**REPORT ON THE PLAN OF COMPROMISE OF CALIFORNIA COMPRESSION, LLC (“CAL”,
or the “Plan Debtor”)**

SUBMITTED BY DELOITTE RESTRUCTURING INC. IN ITS CAPACITY AS MONITOR

I. INTRODUCTION

1. The purpose of this report (the “**Report on the Plan of CAL**”) is to provide the Affected

Creditors with all relevant and necessary information in connection with the Plan of Compromise filed by the Plan Debtor (the "**Plan**"), the Creditors' Meeting and the Monitor's recommendation that the Affected Creditors vote in favor of the approval of the Plan.

2. Unless otherwise defined, all capitalized terms used herein shall have the meaning given to them in the Plan.
3. Since the beginning of the CCAA Proceedings, on September 29, 2022, the Monitor has prepared detailed reports which are accessible on the Monitor's website at the following address: <https://www.insolvencies.deloitte.ca/Xebec>. The Report on the Plan of CAL should be read in conjunction with the previous reports including in particular the Twelfth Report.
4. Furthermore, an updated chronology of the CCAA Proceedings, similar in format to the chronology provided in previous reports, is attached hereto as **Appendix A**.
5. This Report on the Plan of CAL is prepared in connection with the requirement under Section 23(1)(d.1) CCAA based on information that has been made available to the Monitor.

II. OVERVIEW OF THE PLAN OF COMPROMISE

6. On November 1, 2023, the Court issued the Plan Filing and Meeting Order authorizing the filing of the Plan and the convening of the Creditors' Meeting.
7. The primary purpose of the Plan is to provide for the compromise and settlement of the Affected Claims. The Plan provides for the distribution of the Distribution Proceeds to the Affected Creditors in full and final settlement of the Affected Claims.
8. In its Twelfth Report, the Monitor provides detailed information relating to the general structure of the Plans to be filed by the Plan Debtors to their respective Affected Creditors. Readers are encouraged to review the Twelfth Report which can be found on the Monitor's website.
9. This Report on the Plan of CAL contains only a summary of certain terms of the Plan. In case of any discrepancy, the terms of the Plan shall govern.

A. DESCRIPTION OF THE GENERAL STRUCTURE OF THE PLAN

10. Pursuant to the Plan, the Affected Creditors are Creditors of the Plan Debtor with an Affected Claim, but only with respect to and to the extent of such Affected Claim. Each Plan Debtor's Affected Creditors shall comprise a single class for purposes of considering and voting on such Debtor's Plan.
11. The Affected Claims include all Claims except the Unaffected Claims, being the (i) Employee Priority Claims, (ii) Secured Claims including, for greater certainty, the EDC Secured Claim (as defined in each Plan), (iii) Excluded Claims, (iv) Post-Filing Claims; and the (v) Crown Priority Claims.

B. IMPACT OF THE EDC SUPPORT AGREEMENT ON THE DISTRIBUTION PROCEEDS

12. As further detailed in the Twelfth Report, EDC took the position that, regarding CAL and certain other estates on which it holds security, that the Allocated Net Proceeds, the BLA Shortfall Repayment (as defined in the EDC Support Agreement) and the dividends received pursuant to any Plan of the other Petitioners should be distributed to EDC in full, despite the absence or lack of perfection of its security on the cash balances in the US (EDC's position in this respect namely comes from the fact that the Allocated Net Proceeds were generated by the sale of assets secured in their favor pursuant to a valid and perfected security and is further detailed in the preamble of the EDC Support Agreement). The Monitor was not

