Section A – Introduction and Background

Eureka 93 Inc.

Artiva and LiveWell are members of a group of companies (the “**Eureka Group**”) of which the ultimate parent is Eureka 93 Inc. (“**Eureka 93**”). Eureka 93 was originally incorporated in June 2014 under the name “Percy Street Capital Corporation” (“**Percy Street**”), as a Capital Pool Corporation. In June 2018, Percy Street completed a transaction to acquire LiveWell Foods Canada Inc. (“**LiveWell**”) and changed its name to “LiveWell Canada Inc.” (“**LiveWell Canada**”) and traded on the Canadian Stock Exchange (the “**CSE**”) under the symbol “CSE:LVWL”. In April 2019, LiveWell Canada completed a transaction to acquire Vitality CBD Natural Health Products Inc. (“**Vitality**”) in a reverse take-over and changed its name to Eureka 93, and traded on the CSE under the symbol “CSE:ERKA”.

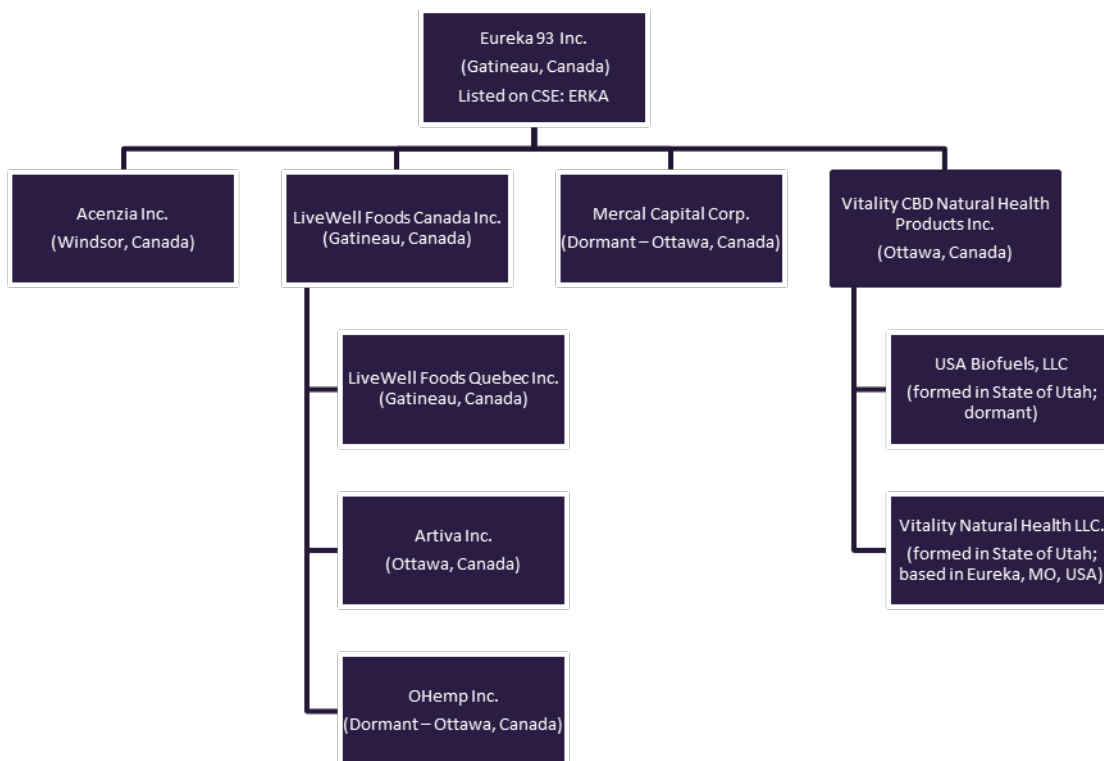

The Eureka 93 Group was intended to be a vertically integrated hemp and cannabis company focused on research in CBD and other cannabinoids, as well as the development and distribution of consumer health products. The Eureka 93 Group's corporate headquarters is located in Ottawa, Ontario.

Management advises that due to a lack of financial resources and complex accounting and financial reporting associated with the transaction that resulted in the acquisition of Vitality, Eureka 93 was not able to prepare and file its unaudited condensed interim consolidated financial statements and MD&A for the quarter ending June 30, 2019. Consequently, on September 5, 2019, the Ontario Securities Commission (“**OSC**”) issued a Cease Trade Order in respect of Eureka 93's common stock.

On September 6, 2019, the then directors of Eureka 93 announced that they were beginning "a review of the strategic and financing alternatives" available to the Eureka 93 Group. Concurrent with the initiation of that review, non-critical work was suspended and a substantial portion of the Eureka 93 Group's employees in Canada were laid off.

