correct?

A. Yes.

757. Q. And it has your name and your signature on it.

A. Okay.

758. Q. Okay? And that doesn't say to you that two days later -- Two days before, because this was signed two days before --

A. M'hm.

759. Q. -- and two days later you scan it into the system, you don't say "I never met with Dylan Robert -- Shawn Robert Ingham. This is not my signature." Something to -- You're saying "I just plain scanned them, threw them back in the folder." But you then load them

into Velocity and you still don't think -- it never occurs to you that this is not your signature and you didn't -- weren't involved.

A. I didn't really look at it, I gotta say. I would -- I would be scanning five or ten maybe at a time and if I -- you know, I probably scanned them in. And if I scanned them I wasn't looking --

760. Q. I am just going to be honest with you --

A. Sure.

761. Q. -- I am now going to make them go and look at every scan that you did that day.

A. Okay.

762. Q. So I'm expecting that on the 26th of June we're gonna see how many scans you did that day. Is that correct?

A. Well, I don’t know that one specifically but sometimes I would have a package of scans and I would do them. So if I scanned them in that day --

I'm not saying I scanned that one in, to be super clear. Like I --

763. Q. You're saying it could have been one of the Waddell children and they had access to your computer as well.

A. I don't know who it could have been. I'm just speculating --

764. Q. Okay.

A. -- so I don't want to get anybody else in trouble either. I'm not tryin' to like get one of the Waddell kids in trouble because they didn't do anything either. They're good people. But --

765. Q. I'm gonna ask it differently.

A. Sure.

766. Q. Was there ever a time that there was someone that we have not discussed today that was at the location, be it a Waddell family member, Gerald, Maryanne, or as I understand, people in the back that worked in the -- in the shop.

A. Not that I would know about.

767. Q. Okay.

A. Like not that I saw.

768. Q. It is likely --

A. Yeah.

769. Q. -- that if it wasn't you that scanned it --

A. Right.

770. Q. -- that someone who knew how to operate the scanning --

A. Right.

771. Q. -- scanned the document to your computer --

A. It's more likely that I scanned that in.

772. Q. Okay.

A. That's what I would think.

773. Q. But there is a possibility.

A. There is a possibility. It's --

774. Q. But it's most likely that you did scan this in.

A. Like I would scan, you know, files for Hugh. I would scan files for Gerald. Or whatever the -- the situation was, I was scanning them in. But -- Yeah, I didn't --

775. Q. I can tell you as I sit here today --

A. Yeah.

776. Q. -- having listened to Maryanne, I would assure you that I think Maryanne probably looked at every single thing that she scanned. You know, that's the type of person I believe her to be.

A. Sure.

777. Q. And you're saying you're not that type of person.

A. Unfortunately, I am not. I hate to be that stupid but --

778. Q. Okay, but you then take them and you load them into Velocity. I just find it hard to believe that you're looking at this and you're not saying "Hey, that's my name." You're just blindly scanning and then uploading.

A. I -- Honestly, I hate to -- Again, I don't -- I'm not very good at like looking at names so sometimes --

That could have been the guy I dealt with but I -- Or sorry, that one's not the person that was there, but yeah, I didn't -- I would just scan, honestly. Honestly, I would just scan it in, if I even scanned that one in so --

A. I don't know if I did scan that one or not but if I did, then I would have just scanned them in and moved on to the next file.

779. Q. Just a separate question then --

A. Sure.

780. Q. -- that's not part of the package. When a lease is made and an amortization schedule is created, is that done automatically through the Velocity system?

A. Yeah. Yeah, yeah, yeah.

781. Q. Did everyone know how to use the Velocity system?

A. Yes. Maybe. I would think so.

782. Q. Was there a login for the Velocity system?

A. Yeah, there was one or two, I think.

783. Q. Okay.

A. Except it was -- like you didn't have to put in the password, it was just open.

784. Q. Understood.

A. Do you know what I mean?

785. Q. M'hm.

MS KENNEDY: Those are my questions on Ingham. I

just wanted to follow up on that.

MR. MCGRATH: Okay, why don't we take a five-minute break.

Off the record at 12:16 p.m.

On the record at 12:33 p.m.

BY MR. MCGRATH:

786. Q. Mr. Scasny, I just want to go back to the Dylan Ingham file --

A. Yeah.

787. Q. -- that I think you still have with you. So you see that the date on the -- on the agreement --

A. Yeah.

788. Q. -- is June -- Sorry, I just I don't have it front of me anymore, so it's June --

A. June 24th.

789. Q. Twenty-fourth?

A. Yeah.

790. Q. And then the certificate of insurance I gave you was actually the day before, June 23rd, related to Mr. Ingham.

A. Okay.

791. Q. And then my colleague's going to show you -- there's an email exchange between it looks like you and Mr. Ingham on June 29th, but he's gonna show -- I don't have a paper copy of it, unfortunately.

A. Okay.

792. Q. He's gonna show it to you on his computer.

A. Is this the guy that the cops came for? No, okay. Sorry. "If you can get it down to 450 --"

MR. HARLAND: Sorry.

THE DEPONENT: That's okay.

MS KENNEDY: He can start at the bottom.

MR. HARLAND: That's the -- Yeah, start at the bottom. That's the email there that's gonna come up.

THE DEPONENT: Okay. So I'm dealing with Dylan, yes.