- supportive of said position and was of the view that such an outcome could result in an unfair treatment of the unsecured creditors of these entities, who would receive no distribution in this scenario.
13. Following these discussions and extensive negotiations that took place at the initiative of the Monitor and under its supervision, a compromise was reached between EDC and the Petitioners.
 14. EDC and the Petitioners, with the intervention of the Monitor, entered into the Plan Support and Settlement Agreement dated as of October 26, 2023, pursuant to which the parties agreed to the terms upon which EDC would support and vote in favor of the plans of compromise to be filed by each Petitioner, and on the sharing of the Allocated Net Proceeds and of the BLA Shortfall Repayment in the present Plan, the whole without admission and for the sole purpose of avoiding the costs, delays, risks and inconvenience of litigation.
 15. The EDC Support Agreement, and the terms thereof including in particular the sharing formula, are therefore a key component of this Plan.
 16. In the present Plan, in light notably of the sharing formula provided in the EDC Support Agreement, which was approved by the Court pursuant to the Plan Filing and Meeting Order, the Distribution Proceeds are comprised of the Allocated Net Proceeds and the BLA Shortfall Repayment, less the portion thereof to be distributed to EDC on account of the EDC Secured Claim pursuant to the EDC Support Agreement, provided that in all cases such amount to be distributed from the Allocated Net Proceeds shall never exceed the U.S. Cash on Determination Date.
 17. The Distribution Proceeds are proposed to be distributed to the Affected Creditors with a Proven Claim as follows:
 - a) first, to each Convenience Creditor, the lesser of the amount of its Proven Claim or the Convenience Amount (\$2,000), in full and final satisfaction of its Affected Claim, and, to each Affected Creditor that is not a Convenience Creditor, an amount equal to the Convenience Amount (\$2,000); and
 - b) second, the pro-rata share to each Affected Creditor for the remainder of its Proven Claim.
 18. In accordance with the CCAA, in order for the Plan to be approved, at least 50% plus one in number, representing at least 2/3 in value of the Voting Claims of Affected Creditors must vote in favor of the Plan.

C. RESERVES PROVIDED UNDER THE PLANS

19. The Plans provide for the constitution of an "Administrative Reserve" to be held by the Monitor, the amount of which shall be approved by the Court pursuant to the Sanction Order, to be sought on December 15, 2023, should the Plans be approved.
20. The costs to be paid out the Administrative Reserve include all amounts outstanding in respect of Excluded Claims (other than any Claim which cannot be compromised under the CCAA), Employee Priority Claims, Crown Priority Claims and Post-Filing Claims, together with the Monitor's fees and disbursements (including that of its Canadian and U.S. legal counsel and other advisors), the fees and disbursements of the Plan Debtors' Canadian and U.S. legal counsel, the reasonable fees and disbursements of EDC's financial advisor and legal advisor for the period from May 8, 2023, to the date of the implementation of the Plans, in connection with the implementation of the Plan and the completion of the CCAA Proceedings and the U.S. Case (in each case, whether incurred before and after the Plan Implementation Date) as well as amounts related to, incurred or payable in connection with any dissolution or bankruptcy of the respective Debtors including retainers to any proposed trustee in bankruptcy, and any other reasonable amounts in respect of any other contingency as the Monitor may determine

in its sole discretion.

21. As at the date of this Report on the Plan of CAL, the Administrative Reserve is estimated to be between \$2.4M and \$4.1M for all Plans. The Administrative Reserve estimates are calculated using the projected collections and disbursements from the week ending December 16, 2023, up until March 30, 2024. These estimates are dependent notably upon projected collections and disbursements from the week ending November 4, 2023, until the week ending December 9, 2023. The amount of the Administrative Reserve is expected to be established and confirmed as part of the Sanction Order to be sought upon approval of the Plan, at which time the current estimates will have been updated by the Monitor.
22. The Administrative Reserve will be considered in the final determination of the Allocated Net Proceeds, to be calculated in accordance with the Allocation Methodology.
23. The Plans also provide for the constitution of a Disputed Claims Reserve in relation to any remaining Disputed Claims at the time of the distribution to the Affected Creditors, if any.
24. In the event that there is a non-significant amount remaining in the above-noted reserves, the Plans authorize the Monitor to determine the amount that should be distributed to EDC based on the pro rata of the total recoveries received by EDC pursuant to all of the Plans and the EDC Support Agreement (established with the consent of EDC or as determined by the Court), and to donate any remaining balance to the charitable organizations Centraide du Grand Montréal and Welcome Collective equally. This is a fair solution in the context where the costs of a subsequent distribution would not be justified given the amount available to be distributed.

