## **STATEMENT OF UNREALIZED PROPERTY**

8. As at the date of this report, the following Property remains to be realized by the Receiver:
  - a. Proceeds of \$281,894 from three transactions involving the sale of bison owned by the Company by a related partnership, GWG Trucking, where no apparent consideration was paid to the Company; and
  - b. Missing bison and equipment, or the proceeds related to the sale of these assets. Based on a review of the Company's asset registers and the Receiver's inventory of assets taken upon its appointment, it appears that there are a large number of bison and several pieces of equipment that are unaccounted for. Mr. Grabher was the sole shareholder of the Company and operator of the ranch. Mr. Grabher has failed to provide the Receiver with any substantive information in relation to the sale/movement of the missing bison and assets.
9. The Receiver has filed a Notice of Civil Claim in respect of the above noted matters and has made various requests for information from legal counsel for GWG Trucking. The timing for completion of the Receivership Proceedings is unknown at this time and will depend on the Receiver's progress related to its investigations and recovery actions.
10. Further details regarding the Receiver's activities and administration of the Receivership Proceedings are detailed in the Receiver's Second Report to Court dated November 2, 2020, which is available for viewing on the Receiver's website noted in paragraph 2 above.
11. Any queries in relation to this report may be directed to Paul Chambers on 604-640-3368.