BY MR. MCGRATH:

793. Q. Right, so if you just follow the chain, I mean I think the most important thing I want to draw your attention to is the date. I mean this is --

A. After.

794. Q. -- June 29th --

A. Yeah, yeah, yeah.

795. Q. -- after the agreement we looked at. It looks like you're still negotiating with --

A. Right.

796. Q. -- Mr. Ingham. But --

A. So did Ingham -- did he get this car or not?

797. Q. I think not. He -- he sends that email --

A. "If you can get it down to 450 monthly --"

798. Q. He sent that email up to our investigators

saying he never signed anything or agreed to --

A. Right.

799. Q. -- anything.

A. Right. So I'm dealing with him after --

800. Q. After this agreement --

A. -- this agreement's already been --

801. Q. -- had been scanned --

A. Right.

802. Q. -- and uploaded to Velocity on June 26th.

A. Right, right, right.

803. Q. So maybe getting out of this agreement first --

A. Okay.

804. Q. -- we'll start there.

A. Yeah, yeah.

805. Q. Did you ever have -- Was the end of the month an important date? Were you ever trying to get, you know, sales up by the end of the month for lender purposes or any other reason to boost the numbers for the month?

A. I mean you're always trying to get numbers.

806. Q. But did it matter to you -- like did the end of the month matter or did --

A. It didn't really. Like I mean Hugh was always like "Let's get these deals in," or you know, whatever. Like sometimes he would hand me files and say "We need to get these deals in," into, you know, Velocity or whatever.

But yeah, there was I guess pressure and that. Sorry, I don't --

807. Q. I think you answered my question.

A. Yeah.

808. Q. So I -- So did it ever happen, can you ever think of an example where you thought there was gonna be a lease -- you know, you had some on your -- obviously you negotiated with them by email sometimes -- so were you ever in negotiations where you thought "Okay, he's gonna sign. I want this agreement in by the end of the month so I'm gonna upload it now and he'll sign it -- I'll do the deal -- I'll get the wet signature later by I'm gonna upload it now."

A. We would upload blanks that I kinda talked about earlier. So if there was something happening that was not signed I would upload the blank one that would be -- you know, so there was like a placeholder for the Dylan or whoever, right?

809. Q. Okay, and -- but you would never do it the way that it looks like this one was done --

A. Yeah.

810. Q. -- where -- where his signature --

A. I wouldn't sign it. Certainly not. And I -- You know, that -- Although that might look like my signature, like the -- the Rasto one.

811. Q. Okay. Well, like this -- so this one is a clear example 'cause you're obviously still negotiating with -- it's a real person but you're --

A. Right.

812. Q. -- you're negotiating with them after this has been scanned, it looks like to you.

A. M'hm.

813. Q. It's got your signature on it, it's --

A. Yeah.

814. Q. -- filled out, it's not right. So any explanation you can give me? Like try to -- I'm just trying to understand how this happens so --

A. Sure, yeah, yeah.

815. Q. -- any information you can give me would be helpful.

A. I agree.

816. Q. How does this happen?

A. That is a really good question that I don't have an answer to.

817. Q. Okay.

A. Yeah, it's not -- I don't have that answer, I'm sorry.

MR. MCGRATH: Okay, I'm going to mark that email exchange as the next exhibit. I don't have a paper copy here but we will get one. So I think that's

Exhibit 7.

EXHIBIT 7: Email exchange between Rasto Scasny and Dylan Ingham dated June 29 2023

THE DEPONENT: So did this go -- This was scanned to my email?

MS KENNEDY: Correct.

MR. MCGRATH: Correct.

THE DEPONENT: Right, okay.

MR. MCGRATH: It's a good point. So there is a record of that scan and so we'll make that the next exhibit, which is Exhibit 8. So that's the scan from June 26th, 2023 of the Ingham lease application.

EXHIBIT 8: Scan from June 26 2023 of the Dylan Ingham lease application

BY MR. MCGRATH:

818. Q. Okay, there's another document that my colleague found. I don't have a paper copy but he'll show you the electronic version of it.

A. M'hm.

819. Q. There is -- I think it's called a loan agreement.

MS KENNEDY: It's a share purchase agreement.

BY MR. MCGRATH:

820. Q. Share purchase agreement he's gonna show you on his iPad now.

A. M'hm. Okay, that was when -- back in 2021.

821. Q. Did you get a chance to look at that?

A. Yeah, yeah, yeah.

822. Q. So just for the record it's a share purchase agreement dated February 1st, 2021 between Hugh Waddell and yourself. Have you seen this agreement before?

A. No. This is what I was sending to my father maybe? Or is this from me?

823. Q. My colleague will correct me but I think this was in an email that you sent to your father.

A. Right.

824. Q. So he wanted to see what would have happen -- what would it look like if we would buy shares. And then again we decided in February 2021 -- we'd kind of circled back to do it again and then we decided not to do it again.

825. Q. Okay, can you look at the last page of that. Mr. Harland can help.

A. Mmm. Yeah, I see that it's --

826. Q. Look at the signature block. I mean is that your signature, first of all, above your name?

A. The bottom one?

827. Q. Right.

A. Yeah, my dad would have but Hugh never signed it.

828. Q. Right, so I see it's kind of printed -- Hugh's name is printed sort of above his --

A. We were gonna take this to a lawyer and get it like sorted out, and so I just wrote to my dad this is what it would look like should we do it. That's why -- He's not from Canada, he doesn't have the same kind of things. So I wrote to him "If we can do this, Hugh's name would be here, I would sign at the bottom, and so this is what the agreement would look like."

829. Q. Okay, but -- so there was no concluded agreement ever.

A. No, no. God, no. God, no.

MS KENNEDY: Can you pull up the email, please, that is where --

MR. HARLAND: Yeah.