On or about September 20, 2019, all of the management and the then Board of Directors except one individual at the Eureka 93 Group resigned.

The following is the corporate chart for the Eureka Group:

Eureka 93’s only property consists of the shares of various subsidiary companies, those being LiveWell, Vitality CBD Natural Health Products Inc. (“**Vitality**”), Acenzia Inc. (“**Acenzia**”), and Mercal Capital Corp. (“**Mercal**”) (collectively, the “**Subsidiaries**”). Eureka raised capital through a number of private placements to fund the costs incurred in the growth and operation of its Subsidiaries. Eureka 93 further raised capital through two Securities Purchase Agreements entered into in February and March 2019 pursuant to which Dominion Capital LLC, Nomis Bay Ltd., MM Asset management, Inc. and BPY Limited (the “**Noteholders**”) acquired Secured Notes (“**Notes**”) from Eureka 93. The proceeds received by Eureka 93 from the sale of the Secured Notes were primarily used to fund subsidiaries of Vitality Natural Health LLC (“**Vitality USA**”) in the United States. The obligations owing under the Secured Notes were guaranteed by, among other companies, Vitality, Artiva and LiveWell and each of those companies granted a security interest on all of the property to secure the obligations owing to the Noteholders.

Artiva

The shares of Artiva are owned by LiveWell.

Artiva was incorporated in March 2017 under the *Canada Business Corporations Act* (“**CBCA**”). In January 2018, Artiva amalgamated with 1019884 Ontario Inc., a corporation formed under the laws of Ontario and 1496013 Ontario Inc., a corporation formed under the laws of Ontario. This amalgamation was a share transfer transaction whereby Artiva acquired a vegetable farm located at 5130 & 5208 Ramsayville Rd, Ottawa, Ontario which was comprised of 100 acres of land and 740,000 sq. ft. of greenhouses (the “**Artiva Facility**”). Funding for the acquisition of the Artiva Facility was provided by Olympia Trust Company (“**Olympia**”) secured by a first mortgage over the Artiva Facility. Since acquisition, as noted below, Artiva has undertaken the retrofitting of approximately 61,000 sq. ft. of space for the cultivation, processing and distribution of cannabis with funds raised by LiveWell through private placements. On September 20, 2019, Artiva was issued a cannabis cultivation licence by Health Canada. Artiva did not, however, have sufficient funds to complete the Artiva Facility and was unable to raise further capital, resulting in the cessation of construction in the fall of 2019. Prior to the halting of construction,

Artiva engaged 4 people. Other than the Artiva Facility, the only other significant asset of Artiva is approximately \$3.9 million of non-capital tax loss carryforwards as noted in the corporate tax returns filed by Artiva.

The new Artiva management team, since the resignation of the former management group, determined that the best path forward for Artiva was to restructure under the provisions of the BIA, through which it could obtain interim financing to complete construction of the Artiva Facility, commence cultivation of cannabis clones, and set the stage for a restructured enterprise that could generate future cash flow to fund a proposal to its unsecured creditors. As a result, on February 14, 2020 (the “**NOI Filing Date**”), Artiva and LiveWell, along with Eureka 93 and Vitality (collectively, the “**Debtors**”), each filed Notices of Intention to Make a Proposal (“**NOIs**”) under Subsection 50.4(1) of the BIA.

Since receiving the NOI Filing Date and the receipt of Interim Financing, Artiva has engaged 8 people.

LiveWell

The shares of LiveWell are owned by Eureka 93.

In June 2018, Eureka 93 (then known as Percy Street) acquired LiveWell. LiveWell initially focused on pursuing the functional foods market, through the creation of innovative healthy functional food products. After being acquired by Eureka 93, LiveWell adjusted its focus towards becoming a vertically integrated hemp and cannabis company focused on research in CBD and other cannabinoids, as well as to develop and distribute consumer health products. In March 2017, as noted above, LiveWell incorporated Artiva to own and operate a proposed Canadian cannabis business.

LiveWell owns the shares of Artiva, OHemp Inc. (“**OHemp**”) and LiveWell Foods Quebec Inc. (“**LiveWell Quebec**”). OHemp has never carried on active business. It has no property and no obligations.

In April 2018, LiveWell Quebec acquired land in Pontiac, Quebec (the “**Quebec Land**”), to build a cannabis facility as well as a research and development center focused on cannabinoids. The buildings on the Quebec Land were demolished, but development of the Quebec Land was never completed. The Proposal Trustee understands that the obligations owing by LiveWell Quebec and secured by the Quebec Land exceed the value of the Quebec Land. LiveWell guaranteed the obligations owing by LiveWell Quebec to 3303374 Nova Scotia Company in connection with the purchase of the Quebec Land.