D. PLAN RELEASES AND DISCHARGES

25. The Plan provides for the full and final release and discharge, at the Implementation Date, of (i) the Plan Debtor, as well as (ii) the Directors, Officers and the Plan Debtor's Employees, (iii) the Plan Debtor's legal counsel, financial advisors, consultants and agents in relation to the CCAA Proceedings and the U.S. Case, (iv) the Foreign Representative's legal counsel and agents in relation to the U.S. Case, (v) the Monitor and the Monitor's legal counsel in relation to the CCAA Proceedings and the U.S. Case, and of (vi) certain other persons forming part of the definition of Released Parties, in respect to any and all claims except, in relation to the Plan Debtor, an (1) Unaffected Claim, (2) any Claim that cannot be released pursuant to the CCAA, or (3) any Claim listed in subsection 19(2) CCAA to the extent that such Claim is held by a Creditor who has not voted in favor of the Plan and who is not deemed to have voted in favor of the Plan.
26. No release shall be provided in respect of matters set out at Section 5.1(2) CCAA.

E. AUTHORIZATION PROVIDED TO THE PETITIONERS BY THE CREDITORS OF A PETITIONER TO VOTE IN THE OTHER PETITIONER PLANS

27. Since the Distribution Proceeds include the dividends received by the Plan Debtor pursuant to the Plans of certain other Petitioners, a key component of the Plan in relation to the intercompany Proven Claims is to provide for (i) the assignment of the votes attached to these claims to the Affected Creditors, and the (ii) nomination and appointment of the Monitor by the Affected Creditors to attend, act and vote on behalf of them in favor of the plan of such other Petitioner, namely the Petitioner in relation to whom an intercompany Proven Claim is asserted.

F. REVIEWABLE TRANSACTIONS

28. The Plan provides that notwithstanding Section 36.1 CCAA, Sections 38 and 95 to 101 of the BIA as well as any other Canadian or foreign legislation relating to preferences, fraudulent conveyances, transfers at undervalue or Paulian action shall not apply to the Plan or to any payments or distributions made in connection with transactions entered into by or on behalf of the Plan Debtor, whether before or after the Determination Date, including all payments, distributions and transactions contemplated by and to be implemented under the Plan.
29. As part of the CCAA Proceedings, the Monitor has performed a review of intercompany transactions and payments and has reported to the Court from time to time regarding same. The Monitor has not identified any transactions or payments that it considers could be successfully challenged under sections 95 to 101 of the BIA, and that would likely allow for a recovery for the unsecured creditors.

G. PLAN IMPLEMENTATION CONDITIONS

30. Pursuant to the Plans, Plan Implementation will occur upon fulfillment of the Plan Implementation Conditions, which include:
 - a) Approval of the Plan by the Required Majority of Affected Creditors at the Creditors' Meeting;
 - b) Issuance of the Sanction Order at the latest by December 31, 2023, which shall become a Final Order;
 - c) Issuance of the U.S. Recognition Order at the latest by February 9, 2024, which shall become a Final Order;
 - d) Approval of the Plans (other than the Plan of the Plan Debtor), as well as sanction and recognition of same.
31. Upon fulfilment of the Plan Implementation Conditions, the Monitor will issue and file with the Court its Certificate of Implementation.

III. ESTIMATED DISTRIBUTION TO AFFECTED CREDITORS HOLDING A PROVEN CLAIM IN RESPECT OF CAL PURSUANT TO THE PLAN

32. At Appendix D of the Twelfth Report, the Monitor provided the Estimated Distribution Analysis for Creditors of the various entities in respect of which Plans were filed.
33. As also detailed in the Twelfth Report, since the outset of the CCAA Proceedings, the Petitioners, with the assistance of the Monitor, have focused on the objective of preserving the going concern value of their various businesses and maximizing recovery in the context of a comprehensive sale process which ultimately resulted in 13 transactions, under the supervision of the Monitor and of the Court.
34. Following the closing of the transactions and the collection of the net sale proceeds relating thereto, the Monitor prepared and presented to the Court a method of allocation as between the various estates of the net proceeds from these transactions, as well as intercompany transactions, restructuring costs, secured debt reimbursements and interim financing costs, which method was ultimately approved by the Court pursuant to the Allocation Order.
35. The application of the Allocation Order and the Allocation Methodology approved by the Court therein results in a specific recovery for Affected Creditors holding a Proven Claim, calculated on an estate-by-estate basis and, accordingly, recoveries vary from estate to estate.
36. Furthermore, the estimated distributions to the Affected Creditors of the Plan Debtors were

also dependent on the outcome of discussions and negotiations with EDC, which ultimately resulted in the execution of the EDC Support Agreement, which was approved by the Court pursuant to the Plan Filing and Meeting Order, as further explained above.