MS KENNEDY: -- that goes with that document?

MR. MCGRATH: Okay, we're gonna pull up the email and before we do that I'll mark the share purchase agreement as the next exhibit. It's Exhibit Number 9.

EXHIBIT 9: Share Purchase Agreement

THE DEPONENT: Yeah, so this would be if -- Sorry. So if we -- This is really nothing. If we bought the 106 and bought 20 percent, we would have the 24 percent if I put in 500 -- Originally he wanted me to

put $500,000 in 2018. Then that wasn't gonna work so then it was gonna be 100,000. So this was literally a mock-up of if -- if we had bought the 500 and then had to buy another 100 for 4 percent, this was what it would look like.

Like this was never to any lawyers, this was just between me and my father. This is not even a real thing.

BY MS KENNEDY:

830. Q. Okay, 'cause on its face it appears that you're buying an additional 4 percent and now there's a new total ownership that you now own 24 percent.

A. That's me just writing. But there was a 20 percent buy, so there couldn't be a four percent buy. I never bought 20 percent. He offered me 20 percent for half a million bucks, which I never gave him so how could I buy 4 percent if I don't own the 20 percent.

831. Q. I don't know. That's why we're asking you --

A. That's why --

832. Q. -- questions --

A. Yeah, yeah.

833. Q. -- because you told us that you never bought any shares --

A. I didn't because this was the --

834. Q. -- and then --

A. -- discussion --

835. Q. -- we found an executed share purchase agreement --

A. That was --

836. Q. -- although arguably it doesn't appear that Hugh signed that --

A. No.

837. Q. -- based on the other documents.

A. No, he definitely didn't sign it. I don't even think Hugh knows about it because I was just mocking this up. I just created this document based on a different document he sent me, but this was just me literally mocking up what 20 percent would look like originally, and if we then bought 4 percent what that would look like.

And it was just a discussion between me and my father, nothing to do with like actually buying any stocks, by a thousand percent.

838. Q. Okay.

A. I really hope this is not an issue because I swear to God this is a really weird email and I know that that's what it appears like, but that was just me and my dad having like a business discussion, and in no way was that anything binding for -- you know, in any way at all.

BY MR. MCGRATH:

839. Q. Were you trying to make your dad think that you

had bought shares?

A. I was tryin' to figure out with my dad -- So we then decided to move the money and build the house, so that was where the money then went, so I built my house with it.

840. Q. Does your dad know that?

A. Does my dad know that?

841. Q. That the money didn't go to --

A. He knows --

842. Q. -- buy shares?

A. -- that the money went to the house, yeah.

843. Q. Okay.

A. 'Cause I had to buy the land and at that point -- I think that's --

But I really hope that that's not a point of a contention 'cause I promise that no -- that -- that money never even got exchanged, right? Like the $106,000 in that time.

844. Q. All right.

MR. MCGRATH: Any more about that?

MS KENNEDY: Right now, no. You can keep going. I may come back just with a couple more questions.

THE DEPONENT: Sure.

BY MR. MCGRATH:

845. Q. All right, I'm gonna show you -- I'm passing you

a lease agreement and disclosure statement. The name at the top is Jacob Peter Baggs.

A. Right.

846. Q. Baggs is b-a-g-g-s.

A. Okay.

847. Q. The month is April, April 21st, 2023. Do you -- First to all, do you remember Mr. Baggs at all?

A. No.

848. Q. I gave you three pages 'cause there's a lease addendum --

A. Right.

849. Q. -- with it that has a few more signatures. Did -- Excuse me. Did every lease agreement always have a lease addendum with it?

A. Yeah, yeah.

850. Q. And did they all look the same?

A. Yeah. Yeah, it was just a thing we printed.

851. Q. Okay, so if I'm looking at this lease agreement, that at least looks like your signature on the front page, bottom left?

A. Yup.

852. Q. And then the lease addendum, the last page, that looks like your signature as well next to your name?

A. Yup. I want -- Yeah.

853. Q. Okay, so that was for a Chevrolet Silverado.

I'm gonna show you now a second agreement.

A. Peter Baggs? Oh, it's the same person.

854. Q. Same person. So still Jacob Peter Baggs, same date on this one as well, April 21st. But you'll see the car has changed, it's a Chevrolet Cruze now --

A. Right.

855. Q. -- instead of a Silverado, and there's no signature on this one for salesperson's signature.

A. Right.

856. Q. But if you look to the addendum --

A. It's got --

857. Q. -- you'll see it's got your name and it's -- there is a signature there --

A. Right.

858. Q. -- next to your name. Does that look like your signature?

A. Yeah. Maybe, I guess. I don't know.

859. Q. Would it be usual for someone to come in and lease two cars on the same day?

A. This was the same day, eh? No.

860. Q. Did it ever happen that you can remember, that someone would lease two cars --

A. Maybe like a person and his wife. Or a business -- Yeah -- No, not really. No. Maybe. I don't know.

861. Q. But it's unusual enough that you --

A. Very unusual, certainly, yeah.

862. Q. -- that it would probably stick in your mind?

A. Yeah, yeah, yeah. So these both got uploaded?

863. Q. Yes. April 21st, 2023.

A. And did they both get these cars or no?

864. Q. So I'm gonna show you an email from Mr. Baggs.

A. Is this the guy that was -- There was one guy that came in I remember that was like -- there was a story but we thought it was somebody else and then he signed a contract and then we didn't give him the car, I think. Then there was like a police report filed. But I don't know if it was this guy.