LiveWell currently has no employees or assets, other than approximately \$18.5 million of non-capital tax loss carryforwards as noted in the corporate tax returns filed by LiveWell.

Management determined that the amalgamation of Artiva and LiveWell would provide the best opportunity to successfully restructure the two companies on an amalgamated basis and preserve LiveWell’s non-capital tax loss carryforwards.

On June 12, 2020, the enclosed Proposal naming Deloitte as Proposal Trustee, was filed with the Official Receiver.

Section B – Summary of the Proposal

A brief summary of the Proposal is provided below. The terms of the Proposal would be effective upon the fulfilment or satisfaction of the following conditions:

- (a) The making of the Interim Order (as discussed below);

- (b) The Creditors comprising the class of Unsecured Creditors vote for acceptance of the Proposal by a majority in number and two thirds in value of the Creditors comprising such class that are present, personally or by proxy, at the Creditors' Meeting and voting on the resolution; and
- (c) The making of the Approval Order by the Court approving the Proposal and all applicable appeal periods have expired.

Interim Order

The Proposal provides that prior to the Creditor Meeting Date, the Company shall apply to the Court for an Interim Order of the Court pursuant to subsection 192(4) of the CBCA providing, *inter alia*, that:

- (i) the Shareholders shall have no right to vote on the Proposal and no right(s) of dissent;
- (ii) the Proposal shall be approved by the Unsecured Creditors at the Creditor Meeting on the Creditor Meeting Date;
- (iii) the Unsecured Creditors shall be in a single class for the purposes of voting on the Proposal; and
- (iv) the Proposal shall be accepted by the class of Unsecured Creditors by a majority in number of the Unsecured Creditors who actually vote upon the Proposal (in person or by proxy) at the Creditors' Meeting or by a Voting Letter, representing two-thirds in value of the Proven Claims of the Unsecured Creditors in each class who actually vote upon the Proposal (whether in person or by proxy) at the Creditors' Meeting or by a Voting Letter.

CBCA Arrangement/Reorganization

The Proposal provides that, should the Proposal be approved by the Unsecured Creditors and the Court, on the Implementation Date the following arrangement and reorganization (the "CBCA Arrangement") shall occur:

- (a) LiveWell, Artiva and NumCo shall be amalgamated under the CBCA to create New Artiva as follows:
 - (i) the name of New Artiva shall be "Artiva Limited";
 - (ii) as at the amalgamation, the Articles for New Artiva shall be the same as the Articles for LiveWell;
 - (iii) the issued and outstanding shares of Artiva and NumCo owned by LiveWell shall be cancelled; and
 - (iv) the shareholder of New Artiva shall be the shareholder of Artiva.
- (b) the Articles for New Artiva shall be amended pursuant to section 191 of the CBCA to: (i) re-designate the Common Shares of New Artiva as Redeemable Shares and provide that the newly designated Redeemable Shares may be redeemed and exchanged by New Artiva on payment of \$0.01 per share; and (ii) create a new class of shares consisting of an unlimited number of Common Shares having the right to vote, the right to receive dividends and the right to receive a distribution on the winding-up of New Artiva;
- (c) Common Shares shall be issued by New Artiva as set out in the Proposal;
- (d) the Redeemable Shares shall be redeemed and cancelled by New Artiva such that: (i) the existing shareholder of Artiva shall no longer be a shareholder of New Artiva and shall have no rights as a shareholder except the right to receive the \$1.00 payable by New Artiva to redeem the Redeemable Shares, and (ii) there shall be no remaining issued and outstanding Redeemable Shares;

- (e) the Articles for New Artiva shall be amended to delete all reference to the Redeemable Shares such that the only shares of New Artiva will be Common Shares; and
- (f) the Certificates shall be issued to the Unsecured Creditors.

Management advises that the purpose of the CBCA Arrangement is to combine the holding company with its key operating subsidiary and to preserve approximately \$22.4 million of non-capital tax loss carryforwards held by LiveWell (\$18.5 million) and Artiva (\$3.9 million) for use by New Artiva.

The Proposal

The Proposal provides for the restructuring of the Company's liabilities through the distribution to Unsecured Creditors of Certificates, as further described below. Under the Proposal, the Unsecured Creditors are comprised of the unsecured creditors of both Artiva and LiveWell. The Proposal is not being made to the Secured Creditors, who are comprised of Olympia, which holds a first mortgage over the Artiva Facility, the Interim Lenders, or the beneficiaries of the Administrative Charge. For the purposes of the Proposal, the security held by the Noteholders, the lien claims of Lamarche Electric Inc. ("**Lamarche**") and Paladine Technologies Inc. ("**Paladine**"), and the security held by Perley-Robertson, Hill & McDougall LLP ("**Perley-Robertson**") shall be valued at \$Nil and those creditors are to be included in the class of Unsecured Creditors for the purposes of voting on and receiving a distribution under the Proposal.