37. In the case of the present Plan, and as detailed at Section II above, the EDC Support Agreement provides, among other things, for the sharing of the Allocated Net Proceeds and of the BLA Shortfall Repayment, the whole without admission and for the sole purpose of avoiding the costs, delays, risks and inconvenience of litigation.
38. In an effort to summarize the relevant information for the Affected Creditors, the Monitor has prepared the following table which shows the estimated ranges of recovery for the Affected Creditors with Proven Claims of CAL according to information available as of November 13, 2023:

XEBEC ADSORPTION INC. & AI. Estimated Recovery for the Unsecured Creditors In CAD	CAL					
	High			Low		
	#	Claims \$	Average %	#	Claims \$	Average %
Unsecured Creditors - Estimated recovery						
Unsecured claims less than 2,000	4	2,224	100.0%	4	2,224	100.0%
Unsecured claims between 2,000-10,000	9	50,634	36.0%	9	50,634	35.8%
Unsecured claims between 10,000-25,000	4	58,274	14.4%	3	45,425	13.5%
Unsecured claims between 25,000-50,000	1	34,788	6.4%	2	78,392	5.5%
Unsecured claims between 50,000-100,000	2	114,851	4.2%	2	114,851	3.9%
Unsecured claims over 100,000	2	652,106	1.3%	2	652,106	1.0%
Unsecured claim EDC	1	10,895,750	0.7%	1	12,144,088	0.4%
Unsecured claims Interco	4	1,974,681	1.1%	4	1,974,681	0.8%
Total - Unsecured Creditors	27	13,783,308	1.1%	27	15,062,401	0.7%
Funds Available for distribution to Unsecured Creditors		148,451			105,401	

39. In preparing the table above and the high and low scenarios that are included therein, the Monitor has relied upon various hypotheses and estimates which could impact the scope of recovery. These hypotheses and estimates notably include (i) potential recovery in the context of the settlement or litigation with London RNG, (ii) resolution, negotiation and final determination of certain Claims, (iii) final determination of the quantum of post-filing obligations, (iv) payments to and/or collections from tax authorities, (v) scope of professional fees, (vi) a potential draw on the Enbridge LC, and (vii) the amount of the Administrative Reserve.
40. Future oriented financial information referred to in this Report on the Plan of CAL was prepared based on Management's estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant.

IV. ESTIMATED DISTRIBUTION TO CREDITORS OF CAL IN A LIQUIDATION OR BANKRUPTCY SCENARIO

41. The Monitor has prepared an analysis to estimate the net realization value of the Petitioners' assets in the context of a bankruptcy scenario (the "**Liquidation Analysis**"), for the purpose of allowing the Affected Creditors to understand what their projected recovery could be in the event that the Plan is not approved by the Required Majority of the Affected Creditors. The Liquidation Analysis is intended to allow the Affected Creditors to assess the fairness and reasonableness of the Plan.

42. The Liquidation Analysis is provided in the table below:

XEBEC ADSORPTION INC. & AI. Estimated Recovery for the Unsecured Creditors In CAD	CAL					
	Liquidation - Low			Liquidation - High		
	#	Claims \$	Average %	#	Claims \$	Average %
Unsecured Creditors - Estimated recovery						
Unsecured claims less than 2,000	4	2,224	0.0%	4	2,224	Undetermined
Unsecured claims between 2,000-10,000	9	50,634	0.0%	9	50,634	Undetermined
Unsecured claims between 10,000-25,000	3	45,425	0.0%	3	45,425	Undetermined
Unsecured claims between 25,000-50,000	2	78,392	0.0%	2	78,392	Undetermined
Unsecured claims between 50,000-100,000	2	114,851	0.0%	2	114,851	Undetermined
Unsecured claims over 100,000	2	652,106	0.0%	2	652,106	Undetermined
Unsecured claim EDC	1	16,170,947	0.0%	1	16,170,947	Undetermined
Unsecured claims Interco	4	1,974,681	0.0%	4	1,974,681	Undetermined
Total - Unsecured Creditors	27	19,089,260	0.0%	27	19,089,260	Undetermined
Funds Available for distribution to Unsecured Creditors		-			Undetermined	

43. As demonstrated in the Liquidation Analysis, the estimated recovery for unsecured creditors, if any, is likely to be negatively affected in such a context. Moreover, and as reported in the Twelfth Report, significant costs, delays and uncertainty would result from the rejection of the Plan and of a liquidation scenario, and especially from the possible termination of the EDC Support Agreement which is conditional upon approval and sanction of all of the Debtors' Plans. In such a context, recoveries would likely be impacted negatively from professional and other costs associated with potential litigation (the outcome and impact of which is unclear for unsecured creditors), and distributions to unsecured creditors **would likely be marginal, or even nil**, and would likely be delayed by at least one (1) year if not significantly more.