865. Q. I don't think it was this guy 'cause, you know, he says the Chevy Cruze is accurate --

A. But the truck is --

866. Q. -- but "the Silverado's signed by someone else. Not my signature," he says.

A. Right. And the signatures are not the same.

867. Q. Yeah, I think he's probably got a point. They look different to me. So -- And you know, there's one that doesn't have your signature on the front page but that's the one that he says is the legitimate one.

A. Okay.

868. Q. It's the Silverado one he says is not. So is there any explanation that you can give us for our

investigation for how this supposedly fraudulent --

A. Thing happened?

869. Q. -- lease got created.

A. Yeah. No.

870. Q. Is this news to you sitting here? Like is this a surprise to you that this happened?

A. The fact that there is all this signature, yeah. Like this -- all these signatures and uploads and -- I mean -- I guess not the uploads part 'cause that -- You know -- But how would --

So let me understand this. If this car is not sold and this is -- Which one -- Wait -- Which one was that? This one?

871. Q. The Silverado is the one he says he didn't lease.

A. That he didn't lease. So if the Silverado is not leased, 'kay, and it's still on the lot and then we leased it, so who has it now?

BY MS KENNEDY:

872. Q. That's a good question.

A. So you guys – or you guys don't know? Or do we know where the car --

873. Q. Do you know where the cars are that are missing?

A. No.

874. Q. Do you have any idea --

A. Not --

875. Q. -- of anyone that may have --

A. Cars?

876. Q. -- additional collateral that is subject to the security interest of Equity --

A. No.

877. Q. -- or of People's?

A. No. The only ones I bought out -- 'cause we have a new car company, we've bought out one or two leases from North Lake. So we bought the loan out. So we've done those.

BY MR. MCGRATH:

878. Q. When you say "we have a new car company," who are you talking about?

A. Like Kawartha Auto Group. I have a business partner that -- he doesn't work there, he just funded some of the money. But we do sub-prime -- like similar to what I did for the last 12 years.

879. Q. Is Hugh Waddell involved in that?

A. God, no. Not at all.

880. Q. Do you --

MS KENNEDY: Can I jump in --

MR. MCGRATH: Sure.

MS KENNEDY: -- for a bit?

BY MS KENNEDY:

881. Q. Are you aware of Mr. Waddell having any cars that used to belong to Clonsilla at any property that he owns?

A. No.

882. Q. Have you been to his home?

A. Once or twice to kind of talk to them, 'cause I'd like my money back. But that's it, really.

883. Q. Are there any vehicles on the property?

A. I think there's cars there.

884. Q. How many cars?

A. I didn't count.

885. Q. If you estimated in an order of magnitude would you say five, ten, fifteen?

A. No, like a couple.

886. Q. Two or three?

A. Yeah, like the regular -- They have that house on the hill right, on the farm?

887. Q. Yeah.

A. And so just up that street, like maybe two or three.

888. Q. Was there anywhere else that you ever kept cars that would be subject to the security interests of formerly Enlightened and now People's?

A. No. Or I wouldn't know. As soon as that whole

thing kicked off, I remember Jaylon emailed me or texted me, I can't remember at the time 'cause I was driving a Ram -- I don't know if you remember that part?

MR. ALLEYNE: Yeah, I remember this.

THE DEPONENT: And the moment he was like "I need it back," I was like "I'm done with this shit."

Like I -- I -- Again, I didn't even really know -- I had to Google what a receivership was. But I -- The moment I saw that these things were goin' bad "Here's all the stuff back." I went and financed my own car. I started my own company 'cause that's what I knew in the moment, and, you know --

Just on a personal note – and you guys are lawyers and that doesn't -- you know, I mean you've got to keep the personal out of it, but like I gave Hugh all my goddamn money, and then right at the end I gave him more money. And then I lost my job and I have all these bills and then I had to start from scratch.

And there was a car for Maryanne and I financed that Hugh -- but I -- like a lease. And I talked to OMVIC about it and they were like "You know what, that's okay." And then there was a car for Taylor that I also did a lease for 'cause frankly I think their father took all their shit too, right?

So I did that, but, you know, as soon as I saw what was going on -- like I mean I guess it was kind of falling slowly, not getting paid and everything else, but I was like "... assets back. I don't care. That's not my stuff." You know? The truck I brought back immediately, like the next day, and then figured out a different ride and whatever.

But yeah, I have no idea where any cars are except for the ones from the customers that call me and they want to buy out a lease, which I've done. You know, kind of followed the exact order of what should be done.

BY MS KENNEDY:

889. Q. So just on the Maryanne point, as I understand it Maryanne owned her car outright.

A. [Inaudible answer]

890. Q. You have to say "yes" or "no."

A. Yes.

891. Q. And a lease was then put on her car --

A. This is what I heard, yes.

892. Q. -- correct? And then the proceeds of that lease -- 'cause that lease was uploaded into Velocity --

A. Right.

893. Q. -- and the lender then financed that lease.

A. Right.

894. Q. Right? But Maryanne already owned that car. It wasn't a Clonsilla car to lease, right?

A. Again, I don't know the nuances of how that happened but I know she -- you know, on a personal level came to me and was -- like I -- I don’t know if you guys took the car or whatever the situation was but she didn't have a car because there was another loan on a car that she had paid off.

