SECTION 2 – SALE OF ASSETS AND EXCLUDED EQUIPMENT

2.1 Sale of Assets

The Receiver shall use its reasonable efforts to seek all court orders contemplated herein in a timely manner. Effective upon the issuance of the Authorization and Approval Order, the Receiver hereby appoints the Agent, and the Agent hereby agrees to serve, as the Receiver's agent for the limited purpose of conducting the Auction pursuant to the terms of this Agreement. The Agent, in a commercially reasonable manner and otherwise in accordance with the terms and conditions of this Agreement, shall sell the Assets for and on behalf of the Receiver, by way

of public auction or auctions (the "Auction") to be held by no later than forty-five (45) days after the granting of the Authorization and Approval Order or such later date as may be agreed to in writing by the Receiver and the Agent (the "Auction Date") or, by private sale from the Debtor's Premises, but in any event by no later than the expiry of the Liquidation Period. The Agent further agrees that payment terms for all sales shall be by cash, debit, credit card, wire transfer, certified cheque or a draft drawn on a major Canadian bank. Without limiting any other rights of the Receiver pursuant to this Agreement but subject to the Agent's rights under Section 2.3(2) the Agent acknowledges that the Receiver may, in its sole and unfettered discretion, exclude any Assets made available for sale from the Transaction if such Assets are subject to an actual, pending or threatened claim by a third party or if the Receiver determines in its sole and unfettered discretion, such Assets are damaged, provided the Receiver provides written notice to the Agent describing such Assets prior to the sale of such Assets by the Agent.

2.2 As Is, Where Is

The Agent acknowledges that it has made such inspections of the Assets as it deems appropriate and it is understood that the Assets are to be sold by the Agent on an "as is, where is" basis, at the Agent's and purchaser's own risk, and that the Receiver has not and will not make any representation, warranty or condition, whether statutory (including, without limitation, under the *Sale of Goods Act* or similar legislation), express or implied, oral or written, legal, equitable, collateral or otherwise, as to title, encumbrances, fitness for purpose, marketability, condition, quantity or quality thereof or in respect of any other matter or thing whatsoever. Any descriptions provided to purchasers or prospective purchasers by the Agent's sales staff, which may include former employees of the Debtor hired by the Agent, shall be given solely on behalf of the Agent in its own capacity and not as agent for the Receiver, and the Receiver shall have no obligations with respect thereto. The Agent agrees that the auction terms will provide that all sales are final, and that signs will be prominently displayed at the Debtor's Premises advising purchasers that all sales are final.

2.3 Net Minimum Guarantee

(1) The Agent guarantees that the proceeds (net of any Sales Taxes and Buyer's Premium collected) to be paid to the Receiver for the Receiver's account as a result of the sale of the Assets shall not be less than **\$18,700,000.00**, subject to adjustment as set out in Section 2.3(2) (the "Net Minimum Guaranteed Amount"), notwithstanding that the actual proceeds generated from the sale of the Assets may be less than the Net Minimum Guaranteed Amount.

(2) If the Receiver includes any property of the Debtor that is not an "Asset" or excludes any Assets otherwise to be made available for sale from the Transaction pursuant to Section 2.1, the Net Minimum Guaranteed Amount shall be increased or reduced, as applicable, by the lesser of (i) 100% of the average of the "low" and "high" estimated value for such Asset set out in the appraisal of substantially all of the material Assets provided by the Agent on June 17, 2015 (the "Appraisal"), and (ii) the actual proceeds of the sale of such Asset. In the event that the Appraisal does not include an appraised value for the subject assets, the Agent and the Receiver shall negotiate in good faith in an attempt to reach agreement as to such adjustments. Except in the limited circumstances set out in this Section 2.3(2) determined by the Receiver in its sole

discretion, there shall be no downward adjustment to the Net Minimum Guaranteed Amount for any reasons whatsoever.