44. Such a scenario in all likelihood would require funding by the unsecured creditors, and could entail, *inter alia*, (i) significant professional fees related to migrating the proceedings into bankruptcy, (ii) trustee and other bankruptcy fees, (iii) significant costs and delays associated with potential litigation between EDC and the unsecured creditors in this estate and certain others, with an unknown result and impact for the unsecured creditors.

45. The net realization value of the Petitioners' assets in a bankruptcy or liquidation scenario is based on the Monitor's current best estimates, and are based on various assumptions that could vary in the future and have a negative impact on the estimated recovery for unsecured creditors. They are also based on the advice of legal advisors and on the Monitor's experience in similar proceedings, regarding complex and cross-border insolvency proceedings.

V. HOW TO VOTE ON THE PLAN

46. The steps to register a vote are summarized below and further detailed in the materials and in the Plan Filing and Meeting Order provided to you with the Plan.

47. In order to register your vote in advance of the Creditors' Meeting, you have until **November 28, 2023, at 5 p.m. (EST)** to file a Proxy and Voting Form (included in the Meeting Materials and available online at <https://www.insolvencies.deloitte.ca/Xebec>) and provide same by email to the Monitor at xebec_ccaa@deloitte.ca.

48. If you wish to attend the Creditors' Meeting, with the possibility to vote at this time if not done in advance, you have until **November 28, 2023, at 5 p.m. (EST)** to file a Registration Form (included in the Meeting Materials and available online at <https://www.insolvencies.deloitte.ca/Xebec>) and provide same by email to the Monitor at xebec_ccaa@deloitte.ca. Upon receipt by the Monitor of the Registration Form, you will be provided with the credentials to attend the Creditors' Meeting through a videoconference platform.

49. If the amount of your Proven Claim is equal or inferior to \$2,000 (and thus paid in full pursuant to the terms of the Plan), you are deemed to vote in favor of the Plan and therefore no action is required, unless you wish to nevertheless vote against the Plan.

VI. OUTLINE OF NEXT STEPS AND MILESTONES IN THE CCAA PROCEEDINGS

50. Below you will find the upcoming milestones in the CCAA Proceedings:

- a) Ongoing review of Claims;
- b) At the latest on November 28, 2023, at 5 p.m. (EST): deadline to file the Registration Form and/or Proxy and Voting Form, as stated above;
- c) November 30, 2023: Creditors' Meeting;
- d) On or around December 8, 2023: filing and notification of an application seeking the issuance of sanctions orders in respect of the Plans;
- e) December 15, 2023: hearing on such application and issuance of the sanction orders;
- f) January 15, 2024 (or at such other date depending on the availability of the U.S. Court): recognition of the sanction orders by the U.S. Court; and
- g) Between February 15, 2024, and March 29, 2024: distributions to Affected Creditors with Proven Claims.

51. Readers should remain cautioned that the above outline is subject, *inter alia*, to the ongoing CCAA Proceedings, as well as the availability of the Courts both in Canada and the U.S. The outline is therefore subject to material changes and is solely provided for information purposes and on an indicative basis.

VII. CONCLUSIONS AND RECOMMENDATION

52. The Petitioner firmly believes that the Plan provides for the best possible outcome for the Affected Creditors, including as compared to a bankruptcy or liquidation scenario.
53. The Monitor believes that the Plan will allow the Affected Creditors holding a Proven Claim to receive a greater recovery significantly faster than in the context of a bankruptcy/liquidation scenario and avoids the uncertainties and risks resulting therefrom. Accordingly, the Monitor **recommends** that the Affected Creditors **vote in favor of the resolution to approve the Plan**.
54. The Monitor is of the opinion that the Petitioners have acted, and are acting, in good faith and with diligence. Accordingly, the Monitor is of the view that the Plan is fair and reasonable.