895. Q. Right. Just making sure we are all talking about the same --

A. The same.

896. Q. Yeah.

A. It was the Rav, I think. She had a Rav 4.

BY MR. MCGRATH:

897. Q. Yeah.

A. Maryanne's Rav.

898. Q. Did you say you did something similar for Taylor too?

A. Yeah, Taylor didn't have a car either and so I put a lease on an Avalanche so that he could make payments to the new company so that he could have a car. So like --

And again, to take all of this shit out of it, you know, a friend has been destroyed and a co-worker that I worked with very closely has been destroyed. And I have a

new business partner that can fund -- We're not -- not at the nearest scale of things but -- doing a couple of deals, so if I can do that for them, I have. You know, so --

BY MS KENNEDY:

899. Q. Who do you mean when you refer to your friend, Maryanne or Taylor or Hugh?

A. Sorry, friend that I leased the vehicles to?

900. Q. Yeah.

A. Maryanne and Taylor. Yeah. I would consider Maryanne kind of a mother figure.

901. Q. Yeah.

A. So anyways, she's -- Everybody's been pretty hurt by this so --

BY MR. MCGRATH:

902. Q. Do you have any business relationship with Hugh anymore?

A. The only -- So I talked to OMVIC about this early on as well. I want my money back out of that house, right? So either it's that connection --

903. Q. Yeah.

A. -- aside from that, and you know, the unsecured money that I probably will never get or never see again -- which has certainly put a wedge between my father and I, on a personal note -- but anyways aside from that, no.

Yeah, I'm just --

But I do need to speak -- This is confidential, right? You're not gonna go tell Hugh that I hate him?

904. Q. I'm not gonna go tell Hugh that -- that you hate him, no. I mean a record is gonna be made of everything that we speak about today and --

A. Right.

905. Q. -- so that could end up in court records down the road.

A. Neat. I just want -- Honestly, like -- Yeah, I just want -- I just want my money back and I want to move on with the rest of my life. That's all I want. And as much money of it -- obviously it's probably not gonna be all of it, but anyways, that's kind of where I want to be.

906. Q. Okay, understood.

MR. MCGRATH: I don't think I marked the Baggs documents as an exhibit, so I'll mark them as Exhibit 10, I think?

THE REPORTER: Yes, Exhibit 10.

EXHIBIT 10: Bundle of Baggs documents

MS KENNEDY: I just want to go over something.

MR. MCGRATH: Sure.

MS KENNEDY: Can you just pull up the share purchase agreement?

BY MS KENNEDY:

907. Q. Yeah, so Mr. Harland's gonna show you another document.

A. Yeah. Right, right.

908. Q. And this is another share purchase agreement.

A. Right, right.

909. Q. And so this is --

A. This is the one with the 500K, right?

910. Q. Five hundred and thirty thousand.

A. Yeah. So this is the original discussion. This is what we were talking about. Again, I -- I sent this to my dad.

MR. HARLAND: No, this is a PDF file.

THE DEPONENT: Oh. This is what I would have sent to my dad again outlining where I sign, where he would sign and --

BY MS KENNEDY:

911. Q. So if you go to Page 4 it does appear to be signed by -- well, you can let me know if that's your signature, and it does appear to be Hugh's signature.

A. I think I just wrote those letters, HW and RB, just so my dad could understand where -- 'Cause I think I sent this to him -- maybe not from the company email, maybe from my own email, but again we were just discussing what would be and how it would look should the thing then

go to a lawyer. I never gave him 530 grand, so obviously I didn't buy it. This was again just a discussion.

912. Q. Well, there -- The next document, if you keep scrolling, is the unanimous shareholder agreement that is both signed by you and Mr. Waddell, and witnessed by Meggan Waddell and Shelby Owen. And I'm assuming Shelby, maybe that's your wife?

A. Yeah, yeah, yeah. Yeah, so again this was us bringing this out but then it never, never happened. Like I'm just showing my dad those are -- I'm just showing my dad where everything is and what it all has to look like if -- should we do it. This is not -- this isn't even a document -- this was never registered anywhere, this is not a document that we did --

913. Q. Shareholding agreements don't get registered.

A. I don't even know that but -- but I never gave him $530,000, I'll tell you that. So I never really did anything.

914. Q. Okay, did your dad give you $530,000 based on this contract?

A. No.

915. Q. No? Okay.

A. I wish.

MS KENNEDY: It’ll go back over to you.

MR. MCGRATH: We'll mark those as the next exhibit,

please. Exhibit 11. It's a share purchase agreement and unanimous shareholders agreement. I think they're both dated June 18th, 2019.

EXHIBIT 11: Share Purchase Agreement and Unanimous Shareholders Agreement dated June 18 2019

THE DEPONENT: Just so we're clear, then I would have to give him in June of 2018 [sic] $530,000, right? And --

BY MR. MCGRATH:

916. Q. That's what it looks like.

A. -- and so I didn't.

917. Q. It just seems odd. Like why would you go through all the trouble of having witnesses sign it and things? I mean --

A. Because my dad wants to see -- He's very particular. He wants to see exactly how this was all gonna look.

918. Q. Okay.

BY MS KENNEDY:

919. Q. These documents are very clearly prepared by a lawyer.

A. These documents he gave me.

920. Q. Who gave you?

A. Hugh.

921. Q. Correct, so these documents have been prepared

by a lawyer.

A. Well, my dad doesn't -- and again for good reason, my dad never trusted anything he goddamn did because frankly --

And so that would have had to be registered somewhere, right? To a lawyer, to the government. I don't know. You guys know the -- the rules, right? I don't know. I don't know the rules but that would have had to have gone somewhere after that.

So I was literally just showing him -- I don't even think that's -- like that's just -- that's just a piece of paper that I -- between me and my father, and Hugh at that moment 'cause that was the plan but -- Yeah, that never, ever, ever, happened.