The Proposal provides for the following:

1. The fees and expenses of the Proposal Trustee and the Company, including legal fees and expenses of the Proposal Trustee and the Company in connection with the preparation of and proceedings arising out of or relating to the Proposal, are to be paid by the Company in priority to all Proven Claims of Unsecured Creditors in accordance with the scheme of distribution set forth in the BIA.
2. Claims as of the NOI Filing Date that could be subject to a demand under subsection 224(1.2) of the *Income Tax Act* (Canada) (the "**ITA**"), any provision of the *Canada Pension Plan or Employment Insurance Act* that refers to subsection 224(1.2) of the ITA, or any provision of provincial legislation that has a similar purpose to subsection 224(1.2) of the ITA, shall be paid within six (6) months after the issuance of the Approval Order.
3. Amounts owing to the Company's employees and former employees that they would qualify to receive as claims under paragraph 136(1)(d) of the BIA if the Company became bankrupt on the NOI Filing Date, as well as all wages, salaries, commissions or compensation for services rendered after the NOI Filing Date but before Court approval of the Proposal, are to be paid immediately after the issuance of the Approval Order or as otherwise agreed. For greater certainty, amounts due or which may become due do not include claims for severance or termination pay or any compensation in lieu of notice of termination.
4. On the Implementation Date, immediately following the execution of the CBCA Arrangement, the Unsecured Creditors and Related Creditors will receive from New Artiva Certificates with a face value equal to that Unsecured Creditor's Claim as set forth in the Unsecured Creditor's Proof of Claim or the Statement of Affairs, whichever is greater, subject to that Unsecured Creditor's Claim being determined to be a Proven Claim. Once an Unsecured Creditor's Claim becomes a Proven Claim, a new Certificate shall be issued to that Unsecured Creditor with a face value equal to that Unsecured Creditor's Proven Claim if that Proven Claim is different from the amount set out on the Certificate originally issued to the Unsecured Creditor.
5. Within 90 days of New Artiva's fiscal year end commencing with the year ended December 31, 2020, so by March 31, 2021, and ending with the fiscal year end December 31, 2023, New Artiva (not the

Proposal Trustee) will distribute to holders of Certificates, on a *pro rata* basis based upon the face amount of the Certificates, an amount equal to their *pro rata* share of 50% of the Company's Net Income, which is calculated as "the profit or loss when applying International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) in relation to the Cannabis industry in Canada, including IAS 1 to 41 and inclusive of any future related standards that may become applicable. Net Income results from profit or loss and includes the following under IFRS and IAS standards: revenue; expenses; gains and losses from the derecognition of financial assets measured at amortized cost; finance costs; share of the profit or loss of associates and joint ventures accounted for using the equity method; certain gains or losses associated with the reclassification of financial assets; tax expense; and a single amount for the total of discontinued items. Also included are certain items that are of a comprehensive income nature including: write-downs of inventories to net realizable value or of property, plant and equipment to recoverable amount, as well as reversals of such write-downs; restructurings of the activities of an entity and reversals of any provisions for the costs of restructuring; disposals of items of property, plant and equipment; disposals of investments; discontinuing operations; litigation settlements; and other reversals of provisions. Net Income as disclosed in the financial statements must present: profit or loss; total other comprehensive income; comprehensive income for the period; and an allocation of profit or loss and comprehensive income for the period between non-controlling interests and owners of the parent."