2.4 Payment of Net Minimum Guaranteed Amount

(1) Upon or within two (2) Business Days of the execution of this Agreement and in any event prior to 3:30 p.m. Calgary time on June 29, 2015, the Agent shall pay the Receiver an amount equal to twenty percent (20%) of the Net Minimum Guaranteed Amount (the "Deposit"). The Deposit (and any interest accrued thereon) shall be credited as a partial payment of the Net Minimum Guaranteed Amount and will be immediately released to the Receiver upon issuance of the Authorization and Approval Order. The Deposit shall, at all times prior to its release or return in accordance with the terms of this Agreement, be held by the Receiver in escrow in a segregated interest bearing account and in accordance with the terms of this Agreement, and, except for interest collected on the Deposit, no other money or funds shall be commingled in such account.

(2) The Agent acknowledges that the Receiver intends to, at the same time as making the application for the Authorization and Approval Order, make an application to the Court to distribute the Deposit and all other amounts payable to the Receiver under this Agreement (collectively, the "Distributions") to Wells Fargo Bank, National Association, as administrative agent for Debtor's senior secured lenders ("Wells Fargo") or such other persons entitled to receive any portion of the Distributions in priority to Wells Fargo. The Agent agrees that it shall have no claims against the Receiver or Wells Fargo and no right to trace all or any portion of the Distributions from the Receiver or Wells Fargo. The Agent further agrees that it shall not, at any hearing for the purpose of obtaining Court approval for a distribution by the Receiver of all or any portion of the Distributions, protest the distribution of all or any portion of the Distributions to Wells Fargo regardless of the nature of any claim or priority to the Distributions that the Agent may assert.

(3) In the event that (i) this Agreement is not approved by the Court on terms satisfactory to the Agent, acting reasonably, at the time of the initial application to the Court as contemplated in Section 4.1(a); or (ii) a Superior Bid is approved by the Court in lieu of this Agreement, as contemplated herein; or (iii) the Authorization and Approval Order is not issued by the Court within ten (10) Business Days after the Court hears the Receiver's motion seeking the Authorization and Approval Order on the approval hearing date contemplated in the Bid Solicitation Process, then the Deposit (and any interest accrued thereon) shall be returned in full to the Agent in accordance with Section 2.20 and the Agreement shall be deemed to be terminated. If the Agent commits any material breach of its obligations under this Agreement that is not cured within five (5) Business Days of receiving written notice of the breach by the Receiver, then the Agent shall have forfeited the Deposit to the Receiver. Delivery of the Deposit to the Receiver in accordance with the foregoing shall not constitute full compensation of any and all losses and expenses incurred by the Receiver, shall not constitute liquidated damages, and Receiver reserves the right to pursue any and all other remedies available at law or equity.

(4) The balance of the Net Minimum Guaranteed Amount and the Receiver's Recovery Amount, if any, shall be paid by the Agent to the Receiver as part of the Weekly Sale Reconciliation in accordance with Section 2.6. The Agent shall have paid the balance of the Net

Minimum Guaranteed Amount to the Receiver before the Agent shall be entitled to receive any payments or amounts from the proceeds of the Assets other than the Buyer's Premium actually collected. Notwithstanding any other term or condition or the failure of the Auction to generate any proceeds, the Agent shall pay the balance of the Net Minimum Guaranteed Amount and the Receiver's Recovery Amount, if any, to the Receiver no later than the earlier of (a) ten (10) Business Days after the completion of the auction, and (b) September 25, 2015.

(5) All monies payable to the Receiver shall be paid to the Receiver by certified cheque, wire transfer or draft drawn on a chartered Canadian bank.

2.5 Buyer's Premium

The Agent shall be entitled to charge the Buyer's Premium to purchasers upon the sale of the Assets. The amounts payable to the Agent on account of Buyer's Premium shall be retained and paid over by the Receiver and the Agent in accordance with this Agreement.

2.6 Trust Account

(1) The Agent and the Receiver shall establish one or more joint accounts with a Canadian chartered bank used exclusively in connection with receipts and disbursements made in accordance with this Agreement (the "Account"). The Account shall be in the name of both the Agent and the Receiver. All proceeds (including Sales Taxes, Buyer's Premium, and any deposits paid to the Agent by purchasers) from the sale of Assets, whether by auction or private sale, shall be deposited on a daily basis to the Account. Disbursements from the Account, including for remittance of Sales Taxes, may only be made by cheque or wire transfer signed by the Receiver and the Agent. The Agent and the Receiver will distribute all funds on deposit in the Account representing proceeds from the sale of Assets as follows:

- (a) to the Receiver, until the Receiver receives payment of the Net Minimum Guaranteed Amount (net of Sales Taxes but after crediting the Deposit and all interest earned thereon);
- (b) thereafter, to the Agent until the Agent has received the Agent's Expense Reimbursement and the Buyer's Premium net of Sales Taxes;
- (c) thereafter, the Receiver shall receive 100 % of such funds, net of Sales Taxes.