922. Q. Okay.

MR. MCGRATH: All right, can we just go off the record for a minute?

Off the record at 1:08 p.m.

On the record at 1:13 p.m.

BY MR. MCGRATH:

923. Q. I'm gonna show you another one of the lease agreements. This one's with Victoria Watson and --

A. M'hm.

924. Q. -- Dwayne Visneskie.

A. I actually remember them.

925. Q. Okay, what do you remember about them?

A. I think they got two or three cars with us.

926. Q. Okay, do you remember anything else about them?

A. Like I remember -- I think we bought this Titanium Edge for them at an auction. Like I think -- I feel like Dwayne messaged me and said "Okay, I need a," you know, whatever, "Ford Edge," so we found him this one, I think. I think it -- Yeah.

927. Q. Do you know Dwayne? Like --

A. Like --

928. Q. -- how do you know Dwayne?

A. As a customer.

929. Q. Just as a customer?

A. Yeah, yeah, yeah.

930. Q. So but he said that he needed and Edge and you found one, is that what you said?

A. Yeah. I think that's it, yeah.

931. Q. Okay. I'm gonna ask you a question about this email. It's an email exchange, it starts with you on the bottom, August 10th, saying "Hey, Victoria, I forgot to get pictures --"

A. Yeah, yeah, yeah. We needed photos for NextGear.

932. Q. So can you just explain that to me, please?

A. The -- Like we needed it for the one -- Like

NextGear was the floor planner, I guess is what they called them, so they funded the -- I don't even know. But anyways, Hugh just told me I needed photos for the -- for the car 'cause we were supposed to take the photos at the office and not somewhere else, and so I don't think he could get there or something.

933. Q. You were supposed to take photos of every car that you leased or was it --

A. Not for us but for NextGear. So this was -- 'member I said that when I -- or NextGear -- or what was the other one -- there was another finance -- or like a floor planner that I assume were -- from what I understand from floor planning, and again I'm just kind of talking, is that they were the cars for -- when we were buying them he didn't have the cash to buy them so he would floor plan them. And I guess I -- if you like he told me -- he did this a little bit sometimes, is that, you know, the lender needed -- or not the lender but NextGear needed photos for that car so we needed to get the customer in and take some photos and then just email him the photos.

BY MS KENNEDY:

934. Q. Do you know why they needed photos?

A. No. He would -- Sometimes we'd need a number for them so that they'd like could authenticate it. Do you know what I mean? Like sometimes it would be -- or

for the most part it would be -- they would print -- or we would print out an -- Oh, AFC was the other one, AFC and NextGear -- we would print out a number or word of the day so the customer would pop in, we would take photos of the car, I'd send them to Hugh, and then he did what he needed to do with them. Either I --

935. Q. Is that because the car was supposed to be on the lot?

A. I didn't -- Either there was -- The story sometimes was that the tranch hadn't come in and so he couldn't pay it out until the tranch would come in, and the tranch was coming in Friday and it was Wednesday so we just needed to take photos of the vehicles until the tranch could pay the car off or whatever.

936. Q. Okay.

MR. MCGRATH: Could we just mark those documents as the next exhibit, please. We're at number 12, let's call those the Watson documents.

EXHIBIT 12: Bundle of Watson documents

BY MR. MCGRATH:

937. Q. I'm showing you a lease agreement with Joel Jackson dated May 25th, 2023.

A. M'hm.

938. Q. Did -- Do you remember Joel Jackson at all?

A. No.

939. Q. This is for an Infiniti --

A. JX --

940. Q. -- JX35.

A. -- 35. Yeah.

941. Q. And so you'll see the confirmation of insurance document.

A. M'hm.

942. Q. I'm gonna show you it's for a 2013 Infiniti JX35 for Joel Jackson. McKenzie Holland is another name on it.

A. Right.

943. Q. So again just like the last ones we looked at, this is a relatively typical document you'd expect to see?

A. Yeah, probably.

944. Q. And as part of the investigation we tried to track down confirmation of that insurance.

A. Right.

945. Q. And there's a letter I'm showing you now from Desjardins Insurance, May 2nd, 2024.

A. Same as kind of the other ones.

946. Q. Right, same as the other ones.

A. Yeah.

947. Q. It's confirming that that's not a legitimate --

A. Right.

948. Q. -- insurance document. So do you have any explanation for how this incorrect insurance document got

uploaded to Velocity?

A. Certainly not.

949. Q. Well, same as the other ones, you just can't really explain it but it -- was it you --

A. I don't want to say that I didn't upload it. I gotta be honest, you know. If a file got put on my desk -- a file got put on my desk, or you know, it was part of the uploads. I -- Sometimes I'd have one, sometimes I'd have five and --

950. Q. Okay, but you never knowingly uploaded anything that --

A. No.

951. Q. -- you knew was incorrect --

A. That's right.

952. Q. -- right?

A. That's right.

953. Q. How would you get these insurance letters that we're looking at, like where would they come from?

A. They'd be in the file or some -- like the insurance people would get -- they'd get faxed in or -- or emailed in, you know. So just depends.

954. Q. So forget about the ones we've just gone over but in the -- in the normal cases are you the one who's trying to track down the insurance letter, making sure that there's insurance in place --

A. I would just make sure that there's an insurance letter in the file. So you know, again I -- we had this checklist at the beginning and it was bm-bm-bm-bm, all these documents in the -- And I -- I honestly never was checking whether the documents were right or not. It was kind of like -- I was just checking that they were there.