6. In addition, 100% of the net proceeds, if any, from any proceedings taken by the Proposal Trustee pursuant to sections 95 and 101 of the BIA, meaning any proceedings to contest preferences and transfers at undervalue, shall be distributed *pro rata* to Creditors to reduce the amount owing pursuant to the Certificates with 60 days of such amounts being received.
7. Pursuant to the Proposal, no Creditor is entitled to receive more than 100% of that Creditor's Proven Claim. All payments to Creditors shall be net of the applicable levy payable to the Office of the Superintendent of Bankruptcy as required by the BIA, which will be issued a Certificate in respect of the amount payable in respect of the levy.
8. The Proven Claims of Related Creditors shall be fully subordinated to the Proven Claims of the Unsecured Creditors and shall not be entitled to receive a distribution unless and until the Proven Claims of the Unsecured Creditors are paid in full.
9. The Proposal will be fully implemented by the Company on delivery of the Certificates.
10. On the date that the Approval Order becomes final and binding,
 - a) the treatment of all Claims under the Proposal shall be final and binding on the Debtor and all Unsecured Creditors (along with their respective heirs, executors, administrators, legal personal representatives, successors and assigns); and
 - b) the Proposal shall constitute: (i) a full, final and absolute settlement of all rights of the holders of the Claims affected hereby; and (ii) an absolute release and discharge of all indebtedness, liabilities and obligations of the Debtor and the Directors of or in respect of the Claims.
11. On the Implementation Date, the Company, the Proposal Trustee and all of their respective affiliates, employees, agents, directors (provided that, in respect of the Company, only the Directors are released), officers, shareholders, advisors, consultants and solicitors will be released from any and all claims arising out of any act or omission, transaction, dealing or other occurrence existing or taking place on or prior to the Implementation Date relating to the Claims, the business and affairs of the Company or the Proposal.

Section C – Financial Position and Causes of Difficulties

The operating results for the fiscal years ended December 31, 2018 and 2019 for Artiva and LiveWell are summarized in the table below (in \$000's):

	Artiva		LiveWell	
	FY 2018	FY 2019	FY 2018	FY 2019
Gross Revenue	\$ 402.6	\$ -	\$ -	\$ 679.7
Total Direct Operating Expenses	662.4	(2.6)	0.0	679.7
Gross Profit	(259.8)	2.6	(0.0)	-
Total Expenses	1,160.1	1,142.4	6,425.3	5,349.1
Total Other Income and Expenses	(476.7)	(168.0)	(4,833.1)	(1,821.7)
Net Income	\$ (1,896.6)	\$ (1,307.8)	\$ (11,258.4)	\$ (7,170.8)

The Company has informed the Proposal Trustee that its financial difficulties resulted from several factors, including decisions of former management to invest in the Quebec Land that did not generate a return, significant investments in various CBD focused businesses in the U.S. that were not successful, combined with a negative change in the market's mood in 2019 for investing in cannabis entities all resulting in the inability to raise further funding to complete the Artiva Facility.

Section D – Interim Receiver

Not applicable.

Section E – Identification and Evaluation of Assets

According to the Company's Statement of Affairs, the Company's assets consist of the following:

Asset Description	Est. Realizable Value per SOA		
	Artiva	LiveWell	Combined
Cash	\$ 124,762	\$ -	\$ 124,762
Inventory	125,000	-	125,000
Furniture	-	7,500	7,500
Real Property	6,686,992	-	6,686,992
Total	\$ 6,936,754	\$ 7,500	\$ 6,944,254

In the event that the Proposal is not accepted by the Creditors or is not approved by the Court, the Company would immediately be deemed bankrupt and its assets liquidated. The Company's assets, and the Proposal Trustees estimate of the liquidation value and the extent of any proceeds being available to unsecured creditors, are discussed in greater detail below.

Cash

As at June 12, 2020, Artiva had cash on hand of \$124,762. Artiva expects to use the balance of this cash to fund operations up to the date of the Creditor's Meeting, such that in a liquidation scenario, there will be no cash remaining.

Inventory

Inventory consists of genetics, seed and approximately 25,000 clones with an estimated net value to liquidate of \$125,000. In a liquidation scenario, where a receiver takes possession of the assets of the Company, the Proposal Trustee understands that that a bankruptcy trustee or receiver may not have the right to sell cannabis under Artiva's CRA Cannabis Licence. Should that be the case, it is likely that the receiver would have to destroy any cannabis under the supervision of CRA. As a result, in a liquidation scenario, the inventory would have a realizable value of \$Nil.

Real Property

Real Property consists of the Artiva Facility which is located at 5130 & 5208 Ramsayville Rd, Ottawa, Ontario. The property was acquired by Artiva in December 2017 and has been retrofitted with approximately 61,000 sq. ft. of indoor space for the cultivation, processing and distribution of cannabis and a further 476,000 sq. ft. of outdoor space.

The Company has provided the Proposal Trustee with an Appraisal Report prepared by Agrecomm Appraisal Group Inc. for Artiva with an effective evaluation date of May 16, 2020, which estimates the current market value of the Artiva Facility at \$9.5 million (the "**Agrecomm Appraisal**"). The Proposal Trustee notes the following concerning the Agrecomm Appraisal:

- The appraised value is based on a completed facility, including proposed changes and repairs to the greenhouse complex and the removal of 5 hoop houses with repairs to those remaining. The Proposal Trustee understands that work was subsequently completed;
- The current market value includes all permanently installed heating, ventilation, electrical, plumbing, irrigation, generators, boilers, fertilizer injectors, fixed computers and other associated equipment necessary for the operation of the greenhouse facilities;
- The value is predicated on the facility being operated in a continuous manner, i.e., as a going concern cannabis enterprise;
- The value is based on a highest and best use as a cannabis greenhouse property; and
- The value is based on a sale process that provides a market exposure time of six (6) to twelve (12) months.