(2) The Agent shall distribute the funds owed to the Receiver hereunder without setoff, deduction or withholding of any kind, on a regular basis, but not less than weekly.

2.7 Accounting for Sale Proceeds

(1) On each Wednesday during the Liquidation Period, commencing on the second Wednesday after the Commencement Date (the "Weekly Sale Reconciliation"), the Agent and the Receiver shall cooperate to reconcile all receipts, Sales Taxes, Buyer's Premium collected from the sale of Assets, the Agent's Expense Reimbursement, and such other sale-related items as either party shall reasonably request (collectively, "Accounting Items"), in each case for the prior week or partial week (i.e. Sunday through Saturday), all pursuant to procedures agreed

upon by the Receiver and the Agent. Proceeds shall be paid to the Receiver and the Agent weekly on the last Business Day of the week by wire transfer, commencing on the second Friday after the Commencement Date. Proceeds shall be disbursed to the Receiver and the Agent in accordance with Section 2.6.

(2) The Agent shall provide the Receiver with a complete and detailed final accounting with respect to the sale of all Assets and other Accounting Items within twenty-one (21) days following the end of the Liquidation Period (the "Accounting Deadline").

(3) The Agent acknowledges that the Receiver intends to share with Wells Fargo and potentially other secured creditors of the Debtor all weekly reconciliations and the final accounting provided for in Subsections (1) and (2) above and the Agent hereby consents to the Receiver's disclosure of such information to Wells Fargo and such other secured creditors.

2.8 Access to Debtor's Premises

Subject to Section 2.9, the Receiver shall ensure that the Agent has access to the Assets and Debtor's Premises, without charge during the Liquidation Period, for the purposes of carrying out the Transaction as contemplated under this Agreement during the Liquidation Period. For greater certainty and subject to Section 2.9, during the Liquidation Period, the Agent shall have rent-free use of the Debtor's Premises.

2.9 Obligations with Respect to Debtor's Premises and Assets

(1) The Agent shall deliver vacant possession of each of the Debtor's Premises on or before the Termination Date.

(2) The Agent agrees to leave the Debtor's Premises in a clean and broom-swept condition and shall be responsible for all costs of clean-up of the Debtor's Premises. Notwithstanding the foregoing, the Agent shall not be responsible for the costs of: (i) removal, clean-up or disposition of any of the Debtor's books and records, (ii) the costs of waste disposal bins and dumping charges, and (iii) any environmentally hazardous chemicals or substances found at the Debtor's Premises, save and except to the extent that any discharge or spill of any environmentally hazardous chemicals or substances is caused by the Agent or Persons for whom it is responsible.

(3) The Agent agrees to act in a prudent manner while at the Debtor's Premises and the Debtor's Premises and Assets shall be maintained by the Agent in the same state of repair as existed as at the commencement of the Liquidation Period, reasonable wear and tear excepted. The Agent undertakes to restore the Debtor's Premises to their condition as at the commencement of the Liquidation Period and to repair any damages caused by the Agent, its invitees or anyone for whom it is in law responsible during the Liquidation Period at its sole expense forthwith but in any event, before the expiry of the Liquidation Period. For greater certainty, the Agent shall not be responsible for repairing any damages existing prior to the Commencement Date, except any such damages caused by the Agent, its invitees or anyone for whom it is in law responsible prior to the Commencement Date.