955. Q. But did you say the insurance certificates sometimes you'd get them directly from the insurance companies or --

A. Yeah, sometimes I'd get an email, sometimes a customer would email them to me, sometimes it would get faxed in, sometimes -- sometimes -- to be honest, I -- sometimes I didn't ask how they got there, they were just there, right? I --

956. Q. So it could be someone else in the office who got them.

A. Yeah, someone else could have gotten the fax or the file -- or the printout that came through the fax machine and throws it on my -- you know, throws it in the file or on my desk and then I would look at it and say "Oh, Joel," throw it in Joel's file and then kind of move to the next one.

MR. MCGRATH: Okay, I'd like to mark that package of documents as the next exhibit. It's Exhibit 13 are the Jackson documents.

EXHIBIT 13: Bundle of Jackson documents

THE DEPONENT: So, sorry, did Joel get a car or he didn't get a car?

BY MR. MCGRATH:

957. Q. I don't have an email from Joel.

A. Oh.

958. Q. No, the insurance certificate is --

A. And like where is something like this car? Or do you guys have this car?

MR. ALLEYNE: Which vehicle was it?

THE DEPONENT: The Infiniti JX35.

MR. ALLEYNE: I think that was sold.

THE DEPONENT: That was sold. By you guys or by us?

MR. ALLEYNE: By you.

THE DEPONENT: To somebody else?

MR. ALLEYNE: To a car dealership.

THE DEPONENT: To a car dealership.

MR. ALLEYNE: Yeah.

THE DEPONENT: Like --

MR. ALLEYNE: Auto Connect.

THE DEPONENT: -- to Auto Connect?

MR. ALLEYNE: Yeah.

THE DEPONENT: 'Cause there was a bunch that went over there. I remember that. So you were saying he got funded this money and then sold it to Auto

Connect? So it got funded, right? This got funded, yeah?

BY MR. MCGRATH:

959. Q. This got uploaded to Velocity.

A. Yeah.

960. Q. Okay, I've got another one for you. The name on this agreement is Stephen --

A. -- Stephen Lusk.

961. Q. -- with a p-h --

A. Yeah.

962. Q. -- Victor Lusk.

A. M'hm.

963. Q. The date is April 25th, 2023.

A. I think Steve got a -- not a Land Rover. I think Steve has like a Ram or something.

964. Q. Do you know him?

A. No. I -- you know, as a customer but --

965. Q. Okay, so do you remember him though?

A. Yeah, he's a nice guy. I don’t know if he traded a car in or not but -- I don’t know. Yeah. Yeah, I think he's done at least two deals if not three.

966. Q. Okay, but you don't remember leasing a Land Rover to him.

A. No. If I'm being honest I feel like this was the Land Rover that they were driving.

967. Q. Who's "they"?

A. Like Hugh.

968. Q. So there was a certificate of insurance in the file like for the other ones.

A. And fake?

969. Q. Pardon me?

A. And fake?

970. Q. I'm about to show you a letter from Echelon Insurance saying that this policy wasn't issued by Echelon Insurance. So same questions as before, do you have any idea how this improper -- I'm gonna call it improper --

A. Right.

971. Q. -- certificate got uploaded --

A. No.

972. Q. -- to Velocity?

A. No. And then did this get sold again too, to a dealer?

973. Q. I suspect this is the same situation where it gets sold again after. I mean we can go off the record and try to track it down if it's of interest to you --

A. I don't care. I'm just wondering -- Sorry, I'm just connecting some dots.

MR. ALLEYNE: We sold this one.

THE DEPONENT: You sold it?

MR. ALLEYNE: Yeah.

BY MR. MCGRATH:

974. Q. It certainly wasn't -- doesn't seem to have been leased to Mr. Lusk --

A. Sure.

975. Q. -- so --

MR. MCGRATH: We'll mark those documents as the next exhibit. I think we're up to 14?

THE REPORTER: Yes, 14.

MR. MCGRATH: So those will be the Lusk documents. Lusk is l-u-s-k.

EXHIBIT 14: Bundle of Lusk documents

BY MR. MCGRATH:

976. Q. Okay, so you've seen a bit of a pattern.

A. M'hm.

977. Q. Those are the ones that I wanted to show you today.

A. Right.

978. Q. I've asked you the question before but I'll also ask you --

A. Sure.

979. Q. -- one last time. Did you have any knowledge at all at the time that there were these --

A. Fake leases?

980. Q. -- fake leases or certificates --

A. No.

981. Q. -- of insurance?

A. No.

982. Q. Do you have any idea who would have known or who would have been doing that?

A. No.

983. Q. So some of those -- all of them, I think, that we looked at right -- just now are between April and July --

A. Right.

984. Q. -- 2023. During that time did anything change in the dealership or was anything suspicious going on that sort of was setting off any alarm bells in your head?

A. I'll tell you, if -- Unfortunately not, because if there was then I wouldn't have lent him the money. So that -- Yeah, that's -- that would be my answer.

Like if I thought the money was in danger I wouldn't have lent him the money, which in retrospect, obviously -- Had I had this package in -- the day before I gave him the money I wouldn't have gave him the money because this is obviously -- and the bank statements with all the cash coming out and all that crazy shit, like if I'd have known that then I wouldn't have gave him the money.

985. Q. Is there anything about the business at Clonsilla that -- that you found suspicious or off or odd that we haven't -- that we haven't covered today?