In a liquidation scenario, the Proposal Trustee would expect that the secured creditor holding a first mortgage over the Artiva Facility, would appoint a receiver who would conduct a quick sale process, assumed to be in the one (1) to three (3) month range, which typically results in offers that are lower than would be received through a longer term sale process. As a result, in a liquidation, assuming that offers received are 10% to 20% lower, expected realizations from the Real Property would be in the \$7.6 million to \$8.6 million range. After considering receiver fees and disbursements, potential sales commissions, potential Administrative Charge claims of up to \$500,000, the Interim Lender Charge of \$2.3 million, and the Olympia first mortgage of approximately \$6.7 million, and any potentially valid lien claims, the Proposal Trustee does not anticipate there will be any remaining proceeds available for Unsecured Creditors.

Section F – Conduct of the Debtor

The Proposal Trustee has been made aware of certain allegations concerning certain transactions undertaken by the former management and Board of Director group prior to September 20, 2019 in various entities in the Eureka Group that may constitute preferences or transfers for undervalue. To date, the Proposal Trustee has not been able to obtain details on these transactions and allegations, and has been advised by Management that the OSC is currently undertaking a forensic investigation into these matters, principally involving the former CBD operations and transactions involving Vitality's U.S. subsidiaries.

The Company has made a motion for, amongst other things, an order for a representative of the Noteholders to attend to an examination by the Proposal Trustee with respect to, *inter alia*: (a) the transaction referenced in paragraph 42 of the Affidavit of Philip Gross sworn on February 28, 2020; (b) the transfer of a property in New Mexico to the Noteholders in return for a \$3 million reduction in the debt owing by the Debtors to the Noteholders; and (c) the transaction pursuant to which Eureka 93 agreed to return approximately USD \$3.6 million to the Noteholders in or about the summer or fall of 2019. The date for the hearing of the motion has not been established as of the date of this report. The Trustee intends to provide the Creditors with an update on this matter at the Creditors' Meeting.

Section G – Creditor Claims

According to the Statements of Affairs, the Company's creditors are summarized in the table below:

Creditor Classification	Estimated Claim per SOA			
	Artiva	LiveWell	Less Duplicates	Combined
Secured	\$ 6,936,755	\$ 7,500		\$ 6,944,255
Preferred	7,000	9,070		16,070
Unsecured	12,626,264	13,931,196	(11,124,180)	15,433,280
Contingent	2,638,852	-		2,638,852
Total	\$ 22,208,871	\$ 13,947,766	\$ (11,124,180)	\$ 25,032,457

The duplicates in the above chart reflect the Noteholders' security, which extends to both Artiva and LiveWell, but is treated as only one claim in the Proposal.

Secured Creditors

Based on the Company's books and records, the Secured Creditors, which include the Interim Lenders, and the amount of their respective claims, as of June 15, 2020 (excluding any accrued interest and other recovery costs), are as follows:

Secured Creditor	Estimated Claim per SOA			
	Artiva	LiveWell	Less Duplicates	Combined
Olympia	\$ 6,686,992	\$ -		\$ 6,686,992
Lamarche	628,947	-	-	628,947
Paladin	26,479			26,479
Noteholders	11,131,680	11,131,680	(11,131,680)	11,131,680
Perley-Robertson	17,966	-		17,966
Total	\$ 18,492,064	\$ 11,131,680	\$ (11,131,680)	\$ 18,492,064

The Proposal is not being made to Olympia or the Interim Lenders, who are owed \$2.3 million and which is secured by the Interim Lending Charge granted under the Order of Justice MacLeod dated March 9, 2020. As noted in Section B of this report, the Claims of the Secured Creditors are to be dealt with in accordance with existing agreements between the Company and the respective Secured Creditors or as otherwise agreed between the Company and the Secured Creditors.

Lamarche and Paladin have each asserted liens claims under the *Construction Act* against the Artiva Facility. For the purposes of the Proposal, the security of Lamarche and Paladin have been valued at \$Nil such that the entirety of their claims are being treated as Unsecured Claims in the Proposal.