(4) The Receiver and the Agent, acting reasonably, agree to conduct periodic inspections of each of the Debtor's Premises to identify any damage caused after the commencement of the

Liquidation Period and, without limiting the foregoing, in respect of each of the Debtor's Premises the Receiver and Agent shall conduct an interim inspection by not later than three (3) days prior to the date that the Agent is required to vacate such premises in accordance with Section 2.9(1) (the "Interim Inspection"). The Agent shall immediately conduct or cause to be conducted all repairs, restoration and clean-up of the Debtor's Premises identified as being required pursuant to the Interim Inspection and complete such work prior to the expiry of the Liquidation Period. After the Interim Inspection and on the final day of the Agent's intended occupancy of the applicable Debtor's Premises in accordance with Section 2.9(1), the Receiver and the Agent shall conduct a final inspection of the condition of each of the Debtor's Premises noting and identifying any deficiencies or damage to the Debtor's Premises caused during the Liquidation Period that has not been repaired, restored or completed by the Agent to the standard required pursuant to this Section 2.9.

(5) The Agent agrees to maintain the Assets in a prudent manner and the Agent undertakes to repair any damages caused to the Assets (reasonable wear and tear exempted) by the Agent, its invitees or anyone for whom it is in law responsible during the Liquidation Period at its sole expense forthwith but in any event, before the expiry of the Liquidation Period. For greater certainty, the Agent shall not be responsible for repairing any damage to the Assets existing prior to the Commencement Date, except any such damages caused by the Agent, its invitees or anyone for whom it is in law responsible prior to the Commencement Date.

(6) The Agent further agrees to indemnify, defend and hold the Receiver and the Debtor and their employees, agents and representatives (collectively, the "Indemnified Parties") harmless from and against all claims for damages, losses, injury or costs resulting from a breach of its obligations under this section and for damages, losses or injury caused to property or persons through the actions or negligence of the Agent, its invitees or anyone for whom it is in law responsible.

(1) The Agent will be responsible for arranging third-party liability insurance with respect to the Agent's access to and use of the Debtor's Premises during the Liquidation Period and shall be responsible for the costs of such insurance. The third party liability insurance shall provide for not less than \$2,000,000.00 coverage per occurrence. The Agent shall provide proof of such insurance to the Receiver.

(2) The Receiver shall maintain the existing insurance coverage against loss of or damage to the Assets and shall be responsible for the costs of such insurance until the earlier of (i) the date the Agent has vacated the Debtor's Premises, and (ii) the expiry of the Liquidation Period.

(3) In the event that all or any material part of the Assets are destroyed or damaged by fire or other casualty or stolen at any time prior to the sale of such Assets, the insurance proceeds attributable to such damaged Assets shall be deemed to be the proceeds of the sale of such Assets for the purposes of this Agreement and, for greater certainty, shall be included for the purposes of distributing funds in accordance with Section 2.6. The Receiver and the Agent agree not to settle any insurance claim without the prior written consent of the other, such consent not to be unreasonably withheld.

2.17 Extension of Credit

In the event that the Agent extends credit (other than by way of credit cards) to any purchaser, the Agent will be responsible for all related credit risks and costs thereof.

2.18 Extended Sales

In the event there are any unsold Assets remaining at the end of the Liquidation Period, the Agent shall, at its own cost, move such Assets to a location or locations to be agreed upon with the Receiver for subsequent sale and the proceeds (net of any Sales Taxes collected) shall be treated as sale proceeds in accordance with Section 2.6 hereof. Once the Agent has paid to the Receiver the Net Minimum Guaranteed Amount, the Receiver and the Agent may agree that the Receiver shall transfer title in and to any unsold Asset to the Agent. The form of any Bill of Sale to be delivered to the Agent in the event that the Receiver exercises this option shall be in the form attached hereto as Schedule 2.18. The Authorization and Approval Order shall provide that title to any such remaining Assets sold to the Agent shall vest in the Agent free and clear.

2.19 Movement of Assets

The Agent shall not remove any Assets from the Debtor's Premises prior to sale without the prior written consent of the Receiver, which consent shall not be unreasonably withheld. The

Agent agrees to indemnify, defend and hold the Indemnified Parties harmless from and against any losses, damages, costs or claims caused by or resulting from the removal or transportation of the Assets. The Agent shall be responsible for the costs of any such move, including without limitation, any insurance, permit or licence costs.