A. No. I -- No. I mean there's -- No, no, not -- I went in -- Listen, I, in the stupidest way possible, went in, did the stuff that I was asked to do, worked pretty hard. You know, was overwhelmed with work most of the time, and you know, I've got little kids at home, wife, everything else, and you know --

And until really that portion as you talk about in 2023 everything he -- everything was good. He was good to me. And I'm not saying he wasn't good to me even at the end, I just want my goddamn money back and move on with -- or at that point I didn't know it was falling but like -- but now that -- in retrospect I just feel like everything was kind of misdirection, to be honest.

986. Q. Are you in contact with Hugh these days, or like how often do you -- to you talk to him?

A. Not a lot. Again, only in the mortgage thing.

987. Q. You're trying to get your money --

A. I'm just trying --

988. Q. -- back.

A. -- to get my money back.

989. Q. Okay. I would ask you not to speak to anyone who we talked about today about what we talked about today.

A. Fair.

990. Q. Our investigation is ongoing.

A. M'hm.

991. Q. We're probably going to examine more people and it's just going to help us if --

A. I don't.

992. Q. -- you don't talk to them.

A. That's fair. I actually -- So again, I mean I don't need this to be in court documents but like in November I didn't -- you know, I was still kind of -- and my dad told me this, "You're still being naïve. You're trusting the words of this person," and the further away we get from November, like --

You know, it breaks my heart but I put in a lot of years to a family that was my family, and like now even my best friend is kind of not my best friend anymore because of what his fucking father did. And like that is -- on like just a personal level that is inexcusable.

And so I don't -- I didn't know I was gonna do this but -- I didn't want to. I just -- He hurt a lot of people and so --

Sorry, back to -- I didn't -- I haven't told him -- you know, in maybe January I would have been like "Hey, Hugh," you know, I -- I -- 'cause I didn't know any of this still until -- you know, I would have been like "Hey, you're kinda still my old mentor, and -- and -- and a good guy," but the further I get away from this shit the -- the

more I see like --

So I don't have contact with them except I want my money back and -- Yeah. And I care about like my friend. But anyways -- Sorry.

MS KENNEDY: I have three topics. I will be fast.

BY MS KENNEDY:

993. Q. In -- You were friends with Taylor Waddell --

A. Yeah.

994. Q. -- throughout the period that you worked there --

A. Right.

995. Q. -- right?

A. Yeah.

996. Q. And through that you probably had some understanding of their maybe family dynamics?

A. Well, I thought I did until all the skeletons started comin' out of the closet. But, yeah.

997. Q. Did Taylor lend money to Clonsilla?

A. I think Taylor -- Yeah, yeah, yeah, Taylor lent his dad money. That number I really never got out of how much that was but I -- but Taylor -- Certainly when the whole thing crashed, now he's working a nine to five job he inherited a bunch of money, so -- You know, he spent some it certainly on stupid stuff but I think he lent his dad a bunch and from what I understand his dad lost that

for him as well.

998. Q. Okay. Nothing to do with the fraudulent documents --

A. M'hm.

999. Q. -- I have -- I have two things that I just want to ask you just about the receivership.

A. M'hm.

1000. Q. For -- Were you ever in your role as a salesperson like pushed to sell the Canada general warranties?

A. Well, we got kickbacks on them, so --

1001. Q. Yeah, okay, and were you aware that Hugh was not paying those --

A. Yeah, Gerry was pretty stressed out again, so a whole fuss at the end so I think he was out a bunch of money. I -- In the new company -- so when I opened the new company I met with Gerry and I also decided again -- not anything wrong with Gerry but I don't want any ties. And I wasn't sure what Gerry's involvement was and I'm still not sure -- you know, with Hugh, so I decided not to go with that warranty company with the new company because again, I don't want to deal with any of the stuff that has been dealt with. I don't want to deal with the same people even though some of them might to be involved, I just don’t know who is and who isn't, so --

1002. Q. Do you recall a lessee named Travis Barcier? He also went by --

A. Yeah.

1003. Q. -- Tyson Leader.

A. Yeah, yeah, yeah.

1004. Q. Do you have information about that sort of transaction?

A. About the Ram? Yeah, he traded in the Ram and he got a Warlock, he got another Ram. And that was really all I knew.

1005. Q. Is there any reason why Hugh would be in contact with Travis like after the receivership as well?

A. We found out that that was not -- so I don't know if should really talk about this but I -- So we found out that Travis Barcier -- Wait. Travis Barcier, what's the other -- Tyson Leader was a criminal that did some really bad things and --

1006. Q. Correct.

A. -- after we figured out that that was the same person -- Now, to be fair, I don't think Hugh knew that was the same person. 'Cause they leased a car to him back in the day --

1007. Q. Under his first name.

A. -- under his regular name.

1008. Q. M'hm.

A. And then -- then there was a new name. I don't know why, maybe 'cause he went to jail or whatever -- this is just hearsay, I don't actually know the specifics -- but I remember finding out and like Maryanne and I were like pretty pissed about it. Not --

I don't think Hugh knew. I think that guy mighta lied, so I don't know who knew what but certainly it was that person. I --

On a real level I don't know that Hugh would have had any dealings with him business-wise aside from the car, but again, those $196,000 cash withdrawals changed my perspective daily so --

Sorry, that was a ramble on.

1009. Q. That's okay.

MS KENNEDY: Can we take a two-minute break and let me just check with the team to see, but then I think we're probably gonna come back and say that we're hopefully done.

Off the record at 1:34 p.m.

On the record at 1:35 p.m.

MR. MCGRATH: So, Mr. Scasny, thank you very much for your time, I really appreciate it. And that concludes our questions for today.