The Noteholders' claim relates to the issuance of USD \$11.4 million in convertible notes in 2019. As of the NOI Filing Date, the amount remaining owing under the convertible notes is USD \$8.4 million (Cdn\$11.1 million). The obligation under the notes is secured against both Artiva and LiveWell (as well as other Eureka Group entities). For the purposes of the Proposal, the security of the Noteholders has been valued at \$Nil such that the entirety of the Noteholders' claim is being treated as an Unsecured Claim in the Proposal.

Perley-Robertson's claim relates to unpaid legal fees for which it was granted security by LiveWell. For the purposes of the Proposal, the security of Perley-Robertson has been valued at \$Nil such that the entirety of Perley-Robertson's claim is being treated as an Unsecured Claim in the Proposal.

As at the date of this report, the Proposal Trustee has not been provided with copies of the security documents executed in favour of the secured creditors discussed above and, consequently, the Proposal Trustee has not obtained an independent legal opinion on the validity and enforceability of the security granted by the Company in favour of the secured creditors listed above. The Proposal Trustee will provide an update on its review of the security granted by the Company in favour Olympia at the Creditors' Meeting to consider the Company's Proposal.

Preferred Creditors

According to the Statement of Affairs, \$16,070 is owed to Preferred Creditors in respect of amounts owing to former employees that they would qualify to receive as claims under paragraph 136(1)(d) of the BIA. Pursuant to the Proposal, those claims will be paid immediately after issuance of the Approval Order.

Unsecured Creditors

According to the Company's Statement of Affairs, after the removal of duplicate claims, the Unsecured Creditors are owed \$15,433,280. This amount includes the claims of the Lamarche, Paladin, the Noteholders, and Perley-Robertson, whose security has been valued at \$Nil under the Proposal.

Contingent Creditors

Contingent Creditors consists of a claim by Eureka 93 for \$2,638,852 in respect of amounts advance by Eureka 93 to Artiva. Pursuant to the Proposal this represents a Related Creditor claim which is fully subordinated to the Proven Claims of the Unsecured Creditors and shall not be entitled to receive a distribution under the Proposal unless and until the Proven Claims of the Unsecured Creditors are paid in full.

Section H – Previous Dealings with the Company

The undersigned Proposal Trustee confirms that neither he nor the firm with which he is related has provided previous services to the Company in any capacity other than consulting with the Company in respect of its consideration to file a NOI and the preparation and filing of the Proposal. The Proposal Trustee further confirms that he does not have any knowledge of any conflict of interest situation arising from the acceptance of this appointment as Proposal Trustee.

Section I – Informal Meetings with Major Creditors

The Proposal Trustee has not had any informal meetings with major creditors.

Section J – Remuneration of Proposal Trustee

Payment of the fees and expenses of the Proposal Trustee, including the legal fees and disbursements of the Proposal Trustee, are provided for in the Proposal.

Prior to the filing of the NOIs, Deloitte received an indemnity from the Interim Lenders in the amount of \$20,000 in respect of the Company (and two other companies in the Eureka Group that filed NOIs) to secured Deloitte's fees should it become Trustee in Bankruptcy in respect of the Company.

Section K – Cash Flow Statement

In accordance with the BIA, the Proposal Trustee reviewed the cash flow statement and assumptions for the period June 12 to September 4, 2020 that were prepared by the Company (the “**Cash Flow Statement**”) and which were filed with the Official Receiver. In reviewing the Cash Flow Statement, nothing has come to the Proposal Trustee's attention which would lead the Proposal Trustee to believe that the hypothetical and probable assumptions used by the Company in the preparation of the Cash Flow Statement are inconsistent with the purpose of the Cash Flow Statement.

Section L – Statement of Estimated Realizations

Proposal Accepted

According to the Proposal, if the Proposal is accepted by the requisite majority of Creditors, Unsecured Creditors with Proven Claims will receive Certificates which will afford those Creditors an opportunity to receive a dividend up to a maximum amount equal to 100% their Proven Claims against the Company. As set out earlier in this report, payments against the Certificates will be made by New Artiva at an amount equal to 50% of the Net Income for the four (4) fiscal years ended December 31, 2020, 2021, 2022 and 2023. The Proposal Trustee points out that no payments will be made against the Certificates relating to any particular fiscal year if New Artiva does not generate positive Net Income in that fiscal year.

The Company has prepared a four-year financial projection based on its intended business plan for New Artiva (the “**New Artiva Business Plan**”). The New Artiva Business Plan indicates that New Artiva will focus on three revenue streams: i) cultivation and sale of clones; ii) manufacture of full-spectrum distillate tincture; and iii) manufacture of refined products (i.e. vape). The Company advises that they have recently entered into a letter of intent (“**LOI**”) with a company that will provide the extraction equipment and support for the production of distillate tincture. The Proposal Trustee understands the LOI is subject to the approval of the Proposal.