2.20 Break-Up Fee; Superior Bid; Appraisal Costs

This Agreement is subject to other offers presented to the Receiver in accordance with the Bid Solicitation Process. In the event that the Court determines that an offer submitted pursuant to the Bid Solicitation Process is a Superior Bid (as defined below) and approves such offer in lieu of this Agreement, then Receiver shall within one (1) Business Day return the Deposit (and any interest accrued thereon) to the Agent and pay to the Agent, by wire transfer of immediately available funds, a break-up fee in the amount of one percent (1%) of the Net Minimum Guaranteed Amount under this Agreement (the "Break-Up Fee") and the Appraisal Costs. The Break-Up Fee, the return of the Deposit and a reimbursement of the Appraisal Costs by the Receiver shall be the Agent's sole remedy as a result of the Receiver proceeding with a Superior Bid in lieu of the Transactions contemplated by this Agreement. For purposes of this Agreement, a "Superior Bid" shall mean (1) in the case of a superior net minimum guarantee auction proposal, a credible offer that (i) is a higher or better bid than set out in this Agreement provided that the net minimum guaranteed amount in such bid exceeds the Net Minimum Guaranteed Amount in this Agreement by not less than the amount of the Break-Up Fee plus \$200,000 with no materially unfavourable changes having been made to the other economic terms in this Agreement (ii) made by a recognized, reputable and credit worthy North American liquidator, (iii) otherwise incorporates all or substantially all of the terms and conditions of this Agreement, and (iv) otherwise complies with the Bid Solicitation Process, and (2) in the case of a superior Asset purchase bid, a credible offer to acquire all or substantially all of the Assets (i) that is an all cash offer the Receiver reasonably believes should realize net cash proceeds greater than the net cash proceeds reasonably expected to be realized by the Transaction, (ii) made by a creditworthy bidder determined by the Receiver to be qualified to participate in the process by the Receiver, (iii) is on a "as is, where is" basis with no more onerous representations or warranties by the Receiver than contained in this Agreement and contains no material holdbacks or downward purchase price adjustments that could lead to a lower realization of net proceeds than contemplated by this Agreement, (iv) is reasonably expected by the Receiver to be completed prior to the Termination Date set out in this Agreement.

2.21 Auction

In the event that the Receiver receives one or more Superior Bid(s) prior to the bid deadline set out in the Bid Solicitation Process, the Receiver shall invite the bidder(s) that submitted such Superior Bid(s) and the Agent to an auction and such auction shall be conducted by the Receiver at the Receiver's offices on July 17, 2015 in accordance with auction procedures to be established by Receiver.

- (b) after the conclusion of the Bid Solicitation Process and on or before the commencement of the Liquidation Period, an order in form and substance acceptable to the Receiver and the Agent, each acting reasonably, shall have been made by the Court (i) declaring this Agreement to be the successful bid (ii) authorizing and approving this Agreement and the Transaction, (ii) providing that upon the Agent completing the sale of any of the Assets to a purchaser, in accordance with the terms of the this Agreement, and delivering a bill of sale to the purchaser (the "Purchaser Bill of Sale"), all right, title and interest of the Debtor in and to the asset(s) described in the Purchaser Bill of Sale shall be vested in such purchaser, free and clear of all claims and encumbrances, and (iii) approving and authorizing, at the Receiver's election, the vesting of any remaining unsold Assets in and to the Agent pursuant to Section 2.18 (Extended Sales) (the "Authorization and Approval Order") and such order shall have been obtained by no later than July 29, 2015; and

- (c) as at the commencement of the Liquidation Period, the Authorization and Approval Order shall not have been stayed, varied or vacated, and no order shall have been issued and no action or proceeding shall be pending to restrain or prohibit the completion of the Transaction.

If the conditions set out above are not satisfied by the time provided therefore (or have not been waived by the Receiver or the Agent as applicable), then this Agreement shall be terminated without any penalty or liability whatsoever to the Receiver or the Agent, other than the return of the Deposit and Appraisal Costs reimbursement by the Receiver to the Agent, but without cost or other compensation.

The Auction shall be conducted pursuant to Auction procedures developed and adopted by the Receiver.

The Successful Bid and the Backup Bid (if applicable) shall be approved by the Court at the Approval Hearing.