A yearly summary of the financial projections for the New Artiva Business Plan is as follows:

	FY 2020	FY 2021	FY 2022	FY 2023
Gross Revenue	2,390.7	13,896.3	32,800.2	45,426.2
Total Direct Operating Expenses	995.7	3,008.3	10,823.1	17,656.5
Net Margin	1,395.0	10,888.0	21,977.1	27,769.7
Total Labor Costs	1,362.4	2,903.0	3,145.9	3,189.1
Total SG&A	597.7	629.1	750.9	827.6
Depreciation	1,930.7	1,966.1	1,966.1	2,284.4
Cash Interest Expense	950.3	895.1	217.0	-
Fees	823.5	-	-	-
Taxable Income	(4,269.6)	4,494.8	15,897.3	21,468.6
Corporate Tax Liability (25%)	(1,067.4)	1,123.7	3,974.3	5,367.2
Net Income	(3,202.2)	3,371.1	11,922.9	16,101.5
Unsecured Creditor Distribution (50% of N.I.)	-	(1,685.5)	(5,961.5)	(7,786.3)

The Business Plan indicates that New Artiva anticipates generating positive Net Income in for the fiscal year ending December 31, 2021 and onwards, and that, based on the Unsecured Creditors listed in the Statement of Affairs, sufficient Net Income is projected to be generated over the next four fiscal years to fully repay the Certificates by March 31, 2024. The amount of Certificates actually issued will be subject to the Proven Claims of the Unsecured Creditors. Distributions to Unsecured Creditors in respect of their Proven Claims will be subject to the Superintendent of Bankruptcy's levy that will not exceed 5% of the dividend paid.

Other than to ensure the calculations are mathematically accurate, the Proposal Trustee has not verified any of the projections in the Business Plan, including but not limited to whether the Company has or will have the operational capacity, staffing, supply chain, distribution chain, customer contracts, equipment, licences, or financing in order to achieve the projections in the Business Plan. Creditors are advised to undertake their own assessment and due diligence should they wish to satisfy themselves as to the achievability of the Business Plan.

Proposal Not Accepted

If the Proposal is not accepted, the Company would become bankrupt on June 12, 2020 and the Company's assets would vest with the trustee in bankruptcy, subject to the rights of the Company's secured creditors. The Proposal Trustee is of the view that in the event of a bankruptcy of the Company, at least one of Olympia or the Interim Lenders would likely appoint a receiver to realize on the Company's assets. The estimated realizable value of the Company's assets in a liquidation scenario is outlined in Section E of this report. The Proposal Trustee estimates that, based on the information set out in Section E, the realizations that would be available for distribution to the Company's Unsecured Creditors would be \$Nil.

Section M – Recommendations

If Artiva and LiveWell become bankrupt, the Unsecured Creditors would only receive a dividend if the net realizations from the Company's assets were sufficient to pay (i) the claims of Secured Creditors (including their costs in realizing on the Company's assets), (ii) Preferred Creditors, and (iii) the fees and disbursements of the trustee and/or receiver. Based on the claims of Secured Creditors (Olympia and the Interim Lenders) estimated to be \$9.0 million, the potential Administrative Charge of up to \$500,000, potential receiver fees and disbursements, including legal fees, estimated to be between \$200,000 to \$400,000, the realizations from the Company's assets would likely need to be at least \$9,900,000 in order

for there to be any distribution to the secured creditor's whose security has been valued at Nil. Including those claims of secured creditors whose security has been valued at \$Nil, the proceeds from liquidation of the Company's assets would likely need to be at least \$21,700,000 in order for there to be any distribution to the regular unsecured creditors.

Given the appraised market value of the Artiva Facility, and the potential discount from the appraised market value that is typically experienced in a liquidation scenario, it is unlikely that a liquidation will generate sufficient net proceeds to provide for any distribution to the Unsecured Creditors in the event the Proposal is rejected. Acceptance of the Proposal affords those Creditors the opportunity to receive a dividend of up to 100% of their Proven Claims depending on the profitability of New Artiva over the next four (4) fiscal years.

Accordingly, the Trustee recommends that the Unsecured Creditors accept the Proposal in order to provide the Company's Unsecured Creditors with the opportunity to maximize their return from the Company's indebtedness to them.

Section N – Meeting of Creditors

In completing the Proof of Claim form enclosed herewith, Creditors should only include all amounts outstanding as of February 14, 2020.

It is expressly noted and should be clearly understood that Deloitte, acting solely in its capacity as Proposal Trustee, assumes no responsibility for any claims against the Company before, on, or after the NOI Filing Date.
